Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 1999), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, or 1973-1985, published in seven separate volumes. For the period beginning January 1, 1986, a "List of CFR Sections Affected" is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of "Title 3—The President" is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the "Contents" entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

Subpart B—General Organization

§500.10 The OTS or The Office.

The Office of Thrift Supervision (referred to as “OTS” or “Office”) is an

office of the Department of the Treasury. Its functions are to charter, supervise, regulate and examine Federal savings associations and to supervise, regulate and examine all savings associations. It is directed by a Director, who is appointed by the President and confirmed by the Senate to a five-year term. The Director directs and carries out the mission of the OTS with the assistance of offices reporting directly to him. One of these offices oversees the direct examination and supervision of savings associations by regulatory staff to ensure the safety and soundness of the industry.

[57 FR 14335, Apr. 20, 1992, as amended at 60 FR 66869, Dec. 27, 1995]

Subpart C—Procedures

§ 500.30 General statement concerning procedures and forms.

(a) Rules and procedures of the Office are published in chapter V of title 12 of the Code of Federal Regulations and in supplementary material published in the FEDERAL REGISTER. The statutes administered by the Office and the rules and regulations promulgated pursuant to such statutes prescribe the course and method of the formal procedures to be followed in proceedings of the Office. These are supplemented where practicable by informal procedures designed to aid the public and facilitate the execution of the Office's functions. The informal procedures of the Office consist principally in the rendering of advice and assistance to members of the public dealing with the Office. Opinions expressed by members of the staff do not constitute an official expression of the views of the Office, but do represent views of persons working with the provisions of the statute or regulation involved. The Director may, for good cause and to the extent permitted by statute, waive the applicability of any provision of this chapter.

(b) Information with respect to procedures, forms, and instructions of the Office is available to the public at the headquarters of the Office. Forms of concern to the public consist principally of periodic financial reports and of applications to the Office. The Office may from time to time require the

12 CFR Ch. V (1–1–99 Edition)

completion by individuals or savings associations of miscellaneous forms, questionnaires, reports, or other papers. In each instance, the individual or savings association is given actual and timely notice of the scope and contents of the papers in question.

502.75 What if I do not pay my fees on time?

AUTHORITY: 12 U.S.C. 1462a, 1463, 1467, 1467a.

SOURCE: 63 FR 65670, Nov. 30, 1998, unless otherwise noted.

§ 502.5 Who must pay assessments and fees?

(a) *Authority.* Section 9 of the HOLA, 12 U.S.C. 1467, authorizes the Director to charge assessments to recover the costs of examining savings associations and their affiliates, to charge fees to recover the costs of processing applications and other filings, and to charge fees to cover OTS's direct and indirect expenses in regulating savings associations and their affiliates.

(b) *Assessments.* If you are a savings association that OTS regulates on the last day of January or on the last day of July of each year, you must pay a semi-annual assessment due on that

day. Subpart A of this part describes OTS's assessment procedures and requirements.

(c) *Fees.* Whether or not you are a savings association, if you make any filings with OTS or use OTS services, the Director may require you to pay a fee to cover the costs of processing your submission or providing those services. The filings for which the Director may charge a fee include notices, applications, and securities filings. Among the services for which the Director may charge a fee are publications, seminars, certifications for official copies of agency documents, and records or services requested by other agencies. The Director also assesses fees for examining and investigating savings associations that administer trust assets of \$1 billion or less, and affiliates of savings associations. If you are a savings association and you or any of your affiliates cause OTS to incur extraordinary expenses related to your examination, investigation, regulation, or supervision, the Director may charge you a fee to fund those expenses. Subpart B of this part describes OTS's fee procedures and requirements.

Subpart A—Assessments

§ 502.10 How does OTS calculate my assessment?

OTS determines your semi-annual assessment by totaling three components: your size, your condition, and the complexity of your business. For the size and complexity components, OTS uses the September 30 Thrift Financial Report to determine amounts due at the January 31 assessment; and the March 31 Thrift Financial Report to determine amounts due at the July 31 assessment. For purposes of this subpart, total assets are your total assets as reported on Thrift Financial Reports filed with OTS. For the condition component, OTS uses the most recent composite rating, as defined in 12 CFR part 516, of which you have been notified in writing before an assessment's due date.

§ 502.15 How does OTS determine my size component?

(a) *General.* (1) Unless you are a qualifying savings association under paragraph (b) of this section, OTS uses the following chart to calculate your size component:

If your total assets are:		Your size component is:		
Over—	But not over—	This amount— Base assessment amount	Plus— Marginal rate	Of assets over— Class floor
Column A	Column B	Column C	Column D	Column E
0	\$67 million	C1	D1	0.
\$67 million	215 million	C2	D2	\$67 million.
215 million	1 billion	C3	D3	215 million.
1 billion	6.03 billion	C4	D4	1 billion.
6.03 billion	18 billion	C5	D5	6.03 billion.
18 billion	35 billion	C6	D6	18 billion.
35 billion	C7	D7	35 billion.

(2) To calculate your size component, find the row in Columns A and B that describes your total assets. Reading across in that same row, find your base assessment amount in Column C, your marginal rate in Column D, and your class floor in Column E. Calculate how much your total assets exceed your Column E class floor. Multiply this number by your Column D marginal rate. Add this number to your Column C base assessment amount. The total is

your size component. OTS will establish the base assessment amounts and the marginal rates in columns C and D in a Thrift Bulletin.

(b) *Special size component calculation for qualifying savings associations.* If you meet all of the criteria set forth in paragraph (b)(1) of this section, you are a qualifying savings association and OTS will calculate your size component in accordance with paragraph (b)(2) of this section.

§ 502.20

12 CFR Ch. V (1-1-99 Edition)

(1) *Criteria for qualifying savings association status.* (i) You were a savings association as of January 1, 1999.

(ii) Your total assets have never exceeded \$100 million at the end of any quarter.

(2) *Size component for qualifying savings associations.* If you are a qualifying savings association, your size component is the lesser of:

(i) Your size component calculated under paragraph (a) of this section; or

(ii) Your assessment calculated using the general assessment table at 12 CFR 502.1(c) as contained in the 12 CFR, parts 500 to 599, edition revised as of January 1, 1998, as implemented in Thrift Bulletin 48-9, dated December 21, 1992.

§ 502.20 How does OTS determine my condition component?

OTS uses the following chart to determine your condition component:

If your composite rating is:	Then your condition component is:
1 or 2	zero.
3	25 percent of your size component.
4 or 5	50 percent of your size component.

§ 502.25 How does OTS determine my complexity component?

If your portfolio exceeds any of the thresholds in paragraph (a) of this section, OTS will calculate your complexity component according to paragraph (c) of this section. If your portfolio does not exceed any of the thresholds in paragraph (a) of this section, your complexity component is zero.

(a) *Thresholds for complexity component.* OTS uses three separate thresholds in calculating your complexity component. You exceed a threshold if you have more than \$1 billion in any of the following:

(1) Trust assets you administer.

(2) The outstanding principal balance of assets covered, fully or partially, by your recourse obligations or direct credit substitutes.

(3) The principal amount of loans that you service for others.

(b) *Assessment rates.* OTS will establish one or more assessment rates for each of the types of activities listed in paragraph (a) of this section. OTS will publish those assessment rates in a Thrift Bulletin.

(c) *Calculation of complexity component.* OTS separately considers each of the thresholds in paragraph (a) of this section in calculating your complexity component. OTS first calculates the amount by which you exceed any of those thresholds. OTS multiplies the amount by which you exceed any threshold in paragraph (a) of this section by the applicable assessment rate(s) under paragraph (b) of this section. OTS then totals the results. This total is your complexity component.

§ 502.30 When must I pay my assessment?

OTS will bill you semiannually for your assessments. Assessments are due January 31 and July 31 of each year. At least seven days before your assessment is due, the Director will mail you a notice that indicates the amount of your assessment, explains how OTS calculated the amount, and specifies when payment is due.

§ 502.35 How must I pay my assessment?

(a) *Debit at Federal Home Loan Banks.* If you are a member of a Federal Home Loan Bank, you must maintain a demand deposit account at your Federal Home Loan Bank with sufficient funds to pay your assessment when due. OTS will notify your Federal Home Loan Bank of the amount of your assessment. OTS will debit your account for your assessments.

(b) *Direct billing.* If you are not a member of a Federal Home Loan Bank, OTS will directly debit an account you must maintain at your association.

§ 502.40 Can I get a refund or proration of my assessment?

OTS will not refund or prorate your assessment, even if you cease to be a savings association. If you are a savings association for whom a conservator or receiver has been appointed, you must continue to pay assessments in accordance with this part. OTS will not increase or decrease your assessment based on events that occur after the date of the Thrift Financial Report upon which your assessment is based.

§ 502.45 What if I do not pay my assessment on time?

The Director will charge interest on delinquent assessments. Interest will accrue at a rate (that OTS will determine quarterly) equal to 150 percent of the average of the bond-equivalent rates of 13-week Treasury bills auctioned during the preceding calendar quarter. Assessments under this subpart A are delinquent if you do not pay them when required by § 502.30.

Subpart B—Fees**§ 502.50 What fees does OTS charge?**

(a) The Director assesses fees for examining or investigating savings associations that administer trust assets of \$1 billion or less, and savings association affiliates. “Affiliate” has the meaning in 12 U.S.C. 1462(9), except that, for this part only, “affiliate” does not include any entity that is consolidated with a savings association on the Consolidated Statement of the Thrift Financial Report.

(b) The Director assesses fees for processing notices, applications, securities filings, and requests, and for providing other services.

§ 502.55 Where can I find OTS’s fee schedule?

OTS will periodically publish a schedule of its fees in a Thrift Bulletin. OTS will publish these fees at least 30 days before they are effective.

§ 502.60 When will OTS adjust, add, waive, or eliminate a fee?

Under unusual circumstances, the Director may deem it necessary or appropriate to adjust, add, waive, or eliminate a fee. For example, the Director may:

(a) Reduce any fee to adjust for any inequities, efficiencies, or changed procedures that OTS projects will reduce its applications processing costs but that OTS did not consider in determining its fees;

(b) Reduce or waive any fee if OTS determines that the fee would unduly or unjustifiably discourage particular types of applications or applications for particular categories of transactions;

(c) Add a fee for a new type of application;

(d) Increase a fee for an application that presents unusual or particularly complex issues of law or policy or otherwise causes the agency to incur unusually high processing costs; or

(e) Charge a fee to recover extraordinary expenses related to examination, investigation, regulation, or supervision of savings associations or their affiliates.

§ 502.65 When is an application fee due?

(a) You must pay the application fee when you file an application. OTS will not process your application if you do not include the required fee.

(b) If OTS cannot complete its review of your application because the application is materially deficient and it refuses to accept your application for processing, you must pay a new application fee upon filing a revised application.

(c) If a transaction involves multiple applications, you must pay the appropriate fee for each application, unless OTS specifies otherwise by Thrift Bulletin.

§ 502.70 How must I pay an application fee?

You must pay an application fee to the Office of Thrift Supervision. You must include a statement of the fee and how you calculated the fee.

§ 502.75 What if I do not pay my fees on time?

(a) *Interest.* An examination or investigation fee is delinquent if OTS does not receive the fee within 30 days of the date specified in a bill. The Director will charge interest on a delinquent examination or investigation fee. Interest will accrue at a rate (that OTS will determine quarterly) equal to 150 percent of the average of the bond-equivalent rates of 13-week Treasury bills auctioned during the preceding calendar quarter.

(b) *Failure to pay.* If your holding company, affiliate, or subsidiary fails to pay any examination or investigation fee within 60 days of the date specified in a bill, the Director may assess that fee, with interest, against you and

collect it from you. If any such entity is a holding company, affiliate, or subsidiary of more than one savings association, the Director may assess the fee against and collect it from each savings association as the Director may prescribe.

§ 503.1 Scope and procedures.

(a) *In general.* The Privacy Act regulations of the Department of the Treasury, 31 CFR part 1, subpart C, apply to the Office as a component part of the Department of the Treasury. This part 503 sets forth, for the Office, specific notification and access procedures with respect to particular systems of records, and identifies the officials designated to make the initial determinations with respect to notification and access to records and accountings of disclosures of records. This part 503 also sets forth the specific procedures for requesting amendment of records and identifies the officials designated to make the initial and appellate determinations with respect to requests for amendment of records. It identifies the officials designated to grant extensions of time on appeal, the officials with whom “Statements of Disagreement” may be filed, the official designated to receive service of process and the addresses for delivery of requests, appeals, and service of process. In addition, it references the notice of systems of records and notices of the routine uses of the information in the system required by 5 U.S.C. 552a(e) (4) and (11) and published annually by the Office of the Federal Register in “Privacy Act Issuances.”

(b) *Requests for notification and access to records and accountings of disclosures.* Initial determinations under 31 CFR 1.26, whether to grant requests for notification and access to records and ac-

countings of disclosures for the Office, will be made by the head of the organizational unit having immediate custody of the records requested or an official designated by this official. This is indicated in the appropriate system notice in “Privacy Act Issuances” published annually by the Office of the Federal Register. Requests for information and specific guidance on where to send requests for records may be mailed or delivered personally to: Privacy Act Request, Office of Congressional Relations and Communications, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

(c) *Requests for amendment of records.* Initial determinations under 31 CFR 1.27(a) through (d), whether to grant requests to amend records will be made by the head of the organizational unit having immediate custody of the records or the delegate of such official. Requests for amendment should be addressed to: Privacy Act Amendment Request, Office of Congressional Relations and Communications, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

(d) *Administrative appeal of initial determinations refusing amendment of records.* Appellate determinations refusing amendment of records under 31 CFR 1.27(e) including extensions of time on appeal, with respect to records of the Office will be made by the Director of the Office of Thrift Supervision (“Director”) or Chief Counsel or the delegate of the Director or Chief Counsel. Appeals made by mail should be addressed to, or delivered personally to: Privacy Act Amendment Appeal, Office of Congressional Relations and Communications, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

(e) *Statements of disagreement.* “Statements of Disagreement” under 31 CFR 1.27(e)(4)(i) shall be filed with the Deputy Director for Washington Operations at the address indicated in the letter of notification within 35 days of the date of such notification and should be limited to one page.

(f) *Service of process.* Service of process will be received by the Chief Counsel’s Office or the delegate of such official and shall be delivered to the following location: Chief Counsel’s Office,

Office of Thrift Supervision, Treasury

§ 503.2

(g) *Annual notice of systems of records.* The annual notice of systems of records is published by the Office of the Federal Register, as specified in 5 U.S.C. 552a(f). The publication is entitled "Privacy Act Issuance." Any specific requirements for access, including identification requirements, in addition to the requirements set forth in 31 CFR 1.26 and 1.27 are indicated in the notice for the pertinent system.

[54 FR 49443, Nov. 30, 1989, as amended at 59 FR 18475, Apr. 19, 1994]

§ 503.2 Exemptions of records containing investigatory material compiled for law enforcement purposes.

(a) *Scope.* The Office has established a system of records, entitled the "Confidential Individual Information System." The purpose of this system is to assist the Office in the accomplishment of its statutory and regulatory responsibilities in connection with supervision of savings associations. This system will be exempt from certain provisions of the Privacy Act of 1974 for the reasons set forth in paragraph (c) of this section.

(b) *Exemptions Under 5 U.S.C. 552a(k)(2).* (1) Pursuant to 5 U.S.C. 552a(k)(2), the head of an agency may issue rules to exempt any system of records within the agency from certain provisions of the Privacy Act of 1974 if the system contains investigatory material compiled for law enforcement purposes.

(2) Provisions of the Privacy Act of 1974 from which exemptions will be made under 5 U.S.C. 552a(k)(2) are as follows:

- (i) 5 U.S.C. 552a(c)(3);
- (ii) 5 U.S.C. 552a(d)(1), (d)(2), (d)(3), and (d)(4);
- (iii) 5 U.S.C. 552a(e)(1);
- (iv) 5 U.S.C. 552a(e)(4)(G), (e)(4)(H), and (e)(4)(I); and
- (v) 5 U.S.C. 552a(f).

(c) *Reasons for exemptions under 5 U.S.C. 552a(k)(2).* (1) 5 U.S.C. 552a(c)(3) requires that an agency make accountings of disclosures of records available to individuals named in the records at their request. These accountings must state the date, nature, and purpose of each disclosure of a record and the

name and address of the recipient. The application of this provision would make known to subjects of an investigation that an investigation is taking place and that they are the subjects of it. Release of such information could result in the alteration or destruction of documentary evidence, improper influencing of witnesses, and reluctance of witnesses to offer information, and could otherwise impede or compromise an investigation.

(2) 5 U.S.C. 552a(d)(1), (d)(2), (d)(3), and (d)(4), (e)(4)(G) and (e)(4)(H), and (f), relate to an individual's right to be notified of the existence of, and the right to examine, records pertaining to such individual. Notifying an individual at the individual's request of the existence of records and allowing the individual to examine an investigative file pertaining to such individual, or granting access to an investigative file, could:

- (i) Interfere with investigations and enforcement proceedings;
- (ii) Constitute an unwarranted invasion of the personal privacy of others;
- (iii) Disclose the identity of confidential sources and reveal confidential information supplied by those sources; or
- (iv) Disclose investigative techniques and procedures.

(3) 5 U.S.C. 552a(e)(4)(I) requires the publication of the categories of sources of records in each system. Application of this provision could disclose investigative techniques and procedures and cause sources to refrain from giving such information because of fear of reprisal, or fear of breach of promises of anonymity and confidentiality, thus compromising the agency's ability to conduct investigations and to identify, detect, and apprehend violators.

(4) 5 U.S.C. 552a(e)(1) requires each agency to maintain in its records only information about an individual that is relevant and necessary to accomplish a purpose of the agency required by statute or Executive Order. Limiting the system as described would impede enforcement activities because:

- (i) It is not always possible to determine the relevance or necessity of specific information in the early stages of an investigation; and
- (ii) In any investigation the Office may obtain information concerning

violations of laws other than those within the scope of its jurisdiction. In the interest of effective law enforcement, the Office should retain this information to aid in establishing patterns of criminal activity, and to provide leads for those law enforcement agencies charged with enforcing criminal or civil laws.

(d) *Documents exempted.* Exemptions will be applied only when appropriate under 5 U.S.C. 552a(k).

§ 508.1 Scope.

The rules in this part apply to hearings, which are exempt from the adjudicative provisions of the Administrative Procedure Act, afforded to any officer, director, or other person participating in the conduct of the affairs of a savings association, affiliate service corporation, savings and loan holding company, or subsidiary of such a holding company, where such person has been suspended or removed from office or prohibited from further participation in the conduct of the affairs of one of the aforementioned entities by a Notice or Order served by the Office upon the grounds set forth in section 8(g) of the Federal Deposit Insurance Act, (12 U.S.C. 1818(g)).

§ 508.2 Definitions.

As used in this part—

(a) The term *Office* means the Office of Thrift Supervision.

(b) The term *Secretary* means the Secretary to the Office and any Assistant or Acting Secretary to the Office.

(c) The term *Notice* means a Notice of Suspension or Notice of Prohibition issued by the Office pursuant to section 8(g) of the Federal Deposit Insurance Act.

(d) The term *Order* means an Order of Removal or Order of Prohibition issued by the Office pursuant to section 8(g) of the Federal Deposit Insurance Act.

(e) The term *association* means a savings association within the meaning of section 2(4) of the Home Owners' Loan Act of 1933, as amended, 12 U.S.C. 1462(4) ("HOLA"), an affiliate service corporation within the meaning of section 8(b)(8) of the Federal Deposit Insurance Act, as amended, 12 U.S.C. 1818(b)(8) ("FDIA"), a savings and loan holding company within the meaning of section 10(a)(1)(D) of the HOLA, 12 U.S.C. 1467a(a)(1)(D) and a subsidiary of a savings and loan holding company (other than a savings association) within the meaning of section 10(a)(1)(G) of the Home Owners' Loan Act of 1933.

(f) The term *subject individual* means a person served with a Notice or Order.

(g) The term *petitioner* means a subject individual who has filed a petition for informal hearing under this part.

§ 508.3 Issuance of Notice or Order.

(a) The Office may issue and serve a Notice upon an officer, director, or other person participating in the conduct of the affairs of an association, where the individual is charged in any information, indictment, or complaint with the commission of or participation in a crime involving dishonesty or breach of trust that is punishable by imprisonment for a term exceeding one year under State or Federal law, if the Office, upon due deliberation, determines that continued service or participation by the individual may pose a threat to the interests of the association's depositors or may threaten to impair public confidence in the association. The Notice shall remain in effect until the information, indictment, or complaint is finally disposed of or until terminated by the Office.

(b) The Office may issue and serve an Order upon a subject individual against whom a judgment of conviction, or an agreement to enter a pretrial diversion or other similar program has been rendered, where such judgment is not subject to further appellate review, and the Office, upon the deliberation, has determined that continued service or participation by the subject individual may pose a threat to the interests of the association's depositors or may threaten to impair public confidence in the association.

§ 508.4 Contents and service of the Notice or Order.

(a) The Notice or Order shall set forth the basis and facts in support of the Office's issuance of such Notice or Order, and shall inform the subject individual of his right to a hearing, in accordance with this part, for the purpose of determining whether the Notice or Order should be continued, terminated, or otherwise modified.

(b) The Secretary shall serve a copy of the Notice or Order upon the subject individual and the related association in the manner set forth in § 509.11 of this chapter.

(c) Upon receipt of the Notice or Order, the subject individual shall immediately comply with the requirements thereof.

[54 FR 49444, Nov. 30, 1989, as amended at 56 FR 38306, Aug. 12, 1991]

§ 508.5 Petition for hearing.

(a) To obtain a hearing, the subject individual must file two copies of a petition with the Secretary within 30 days of being served with the Notice or Order.

(b) The petition filed under this section shall admit or deny specifically each allegation in the Notice or Order, unless the petitioner is without knowledge or information, in which case the petition shall so state and the statement shall have the effect of a denial. Any allegation not denied shall be deemed to be admitted. When a petitioner intends in good faith to deny only a part of or to qualify an allegation, he shall specify so much of it as is true and shall deny only the remainder.

(c) The petition shall state whether the petitioner is requesting termination or modification of the Notice or Order, and shall state with particularity how the petitioner intends to show that his continued service to or participation in the conduct of the affairs of the association would not, or is not likely to, pose a threat to the interests of the association's depositors or to impair public confidence in the association.

§ 508.6 Initiation of hearing.

(a) Within 10 days of the filing of a petition for hearing, the Office shall notify the petitioner of the time and place fixed for hearing, and it shall designate one or more Office employees to serve as presiding officer.

(b) The hearing shall be scheduled to be held no later than 30 days from the date the petition was filed, unless the time is extended at the request of the petitioner.

(c) A petitioner may appear personally or through counsel, but if represented by counsel, said counsel is required to comply with § 509.6 of this chapter.

(d) A representative(s) of the Office's Office of Enforcement also may attend the hearing and participate therein as a party.

[54 FR 49444, Nov. 30, 1989, as amended at 56 FR 38306, Aug. 12, 1991]

§ 508.7 Conduct of hearings.

(a) Hearings provided by this section are not subject to the adjudicative provisions of the Administrative Procedure Act (5 U.S.C. 554–557). The presiding officer is, however, authorized to exercise all of the powers enumerated in § 509.5 of this chapter.

(b) Witnesses may be presented, within time limits specified by the presiding officer, provided that at least 10 days prior to the hearing date, the party presenting the witnesses furnishes the presiding officer and the opposing party with a list of such witnesses and a summary of the proposed testimony. However, the requirement for furnishing such a witness list and summary of testimony shall not apply to the presentation of rebuttal witnesses. The presiding officer may ask questions of any witness, and each

party shall have an opportunity to cross-examine any witness presented by an opposing party.

(c) Upon the request of either the petitioner or a representative of the Office of Enforcement, the record shall remain open for a period of 5 business days following the hearing, during which time the parties may make any additional submissions for the record. Thereafter, the record shall be closed.

(d) Following the introduction of all evidence, the petitioner and the representative of the Office of Enforcement shall have an opportunity for oral argument; however, the parties may jointly waive the right to oral argument, and, in lieu thereof, elect to submit written argument.

(e) All oral testimony and oral argument shall be recorded, and transcripts made available to the petitioner upon payment of the cost thereof. A copy of the transcript shall be sent directly to the presiding officer, who shall have authority to correct the record *sua sponte* or upon the motion of any party.

(f) The parties may, in writing, jointly waive an oral hearing and instead elect a hearing upon a written record in which all evidence and argument would be submitted to the presiding officer in documentary form and statements of individuals would be made by affidavit.

[54 FR 49444, Nov. 30, 1989, as amended at 56 FR 38306, Aug. 12, 1991]

§ 508.8 Default.

If the subject individual fails to file a petition for a hearing, or fails to appear at a hearing, either in person or by attorney, or fails to submit a written argument where oral argument has been waived pursuant to § 508.7(d) or (f) of this part, the Notice shall remain in effect until the information, indictment, or complaint is finally disposed of and the Order shall remain in effect until terminated by the Office.

§ 508.9 Rules of evidence.

(a) Formal rules of evidence shall not apply to a hearing, but the presiding officer may limit the introduction of irrelevant, immaterial, or unduly repetitious evidence.

(b) All matters officially noticed by the presiding officer shall appear on the record.

§ 508.10 Burden of persuasion.

The petitioner has the burden of showing, by a preponderance of the evidence, that his or her continued service to or participation in the conduct of the affairs of the association does not, or is not likely to, pose a threat to the interests of the association's depositors or threaten to impair public confidence in the association.

§ 508.11 Relevant considerations.

(a) In determining whether the petitioner has shown that his or her continued service to or participation in the conduct of the affairs of the association would not, or is not likely to, pose a threat to the interests of the association's depositors or threaten to impair public confidence in the association, in order to decide whether the Notice or Order should be continued, terminated, or otherwise modified, the Office will consider:

- (1) The nature and extent of the petitioner's participation in the affairs of the association;
- (2) The nature of the offense with which the petitioner has been charged;

By filing a notice of appearance on behalf of a party in an adjudicatory proceeding, the counsel agrees and represents that he or she is authorized to accept service on behalf of the represented party and that, in the event of withdrawal from representation, he or she will, if required by the administrative law judge, continue to accept service until new counsel has filed a notice of appearance or until the represented party indicates that he or she will proceed on a *pro se* basis.

§ 509.7 Good faith certification.

(a) *General requirement.* Every filing or submission of record following the issuance of a notice shall be signed by at least one counsel of record in his or her individual name and shall state that counsel's address and telephone number. A party who acts as his or her own counsel shall sign his or her individual name and state his or her address and telephone number on every filing or submission of record.

(b) *Effect of signature.* (1) The signature of counsel or a party shall constitute a certification that: the counsel or party has read the filing or submission of record; to the best of his or her knowledge, information, and belief formed after reasonable inquiry, the

filing or submission of record is well-grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; and the filing or submission of record is not made for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

(2) If a filing or submission of record is not signed, the administrative law judge shall strike the filing or submission of record, unless it is signed promptly after the omission is called to the attention of the pleader or movant.

(c) *Effect of making oral motion or argument.* The act of making any oral motion or oral argument by any counsel or party constitutes a certification that to the best of his or her knowledge, information, and belief formed after reasonable inquiry, his or her statements are well-grounded in fact and are warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law, and are not made for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

§ 509.8 Conflicts of interest.

(a) *Conflict of interest in representation.* No person shall appear as counsel for another person in an adjudicatory proceeding if it reasonably appears that such representation may be materially limited by that counsel's responsibilities to a third person or by the counsel's own interests. The administrative law judge may take corrective measures at any stage of a proceeding to cure a conflict of interest in representation, including the issuance of an order limiting the scope of representation or disqualifying an individual from appearing in a representative capacity for the duration of the proceeding.

(b) *Certification and waiver.* If any person appearing as counsel represents two or more parties to an adjudicatory proceeding or also represents a non-party on a matter relevant to an issue in the proceeding, counsel must certify in writing at the time of filing the notice of appearance required by § 509.6(a):

(1) That the counsel has personally and fully discussed the possibility of conflicts of interest with each such party and non-party; and

(2) That each such party and non-party waives any right it might otherwise have had to assert any known conflicts of interest or to assert any non-material conflicts of interest during the course of the proceeding.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20354, May 6, 1996]

§ 509.9 Ex parte communications.

(a) *Definition*—(1) *Ex parte communication* means any material oral or written communication relevant to the merits of an adjudicatory proceeding that was neither on the record nor on reasonable prior notice to all parties that takes place between:

(i) An interested person outside the Office (including such person's counsel); and

(ii) The administrative law judge handling that proceeding, the Director, or a decisional employee.

(2) *Exception*. A request for status of the proceeding does not constitute an *ex parte* communication.

(b) *Prohibition of ex parte communications*. From the time the notice is issued by the Director until the date that the Director issues the final decision pursuant to § 509.40(c) of this subpart:

(1) No interested person outside the Office shall make or knowingly cause to be made an *ex parte* communication to the Director, the administrative law judge, or a decisional employee; and

(2) The Director, administrative law judge, or decisional employee shall not make or knowingly cause to be made to any interested person outside the Office any *ex parte* communication.

(c) *Procedure upon occurrence of ex parte communication*. If an *ex parte* communication is received by the administrative law judge, the Director or other person identified in paragraph (a) of this section, that person shall cause all such written communications (or, if the communication is oral, a memorandum stating the substance of the communication) to be placed on the record of the proceeding and served on all parties. All other parties to the proceeding shall have an opportunity,

within ten days of receipt of service of the *ex parte* communication to file responses thereto and to recommend any sanctions, in accordance with paragraph (d) of this section, that they believe to be appropriate under the circumstances.

(d) *Sanctions*. Any party or his or her counsel who makes a prohibited *ex parte* communication, or who encourages or solicits another to make any such communication, may be subject to any appropriate sanction or sanctions imposed by the Director or the administrative law judge including, but not limited to, exclusion from the proceedings and an adverse ruling on the issue which is the subject of the prohibited communication.

(e) *Separation-of-functions*. Except to the extent required for the disposition of *ex parte* matters as authorized by law, the administrative law judge may not consult a person or party on any matter relevant to the merits of the adjudication, unless on notice and opportunity for all parties to participate. An employee or agent engaged in the performance of investigative or prosecuting functions for the Office in a case may not, in that or a factually related case, participate or advise in the decision, recommended decision, or agency review of the recommended decision under § 509.40 of this subpart, except as witness or counsel in public proceedings.

[56 FR 38306, Aug. 12, 1991, as amended at 60 FR 28035, May 30, 1995]

All papers filed must be double-spaced and printed or typewritten on 8½ x 11 inch paper, and must be clear and legible.

(2) *Signature*. All papers must be dated and signed as provided in § 509.7 of this subpart.

(3) *Caption*. All papers filed must include at the head thereof, or on a title page, the name of the Office and of the filing party, the title and docket number of the proceeding, and the subject of the particular paper.

(4) *Number of copies*. Unless otherwise specified by the Director, or the administrative law judge, an original and one copy of all documents and papers shall be filed, except that only one copy of transcripts of testimony and exhibits shall be filed.

§ 509.11 Service of papers.

(a) *By the parties*. Except as otherwise provided, a party filing papers shall serve a copy upon the counsel of record for all other parties to the proceeding so represented, and upon any party not so represented.

(c) *By the Director or the administrative law judge*. (1) All papers required to be served by the Director or the administrative law judge upon a party who has appeared in the proceeding through a counsel of record, shall be served by any means specified in paragraph (b) of this section.

(2) If a party has not appeared in the proceeding in accordance with § 509.6 of this subpart, the Director or the administrative law judge shall make service by any of the following methods:

- (i) By personal service;
- (ii) If the person to be served is an individual, by delivery to a person of suitable age and discretion at the physical location where the individual resides or works;
- (iii) If the person to be served is a corporation or other association, by delivery to an officer, managing or general agent, or to any other agent authorized by appointment or by law to receive service and, if the agent is one authorized by statute to receive service and the statute so requires, by also mailing a copy to the party;

(e) *Area of service.* Service in any state, territory, possession of the United States, or the District of Columbia, on any person or company doing business in any state, territory, possession of the United States, or the District of Columbia, or on any person as otherwise provided by law, is effective without regard to the place where the hearing is held, provided that if service is made on a foreign bank in connection with an action or proceeding involving one or more of its branches or agencies located in any state, territory, possession of the United States, or the District of Columbia, service shall be made on at least one branch or agency so involved.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20354, May 6, 1996]

§ 509.12 Construction of time limits.

(a) *General rule.* In computing any period of time prescribed by this subpart, the date of the act or event that commences the designated period of time is not included. The last day so computed is included unless it is a Saturday, Sunday, or Federal holiday. When the last day is a Saturday, Sunday, or Federal holiday, the period runs until the end of the next day that is not a Saturday, Sunday, or Federal holiday. Intermediate Saturdays, Sundays, and Federal holidays are included in the computation of time. However, when the time period within which an act is to be performed is ten days or less, not including any additional time allowed for in paragraph (c) of this section, intermediate Saturdays, Sundays, and Federal holidays are not included.

(b) *When papers are deemed to be filed or served.* (1) Filing and service are deemed to be effective:

(i) In the case of personal service or same day commercial courier delivery, upon actual service;

(ii) In the case of overnight commercial delivery service, U.S. Express mail delivery, or first class, registered, or certified mail, upon deposit in or delivery to an appropriate point of collection; or

(iii) In the case of transmission by electronic media, as specified by the authority receiving the filing, in the case of filing, and as agreed among the parties, in the case of service.

(2) The effective filing and service dates specified in paragraph (b)(1) of this section may be modified by the Director or administrative law judge in the case of filing or by agreement of the parties in the case of service.

(c) *Calculation of time for service and filing of responsive papers.* Whenever a time limit is measured by a prescribed period from the service of any notice or paper, the applicable time limits are calculated as follows:

(1) If service is made by first class, registered, or certified mail, add three calendar days to the prescribed period;

(2) If service is made by express mail or overnight delivery service, add one calendar day to the prescribed period; or

(3) If service is made by electronic media transmission, add one calendar day to the prescribed period, unless otherwise determined by the Director or the administrative law judge in the case of filing, or by agreement among the parties in the case of service.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20354, May 6, 1996]

§ 509.13 Change of time limits.

Except as otherwise provided by law, the administrative law judge may, for good cause shown, extend the time limits prescribed by the Uniform Rules or any notice or order issued in the proceedings. After the referral of the case to the Director pursuant to § 509.38 of this subpart, the Director may grant extensions of the time limits for good cause shown. Extensions may be granted at the motion of a party or on the Director's or the administrative law judge's own motion after notice and opportunity to respond is afforded all non-moving parties.

§ 509.14 Witness fees and expenses.

Witnesses subpoenaed for testimony or deposition shall be paid the same fees for attendance and mileage as are paid in the United States district courts in proceedings in which the United States is a party, provided that, in the case of a discovery subpoena addressed to a party, no witness fees or mileage need be paid. Fees for witnesses shall be tendered in advance by the party requesting the subpoena, except that fees and mileage need not be

tendered in advance where the Office is the party requesting the subpoena. The Office shall not be required to pay any fees to, or expenses of, any witness not subpoenaed by the Office.

§ 509.15 Opportunity for informal settlement.

Any respondent may, at any time in the proceeding, unilaterally submit to Enforcement Counsel written offers or proposals for settlement of a proceeding, without prejudice to the rights of any of the parties. No such offer or proposal shall be made to any Office representative other than Enforcement Counsel. Submission of a written settlement offer does not provide a basis for adjourning or otherwise delaying all or any portion of a proceeding under this part. No settlement offer or proposal, or any subsequent negotiation or resolution, is admissible as evidence in any proceeding.

§ 509.16 Office's right to conduct examination.

Nothing contained in this subpart limits in any manner the right of the Office to conduct any examination, inspection, or visitation of any institution or institution-affiliated party, or the right of the Office to conduct or continue any form of investigation authorized by law.

§ 509.17 Collateral attacks on adjudicatory proceeding.

If an interlocutory appeal or collateral attack is brought in any court concerning all or any part of an adjudicatory proceeding, the challenged adjudicatory proceeding shall continue without regard to the pendency of that court proceeding. No default or other failure to act as directed in the adjudicatory proceeding within the times prescribed in this subpart shall be excused based on the pendency before any court of any interlocutory appeal or collateral attack.

§ 509.18 Commencement of proceeding and contents of notice.

(a) *Commencement of proceeding.* (1)(i) Except for change-in-control proceedings under section 7(j)(4) of the FDIA (12 U.S.C. 1817(j)(4)), a proceeding gov-

erned by this subpart is commenced by issuance of a notice by the Director.

(ii) The notice must be served by the Director upon the respondent and given to any other appropriate financial institution supervisory authority where required by law.

(iii) The notice must be filed with the OFIA.

(2) Change-in control proceedings under section 7(j)(4) of the FDIA (12 U.S.C. 1817(j)(4)) commence with the issuance of an order by the Director.

(b) *Contents of notice.* The notice must set forth:

(1) The legal authority for the proceeding and for the Office's jurisdiction over the proceeding;

(2) A statement of the matters of fact or law showing that the Office is entitled to relief;

(3) A proposed order or prayer for an order granting the requested relief;

(4) The time, place, and nature of the hearing as required by law or regulation;

(5) The time within which to file an answer as required by law or regulation;

(6) The time within which to request a hearing as required by law or regulation; and

(7) The answer and/or request for a hearing shall be filed with OFIA.

§ 509.19 Answer.

(a) *When.* Within 20 days of service of the notice, respondent shall file an answer as designated in the notice. In a civil money penalty proceeding, respondent shall also file a request for a hearing within 20 days of service of the notice.

(b) *Content of answer.* An answer must specifically respond to each paragraph or allegation of fact contained in the notice and must admit, deny, or state that the party lacks sufficient information to admit or deny each allegation of fact. A statement of lack of information has the effect of a denial. Denials must fairly meet the substance of each allegation of fact denied; general denials are not permitted. When a respondent denies part of an allegation, that part must be denied and the remainder specifically admitted. Any allegation

§ 509.20

of fact in the notice which is not denied in the answer must be deemed admitted for purposes of the proceeding. A respondent is not required to respond to the portion of a notice that constitutes the prayer for relief or proposed order. The answer must set forth affirmative defenses, if any, asserted by the respondent.

(c) *Default*—(1) *Effect of failure to answer.* Failure of a respondent to file an answer required by this section within the time provided constitutes a waiver of his or her right to appear and contest the allegations in the notice. If no timely answer is filed, the administrative law judge, upon motion of the Enforcement Counsel, shall file with the Director a recommended decision containing the findings and the relief sought in the notice. Any final order issued by the Director based upon a respondent's failure to answer is deemed to be an order issued upon consent.

(2) *Effect of failure to request a hearing in civil money penalty proceedings.* If respondent fails to request a hearing as required by law within the time provided, the notice of assessment constitutes a final and unappealable order.

§ 509.20 Amended pleadings.

(a) *Amendments.* The notice or answer may be amended or supplemented at any stage of the proceeding. The respondent must answer an amended notice within the time remaining for the respondent's answer to the original notice, or within ten days after service of the amended notice, whichever period is longer, unless the Director or administrative law judge orders otherwise for good cause.

(b) *Amendments to conform to the evidence.* When issues not raised in the notice or answer are tried at the hearing by express or implied consent of the parties, they will be treated in all respects as if they had been raised in the notice or answer, and no formal amendments are required. If evidence is objected to at the hearing on the ground that it is not within the issues raised by the notice or answer, the administrative law judge may admit the evidence when admission is likely to assist in adjudicating the merits of the action and the objecting party fails to satisfy the administrative law judge

12 CFR Ch. V (1–1–99 Edition)

that the admission of such evidence would unfairly prejudice that party's action or defense upon the merits. The administrative law judge may grant a continuance to enable the objecting party to meet such evidence.

[61 FR 20354, May 6, 1996]

§ 509.21 Failure to appear.

Failure of a respondent to appear in person at the hearing or by a duly authorized counsel constitutes a waiver of respondent's right to a hearing and is deemed an admission of the facts as alleged and consent to the relief sought in the notice. Without further proceedings or notice to the respondent, the administrative law judge shall file with the Director a recommended decision containing the findings and the relief sought in the notice.

§ 509.22 Consolidation and severance of actions.

(a) *Consolidation.* (1) On the motion of any party, or on the administrative law judge's own motion, the administrative law judge may consolidate, for some or all purposes, any two or more proceedings, if each such proceeding involves or arises out of the same transaction, occurrence or series of transactions or occurrences, or involves at least one common respondent or a material common question of law or fact, unless such consolidation would cause unreasonable delay or injustice.

(2) In the event of consolidation under paragraph (a)(1) of this section, appropriate adjustment to the prehearing schedule must be made to avoid unnecessary expense, inconvenience, or delay.

(b) *Severance.* The administrative law judge may, upon the motion of any party, sever the proceeding for separate resolution of the matter as to any respondent only if the administrative law judge finds that:

(1) Undue prejudice or injustice to the moving party would result from not severing the proceeding; and

(2) Such undue prejudice or injustice would outweigh the interests of judicial economy and expedition in the complete and final resolution of the proceeding.

§ 509.23 Motions.

(a) *In writing.* (1) Except as otherwise provided herein, an application or request for an order or ruling must be made by written motion.

(2) All written motions must state with particularity the relief sought and must be accompanied by a proposed order.

(3) No oral argument may be held on written motions except as otherwise directed by the administrative law judge. Written memoranda, briefs, affidavits or other relevant material or documents may be filed in support of or in opposition to a motion.

(b) *Oral motions.* A motion may be made orally on the record unless the administrative law judge directs that such motion be reduced to writing.

(c) *Filing of motions.* Motions must be filed with the administrative law judge, but upon the filing of the recommended decision, motions must be filed with the Director.

(d) *Responses.* (1) Except as otherwise provided herein, within ten days after service of any written motion, or within such other period of time as may be established by the administrative law judge or the Director, any party may file a written response to a motion. The administrative law judge shall not rule on any oral or written motion before each party has had an opportunity to file a response.

(2) The failure of a party to oppose a written motion or an oral motion made on the record is deemed a consent by that party to the entry of an order substantially in the form of the order accompanying the motion.

(e) *Dilatory motions.* Frivolous, dilatory or repetitive motions are prohibited. The filing of such motions may form the basis for sanctions.

(f) *Dispositive motions.* Dispositive motions are governed by §§ 509.29 and 509.30 of this subpart.

§ 509.24 Scope of document discovery.

(a) *Limits on discovery.* (1) Subject to the limitations set out in paragraphs (b), (c), and (d) of this section, a party to a proceeding under this subpart may obtain document discovery by serving a written request to produce documents. For purposes of a request to produce documents, the term “docu-

ments” may be defined to include drawings, graphs, charts, photographs, recordings, data stored in electronic form, and other data compilations from which information can be obtained, or translated, if necessary, by the parties through detection devices into reasonably usable form, as well as written material of all kinds.

(2) Discovery by use of deposition is governed by § 509.102 of this part.

(3) Discovery by use of interrogatories is not permitted.

(b) *Relevance.* A party may obtain document discovery regarding any matter, not privileged, that has material relevance to the merits of the pending action. Any request to produce documents that calls for irrelevant material, that is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or that seeks to obtain privileged documents will be denied or modified. A request is unreasonable, oppressive, excessive in scope or unduly burdensome if, among other things, it fails to include justifiable limitations on the time period covered and the geographic locations to be searched, the time provided to respond in the request is inadequate, or the request calls for copies of documents to be delivered to the requesting party and fails to include the requestor’s written agreement to pay in advance for the copying, in accordance with § 509.25 of this subpart.

(c) *Privileged matter.* Privileged documents are not discoverable. Privileges include the attorney-client privilege, work-product privilege, any government’s or government agency’s deliberative-process privilege, and any other privileges the Constitution, any applicable act of Congress, or the principles of common law provide.

(d) *Time limits.* All discovery, including all responses to discovery requests, shall be completed at least 20 days prior to the date scheduled for the commencement of the hearing, except as provided in the Local Rules. No exceptions to this time limit shall be permitted, unless the administrative law judge finds on the record that good cause exists for waiving the requirements of this paragraph.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20354, May 6, 1996]

§ 509.25 Request for document discovery from parties.

(a) *General rule.* Any party may serve on any other party a request to produce for inspection any discoverable documents that are in the possession, custody, or control of the party upon whom the request is served. The request must identify the documents to be produced either by individual item or by category, and must describe each item and category with reasonable particularity. Documents must be produced as they are kept in the usual course of business or must be organized to correspond with the categories in the request.

(b) *Production or copying.* The request must specify a reasonable time, place, and manner for production and performing any related acts. In lieu of inspecting the documents, the requesting party may specify that all or some of the responsive documents be copied and the copies delivered to the requesting party. If copying of fewer than 250 pages is requested, the party to whom the request is addressed shall bear the cost of copying and shipping charges. If a party requests 250 pages or more of copying, the requesting party shall pay for the copying and shipping charges. Copying charges are the current per-page copying rate imposed under 12 CFR 502.7 for requests under the Freedom of Information Act (5 U.S.C. 552). The party to whom the request is addressed may require payment in advance before producing the documents.

(c) *Obligation to update responses.* A party who has responded to a discovery request with a response that was complete when made is not required to supplement the response to include documents thereafter acquired, unless the responding party learns that:

(1) The response was materially incorrect when made; or

(2) The response, though correct when made, is no longer true and a failure to amend the response is, in substance, a knowing concealment.

(d) *Motions to limit discovery.* (1) Any party that objects to a discovery request may, within ten days of being served with such request, file a motion in accordance with the provisions of § 509.23 of this subpart to revoke or otherwise limit the request. If an objec-

tion is made to only a portion of an item or category in a request, the portion objected to shall be specified. Any objections not made in accordance with this paragraph and § 509.23 of this subpart are waived.

(2) The party who served the request that is the subject of a motion to revoke or limit may file a written response within five days of service of the motion. No other party may file a response.

(e) *Privilege.* At the time other documents are produced, the producing party must reasonably identify all documents withheld on the grounds of privilege and must produce a statement of the basis for the assertion of privilege. When similar documents that are protected by deliberative process, attorney-work-product, or attorney-client privilege are voluminous, these documents may be identified by category instead of by individual document. The administrative law judge retains discretion to determine when the identification by category is insufficient.

(f) *Motions to compel production.* (1) If a party withholds any documents as privileged or fails to comply fully with a discovery request, the requesting party may, within ten days of the assertion of privilege or of the time the failure to comply becomes known to the requesting party, file a motion in accordance with the provisions of § 509.23 of this subpart for the issuance of a subpoena compelling production.

(2) The party who asserted the privilege or failed to comply with the request may file a written response to a motion to compel within five days of service of the motion. No other party may file a response.

(g) *Ruling on motions.* After the time for filing responses pursuant to this section has expired, the administrative law judge shall rule promptly on all motions filed pursuant to this section. If the administrative law judge determines that a discovery request, or any of its terms, calls for irrelevant material, is unreasonable, oppressive, excessive in scope, unduly burdensome, or repetitive of previous requests, or seeks to obtain privileged documents,

he or she may deny or modify the request, and may issue appropriate protective orders, upon such conditions as justice may require. The pendency of a motion to strike or limit discovery or to compel production is not a basis for staying or continuing the proceeding, unless otherwise ordered by the administrative law judge. Notwithstanding any other provision in this part, the administrative law judge may not release, or order a party to produce, documents withheld on grounds of privilege if the party has stated to the administrative law judge its intention to file a timely motion for interlocutory review of the administrative law judge's order to produce the documents, and until the motion for interlocutory review has been decided.

(h) *Enforcing discovery subpoenas.* If the administrative law judge issues a subpoena compelling production of documents by a party, the subpoenaing party may, in the event of noncompliance and to the extent authorized by applicable law, apply to any appropriate United States district court for an order requiring compliance with the subpoena. A party's right to seek court enforcement of a subpoena shall not in any manner limit the sanctions that may be imposed by the administrative law judge against a party who fails to produce subpoenaed documents.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20355, May 6, 1996]

§ 509.26 Document subpoenas to non-parties.

(a) *General rules.* (1) Any party may apply to the administrative law judge for the issuance of a document discovery subpoena addressed to any person who is not a party to the proceeding. The application must contain a proposed document subpoena and a brief statement showing the general relevance and reasonableness of the scope of documents sought. The subpoenaing party shall specify a reasonable time, place, and manner for making production in response to the document subpoena.

(2) A party shall only apply for a document subpoena under this section within the time period during which such party could serve a discovery request under § 509.24(d) of this subpart.

The party obtaining the document subpoena is responsible for serving it on the subpoenaed person and for serving copies on all parties. Document subpoenas may be served in any state, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law.

(3) The administrative law judge shall promptly issue any document subpoena requested pursuant to this section. If the administrative law judge determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he or she may refuse to issue the subpoena or may issue it in a modified form upon such conditions as may be consistent with the Uniform Rules.

(b) *Motion to quash or modify.* (1) Any person to whom a document subpoena is directed may file a motion to quash or modify such subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant shall serve the motion on all parties, and any party may respond to such motion within ten days of service of the motion.

(2) Any motion to quash or modify a document subpoena must be filed on the same basis, including the assertion of privilege, upon which a party could object to a discovery request under § 509.25(d) of this subpart, and during the same time limits during which such an objection could be filed.

(c) *Enforcing document subpoenas.* If a subpoenaed person fails to comply with any subpoena issued pursuant to this section or any order of the administrative law judge which directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with so much of the document subpoena as the administrative law judge has not quashed or modified. A party's right to seek court enforcement of a document subpoena shall in no way limit the sanctions

that may be imposed by the administrative law judge on a party who induces a failure to comply with subpoenas issued under this section.

§ 509.27 Deposition of witness unavailable for hearing.

(a) *General rules.* (1) If a witness will not be available for the hearing, a party may apply in accordance with the procedures set forth in paragraph (a)(2) of this section, to the administrative law judge for the issuance of a subpoena, including a subpoena duces tecum, requiring the attendance of the witness at a deposition. The administrative law judge may issue a deposition subpoena under this section upon showing that:

(i) The witness will be unable to attend or may be prevented from attending the hearing because of age, sickness or infirmity, or will otherwise be unavailable;

(ii) The witness' unavailability was not procured or caused by the subpoenaing party;

(iii) The testimony is reasonably expected to be material; and

(iv) Taking the deposition will not result in any undue burden to any other party and will not cause undue delay of the proceeding.

(2) The application must contain a proposed deposition subpoena and a brief statement of the reasons for the issuance of the subpoena. The subpoena must name the witness whose deposition is to be taken and specify the time and place for taking the deposition. A deposition subpoena may require the witness to be deposed at any place within the country in which that witness resides or has a regular place of employment or such other convenient place as the administrative law judge shall fix.

(3) Any requested subpoena that sets forth a valid basis for its issuance must be promptly issued, unless the administrative law judge on his or her own motion, requires a written response or requires attendance at a conference concerning whether the requested subpoena should be issued.

(4) The party obtaining a deposition subpoena is responsible for serving it on the witness and for serving copies on all parties. Unless the administra-

tive law judge orders otherwise, no deposition under this section shall be taken on fewer than ten days' notice to the witness and all parties. Deposition subpoenas may be served in any state, territory, possession of the United States, or the District of Columbia, on any person or company doing business in any state, territory, possession of the United States, or the District of Columbia, or as otherwise permitted by law.

(b) *Objections to deposition subpoenas.*

(1) The witness and any party who has not had an opportunity to oppose a deposition subpoena issued under this section may file a motion with the administrative law judge to quash or modify the subpoena prior to the time for compliance specified in the subpoena, but not more than ten days after service of the subpoena.

(2) A statement of the basis for the motion to quash or modify a subpoena issued under this section must accompany the motion. The motion must be served on all parties.

(c) *Procedure upon deposition.* (1) Each witness testifying pursuant to a deposition subpoena must be duly sworn, and each party shall have the right to examine the witness. Objections to questions or documents must be in short form, stating the grounds for the objection. Failure to object to questions or documents is not deemed a waiver except where the ground for the objection might have been avoided if the objection had been timely presented. All questions, answers, and objections must be recorded.

(2) Any party may move before the administrative law judge for an order compelling the witness to answer any questions the witness has refused to answer or submit any evidence the witness has refused to submit during the deposition.

(3) The deposition must be subscribed by the witness, unless the parties and the witness, by stipulation, have waived the signing, or the witness is ill, cannot be found, or has refused to sign. If the deposition is not subscribed by the witness, the court reporter taking the deposition shall certify that the transcript is a true and complete transcript of the deposition.

(d) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any order of the administrative law judge which directs compliance with all or any portion of a deposition subpoena under paragraph (b) or (c)(2) of this section, the subpoenaing party or other aggrieved party may, to the extent authorized by applicable law, apply to an appropriate United States district court for an order requiring compliance with the portions of the subpoena that the administrative law judge has ordered enforced. A party's right to seek court enforcement of a deposition subpoena in no way limits the sanctions that may be imposed by the administrative law judge on a party who fails to comply with or procures a failure to comply with, a subpoena issued under this section.

§ 509.28 Interlocutory review.

(a) *General rule.* The Director may review a ruling of the administrative law judge prior to the certification of the record to the Director only in accordance with the procedures set forth in this section and § 509.23 of this subpart.

(b) *Scope of review.* The Director may exercise interlocutory review of a ruling of the administrative law judge if the Director finds that:

(1) The ruling involves a controlling question of law or policy as to which substantial grounds exist for a difference of opinion;

(2) Immediate review of the ruling may materially advance the ultimate termination of the proceeding;

(3) Subsequent modification of the ruling at the conclusion of the proceeding would be an inadequate remedy; or

(4) Subsequent modification of the ruling would cause unusual delay or expense.

(c) *Procedure.* Any request for interlocutory review shall be filed by a party with the administrative law judge within ten days of his or her ruling and shall otherwise comply with § 509.23 of this subpart. Any party may file a response to a request for interlocutory review in accordance with § 509.23(d) of this subpart. Upon the expiration of the time for filing all responses, the administrative law judge shall refer the matter to the Director for final disposition.

(d) *Suspension of proceeding.* Neither a request for interlocutory review nor any disposition of such a request by the Director under this section suspends or stays the proceeding unless otherwise ordered by the administrative law judge or the Director.

§ 509.29 Summary disposition.

(a) *In general.* The administrative law judge shall recommend that the Director issue a final order granting a motion for summary disposition if the undisputed pleaded facts, admissions, affidavits, stipulations, documentary evidence, matters as to which official notice may be taken, and any other evidentiary materials properly submitted in connection with a motion for summary disposition show that:

(1) There is no genuine issue as to any material fact; and

(2) The moving party is entitled to a decision in its favor as a matter of law.

(b) *Biling of motions and responses.* (1) Any party who believes that there is no genuine issue of material fact to be determined and that he or she is entitled to a decision as a matter of law may move at any time for summary disposition in its favor of all or any part of the proceeding. Any party, within 20 days after service of such a motion, or within such time period as allowed by the administrative law judge, may file a response to such motion.

(2) A motion for summary disposition must be accompanied by a statement of the material facts as to which the moving party contends there is no genuine issue. Such motion must be supported by documentary evidence, which may take the form of admissions in pleadings, stipulations, depositions, investigatory depositions, transcripts, affidavits and any other evidentiary materials that the moving party contends support his or her position. The motion must also be accompanied by a brief containing the points and authorities in support of the contention of the moving party. Any party opposing a motion for summary disposition must file a statement setting forth those material facts as to which he or she contends a genuine dispute exists. Such

opposition must be supported by evidence of the same type as that submitted with the motion for summary disposition and a brief containing the points and authorities in support of the contention that summary disposition would be inappropriate.

(c) *Hearing on motion.* At the request of any party or on his or her own motion, the administrative law judge may hear oral argument on the motion for summary disposition.

(d) *Decision on motion.* Following receipt of a motion for summary disposition and all responses thereto, the administrative law judge shall determine whether the moving party is entitled to summary disposition. If the administrative law judge determines that summary disposition is warranted, the administrative law judge shall submit a recommended decision to that effect to the Director. If the administrative law judge finds that no party is entitled to summary disposition, he or she shall make a ruling denying the motion.

§ 509.30 Partial summary disposition.

If the administrative law judge determines that a party is entitled to summary disposition as to certain claims only, he or she shall defer submitting a recommended decision as to those claims. A hearing on the remaining issues must be ordered. Those claims for which the administrative law judge has determined that summary disposition is warranted will be addressed in the recommended decision filed at the conclusion of the hearing.

§ 509.31 Scheduling and prehearing conferences.

(a) *Scheduling conference.* Within 30 days of service of the notice or order commencing a proceeding or such other time as parties may agree, the administrative law judge shall direct counsel for all parties to meet with him or her in person at a specified time and place prior to the hearing or to confer by telephone for the purpose of scheduling the course and conduct of the proceeding. This meeting or telephone conference is called a “scheduling conference.” The identification of potential witnesses, the time for and manner of discovery, and the exchange of any

prehearing materials including witness lists, statements of issues, stipulations, exhibits and any other materials may also be determined at the scheduling conference.

(b) *Prehearing conferences.* The administrative law judge may, in addition to the scheduling conference, on his or her own motion or at the request of any party, direct counsel for the parties to meet with him or her (in person or by telephone) at a prehearing conference to address any or all of the following:

- (1) Simplification and clarification of the issues;
- (2) Stipulations, admissions of fact, and the contents, authenticity and admissibility into evidence of documents;
- (3) Matters of which office notice may be taken;
- (4) Limitation of the number of witnesses;
- (5) Summary disposition of any or all issues;
- (6) Resolution of discovery issues or disputes;
- (7) Amendments to pleadings; and
- (8) Such other matters as may aid in the orderly disposition of the proceeding.

(c) *Transcript.* The administrative law judge, in his or her discretion, may require that a scheduling or prehearing conference be recorded by a court reporter. A transcript of the conference and any materials filed, including orders, becomes part of the record of the proceeding. A party may obtain a copy of the transcript at its expense.

(d) *Scheduling or prehearing orders.* At or within a reasonable time following the conclusion of the scheduling conference or any prehearing conference, the administrative law judge shall serve on each party an order setting forth any agreements reached and any procedural determinations made.

§ 509.32 Prehearing submissions.

(a) Within the time set by the administrative law judge, but in no case later than 14 days before the start of the hearing, each party shall serve on every other party, his or her:

- (1) Prehearing statement;
- (2) Final list of witnesses to be called to testify at the hearing, including name and address of each witness and a

short summary of the expected testimony of each witness;

(3) List of the exhibits to be introduced at the hearing along with a copy of each exhibit; and

(4) Stipulations of fact, if any.

(b) *Effect of failure to comply.* No witness may testify and no exhibits may be introduced at the hearing if such witness or exhibit is not listed in the prehearing submissions pursuant to paragraph (a) of this section, except for good cause shown.

§ 509.33 Public hearings.

(a) *General rule.* All hearings shall be open to the public, unless the Director, in the Director's discretion, determines that holding an open hearing would be contrary to the public interest. Within 20 days of service of the notice or, in the case of change-in-control proceedings under section 7(j)(4) of the FDIA (12 U.S.C. 1817(j)(4)), within 20 days from service of the hearing order, any respondent may file with the Director a request for a private hearing, and any party may file a reply to such a request. A party must serve on the administrative law judge a copy of any request or reply the party files with the Director. The form of, and procedure for, these requests and replies are governed by § 509.23 of this subpart. A party's failure to file a request or a reply constitutes a waiver of any objections regarding whether the hearing will be public or private.

(b) *Filing document under seal.* Enforcement Counsel, in his or her discretion, may file any document or part of a document under seal if disclosure of the document would be contrary to the public interest. The administrative law judge shall take all appropriate steps to preserve the confidentiality of such documents or parts thereof, including closing portions of the hearing to the public.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20355, May 6, 1996]

§ 509.34 Hearing subpoenas.

(a) *Issuance.* (1) Upon application of a party showing general relevance and reasonableness of scope of the testimony or other evidence sought, the administrative law judge may issue a subpoena or a subpoena duces tecum

requiring the attendance of a witness at the hearing or the production of documentary or physical evidence at the hearing. The application for a hearing subpoena must also contain a proposed subpoena specifying the attendance of a witness or the production of evidence from any state, territory, or possession of the United States, the District of Columbia, or as otherwise provided by law at any designated place where the hearing is being conducted. The party making the application shall serve a copy of the application and the proposed subpoena on every other party.

(2) A party may apply for a hearing subpoena at any time before the commencement of a hearing. During a hearing, a party may make an application for a subpoena orally on the record before the administrative law judge.

(3) The administrative law judge shall promptly issue any hearing subpoena requested pursuant to this section. If the administrative law judge determines that the application does not set forth a valid basis for the issuance of the subpoena, or that any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he or she may refuse to issue the subpoena or may issue it in a modified form upon any conditions consistent with this subpart. Upon issuance by the administrative law judge, the party making the application shall serve the subpoena on the person named in the subpoena and on each party.

(b) *Motion to quash or modify.* (1) Any person to whom a hearing subpoena is directed or any party may file a motion to quash or modify the subpoena, accompanied by a statement of the basis for quashing or modifying the subpoena. The movant must serve the motion on each party and on the person named in the subpoena. Any party may respond to the motion within ten days of service of the motion.

(2) Any motion to quash or modify a hearing subpoena must be filed prior to the time specified in the subpoena for compliance, but not more than ten days after the date of service of the subpoena upon the movant.

(c) *Enforcing subpoenas.* If a subpoenaed person fails to comply with any

subpoena issued pursuant to this section or any order of the administrative law judge which directs compliance with all or any portion of a document subpoena, the subpoenaing party or any other aggrieved party may seek enforcement of the subpoena pursuant to section § 509.26(c) of this subpart.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20355, May 6, 1996]

§ 509.35 Conduct of hearings.

(a) *General rules.* (1) Hearings shall be conducted so as to provide a fair and expeditious presentation of the relevant disputed issues. Each party has the right to present its case or defense by oral and documentary evidence and to conduct such cross examination as may be required for full disclosure of the facts.

(2) *Order of hearing.* Enforcement Counsel shall present its case-in-chief first, unless otherwise ordered by the administrative law judge, or unless otherwise expressly specified by law or regulation. Enforcement Counsel shall be the first party to present an opening statement and a closing statement, and may make a rebuttal statement after the respondent's closing statement. If there are multiple respondents, respondents may agree among themselves as to their order of presentation of their cases, but if they do not agree the administrative law judge shall fix the order.

(3) *Examination of witnesses.* Only one counsel for each party may conduct an examination of a witness, except that in the case of extensive direct examination, the administrative law judge may permit more than one counsel for the party presenting the witness to conduct the examination. A party may have one counsel conduct the direct examination and another counsel conduct re-direct examination of a witness, or may have one counsel conduct the cross examination of a witness and another counsel conduct the re-cross examination of a witness.

(4) *Stipulations.* Unless the administrative law judge directs otherwise, all stipulations of fact and law previously agreed upon by the parties, and all documents, the admissibility of which have been previously stipulated, will be

admitted into evidence upon commencement of the hearing.

(b) *Transcript.* The hearing must be recorded and transcribed. The reporter will make the transcript available to any party upon payment by that party to the reporter of the cost of the transcript. The administrative law judge may order the record corrected, either upon motion to correct, upon stipulation of the parties, or following notice to the parties upon the administrative law judge's own motion.

§ 509.36 Evidence.

(a) *Admissibility.* (1) Except as is otherwise set forth in this section, relevant, material, and reliable evidence that is not unduly repetitive is admissible to the fullest extent authorized by the APA and other applicable law.

(2) Evidence that would be admissible under the Federal Rules of Evidence is admissible in a proceeding conducted pursuant to this subpart.

(3) Evidence that would be inadmissible under the Federal Rules of Evidence may not be deemed or ruled to be inadmissible in a proceeding conducted pursuant to this subpart if such evidence is relevant, material, reliable and not unduly repetitive.

(b) *Official notice.* (1) Official notice may be taken of any material fact which may be judicially noticed by a United States district court and any material information in the official public records of any Federal or state government agency.

(2) All matters officially noticed by the administrative law judge or Director shall appear on the record.

(3) If official notice is requested or taken of any material fact, the parties, upon timely request, shall be afforded an opportunity to object.

(c) *Documents.* (1) A duplicate copy of a document is admissible to the same extent as the original, unless a genuine issue is raised as to whether the copy is in some material respect not a true and legible copy of the original.

(2) Subject to the requirements of paragraph (a) of this section, any document, including a report of examination, supervisory activity, inspection

or visitation, prepared by the appropriate Office or state regulatory agency, is admissible either with or without a sponsoring witness.

(3) Witnesses may use existing or newly created charts, exhibits, calendars, calculations, outlines or other graphic material to summarize, illustrate, or simplify the presentation of testimony. Such materials may, subject to the administrative law judge's discretion, be used with or without being admitted into evidence.

(d) *Objections.* (1) Objections to the admissibility of evidence must be timely made and rulings on all objections must appear on the record.

(2) When an objection to a question or line of questioning propounded to a witness is sustained, the examining counsel may make a specific proffer on the record of what he or she expected to prove by the expected testimony of the witness, either by representation of counsel or by direct interrogation of the witness.

(3) The administrative law judge shall retain rejected exhibits, adequately marked for identification, for the record, and transmit such exhibits to the Director.

(4) Failure to object to admission of evidence or to any ruling constitutes a waiver of the objection.

(e) *Stipulations.* The parties may stipulate as to any relevant matters of fact or the authentication of any relevant documents. Such stipulations must be received in evidence at a hearing, and are binding on the parties with respect to the matters therein stipulated.

(f) *Depositions of unavailable witnesses.*

(1) If a witness is unavailable to testify at a hearing, and that witness has testified in a deposition to which all parties in a proceeding had notice and an opportunity to participate, a party may offer as evidence all or any part of the transcript of the deposition, including deposition exhibits, if any.

(2) Such deposition transcript is admissible to the same extent that testimony would have been admissible had that person testified at the hearing, provided that if a witness refused to answer proper questions during the depositions, the administrative law judge may, on that basis, limit the ad-

missibility of the deposition in any manner that justice requires.

(3) Only those portions of a deposition received in evidence at the hearing constitute a part of the record.

§ 509.37 Post-hearing filings.

(a) *Proposed findings and conclusions and supporting briefs.* (1) Using the same method of service for each party, the administrative law judge shall serve notice upon each party, that the certified transcript, together with all hearing exhibits and exhibits introduced but not admitted into evidence at the hearing, has been filed. Any party may file with the administrative law judge proposed findings of fact, proposed conclusions of law, and a proposed order within 30 days following service of this notice by the administrative law judge or within such longer period as may be ordered by the administrative law judge.

(2) Proposed findings and conclusions must be supported by citation to any relevant authorities and by page references to any relevant portions of the record. A post-hearing brief may be filed in support of proposed findings and conclusions, either as part of the same document or in a separate document. Any party who fails to file timely with the administrative law judge any proposed finding or conclusion is deemed to have waived the right to raise in any subsequent filing or submission any issue not addressed in such party's proposed finding or conclusion.

(b) *Reply briefs.* Reply briefs may be filed within 15 days after the date on which the parties' proposed findings, conclusions, and order are due. Reply briefs must be strictly limited to responding to new matters, issues, or arguments raised in another party's papers. A party who has not filed proposed findings of fact and conclusions of law or a post-hearing brief may not file a reply brief.

(c) *Simultaneous filing required.* The administrative law judge shall not order the filing by any party of any brief or reply brief in advance of the other party's filing of its brief.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20356, May 6, 1996]

§ 509.38 Recommended decision and filing of record.

(a) *Filing of recommended decision and record.* Within 45 days after expiration of the time allowed for filing reply briefs under § 509.37(b) of this subpart, the administrative law judge shall file with and certify to the Director, for decision, the record of the proceeding. The record must include the administrative law judge's recommended decision, recommended findings of fact, recommended conclusions of law, and proposed order; all prehearing and hearing transcripts, exhibits, and rulings; and the motions, briefs, memoranda, and other supporting papers filed in connection with the hearing. The administrative law judge shall serve upon each party the recommended decision, findings, conclusions, and proposed order.

(b) *Filing of index.* At the same time the administrative law judge files with and certifies to the Director for final determination the record of the proceeding, the administrative law judge shall furnish to the Director a certified index of the entire record of the proceeding. The certified index shall include, at a minimum, an entry for each paper, document or motion filed with the administrative law judge in the proceeding, the date of the filing, and the identity of the filer. The certified index shall also include an exhibit index containing, at a minimum, an entry consisting of exhibit number and title or description for: Each exhibit introduced and admitted into evidence at the hearing; each exhibit introduced but not admitted into evidence at the hearing; each exhibit introduced and admitted into evidence after the completion of the hearing; and each exhibit introduced but not admitted into evidence after the completion of the hearing.

[61 FR 20356, May 6, 1996]

§ 509.39 Exceptions to recommended decision.

(a) *Filing exceptions.* Within 30 days after service of the recommended decision, findings, conclusions, and proposed order under § 509.38 of this subpart, a party may file with the Director written exceptions to the adminis-

trative law judge's recommended decision, findings, conclusions or proposed order, to the admission or exclusion of evidence, or to the failure of the administrative law judge to make a ruling proposed by a party. A supporting brief may be filed at the time the exceptions are filed, either as part of the same document or in a separate document.

(b) *Effect of failure to file or raise exceptions.* (1) Failure of a party to file exceptions to those matters specified in paragraph (a) of this section within the time prescribed is deemed a waiver of objection thereto.

(2) No exception need be considered by the Director if the party taking exception had an opportunity to raise the same objection, issue, or argument before the administrative law judge and failed to do so.

(c) *Contents.* (1) All exceptions and briefs in support of such exceptions must be confined to the particular matters in, or omissions from, the administrative law judge's recommendations to which that party takes exception.

(2) All exceptions and briefs in support of exceptions must set forth page or paragraph references to the specific parts of the administrative law judge's recommendations to which exception is taken, the page or paragraph references to those portions of the record relied upon to support each exception, and the legal authority relied upon to support each exception.

§ 509.40 Review by the Director.

(a) *Notice of submission to the Director.* When the Director determines that the record in the proceeding is complete, the Director shall serve notice upon the parties that the proceeding has been submitted to the Director for final decision.

(b) *Oral argument before the Director.* Upon the initiative of the Director or on the written request of any party filed with the Director within the time for filing exceptions, the Director may order and hear oral argument on the recommended findings, conclusions, decision, and order of the administrative law judge. A written request by a party must show good cause for oral argument and state reasons why arguments

cannot be presented adequately in writing. A denial of a request for oral argument may be set forth in the Director's final decision. Oral argument before the Director must be on the record.

(c) *Director's final decision.* (1) Decisional employees may advise and assist the Director in the consideration and disposition of the case. The final decision of the Director will be based upon review of the entire record of the proceeding, except that the director may limit the issues to be reviewed to those findings and conclusions to which opposing arguments or exceptions have been filed by the parties.

(2) The Director shall render a final decision within 90 days after notification of the parties that the case has been submitted for final decision, or 90 days after oral argument, whichever is later, unless the Director orders that the action or any aspect thereof be remanded to the administrative law judge for further proceedings. Copies of the final decision and order of the Director shall be served upon each party to the proceeding, upon other persons required by statute, and, if directed by the Director or required by statute, upon any appropriate state or Federal supervisory authority.

§ 509.41 Stays pending judicial review.

The commencement of proceedings for judicial review of a final decision and order of the Office may not, unless specifically ordered by the Director or a reviewing court, operate as a stay of any order issued by the Director. The Director may, in its discretion, and on such terms as it finds just, stay the effectiveness of all or any part of its order pending a final decision on a petition for review of the order.

Subpart B—Local Rules

§ 509.100 Scope.

The rules and procedures in this subpart B shall apply to those proceedings covered by subpart A of this part. In addition, subpart A of this part and this subpart shall apply to adjudicatory proceedings for which hearings on the record are provided for by the following statutory provisions:

(a) Proceedings under section 10(a)(2)(D) of the HOLA (12 U.S.C. 1467a(a)(2)(D)) to determine whether any person directly or indirectly exercises a controlling influence over the management or policies of a savings association or any other company;

(b) Proceedings under section 10(g)(5)(A) of the HOLA (12 U.S.C. 1467a(g)(5)(A)) to determine whether to terminate certain activities by savings and loan holding companies or to terminate ownership or control of a non-insured savings and loan holding company subsidiary; and

(c) Proceedings under section 15(c)(4) of the Securities and Exchange Act of 1934 (15 U.S.C. 78o(c)(4)) (Exchange Act) to determine whether any association or person subject to the jurisdiction of the Office pursuant to section 12(i) of the Exchange Act (15 U.S.C. 78l(i)) has failed to comply with the provisions of sections 12, 13, 14(a), 14(c), 14(d) or 14(f) of the Exchange Act.

§ 509.101 Appointment of Office of Financial Institution Adjudication.

Unless otherwise directed by the Office, all hearings under subpart A of this part and this subpart shall be conducted by administrative law judges under the direction of the Office of Financial Institution Adjudication, 1700 G Street NW., Washington, DC 20552.

§ 509.102 Discovery.

(a) *In general.* A party may take the deposition of an expert, or of a person, including another party, who has direct knowledge of matters that are non-privileged, relevant and material to the proceeding and where there is a need for the deposition. The deposition of experts shall be limited to those experts who are expected to testify at the hearing.

(b) *Notice.* A party desiring to take a deposition shall give reasonable notice in writing to the deponent and to every other party to the proceeding. The notice must state the time and place for taking the deposition and the name and address of the person to be deposed.

(c) *Time limits.* A party may take depositions at any time after the commencement of the proceeding, but no

later than ten days before the scheduled hearing date, except with permission of the administrative law judge for good cause shown.

(d) *Conduct of the deposition.* The witness must be duly sworn, and each party shall have the right to examine the witness with respect to all non-privileged, relevant and material matters of which the witness has factual, direct and personal knowledge. Objections to questions or exhibits shall be in short form, stating the grounds for objection. Failure to object to questions or exhibits is not a waiver except where the grounds for the objection might have been avoided if the objection had been timely presented. The court reporter shall transcribe or otherwise record the witness's testimony, as agreed among the parties.

(e) *Protective orders.* At any time after notice of a deposition has been given, a party may file a motion for the issuance of a protective order. Such protective order may prohibit, terminate, or limit the scope or manner of the taking of a deposition. The administrative law judge shall grant such protective order upon a showing of sufficient grounds, including that the deposition:

(1) Is unreasonable, oppressive, excessive in scope, or unduly burdensome;

(2) Involves privileged, investigative, trial preparation, irrelevant or immaterial matters; or

(3) Is being conducted in bad faith or in such manner as to unreasonably annoy, embarrass, or oppress the deponent.

(f) *Fees.* Deposition witnesses, including expert witnesses, shall be paid the same expenses in the same manner as are paid witnesses in the district courts of the United States in proceedings in which the United States Government is a party. Expenses in accordance with this paragraph shall be paid by the party seeking to take the deposition.

(g) *Deposition subpoenas—(1) Issuance.* At the request of a party, the administrative law judge shall issue a subpoena requiring the attendance of a witness at a deposition. The attendance of a witness may be required from any place in any state or territory that is subject to the jurisdiction of the

United States or as otherwise permitted by law.

(2) *Service.* The party requesting the subpoena must serve it on the person named therein or upon that person's counsel, by any of the methods identified in § 509.11(d) of this part. The party serving the subpoena must file proof of service with the administrative law judge.

(3) *Motion to quash.* A person named in the subpoena or a party may file a motion to quash or modify the subpoena. A statement of the reasons for the motion must accompany it and a copy of the motion must be served on the party that requested the subpoena. The motion must be made prior to the time for compliance specified in the subpoena and not more than ten days after the date of service of the subpoena, or if the subpoena is served within 15 days of the hearing, within five days after the date of service.

(4) *Enforcement of deposition subpoena.* Enforcement of a deposition subpoena shall be in accordance with the procedures of § 509.27(d) of this part.

[56 FR 38306, Aug. 12, 1991, as amended at 61 FR 20356, May 6, 1996]

§ 509.103 Civil money penalties.

(a) *Assessment.* In the event of consent, or if upon the record developed at the hearing the Office finds that any of the grounds specified in the notice issued pursuant to § 509.18 of this part have been established, the Office may serve an order of assessment of civil money penalty upon the party concerned. The assessment order shall be effective immediately upon service or upon such other date as may be specified therein and shall remain effective and enforceable until it is stayed, modified, terminated, or set aside by the Office or by a reviewing court.

(b) *Payment.* (1) Civil penalties assessed pursuant to subpart A of this part and this subpart B are payable and to be collected within 60 days after the issuance of the notice of assessment, unless the Office fixes a different time for payment where it determines that the purpose of the civil money penalty would be better served thereby; however, if a party has made a timely request for a hearing to challenge the assessment of the penalty, the party may

not be required to pay such penalty until the Office has issued a final order of assessment following the hearing. In such instances, the penalty shall be paid within 60 days of service of such order unless the Office fixes a different time for payment. Notwithstanding the foregoing, the Office may seek to attach the party's assets or to have a receiver appointed to secure payment of the potential civil money penalty or other obligation in advance of the hearing in accordance with section 8(i)(4) of the FDIA (12 U.S.C. 1818(i)(4)).

(2) Checks in payment of civil penalties shall be made payable to the Treasurer of the United States and sent to the Controller's Division of the Office. Upon receipt, the Office shall forward the check to the Treasury of the United States.

§ 509.104 Additional procedures.

(a) *Replies to exceptions.* Replies to written exceptions to the administrative law judge's recommended decision, findings, conclusions or proposed order pursuant to § 509.39 of this part shall be filed within 10 days of the date such written exceptions were required to be filed.

(b) *Motions.* All motions shall be filed with the administrative law judge and an additional copy shall be filed with the Secretary to the Office, who receives adjudicatory filings, ("Secretary"); provided, however, that once the administrative law judge has certified the record to the Director pursuant to § 509.38 of this part, all motions must be filed with the Director, to the attention of the Secretary, within the 10 day period following the filing of exceptions allowed for the filing of replies to exceptions. Responses to such motions filed in a timely manner with the Director, other than motions for oral argument before the Director, shall be allowed pursuant to the procedures at § 509.23(d) of this part. No response is required for the Director to make a determination on a motion for oral argument.

(c) *Authority of administrative law judge.* In addition to the powers listed in § 509.5 of this part, the administrative law judge shall have the authority to deny any dispositive motion and shall follow the procedures set forth for

motions for summary disposition at § 509.29 of this part and partial summary disposition at § 509.30 of this part in making determinations on such motions.

(d) *Notification of submission of proceeding to the Director.* Upon the expiration of the time for filing any exceptions, any replies to such exceptions or any motions and any ruling thereon, and after receipt of certified record, the Office shall notify the parties within ten days of the submission of the proceeding to the Director for final determination.

(e) *Extensions of time for final determination.* The Director may, *sua sponte*, extend the time for final determination by signing an order of extension of time within the 90 day time period and notifying the parties of such extension thereafter.

(f) *Service upon the Office.* Service of any document upon the Office shall be made by filing with the Secretary, in addition to the individuals and/or offices designated by the Office in its Notice issued pursuant to § 509.18 of this part, or such other means reasonably suited to provide notice of the person and/or office designated to receive filings.

(g) *Filings with the Director.* An additional copy of all materials required or permitted to be filed with or referred to the administrative law judge pursuant to subpart A and B of this part shall be filed with the Secretary. This rule shall not apply to the transcript of testimony and exhibits adduced at the hearing or to proposed exhibits submitted in advance of the hearing pursuant to an order of the administrative law judge under § 509.32 of this part. Materials required or permitted to be filed with or referred to the Director pursuant to subparts A and B of this part shall be filed with the Director, to the attention of the Secretary.

(h) *Presence of cameras and other recording devices.* The use of cameras and other recording devices, other than those used by the court reporter, shall be prohibited and excluded from the proceedings.

§ 510.5 Release of unpublished OTS information.

(a) *Scope.* (1) This section applies to requests by the public for unpublished OTS information, such as requests for records or testimony from parties to lawsuits in which the OTS is not a party.

(2) Unpublished OTS information includes records created or obtained in connection with the OTS's performance of its responsibilities, such as records concerning supervision, regulation, and examination of savings associations, their holding companies, and affiliates, and records compiled in connection with the OTS's enforcement responsibilities. Unpublished OTS information also includes information that current and former employees, officers, and agents obtained in their official capacities. Examples of unpublished information include:

(i) Information in the memory of a current or former employee, officer, or agent of the OTS (or the Federal Home Loan Bank Board, the predecessor agency of the OTS), by testimony or informal interview, that was acquired in the course of performing official duties or because of the employee's, officer's or agent's official status;

(ii) Reports of examination, supervisory correspondence, internal agency memoranda and investigatory files compiled in connection with an investigation, whether such records are in the possession of the OTS or some other individual or entity; and

(iii) Unpublished OTS records obtained by or in the possession of third parties, including other government agencies.

(3) This section does not apply to:

(i) Requests for records or testimony in proceedings in which the OTS is a party;

(ii) Requests for information by other government agencies, except when specifically provided; and

(iii) Requests for records that are required to be disclosed under the Freedom of Information Act, *see* 5 U.S.C. 552, and 31 CFR 1.1-1.6.

(b) *Purpose.* The purposes of this section are:

(1) To afford an orderly mechanism for the OTS to expeditiously process requests for unpublished OTS information and, where appropriate, for the OTS to assert evidentiary privileges in litigation;

(2) To balance the need for confidentiality of unpublished OTS information with the private party's interest in obtaining disclosure of that information;

(3) To ensure that the time of OTS employees is utilized in the most efficient manner consistent with the OTS's statutory mission;

(4) To prevent undue burdens on the OTS;

(5) To limit the expenditure of the OTS's funds for private purposes; and

(6) To maintain the impartiality of the OTS among private litigants.

(c) *Procedure*—(1) *Requests for records and testimony in general.* A request for unpublished OTS information must be in writing, furnish the caption of the lawsuit if the request arises in the course of litigation, and support the requester's claim that the information sought is highly relevant to the purpose for which it is sought. In demonstrating that the information is highly relevant, the requester must explain in detail how the requested OTS information relates to the issues in the case or the matter.

(i) For requests arising in lawsuits, the submission also must include:

(A) A copy of the complaint or equivalent document in the case and any other pleadings necessary to show relevance;

(B) A description of any prior decisions or pending motions in the case that may bear on the asserted relevance of the information being sought from the OTS; and

(C) The names, addresses and phone numbers of counsel to all other parties in the case.

(ii) In all instances, in addition to demonstrating that the information sought is highly relevant to the purpose for which it is sought, the requester must:

(A) Demonstrate that the information sought is not available from any other source; and

(B) Demonstrate that the need for the information clearly outweighs the need to maintain the confidentiality of the OTS information and the burden on the OTS to produce the information.

(iii) If a request seeks a response in fewer than 30 days, it must include an explanation of why the requester was unable to submit the request earlier and why expediting the request is required.

(2) *Additional provisions relating to requests for records.* In addition to the requirements of paragraph (c)(1) of this section, the provisions in paragraphs (c)(2)(i) and (c)(2)(ii) of this section apply to requests for disclosure of records.

(i) A request for records must list the categories of records sought and describe the specific information sought, including the relevant time period.

(ii) When the OTS believes that another person has a claim of privilege regarding the information in the records and the records are in the possession or control of that person, such as reports prepared by a savings association's attorneys that are shared with the OTS, the OTS may respond to the request by authorizing that person to release the records pursuant to an appropriate confidentiality order rather than by the OTS releasing the records directly to the requesting party. This will enable the person possessing or controlling the records to argue any issues of privilege to the appropriate court.

(3) *Additional provisions relating to requests for testimony from OTS employees.* In addition to the requirements of paragraph (c)(1) of this section, the provisions in paragraphs (c)(3)(i) through (c)(3)(iv) of this section apply to requests that current or former OTS employees be authorized to give testimony.

(i) The request must specifically describe the substance of the testimony sought and show a compelling need for the testimony. A showing of compelling need should include a demonstration that the requested information is not available from any other source, such as the books and records of other persons or entities, OTS records that have been or might be released, or the testimony of other non-OTS persons, including retained experts.

(ii) OTS employees will not be authorized to provide expert or opinion testimony for private parties.

(iii) The OTS expects litigants to anticipate their need for OTS testimony in sufficient time to request and obtain that testimony in deposition form. A request for testimony at a trial or hearing may not be granted unless the requester shows that properly developed deposition testimony could not be used or would not be adequate at the trial or hearing.

(iv) The OTS shall specify the scope of any authorized testimony and may take steps to ensure that the scope of testimony taken adheres to the scope authorized. Parties to the case who did not join in the request and who wish to question the witness beyond the authorized scope should request expanded authorization pursuant to this regulation. The OTS will attempt to render decisions on such requests in an expedited manner.

(4) *Information available to savings associations, holding companies, state and Federal agencies and requesters.* (i) The regular report of examination of a savings association, savings and loan holding company, or other affiliate of a savings association is made available by the appropriate Regional Office to the entity examined.

(ii) A subsidiary savings association of a savings and loan holding company may reproduce and furnish a copy of its report of examination and related supervisory correspondence of the savings association to its parent holding company(ies) without prior approval of the OTS. A savings and loan holding company may reproduce and furnish a copy of its report of examination and related supervisory correspondence to another affiliated savings and loan holding company that controls the

same savings association or its subsidiary savings association(s) without prior approval of the OTS. This paragraph does not require such disclosure by a parent savings and loan holding company or subsidiary savings association.

(iii) Reports of examination and other information relating to state-chartered savings associations and affiliates are made available, upon request, by the OTS to the state governmental authority having general supervision of such state-chartered savings associations.

(iv) Reports of examination and other information may be made available by the OTS to other agencies of the United States, a state agency, or to the Federal Home Loan Banks, for use where necessary in the performance of their official duties.

(v) All reports or other information made available to savings associations, holding companies, affiliates, other governmental agencies or requesters shall remain the property of the OTS and, except as permitted by this section or otherwise by the Director or his delegate, no person, company, agency, or authority to whom the information is made available, or any officer, director, employee or agent thereof, shall disclose any such information except published statistical material that would not disclose the identity of any individual or corporation.

(5) *Where to submit requests.* In all matters covered by this section, notification of the issuance of subpoenas or compulsory process and requests for records or testimony covered by this section must be sent to the OTS at 1700 G Street NW., Washington, DC 20552, to the attention of the Corporate Secretary, and should be labelled "Request for Release of Unpublished Information Under Section 510.5." Requesters may furnish copies of the request or subpoenas simultaneously to the appropriate OTS Regional Office, but the furnishing of such copies does not constitute service on the OTS.

(d) *Consideration of requests—(1) In general.* The OTS will generally process requests in the order in which they are received. The OTS will endeavor to respond to requests within 30 days, but this may vary depending on the scope

and precision of the request. The OTS will weigh requests for processing in less than 30 days against the burden to the OTS of expedited processing and the unfairness to other parties whose pending requests may be delayed.

(2) *Consultation with requester.* The OTS may consult with the requester to:

(i) Refine and limit the scope of the request so as to reduce the burden and expense on the OTS; or

(ii) Obtain additional information necessary for the OTS to make an informed determination on the request. To the extent necessary to reach an informed determination on the request, the OTS may inquire into the circumstances of the underlying matter and rely on sources of information beyond the requester, including other interested parties.

(3) *Final determinations.* Final determinations on requests will be made by the Director or his delegate. All such determinations are the sole discretion of the Director or his delegate. Requesters will be notified in writing of the disposition of the request.

(4) *Denial of requests.* (i) The OTS may deny requests for records or testimony that seek information that the OTS deems to be:

(A) Not highly relevant;

(B) Privileged;

(C) Available from other sources; or

(D) Information that should not be disclosed for reasons that warrant restriction of discovery under the Federal Rules of Civil Procedure (28 U.S.C. appendix).

(ii) The OTS may also deny a records or testimony request when it considers production of the information to be overly burdensome or contrary to the public interest, or where OTS determines that the need for the information does not clearly outweigh the need to maintain the confidentiality of the information, or where the requester seeks testimony and has not shown a compelling need for the testimony.

(5) *Confidentiality Orders and Agreements.* As is set forth in paragraph (f) of this section, the OTS may condition release of information on the entry by the relevant tribunal of an order satisfactory to the OTS or, in a non-litigated matter, the execution of a con-

fidentiality agreement that limits access of third parties to the unpublished OTS information. It shall be the duty of the requesting party to obtain such an order or to execute a confidentiality agreement.

(e) *Parties with access to OTS information; restriction on dissemination—*(1) *Current and former employees.* Except as authorized by this section or as otherwise authorized by the Director or his delegate, no current or former employee, officer or agent of the OTS or a predecessor agency shall disclose or permit the disclosure of any unpublished information of the OTS to anyone (other than an employee, officer or agent of the OTS properly entitled to such information for the performance of their official duties), whether by giving out or furnishing such information or a copy thereof or by allowing any person to inspect, examine, or copy such information or copy thereof, or otherwise.

(2) *Duty of person served.* If any person, whether or not a current or former employee, officer or agent of the OTS, has information of the OTS that may not be disclosed under the regulations of the OTS or other applicable law, and in connection therewith is served with a subpoena, order, or other process requiring personal attendance as a witness or production of records or information in any proceeding, that person shall promptly advise the OTS of such service or request for information. Upon such notice the OTS will take appropriate action to advise the court or tribunal that issued the process and the attorney for the party at whose instance the process was issued, if known, of the substance of this section. Such notice to the OTS shall be made by contacting the Litigation Division, Office of Chief Counsel, Office of Thrift Supervision, 1700 G Street NW., Washington, DC 20552. As provided in paragraph (e)(3) of this section, a person so served with process may not disclose OTS information without OTS authorization. To obtain OTS authorization, a request must be sent to the OTS in Washington, DC, in accordance with paragraph (c) of this section.

(3) *Appearance by person served.* Except as the OTS has authorized disclosure of the relevant information, or except as authorized by law, any person who has information of the OTS that may not be disclosed under this section and is required to respond to a subpoena or other legal process shall attend at the time and place therein mentioned and respectfully decline to produce such records or give any testimony with respect thereto, basing such refusal on this part. If, notwithstanding, the court or other body orders the disclosure of such records or the giving of such testimony, the person having such information of the OTS shall continue respectfully to decline to produce such information and shall promptly advise the Litigation Division of the Chief Counsel's Office, Office of Thrift Supervision. Upon such notice the OTS will take appropriate action to advise the court or tribunal which issued the order, of the substance of this section.

(4) *Non-waiver of privilege.* The possession by any entity or individual described in paragraph (c)(4) of this section of OTS records covered by this section shall not waive any privilege of the OTS or the OTS's right to supervise the further dissemination of these records.

(f) *Orders and agreements protecting the confidentiality of unpublished OTS information—(1) Records.* Unless otherwise permitted by the OTS, release of records authorized pursuant to this section will be conditioned by the OTS upon entry of an acceptable protective order by the court or administrative tribunal presiding in the particular case, or, in non-litigated matters, upon execution of an acceptable confidentiality agreement. In cases where protective orders have already been entered, the OTS reserves the right to condition approval for release of information upon the inclusion of additional or amended provisions.

(2) *Testimony.* The OTS may condition its authorization of deposition testimony on an agreement of the parties that the transcript of the testimony will be kept under seal, or will be made available only to the parties, the court and the jury, except to the extent that the OTS may allow use of the transcript in related litigation. The party

who requested the testimony shall, at its expense, furnish to the OTS a copy of the transcript of testimony of the OTS employee or former employee.

(g) *Limitation of burden on the OTS in connection with released records—(1) Authentication for use as evidence.* The OTS will authenticate released records to facilitate their use as evidence. Requesters who require authenticated records should request certified copies at least 30 days prior to the date they will be needed. The request should be sent to the OTS Public Disclosure Branch and shall identify the records, giving the office or record depository where they are located (if known) and include copies of the records and payment of the certification fee.

(2) *Responsibility of litigants to share released records.* The party who has sought and obtained OTS records has the responsibility of:

(i) Notifying other parties to the case of the release and, after entry of a protective order, providing copies of the records to the other parties who are subject to the protective order; and

(ii) Retrieving any records from the court's file as soon as the records are no longer required by the court and returning them to the OTS. Where a party may be involved in related litigation, the OTS may, upon a request made to it pursuant to this section, authorize such party to transfer the records for use in that related case.

(h) *Fees—(1) Fees for records searches, copying and certifications.* Requesters shall be charged fees in accordance with Treasury Department regulations, 31 CFR 1.7. With certain exceptions, the regulations in 31 CFR 1.7 provide for recovery of the full direct costs of searching, reviewing, certifying and duplicating the records sought. An estimate of the statement of charges will be sent to requesters, and fees shall be remitted by check payable to the OTS prior to release of the requested records. Where it deems appropriate, the OTS may contract with commercial copying concerns to copy the records, with the cost billed to the requester.

(2) *Witness fees and allowances.* (i) Litigants whose requests for testimony of current OTS employees are approved

shall, upon completion of the testimonial appearance, promptly tender a check payable to the OTS for witness fees and allowances in accordance with 28 U.S.C. 1821.

(ii) All litigants whose requests for testimony of former OTS employees are approved, shall also promptly tender witness fees and allowances to the witness in accordance with 28 U.S.C. 1821.

This part does not apply to adjudicatory proceedings as to which hearings are required by statute, the rules for which are contained in part 509 of this chapter.

§ 512.2 Definitions.

As used in this part:

(a) *Office* means the Office of Thrift Supervision;

§ 512.3

(b) *Investigative proceeding* means an investigation conducted under section 10(g)(2) of the HOLA;

(c) *Formal examination proceeding* means the administration of oaths and affirmations, taking and preserving of testimony, requiring the production of books, papers, correspondence, memoranda, and all other records, the issuance of subpoenas, and all related activities in connection with examination of savings associations and their affiliates conducted pursuant to section 5(d)(1)(B) of the HOLA, section 7(j)(15) of the FDIA, section 8(n) of the FDIA or section 10(c) of the FDIA; and

(d) *Designated representative* means the person or persons empowered by the Office to conduct an investigative proceeding or a formal examination proceeding.

§ 512.3 Confidentiality of proceedings.

All formal examination proceedings shall be private and, unless otherwise ordered by the Office, all investigative proceedings shall also be private. § 512.4 Transcripts.

Transcripts or other recordings, if any, of investigative proceedings or formal examination proceedings shall be prepared solely by an official reporter or by any other person or means authorized by the designated representative. A person who has submitted documentary evidence or given testimony in an investigative proceeding or formal examination proceeding may procure a copy of his own documentary evidence or transcript of his own testimony upon payment of the cost thereof; *provided*, that a person seeking a transcript of his own testimony must file a written request with the Deputy Chief Counsel for Enforcement or the appropriate Regional Counsel for En-

forcement stating the reason he desires to procure such transcript, and said persons may for good cause deny such request. In any event, any witness (or his counsel) shall have the right to inspect the transcript of the witness' own testimony.

[54 FR 49457, Nov. 30, 1989, as amended at 60 FR 66717, Dec. 26, 1995]

§ 512.5 Rights of witnesses.

(a) Any person who is compelled or requested to furnish documentary evidence or give testimony at an investigative proceeding or formal examination proceeding shall have the right to examine, upon request, the Office resolution authorizing such proceeding. Copies of such resolution shall be furnished, for their retention, to such persons only with the written approval of the Deputy Chief Counsel for Enforcement or the appropriate Regional Counsel for Enforcement.

(b) Any witness at an investigative proceeding or formal examination proceeding may be accompanied and advised by an attorney personally representing that witness.

(1) Such attorney shall be a member in good standing of the bar of the highest court of any state, Commonwealth, possession, territory, or the District of Columbia, who has not been suspended or debarred from practice by the bar of any such political entity or before the Office in accordance with the provisions of part 513 of this chapter and has not been excluded from the particular investigative proceeding or formal examination proceeding in accordance with paragraph (b)(3) of this section.

(2) Such attorney may advise the witness before, during, and after the taking of his testimony and may briefly question the witness, on the record, at the conclusion of his testimony, for the sole purpose of clarifying any of the answers the witness has given. During the taking of the testimony of a witness, such attorney may make summary notes solely for his use in representing his client. All witnesses shall be sequestered, and, unless permitted in the discretion of the designated representative, no witness or accompanying attorney may be permitted to be present during the taking of testimony

of any other witness called in such proceeding. Neither attorney(s) for the association(s) that are the subjects of the investigative proceedings or formal examination proceedings, nor attorneys for any other interested persons, shall have any right to be present during the testimony of any witness not personally being represented by such attorney.

(3) The Office, for good cause, may exclude a particular attorney from further participation in any investigation in which the Office has found the attorney to have engaged in dilatory, obstructionist, egregious, contemptuous or contumacious conduct. The person conducting an investigation may report to the Office instances of apparently dilatory, obstructionist, egregious, contemptuous or contumacious conduct on the part of an attorney. After due notice to the attorney, the Office may take such action as the circumstances warrant based upon a written record evidencing the conduct of the attorney in that investigation or such other or additional written or oral presentation as the Office may permit or direct.

[54 FR 49457, Nov. 30, 1989, as amended at 60 FR 66717, Dec. 26, 1995]

§ 512.6 Obstruction of the proceedings.

The designated representative shall report to the Office any instances where any witness or counsel has engaged in dilatory, obstructionist, or contumacious conduct or has otherwise violated any provision of this part during the course of an investigative proceeding or formal examination proceeding; and the Office may take such action as the circumstances warrant, including the exclusion of counsel from further participation in such proceeding.

§ 512.7 Subpoenas.

(a) *Service.* Service of a subpoena in connection with any investigative proceeding or formal examination proceeding shall be effected in the following manner:

(1) *Service upon a natural person.* Service of a subpoena upon a natural person may be effected by handing it to such person; by leaving it at his office with the person in charge thereof, or, if

there is no one in charge, by leaving it in a conspicuous place therein; by leaving it at his dwelling place or usual place of abode with some person of suitable age and discretion then residing therein; by mailing it to him by registered or certified mail or by an express delivery service at his last known address; or by any method whereby actual notice is given to him.

(2) *Service upon other persons.* When the person to be served is not a natural person, service of the subpoena may be effected by handing the subpoena to a registered agent for service, or to any officer, director, or agent in charge of any office of such person; by mailing it to any such representative by registered or certified mail or by an express delivery service at his last known address; or by any method whereby actual notice is given to such person.

(b) *Motions to quash.* Any person to whom a subpoena is directed may, prior to the time specified therein for compliance, but in no event more than 10 days after the date of service of such subpoena, apply to the Chief Counsel or his designee to quash or modify such subpoena, accompanying such application with a statement of the reasons therefor. The Chief Counsel or his designee, as appropriate, may:

- (1) Deny the application;
- (2) Quash or revoke the subpoena;
- (3) Modify the subpoena; or

(4) Condition the granting of the application on such terms as the Chief Counsel or his designee determines to be just, reasonable, and proper.

(c) *Attendance of witnesses.* Subpoenas issued in connection with an investigative proceeding or formal examination proceeding may require the attendance and/or testimony of witnesses from any State or territory of the United States and the production by such witnesses of documentary or other tangible evidence at any designated place where the proceeding is being (or is to be) conducted. Foreign nationals are subject to such subpoenas if such service is made upon a duly authorized agent located in the United States.

(d) *Witness fees and mileage.* Witnesses summoned in any proceeding under this part shall be paid the same fees and mileage that are paid witnesses in the district courts of the United

States. Such fees and mileage need not be tendered when the subpoena is issued on behalf of the Office by any of its designated representatives.

(a) The Office may censure any person practicing before it or may deny, temporarily or permanently, the privilege of any person to practice before it if such person is found by the Office, after notice of and opportunity for hearing in the matter,

(1) Not to possess the requisite qualifications to represent others,

(2) To be lacking in character or professional integrity,

(3) To have engaged in any dilatory, obstructionist, egregious, contemptuous, contumacious or other unethical or improper professional conduct before the Office, or

(4) To have willfully violated, or willfully aided and abetted the violation of, any provision of the laws administered by the Office or the rules and regulations promulgated thereunder.

(b) *Automatic suspension*. (1) Any person who, after being licensed as a professional or expert by any competent authority, has been convicted of a felony, or of a misdemeanor involving moral turpitude, personal dishonesty

or breach of trust, shall be suspended forthwith from practicing before the Office.

(4) A conviction (including a judgment or order on a plea of nolo contendere), revocation, suspension or disbarment under paragraphs (b)(1), (b)(2) and (b)(3) of this section shall be deemed to have occurred when the convicting, revoking, suspending or disbarring agency or tribunal enters its judgment or order, regardless of whether an appeal is pending or could be taken.

(5) For purposes of this section, it shall be irrelevant that any attorney, accountant, appraiser or other licensed expert who has been suspended, disbarred or otherwise disqualified from practice before a court or in a jurisdiction continues in professional good standing before other courts or in other jurisdictions.

(c) *Temporary suspension*. (1) The Office, with due regard to the public interest and without preliminary hearing, by order, may temporarily suspend any person from appearing or practicing before it who, on or after June 20, 1984, by name, has been:

(i) Permanently enjoined (whether by consent, default or summary judgment or after trial) by any court of competent jurisdiction or by the Office itself in a final administrative order, by reason of his misconduct in any action brought by the Office based upon violations of, or aiding and abetting the violation of, the Home Owners, Loan Act of 1933, as amended, 12 U.S.C. 1461 *et seq.*, the Federal Deposit Insurance Act, as amended, 12 U.S.C. 1811 *et seq.* or any provision of the Securities Exchange Act of 1934, as amended, 15

U.S.C. 78a, *et seq.*, which is administered by the Office, or of any rule or regulation promulgated thereunder; or

(ii) Found by any court of competent jurisdiction (whether by consent, default, or summary judgment, or after trial) in any action brought by the Office to which he is a party or found by the Office (whether by consent, default, upon summary judgment or after hearing) in any administrative proceeding in which the Office is a complainant and he is a party, to have willfully committed, caused or aided or abetted a violation of any provision of the Home Owners' Loan Act of 1933, as amended, 12 U.S.C. 1461 *et seq.*, the Federal Deposit Insurance Act, as amended, 12 U.S.C. 1811 *et seq.* or any provision of the Securities Exchange Act of 1934, as amended, 15 U.S.C. 78a, *et seq.*, which is administered by the Office, or of any rule or regulation promulgated thereunder.

(2) An order of temporary suspension shall become effective when served by certified or registered mail directed to the last known business or residential address of the person involved. No order of temporary suspension shall be entered by the Office pursuant to paragraph (c)(1) of this section more than three months after the final judgment or order entered in a judicial or administrative proceeding described in paragraphs (c)(1)(i) or (c)(1)(ii) of this section has become effective and all review or appeal procedures have been completed or are no longer available.

(3) Any person temporarily suspended from appearing and practicing before the Office in accordance with paragraph (c)(1) of this section may, within 30 days after service upon him of the order of temporary suspension, petition the Office to lift such suspension. If no petition is received by the Office within those 30 days, the suspension shall become permanent.

(4) Within 30 days after the filing of a petition in accordance with paragraph (c)(3) of this section, the Office shall either lift the temporary suspension or set the matter down for hearing at a time and place to be designated by the Office, or both. After opportunity for hearing, the Office may censure the petitioner or may suspend the petitioner from appearing or practicing before the

Office temporarily or permanently. In every case in which the temporary suspension has not been lifted, the hearing and any other action taken pursuant to this paragraph (c)(4) shall be expedited by the Office in order to ensure the petitioner's right to address the allegations against him.

(5) In any hearing held on a petition filed in accordance with paragraph (c)(3) of this section, a showing that the petitioner has been enjoined or has been found to have committed, caused or aided or abetted violations as described in paragraph (c)(1) of this section, without more, may be a basis for suspension or debarment; that showing having been made, the burden shall then be on the petitioner to show why he should not be censured or be temporarily or permanently suspended or debarred. A petitioner will not be permitted to contest any findings against him or any admissions made by him in the judicial or administrative proceedings upon which the proposed censure, suspension or debarment is based. A petitioner who has consented to the entry of a permanent injunction or order as described in paragraph (c)(1)(i) of this section, without admitting the facts set forth in the complaint, shall nevertheless be presumed for all purposes under this section to have been enjoined or ordered by reason of the misconduct alleged in the complaint.

§ 513.5 Reinstatement.

(a) Any person who is suspended from practicing before the Office under paragraph (a) or (c) of § 513.4 of this part may file an application for reinstatement at any time. Denial of the privilege of practicing before the Office shall continue unless and until the applicant has been reinstated by order of the Office for good cause shown.

(b) Any person suspended under paragraph (b) of § 513.4 shall be reinstated by the Office, upon appropriate application, if all of the grounds for application of the provisions of paragraph (b) of § 513.4 subsequently are removed by a reversal of the conviction or termination of the suspension, disbarment or revocation. An application for reinstatement on any other grounds by any person suspended under paragraph (b) of § 513.4 may be filed at any time. Such

application shall state with particularity the relief desired and the grounds therefor and shall include supporting evidence, when available. The applicant shall be accorded an opportunity for an informal hearing in the matter, unless the applicant has waived a hearing in the application and, instead, has elected to have the matter determined on the basis of written submissions. Such hearing shall utilize the procedures established in §508.3 and paragraph (a) of §508.7 of this chapter. However, such suspension shall continue unless and until the applicant has been reinstated by order of the Office for good cause shown.

Two additional conformed copies shall be filed with the Applications Filing Room, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC, 20552 of any application, notice or other filing that raises a significant issue of law or policy, as defined by OTS order or other OTS guidance. Additional copies, in addition to the three required for every application are required for the following applications:

(1) Merger or branch purchase applications filed pursuant to § 563.22 of this chapter or notices filed pursuant to § 574.3(b) of this chapter involving a merger (including a merger involving an interim association) or applications filed on Form H-(e)3 require four additional copies of the application. [57 FR 14336, Apr. 20, 1992, as amended at 58 FR 4312, Jan. 14, 1993; 60 FR 66717, Dec. 26, 1995]

§ 516.2 Applications processing guidelines.

(a) *General.* (1) To ensure the timely processing of applications and notices, the OTS hereby sets forth guidelines for the processing of completed applications and notices (hereinafter collectively referred to as "applications") filed with the OTS. This section does not apply to applications or requests related to transactions pursuant to

section 13 (c) or (k) of the Federal Deposit Insurance Act, 12 U.S.C. 1823 (c), (k); or requests submitted in connection with cease-and-desist orders, temporary cease-and-desist orders, removal and/or prohibition orders, temporary suspension orders, supervisory agreements or directives, consent merger agreements, or documents negotiated in settlement of litigation (including requests for termination or modification of, or for approval pursuant to, such orders, agreements, or documents), or similar litigation or enforcement matters. Requests submitted in connection with cease-and-desist orders, removal and/or prohibition orders, supervisory agreements or directives, consent merger agreements, and other documents negotiated in settlement of litigation ("enforcement documents") are not covered by this section. However, the fact that a regulation involving an application may be mentioned in an enforcement document does not mean that this section does not apply to that application. Requests to engage in activities that are specifically restricted by enforcement documents and requests for termination or modification of such documents are not covered by this section. Applications submitted pursuant to a regulatory requirement that the prior approval of the OTS be obtained before engaging in a proposed activity, however, are covered, whether or not mentioned in an enforcement document. If the application or request is unique to the enforcement document, then it is not covered by this section.

(2) Requests for reconsideration, modification, or appeal of final agency actions of the OTS are not covered by this section. In addition, where other regulations of the OTS establish specific procedures for processing of applications or set forth specific time periods for automatic approval of applications unless such applications are disapproved or objections are raised, the provisions of those regulations are controlling with respect to the matters to which they pertain. Where a regulation sets forth a procedure for processing an application but does not contain a time period pursuant to which such application is to be processed, the application will be processed under the procedure

established by the regulation, but will be subject to the time periods contained in this section.

(b) *Applications submitted for review.* An application submitted to the OTS for processing shall be submitted on the designated form and shall comply with all applicable regulations and guidelines governing the filing of such applications. The OTS is required to notify an applicant in writing within 5 business days of receipt of an application.

(c) *Accepting applications for processing.* (1) Within 30 calendar days of receipt of a properly submitted application for processing, the OTS shall:

(i) Request in writing any additional information necessary to complete the application;

(ii) Deem the application to be complete; or

(iii) Decline to further process the application if it is deemed by the OTS to be materially deficient and/or substantially incomplete.

Failure by the OTS to act as described in paragraph (c)(1)(i), (c)(1)(ii), or (c)(1)(iii) of this section within 30 calendar days of receipt of an application for processing shall result in the filed application's being deemed complete, thereby commencing the period for review. If an application includes a request for a waiver of an application requirement that certain information be supplied, the waiver request shall be deemed granted, unless within 30 calendar days of receipt of a properly submitted application for processing, the OTS requests in writing additional information about the waiver request, or denies the waiver request in writing.

(2) Failure by an applicant to respond fully to a written request by the OTS for additional information within 30 calendar days of the date of such request may be deemed to constitute withdrawal of the application or may be treated as grounds for denial or disapproval of the application. If an application is deemed withdrawn, the application may be resubmitted for processing, but it will be deemed a new filing under the applicable statute or regulation.

(3) An applicant may request in writing a brief extension of the 30-day period for responding to a request for additional information described in paragraph (c)(2) of this section prior to the expiration of the 30-day time period. The OTS, at its option, may grant an applicant a limited extension of time in writing. Failure by an applicant to respond fully to a written request for additional information by the expiration of the extended period permitted by the OTS may be deemed to constitute withdrawal of the application or may be treated as grounds for denial or disapproval of the application.

(4) The period for review by the OTS of an application will commence on the date that the application is deemed complete. The OTS shall notify an applicant in writing as to whether the application is deemed complete within 15 calendar days after the timely filing of any additional information furnished in response to any initial or subsequent request by the OTS for additional information. If the OTS fails to notify an applicant in writing within such time, the application shall be deemed to be complete as of the expiration of such 15-day period. If additional information furnished in response to a written request by the OTS for additional information includes a request for a waiver of an application requirement that certain information be supplied, the waiver request shall be deemed granted, unless within 15 calendar days after the timely filing of such additional information the OTS:

- (i) Request in writing additional information about the waiver request; or
- (ii) Denies the waiver request in writing.

(5) After additional information has been requested and supplied, the OTS may request additional information only with respect to matters derived from or prompted by information already furnished, or information of a material nature that was not reasonably available from the applicant at the time of the application, was concealed, or pertains to developments subsequent to the time of the OTS's initial request for additional information. With regard to information of a material nature that was not reasonably available from the applicant, was

concealed at the time an application was deemed to be complete, or pertains to developments subsequent to the time an application was deemed to be complete, the OTS may request in writing such additional information as it considers necessary and, at its option, may deem the application not to be complete until such additional information is furnished. Upon receipt of such additional information, the OTS shall:

- (i) Request in writing further additional information to complete the application;
- (ii) Deem the application to be complete and commence a new review period of the completed application; or
- (iii) Deem the application to be materially deficient and/or substantially incomplete and return it to the applicant. In the case of an application that raises a significant issue of policy or law, actions taken by the Region shall not commence any of the periods for review of a completed application described in paragraph (d) of this section.

(6) [Reserved]

(7) The OTS, at its discretion, may deem an application to be materially deficient and/or substantially incomplete in the event that the applicant or an affiliate of the applicant is or becomes subject to an investigation, examination, administrative proceeding by a federal or state or municipal court, department, agency or commission or other governmental entity, or a self-regulatory trade or professional organization, or intra-governmental inquiry, that is pertinent to the standards applicable to the OTS's evaluation of the application or relates to a determination the OTS is required to make in connection with the application under the applicable statute or regulation.

(d) *Failure by the OTS to approve or deny an application or to disapprove a notice.* (1) If, upon expiration of the applicable period for review of any complete application to which this section applies, or any extension of such period, the OTS has failed to approve or deny such application (or, in the case of a notice, to disapprove such notice), the application shall, without further action, be deemed to be approved, or, in the case of a notice, not disapproved by

the OTS. For purposes of the previous sentence, the period for review of all applications shall be 60 calendar days beginning from the application's deemed complete date, including any application or notice submitted pursuant to § 575.3(b) or part 574 of this chapter.

(2) In the event that more than one application is being submitted in connection with a proposed transaction or other action, the applicable period for review of all such applications shall be the review period for the application having the longest period for review, subject to any applicable statutory periods.

(e) *Extension of time for review.* The period for review of an application deemed to be complete may be extended by the OTS for 30 days beyond the time period for review set forth in paragraph (d) of this section. The OTS shall notify an applicant at least 10 days prior to the expiration of the period for review of a complete application that such review period is being extended for 30 days and shall state the general reason(s) therefor.

(f) *Extension of time for OTS's review of applications raising significant issues of law or policy.* In those situations in which an application presents a significant issue of law or policy, the applicable period for review of such application also may be extended by the OTS beyond the time period for review set forth in paragraph (d) of this section or any extension thereof pursuant to paragraph (e) of this section until such time as the OTS acts upon the application. In such cases, written notice shall be provided to an applicant not later than the expiration of the time period set forth in paragraph (d) of this section or any extension thereof pursuant to paragraph (e) of this section that the period for review is being extended in accordance with this paragraph (f), which notice shall also state the general reason(s) therefor.

§ 516.3 Definitions.

(a) *Expedited treatment.* (1) A savings association is eligible for expedited

treatment by the OTS if all of the following conditions exist:

- (i) The savings association has a composite rating of 1 or 2;
- (ii) The savings association has a Community Reinvestment Act (CRA) rating of satisfactory or better;
- (iii) The savings association has a Compliance rating of 1 or 2;
- (iv) The savings association is meeting all of its capital requirements under part 567 of this chapter; and
- (v) The savings association has not been notified by supervisory personnel that it is a problem association or an association in troubled condition.

(2) Where specified by regulation, a savings association that qualifies for expedited treatment under paragraph (a)(1) of this section may engage in activities upon filing a notice with the OTS together with any necessary certifications. For these activities, a notice will be all that is required and an association may engage in the activity unless the OTS objects within 30 days. Such notices are deemed to be applications for purposes of statutory and regulatory references to "applications."

(3) The OTS may require complete applications from savings associations that otherwise qualify for expedited treatment in situations raising supervisory concern or a significant issue of law or policy and may request additional information from such associations when necessary. In these circumstances, the OTS may determine that such applications no longer qualify for expedited treatment.

(b) *Standard treatment.* (1) A savings association will receive standard treatment if any of the following conditions exist:

- (i) The savings association has a composite rating of 3, 4 or 5;
- (ii) The savings association has a less than satisfactory CRA rating;
- (iii) The savings association has a Compliance rating of 3, 4, or 5;
- (iv) The savings association has inadequate capital, including failing any one of its capital requirements under part 567 of this chapter; or
- (v) The savings association has otherwise been notified by supervisory personnel as being a problem association or an association in troubled condition.

§ 516.50

(2) Savings associations receiving standard treatment shall be required to file complete applications under the applicable regulations of this chapter with the OTS. Such applications will be denied unless the association affirmatively demonstrates how the application will clearly improve its financial and/or managerial condition or improve its compliance with the CRA or other consumer-related statutes without adversely affecting its financial or managerial resources.

(c) *Composite rating.* Composite rating means the composite numerical rating assigned to the savings association by the OTS under the Uniform Financial Institutions Rating System¹ or an equivalent rating under a comparable rating system adopted by the OTS, and refers to the most recent rating (as determined either on-site or off-site by the most recent examination) of which the savings association has been notified in writing.

(d) *CRA rating.* Through June 30, 1989, savings associations received one of five CRA ratings: Outstanding (1), Good (2), Satisfactory (3), Needs Improvement (4), or Unsatisfactory (5). For examinations begun between July 1, 1989 and June 30, 1990, savings associations received numerical ratings of 1 through 5. During this period, ratings of 1 and 2 were considered satisfactory or better and 3, 4, and 5 were less than satisfactory. Savings associations examined for CRA performance after July 1, 1990 receive one of four ratings: Outstanding, Satisfactory, Needs to Improve, or Substantial Noncompliance.

(e) *Compliance rating.* A savings association's Compliance rating is determined pursuant to the OTS Compliance Rating System which measures an association's compliance with civil rights, consumer protection, and public interest regulations, including the Bank Secrecy Act, Bank Protection Act, Equal Employment Opportunity, Economic Sanctions, and Advertising.

§ 516.60 When must I publish the public notice?

You must publish a public notice of the application no earlier than seven days before and no later than the date of filing of the application.

§ 516.70 Where must I publish the public notice?

You must publish the notice in a newspaper having a general circulation in the following communities:

(a) The community in which your home office(s) are located, or if you are filing an application for permission to organize, the community in which your home office will be located; and

(b) If you are filing a branch application, the community to be served by the branch office.

§ 516.80 What language must I use in my publication?

(a) *English.* You must publish the notice in a newspaper printed in the English language.

Subpart C—Comment Procedures

SOURCE: 62 FR 64144, Dec. 4, 1997, unless otherwise noted.

§ 516.100 What does this subpart do?

This subpart contains the procedures governing the submission of public

comments on certain types of applications or notices ("applications") pending before the OTS. It applies whenever a regulation incorporates the procedures in this subpart, or where otherwise required by the OTS.

§ 516.110 Who may submit a written comment?

Any person ("you") may submit a written comment supporting or opposing an application.

§ 516.120 What information should I include in my comment?

(a) Your comment should recite relevant facts, including any demographic, economic, or financial data, supporting your position. If you file a comment opposing an application, your comment should also:

(1) Address at least one of the reasons a relevant regulation lists as to why the OTS may deny an application;

(2) Recite any relevant facts and supporting data addressing these reasons; and

(3) Address how the approval of the application could harm you or any community.

(b) If you wish to request an informal meeting under § 516.170, you must file a request with your comment. You should describe the nature of the issues or facts to be discussed and the reasons why written submissions are insufficient to adequately address these facts or issues.

§ 516.130 Where do I file my comment?

You must file your comment with the OTS office(s) set forth at § 516.1(c). If you request an informal meeting under § 516.170, you must simultaneously send a copy of the request to the applicant.

§ 516.140 When do I file my comment?

(a) *General.* Except as provided in paragraph (b) of this section, you must file a written comment with the OTS within 25 days after the application is filed with the OTS.

(b) *Late-filed comments.* The OTS will consider your late-filed comment if:

(1) Within the comment period, you demonstrate to the OTS good cause why you could not submit a timely comment; and

(2) The OTS concludes that your comment addresses a significant regulatory concern and will assist in disposing of the application.

§ 516.150 Will I have additional opportunities to discuss the application?

The OTS may provide you with additional opportunities to discuss the application in informal or formal meetings under subpart D of this part.

Subpart D—Meeting Procedures

SOURCE: 62 FR 64144, Dec. 4, 1997, unless otherwise noted.

§ 516.160 What does this subpart do?

This subpart contains informal and formal meeting procedures. It applies whenever a regulation incorporates the procedures in this subpart, or when otherwise required by the OTS.

§ 516.170 What procedures govern informal meetings on applications?

(a) *When will the OTS arrange an informal meeting?* The OTS may arrange an informal meeting with the applicant, commenters, or any other interested persons to clarify and narrow the issues and to facilitate the resolution of the issues. If a commenter has filed a written request for an informal meeting containing the information described at § 516.120(b), the OTS will arrange an informal meeting. The OTS also may arrange an informal meeting on its own initiative.

(b) *What action will the OTS take on an informal meeting request?* The OTS will inform the applicant and commenters requesting an informal meeting of the OTS decision on a request for an informal meeting, or of its decision to hold an informal meeting on its own initiative.

(c) *How will the OTS inform the informal meeting participants of the date, time, location and format for the informal meeting?* The OTS will invite the applicant and the commenter filing the request for the informal meeting. The OTS may also invite any other interested persons to attend. The OTS will inform the participants of the date, time, location, and format for the informal meeting a reasonable time in advance of the informal meeting.

(d) *What procedures will govern the conduct of the informal meeting?* The OTS may hold informal meetings in any format, including a telephone conference or face-to-face meeting.

(e) *Will there be an additional opportunity to discuss the application?* Within three days after the informal meeting, any participant in the informal meeting may request the OTS to hold a formal meeting under § 516.180. The participant should describe the nature of the issues or facts to be presented and the reasons why a formal meeting is necessary to make an adequate presentation of the facts or issues. The participant must file the request with the OTS and send copies of the request to other participants in the informal meeting.

§ 516.180 What procedures govern formal meetings on applications?

(a) *When will the OTS hold a formal meeting?* The OTS will not grant a request for a formal meeting unless an informal meeting has been conducted under § 516.170. The OTS will grant all requests for a formal meeting filed under § 516.170(e). The OTS may also hold a formal meeting on its own initiative, if it determines that written submissions and informal meetings are insufficient to adequately present issues or facts to the OTS, or that a formal meeting would otherwise benefit the decisionmaking process. The OTS may limit the issues considered at the formal meeting to issues that the OTS deems relevant or material.

(b) *How will the OTS announce the formal meeting?* The OTS will issue a Notice of Formal Meeting that will state the subject and date of the filing, the time and place of the formal meeting and the issues to be addressed. The OTS will send the Notice to the applicant and any person requesting a formal meeting under § 516.170(e). The OTS may also invite other interested persons to participate in the formal meeting by sending the Notice to such persons.

(c) *Who may participate in the formal meeting?* A person receiving a Notice must notify the OTS of its intent to participate within ten days after the OTS issues the Notice. At least five days before the formal meeting, all

participants in the formal meeting must provide the names of their witnesses and copies of proposed exhibits to the OTS, the applicant, and any other person designated by the OTS.

(d) *Will the formal meeting be transcribed?* The OTS will arrange for a transcript. Each participant must bear the cost of any copies of the transcript it requests for its use.

(e) *What procedures govern the conduct of the formal meeting?* (1) The OTS will appoint a presiding officer to conduct the formal meeting. The presiding officer is responsible for all procedural questions not governed by this section. Subject to the rulings of the presiding officer, a participant may make opening statements and present witnesses, material and data. If a participant presents documentary material, it must furnish copies of the material to the OTS and to each other participant. The OTS may keep the formal meeting record open for additional information for up to 14 days following the receipt of the transcript.

(2) The Administrative Procedure Act (5 U.S.C. 551 *et seq.*), the Federal Rules of Evidence (28 U.S.C. Appendix), the Federal Rules of Civil Procedure (28 U.S.C. Rule 1 *et seq.*) and the OTS Rules of Practice and Procedure in Adjudicatory Proceedings (12 CFR part 509) do not apply to formal meetings under this section.

§ 516.190 Will a meeting affect application processing time frames?

If the OTS has arranged a meeting, it will suspend applicable application processing time frames, including the time frames for deeming an application complete and the applicable approval time frames specified in § 516.2 or 516.3. The time period will resume when the OTS determines that a record has been developed that sufficiently supports a determination on the issues raised in the comments.

§ 528.9 Guidelines relating to non-discrimination in lending.

(a) *General.* Fair housing and equal opportunity in home financing is a policy of the United States established by Federal statutes and Presidential orders and proclamations. In furtherance of the Federal civil rights laws and the economical home financing purposes of the statutes administered by the Office, the Office has adopted, in part 528 of this chapter, nondiscrimination regulations that, among other things, prohibit arbitrary refusals to consider loan applications on the basis of the age or location of a dwelling, and prohibit discrimination based on race, color, religion, sex, handicap, familial status (having one or more children under the age of 18), marital status, age (provided the person has the capacity to contract), or national origin in fixing the amount, interest rate, duration, application procedures, collection or enforcement procedures, or other terms or conditions of housing related loans. Such discrimination is also prohibited in the purchase of loans and securities. This section provides supplementary guidelines to aid savings associations in developing and implementing nondiscriminatory lending policies. Each savings association should reexamine its underwriting standards at least annually in order to ensure equal opportunity.

(b) *Loan underwriting standards.* The basic purpose of the Office's nondiscrimination regulations is to require that every applicant be given an equal opportunity to obtain a loan. Each loan applicant's creditworthiness should be evaluated on an individual basis without reference to presumed characteristics of a group. The use of lending standards which have no economic basis and which are discriminatory in effect is a violation of law even in the absence of an actual intent to discriminate. However, a standard which has a discriminatory effect is not necessarily improper if its use achieves a genuine business need which cannot be achieved by means which are not discriminatory in effect or less discriminatory in effect.

(c) *Discriminatory practices—(1) Discrimination on the basis of sex or marital status.* The Civil Rights Act of 1968 and

the National Housing Act prohibit discrimination in lending on the basis of sex. The Equal Credit Opportunity Act, in addition to this prohibition, forbids discrimination on the basis of marital status. Refusing to lend to, requiring higher standards of creditworthiness of, or imposing different requirements on, members of one sex or individuals of one marital status, is discrimination based on sex or marital status. Loan underwriting decisions must be based on an applicant's credit history and present and reasonably foreseeable economic prospects, rather than on the basis of assumptions regarding comparative differences in creditworthiness between married and unmarried individuals, or between men and women.

(2) *Discrimination on the basis of language.* Requiring fluency in the English language as a prerequisite for obtaining a loan may be a discriminatory practice based on national origin.

(3) *Income of husbands and wives.* A practice of discounting all or part of either spouse's income where spouses apply jointly is a violation of section 527 of the National Housing Act. As with other income, when spouses apply jointly for a loan, the determination as to whether a spouse's income qualifies for credit purposes should depend upon a reasonable evaluation of his or her past, present, and reasonably foreseeable economic circumstances. Information relating to child-bearing intentions of a couple or an individual may not be requested.

(4) *Supplementary income.* Lending standards which consider as effective only the non-overtime income of the primary wage-earner may result in discrimination because they do not take account of variations in employment patterns among individuals and families. The Office favors loan underwriting which reasonably evaluates the credit worthiness of each applicant based on a realistic appraisal of his or her own past, present, and foreseeable economic circumstances. The determination as to whether primary income or additional income qualifies as effective for credit purposes should depend upon whether such income may reasonably be expected to continue

through the early period of the mortgage risk. Automatically discounting other income from bonuses, overtime, or part-time employment, will cause some applicants to be denied financing without a realistic analysis of their credit worthiness. Since statistics show that minority group members and low- and moderate-income families rely more often on such supplemental income, the practice may be racially discriminatory in effect, as well as artificially restrictive of opportunities for home financing.

(5) *Applicant's prior history.* Loan decisions should be based upon a realistic evaluation of all pertinent factors respecting an individual's creditworthiness, without giving undue weight to any one factor. The savings association should, among other things, take into consideration that:

(i) In some instances, past credit difficulties may have resulted from discriminatory practices;

(ii) A policy favoring applicants who previously owned homes may perpetuate prior discrimination;

(iii) A current, stable earnings record may be the most reliable indicator of credit-worthiness, and entitled to more weight than factors such as educational level attained;

(iv) Job or residential changes may indicate upward mobility; and

(v) Preferring applicants who have done business with the lender can perpetuate previous discriminatory policies.

(6) *Income level or racial composition of area.* Refusing to lend or lending on less favorable terms in particular areas because of their racial composition is unlawful. Refusing to lend, or offering less favorable terms (such as interest rate, downpayment, or maturity) to applicants because of the income level in an area can discriminate against minority group persons.

(7) *Age and location factors.* Sections 528.2, 528.2a, and 528.3 of this chapter prohibit loan denials based upon the age or location of a dwelling. These restrictions are intended to prohibit use of unfounded or unsubstantiated assumptions regarding the effect upon loan risk of the age of a dwelling or the physical or economic characteristics of an area. Loan decisions should be based

on the present market value of the property offered as security (including consideration of specific improvements to be made by the borrower) and the likelihood that the property will retain an adequate value over the term of the loan. Specific factors which may negatively affect its short-range future value (up to 3-5 years) should be clearly documented. Factors which in some cases may cause the market value of a property to decline are recent zoning changes or a significant number of abandoned homes in the immediate vicinity of the property. However, not all zoning changes will cause a decline in property values, and proximity to abandoned buildings may not affect the market value of a property because of rehabilitation programs or affirmative lending programs, or because the cause of abandonment is unrelated to high risk. Proper underwriting considerations include the condition and utility of the improvements, and various physical factors such as street conditions, amenities such as parks and recreation areas, availability of public utilities and municipal services, and exposure to flooding and land faults. However, arbitrary decisions based on age or location are prohibited, since many older, soundly constructed homes provide housing opportunities which may be precluded by an arbitrary lending policy.

(8) *Fair Housing Act (title VIII, Civil Rights Act of 1968, as amended).* Savings associations, must comply with all regulations promulgated by the Department of Housing and Urban Development to implement the Fair Housing Act, found at 24 CFR part 100 *et seq.*, except that they shall use the Equal Housing Lender logo and poster prescribed by Office regulations at 12 CFR 528.4 and 528.5 rather than the Equal Housing Opportunity logo and poster required by 24 CFR parts 109 and 110.

(d) *Marketing practices.* Savings associations should review their advertising and marketing practices to ensure that their services are available without discrimination to the community they serve. Discrimination in lending is not limited to loan decisions and underwriting standards; a savings association does not meet its obligations to the community or implement its equal

lending responsibility if its marketing practices and business relationships with developers and real estate brokers improperly restrict its clientele to segments of the community. A review of marketing practices could begin with an examination of an association's loan portfolio and applications to ascertain whether, in view of the demographic characteristics and credit demands of the community in which the institution is located, it is adequately serving the community on a nondiscriminatory basis. The Office will systematically review marketing practices where evidence of discrimination in lending is discovered.

(j) *Person*. The term “person” means an individual, corporation, or other business organization.

§ 535.2 Unfair credit practices.

(a) In connection with the extension of credit to consumers after January 1,

1986, it is an unfair act or practice within the meaning of section 5 of the Act for a savings association directly or indirectly to enter into a consumer credit obligation that constitutes or contains, or to enforce in a consumer credit obligation purchased by a savings association, any of the following provisions:

(1) A cognovit or confession of judgment (for purposes other than executory process in the State of Louisiana), warrant of attorney, or other waiver of the right to notice and the opportunity to be heard in the event of suit or process thereon;

(2) An executory waiver or a limitation of exemption from attachment, execution, or other process on real or personal property held, owned by, or due to the consumer, unless the waiver applies solely to property subject to a security interest executed in connection with the obligation;

(3) An assignment of wages or other earnings, unless:

(i) The assignment by its terms is revocable at the will of the debtor,

(ii) The assignment is a payroll deduction plan or preauthorized payment plan, commencing at the time of the transaction, in which the consumer authorizes a series of wage deductions as a method of making each payment, or

(iii) The assignment applies only to wages or other earnings already earned at the time of the assignment.

(4) A nonpossessory security interest in household goods other than a purchase-money security interest.

§ 535.3 Unfair or deceptive cosigner practices.

(a) *General.* In connection with the extension of credit to consumers after January 1, 1986, it is:

(1) A deceptive act or practice within the meaning of section 5 of the Act for a savings association, directly or indirectly, to misrepresent the nature or extent of cosigner liability to any person.

(2) An unfair act or practice within the meaning of section 5 of the Act for a savings association, directly or indirectly, to obligate a cosigner unless the cosigner is informed, prior to becoming obligated, of the nature of his or her liability as cosigner.

(b) *Disclosure requirement.* (1) A clear and conspicuous document that shall contain the following statement or one which is substantially equivalent, shall be given to the cosigner prior to becoming obligated (which, in the case of open-end credit, shall mean prior to the time that the cosigner becomes obligated for any fees or transaction on the account):

NOTICE OF COSIGNER

You are being asked to guarantee this debt. Think carefully before you do. If the borrower doesn't pay the debt, you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount of the debt if the borrower does not pay. You may also have to pay late fees or collection costs, which increase this amount.

The creditor can collect this debt from you without first trying to collect from the borrower. The creditor can use the same collection methods against you that can be used against the borrower, such as suing you, garnishing your wages, etc. If this debt is ever in default, that fact may become a part of your credit record.

(2) Compliance with the disclosure requirement under paragraph (b)(1) of this section shall constitute compliance with the consumer information requirement of paragraph (a)(2) of this section.

(3) If the notice is a separate document, nothing other than the following times may appear with the notice:

(i) The name and address of the savings association;

(ii) An identification of the debt to be cosigned (e.g., a loan identification number);

(iii) The date; and

(iv) The statement, "This notice is not the contract that makes you liable for the debt."

§ 535.4 Late charges.

(a) In connection with collecting a debt arising out of an extension of credit to a consumer after January 1, 1986, it is an unfair act or practice within the meaning of section 5 of the Act for a savings association, directly or indirectly, to levy or collect any delinquency charge on a payment, which payment is otherwise a full payment for the applicable period and is paid on its due date or within an applicable

grace period, when the only delinquency is attributable to late fee(s) or delinquency charge(s) assessed on earlier installment(s).

(b) For the purposes of this part, “collecting a debt” means any activity, other than the use of judicial process, that is intended to bring about or does bring about repayment of all or part of a consumer debt.

§ 535.5 State exemptions.

(a) Upon application to the Office by an appropriate state agency, the Office shall determine if:

(1) There is a state requirement or prohibition in effect that applies to any transaction to which a provision of this rule applies; and

(2) The state requirement or prohibition affords a level of protection to consumers that is substantially equivalent to, or greater than, the protection afforded by this rule.

(b) If the Office makes a determination as specified under paragraph (a) of this section, then that provision of this section will not be in effect in that state to the extent specified by the Office in its determination, for as long as the state administers and enforces the state requirement or prohibition effectively, as determined by the Office.

(c) The Director of Consumer Affairs in consultation with the Chief Counsel shall have delegated authority to make such determinations as are required under this part 535.

§ 543.3 “De novo” applications for a Federal savings association charter.

(a) *Definitions.* For purposes of this section, the term “*de novo* association” means any Federal savings association chartered by the Office, the business of which has not been conducted previously under any charter or conducted in the previous three years in substantially the same form as is proposed by the *de novo* association. A “*de novo* applicant” means any person or persons who apply to establish a *de novo* association.

(b) *Minimum initial capitalization.* (1) A *de novo* association must have at least two million dollars in initial capital stock (stock institutions) or initial pledged savings or cash (mutual institutions), except as provided in paragraph (b)(2) of this section. The minimum initial capitalization is the amount of proceeds net of all incurred and anticipated securities issuance expenses, organization expenses, pre-opening expenses, or any expenses paid (or funds advanced) by organizers that are to be reimbursed from the proceeds

of a securities offering. In securities offerings for a *de novo* association, all securities of a particular class in the initial offering shall be sold at the same price.

(2) On a case by case basis, the Director may, for good cause, approve a *de novo* association that has less than two million dollars in initial capital or may require a *de novo* association to have more than two million dollars in initial capital.

(c) *Business and investment plans of de novo associations.* (1) To assist the Office in making the determinations required under section 5(e) of the Home Owners’ Loan Act, a *de novo* applicant shall submit a business plan describing, for the first three years of operation of the *de novo* association, the major areas of operation, including:

- (i) Lending, leasing and investment activity, including plans for meeting Qualified Thrift Lender requirements;
- (ii) Deposit, savings and borrowing activity;
- (iii) Interest-rate risk management;
- (iv) Internal controls and procedures;
- (v) Plans for meeting the credit needs of the proposed *de novo* association’s community (including low- and moderate-income neighborhoods);
- (vi) Projected statements of condition;
- (vii) Projected statements of operations; and
- (viii) Any other information requested by the Office.

(2) The business plan shall:

- (i) Provide for the continuation or succession of competent management subject to the approval of the Regional Director;
- (ii) Provide that any material change in, or deviation from, the business plan must receive the prior approval of the Regional Director;
- (iii) Demonstrate the *de novo* association’s ability to maintain required minimum regulatory capital under 12 CFR parts 565 and 567 for the duration of the plan.

(d) *Composition of the board of directors.* (1) A majority of a *de novo* association’s board of directors must be representative of the state in which the savings association is located. The Office generally will consider a director to be representative of the state if the

director resides, works or maintains a place of business in the state in which the savings association is located. If the association is located in a Metropolitan Statistical Area (MSA), Primary Metropolitan Statistical Area (PMSA) or Consolidated Metropolitan Statistical Area (CMSA) that incorporates portions of more than one state, a director will be considered representative of the association's state if he or she resides, works or maintains a place of business in the MSA, PMSA or CMSA in which the association is located.

(2) The *de novo* association's board of directors must be diversified and composed of individuals with varied business and professional experience. In addition, except in the case of a *de novo* association that is wholly-owned by a holding company, no more than one-third of a board of directors may be in closely related businesses. The background of each director must reflect a history of responsibility and personal integrity, and must show a level of competence and experience sufficient to demonstrate that such individual has the ability to direct the policies of the association in a safe and sound manner. Where a *de novo* association is owned by a holding company that does not have substantial independent economic substance, the foregoing standards will be applied to the board of directors of the holding company.

(e) *Management Officials.* Proposed stockholders of ten percent or more of the stock of a *de novo* association will be considered management officials of the association for the purpose of the Office's evaluation of the character and qualifications of the management of the association. In connection with the Office's consideration of an application for permission to organize and subsequent to issuance of a Federal savings association charter to the association by the Office, any individual or group of individuals acting in concert under 12 CFR part 574, who owns or proposes to acquire, directly or indirectly, ten percent or more of the stock of an association subject to this section, shall submit a Biographical and Financial Report, on forms prescribed by the Office, to the Regional Director.

(f) *Supervisory transactions.* This section does not apply to any application for a Federal savings association charter submitted in connection with a transfer or an acquisition of the business or accounts of a savings association if the Office determines that such transfer or acquisition is instituted for supervisory purposes, or in connection with applications for Federal charters for interim *de novo* associations chartered for the purpose of facilitating mergers, holding company reorganizations, or similar transactions.

§ 543.5 Issuance of charter.

Approval by the Office of the organization of a Federal savings association or the conversion of an insured association to Federal savings association form shall constitute issuance of a charter and shall be final, provided that the association complies with the procedures set out at § 544.2(a) of this chapter. The charter shall conform with the requirements of § 544.1 of this chapter, the permissible provisions of § 544.2, or other provisions specifically approved by the Office.

§ 543.6 Completion of organization.

(a)(1) *Temporary officers.* When the Office approves an application for permission to organize a Federal savings association, the applicants shall constitute the organization committee and elect a chairperson, vice-chairperson, and a secretary, who shall act as the temporary officers of the association until their successors are duly elected and qualified. The temporary officers may effect compliance with any conditions prescribed by the Office.

(2) *Organization meeting.* Promptly upon receipt of a charter, the temporary officers shall call a meeting of the association's capital subscribers; notice of such meeting shall be mailed to each subscriber at least 5 days before the meeting day. Subscribers who have subscribed for a majority of the association's capital, present in person or by proxy, shall constitute a quorum. At such meeting, directors of the association shall be elected according to the association's charter and bylaws, and any other action permitted by such

charter and bylaws may be taken; any such action shall be considered an acceptance by the association of such charter and of such bylaws, which shall be in the form provided in parts 544 and 552 of this chapter.

(b) *First meeting of directors.* Upon election, the association's board of directors shall hold a meeting to elect officers of the association as provided by its charter and bylaws and to take any other action necessary to permit operation of the association in accordance with law, the association's charter and bylaws, and these rules and regulations. When such officers have been bonded under § 563.190 of this chapter, they shall immediately collect the sums due on subscriptions to the association's capital.

(c) *Membership in Federal Home Loan Bank and insurance of accounts.* When a Federal savings association's charter is issued it must promptly qualify as a member of a Federal Home Loan Bank and meet all requirements necessary to obtain insurance of its accounts by the Federal Deposit Insurance Corporation.

(d) *Failure to complete.* Organization of a Federal savings association is completed when the organization meeting and the first meeting of its directors have been held, permanent officers have been bonded, the association holds the cash required to be paid on subscriptions to its capital, if required, Federal Home Loan Bank membership has been obtained and Federal Deposit Insurance Corporation insurance of accounts has been confirmed and any conditions imposed by the Office in connection with approval of the application have been met. If organization is not so completed within six months after issuance of a charter, or within such additional period as the Director or his or her designee may for good cause grant, and in the case of an interim Federal savings association, if a merger, or other transaction facilitated by the existence of an interim association, has not been approved, the charter shall become void and all cash collected on subscriptions shall thereupon be returned.

§ 543.7 Limitations on transaction of business.

No person may organize a Federal savings association, collect money from others for such purpose, or represent himself or herself as authorized to do so, and no Federal savings association shall transact any business prior to completion of its organization, except as provided in this part.

§ 543.7-1 Federal savings association created in connection with an association in default or in danger of default.

The preceding sections of this part do not apply to a Federal savings association which is proposed by the Federal Deposit Insurance Corporation or the Resolution Trust Corporation under section 11(c) of the Federal Deposit Insurance Act (12 U.S.C. 1821(c)) or section 21A of the Federal Home Loan Bank Act (12 U.S.C. 1441A), or is otherwise chartered by the Office in connection with an association in default or in danger of default. Incorporation and organization of such associations are complete when the Director or his or her designee so determines.

CHARTER

§ 544.1 Federal mutual charter.

A Federal mutual savings association shall have a charter in the following form, which may include any of the additional provisions set forth in § 544.2 of this Part, if such provisions are specifically requested. A charter for a Federal mutual savings bank shall substitute the term “savings bank” for “association.” The term “trustee” may be substituted for the term “director.” Associations adopting this charter with existing borrower members must grandfather those borrower members who were members as of the date of issuance of the new charter by the Office. Such borrowers shall have one vote for the period of time such borrowings are in existence.

FEDERAL MUTUAL CHARTER

Section 1. Corporate title. The full corporate title of the Federal savings association is _____.

Section 2. Office. The home office shall be located in _____ [city, state].

Section 3. Duration. The duration of the association is perpetual.

Section 4. Purpose and powers. The purpose of the association is to pursue any or all of the lawful objectives of a Federal mutual savings association chartered under section 5 of the Home Owners' Loan Act and to exercise all the express, implied, and incidental powers conferred thereby and by all acts amendatory thereof and supplemental thereto, subject to the Constitution and laws of the United States as they are now in effect, or as they may hereafter be amended, and subject to all lawful and applicable rules, regulations, and orders of the Office of Thrift Supervision (“Office”).

Section 5. Capital. The association may raise capital by accepting payments on savings and demand accounts and by any other means authorized by the Office.

§ 544.2

Section 6. Members. All holders of the association's savings, demand, or other authorized accounts are members of the association. In the consideration of all questions requiring action by the members of the association, each holder of an account shall be permitted to cast one vote for each \$100, or fraction thereof, of the withdrawal value of the member's account. No member, however, shall cast more than 1000 votes. All accounts shall be nonassessable.

Section 7. Directors. The association shall be under the direction of a board of directors. The authorized number of directors shall not be fewer than five nor more than fifteen persons, as fixed in the association's bylaws, except that the number of directors may be decreased to a number less than five or increased to a number greater than fifteen with the prior approval of the Director of the Office or his or her delegate.

Section 8. Capital, surplus, and distribution of earnings. The association shall maintain for the purpose of meeting losses the amount of capital required by section 5 of the Home Owners' Loan Act and by regulations of the Office. The association shall distribute net earnings on its accounts on such basis and in accordance with such terms and conditions as may from time to time be authorized by the Director of the Office: *Provided*, That the association may establish minimum-balance requirements for accounts to be eligible for distribution of earnings.

All holders of accounts of the association shall be entitled to equal distribution of assets, *pro rata* to the value of their accounts, in the event of voluntary or involuntary liquidation, dissolution, or winding up of the association. Moreover, in any such event, or in any other situation in which the priority of such accounts is in controversy, all such accounts shall, to the extent of their withdrawal value, be debts of the association having the same priority as the claims of general creditors of the association not having priority (other than any priority arising or resulting from consensual subordination) over other general creditors of the association.

Section 9. Amendment of charter. Adoption of any preapproved charter amendment shall be effective after such preapproved amendment has been approved by the members at a legal meeting. Any other amendment, addition, change, or repeal of this charter must be approved by the Office prior to approval by the members at a legal meeting, and shall be effective upon filing with the Office in accordance with regulatory procedures.

§ 544.2 Charter amendments.

(a) *General.* In order to adopt a charter amendment, a Federal mutual savings association must comply with the following requirements:

(1) *Board of directors approval.* The board of directors of the association must adopt a resolution proposing the charter amendment that states the text of such amendment;

(2) *Form of filing—(i) Application requirement.* If the proposed charter amendment would: render more difficult or discourage a merger, proxy contest, the assumption of control by a mutual account holder of the association, or the removal of incumbent management; or involve a significant issue of law or policy; then, the association shall file the proposed amendment and obtain the prior approval of the OTS.

(ii) *Notice requirement.* If the proposed charter amendment does not involve a provision that would be covered by paragraph (a)(2)(i) of this section and is permissible under all applicable laws, rules and regulations, then the association shall submit the proposed amendment to the OTS, at least 30 days prior to the effective date of the proposed charter amendment.

(b) *Approval.* Any charter amendment filed pursuant to paragraph (a)(2)(ii) of this section shall automatically be approved 30 days from the date of filing of such amendment, provided that the association follows the requirements of its charter in adopting such amendment. This automatic approval does not apply if, prior to the expiration of such 30-day period, the OTS notifies the association that such amendment is rejected or that such amendment is deemed to be filed under the provisions of paragraph (a)(2)(i) of this section. In addition, notwithstanding anything in paragraph (a) of this section to the contrary, the following charter amendments, including the adoption of the Federal mutual charter as set forth in

In addition to the foregoing powers expressly enumerated, this association shall have power to do all things reasonably incident to the accomplishment of its express objects and the performance of its express powers.

(2) *Title change.* A Federal mutual savings association that has complied

with §543.1(b) of this chapter may amend its charter by substituting a new corporate title in section 1.

(3) *Home office.* A Federal mutual savings association that has complied with §545.95 of this chapter may amend its charter by substituting a new home office in section 2.

(4) *Maximum number of votes.* A Federal mutual savings association may amend its charter by substituting _____ votes per member in section 6. [Fill in a number from 1 to 1000.]

(c) *Reissuance of charter.* A Federal mutual savings association that has amended its charter may apply to have its charter, including the amendments, reissued by the Office. [54 FR 49486, Nov. 30, 1989, as amended at 55 FR 13510, Apr. 11, 1990; 57 FR 14339, Apr. 20, 1992; 61 FR 64016, Dec. 3, 1996; 63 FR 46160, Aug. 31, 1998]

§544.4 Issuance of charter.

Issuance by the Office of a charter to a Federal mutual savings association within the meaning of §543.5 of this chapter constitutes the incorporation of that association by the Office.

BYLAWS

§544.5 Federal mutual savings association bylaws.

(a) *General.* A Federal mutual savings association shall operate under bylaws that contain provisions that comply with all requirements specified by the OTS in this section and that are not otherwise inconsistent with the provisions of this section, the association's charter, and all other applicable laws, rules, and regulations *provided that*, a bylaw provision inconsistent with the provisions of this section may be adopted with the approval of the OTS. Bylaws may be adopted, amended or repealed by a majority of the votes cast by the members at a legal meeting or a majority of the association's board of directors. The bylaws for a Federal mutual savings bank shall substitute the

term “savings bank” for “association”. The term “trustee” may be substituted for the term “director”.

(b) The following requirements are applicable to Federal mutual savings associations:

(1) *Annual meetings of members.* An association shall provide for and conduct an annual meeting of its members for the election of directors and at which any other business of the association may be conducted. Such meeting shall be held, as designated by its board of directors, at a location within the state that constitutes the principal place of business of the association, or at any other convenient place the board of directors may designate, and at a date and time within 150 days after the end of the association’s fiscal year. At each annual meeting, the officers shall make a full report of the financial condition of the association and of its progress for the preceding year and shall outline a program for the succeeding year.

(2) *Special meetings of members.* Procedures for calling any special meeting of the members and for conducting such a meeting shall be set forth in the bylaws. The subject matter of such special meeting must be established in the notice for such meeting. The board of directors of the association or the holders of 10 percent or more of the voting capital shall be entitled to call a special meeting. For purposes of this section, “voting capital” means FDIC-insured deposits as of the voting record date.

(3) *Notice of meeting of members.* Notice specifying the date, time, and place of the annual or any special meeting and adequately describing any business to be conducted shall be published for two successive weeks immediately prior to the week in which such meeting shall convene in a newspaper of general circulation in the city or county in which the principal place of business of the association is located, or mailed postage prepaid at least 15 days and not more than 45 days prior to the date on which such meeting shall convene to each of its members of record at the last address appearing on the books of the association. A similar notice shall be posted in a conspicuous place in each of the offices of the association

during the 14 days immediately preceding the date on which such meeting shall convene. The bylaws may permit a member to waive in writing any right to receive personal delivery of the notice. When any meeting is adjourned for 30 days or more, notice of the adjournment and reconvening of the meeting shall be given as in the case of the original meeting.

(4) *Fixing of record date.* For the purpose of determining members entitled to notice of or to vote at any meeting of members or any adjournment thereof, or in order to make a determination of members for any other proper purpose, the bylaws shall provide for the fixing of a record date and a method for determining from the books of the association the members entitled to vote. Such date shall be not more than 60 days nor fewer than 10 days prior to the date on which the action, requiring such determination of members, is to be taken. The same determination shall apply to any adjourned meeting.

(5) *Member quorum.* Any number of members present and voting, represented in person or by proxy, at a regular or special meeting of the members shall constitute a quorum. A majority of all votes cast at any meeting of the members shall determine any question, unless otherwise required by regulation. At any adjourned meeting, any business may be transacted that might have been transacted at the meeting as originally called. Members present at a duly constituted meeting may continue to transact business until adjournment.

(6) *Voting by proxy.* Procedures shall be established for voting at any annual or special meeting of the members by proxy pursuant to the rules and regulations of the Office, including the placing of such proxies on file with the secretary of the association, for verification, prior to the convening of such meeting. Proxies may be given telephonically or electronically as long as the holder uses a procedure for verifying the identity of the member. All proxies with a term greater than eleven months or solicited at the expense of the association must run to the board of directors as a whole, or to a committee appointed by a majority of such board.

(7) *Communications between members.* Provisions relating to communications between members shall be consistent with § 544.8 of this part. No member, however, shall have the right to inspect or copy any portion of any books or records of a Federal mutual savings association containing:

- (i) A list of depositors in or borrowers from such association;
- (ii) Their addresses;
- (iii) Individual deposit or loan balances or records; or
- (iv) Any data from which such information could be reasonably constructed.

(8) *Number of directors, membership.* The bylaws shall set forth a specific number of directors, not a range. The number of directors shall be not fewer than five nor more than fifteen, unless a higher or lower number has been authorized by the Director of the Office or his or her designee. Each director of the association shall be a member of the association. Directors may be elected for periods of one to three years and until their successors are elected and qualified, but if a staggered board is chosen, provision shall be made for the election of approximately one-third or one-half of the board each year, as appropriate. State-chartered savings banks converting to Federal savings banks may include alternative provisions for the election and term of office of directors so long as such provisions are authorized by the Office, and provide for compliance with the standard provisions of this section no later than six years after the conversion to a Federal savings association.

(9) *Meetings of the board.* The board of directors shall determine the place, frequency, time, procedure for notice, which shall be at least 24 hours unless waived by the directors, and waiver of notice for all regular and special meetings. The meetings shall be under the direction of a chairman, appointed annually by the board; or in the absence of the chairman, the meetings shall be under the direction of the president. The board also may permit telephonic participation at meetings. The bylaws may provide for action to be taken without a meeting if unanimous written consent is obtained for such action. A majority of the authorized directors

shall constitute a quorum for the transaction of business. The act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the board.

(10) *Officers, employees, and agents.* (i) The bylaws shall contain provisions regarding the officers of the association, their functions, duties, and powers. The officers of the association shall consist of a president, one or more vice presidents, a secretary, and a treasurer or comptroller, each of whom shall be elected annually by the board of directors. Such other officers and assistant officers and agents as may be deemed necessary may be elected or appointed by the board of directors or chosen in such other manner as may be prescribed in the bylaws. Any two or more offices may be held by the same person, except the offices of president and secretary.

(ii) All officers and agents of the association, as between themselves and the association, shall have such authority and perform such duties in the management of the association as may be provided in the bylaws, or as may be determined by resolution of the board of directors not inconsistent with the bylaws. In the absence of any such provision, officers shall have such powers and duties as generally pertain to their respective offices. Any officer may be removed by the board of directors with or without cause, but such removal, other than for cause, shall be without prejudice to the contractual rights, if any, of the person so removed.

(iii) Any indemnification provision must provide that any indemnification is subject to applicable Federal law, rules, and regulations.

(11) *Vacancies, resignation or removal of directors.* Members of the association shall elect directors by ballot: Provided, that in the event of a vacancy on the board, the board of directors may, by their affirmative vote, fill such vacancy, even if the remaining directors constitute less than a quorum. A director elected to fill a vacancy shall be elected to serve only until the next election of directors by the members. The bylaws shall set out the procedure for the resignation of a director, which shall be by written notice or by any

other procedure established in the bylaws. Directors may be removed only for cause as defined in §563.39 of this chapter, by a vote of the holders of a majority of the shares then entitled to vote at an election of directors.

(12) *Powers of the board.* The board of directors shall have the power:

(i) By resolution, to appoint from among its members and remove an executive committee and one or more other committees, which committee[s] shall have and may exercise all the powers of the board between the meetings or the board; but no such committee shall have the authority of the board to amend the charter or bylaws, adopt a plan of merger, consolidation, dissolution, or provide for the disposition of all or substantially all the property and assets of the association. Such committee shall not operate to relieve the board, or any member thereof, of any responsibility imposed by law;

(ii) To fix the compensation of directors, officers, and employees; and to remove any officer or employee at any time with or without cause;

(iii) To exercise any and all of the powers of the association not expressly reserved by the charter to the members.

(13) *Nominations for directors.* The bylaws shall provide that nominations for directors may be made at the annual meeting by any member and shall be voted upon, except, however, the bylaws may require that nominations by a member must be submitted to the secretary and then prominently posted in the principal place of business, at least 10 days prior to the date of the annual meeting. However, if such provision is made for prior submission of nominations by a member, then the bylaws must provide for a nominating committee, which, except in the case of a nominee substituted as a result of death or other incapacity, must submit nominations to the secretary and have such nominations similarly posted at least 15 days prior to the date of the annual meeting.

(14) *New business.* The bylaws shall provide procedures for the introduction of new business at the annual meeting. Those provisions may require that such new business be stated in writing and filed with the secretary prior to the an-

nual meeting at least 30 days prior to the date of the annual meeting.

(15) *Amendment.* Bylaws may include any provision for their amendment that would be consistent with applicable law, rules, and regulations and adequately addresses its subject and purpose.

(i) Amendments shall be effective:

(A) After approval by a majority vote of the authorized board, or by a majority of the vote cast by the members of the association at a legal meeting; and

(B) After receipt of any applicable regulatory approval.

(ii) When an association fails to meet its quorum requirement, solely due to vacancies on the board, the bylaws may be amended by an affirmative vote of a majority of the sitting board.

(16) *Miscellaneous.* The bylaws may also address the subject of age limitations for directors or officers as long as they are consistent with applicable Federal law, rules or regulations, and any other subjects necessary or appropriate for effective operation of the association.

(c) *Form of filing*—(1) *Application requirement.* (i) Any bylaw amendment shall be submitted to the OTS if it would:

(A) Render more difficult or discourage a merger, proxy contest, the assumption of control by a mutual account holder of the association, or the removal of incumbent management;

(B) Involve a significant issue of law or policy, including indemnification, conflicts of interest, and limitations on director or officer liability; or

(C) Be inconsistent with the requirements of this section or with applicable laws, rules, regulations, or the association's charter.

(ii) Applications submitted under paragraph (c)(1)(i) of this section shall be subject to the applications processing procedures set forth at §516.2 of this chapter.

(iii) For purposes of this paragraph (c), bylaw provisions that adopt the language of the model bylaws set forth in OTS's Application Processing Handbook, if adopted without change, and filed within 30 days after adoption, are effective upon adoption.

(2) *Filing requirement.* If the proposed bylaw amendment does not involve a

provision that would be covered by paragraph (c)(1) or (c)(3) of this section, then the association shall submit the amendment to the OTS at least 30 days prior to the date the bylaw amendment is to be adopted by the association.

(3) *Corporate governance procedures.* A Federal mutual association may elect to follow the corporate governance procedures of the laws of the state where the main office of the institution is located, provided that such procedures may be elected only to the extent not inconsistent with applicable Federal statutes, regulations, and safety and soundness, and such procedures are not of the type described in paragraph (c)(1) of this section. If this election is selected, a Federal mutual association shall designate in its bylaws the provision or provisions from the body of law selected for its corporate governance procedures, and shall file a copy of such bylaws, which are effective upon adoption, within 30 days after adoption. The submission shall indicate, where not obvious, why the bylaw provisions meet the requirements stated in paragraph (c)(1) of this section.

(d) *Effectiveness.* Any bylaw amendment filed pursuant to paragraph (c)(2) of this section shall automatically be effective 30 days from the date of filing of such amendment, provided that the association follows the requirements of its charter and bylaws in adopting such amendment. This automatic effective date does not apply if, prior to the expiration of such 30-day period, the OTS notifies the association that such amendment is rejected or that such amendment requires an application to be filed pursuant to paragraph (c)(1) of this section.

§ 544.6 Effect of subsequent charter or bylaw change.

Notwithstanding any subsequent change to its charter or bylaws, the authority of a Federal mutual savings association to engage in any transaction shall be determined only by the association's charter or bylaws then in effect.

AVAILABILITY

§ 544.7 In association offices.

A Federal mutual savings association shall make available to its members at all times in its offices a true copy of its charter and bylaws, including any amendments, and shall deliver such a copy to any member on request.

§ 544.8 Communication between members of a Federal mutual savings association.

(a) *Right of communication with other members.* A member of a Federal mutual savings association has the right to communicate, as prescribed in paragraph (b) of this section, with other members of the Federal savings association regarding any matter related to the Federal savings association's affairs, except for "improper" communications, as defined in paragraph (c) of this section. The association may not defeat that right by redeeming a savings member's savings account in the Federal mutual savings association.

(b) *Member communication procedures.* If a member of a Federal mutual savings association desires to communicate with other members, the following procedures shall be followed:

(1) The member shall give the Federal mutual savings association a written request to communicate;

(3) The request shall contain—

(i) The member's full name and address;

(ii) The nature and extent of the member's interest in the Federal savings association at the time the information is given;

(iv) If the communication is in connection with a meeting of the members, the date of the meeting;

(4) The Federal savings association shall reply to the request within either—

(iii) Three days, if the communication is in connection with a special meeting;

(5) The reply shall provide either—

(i) The number of the Federal savings association's members and the estimated reasonable cost to the Federal savings association of mailing to them the proposed communication; or

(ii) Notification that the Federal savings association has determined not to mail the communication because it is "improper", as defined in paragraph (c) of this section;

(6) After receiving the amount of the estimated costs of mailing and sufficient copies of the communication, the Federal savings association shall mail the communication to all members, by a class of mail specified by the requesting member, either—

(i) Within fourteen days;

(ii) Within seven days, if the communication is in connection with the annual meeting;

(iii) As soon as practicable before the meeting, if the communication is in connection with a special meeting; or

(7) If the Federal savings association refuses to mail the proposed communication, it shall return the requesting member's materials together with a written statement of the specific reasons for refusal, and shall simultaneously send to the Regional Director two copies each of the requesting member's materials, the Federal savings association's written statement, and any other relevant material. The materials shall be sent within:

(i) Fourteen days,

(ii) Ten days if the communication is in connection with the annual meeting, or

(iii) Three days, if the communication is in connection with a special meeting,

after the Federal savings association receives the request for communication.

(c) *Improper communication.* A communication is an "improper communication" if it contains material which:

(1) At the time and in the light of the circumstances under which it is made:

(i) Is false or misleading with respect to any material fact; or

(ii) Omits a material fact necessary to make the statements therein not false or misleading, or necessary to correct a statement in an earlier communication on the same subject which has become false or misleading;

(2) Relates to a personal claim or a personal grievance, or is solicitous of personal gain or business advantage by or on behalf of any party;

(3) Relates to any matter, including a general economic, political, racial, religious, social, or similar cause, that is not significantly related to the business of the Federal savings association or is not within the control of the Federal savings association; or

(4) Directly or indirectly and without expressed factual foundation:

(i) Impugns character, integrity, or personal reputation,

(ii) Makes charges concerning improper, illegal, or immoral conduct, or

(iii) Makes statements impugning the stability and soundness of the Federal savings association.

The regulations in this part 545 are promulgated pursuant to the plenary and exclusive authority of the Office to regulate all aspects of the operations of Federal savings associations, as set forth in section 5(a) of the Act. This exercise of the Office's authority is preemptive of any state law purporting to address the subject of the operations of a Federal savings association.

§ 545.16 Public deposits, depositaries, and fiscal agents.

(a) *Definitions.* As used in this section—

Any bond or security may be given and any substitution or increase thereof may be made under this section at any time.

(2) If state law requires as a condition of such deposit or investment that the Federal savings association or its bond or security, or any combination thereof, be surety for or with respect to other deposits or instruments, whether of that depositor or investor or of any other(s), and whether in the Federal savings association or in any other institution(s) having, when the investments or deposits were made, insur-

ance by the Federal Deposit Insurance Corporation, the same shall become, or if the state law is self-executing shall be, such surety.

(c) *Depositaries and fiscal agents.* Subject to regulation of the United States Treasury Department, a Federal savings association may serve as a depository for Federal taxes, as a Treasury tax and loan depository, or as a depository of public money and fiscal agent of the Government or any other instrumentality thereof when designated for that purpose by such instrumentality and approved by the Office, and may satisfy any requirement in connection therewith, including maintaining accounts described in §§ 561.33, 561.52, 561.53, and 561.54 of this chapter; pledging collateral; and performing the services outlined in 31 CFR 202.3(b) or any section that supersedes or amends § 202.3(b).

§ 545.17 Funds transfer services.

§ 545.74 Securities brokerage.

(1) Conducts securities brokerage and investment advisory activities in an area that is clearly identified and distinguished from the areas where the association's depository functions are performed;

(2) Distinguishes advertising by the service corporation from that of the association, such that advertising does

not confuse securities transactions executed, securities purchased, or investment advice provided by the service corporation with federally-insured deposits; that the advertising indicates that the service corporation and broker-dealer, and not the association, is providing the securities brokerage or investment advisory services, identifies the broker-dealer in advertising, and does not use the logo of the parent association in the text of any advertisement prepared or distributed by the service corporation or the broker-dealer or in the text of any advertisement for specific securities products;

(3) Where the service corporation contracts with a third-party broker-dealer, has a written contract with the broker-dealer that provides that the broker-dealer agrees to indemnify fully the service corporation and the association for any liability arising from the negligence, recklessness, or intentional conduct of the broker-dealer or its employees, and that sets forth operating, marketing, compensation, and other relevant terms;

(4) Provides to the OTS an initial opinion of counsel or an opinion from the senior securities principal responsible for overseeing the subject brokerage program that the program has been established pursuant to operational procedures that are intended to ensure that the program is conducted in conformity with applicable securities laws and regulations and that such procedures include internal controls and supervisory systems that have been established and are to be applied to detect and prevent violations of federal securities statutes, the rules adopted thereunder, and the rules of self-regulatory organizations applicable to broker-dealers, including but not limited to those provisions designed to prevent churning, unsuitable recommendations, charging excessive prices, and the making of fraudulent representations in connection with the offer, sale, or purchase of securities ("the regulations"); and on an annual basis thereunder provides a certification by the senior securities principal responsible for supervising and overseeing the subject brokerage program that he or she has discharged the obligations incumbent upon him or her

by reason of such procedures and systems previously described and has no reasonable belief or cause to believe that such procedures and systems have not been and are not being complied with or that a violation of the regulations has occurred;

(5) Does not condition the provision of securities services to a customer on the customer's utilizing services of any affiliate of the association, the service corporation, or a broker-dealer.

(b) Service corporation activities authorized under this paragraph (b) may not include the following activities:

(1) Execution of securities transactions on a principal basis, including market-making and underwriting, except on a riskless principal basis, and except as permitted under §559.4 of this chapter;

(2) Payment to any employee of the association of a referral fee, bonus, or any incentive compensation, in cash or in kind, for referring any customer to the service corporation except as may be consistent with a "no-action" letter received by the association from the U.S. Securities and Exchange Commission ("SEC"), stating that the SEC will not recommend enforcement action if association employees receive the planned referral fee but do not register with a broker-dealer and the association does not register as a broker-dealer;

(3) Solicitation of a person to execute a transaction in a specific security by any registered representative;

(4) Indemnification by the service corporation to a degree greater than the indemnification provided to it by the third-party broker-dealer; and the association is prohibited from indemnifying a third party broker-dealer;

(5) Extension of margin credit by the association to customers of the service corporation or broker-dealer;

(6) Non-registered representatives who are dual or sole employees of the association performing tasks other than clerical for ministerial tasks; prohibited activities include accepting or delivering money or securities and taking orders to execute securities transactions.

(c) Any association that intends to acquire or establish a service corporation to engage in preapproved securities brokerage activities shall furnish to the OTS at least 30 days prior to the commencement of operations, written notice containing a full description of the brokerage services to be provided and a certification from the board of directors of such association that such services will be in compliance with all of the requirements of this section. In addition, the association shall retain complete records of all executed contractual agreements and memoranda between the service corporation and broker-dealers, investment advisors, the parent savings association, and their affiliates, pro forma income statements for a three year period, any required professional opinions, and a reasoned legal opinion from counsel that the securities brokerage services qualify as preapproved under this section.

(d) The Regional Director may request additional information at any time regarding the operations of the service corporation if there are supervisory concerns about the activity, has evidence that the activity may not be in the best interest of the association or service corporation, or has questions as to whether the activities are being conducted in a manner that is preapproved.

§ 545.91 Home office.

All operations of a Federal savings association shall be subject to direction from the home office.

§ 545.92 Branch offices.

(a) *General.* A branch office of a Federal savings association is any office other than its home office, agency office, administrative office, data processing office, or an electronic means or facility under part 555 of this chapter.

(b) *Eligibility.* Federal savings associations eligible for expedited treatment pursuant to section 516.3(a) of this chapter may establish a branch of-

fice without prior approval subject to the procedures in paragraph (f) of this section. A Federal savings association subject to standard treatment as defined in § 516.3(b) of this chapter shall not establish a branch office without prior approval subject to the procedures in paragraph (e) of this section.

(c) *Application form; filing; completion; supervisory objection.* Applicants shall obtain application and notice forms and related instructions from the OTS.

(d) *Processing of applications/notices.* Processing of applications and notices shall be subject to the following procedures:

(1) *Publication.* (i) A federal savings association must publish a public notice of the branch application or notice in accordance with the procedures specified in subpart B of part 516 of this chapter.

(ii) Promptly after publication of the public notice, the savings association shall transmit copies of the public notice and publisher's affidavit of publication to the OTS.

(iii) The application or notice and all related communications may be inspected by any person at the Regional Office during regular business hours, unless such information is exempt from public disclosure.

(2) *Submission of application or notice.* A Federal savings association must comply with § 556.5 of this chapter and shall file the application required under § 516.3(b)(2) of this chapter or the notice required under § 516.3(a) of this chapter within three days after the publication of the public notice under paragraph (d)(1) of this section.

(3) *Submission of comments.* Commenters may submit comments on the application or notice in accordance with the procedures specified in subpart C of part 516 of this chapter.

(4) *Meetings.* The OTS may arrange informal or formal meetings in accordance with the procedures specified in subpart D of part 516 of this chapter.

(e) *Approval of branch application.* (1) The OTS shall approve an application only if the overall policies, condition, and operation of the applicant afford no basis for supervisory objection and the proposed branch will open within

twelve months of approval unless otherwise allowed by the OTS. In considering whether to approve an application, the OTS will assess and take into account an association's record of helping to meet the credit needs of its entire community, including low- and moderate-income neighborhoods, pursuant to part 563e of this chapter; assessment of an association's record of performance may be the basis for denying an application.

(2) An application shall be deemed to be approved 30 days after notification that the application is complete, unless the OTS suspends the applicable processing time frames under § 516.190 of this chapter, or the OTS objects to the application on the grounds set forth under paragraph (e)(1) of this section.

(f) *Approval of branch notice.* A notice filed by a Federal savings association that qualifies for expedited treatment shall be deemed to be approved 30 days after its filing with the OTS, unless the OTS suspends the applicable processing time frames under § 516.190 of this chapter; the OTS objects to the application on the grounds set forth in paragraph (e)(1) of this section; or the OTS determines to process the filing as an application under § 516.3(a)(3) of this chapter. If the OTS suspends the applicable processing time frames, the savings association may not open a branch until the OTS provides a notification of its approval.

(g) *Offices not requiring prior written approval.* A Federal savings association may establish without prior approval a drive-in and/or pedestrian office opened in conjunction with an approved branch or home office of the association, located within 500 feet of a public entrance of that office and closer to that entrance than to a public entrance of any other SAIF-insured association, and the functions of which are limited to the ordinary functions performed at a teller-window.

(h) *Maintenance of branch office after conversion, consolidation, purchase of bulk assets, merger or purchase from receiver.* (1) An existing association which converts to a Federal savings association may maintain an existing office, and a Federal savings association that acquires offices through consolidation, purchase of bulk assets, merger or pur-

chase from the receiver of an association may maintain any acquired office, except to the extent the approval by the OTS of the conversion, consolidation, merger, or purchase specifies otherwise.

(2) A Federal savings association may not file a branch application after having filed an application to merge or otherwise surrender its Federal charter, unless the merger or conversion application has been pending for at least six months.

[54 FR 49492, Nov. 30, 1989, as amended at 55 FR 13512, Apr. 11, 1990; 57 FR 14341, Apr. 20, 1992; 57 FR 37084, Aug. 18, 1992; 62 FR 64145, Dec. 4, 1997; 63 FR 65682, Nov. 30, 1998]

§ 545.95 Change of office location and redesignation of offices.

(a) *Eligibility.* A Federal savings association may change the permanent location of its home office or any approved branch office, or redesignate a home or branch office subject to the appropriate expedited or standard treatment procedures for establishing a branch office set forth in § 545.92 of this part.

(b) *Processing of application.* (1) Processing of an application for a change of office location or redesignation of a home or branch office shall follow the procedures set forth in § 545.92 of this part, except that:

(i) The applicant shall publish the required newspaper notice of application in the applicant's home office community, the community to be served by the new office, and the community where the office is to be closed or the home office is to be redesignated as a branch; and

(ii) The applicant shall post notice of the application for 25 days from the date of first publication in a prominent location in the office to be closed or redesignated.

(2) The OTS may approve an amendment to an association's charter in connection with approval of a home office relocation or redesignation under this section.

(c) *Short-distance relocations.* (1) Notwithstanding paragraph (a) of this section, an association may change the permanent location of a home or branch office, without applying for approval by the OTS, to a site within the

market area and short-distance relocation area of the office site that has been approved in accordance with § 545.92 of this part or paragraph (a) of this section. The short-distance relocation area of an office site is:

- (i) The area within a 1,000-foot radius of the site if it is located within a central city of a Metropolitan Statistical Area ("MSA") designated by the U.S. Department of Commerce;
- (ii) The area within a one-mile radius of the site if it is located within an MSA designated by the U.S. Department of Commerce but not within a central city; or
- (iii) The area within a two-mile radius of the site if it is not located within a MSA.

(2) An association shall notify the OTS in writing at least 30 days before such an office relocation and may proceed with the relocation unless, within 30 days of receipt of the notice, the OTS notifies the association that the relocation does not satisfy the criteria set forth in the first sentence of paragraph (c)(1) of this section, in which case the association must file an application and obtain approval by the OTS in accordance with paragraph (b) of this section.

[57 FR 14341, Apr. 20, 1992, as amended at 62 FR 64146, Dec. 4, 1997]

§ 545.96 Agency.

(a) *General.* A Federal savings association may, without approval of the Office, to the extent authorized by its board of directors, establish or maintain agencies that only service and originate (but do not approve) loans and contracts or manage or sell real estate owned by the Federal savings association.

(b) *Additional services.* Except for payment on savings accounts, offering of any services not listed in paragraph (a) of this section may be approved by the OTS.

(c) *Records.* An agency shall maintain records of all business it transacts and transmit copies to a branch or home office of the Federal savings association.

[54 FR 49492, Nov. 30, 1989, as amended at 54 FR 50614, Dec. 8, 1989; 55 FR 13512, Apr. 11, 1990; 57 FR 14342, Apr. 20, 1992]

§ 545.101 Fiscal agency.

A Federal savings association designated fiscal agent by the Secretary of the Treasury or with Office approval by another instrumentality of the United States, shall, as such, perform such reasonable duties and exercise only such powers and privileges as the Secretary of the Treasury or such instrumentality may prescribe.

§ 545.103 Suretyship.

Pursuant to the authority given to the Office under section 5(b)(2) of the Act, a Federal savings association is authorized to enter into an agreement to act as surety subject to the following provisions:

(a) A savings association may enter into a suretyship agreement only if performance under the agreement would create an obligation authorized for investment by a savings association. A savings association's obligation under the suretyship agreement will be treated as a loan to its principal for purposes of the requirements of §§ 563.93 and 563.43 of this chapter.

(b) A savings association must take and maintain a security interest in real estate or marketable securities of its principal having a market value of at least 110 percent of the savings association's suretyship obligation. If real estate, the value must be established by a signed appraisal consistent with the requirements of part 564 of this chapter. In determining compliance with the 110 percent requirement, the savings association must consider the value of prior mortgages, liens or other encumbrances on the property, except those held by the party for whose protection the suretyship agreement is made. If marketable securities, such securities must be of a type in which the savings association is authorized to invest, and the savings association must provide for maintenance of the security at the required level during the term of the suretyship agreement.

(c) To the extent a savings association is required to meet its obligation under a suretyship agreement, the amount expended shall be treated as an extension of credit subject to percentage-of-assets limits in accordance with

the obligation thereby created to the savings association.

[54 FR 49492, Nov. 30, 1989, as amended at 59 FR 29502, June 7, 1994]

§ 545.121 Indemnification of directors, officers and employees.

A Federal savings association shall indemnify its directors, officers, and employees in accordance with the following requirements:

(a) *Definitions and rules of construction.* (1) Definitions for purposes of this section.

(i) *Action.* The term “action” means any judicial or administrative proceeding, or threatened proceeding, whether civil, criminal, or otherwise, including any appeal or other proceeding for review;

(ii) *Court.* The term “court” includes, without limitation, any court to which or in which any appeal or any proceeding for review is brought.

(iii) *Final judgment.* The term “final judgment” means a judgment, decree, or order which is not appealable or as to which the period for appeal has expired with no appeal taken.

(iv) *Settlement.* The term “settlement” includes entry of a judgment by consent or confession or a plea of guilty or *nolo contendere*.

(2) References in this section to any individual or other person, including any association, shall include legal representatives, successors, and assigns thereof.

(b) *General.* Subject to paragraphs (c) and (g) of this section, a savings association shall indemnify any person against whom an action is brought or threatened because that person is or was a director, officer, or employee of the association, for:

(1) Any amount for which that person becomes liable under a judgment if such action; and

(2) Reasonable costs and expenses, including reasonable attorney’s fees, actually paid or incurred by that person in defending or settling such action, or in enforcing his or her rights under this section if he or she attains a favorable judgment in such enforcement action.

(c) *Requirements.* Indemnification shall be made to such period under paragraph (b) of this section only if:

(1) Final judgment on the merits is in his or her favor; or

(2) In case of:

(i) Settlement,

(ii) Final judgment against him or her, or

(iii) Final judgment in his or her favor, other than on the merits, if a majority of the disinterested directors of the savings association determine that he or she was acting in good faith within the scope of his or her employment or authority as he or she could reasonably have perceived it under the circumstances and for a purpose he or she could reasonably have believed under the circumstances was in the best interests of the savings association or its members.

However, no indemnification shall be made unless the association gives the Office at least 60 days’ notice of its intention to make such indemnification. Such notice shall state the facts on which the action arose, the terms of any settlement, and any disposition of the action by a court. Such notice, a copy thereof, and a certified copy of the resolution containing the required determination by the board of directors shall be sent to the Regional Director, who shall promptly acknowledge receipt thereof. The notice period shall run from the date of such receipt. No such indemnification shall be made if the OTS advises the association in writing, within such notice period, of his or her objection thereto.

(d) *Insurance.* A savings association may obtain insurance to protect it and its directors, officers, and employees from potential losses arising from claims against any of them for alleged wrongful acts, or wrongful acts, committed in their capacity as directors, officers, or employees. However, no savings association may obtain insurance which provides for payment of losses of any person incurred as a consequence of his or her willful or criminal misconduct.

(e) *Payment of expenses.* If a majority of the directors of a savings association concludes that, in connection with an action, any person ultimately may become entitled to indemnification under this section, the directors may authorize payment of reasonable costs and expenses, including reasonable attorneys’

fees, arising from the defense or settlement of such action. Nothing in this paragraph (e) shall prevent the directors of a savings association from imposing such conditions on a payment of expenses as they deem warranted and in the interests of the savings association. Before making advance payment of expenses under this paragraph (e), the savings association shall obtain an agreement that the savings association will be repaid if the person on whose behalf payment is made is later determined not to be entitled to such indemnification.

(f) *Exclusiveness of provisions.* No savings association shall indemnify any person referred to in paragraph (b) of this section or obtain insurance referred to in paragraph (d) of the section other than in accordance with this section. However, an association which has a bylaw in effect relating to indemnification of its personnel shall be governed solely by that bylaw, except that its authority to obtain insurance shall be governed by paragraph (d) of this section.

(g) The indemnification provided for in paragraph (b) of this section is subject to and qualified by 12 U.S.C. 1821(k).

§ 546.1 Definitions.

The terms used in §§ 546.2 and 546.3 shall have the same meaning as set forth in §§ 552.13(b) and 563.22(g) of this chapter.

[59 FR 44622, Aug. 30, 1994]

§ 546.2 Procedure; effective date.

(a) A Federal mutual savings association may combine with any depository institution, provided that:

(1) The combination is in compliance with, and receives all approvals required under, any applicable statutes and regulations;

(2) Any resulting Federal savings association meets the requirements for Federal Home Loan Bank membership and insurance of accounts;

(3) In the case of a combination with a bank that is a member of the Bank Insurance Fund, any resulting Federal savings association conforms to the requirements of sections 5(c) and 10(m) of the Home Owners' Loan Act under the standards set forth in section 5(c)(5) of the Home Owners' Loan Act, and in the case of a combination with any other depository institution, any resulting Federal savings association conforms within the time prescribed by the OTS, to the requirements of section 5(c) of the Home Owners' Loan Act; and

(4) The resulting institution shall be a mutually held savings association, unless:

(i) The transaction involves a supervisory merger;

(ii) The transaction is approved under part 563b of this chapter; or

(iii) The transaction involves a transfer in the context of a mutual holding company reorganization under section 10(o) of the Home Owners' Loan Act.

(b) Each Federal mutual savings association, by a two-thirds vote of its board of directors, shall approve a plan of combination evidenced by a combination agreement. The agreement shall state:

(1) That the combination shall not be effective unless and until the combination receives any necessary approval from the Office pursuant to § 563.22 (a) or (c), or in the case of a transaction requiring a notice pursuant to § 563.22(c), the notice has been filed, and the appropriate period of time has passed or the OTS has advised the parties that it will not disapprove the transaction;

(2) Which constituent institution is to be the resulting institution;

(3) The name of the resulting institution;

(4) The location of the home office and any other offices of the resulting institution;

(5) The terms and conditions of the combination and the method of effectuation;

(6) Any charter amendments, or the new charter in the combination;

(7) The basis upon which the resulting institution's savings accounts will be issued;

(8) If the Federal mutual savings association is the resulting institution, the number, names, residence addresses, and terms of directors;

(9) The effect upon and assumption of any liquidation account of a disappearing institution by the resulting institution; and

(10) Such other provisions, agreements, or understandings as relate to the combination.

(c) Prior written notification to, notice to, or prior written approval of, the Office pursuant to § 563.22 of this chapter is required for every combination. In the case of applications and notices pursuant to 563.22 (a) or (c), the Office shall apply the criteria set out in § 563.22 of this chapter and shall impose any conditions it deems necessary or appropriate to ensure compliance with those criteria and the requirements of this chapter.

(d) Where the resulting institution is a Federal mutual savings association, the Office may approve a temporary increase in the number of directors of the resulting institution provided that the association submits a plan for bringing the board of directors into compliance with the requirements of § 544.1 of this chapter within a reasonable period of time.

(e) Notwithstanding any other provision of this part, the Office may require that a plan of combination be submitted to the voting members of any of the mutual savings associations that are constituent institutions at a duly called meeting(s), and that the plan, to be effective, be approved by such voting members.

(f) A conservator or receiver for a Federal mutual savings association may combine the association with another insured depository institution without submitting the plan to the as-

sociation's board of directors or members for their approval.

(g) If a plan of combination provides for a resulting Federal mutual savings association's name or location to be changed, its charter shall be amended accordingly. If the resulting institution is a Federal mutual savings association, the effective date of the combination shall be the date specified in the approval; if the resulting institution is not a Federal savings association, the effective date shall be that prescribed under applicable law. Approval of a merger automatically cancels the Federal charter of a Federal association that is a disappearing institution as of the effective date of merger, and the association shall, on that date, surrender its charter to the Office.

[59 FR 44622, Aug. 30, 1994]

§ 546.3 Transfer of assets upon merger or consolidation.

On the effective date of a merger or consolidation in which the resulting institution is a Federal association, all assets and property of the disappearing institutions shall immediately, without any further act, become the property of the resulting institution to the same extent as they were the property of the disappearing institutions, and the resulting institution shall be a continuation of the entity which absorbed the disappearing institutions. All rights and obligations of the disappearing institutions shall remain unimpaired, and the resulting institution shall, on the effective date of the merger or consolidation, succeed to all those rights and obligations, subject to the Home Owners' Loan Act and other applicable statutes.

[59 FR 44623, Aug. 30, 1994]

§ 546.4 Voluntary dissolution.

A Federal savings association's board of directors may propose a plan for dissolution of the association. The plan may provide for either:

(a) Appointment of the Federal Deposit Insurance Corporation or the Resolution Trust Corporation (under section 5 of the Act and section 11 of the Federal Deposit Insurance Act, as amended or section 21A of the Federal

Home Loan Bank Act, as amended) as receiver for the purpose of liquidation;

(b) Transfer of all the association's assets to another association and home-financing institution under Federal or State charter either for cash sufficient to pay all obligations of the association and retire all outstanding accounts or in exchange for that association's payment of all the association's outstanding obligations and issuance of share accounts or other evidence of interest to the association's members on a *pro rata* basis; or

(c) Dissolution in a manner proposed by the directors which they consider best for all concerned.

The plan, and a statement of reasons for proposing dissolution and for proposing the plan, shall be submitted to the OTS for approval. The OTS will approve the plan if the OTS believes dissolution is advisable and the plan best for all concerned, but if the OTS considers the plan inadvisable, the OTS may either make recommendations to the association concerning the plan or disapprove it. When the plan is approved by the association's board of directors and by the OTS, it shall be submitted to the association's members at a duly called meeting and, when approved by a majority of votes cast at that meeting, shall become effective. After dissolution in accordance with the plan, a certificate evidencing dissolution, supported by such evidence as the OTS may require, shall immediately be filed with the OTS. When the OTS receives such evidence satisfactory to the OTS, it will terminate the corporate existence of the dissolved association and the association's charter shall thereby be canceled. A Federal savings association is not required to obtain approval under this section where the Federal savings association transfers all of its assets and liabilities to a bank in a transaction that is subject to § 563.22(b) of this chapter.

SOURCE: 62 FR 67703, Dec. 30, 1997, unless otherwise noted.

§ 550.10 What regulations govern the fiduciary operations of savings associations?

(a) *Federal savings associations.* A Federal savings association (“you”) must conduct its fiduciary operations in accordance with 12 U.S.C. 1464(n) and this part.

(b) *State-chartered savings associations.* (1) A State-chartered savings association must conduct its fiduciary operations in accordance with applicable State law, and must exercise its fiduciary powers in a safe and sound manner. To ensure safe and sound operations, State-chartered savings associations and their subsidiaries should

follow the standards for the exercise of fiduciary powers in this part.

(2) The OTS will monitor the fiduciary operations of State-chartered savings associations and their subsidiaries to ensure that those operations are conducted in a safe and sound manner. The OTS may object to practices that deviate materially from the practices described in this part, and may restrict or prohibit activities that threaten the safety and soundness of a State-chartered savings association.

§ 550.20 What are fiduciary powers?

Fiduciary powers are the authority that the OTS permits you to exercise under 12 U.S.C. 1464(n). The scope of permissible fiduciary powers depends on the powers that the State in which you are located grants to competing fiduciaries in that State.

§ 550.30 What fiduciary capacities does this part cover?

You are subject to this part if you act in a fiduciary capacity, except as described in subpart E of this part. You act in a fiduciary capacity when you act in any of the following capacities:

- (a) Trustee.
- (b) Executor.
- (c) Administrator.
- (d) Registrar of stocks and bonds.
- (e) Transfer agent.
- (f) Assignee.
- (g) Receiver.
- (h) Guardian or conservator of the estate of a minor, an incompetent person, an absent person, or a person over whose estate a court has taken jurisdiction, other than under bankruptcy or insolvency laws.
- (i) A fiduciary in a relationship established under a State law that is substantially similar to the Uniform Gifts to Minors Act or the Uniform Transfers to Minors Act as published by the American Law Institute.
- (j) Investment adviser, if you receive a fee for your investment advice.
- (k) Any capacity in which you have investment discretion on behalf of another.
- (l) Any other similar capacity that the OTS may authorize under 12 U.S.C. 1464(n).

§ 550.40 When do I have investment discretion?

(a) *General.* You have investment discretion when you have, with respect to a fiduciary account, the sole or shared authority to determine what securities or other assets to purchase or sell on behalf of that account. It does not matter whether you have exercised this authority.

(b) *Delegations.* You retain investment discretion if you delegate investment discretion to another. You also have investment discretion if you receive delegated authority to exercise investment discretion from another.

§ 550.50 What is a fiduciary account?

A fiduciary account is an account that you administer acting in a fiduciary capacity.

§ 550.60 What other definitions apply to this part?

Affiliate has the same meaning as in 12 U.S.C. 221a(b). For purposes of this part, substitute the term "Federal savings association" for the term "member bank" whenever it appears in 12 U.S.C. 221a(b).

Applicable law means the law of a State or other jurisdiction governing your fiduciary relationships, any Federal law governing those relationships, the terms of the instrument governing a fiduciary relationship, and any court order pertaining to the relationship.

Fiduciary officers and employees means the officers and employees of a Federal savings association to whom the board of directors or its designee has assigned functions involving the exercise of the association's fiduciary powers.

- (c) Your overall performance.
- (d) The fiduciary powers you propose to exercise.
- (e) Your proposed supervision of those powers.
- (f) The availability of legal counsel.
- (g) The needs of the community to be served.
- (h) Any other facts or circumstances that the OTS considers proper.

§ 550.110 Who will act on my application?

The Director of OTS may act on any application. The Regional Director may act on an application if it does not raise any significant issues of law or policy on which the OTS has not taken a formal position.

§ 550.120 What action will the OTS take on my application?

The OTS may approve or deny your application. If your application is approved, the OTS may impose conditions to ensure that the requirements of this part are met.

§ 550.240 May I hold investments of a fiduciary account off-premises?

You may hold the investments of a fiduciary account off-premises, if this practice is consistent with applicable law, and you maintain adequate safeguards and controls.

§ 550.250 Must I keep fiduciary assets separate from other assets?

You must keep the assets of fiduciary accounts separate from your other assets. You must also keep the assets of each fiduciary account separate from all other accounts, or you must identify the investments as the property of a particular account, except as provided in §§ 550.260.

INVESTING FUNDS OF A FIDUCIARY ACCOUNT

§ 550.260 How may I invest funds of a fiduciary account?

§ 550.300 Where may I deposit fiduciary funds awaiting investment or distribution?

If the FDIC does not insure the entire amount of a self deposit or an affiliate deposit, you must set aside collateral as security. The market value of the collateral must at all times equal or exceed the amount of the uninsured fiduciary funds. You must place the collateral under the control of appropriate fiduciary officers and employees.

§ 550.340 May I exercise rights to purchase additional stock or fractional shares of my stock or obligations or the stock or obligations of my affiliates?

If the retention of investments in your stock or obligations or the stock or obligations of an affiliate in fiduciary accounts is consistent with applicable law, you may do either of the following:

Under a continuous audit system, you must arrange for a discrete audit of each significant fiduciary activity (*i.e.*, on an activity-by-activity basis) at an interval commensurate with the nature and risk of that activity. Some fiduciary activities may receive audits at intervals greater or less than one year, as appropriate.

(b) A majority of the members of the audit committee may not serve on any committee to which the board of directors has delegated power to manage and control your fiduciary activities.

§ 550.480 How do I report the results of the audit?

(a) *Annual audit.* If you conduct an annual audit, you must note the results of the audit (including significant actions taken as a result of the audit) in the minutes of the board of directors.

(2) It has completed the sale of and received full payment for its capital stock;

(3) It has complied with all requirements of part 563g of this chapter;

(b) Approval of an application for permission to organize an interim Federal stock association shall be conditioned upon approval by the Office of an application to merge the interim Federal stock association, or upon approval by the Office of other transaction which the interim was chartered to facilitate. Applications for permission to organize an interim Federal stock association shall be submitted in the same manner as the related filing(s). In evaluating the application, the Office will consider the purpose for which the association will be organized, the form of any proposed transactions involving the association, the effect of the transactions on existing associations involved in the transactions, and the factors specified in § 552.1(b)(1) to the extent relevant.

§ 552.2-3 Federal stock association created in connection with an association in default or in danger of default.

Sections 552.2-1 and 552.2-2 of this part do not apply to a Federal stock association which is proposed by the Federal Deposit Insurance Corporation, or the Resolution Trust Corporation under section 5(p) of the Home Owner's Loan Act of 1933, section 11(c) of the Federal Deposit Insurance Act, or section 21A of the Federal Home Loan Bank Act, or is otherwise chartered by the Office in connection with an association in default or in danger of default. The resulting Federal stock association must conform within the time prescribed by the OTS to the requirements of section 5(c) of the Home Owners' Loan Act. For purposes of this section, the term "depository institution" shall have the meaning set forth at 12 CFR 552.13(b).

§ 552.2-7 Conversion to National banking association or State bank.

§552.3 Charters for Federal stock associations.

The charter of a Federal stock association shall be in the following form, except that an association that has converted from the mutual form pursuant to part 563b of this chapter shall include in its charter a section establishing a liquidation account as required by §563b.3(c)(13) of this chapter. A charter for a Federal stock savings bank shall substitute the term "savings bank" for "association." Charters may also include any preapproved optional provision contained in §552.4 of this part.

FEDERAL STOCK CHARTER

Section 1. Corporate title. The full corporate title of the association is ____.

Section 2. Office. The home office shall be located in ____ [city, state].

Section 3. Duration. The duration of the association is perpetual.

Section 4. Purpose and powers. The purpose of the association is to pursue any or all of the lawful objectives of a Federal savings association chartered under section 5 of the Home Owners' Loan Act and to exercise all of the express, implied, and incidental powers conferred thereby and by all acts amendatory thereof and supplemental thereto, subject to the Constitution and laws of the United States as they are now in effect, or as they may hereafter be amended, and subject to all lawful and applicable rules, regulations, and orders of the Office of Thrift Supervision ("Office").

Section 5. Capital stock. The total number of shares of all classes of the capital stock that the association has the authority to issue is ____, all of which shall be common stock of par [or if no par is specified then shares shall have a stated] value of ____ per share. The shares may be issued from time to time as authorized by the board of directors without the approval of its shareholders, except as otherwise provided in this Section 5 or to the extent that such approval is required by governing law, rule, or regulation. The consideration for the issuance of the shares shall be paid in full before their issuance and shall not be less than the par [or stated] value. Neither promissory notes nor future services shall constitute payment or part payment for the issuance of shares of the association.

The consideration for the shares shall be cash, tangible or intangible property (to the extent direct investment in such property would be permitted to the association), labor, or services actually performed for the association, or any combination of the foregoing. In the absence of actual fraud in the transaction, the value of such property, labor, or services, as determined by the board of directors of the association, shall be conclusive. Upon payment of such consideration, such shares shall be deemed to be fully paid and nonassessable. In the case of a stock dividend, that part of the retained earnings of the association that is transferred to common stock or paid-in capital accounts upon the issuance of shares as a stock dividend shall be deemed to be the consideration for their issuance.

Except for shares issued in the initial organization of the association or in connection with the conversion of the association from the mutual to stock form of capitalization, no shares of capital stock (including shares issuable upon conversion, exchange, or exercise of other securities) shall be issued, directly or indirectly, to officers, directors, or controlling persons of the association other than as part of a general public offering or as qualifying shares to a director, unless the issuance or the plan under which they would be issued has been approved by a majority of the total votes eligible to be cast at a legal meeting.

The holders of the common stock shall exclusively possess all voting power. Each holder of shares of common stock shall be entitled to one vote for each share held by such holder, except as to the cumulation of votes for the election of directors, unless the charter provides that there shall be no such cumulative voting. Subject to any provision for a liquidation account, in the event of any liquidation, dissolution, or winding up of the association, the holders of the common stock shall be entitled, after payment or provision for payment of all debts and liabilities of the association, to receive the remaining assets of the association available for distribution, in cash or in kind. Each share of common stock shall have the same relative rights as and be identical in all respects with all the other shares of common stock.

Section 6. Preemptive rights. Holders of the capital stock of the association shall not be entitled to preemptive rights with respect to any shares of the association which may be issued.

Section 7. Directors. The association shall be under the direction of a board of directors. The authorized number of directors, as stated in the association's bylaws, shall not be fewer than five nor more than fifteen except when a greater or lesser number is approved by the Director of the Office, or his or her delegate.

Section 8. Amendment of charter. Except as provided in Section 5, no amendment, addition, alteration, change or repeal of this charter shall be made, unless such is proposed by the board of directors of the association, approved by the shareholders by a majority of the votes eligible to be cast at a legal meeting, unless a higher vote is otherwise required, and approved or preapproved by the Office.

§ 552.4 Charter amendments.

(a) *General.* In order to adopt a charter amendment, a Federal stock association must comply with the following requirements:

(1) *Board of directors approval.* The board of directors of the association must adopt a resolution proposing the charter amendment that states the text of such amendment.

(2) *Form of filing—(i) Application requirement.* If the proposed charter amendment would render more difficult or discourage a merger, tender offer, or proxy contest, the assumption of control by a holder of a block of the association's stock, the removal of incumbent management, or involve a significant issue of law or policy, the association shall file the proposed amendment and shall obtain the prior approval of the OTS; and

(ii) *Notice requirement.* If the proposed charter amendment does not involve a provision that would be covered by paragraph (a)(2)(i) of this section and such amendment is permissible under all applicable laws, rules or regulations, then the association shall submit the proposed amendments to the OTS, at least 30 days prior to the date the proposed charter amendment is to be mailed for consideration by the association's shareholders.

(b) *Approval.* Any charter amendment filed pursuant to paragraph (a)(2)(ii) of this section shall automatically be approved 30 days from the date of filing of such amendment, provided that the association follows the requirements of its charter in adopting such amendment, unless prior to the expiration of such 30-day period the OTS notifies the association that such amendment is rejected or that such amendment is deemed to be filed under the provisions of paragraph (a)(2)(i) of this section. In addition, the following charter amendments, including the adoption of the Federal stock charter as set forth in § 552.3 of this part, shall be approved at the time of adoption, if adopted without change and filed with OTS within 30 days after adoption, provided the association follows the requirements of its charter in adopting such amendments:

(1) *Title change.* A Federal stock association that has complied with § 543.1(b) of this chapter may amend its charter by substituting a new corporate title in section 1.

(2) *Home office.* A Federal stock association that has complied with § 545.95 of this chapter may amend its charter by substituting a new home office in section 2.

(3) *Number of shares of stock and par value.* A Federal stock association may amend Section 5 of its charter to change the number of authorized shares of stock, the number of shares within each class of stock, and the par or stated value of such shares.

(4) *Capital stock.* A Federal stock association may amend its charter by revising Section 5 to read as follows:

Section 5. Capital stock. The total number of shares of all classes of capital stock that the association has the authority to issue is _____, of which _____ shall be common stock of par [or if no par value is specified the stated] value of _____ per share and of which [list the number of each class of preferred and the par or if no par value is specified the stated value per share of each such class]. The shares may be issued from time to time as authorized by the board of directors without further approval of shareholders, except as otherwise provided in this Section 5 or to the extent that such approval is required by governing law, rule, or regulation. The consideration for the issuance of the shares shall be paid in full before their issuance and shall not be less than the par [or stated]

value. Neither promissory notes nor future services shall constitute payment or part payment for the issuance of shares of the association. The consideration for the shares shall be cash, tangible or intangible property (to the extent direct investment in such property would be permitted), labor, or services actually performed for the association, or any combination of the foregoing. In the absence of actual fraud in the transaction, the value of such property, labor, or services, as determined by the board of directors of the association, shall be conclusive. Upon payment of such consideration, such shares shall be deemed to be fully paid and non-assessable. In the case of a stock dividend, that part of the retained earnings of the association that is transferred to common stock or paid-in capital accounts upon the issuance of shares as a stock dividend shall be deemed to be the consideration for their issuance.

Except for shares issued in the initial organization of the association or in connection with the conversion of the association from the mutual to the stock form of capitalization, no shares of capital stock (including shares issuable upon conversion, exchange, or exercise of other securities) shall be issued, directly or indirectly, to officers, directors, or controlling persons of the association other than as part of a general public offering or as qualifying shares to a director, unless their issuance or the plan under which they would be issued has been approved by a majority of the total votes eligible to be cast at a legal meeting.

Nothing contained in this Section 5 (or in any supplementary sections hereto) shall entitle the holders of any class of a series of capital stock to vote as a separate class or series or to more than one vote per share, except as to the cumulation of votes for the election of directors, unless the charter otherwise provides that there shall be no such cumulative voting; *Provided*, That this restriction on voting separately by class or series shall not apply:

(i) To any provision which would authorize the holders of preferred stock, voting as a class or series, to elect some members of the board of directors, less than a majority thereof, in the event of default in the payment of dividends on any class or series of preferred stock;

(ii) To any provision that would require the holders of preferred stock, voting as a class or series, to approve the merger or consolidation of the association with another corporation or the sale, lease, or conveyance (other than by mortgage or pledge) of properties or business in exchange for securities of a corporation other than the association if the preferred stock is exchanged for securities of such other corporation; *Provided*, That no provision may require such approval for transactions undertaken with the assistance

or pursuant to the direction of the Office or the Federal Deposit Insurance Corporation;

(iii) To any amendment which would adversely change the specific terms of any class or series of capital stock as set forth in this Section 5 (or in any supplementary sections hereto), including any amendment which would create or enlarge any class or series ranking prior thereto in rights and preferences. An amendment which increases the number of authorized shares of any class or series of capital stock, or substitutes the surviving association in a merger or consolidation for the association, shall not be considered to be such an adverse change.

A description of the different classes and series (if any) of the association's capital stock and a statement of the designations, and the relative rights, preferences, and limitations of the shares of each class of and series (if any) of capital stock are as follows:

A. *Common stock*. Except as provided in this Section 5 (or in any supplementary sections thereto) the holders of the common stock shall exclusively possess all voting power. Each holder of shares of the common stock shall be entitled to one vote for each share held by each holder, except as to the cumulation of votes for the election of directors, unless the charter otherwise provides that there shall be no such cumulative voting.

Whenever there shall have been paid, or declared and set aside for payment, to the holders of the outstanding shares of any class of stock having preference over the common stock as to the payment of dividends, the full amount of dividends and of sinking fund, retirement fund, or other retirement payments, if any, to which such holders are respectively entitled in preference to the common stock, then dividends may be paid on the common stock and on any class or series of stock entitled to participate therewith as to dividends out of any assets legally available for the payment of dividends.

In the event of any liquidation, dissolution, or winding up of the association, the holders of the common stock (and the holders of any class or series of stock entitled to participate with the common stock in the distribution of assets) shall be entitled to receive, in cash or in kind, the assets of the association available for distribution remaining after: (i) Payment or provision for payment of the association's debts and liabilities; (ii) distributions or provision for distributions in settlement of its liquidation account; and (iii) distributions or provision for distributions to holders of any class or series of stock having preference over the common stock in the liquidation, dissolution, or winding up of the association. Each share of common stock shall have the same relative rights as and be identical in all respects with all the other shares of common stock.

B. *Preferred stock.* The association may provide in supplementary sections to its charter for one or more classes of preferred stock, which shall be separately identified. The shares of any class may be divided into and issued in series, with each series separately designated so as to distinguish the shares thereof from the shares of all other series and classes. The terms of each series shall be set forth in a supplementary section to the charter. All shares of the same class shall be identical except as to the following relative rights and preferences, as to which there may be variations between different series:

(a) The distinctive serial designation and the number of shares constituting such series;

(b) The dividend rate or the amount of dividends to be paid on the shares of such series, whether dividends shall be cumulative and, if so, from which date(s), the payment date(s) for dividends, and the participating or other special rights, if any, with respect to dividends;

(c) The voting powers, full or limited, if any, of shares of such series;

(d) Whether the shares of such series shall be redeemable and, if so, the price(s) at which, and the terms and conditions on which, such shares may be redeemed;

(e) The amount(s) payable upon the shares of such series in the event of voluntary or involuntary liquidation, dissolution, or winding up of the association;

(f) Whether the shares of such series shall be entitled to the benefit of a sinking or retirement fund to be applied to the purchase or redemption of such shares, and if so entitled, the amount of such fund and the manner of its application, including the price(s) at which such shares may be redeemed or purchased through the application of such fund;

(g) Whether the shares of such series shall be convertible into, or exchangeable for, shares of any other class or classes of stock of the association and, if so, the conversion price(s) or the rate(s) of exchange, and the adjustments thereof, if any, at which such conversion or exchange may be made, and any other terms and conditions of such conversion or exchange.

(h) The price or other consideration for which the shares of such series shall be issued; and

(i) Whether the shares of such series which are redeemed or converted shall have the status of authorized but unissued shares of serial preferred stock and whether such shares may be reissued as shares of the same or any other series of serial preferred stock.

Each share of each series of serial preferred stock shall have the same relative rights as and be identical in all respects with all the other shares of the same series.

The board of directors shall have authority to divide, by the adoption of supplementary

charter sections, any authorized class of preferred stock into series, and, within the limitations set forth in this section and the remainder of this charter, fix and determine the relative rights and preferences of the shares of any series so established.

Prior to the issuance of any preferred shares of a series established by a supplementary charter section adopted by the board of directors, the association shall file with the Secretary to the Office a dated copy of that supplementary section of this charter established and designating the series and fixing and determining the relative rights and preferences thereof.

(5) *Limitations on subsequent issuances.*

A Federal stock association may amend its charter to require shareholder approval of the issuance or reservation of common stock or securities convertible into common stock under circumstances which would require shareholder approval under the rules of the New York or American Stock Exchange if the shares were then listed on the New York or American Stock Exchange.

(6) *Cumulative voting.* A Federal stock association may amend its charter by substituting the following sentence for the second sentence in the third paragraph of Section 5: "Each holder of shares of common stock shall be entitled to one vote for each share held by such holder and there shall be no right to cumulate votes in an election of directors."

(7) [Reserved]

(8) *Anti-takeover provisions following mutual to stock conversion.* Notwithstanding the law of the state in which the association is located, a Federal stock association may amend its charter by renumbering existing sections as appropriate and adding a new section 8 as follows:

Section 8. Certain Provisions Applicable for Five Years. Notwithstanding anything contained in the Association's charter or bylaws to the contrary, for a period of [specify number of years up to five] years from the date of completion of the conversion of the Association from mutual to stock form, the following provisions shall apply:

A. *Beneficial Ownership Limitation.* No person shall directly or indirectly offer to acquire or acquire the beneficial ownership of more than 10 percent of any class of an equity security of the association. This limitation shall not apply to a transaction in

which the association forms a holding company without change in the respective beneficial ownership interests of its stockholders other than pursuant to the exercise of any dissenter and appraisal rights, the purchase of shares by underwriters in connection with a public offering, or the purchase of shares by a tax-qualified employee stock benefit plan which is exempt from the approval requirements under § 574.3(c)(1)(vi) of the Office's regulations.

In the event shares are acquired in violation of this section 8, all shares beneficially owned by any person in excess of 10% shall be considered "excess shares" and shall not be counted as shares entitled to vote and shall not be voted by any person or counted as voting shares in connection with any matters submitted to the stockholders for a vote.

For purposes of this section 8, the following definitions apply:

(1) The term "person" includes an individual, a group acting in concert, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization or similar company, a syndicate or any other group formed for the purpose of acquiring, holding or disposing of the equity securities of the association.

(2) The term "offer" includes every offer to buy or otherwise acquire, solicitation of an offer to sell, tender offer for, or request or invitation for tenders of, a security or interest in a security for value.

(3) The term "acquire" includes every type of acquisition, whether effected by purchase, exchange, operation of law or otherwise.

(4) The term "acting in concert" means (a) knowing participation in a joint activity or conscious parallel action towards a common goal whether or not pursuant to an express agreement, or (b) a combination or pooling of voting or other interests in the securities of an issuer for a common purpose pursuant to any contract, understanding, relationship, agreement or other arrangements, whether written or otherwise.

B. Cumulative Voting Limitation. Stockholders shall not be permitted to cumulate their votes for election of directors.

C. Call for Special Meetings. Special meetings of stockholders relating to changes in control of the association or amendments to its charter shall be called only upon direction of the board of directors.

(c) *Anti-takeover provisions.* The Office may grant approval to a charter amendment not listed in paragraph (b) of this section regarding the acquisition by any person or persons of its equity securities provided that the association shall file as part of its application for approval an opinion, acceptable to the OTS, of counsel independent

from the association that the proposed charter provision would be permitted to be adopted by a corporation chartered by the state in which the principal office of the association is located. Any such provision must be consistent with applicable statutes, regulations, and OTS policies. Further, any such provision that would have the effect of rendering more difficult a change in control of the association and would require for any corporate action (other than the removal of directors) the affirmative vote of a larger percentage of shareholders than is required by this Part, shall not be effective unless adopted by a percentage of shareholder vote at least equal to the highest percentage that would be required to take any action under such provision.

(d) *Reissuance of charter.* A Federal stock association that has amended its charter may apply to have its charter, including the amendments, reissued by the Office. Such requests for reissuance should be filed in accordance with § 516.1(c) of this chapter and contain signatures required under § 552.3 of this part, together with such supporting documents as needed to demonstrate that the amendments were properly adopted.

[54 FR 49523, Nov. 30, 1989, as amended at 55 FR 13513, Apr. 11, 1990; 57 FR 14343, Apr. 20, 1992; 59 FR 18476, Apr. 19, 1994; 61 FR 64018, Dec. 3, 1996; 62 FR 66262, Dec. 18, 1997]

§ 552.5 Bylaws.

(a) *General.* At its first organizational meeting, the board of directors of a Federal stock association shall adopt a set of bylaws for the administration and regulation of its affairs. Bylaws may be adopted, amended or repealed by either a majority of the votes cast by the shareholders at a legal meeting or a majority of the board of directors. The bylaws shall contain sufficient provisions to govern the association in accordance with the requirements of §§ 552.6, 552.6-1, 552.6-2, and 552.6-3 of this part and shall not contain any provision that is inconsistent with those sections or with applicable laws, rules, regulations or the association's charter, except that a bylaw provision inconsistent with §§ 552.6, 552.6-1, 552.6-3,

and 552.6–4 of this part may be adopted with the approval of the OTS.

(b) *Form of Filing*—(1) *Application requirement.* (i) Any bylaw amendment shall be submitted to the OTS for approval if it would:

(A) Render more difficult or discourage a merger, tender offer, or proxy contest, the assumption of control by a holder of a large block of the association's stock, or the removal of incumbent management; or

(B) Be inconsistent with §§ 552.6, 552.6–1, 552.6–2, and 552.6–3 of this part, with applicable laws, rules, regulations or the association's charter or involve a significant issue of law or policy, including indemnification, conflicts of interest, and limitations on director or officer liability.

(ii) Applications submitted under paragraph (b)(1)(i) of this section shall be subject to the applications processing procedures set forth at § 516.2 of this chapter.

(iii) Bylaw provisions that adopt the language of the model bylaws set forth in the OTS's Application Processing Handbook, if adopted without change, and filed with OTS within 30 days after adoption, are effective upon adoption.

(2) *Filing requirement.* If the proposed bylaw amendment does not involve a provision that would be covered by paragraph (b)(1) or (b)(3) of this section and is permissible under all applicable laws, rules, or regulations, then the association shall submit the amendment to the OTS at least 30 days prior to the date the bylaw amendment is to be adopted by the association.

(3) *Corporate governance procedures.* A Federal stock association may elect to follow the corporate governance procedures of: The laws of the state where the main office of the association is located; the laws of the state where the association's holding company, if any, is incorporated or chartered; Delaware General Corporation law; or The Model Business Corporation Act, provided that such procedures may be elected to the extent not inconsistent with applicable Federal statutes and regulations and safety and soundness, and such procedures are not of the type described in paragraph (b)(1) of this section. If this election is selected, a Federal stock association shall designate

in its bylaws the provision or provisions from the body or bodies of law selected for its corporate governance procedures, and shall file a copy of such bylaws, which are effective upon adoption, within 30 days after adoption. The submission shall indicate, where not obvious, why the bylaw provisions meet the requirements stated in paragraph (b)(1) of this section.

(c) *Effectiveness.* Any bylaw amendment filed pursuant to paragraph (b)(2) of this section shall automatically be effective 30 days from the date of filing of such amendment, provided that the association follows the requirements of its charter and bylaws in adopting such amendment, unless prior to the expiration of such 30-day period the OTS notifies the association that such amendment is rejected or that such amendment requires an application to be filed pursuant to paragraph (b)(1) of this section.

(d) *Effect of subsequent charter or bylaw change.* Notwithstanding any subsequent change to its charter or bylaws, the authority of a Federal stock association to engage in any transaction shall be determined only by the association's charter or bylaws then in effect, unless otherwise provided by Federal law or regulation.

[57 FR 14343, Apr. 20, 1992, as amended at 60 FR 66718, Dec. 26, 1995; 61 FR 64019, Dec. 3, 1996]

§ 552.6 Shareholders.

(a) *Shareholder meetings.* An annual meeting of the shareholders of the association for the election of directors and for the transaction of any other business of the association shall be held annually within 150 days after the end of the association's fiscal year. Unless otherwise provided in the association's charter, special meetings of the shareholders may be called by the board of directors or on the request of the holders of 10 percent or more of the shares entitled to vote at the meeting, or by such other persons as may be specified in the bylaws of the association. All annual and special meetings of shareholders shall be held at such

place as the board of directors may determine in the state in which the association has its principal place of business, or at any other convenient place the board of directors may designate.

(b) *Notice of shareholder meetings.* Written notice stating the place, day, and hour of the meeting and the purpose or purposes for which the meeting is called shall be delivered not fewer than 20 nor more than 50 days before the date of the meeting, either personally or by mail, by or at the direction of the chairman of the board, the president, the secretary, or the directors, or other persons calling the meeting, to each shareholder of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the mail, addressed to the shareholder at the address appearing on the stock transfer books or records of the association as of the record date prescribed in paragraph (c) of this section, with postage thereon prepaid. When any shareholders' meeting, either annual or special, is adjourned for 30 days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Notwithstanding anything in this section, however, a Federal stock association that is wholly owned shall not be subject to the shareholder notice requirement.

(c) *Fixing of record date.* For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or shareholders entitled to receive payment of any dividend, or in order to make a determination of shareholders for any other proper purpose, the board of directors shall fix in advance a date as the record date for any such determination of shareholders. Such date in any case shall be not more than 60 days and, in case of a meeting of shareholders, not less than 10 days prior to the date on which the particular action, requiring such determination of shareholders, is to be taken. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section, such determination shall apply to any adjournment thereof.

(d) *Voting lists.* (1) At least 20 days before each meeting of the shareholders, the officer or agent having charge of the stock transfer books for the shares of the association shall make a complete list of the stockholders of record entitled to vote at such meeting, or any adjournments thereof, arranged in alphabetical order, with the address and the number of shares held by each. This list of shareholders shall be kept on file at the home office of the association and shall be subject to inspection by any shareholder of record or the stockholder's agent during the entire time of the meeting. The original stock transfer book shall constitute *prima facie* evidence of the stockholders entitled to examine such list or transfer books or to vote at any meeting of stockholders. Notwithstanding anything in this section, however, a Federal stock association that is wholly owned shall not be subject to the voting list requirements.

(2) In lieu of making the shareholders list available for inspection by any shareholders as provided in paragraph (d)(1) of this section, the board of directors may perform such acts as required by paragraphs (a) and (b) of Rule 14a-7 of the General Rules and Regulations under the Securities and Exchange Act of 1934 (17 CFR 240.14a-7) as may be duly requested in writing, with respect to any matter which may be properly considered at a meeting of shareholders, by any shareholder who is entitled to vote on such matter and who shall defray the reasonable expenses to be incurred by the association in performance of the act or acts required.

(e) *Shareholder quorum.* A majority of the outstanding shares of the association entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of shareholders. The shareholders present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum. If a quorum is present, the affirmative vote of the majority of the shares represented at the meeting and entitled to vote on the subject matter shall be the act of the stockholders, unless the vote of a greater number of stockholders voting together or voting

by classes is required by law or the charter. Directors, however, are elected by a plurality of the votes cast at an election of directors.

(f) *Shareholder voting*—(1) *Proxies*. Unless otherwise provided in the association's charter, at all meetings of shareholders, a shareholder may vote in person or by proxy executed in writing by the shareholder or by a duly authorized attorney in fact. Proxies may be given telephonically or electronically as long as the holder uses a procedure for verifying the identity of the shareholder. A proxy may designate as holder a corporation, partnership or company as defined in Part 574 of this chapter, or other person. Proxies solicited on behalf of the management shall be voted as directed by the shareholder or, in the absence of such direction, as determined by a majority of the board of directors. No proxy shall be valid more than eleven months from the date of its execution except for a proxy coupled with an interest.

(2) *Shares controlled by association*. Neither treasury shares of its own stock held by the association nor shares held by another corporation, if a majority of the shares entitled to vote for the election of directors of such other corporation are held by the association, shall be voted at any meeting or counted in determining the total number of outstanding shares at any given time for purposes of any meeting.

(g) *Nominations and new business submitted by shareholders*. Nominations for directors and new business submitted by shareholders shall be voted upon at the annual meeting if such nominations or new business are submitted in writing and delivered to the secretary of the association at least five days prior to the date of the annual meeting. Ballots bearing the names of all the persons nominated shall be provided for use at the annual meeting.

(h) *Informal action by stockholders*. If the bylaws of the association so provide, any action required to be taken at a meeting of the stockholders, or any other action that may be taken at a meeting of the stockholders, may be taken without a meeting if consent in writing has been given by all the stock-

holders entitled to vote with respect to the subject matter.

§ 552.6-1 Board of directors.

(a) *General powers and duties*. The business and affairs of the association shall be under the direction of its board of directors. The board of directors shall annually elect a chairman of the board from among its members and shall designate the chairman of the board, when present, to preside at its meeting. Directors need not be stockholders unless the bylaws so require.

(b) *Number and term*. The bylaws shall set forth a specific number of directors, not a range. The number of directors shall be not fewer than five nor more than fifteen, unless a higher or lower number has been authorized by the Director of the Office or his or her delegate. Directors shall be elected for a term of one to three years and until their successors are elected and qualified. If a staggered board is chosen, the directors shall be divided into two or three classes as nearly equal in number as possible and one class shall be elected by ballot annually. In the case of a converting or newly chartered association where all directors shall be elected at the first election of directors, if a staggered board is chosen, the terms shall be staggered in length from one to three years.

(c) *Regular meetings*. A regular meeting of the board of directors shall be held immediately after, and at the same place as, the annual meeting of shareholders. The board of directors shall determine the place, frequency, time and procedure for notice of regular meetings.

(d) *Quorum*. A majority of the number of directors shall constitute a quorum for the transaction of business at any meeting of the board of directors. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors, unless a greater number is prescribed by regulation of the Office.

(e) *Vacancies*. Any vacancy occurring in the board of directors may be filled by the affirmative vote of a majority of

the remaining directors although less than a quorum of the board of directors. A director elected to fill a vacancy shall be elected to serve only until the next election of directors by the shareholders. Any directorship to be filled by reason of an increase in the number of directors may be filled by election by the board of directors for a term of office continuing only until the next election of directors by the shareholders.

(f) *Removal or resignation of directors.*

(1) At a meeting of shareholders called expressly for that purpose, any director may be removed only for cause, as defined in § 563.39 of this chapter, by a vote of the holders of a majority of the shares then entitled to vote at an election of directors. Associations may provide for procedures regarding resignations in the bylaws.

(2) If less than the entire board is to be removed, no one of the directors may be removed if the votes cast against the removal would be sufficient to elect a director if then cumulatively voted at an election of the class of directors of which such director is a part.

(3) Whenever the holders of the shares of any class are entitled to elect one or more directors by the provisions of the charter or supplemental sections thereto, the provisions of this section shall apply, in respect to the removal of a director or directors so elected, to the vote of the holders of the outstanding shares of that class and not to the vote of the outstanding shares as a whole.

(g) *Executive and other committees.* The board of directors, by resolution adopted by a majority of the full board, may designate from among its members an executive committee and one or more other committees each of which, to the extent provided in the resolution or bylaws of the association, shall have and may exercise all of the authority of the board of directors, except no committee shall have the authority of the board of directors with reference to: the declaration of dividends; the amendment of the charter or bylaws of the association; recommending to the stockholders a plan of merger, consolidation, or conversion; the sale, lease, or other disposition of all, or substantially all, of the property and assets of

the association otherwise than in the usual and regular course of its business; a voluntary dissolution of the association; a revocation of any of the foregoing; or the approval of a transaction in which any member of the executive committee, directly or indirectly, has any material beneficial interest. The designation of any committee and the delegation of authority thereto shall not operate to relieve the board of directors, or any director, of any responsibility imposed by law or regulation.

(h) *Notice of special meetings.* Written notice of at least 24 hours regarding any special meeting of the board of directors or of any committee designated thereby shall be given to each director in accordance with the bylaws, although such notice may be waived by the director. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any meeting need be specified in the notice or waiver of notice of such meeting. The bylaws may provide for telephonic participation at a meeting.

(i) *Action without a meeting.* Any action required or permitted to be taken by the board of directors at a meeting may be taken without a meeting if a consent in writing, setting forth the actions so taken, shall be signed by all of the directors.

(j) *Presumption of assent.* A director of the association who is present at a meeting of the board of directors at which action on any association matter is taken shall be presumed to have assented to the action taken unless his or her dissent or abstention shall be entered in the minutes of the meeting or unless a written dissent to such action shall be filed with the person acting as the secretary of the meeting before the adjournment thereof or shall be forwarded by registered mail to the secretary of the association within five days after the date on which a copy of the minutes of the meeting is received. Such right to dissent shall not apply to

a director who voted in favor of such action.

(k) *Age limitation on directors.* A Federal association may provide a bylaw on age limitation for directors. Bylaws on age limitations must comply with all Federal laws, rules and regulations.

[54 FR 49523, Nov. 30, 1989, as amended at 58 FR 4312, Jan. 14, 1993; 61 FR 64020, Dec. 3, 1996; 62 FR 66262, Dec. 18, 1997]

§ 552.6-2 Officers.

(a) *Positions.* The officers of the association shall be a president, one or more vice presidents, a secretary, and a treasurer or comptroller, each of whom shall be elected by the board of directors. The board of directors may also designate the chairman of the board as an officer. The offices of the secretary and treasurer or comptroller may be held by the same person and the vice president may also be either the secretary or the treasurer or comptroller. The board of directors may designate one or more vice presidents as executive vice president or senior vice president. The board of directors may also elect or authorize the appointment of such other officers as the business of the association may require. The officers shall have such authority and perform such duties as the board of directors may from time to time authorize or determine. In the absence of action by the board of directors, the officers shall have such powers and duties as generally pertain to their respective offices.

(b) *Removal.* Any officer may be removed by the board of directors whenever in its judgment the best interests of the association will be served thereby; but such removal, other than for cause, shall be without prejudice to the contractual rights, if any, of the person so removed. Employment contracts shall conform with § 563.39 of this chapter.

(c) *Age limitation on officers.* A Federal association may provide a bylaw on age limitation for officers. Bylaws on age limitations must comply with all Federal laws, rules, and regulations.

[54 FR 49523, Nov. 30, 1989, as amended at 56 FR 59866, Nov. 26, 1991; 60 FR 66869, Dec. 27, 1995; 61 FR 64020, Dec. 3, 1996]

§ 552.6-3 Certificates for shares and their transfer.

(a) *Certificates for shares.* Certificates representing shares of capital stock of the association shall be in such form as shall be determined by the board of directors and approved by the OTS. The certificates shall be signed by the chief executive officer or by any other officer of the association authorized by the board of directors, attested by the secretary or an assistant secretary, and sealed with the corporate seal or a facsimile thereof. The signatures of such officers upon a certificate may be facsimiles if the certificate is manually signed on behalf of a transfer agent or a registrar other than the association itself or one of its employees. Each certificate for shares of capital stock shall be consecutively numbered or otherwise identified. The name and address of the person to whom the shares are issued, with the number of shares and date of issue, shall be entered on the stock transfer books of the association. All certificates surrendered to the association for transfer shall be cancelled and no new certificate shall be issued until the former certificate for a like number of shares shall have been surrendered and cancelled, except that in the case of a lost or destroyed certificate a new certificate may be issued upon such terms and indemnity to the association as the board of directors may prescribe.

(b) *Transfer of shares.* Transfer of shares of capital stock of the association shall be made only on its stock transfer books. Authority for such transfer shall be given only by the holder of record or by a legal representative, who shall furnish proper evidence of such authority, or by an attorney authorized by a duly executed power of attorney and filed with the association. The transfer shall be made only on surrender for cancellation of the certificate for the shares. The person in whose name shares of capital stock stand on the books of the association shall be deemed by the association to be the owner for all purposes.

§ 552.6-4 [Reserved]**§ 552.9 [Reserved]****§ 552.10 Annual reports to stockholders.**

A Federal stock association not wholly-owned by a holding company shall, within 130 days after the end of its fiscal year, mail to each of its stockholders entitled to vote at its annual meeting an annual report containing financial statements that satisfy the requirements of rule 14a-3 under the Securities Exchange Act of 1934. (17 CFR 240.14a-3). Concurrently with such mailing a certification of such mailing signed by the chairman of the board, the president or a vice president of the association, together with copies of the report, shall be transmitted by the association to the OTS.

[57 FR 14343, Apr. 20, 1992, as amended at 62 FR 66262, Dec. 18, 1997]

§ 552.11 Books and records.

(a) Each Federal stock association shall keep correct and complete books and records of account; shall keep minutes of the proceedings of its stockholders, board of directors, and committees of directors; and shall keep at its home office or at the office of its transfer agent or registrar, a record of its stockholders, giving the names and addresses of all stockholders, and the number, class and series, if any, of the shares held by each.

(b) Any stockholder or group of stockholders of a Federal stock association, holding of record the number of voting shares of such association specified below, upon making written demand stating a proper purpose, shall have the right to examine, in person or by agent or attorney, at any reasonable time or times, nonconfidential portions of its books and records of account, minutes and record of stockholders and to make extracts therefrom. Such right of examination is limited to a stockholder or group of stockholders holding of record:

(1) Voting shares having a cost of not less than \$100,000 or constituting not less than one percent of the total outstanding voting shares, provided in either case such stockholder or group of stockholders have held of record such

voting shares for a period of at least six months before making such written demand, or

(2) Not less than five percent of the total outstanding voting shares.

No stockholder or group of stockholders of a Federal stock association shall have any other right under this section or common law to examine its books and records of account, minutes and record of stockholders, except as provided in its bylaws with respect to inspection of a list of stockholders.

(c) The right to examination authorized by paragraph (b) of this section and the right to inspect the list of stockholders provided by a Federal stock association's bylaws may be denied to any stockholder or group of stockholders upon the refusal of any such stockholder or group of stockholders to furnish such association, its transfer agent or registrar an affidavit that such examination or inspection is not desired for any purpose which is in the interest of a business or object other than the business of the association, that such stockholder has not within the five years preceding the date of the affidavit sold or offered for sale, and does not now intend to sell or offer for sale, any list of stockholders of the association or of any other corporation, and that such stockholder has not within said five-year period aided or abetted any other person in procuring any list of stockholders for purposes of selling or offering for sale such list.

(d) Notwithstanding any provision of this section or common law, no stockholder or group of stockholders shall have the right to obtain, inspect or copy any portion of any books or records of a Federal stock association containing:

(1) A list of depositors in or borrowers from such association;

(2) Their addresses;

(3) Individual deposit or loan balances or records; or

(4) Any data from which such information could be reasonably constructed.

(iv) The transaction involves a transfer in the context of a mutual holding company reorganization under section 10(o) of the Home Owners' Loan Act.

(d) *Combinations.* Prior written notification to, notice to, or prior written approval of, the Office pursuant to § 563.22 of this chapter is required for every combination. In the case of applications and notices pursuant to § 563.22 (a) or (c), the Office shall apply

the criteria set out in §563.22 of this chapter and shall impose any conditions it deems necessary or appropriate to ensure compliance with those criteria and the requirements of this chapter.

(e) *Approval of the board of directors.* Before filing a notice or application for any combination involving a Federal stock association, the combination shall be approved:

(1) By a two-thirds vote of the entire board of each constituent Federal savings association; and

(2) As required by other applicable Federal or state law, for other constituent institutions.

(f) *Combination agreement.* All terms, conditions, agreements or understandings, or other provisions with respect to a combination involving a Federal savings association shall be set forth fully in a written combination agreement. The combination agreement shall state:

(10) Such other provisions, agreements, or understandings as relate to the combination.

(g) [Reserved]

(h) *Approval by stockholders*—(1) *General rule.* Except as otherwise provided in this section, an affirmative vote of two-thirds of the outstanding voting stock of any constituent Federal savings association shall be required for approval of the combination agreement. If any class of shares is entitled to vote as a class pursuant to §552.4 of this part, an affirmative vote of a majority of the shares of each voting class and two-thirds of the total voting shares shall be required. The required vote shall be taken at a meeting of the savings association.

(2) *General exception.* Stockholders of the resulting Federal stock association need not authorize a combination agreement if:

(i) It does not involve an interim Federal savings association or an interim state savings association;

(ii) The association's charter is not changed;

(iii) Each share of stock outstanding immediately prior to the effective date of the combination is to be an identical outstanding share or a treasury share of the resulting Federal stock association after such effective date; and

(iv) Either:

(A) No shares of voting stock of the resulting Federal stock association and no securities convertible into such stock are to be issued or delivered under the plan of combination, or

(B) The authorized unissued shares or the treasury shares of voting stock of the resulting Federal stock association to be issued or delivered under the plan of combination, plus those initially issuable upon conversion of any securities to be issued or delivered under such plan, do not exceed 15% of the total shares of voting stock of such association outstanding immediately prior to the effective date of the combination.

(3) *Exceptions for certain combinations involving an interim association.* Stockholders of a Federal stock association

need not authorize by a two-thirds affirmative vote combinations involving an interim Federal savings association or interim state savings association when the resulting Federal stock association is acquired pursuant to § 574.7(a)(2) of this chapter. In those cases, an affirmative vote of 50 percent of the shares of the outstanding voting stock of the Federal stock association plus one affirmative vote shall be required. If any class of shares is entitled to vote as a class pursuant to § 552.4 of this part, an affirmative vote of 50 percent of the shares of each voting class plus one affirmative vote shall be required. The required votes shall be taken at a meeting of the association.

(i) *Disclosure.* The OTS may require, in connection with a combination under this section, such disclosure of information as the OTS deems necessary or desirable for the protection of investors in any of the constituent associations.

(j) *Articles of combination.* (1) Following stockholder approval of any combination in which a Federal savings association is the resulting institution, articles of combination shall be executed in duplicate by each constituent institution, by its chief executive officer or executive vice president and by its secretary or an assistant secretary, and verified by one of the officers of each institution signing such articles, and shall set forth:

- (i) The plan of combination;
- (ii) The number of shares outstanding in each depository institution; and
- (iii) The number of shares in each depository institution voted for and against such plan.

(2) Both sets of articles of combination shall be filed with the Office. If the Office determines that such articles conform to the requirements of this section, the Office shall endorse the articles and return one set to the resulting institution.

(k) *Effective date.* No combination under this section shall be effective until receipt of any approvals required by the Office. The effective date of a combination in which the resulting institution is a Federal stock association shall be the date of consummation of the transaction or such other later date specified on the endorsement of

the articles of combination by the Office. If a disappearing institution combining under this section is a Federal stock association, its charter shall be deemed to be cancelled as of the effective date of the combination and such charter must be surrendered to the Office as soon as practicable after the effective date.

(l) *Mergers and consolidations: transfer of assets and liabilities to the resulting institution.* Upon the effective date of a merger or consolidation under this section, if the resulting institution is a Federal savings association, all assets and property (real, personal and mixed, tangible and intangible, choses in action, rights, and credits) then owned by each constituent institution or which would inure to any of them, shall, immediately by operation of law and without any conveyance, transfer, or further action, become the property of the resulting Federal savings association. The resulting Federal savings association shall be deemed to be a continuation of the entity of each constituent institution, the rights and obligations of which shall succeed to such rights and obligations and the duties and liabilities connected therewith, subject to the Home Owners' Loan Act and other applicable statutes.

[54 FR 49523, Nov. 30, 1989, as amended at 57 FR 14343, Apr. 20, 1992; 59 FR 44623, Aug. 30, 1994]

§ 552.14 Dissenter and appraisal rights.

(a) *Right to demand payment of fair or appraised value.* Except as provided in paragraph (b) of this section, any stockholder of a Federal stock association combining in accordance with § 552.13 of this part shall have the right to demand payment of the fair or appraised value of his stock: *Provided,* That such stockholder has not voted in favor of the combination and complies with the provisions of paragraph (c) of this section.

(b) *Exceptions.* No stockholder required to accept only qualified consideration for his or her stock shall have the right under this section to demand payment of the stock's fair or appraised value, if such stock was listed on a national securities exchange or quoted on the National Association of

Securities Dealers' Automated Quotation System ("NASDAQ") on the date of the meeting at which the combination was acted upon or stockholder action is not required for a combination made pursuant to § 552.13(h)(2) of this part. "Qualified consideration" means cash, shares of stock of any association or corporation which at the effective date of the combination will be listed on a national securities exchange or quoted on NASDAQ, or any combination of such shares of stock and cash.

(c) *Procedure*—(1) *Notice*. Each constituent Federal stock association shall notify all stockholders entitled to rights under this section, not less than twenty days prior to the meeting at which the combination agreement is to be submitted for stockholder approval, of the right to demand payment of appraised value of shares, and shall include in such notice a copy of this section. Such written notice shall be mailed to stockholders of record and may be part of management's proxy solicitation for such meeting.

(2) *Demand for appraisal and payment*. Each stockholder electing to make a demand under this section shall deliver to the Federal stock association, before voting on the combination, a writing identifying himself or herself and stating his or her intention thereby to demand appraisal of and payment for his or her shares. Such demand must be in addition to and separate from any proxy or vote against the combination by the stockholder.

(3) *Notification of effective date and written offer*. Within ten days after the effective date of the combination, the resulting association shall:

(i) Give written notice by mail to stockholders of constituent Federal stock associations who have complied with the provisions of paragraph (c)(2) of this section and have not voted in favor of the combination, of the effective date of the combination;

(ii) Make a written offer to each stockholder to pay for dissenting shares at a specified price deemed by the resulting association to be the fair value thereof; and

(iii) Inform them that, within sixty days of such date, the respective requirements of paragraphs (c)(5) and

(c)(6) of this section (set out in the notice) must be satisfied.

The notice and offer shall be accompanied by a balance sheet and statement of income of the association the shares of which the dissenting stockholder holds, for a fiscal year ending not more than sixteen months before the date of notice and offer, together with the latest available interim financial statements.

(4) *Acceptance of offer*. If within sixty days of the effective date of the combination the fair value is agreed upon between the resulting association and any stockholder who has complied with the provisions of paragraph (c)(2) of this section, payment therefor shall be made within ninety days of the effective date of the combination.

(5) *Petition to be filed if offer not accepted*. If within sixty days of the effective date of the combination the resulting association and any stockholder who has complied with the provisions of paragraph (c)(2) of this section do not agree as to the fair value, then any such stockholder may file a petition with the Office, with a copy by registered or certified mail to the resulting association, demanding a determination of the fair market value of the stock of all such stockholders. A stockholder entitled to file a petition under this section who fails to file such petition within sixty days of the effective date of the combination shall be deemed to have accepted the terms offered under the combination.

(6) *Stock certificates to be noted*. Within sixty days of the effective date of the combination, each stockholder demanding appraisal and payment under this section shall submit to the transfer agent his certificates of stock for notation thereon that an appraisal and payment have been demanded with respect to such stock and that appraisal proceedings are pending. Any stockholder who fails to submit his or her stock certificates for such notation shall no longer be entitled to appraisal rights under this section and shall be deemed to have accepted the terms offered under the combination.

(7) *Withdrawal of demand*. Notwithstanding the foregoing, at any time within sixty days after the effective

§ 552.15

date of the combination, any stockholder shall have the right to withdraw his or her demand for appraisal and to accept the terms offered upon the combination.

(8) *Valuation and payment.* The Director shall, as he or she may elect, either appoint one or more independent persons or direct appropriate staff of the Office to appraise the shares to determine their fair market value, as of the effective date of the combination, exclusive of any element of value arising from the accomplishment or expectation of the combination. Appropriate staff of the Office shall review and provide an opinion on appraisals prepared by independent persons as to the suitability of the appraisal methodology and the adequacy of the analysis and supportive data. The Director after consideration of the appraisal report and the advice of the appropriate staff shall, if he or she concurs in the valuation of the shares, direct payment by the resulting association of the appraised fair market value of the shares, upon surrender of the certificates representing such stock. Payment shall be made, together with interest from the effective date of the combination, at a rate deemed equitable by the Director.

(9) *Costs and expenses.* The costs and expenses of any proceeding under this section may be apportioned and assessed by the Director as he or she may deem equitable against all or some of the parties. In making this determination the Director shall consider whether any party has acted arbitrarily, vexatiously, or not in good faith in respect to the rights provided by this section.

(10) *Voting and distribution.* Any stockholder who has demanded appraisal rights as provided in paragraph (c)(2) of this section shall thereafter neither be entitled to vote such stock for any purpose nor be entitled to the payment of dividends or other distributions on the stock (except dividends or other distribution payable to, or a vote to be taken by stockholders of record at a date which is on or prior to, the effective date of the combination): *Provided*, That if any stockholder becomes unentitled to appraisal and payment of appraised value with respect to such stock and accepts or is deemed to have accepted the terms offered upon the

12 CFR Ch. V (1–1–99 Edition)

combination, such stockholder shall thereupon be entitled to vote and receive the distributions described above.

(11) *Status.* Shares of the resulting association into which shares of the stockholders demanding appraisal rights would have been converted or exchanged, had they assented to the combination, shall have the status of authorized and unissued shares of the resulting association.

§ 552.15 Supervisory combinations.

Notwithstanding the foregoing provisions of this part, the Director of the Office may waive or deem inapplicable any provision of § 552.13 or § 552.14 of this part if he or she determines that grounds exist, or may imminently exist, for appointment of a conservator or receiver for an association under subsection 5(d) of the Home Owners' Loan Act.

§ 552.16 Effect of subsequent charter or bylaw change.

Notwithstanding any subsequent change to its charter or bylaws, the authority of a Federal stock association to engage in any transaction shall be determined only by the association's charter or bylaws then in effect.

§ 555.100 What does this part do?

Subpart A of this part describes how a Federal savings association may provide products and services through electronic means and facilities. Subpart B of this part contains requirements applicable to all savings associations.

Subpart A—Authority of Federal Savings Associations to Conduct Electronic Operations**§ 555.200 How may I use or participate with others to use electronic means and facilities?**

(a) *General.* A Federal savings association ("you") may use, or participate with others to use, electronic means or facilities to perform any function, or provide any product or service, as part of an authorized activity. Electronic means or facilities include, but are not limited to, automated teller machines, automated loan machines, personal computers, the Internet, the World Wide Web, telephones, and other similar electronic devices.

(b) *Other.* To optimize the use of your resources, you may market and sell, or participate with others to market and sell, electronic capacities and by-products to third-parties, if you acquired or developed these capacities and by-products in good faith as part of providing financial services.

§ 555.210 What precautions must I take?

If you use electronic means and facilities under this subpart, your management must:

(a) Identify, assess, and mitigate potential risks and establish prudent internal controls; and

(b) Implement security measures designed to ensure secure operations. Such measures must be adequate to:

(1) Prevent unauthorized access to your records and your customers' records;

(2) Prevent financial fraud through the use of electronic means or facilities; and

(3) Comply with applicable security devices requirements of part 568 of this chapter.

Subpart B—Requirements Applicable to All Savings Associations**§ 555.300 Must I inform OTS before I use electronic means or facilities?**

(a) *General.* A savings association ("you") are not required to inform OTS before you use electronic means or facilities, except as provided in paragraphs (b) and (c) of this section. However, OTS encourages you to consult with your Regional Office before you engage in any activities using electronic means or facilities.

(b) *Activities requiring advance notice.* You must file a written notice as described in § 555.310 before you establish a transactional web site. A transactional web site is an Internet site that enables users to conduct financial transactions such as accessing an account, obtaining an account balance, transferring funds, processing bill payments, opening an account, applying for or obtaining a loan, or purchasing other authorized products or services.

(c) *Other procedures.* If the OTS Regional Office informs you of any supervisory or compliance concerns that may affect your use of electronic means or facilities, you must follow any procedures it imposes in writing.

§ 555.310 How do I notify OTS?

(a) *Notice requirement.* You must file a written notice with the appropriate Regional Office at least 30 days before you establish a transactional web site. The notice must do three things:

(1) Describe the transactional web site.

(2) Indicate the date the transactional web site will become operational.

(3) List a contact familiar with the deployment, operation, and security of the transactional web site.

(b) *Transition provision.* If you established a transactional web site after the date of your last regular onsite OTS safety and soundness examination but before January 1, 1999, you must file a notice describing your activity by February 1, 1999.

556.5 Branching by Federal savings associations.

556.13 Receipt of interest expressed as a percentage of other income.

AUTHORITY: 5 U.S.C. 552, 559; 12 U.S.C. 1464, 1701j-3; 15 U.S.C. 1693-1693r.

SOURCE: 54 FR 49538, Nov. 30, 1989, unless otherwise noted.

§ 556.5 Branching by Federal savings associations.

(a) *General.* A Federal association may branch in any state or states of the United States and its territories, except as provided in paragraph (b) of this section, subject to the requirements of paragraph (c) of this section.

(b) *Limitations.* No branching will be permitted under paragraph (a) of this section that will result in the following:

(1) Establishment or operation of a branch outside the state in which the association has its home office in violation of section 5(r) of the Home Owners' Loan Act;

(2) Formation by any company of a multiple savings and loan holding company controlling savings associations in more than one state in violation of section 10(e)(3) of the Home Owners' Loan Act; or

(3) Acquisition of a savings association and the establishment and operation of new branches by such savings association in violation of section 13(k)(4) of the Federal Deposit Insurance Act.

(c) *Branching applications.* (1) *General.* Prior to opening a branch, an association must obtain approval of a branching application pursuant to § 545.92 of this chapter. The Office may approve or deny an application based on information available from any source and supervisory objection may be interposed at any point during the processing of the application. In granting supervisory clearance to an applicant, the Office will consider whether the policies, condition, and operation of the applicant are satisfactory and afford no basis for supervisory objection.

(2) *Regulatory capital.* For supervisory clearance, an association's regulatory capital should meet or exceed the mini-

um requirements established by law and applicable regulations of the Office upon acquisition or establishment of the proposed branch or branches, except as otherwise permitted under section 38(e)(4) of the Federal Deposit Insurance Act.

(3) *Community reinvestment.* Pursuant to the Community Reinvestment Act of 1977 (12 U.S.C. 2901), the Office encourages savings associations to help meet in an affirmative and continuing manner the credit needs of all communities in which they do business, including low- and moderate-income neighborhoods, consistent with safe and sound operation. The Office will evaluate an applicant's record under part 563e of this chapter, may deny an application based on the assessment of the association's CRA record, and may approve a branch application on the condition that the association improve specific aspects of its community investment-related practices and performance to the satisfaction of the Office. However, in most cases, commitments by an applicant to improve its record of compliance with the CRA shall not be regarded as sufficient to overcome a seriously deficient CRA record at the time of application.

(4) *Comment procedures.* Comments on applications for branches must be submitted in writing and factually documented. Comment procedures are set forth in subpart C of part 516 of this chapter, § 563e.29 (c) and (d) of this chapter, the OTS Application Processing Handbook, and other supervisory guidance issued by the OTS.

(5) *Expiration of approvals.* If an association does not open a branch within the time specified in the approval, and the Director or his or her designee finds that the association is not making a good-faith effort to open the branch promptly, the approval will be deemed to have expired and the association will be required to reapply if it wants to branch in that location.

(d) *Federal preemption.* This exercise of the OTS's authority is preemptive of any state law purporting to address the subject of branching by a Federal savings association.

[57 FR 12207, Apr. 9, 1992, as amended at 60 FR 66718, Dec. 26, 1995; 62 FR 64146, Dec. 4, 1997]

§ 556.13 Receipt of interest expressed as a percentage of other income.

(a) With limited exceptions, Federal savings associations lack the statutory authority to acquire an equity interest either in real estate or in a corporation. Accordingly, Federal savings associations cannot, as part of a loan transaction, acquire an ownership interest in the security property or in a corporate borrower. The issue has arisen as to whether the receipt of a share of the income generated by the security property or of a corporate borrower, or any similar participation with the borrower in the loan project, necessarily constitutes an unauthorized acquisition of an equity interest.

(b) The Office has determined that the receipt of such income or the right to receive income should not be considered an equity interest if it in substance constitutes no more than a part of the compensation received for the use of the Federal savings association's funds. Accordingly, if the borrower has an unconditional obligation to repay the loan principal, and if a Federal savings association receives a substantial payment of interest calculated periodically as a percentage of the outstanding principal loan balance, it may receive additional interest calculated on the basis of the income from or the appreciation of the security property, the income of a corporate borrower, or some other measure of a venture's success. The means by which a Federal savings association calculates its share of the income is not a material consideration in determining whether the share constitutes an equity interest in the property.

557.10 What authorities govern the issuance of deposit accounts by a federal savings association?

AUTHORITY: 12 U.S.C. 1462a, 1463, 1464.

SOURCE: 62 FR 54764, Oct. 22, 1997, unless otherwise noted.

Subpart A—General**§ 557.1 What does this part do?**

This part applies to the deposit activities of savings associations. If you are a federal savings association, subpart B of this part applies to your deposit activities. Subpart C of this part applies to the deposit activities of all federal and state-chartered savings associations.

Subpart B—Deposit Activities of Federal Savings Associations**§ 557.10 What authorities govern the issuance of deposit accounts by a federal savings association?**

A federal savings association ("you") may raise funds through accounts and may issue evidence of accounts under section 5(b)(1) of the HOLA (12 U.S.C. 1464(b)(1)), your charter, and this part. Additionally, 12 CFR parts 204 and 230 apply to your deposit activities.

§ 557.11 To what extent does Federal law preempt deposit-related State laws?

(a) Under sections 4(a) and 5(a) of the HOLA, 12 U.S.C. 1463(a), 1464(b), OTS is authorized to promulgate regulations that preempt State laws affecting the operations of Federal savings associations when appropriate to:

(1) Facilitate the safe and sound operations of federal savings associations;

(2) Enable federal savings associations to operate according to the best thrift institutions practices in the United States; or

(3) Further other purposes of HOLA.

(b) To further these purposes without undue regulatory duplication and burden, OTS hereby occupies the entire field of federal savings associations' deposit-related regulations. OTS intends to give federal savings associations maximum flexibility to exercise deposit-related powers according to a uniform federal scheme of regulation. Federal savings associations may exercise deposit-related powers as authorized under federal law, including this part, without regard to state laws purporting to regulate or otherwise effect deposit activities, except to the extent provided in § 557.13. State law includes any statute, regulation, ruling, order, or judicial decision.

[62 FR 54764, Oct. 22, 1997, as amended at 63 FR 71212, Dec. 24, 1998]

§ 557.12 What are some examples of preempted state laws affecting deposits?

The OTS preempts state laws that purport to impose requirements governing the following:

- (a) Abandoned and dormant accounts;
- (b) Checking accounts;
- (c) Disclosure requirements;
- (d) Funds availability;
- (e) Savings account orders of withdrawal;
- (f) Service charges and fees;
- (g) State licensing or registration requirements; and
- (h) Special purpose savings services.

§ 557.13 What state laws affecting deposits are not preempted?

(a) The OTS has not preempted the following types of state law, to the extent that the law only incidentally affects your deposit-related activities or is otherwise consistent with the purposes of § 557.11:

- (1) Contract and commercial law;
- (2) Tort law; and
- (3) Criminal law.

(b) The OTS will not preempt any other state law if the OTS, upon review, finds that the law:

- (1) Furthers a vital state interest; and
- (2) Either only incidentally affects your deposit-related activities or is not otherwise contrary to the purposes expressed in § 557.11.

§ 557.14 What interest rate may I pay on savings accounts?

(a) You may pay interest at any rate or anticipated rate of return on savings accounts, either in deposit or in share form, as provided in your charter and the account's terms.

(b) You may pay fixed or variable rates. If you pay a variable rate, you must base it on a schedule, index, or formula that you specify in the account's terms.

§ 557.15 Who owns a deposit account?

You may treat the holder of record as the account owner, even if you receive contrary notice, until you transfer the account on your records.

Subpart C—Deposit Activities of All Savings Associations

§ 557.20 What records should I maintain on deposit activities?

All federal and state chartered savings associations ("you") should establish and maintain deposit documentation practices and records that demonstrate that you appropriately administer and monitor deposit-related activities. Your records should adequately evidence ownership, balances, and all transactions involving each account. You may maintain records on deposit activities in any format that is consistent with standard business practices.

AUTHORITY: 12 U.S.C. 1462, 1462a, 1463, 1464, 1828.

SOURCE: 61 FR 66571, Dec. 18, 1996, unless otherwise noted.

§ 559.1 What does this part cover?

(a) OTS is issuing this part 559 pursuant to its general rulemaking and supervisory authority under the Home Owners' Loan Act, 12 U.S.C. 1462 *et seq.*, and its specific authority under section 18(m) of the Federal Deposit Insurance Act, 12 U.S.C. 1828(m). Subpart A of

this part 559 applies to subordinate organizations of federal savings associations. Subpart B of this part applies to subordinate organizations of all savings associations. OTS may, at any time, limit a savings association's investment in any of these entities, or may limit or refuse to permit any activities of any of these entities for supervisory, legal, or safety and soundness reasons.

(b) Notices under this part are applications for purposes of statutory and regulatory references to "applications." Any conditions that OTS imposes in approving any application are enforceable as a condition imposed in writing by the OTS in connection with the granting of a request by a savings association within the meaning of 12 U.S.C. 1818(b) or 1818(i).

§ 559.2 Definitions.

For purposes of this part:

Control has the same meaning as in part 574 of this chapter.

GAAP-consolidated subsidiary means an entity in which a savings association has a direct or indirect ownership interest and whose assets are consolidated with those of the savings association for purposes of reporting under Generally Accepted Accounting Principles (GAAP). Generally, these are entities in which a savings association has a majority ownership interest.

Lower-tier entity includes any company in which an operating subsidiary or a service corporation has a direct or indirect ownership interest.

Operating subsidiary means any entity that satisfies all of the requirements for an operating subsidiary set forth in § 559.3 of this part and that is designated by the parent savings association as an operating subsidiary pursuant to § 559.3 of this part. More than 50% of the voting shares of an operating subsidiary must be owned, directly or indirectly, by a federal savings association and no other person or entity may exercise effective operating control. An operating subsidiary may only engage in activities permissible for a federal savings association.

Ownership interest means any equity interest in a business organization, including stock, limited or general part-

nership interests, or shares in a limited liability company.

Service corporation means any entity that satisfies all of the requirements for service corporations in 12 U.S.C. 1464(c)(4)(B) and § 559.3 of this part and that is designated by the investing savings association as a service corporation pursuant to § 559.3 of this part. A service corporation must be organized under the laws of the state where the federal savings association's home office is located, may only be owned by savings associations with home offices in that state, and may engage in the activities identified in §§ 559.3(e)(2) and 559.4 of this part.

Subordinate organization means any corporation, partnership, business trust, association, joint venture, pool, syndicate, or other similar business organization in which a savings association has a direct or indirect ownership interest, unless that ownership interest qualifies as a pass-through investment pursuant to § 560.32 of this chapter and is so designated by the investing savings association.

Subsidiary means any subordinate organization directly or indirectly controlled by a savings association.

Subpart A—Regulations Applicable to Federal Savings Associations

§ 559.3 What are the characteristics of, and what requirements apply to, subordinate organizations of federal savings associations?

A federal savings association ("you") that meets the requirements of this section, as detailed in the following chart, may establish, or obtain an interest in an operating subsidiary or a service corporation. For ease of reference, this section cross-references other regulations in this chapter affecting operating subsidiaries and service corporations. You should refer to those regulations for the details of how they apply. The chart also discusses the regulations that may apply to lower-tier entities in which you have an indirect ownership interest through your operating subsidiary or service corporation. The chart follows:

	Operating subsidiary	Service corporation
(a) How may a federal savings association ("you") establish an operating subsidiary or a service corporation?	(1) You must file a notice satisfying § 559.11. Any finance subsidiary that existed on January 1, 1997 is deemed an operating subsidiary without further action on your part.	(2) You must file a notice satisfying § 559.11. Depending upon your condition and the activities in which the service corporation will engage, § 559.3(e)(2) may require you to file an application.
(b) Who may be an owner?	(1) Anyone may have an ownership interest in an operating subsidiary.	(2) Only savings associations with home offices in the state where you have your home office may have an ownership interest in any service corporation in which you invest.
(c) What ownership requirements apply?	(1) You must own, directly or indirectly, more than 50% of the voting shares of the operating subsidiary. No one else may exercise effective operating control.	(2) You are not required to have any particular percentage ownership interest and need not have control of the service corporation.
(d) What geographic restrictions apply?	(1) An operating subsidiary may be organized in any geographic location.	(2) A service corporation must be organized in the state where your home office is located.

	Operating subsidiary	Service corporation
(e) What activities are permissible?	(1) After you have notified OTS in accordance with § 559.11, an operating subsidiary may engage in any activity that you may conduct directly. You may hold another insured depository institution as an operating subsidiary.	(2)(i) If you are eligible for expedited treatment under § 516.3(a) of this chapter, and notify OTS as required by § 559.11, your service corporation may engage in the preapproved activities listed in § 559.4. You may request OTS approval for your service corporation to engage in any other activity reasonably related to the activities of financial institutions by filing an application in accordance with § 516.1 of this chapter. (ii) If you are subject to standard treatment under § 516.3(b) of this chapter, and notify OTS as required by § 559.11, your service corporation may engage in any activity that you may conduct directly except taking deposits. You may request OTS approval for your service corporation to engage in any other activity reasonably related to the activities of financial institutions, including the activities set forth in § 559.4(b)–(i), by filing an application in accordance with § 516.1 of this chapter.

	Operating subsidiary	Service corporation
(f) May the operating subsidiary or service corporation invest in lower-tier entities?	<p>(1)(i) An operating subsidiary may itself hold an operating subsidiary. Part 559 applies equally to a lower-tier operating subsidiary. In applying the regulations in this part, the investing operating subsidiary should substitute "investing operating subsidiary" wherever the part uses "you" or "savings association."</p> <p>(ii) An operating subsidiary may also invest in other types of lower-tier entities. These entities must comply with all of the requirements of this part 559 that apply to service corporations except for paragraphs (b)(2) and (d)(2) of this section.</p>	(2) A service corporation may invest in all types of lower-tier entities as long as the lower-tier entity is engaged solely in activities that are permissible for a service corporation. All of the requirements of this part apply to such entities except for paragraphs (b)(2) and (d)(2) of this section.
(g) How much may a federal savings association invest?	(1) There are no limits on the amount you may invest in your operating subsidiaries, either separately or in the aggregate.	(2) Section 559.5 limits your aggregate investments in service corporations and indicates when your investments (both debt and equity) in lower-tier entities must be aggregated with your investments in service corporations.

	Operating subsidiary	Service corporation
(h) Do federal statutes and regulations that apply to the savings association apply?	(1) Unless otherwise specifically provided by statute, regulation, or OTS policy, all federal statutes and regulations apply to operating subsidiaries in the same manner as they apply to you. You and your operating subsidiary are generally consolidated and treated as a unit for statutory and regulatory purposes.	(2) (i) If the federal statute or regulation specifically refers to “service corporation,” it applies to all service corporations, even if you do not control the service corporation or it is not a GAAP-consolidated subsidiary. (ii) If the federal statute or regulation refers to “subsidiary,” it applies only to service corporations that you directly or indirectly control.
(i) Do the investment limits that apply to federal savings associations (HOLA section 5(c) and part 560 of this chapter) apply?	(1) Your assets and those of your operating subsidiary are aggregated when calculating investment limitations.	(2) Your service corporation’s assets are not subject to the same investment limitations that apply to you. The investment activities of your service corporation are governed by paragraph (e)(2) of this section and § 559.4.

	Operating subsidiary	Service corporation
(j) How does the capital regulation (part 567 of this chapter) apply?	(1) Your assets and those of your operating subsidiary are consolidated for all capital purposes.	(2) The capital treatment of a service corporation depends upon whether it is an includable subsidiary. That determination is based upon factors set forth in part 567 of this chapter, including your percentage ownership of the service corporation and the activities in which the service corporation engages. Both debt and equity investments in service corporations that are GAAP-consolidated subsidiaries are considered investments in subsidiaries for purposes of the capital regulation, regardless of the authority under which they are made.
(k) How does the loans-to-one-borrower (LTOB) regulation (§ 560.93 of this chapter) apply?	(1) The LTOB regulation does not apply to loans from you to your operating subsidiary or loans from your operating subsidiary to you. Other loans made by your operating subsidiary are aggregated with your loans for LTOB purposes.	(2) The LTOB regulation does not apply to loans from you to your service corporation or from your service corporation to you. However, § 559.5 imposes restrictions on the amount of loans you may make to certain service corporations. Loans made by a service corporation that you control to entities other than you or your subordinate organizations are aggregated with your loans for LTOB purposes.

	Operating subsidiary	Service corporation
(l) How do the transactions with affiliates (TWA) regulations (§§ 563.41 and 563.42 of this chapter) apply?	(1) Section 563.41 of this chapter explains how TWA applies. Generally, an operating subsidiary of a savings association is not deemed to be an affiliate unless it is a depository institution or the parent holding company or another affiliate has control of the subsidiary outside of the ownership chain that runs through the thrift. Transactions that an operating subsidiary engages in with an affiliate of the thrift are aggregated with those of the thrift.	(2) Section 563.41 of this chapter explains how TWA applies. Generally, a service corporation that is controlled by a savings association is not deemed to be an affiliate of that savings association unless it is a depository institution or the parent holding company or another affiliate has control of the service corporation outside of the ownership chain that runs through the thrift. Transactions that a service corporation that is directly or indirectly controlled by the savings association engages in with an affiliate of the savings association are aggregated with those of the savings association.
(m) How does the Qualified Thrift Lender (QTL) (12 U.S.C. 1467a(m)) test apply?	(1) Under 12 U.S.C. 1467a(m)(5), you may determine whether to consolidate the assets of a particular operating subsidiary for purposes of calculating your qualified thrift investments. If the operating subsidiary's assets are not consolidated with yours for that purpose, your investment in the operating subsidiary will be considered in calculating your qualified thrift investments.	(2) Under 12 U.S.C. 1467a(m)(5), you may determine whether to consolidate the assets of a particular service corporation for purposes of calculating your qualified thrift investments. If a service corporation's assets are not consolidated with yours for that purpose, your investment in the service corporation will be considered in calculating your qualified thrift investments.

	Operating subsidiary	Service corporation
(n) Does state law apply?	(1) State law applies to operating subsidiaries only to the extent it applies to you.	(2) State law applies to service corporations regardless of whether it applies to you, except where there is a conflict with federal law.
(o) May OTS conduct examinations?	(1) An operating subsidiary is subject to examination by OTS.	(2) A service corporation is subject to examination by OTS.
(p) What must be done to redesignate an operating subsidiary as a service corporation or a service corporation as an operating subsidiary?	(1) Before redesignating an operating subsidiary as a service corporation, you should consult with the OTS Regional Director for the Region in which your home office is located. You must maintain adequate internal records, available for examination by OTS, demonstrating that the redesignated service corporation meets all of the applicable requirements of this part and that your board of directors has approved the redesignation.	(2) Before redesignating a service corporation as an operating subsidiary, you should consult with the OTS Regional Director for the Region in which your home office is located. You must maintain adequate internal records, available for examination by OTS, demonstrating that the redesignated operating subsidiary meets all of the applicable requirements of this part and that your board of directors has approved the redesignation.

	Operating subsidiary	Service corporation
(q) What are the consequences of failing to comply with the requirements of this part?	(1) If an operating subsidiary, or any lower-tier entity in which the operating subsidiary invests pursuant to paragraph (f)(1) of this section fails to meet any of the requirements of this section, you must notify OTS. Unless otherwise advised by OTS, if the company cannot comply within 90 days with all of the requirements for either an operating subsidiary or a service corporation under this section, or any other investment authorized by 12 U.S.C. 1464(c) or part 560 of this chapter, you must promptly dispose of your investment.	(2) If a service corporation, or any lower-tier entity in which the service corporation invests pursuant to paragraph (f)(2) of this section, fails to meet any of the requirements of this section, you must notify OTS. Unless otherwise advised by OTS, if the company cannot comply within 90 days with all of the requirements for either an operating subsidiary or a service corporation under this section, or any other investment authorized by 12 U.S.C. 1464(c) or part 560 of this chapter, you must promptly dispose of your investment.

§ 559.5 How much may a savings association invest in service corporations or lower-tier entities?

The amount that a federal savings association ("you") may invest in a service corporation or any lower-tier entity depends upon several factors. These include your total assets, your capital, the purpose of the investment, and your ownership interest in the service corporation or entity.

(a) Under section 5(c)(4)(B) of the HOLA, you may invest up to 3% of your assets in the capital stock, obligations, and other securities of service corporations. Any investment you make under this paragraph that would cause your investment, in the aggregate, to exceed 2% of your assets must serve primarily community, inner city, or community development purposes. You must designate the investments serving those purposes, which include:

(1) Investments in governmentally insured, guaranteed, subsidized or otherwise sponsored programs for housing, small farms, or businesses that are local in character;

(2) Investments for the preservation or revitalization of either urban or rural communities;

(3) Investments designed to meet the community development needs of, and primarily benefit, low- and moderate-income communities; or

(4) Other community, inner city, or community development-related investments approved by OTS.

(b) In addition to the amounts you may invest under paragraph (a) of this section, and to the extent that you have authority under other provisions of section 5(c) of the HOLA and part 560 of this chapter, and available capacity within any applicable investment limits, you may make loans to any service corporation and any lower-tier entity, subject to the following conditions:

(1) You and your GAAP-consolidated subsidiaries may, in the aggregate, make loans of up to 15% of your capital as defined in § 567.5(c) of this chapter to each subordinate organization that does not qualify as a GAAP-consolidated subsidiary. All loans made under this paragraph (b)(1) may not, in the aggregate, exceed 50% of your total capital, as defined in § 567.5(c) of this chapter.

(2) The Regional Director may limit the amount of loans to a GAAP-consolidated subsidiary, or may adjust the limits set forth in paragraph (b)(1) of this section where safety and soundness considerations warrant such action.

(c) For purposes of this section, the terms "loans" and "obligations" include all loans and other debt instruments (except accounts payable incurred in the ordinary course of business and paid within 60 days) and all guarantees or take-out commitments of such loans or debt instruments.

Subpart B—Regulations Applicable to All Savings Associations

§ 559.10 How must separate corporate identities be maintained?

(a) Each savings association and subordinate organization thereof must be operated in a manner that demonstrates to the public that each maintains a separate corporate existence. Each must operate so that:

(1) Their respective business transactions, accounts, and records are not intermingled;

(2) Each observes the formalities of their separate corporate procedures;

(3) Each is adequately financed as a separate unit in light of normal obligations reasonably foreseeable in a business of its size and character;

(4) Each is held out to the public as a separate enterprise; and

(5) Unless the parent savings association has guaranteed a loan to the subordinate organization, all borrowings by the subordinate organization indicate that the parent is not liable.

(b) OTS regulations that apply both to savings associations and subordinate organizations shall not be construed as requiring a savings association and its subordinate organizations to operate as a single entity.

§ 559.11 What notices are required to establish or acquire a new subsidiary or engage in new activities through an existing subsidiary?

When required by section 18(m) of the Federal Deposit Insurance Act, a savings association ("you") must file a notice ("Notice") in accordance with § 516.1(c) of this chapter at least 30 days

before establishing or acquiring a subsidiary or engaging in new activities in a subsidiary. The Notice must contain all of the information the Federal Deposit Insurance Corporation (FDIC) requires pursuant to 12 CFR 303.13. Providing OTS with a copy of the notice you file with the FDIC will satisfy this requirement. If OTS notifies you within 30 days that the Notice presents supervisory concerns, or raises significant issues of law or policy, you must apply for and receive OTS's prior written approval in accordance with § 516.1(c) of this chapter before establishing or acquiring the subsidiary or engaging in new activities in the subsidiary.

§ 559.12 How may a subsidiary of a savings association issue securities?

(a) A subsidiary may issue, either directly or through a third party intermediary, any securities that its parent savings association ("you") may issue. The subsidiary must not state or imply that the securities it issues are covered by federal deposit insurance. A subsidiary may not issue any security the payment, maturity, or redemption of which may be accelerated upon the condition that you are insolvent or have been placed into receivership.

(b) You must file a notice with OTS in accordance with § 559.11 of this part at least 30 days before your first issuance of any securities through an existing subsidiary or in conjunction with establishing or acquiring a new subsidiary. If OTS notifies you within 30 days that the notice presents supervisory concerns or raises significant issues of law or policy, you must receive OTS's prior written approval before issuing securities through your subsidiary.

(c) For as long as any securities are outstanding, you must maintain all records generated through each securities issuance in the ordinary course of business, including a copy of any prospectus, offering circular, or similar document concerning such issuance, and make such records available for examination by OTS. Such records must include, but are not limited to:

(1) The amount of your assets or liabilities (including any guarantees you make with respect to the securities

issuance) that have been transferred or made available to the subsidiary; the percentage that such amount represents of the current book value of your assets on an unconsolidated basis; and the current book value of all such assets of the subsidiary;

(2) The terms of any guarantee(s) issued by you or any third party;

(3) A description of the securities the subsidiary issued;

(4) The net proceeds from the issuance of securities (or the pro rata portion of the net proceeds from securities issued through a jointly owned subsidiary); the gross proceeds of the securities issuance; and the market value of assets collateralizing the securities issuance (any assets of the subsidiary, including any guarantees of its securities issuance you have made);

(5) The interest or dividend rates and yields, or the range thereof, and the frequency of payments on the subsidiary's securities;

(6) The minimum denomination of the subsidiary's securities; and

(7) Where the subsidiary marketed or intends to market the securities.

(d) Sales of the subsidiary's securities to retail customers must comply with § 545.74 of this chapter.

§ 559.13 How may a savings association exercise its salvage power in connection with a service corporation or lower-tier entities?

(a) In accordance with this section, a savings association ("you") may exercise your salvage power to make a contribution or a loan (including a guarantee of a loan made by any other person) to your service corporation or lower-tier entity ("salvage investment") that exceeds the maximum amount otherwise permitted under law or regulation. You must notify OTS at least 30 days before making such a salvage investment. This notice must demonstrate that:

(1) The salvage investment protects your interest in the service corporation or lower-tier entity;

(2) The salvage investment is consistent with safety and soundness; and

(3) You considered alternatives to the salvage investment and determined that such alternatives would not adequately satisfy paragraphs (a)(1) and (a)(2) of this section.

(b) If OTS notifies you within 30 days that the Notice presents supervisory concerns, or raises significant issues of law or policy, you must apply for and receive OTS's prior written approval in accordance with §516.1(c) of this chapter before making a salvage investment.

(c) If your service corporation or lower-tier entity is a GAAP-consolidated subsidiary, your salvage investment under this section will be considered an investment in a subsidiary for purposes of part 567 of this chapter.

SOURCE: 61 FR 50971, Sept. 30, 1996, unless otherwise noted.

§ 560.1 General.

(a) *Authority and scope.* This part is being issued by OTS under its general rulemaking and supervisory authority under the Home Owners' Loan Act (HOLA), 12 U.S.C. 1462 *et seq.* Subpart A of this part sets forth the lending and investment powers of Federal savings associations. Subpart B of this part contains safety-and-soundness based lending and investment provisions applicable to all savings associations. Subpart C of this part addresses alternative mortgages and applies to all savings associations.

(b) *General lending standards.* Each savings association is expected to conduct its lending and investment activities prudently. Each association should use lending and investment standards that are consistent with safety and soundness, ensure adequate portfolio diversification and are appropriate for the size and condition of the institution, the nature and scope of its operations, and conditions in its lending market. Each association should adequately monitor the condition of its portfolio and the adequacy of any collateral securing its loans.

§ 560.2 Applicability of law.

(a) *Occupation of field.* Pursuant to sections 4(a) and 5(a) of the HOLA, 12 U.S.C. 1463(a), 1464(a), OTS is authorized to promulgate regulations that preempt state laws affecting the operations of federal savings associations when deemed appropriate to facilitate the safe and sound operation of federal savings associations, to enable federal savings associations to conduct their operations in accordance with the best practices of thrift institutions in the United States, or to further other purposes of the HOLA. To enhance safety and soundness and to enable federal

savings associations to conduct their operations in accordance with best practices (by efficiently delivering low-cost credit to the public free from undue regulatory duplication and burden), OTS hereby occupies the entire field of lending regulation for federal savings associations. OTS intends to give federal savings associations maximum flexibility to exercise their lending powers in accordance with a uniform federal scheme of regulation. Accordingly, federal savings associations may extend credit as authorized under federal law, including this part, without regard to state laws purporting to regulate or otherwise affect their credit activities, except to the extent provided in paragraph (c) of this section or §560.110 of this part. For purposes of this section, "state law" includes any state statute, regulation, ruling, order or judicial decision.

(b) *Illustrative examples.* Except as provided in §560.110 of this part, the types of state laws preempted by paragraph (a) of this section include, without limitation, state laws purporting to impose requirements regarding:

- (1) Licensing, registration, filings, or reports by creditors;
- (2) The ability of a creditor to require or obtain private mortgage insurance, insurance for other collateral, or other credit enhancements;
- (3) Loan-to-value ratios;
- (4) The terms of credit, including amortization of loans and the deferral and capitalization of interest and adjustments to the interest rate, balance, payments due, or term to maturity of the loan, including the circumstances under which a loan may be called due and payable upon the passage of time or a specified event external to the loan;
- (5) Loan-related fees, including without limitation, initial charges, late charges, prepayment penalties, servicing fees, and overlimit fees;
- (6) Escrow accounts, impound accounts, and similar accounts;
- (7) Security property, including leaseholds;
- (8) Access to and use of credit reports;
- (9) Disclosure and advertising, including laws requiring specific statements, information, or other content

to be included in credit application forms, credit solicitations, billing statements, credit contracts, or other credit-related documents and laws requiring creditors to supply copies of credit reports to borrowers or applicants;

(10) Processing, origination, servicing, sale or purchase of, or investment or participation in, mortgages;

(11) Disbursements and repayments;

(12) Usury and interest rate ceilings to the extent provided in 12 U.S.C. 1735f-7a and part 590 of this chapter and 12 U.S.C. 1463(g) and §560.110 of this part; and

(13) Due-on-sale clauses to the extent provided in 12 U.S.C. 1701j-3 and part 591 of this chapter.

(c) *State laws that are not preempted.* State laws of the following types are not preempted to the extent that they only incidentally affect the lending operations of Federal savings associations or are otherwise consistent with the purposes of paragraph (a) of this section:

- (1) Contract and commercial law;
- (2) Real property law;
- (3) Homestead laws specified in 12 U.S.C. 1462a(f);
- (4) Tort law;
- (5) Criminal law; and
- (6) Any other law that OTS, upon review, finds:
 - (i) Furthers a vital state interest; and
 - (ii) Either has only an incidental effect on lending operations or is not otherwise contrary to the purposes expressed in paragraph (a) of this section.

§560.3 Definitions.

For purposes of this part and any determination under 12 U.S.C. 1467a(m):

Consumer loans include loans for personal, family, or household purposes and loans reasonably incident thereto, and may be made as either open-end or closed-end consumer credit, but do not include credit extended in connection with credit cards nor *bona fide* overdraft loans.

Credit card is any card, plate, coupon book, or other single credit device that may be used from time to time to obtain credit.

Credit card account is a credit account established in conjunction with the

issuance of, or the extension of credit through, a credit card. This term includes loans made to consolidate credit card debt, including credit card debt held by other lenders, and participation certificates, securities and similar instruments secured by credit card receivables.

Home loans include any loans made on the security of homes (including a unit of a condominium or cooperative), combinations of homes and business property, farm residences, and combinations of farm residences and commercial farm real estate.

Loan commitment includes a loan in process, a letter of credit, or any other commitment to extend credit.

Real estate loan includes any loan for which a Federal savings association relies substantially upon the real estate as the primary security for the loan. A loan is made on the security of real estate if:

- (1) The security property is real estate pursuant to the law of the state in which the property is located;
- (2) The security interest of the Federal savings association may be enforced as a real estate mortgage or its equivalent pursuant to the law of the state in which the property is located;
- (3) The security property is capable of separate appraisal; and
- (4) With regard to a security property that is a leasehold or other interest for a period of years, the term of the interest extends, or is subject to extension or renewal at the option of the Federal savings association for a term of at least five years following the maturity of the loan.

Small business includes a small business concern or entity as defined by section 3(a) of the Small Business Act, 15 U.S.C. 632(a), and implemented by the regulations of the Small Business Administration at 13 CFR Part 121.

Small business loans and *loans to small businesses* include any loan to a small business as defined in this section; or a loan (including a group of loans to one borrower) that meets the original amount restrictions and other criteria for “loans to small businesses and small farms” as defined in the instructions for preparation of the Thrift Financial Report.

Notes:

¹ For purposes of determining a Federal savings association's percentage of assets limitation, investment in commercial paper and corporate debt securities must be aggregated with the Federal savings association's investment in consumer loans.

² A Federal savings association may invest in commercial paper and corporate debt securities, which includes corporate debt securities convertible into stock, subject to the provisions of § 560.40. Amounts in excess of 30% of assets, in the aggregate, may be invested only in obligations purchased by the association directly from the original obligor and for which no finder's or referral fees have been paid.

³ The 2% of assets limitation is a sublimit for investments within the overall 5% of assets limitation on community development loans and investments. The qualitative standards for such loans and investments are set forth in HOLA section 5(c)(3)(B), as explained in an opinion of the OTS Chief Counsel dated May 10, 1995 (available upon request at the address set forth in § 516.1(a) of this chapter).

⁴ Amounts in excess of 30% of assets, in aggregate, may be invested only in loans made by the association directly to the original obligor and for which no finder's or referral fees have been paid. A Federal savings association may include loans to dealers in consumer goods to finance inventory and floor planning in the total investment made under this section.

⁵ While there is no statutory limit on certain categories of loans and investments, including credit card loans, home improvement loans, education loans, and deposit account loans, OTS may establish an individual limit on such loans or investments if the association's concentration in such loans or investments presents a safety and soundness concern.

⁶ A Federal savings association may engage in leasing activities subject to the provisions of § 560.41.

⁷ This 1% of assets limitation applies to the aggregate outstanding investments made under the Foreign Assistance Act and in the capital of the Inter-American Savings and Loan Bank. Such investments may be made subject to the provisions of § 560.43.

⁸ A home (or residential) loan includes loans secured by one-to-four family dwellings, multi-family residential property and loans secured by a unit or units of a condominium or housing cooperative.

⁹ A Federal savings association may make home loans subject to the provisions of §§ 560.33, 560.34 and 560.35.

¹⁰ The assets qualifying as liquidity investments are described in § 566.1(g) of this chapter. The maturity limitations (except those for bankers acceptances) of § 566.1(g) of this chapter do not apply for purposes of this section.

¹¹ Loans secured by savings accounts and other time deposits may be made without limitation, provided the Federal savings association obtains a lien on, or a pledge of, such accounts. Such loans may not exceed the withdrawable amount of the account.

¹² A Federal savings association may only invest in these loans if they are secured by obligations of, or by obligations fully guaranteed as to principal and interest by, the United States or any of its agencies or instrumentalities, the borrower is a financial institution insured by the Federal Deposit Insurance Corporation or is a broker or dealer registered with the Securities and Exchange Commission, and the market value of the securities for each loan at least equals the amount of the loan at the time it is made.

¹³ If the wheels and axles of the manufactured home have been removed and it is permanently affixed to a foundation, a loan secured by a combination of a manufactured home and developed residential lot on which it sits may be treated as a home loan.

¹⁴ Without regard to any limitations of this part, a Federal savings association may make or invest in the fully insured or guaranteed portion of nonresidential real estate loans insured or guaranteed by the Economic Development Administration, the Farmers Home Administration, or the Small Business Administration. Unguaranteed portions of guaranteed loans must be aggregated with uninsured loans when determining an association's compliance with the 400% of capital limitation for other real estate loans.

¹⁵ This authority is limited to investments in open-end management investment companies that are registered with the Securities and Exchange Commission under the Investment Company Act of 1940. The portfolio of the investment company must be restricted by the company's investment policy (changeable only if authorized by shareholder vote) solely to investments that a Federal savings association may, without limitation as to percentage of assets, invest in, sell, redeem, hold, or otherwise deal in. Separate and apart from this authority, a Federal savings association may make pass-through investments to the extent authorized by § 560.32.

¹⁶ A Federal savings association may invest in service corporations subject to the provisions of part 559 of this chapter.

¹⁷ A Federal savings association may only invest in small business investment companies formed pursuant to section 301(d) of the Small Business Investment Act of 1958.

¹⁸ This category includes obligations issued by any state, territory, or possession of the United States or political subdivision thereof (including any agency, corporation, or instrumentality of a state or political subdivision), subject to § 560.42.

¹⁹ A Federal savings association may invest in state housing corporations subject to the provisions of § 560.121.

²⁰ Payments on accounts in excess of the account balance (overdrafts) on commercial deposit or transaction accounts shall be considered commercial loans for purposes of determining the association's percentage of assets limitation.

[61 FR 66577, Dec. 18, 1996]

§ 560.31 Election regarding categorization of loans or investments and related calculations.

(a) If a loan or other investment is authorized under more than one section of the HOLA, as amended, or this part, a Federal savings association may designate under which section the loan or investment has been made. Such a loan or investment may be apportioned among appropriate categories, and may be moved, in whole or part, from one category to another. A loan commitment shall be counted as an investment and included in total assets of a Federal savings association for purposes of calculating compliance with HOLA section 5(c)'s investment limitations only to the extent that funds have been advanced and not repaid pursuant to the commitment.

(b) Loans or portions of loans sold to a third party shall be included in the calculation of a percentage-of-assets or percentage-of-capital investment limitation only to the extent they are sold with recourse.

(c) A Federal savings association may make a loan secured by an assignment of loans to the extent that it could, under applicable law and regulations, make or purchase the underlying assigned loans.

§ 560.32 Pass-through investments.

(a) A federal savings association ("you") may make pass-through investments. A pass-through investment occurs when you invest in an entity ("company") that engages only in activities that you may conduct directly and the investment meets the require-

ments of this section. If an investment is authorized under both this section and some other provision of law, you may designate under which authority or authorities the investment is made. When making a pass-through investment, you must comply with all the statutes and regulations that would apply if you were engaging in the activity directly. For example, your proportionate share of the company's assets will be aggregated with the assets you hold directly in calculating investment limits (e.g., no more than 400% of total capital may be invested in nonresidential real property loans).

(b) You may make a pass-through investment without prior notice to OTS if all of the following conditions are met:

(1) You do not invest more than 15% of your total capital in one company;

(2) The book value of your aggregate pass-through investments does not exceed 50% of your total capital after making the investment;

(3) Your investment would not give you direct or indirect control of the company;

(4) Your liability is limited to the amount of your investment; and

(5) The company falls into one of the following categories:

(i) A limited partnership;

(ii) An open-end mutual fund;

(iii) A closed-end investment trust;

(iv) A limited liability company; or

(v) An entity in which you are investing primarily to use the company's services (e.g., data processing).

(c) If you want to make other pass-through investments, you must provide

OTS with 30 days' advance notice. If within that 30-day period OTS notifies you that an investment presents supervisory, legal, or safety and soundness concerns, you must file an application with OTS in accordance with §516.1 of this chapter and may not make the investment without first receiving OTS's prior written approval. Notices under this section are deemed to be applications for purposes of statutory and regulatory references to "applications." Any conditions that OTS imposes on any pass-through investment shall be enforceable as a condition imposed in writing by the OTS in connection with the granting of a request by a savings association within the meaning of 12 U.S.C. 1818(b) or 1818(i).

[61 FR 66578, Dec. 18, 1996]

§ 560.33 Late charges.

A Federal savings association may include in a home loan contract a provision authorizing the imposition of a late charge with respect to the payment of any delinquent periodic payment. With respect to any loan made after July 31, 1976, on the security of a home occupied or to be occupied by the borrower, no late charge, regardless of form, shall be assessed or collected by a Federal savings association, unless any billing, coupon, or notice the Federal savings association may provide regarding installment payments due on the loan discloses the date after which the charge may be assessed. A Federal savings association may not impose a late charge more than one time for late payment of the same installment, and any installment payment made by the borrower shall be applied to the longest outstanding installment due. A Federal savings association shall not assess a late charge as to any payment received by it within fifteen days after the due date of such payment. No form of such late charge permitted by this paragraph shall be considered as interest to the Federal savings association and the Federal savings association shall not deduct late charges from the regular periodic installment payments on the loan, but must collect them as such from the borrower.

§ 560.34 Prepayments.

Any prepayment on a real estate loan must be applied directly to reduce the principal balance on the loan unless the loan contract or the borrower specifies otherwise. Subject to the terms of the loan contract, a Federal savings association may impose a fee for any prepayment of a loan.

§ 560.35 Adjustments to home loans.

(a) For any home loan secured by borrower-occupied property, or property to be occupied by the borrower, adjustments to the interest rate, payment, balance, or term to maturity must comply with the limitations of this section and the disclosure and notice requirements of §560.210 of this part.

(b) Adjustments to the interest rate shall correspond directly to the movement of an index satisfying the requirements of paragraph (d) of this section. A Federal savings association also may increase the interest rate pursuant to a formula or schedule that specifies the amount of the increase, the time at which it may be made, and which is set forth in the loan contract. A Federal savings association may decrease the interest rate at any time.

(c) Adjustments to the payment and the loan balance that do not reflect an interest-rate adjustment may be made if:

(1) The adjustments reflect a change in an index that may be used pursuant to paragraph (d) of this section;

(2) In the case of a payment adjustment, the adjustment reflects a change in the loan balance or is made pursuant to a formula, or to a schedule specifying the percentage or dollar change in the payment as set forth in the loan contract; or

(3) In the case of an open-end line-of-credit loan, the adjustment reflects an advance taken by the borrower under the line-of-credit and is permitted by the loan contract.

(d)(1) Any index used must be readily available and independently verifiable. If set forth in the loan contract, an association may use any combination of indices, a moving average of index values, or more than one index during the term of a loan.

(2) Except as provided in paragraph (d)(3) of this section, any index used must be a national or regional index.

(3) A Federal savings association may use an index not satisfying the requirements of paragraph (d)(2) of this section 30 days after filing a notice in accordance with §516.1(c) of this chapter unless, within that 30-day period, OTS has notified the association that the notice presents supervisory concerns or raises significant issues of law or policy. If OTS does notify the association of such concerns or issues, the Federal savings association may not use such an index unless and until it applies for and receives OTS's prior written approval in accordance with §516.1(c) of this chapter.

§ 560.36 De minimis investments.

A federal savings association may invest in the aggregate up to the greater of one-fourth of 1% of its total capital or \$100,000 in community development investments of the type permitted for a national bank under 12 CFR Part 24.

[61 FR 66579, Dec. 18, 1996]

§ 560.37 Real estate for office and related facilities.

A federal savings association may invest in real estate (improved or unimproved) to be used for office and related facilities of the association, or for such office and related facilities and for rental or sale, if such investment is made and maintained under a prudent program of property acquisition to meet the federal savings association's present needs or its reasonable future needs for office and related facilities. A federal savings association may not make an investment that would cause the outstanding book value of all such investments (including investments under §559.4(e)(2) of this chapter) to exceed its total capital.

[61 FR 66579, Dec. 18, 1996]

§ 560.40 Commercial paper and corporate debt securities.

Pursuant to HOLA section 5(c)(2)(D), a Federal savings association may invest in, sell, or hold commercial paper and corporate debt securities subject to the provisions of this section.

(a) *Limitations.* (1) Commercial paper must be:

(i) As of the date of purchase, rated in either one of the two highest categories by at least two nationally recognized investment ratings services as shown by the most recently published rating made of such investments; or

(ii) If unrated, guaranteed by a company having outstanding paper that is rated as provided in paragraph (a)(1)(i) of this section.

(2) Corporate debt securities must be:

(i) Securities that may be sold with reasonable promptness at a price that corresponds reasonably to their fair value; and

(ii) Rated in one of the four highest categories by a nationally recognized investment ratings service at its most recently published rating before the date of purchase of the security.

(3) A Federal savings association's total investment in the commercial paper and corporate debt securities of any one issuer, or issued by any one person or entity affiliated with such issuer, together with other loans, shall not exceed the general lending limitations contained in §560.93(c) of this part.

(4) Investments in corporate debt securities convertible into stock are subject to the following additional limitations:

(i) The purchase of securities convertible into stock at the option of the issuer is prohibited;

(ii) At the time of purchase, the cost of such securities must be written down to an amount that represents the investment value of the securities considered independently of the conversion feature; and

(iii) Federal savings associations are prohibited from exercising the conversion feature.

(5) A Federal savings association shall maintain information in its files adequate to demonstrate that it has exercised prudent judgment in making investments under this section.

(b) Notwithstanding the limitations contained in this section, the Office may permit investment in corporate debt securities of another savings association in connection with the purchase or sale of a branch office or in

connection with a supervisory merger or acquisition.

§ 560.41 Leasing.

(a) *Permissible activities.* Subject to the limitations of this section, a Federal savings association may engage in leasing activities. These activities include becoming the legal or beneficial owner of tangible personal property or real property for the purpose of leasing such property, obtaining an assignment of a lessor's interest in a lease of such property, and incurring obligations incidental to its position as the legal or beneficial owner and lessor of the leased property.

(b) *Definitions.* For the purposes of this section:

(1) The term *net lease* means a lease under which the Federal savings association will not, directly or indirectly, provide or be obligated to provide for:

(i) The servicing, repair or maintenance of the leased property during the lease term;

(ii) The purchasing of parts and accessories for the leased property, except that improvements and additions to the leased property may be leased to the lessee upon its request in accordance with the full-payout requirements of paragraph (c)(2)(i) of this section;

(iii) The loan of replacement or substitute property while the leased property is being serviced;

(iv) The purchasing of insurance for the lessee, except where the lessee has failed to discharge a contractual obligation to purchase or maintain insurance; or

(v) The renewal of any license, registration, or filing for the property unless such action by the Federal savings association is necessary to protect its interest as an owner or financier of the property.

(2) The term *full-payout lease* means a lease transaction in which any unguaranteed portion of the estimated residual value relied on by the association to yield the return of its full investment in the leased property, plus the estimated cost of financing the property over the term of the lease, does not exceed 25% of the original cost of the property to the lessor. In general, a lease will qualify as a full-payout lease if the scheduled payments

provide at least 75% of the principal and interest payments that a lessor would receive if the finance lease were structured as a market-rate loan.

(3) The term *realization of investment* means that a Federal savings association that enters into a lease financing transaction must reasonably expect to realize the return of its full investment in the leased property, plus the estimated cost of financing the property over the term of the lease from:

(i) Rentals;

(ii) Estimated tax benefits, if any; and

(iii) The estimated residual value of the property at the expiration of the term of the lease.

(c) *Finance leasing—(1) Investment limits.* A Federal savings association may exercise its authority under HOLA sections 5(c)(1)(B) (residential real estate loans), 5(c)(2)(A) (commercial, business, corporate or agricultural loans), 5(c)(2)(B) (nonresidential real estate loans), and 5(c)(2)(D) (consumer loans) by conducting leasing activities that are the functional equivalent of loans made under those HOLA sections. These activities are commonly referred to as financing leases. Such financing leases are subject to the same investment limits that apply to loans made under those sections. For example, a financing lease of tangible personal property made to a natural person for personal, family or household purposes is subject to all limitations applicable to the amount of a Federal savings association's investment in consumer loans. A financing lease made for commercial, corporate, business, or agricultural purposes is subject to all limitations applicable to the amount of a Federal savings association's investment in commercial loans. A financing lease of residential or nonresidential real property is subject to all limitations applicable to the amount of a Federal savings association's investment in these types of real estate loans.

(2) *Functional equivalent of lending.* To qualify as the functional equivalent of a loan:

(i) The lease must be a net, full-payout lease representing a non-cancelable

obligation of the lessee, notwithstanding the possible early termination of the lease;

(ii) The portion of the estimated residual value of the property relied upon by the lessor to satisfy the requirements of a full-payout lease must be reasonable in light of the nature of the leased property and all relevant circumstances so that realization of the lessor's full investment plus the cost of financing the property depends primarily on the creditworthiness of the lessee, and not on the residual market value of the leased property; and

(iii) At the termination of a financing lease, either by expiration or default, property acquired must be liquidated or released on a net basis as soon as practicable. Any property held in anticipation of re-leasing must be reevaluated and recorded at the lower of fair market value or book value.

(d) *General leasing.* Pursuant to section 5(c)(2)(C) of the HOLA, a Federal savings association may invest in tangible personal property, including vehicles, manufactured homes, machinery, equipment, or furniture, for the purpose of leasing that property. In contrast to financing leases, lease investments made under this authority need not be the functional equivalent of loans.

(e) *Leasing salvage powers.* If, in good faith, a Federal savings association believes that there has been an unanticipated change in conditions that threatens its financial position by significantly increasing its exposure to loss, it may:

(1) As the owner and lessor, take reasonable and appropriate action to salvage or protect the value of the property or its interest arising under the lease;

(2) As the assignee of a lessor's interest in a lease, become the owner and lessor of the leased property pursuant to its contractual right, or take any reasonable and appropriate action to salvage or protect the value of the property or its interest arising under the lease; or

(3) Include any provisions in a lease, or make any additional agreements, to protect its financial position or investment in the circumstances set forth in

paragraphs (e)(1) and (e)(2) of this section.

§ 560.42 State and local government obligations.

Pursuant to HOLA section 5(c)(1)(H), a Federal savings association may invest in obligations issued by any state, territory, possession, or political subdivision thereof, subject to the following conditions:

(a) A Federal savings association may not invest more than 10% of its total capital in obligations of any one issuer, exclusive of general obligations of the issuer.

(b) Except as provided in paragraph (c) of this section, the obligations must:

(1) Continue to hold one of the four highest national investment grade ratings; or

(2) Must be issued by a public housing agency and backed by the full faith and credit of the United States.

(c) Notwithstanding the limitations in paragraph (b) of this section, a Federal savings association may invest:

(1) In the aggregate, up to one percent of its assets in the obligations of a state, territory, possession, or political subdivision in which the association's home office or a branch office is located; or

(2) In any obligations approved by the Office.

§ 560.43 Foreign assistance investments.

Pursuant to HOLA section 5(c)(4)(C), a Federal savings association may make foreign assistance investments in an aggregate amount not to exceed one percent of its assets, subject to the following conditions:

(a) For any investment made under the Foreign Assistance Act, the loan agreement shall specify what constitutes an event of default, and provide that upon default in payment of principal or interest under such agreement, the entire amount of outstanding indebtedness thereunder shall become immediately due and payable, at the lender's option. Additionally, the contract of guarantee shall cover 100% of any loss of investment thereunder, except for any portion of the loan arising out of fraud or misrepresentation

for which the party seeking payment is responsible, and provide that the guarantor shall pay for any such loss in U.S. dollars within a specified reasonable time after the date of application for payment.

(b) To make any investments in the share capital and capital reserve of the Inter-American Savings and Loan Bank, a Federal savings association must be adequately capitalized and have adequate allowances for loan and lease losses. The Federal savings association's aggregate investment in such capital or capital reserve, including the amount of any obligations undertaken to provide said Bank with reserve capital in the future (call-able capital), must not, as a result of such investment, exceed the lesser of one-quarter of 1% of its assets or \$100,000.

Subpart B—Lending and Investment Provisions Applicable to all Savings Associations

§ 560.93 Lending limitations.

(a) *Scope.* This section applies to all loans and extensions of credit to third parties made by a savings association and its subsidiaries. This section does not apply to loans made by a savings association or a GAAP-consolidated subsidiary to subordinate organizations or affiliates of the savings association. The terms *subsidiary*, *GAAP-consolidated subsidiary*, and *subordinate organization* have the same meanings as specified in § 559.2 of this chapter. The term *affiliate* has the same meaning as specified in § 563.41 of this chapter.

(b) *Definitions.* In applying these lending limitations, savings associations shall apply the definitions and interpretations promulgated by the Office of the Comptroller of the Currency consistent with 12 U.S.C. 84. See 12 CFR part 32. In applying these definitions, pursuant to 12 U.S.C. 1464, savings associations shall use the terms *savings association*, *savings associations*, and *savings association's* in place of the terms *national bank* and *bank*, *banks*, and *bank's*, respectively. For purposes of this section:

(1) The term *one borrower* has the same meaning as the term *person* set forth at 12 CFR part 32. It also includes, in addition to the definition

cited therein, a *financial institution* as defined at § 561.19 of this chapter.

(2) The term *company* means a corporation, partnership, business trust, association, or similar organization and, unless specifically excluded, the term *company* includes a *savings association* and a *bank*.

(3) *Contractual commitment to advance funds* has the meaning set forth in 12 CFR part 32.

(4) *Loans and extensions of credit* has the meaning set forth in 12 CFR part 32, and includes investments in commercial paper and corporate debt securities. The Office expressly reserves its authority to deem other arrangements that are, in substance, *loans and extensions of credit* to be encompassed by this term.

(5) The term *loans* as used in the phrase *Loans to one borrower to finance the sale of real property acquired in satisfaction of debts previously contracted for in good faith* does not include an association's taking of a purchase money mortgage note from the purchaser *provided that*:

(i) No new funds are advanced by the association to the borrower; and

(ii) The association is not placed in a more detrimental position as a result of the sale.

(6) [Reserved]

(7) *Readily marketable collateral* has the meaning set forth in 12 CFR part 32.

(8) *Residential housing units* has the same meaning as the term *residential real estate* set forth in § 541.23 of this chapter. The term *to develop* includes the various phases necessary to produce housing units as an end product, to include: acquisition, development and construction; development and construction; construction; rehabilitation; or conversion. The term *domestic* includes units within the fifty states, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, and the Pacific Islands.

(9) *Single family dwelling unit* has the meaning set forth in § 541.20 of this chapter.

(10) A *standby letter of credit* has the meaning set forth in 12 CFR part 32.

(11) *Unimpaired capital and unimpaired surplus* means—

(i) A savings association's core capital and supplementary capital included in its total capital under part 567 of this chapter; plus

(ii) The balance of a savings association's allowance for loan and lease losses not included in supplementary capital under part 567 of this chapter; plus

(iii) The amount of a savings association's loans to, investments in, and advances to subsidiaries not included in calculating core capital under part 567 of this chapter.

(c) *General limitation.* Section 5200 of the Revised Statutes (12 U.S.C. 84) shall apply to savings associations in the same manner and to the same extent as it applies to national banks. This statutory provision and lending limit regulations and interpretations promulgated by the Office of the Comptroller of the Currency pursuant to a rulemaking conducted in accordance with the provisions of the Administrative Procedure Act, 5 U.S.C. 553 et seq. (including the regulations appearing at 12 CFR part 32) shall apply to savings associations in the same manner and to the same extent as these provisions apply to national banks:

(1) The total loans and extensions of credit by a savings association to one borrower outstanding at one time and not fully secured, as determined in the same manner as determined under 12 U.S.C. 84(a)(2), by collateral having a market value at least equal to the amount of the loan or extension of credit shall not exceed 15 percent of the unimpaired capital and unimpaired surplus of the association.

(2) The total loans and extensions of credit by a savings association to one borrower outstanding at one time and fully secured by readily marketable collateral having a market value, as determined by reliable and continuously available price quotations, at least equal to the amount of the funds outstanding shall not exceed 10 percent of the unimpaired capital and unimpaired surplus of the association. This limitation shall be separate from and in addition to the limitation contained in paragraph (c)(1) of this section.

(d) *Exceptions to the general limitation—(1) \$500,000 exception.* If a savings

association's aggregate lending limitation calculated under paragraphs (c)(1) and (c)(2) of this section is less than \$500,000, notwithstanding this aggregate limitation in paragraphs (c)(1) and (c)(2) of this section, such savings association may have total loans and extensions of credit, for any purpose, to one borrower outstanding at one time not to exceed \$500,000.

(2) *Statutory exceptions.* The exceptions to the lending limits set forth in 12 U.S.C. 84 and 12 CFR part 32 are applicable to savings associations in the same manner and to the extent as they apply to national banks.

(3) *Loans to develop domestic residential housing units.* Subject to paragraph (d)(4) of this section, a savings association may make loans to one borrower to develop domestic residential housing units, not to exceed the lesser of \$30,000,000 or 30 percent of the savings association's unimpaired capital and unimpaired surplus, including all amounts loaned under the authority of the General Limitation set forth under paragraphs (c)(1) and (c)(2) of this section, *provided that:*

(i) The final purchase price of each single family dwelling unit the development of which is financed under this paragraph (d)(3) does not exceed \$500,000;

(ii) The savings association is, and continues to be, in compliance with its capital requirements under part 567 of this chapter.

(iii) OTS permits, subject to conditions it may impose, the savings association to use the higher limit set forth under this paragraph (d)(3). A savings association that meets the requirements of paragraphs (d)(3) (i), (ii), (iv) and (v) of this section and that meets the requirements for "expedited treatment" under §516.3(a) of this chapter may use the higher limit set forth under this paragraph (d)(3) if the savings association has filed a notice with OTS that it intends to use the higher limit at least 30 days prior to the proposed use. A savings association that meets the requirements of paragraphs (d)(3) (i), (ii), (iv) and (v) of this section and that meets the requirements for "standard treatment" under §516.3(b) of this chapter may use the higher limit set forth under this paragraph

(d)(3) if the savings association has filed a notice with OTS and an order has been issued permitting the savings association to use the higher limit;

(iv) Loans made under this paragraph (d)(3) to all borrowers do not, in aggregate, exceed 150 percent of the savings association's unimpaired capital and unimpaired surplus; and

(v) Such loans comply with the applicable loan-to-value requirements that apply to Federal savings associations.

(4) The authority of a savings association to make a loan or extension of credit under the exception in paragraph (d)(3) of this section ceases immediately upon the association's failure to comply with any one of the requirements set forth in paragraph (d)(3) of this section or any condition(s) set forth in a Director's order under paragraph (d)(3)(iii) of this section.

(5) Notwithstanding the limit set forth in paragraphs (c)(1) and (c)(2) of this section, a savings association may invest up to 10 percent of unimpaired capital and unimpaired surplus in the obligations of one issuer evidenced by:

(i) Commercial paper rated, as of the date of purchase, as shown by the most recently published rating by at least two nationally recognized investment rating services in the highest category; or

(ii) Corporate debt securities that may be sold with reasonable promptness at a price that corresponds reasonably to their fair value, and that are rated in one of the two highest categories by a nationally recognized investment rating service in its most recently published ratings before the date of purchase of the security.

(e) *Loans to finance the sale of REO.* A savings association's loans to one borrower to finance the sale of real property acquired in satisfaction of debts previously contracted for in good faith shall not, when aggregated with all other loans to such borrower, exceed the General Limitation in paragraph (c)(1) of this section.

(f) *Calculating compliance and record-keeping.* (1) The amount of an association's unimpaired capital and unimpaired surplus pursuant to paragraph (b)(11) of this section shall be calculated as of the association's most recent periodic report required to be

filed with OTS prior to the date of granting or purchasing the loan or otherwise creating the obligation to repay funds, unless the association knows, or has reason to know, based on transactions or events actually completed, that such level has changed significantly, upward or downward, subsequent to filing of such report.

(2) If a savings association or subsidiary thereof makes a loan or extension of credit to any one borrower, as defined in paragraph (b)(1) of this section, in an amount that, when added to the total balances of all outstanding loans owed to such association and its subsidiary by such borrower, exceeds the greater of \$500,000 or 5 percent of unimpaired capital and unimpaired surplus, the records of such association or its subsidiary with respect to such loan shall include documentation showing that such loan was made within the limitations of paragraphs (c) and (d) of this section; for the purpose of such documentation such association or subsidiary may require, and may accept in good faith, a certification by the borrower identifying the persons, entities, and interests described in the definition of one borrower in paragraph (b)(1) of this section.

(g) [Reserved]

(h) *More stringent restrictions.* The Director may impose more stringent restrictions on a savings association's loans to one borrower if the Director determines that such restrictions are necessary to protect the safety and soundness of the savings association.

APPENDIX TO § 560.93—INTERPRETATIONS

Section 560.93-100 Interrelation of General Limitation With Exception for Loans To Develop Domestic Residential Housing Units

1. The § 560.93(d)(3) exception for loans to one person to develop domestic residential housing units is characterized in the regulation as an "alternative" limit. This exceptional \$30,000,000 or 30 percent limitation does not operate *in addition to* the 15 percent General Limitation or the 10 percent additional amount an association may loan to one borrower secured by readily marketable collateral, but serves as the uppermost limitation on a savings association's lending to any one person once an association employs this exception. An example will illustrate the Office's interpretation of the application of this rule:

Example: Savings Associations A's lending limitation as calculated under the 15 percent General Limitation is \$800,000. If Association A lends Y \$800,000 for commercial purposes, Association A cannot lend Y *an additional* \$1,600,000, or 30 percent of capital and surplus, to develop residential housing units under the paragraph (d)(3) exception. The (d)(3) exception operates as the uppermost limitation on all lending to one borrower (for associations that may employ this exception) *and includes any amounts loaned to the same borrower under the General Limitation.* Association A, therefore, may lend only an additional \$800,000 to Y, provided the paragraph (d)(3) prerequisites have been met. The amount loaned under the authority of the General Limitation (\$800,000), when added to the amount loaned under the exception (\$800,000), yields a sum that does not exceed the 30 percent uppermost limitation (\$1,600,000).

2. This result does not change even if the facts are altered to assume that some or all of the \$800,000 amount of lending permissible under the General Limitation's 15 percent basket is not used, or is devoted to the development of domestic residential housing units.

In other words, using the above example, if Association A lends Y \$400,000 for commercial purposes and \$300,000 for residential purposes—both of which would be permitted under the Association's \$800,000 General Limitation—Association A's remaining permissible lending to Y would be: first, an additional \$100,000 under the General Limitation, and then another \$800,000 to develop domestic residential housing units if the Association meets the paragraph (d)(3) prerequisites. (The latter is \$800,000 because in no event may the total lending to Y exceed 30 percent of unimpaired capital and unimpaired surplus). If Association A did not lend Y the remaining \$100,000 permissible under the General Limitation, its permissible loans to develop domestic residential housing units under paragraph (d)(3) would be \$900,000 instead of \$800,000 (the total loans to Y would still equal \$1,600,000).

3. In short, under the paragraph (d)(3) exception, the 30 percent or \$30,000,000 limit will always operate as the uppermost limitation, unless of course the association does not avail itself of the exception and merely relies upon its General Limitation.

Section 560.93–101 Interrelationship Between the General Limitation and the 150 Percent Aggregate Limit on Loans to all Borrowers To Develop Domestic Residential Housing Units

1. The Office has already received numerous questions regarding the allocation of loans between the different lending limit "baskets," *i.e.*, the 15 percent General Limitation basket and the 30 percent Residential Development basket. In general, the inquiries

concern the manner in which an association may "move" a loan from the General Limitation basket to the Residential Development basket. The following example is intended to provide guidance:

Example: Association A's General Limitation under section 5(u)(1) is \$15 million. In January, Association A makes a \$10 million loan to Borrower to develop domestic residential housing units. At the time the loan was made, Association A had not received approval under a Director order to avail itself of the residential development exception to lending limits. Therefore, the \$10 million loan is made under Association A's General Limitation.

2. In June, Association A receives authorization to lend under the Residential Development exception. In July, Association A lends \$3 million to Borrower to develop domestic residential housing units. In August, Borrower seeks an additional \$12 million commercial loan from Association A. Association A cannot make the loan to Borrower, however, because it already has an outstanding \$10 million loan to Borrower that counts against Association A's General Limitation of \$15 million. Thus, Association A may lend only up to an additional \$5 million to Borrower under the General Limitation.

3. However, Association A may be able to reallocate the \$10 million loan it made to Borrower in January to its Residential Development basket provided that: (1) Association A has obtained authority under a Director's order to avail itself of the additional lending authority for residential development and maintains compliance with all prerequisites to such lending authority; (2) the original \$10 million loan made in January constitutes a loan to develop domestic residential housing units as defined; and (3) the housing unit(s) constructed with the funds from the January loan remain in a stage of "development" at the time Association A reallocates the loan to the domestic residential housing basket. The project must be in a stage of acquisition, development, construction, rehabilitation, or conversion in order for the loan to be reallocated.

4. If Association A is able to reallocate the \$10 million loan made to Borrower in January to its Residential Development basket, it may make the \$12 million commercial loan requested by Borrower in August. Once the January loan is reallocated to the Residential Development basket, however, the \$10 million loan counts towards Association's 150 percent aggregate limitation on loans to all borrowers under the residential development basket (section 5(u)(2)(A)(ii)(IV)).

5. If Association A reallocates the January loan to its domestic residential housing basket and makes an additional \$12 million commercial loan to Borrower, Association A's totals under the respective limitations

would be: \$12 million under the General Limitation; and \$13 million under the Residential Development limitation. The full \$13 million residential development loan counts toward Association A's aggregate 150 percent limitation.

§ 560.100 Real estate lending standards; purpose and scope.

This section, and § 560.101 of this subpart, issued pursuant to section 304 of the Federal Deposit Insurance Corporation Improvement Act of 1991, 12 U.S.C. 1828(o), prescribe standards for real estate lending to be used by savings associations and all their includable subsidiaries, as defined in 12 CFR 567.1, over which the savings associations exercise control, in adopting internal real estate lending policies.

[61 FR 50971, Sept. 30, 1996, as amended at 62 FR 66262, Dec. 18, 1997]

§ 560.101 Real estate lending standards.

(a) Each savings association shall adopt and maintain written policies that establish appropriate limits and standards for extensions of credit that are secured by liens on or interests in real estate, or that are made for the purpose of financing permanent improvements to real estate.

(b)(1) Real estate lending policies adopted pursuant to this section must:

(i) Be consistent with safe and sound banking practices;

(ii) Be appropriate to the size of the institution and the nature and scope of its operations; and

(iii) Be reviewed and approved by the savings association's board of directors at least annually.

(2) The lending policies must establish:

(i) Loan portfolio diversification standards;

(ii) Prudent underwriting standards, including loan-to-value limits, that are clear and measurable;

(iii) Loan administration procedures for the savings association's real estate portfolio; and

(iv) Documentation, approval, and reporting requirements to monitor compliance with the savings association's real estate lending policies.

(c) Each savings association must monitor conditions in the real estate market in its lending area to ensure that its real estate lending policies continue to be appropriate for current market conditions.

(d) The real estate lending policies adopted pursuant to this section should reflect consideration of the Interagency Guidelines for Real Estate Lending Policies established by the Federal bank and thrift supervisory agencies.

APPENDIX TO § 560.101—INTERAGENCY GUIDELINES FOR REAL ESTATE LENDING POLICIES

The agencies' regulations require that each insured depository institution adopt and maintain a written policy that establishes appropriate limits and standards for all extensions of credit that are secured by liens on or interests in real estate or made for the purpose of financing the construction of a building or other improvements.¹ These guidelines are intended to assist institutions in the formulation and maintenance of a real estate lending policy that is appropriate to the size of the institution and the nature and scope of its individual operations, as well as satisfies the requirements of the regulation.

Each institution's policies must be comprehensive, and consistent with safe and sound lending practices, and must ensure that the institution operates within limits and according to standards that are reviewed and approved at least annually by the board of directors. Real estate lending is an integral part of many institutions' business plans and, when undertaken in a prudent manner, will not be subject to examiner criticism.

LOAN PORTFOLIO MANAGEMENT CONSIDERATIONS

The lending policy should contain a general outline of the scope and distribution of the institution's credit facilities and the manner in which real estate loans are made, serviced, and collected. In particular, the institution's policies on real estate lending should:

- Identify the geographic areas in which the institution will consider lending.
- Establish a loan portfolio diversification policy and set limits for real estate loans by type and geographic market (e.g., limits on higher risk loans).

¹ The agencies have adopted a uniform rule on real estate lending. See 12 CFR Part 365 (FDIC); 12 CFR Part 208, Subpart C (FRB); 12 CFR Part 34, Subpart D (OCC); and 12 CFR 560.100-560.101 (OTS).

- Identify appropriate terms and conditions by type of real estate loan.
- Establish loan origination and approval procedures, both generally and by size and type of loan.
- Establish prudent underwriting standards that are clear and measurable, including loan-to-value limits, that are consistent with these supervisory guidelines.
- Establish review and approval procedures for exception loans, including loans with loan-to-value percentages in excess of supervisory limits.
- Establish loan administration procedures, including documentation, disbursement, collateral inspection, collection, and loan review.
- Establish real estate appraisal and evaluation programs.
- Require that management monitor the loan portfolio and provide timely and adequate reports to the board of directors.

The institution should consider both internal and external factors in the formulation of its loan policies and strategic plan. Factors that should be considered include:

- The size and financial condition of the institution.
- The expertise and size of the lending staff.
- The need to avoid undue concentrations of risk.
- Compliance with all real estate related laws and regulations, including the Community Reinvestment Act, anti-discrimination laws, and for savings associations, the Qualified Thrift Lender test.
- Market conditions.

The institution should monitor conditions in the real estate markets in its lending area so that it can react quickly to changes in market conditions that are relevant to its lending decisions. Market supply and demand factors that should be considered include:

- Demographic indicators, including population and employment trends.
- Zoning requirements.
- Current and projected vacancy, construction, and absorption rates.
- Current and projected lease terms, rental rates, and sales prices, including concessions.
- Current and projected operating expenses for different types of projects.
- Economic indicators, including trends and diversification of the lending area.
- Valuation trends, including discount and direct capitalization rates.

UNDERWRITING STANDARDS

Prudently underwritten real estate loans should reflect all relevant credit factors, including:

- The capacity of the borrower, or income from the underlying property, to adequately service the debt.

- The value of the mortgaged property.
- The overall creditworthiness of the borrower.
- The level of equity invested in the property.
- Any secondary sources of repayment.
- Any additional collateral or credit enhancements (such as guarantees, mortgage insurance or takeout commitments).

The lending policies should reflect the level of risk that is acceptable to the board of directors and provide clear and measurable underwriting standards that enable the institution's lending staff to evaluate these credit factors. The underwriting standards should address:

- The maximum loan amount by type of property.
- Maximum loan maturities by type of property.
- Amortization schedules.
- Pricing structure for different types of real estate loans.

For development and construction projects, and completed commercial properties, the policy should also establish, commensurate with the size and type of the project or property:

- Requirements for feasibility studies and sensitivity and risk analyses (e.g., sensitivity of income projections to changes in economic variables such as interest rates, vacancy rates, or operating expenses).
- Minimum requirements for initial investment and maintenance of hard equity by the borrower (e.g., cash or unencumbered investment in the underlying property).
- Minimum standards for net worth, cash flow, and debt service coverage of the borrower or underlying property.
- Standards for the acceptability of and limits on non-amortizing loans.
- Standards for the acceptability of and limits on the use of interest reserves.
- Pre-leasing and pre-sale requirements for income-producing property.
- Pre-sale and minimum unit release requirements for non-income-producing property loans.
- Limits on partial recourse or non-recourse loans and requirements for guarantor support.
- Requirements for takeout commitments.
- Minimum covenants for loan agreements.

LOAN ADMINISTRATION

The institution should also establish loan administration procedures for its real estate portfolio that address:

- Documentation, including:
 - Type and frequency of financial statements, including requirements for verification of information provided by the borrower;

Type and frequency of collateral evaluations (appraisals and other estimates of value).

- Loan closing and disbursement.
- Payment processing.
- Escrow administration.
- Collateral administration.
- Loan payoffs.
- Collections and foreclosure, including:
 - Delinquency follow-up procedures;
 - Foreclosure timing;
 - Extensions and other forms of forbearance;
 - Acceptance of deeds in lieu of foreclosure.
- Claims processing (e.g., seeking recovery on a defaulted loan covered by a government guaranty or insurance program).
- Servicing and participation agreements.

SUPERVISORY LOAN-TO-VALUE LIMITS

Institutions should establish their own internal loan-to-value limits for real estate loans. These internal limits should not exceed the following supervisory limits:

Loan category	Loan-to-value limit (percent)
Raw land	65
Land development	75
Construction:	
Commercial, multifamily, ¹ and other nonresidential	80
1- to 4-family residential	85
Improved property	85
Owner-occupied 1- to 4-family and home equity	(²)

¹Multifamily construction includes condominiums and cooperatives.

²A loan-to-value limit has not been established for permanent mortgage or home equity loans on owner-occupied, 1- to 4-family residential property. However, for any such loan with a loan-to-value ratio that equals or exceeds 90 percent at origination, an institution should require appropriate credit enhancement in the form of either mortgage insurance or readily marketable collateral.

The supervisory loan-to-value limits should be applied to the underlying property that collateralizes the loan. For loans that fund multiple phases of the same real estate project (e.g., a loan for both land development and construction of an office building), the appropriate loan-to-value limit is the limit applicable to the final phase of the project funded by the loan; however, loan disbursements should not exceed actual development or construction outlays. In situations where a loan is fully cross-collateralized by two or more properties or is secured by a collateral pool of two or more properties, the appropriate maximum loan amount under supervisory loan-to-value limits is the sum of the value of each property, less senior liens, multiplied by the appropriate loan-to-value limit for each property. To ensure that collateral margins remain within the supervisory limits, lenders should redetermine conformity whenever collateral substitutions are made to the collateral pool.

In establishing internal loan-to-value limits, each lender is expected to carefully consider the institution-specific and market factors listed under "Loan Portfolio Management Considerations," as well as any other relevant factors, such as the particular sub-category or type of loan. For any sub-category of loans that exhibits greater credit risk than the overall category, a lender should consider the establishment of an internal loan-to-value limit for that sub-category that is lower than the limit for the overall category.

The loan-to-value ratio is only one of several pertinent credit factors to be considered when underwriting a real estate loan. Other credit factors to be taken into account are highlighted in the "Underwriting Standards" section above. Because of these other factors, the establishment of these supervisory limits should not be interpreted to mean that loans at these levels will automatically be considered sound.

LOANS IN EXCESS OF THE SUPERVISORY LOAN-TO-VALUE LIMITS

The agencies recognize that appropriate loan-to-value limits vary not only among categories of real estate loans but also among individual loans. Therefore, it may be appropriate in individual cases to originate or purchase loans with loan-to-value ratios in excess of the supervisory loan-to-value limits, based on the support provided by other credit factors. Such loans should be identified in the institutions' records, and their aggregate amount reported at least quarterly to the institution's board of directors. (See additional reporting requirements described under "Exceptions to the General Policy.") The aggregate amount of all loans in excess of the supervisory loan-to-value limits should not exceed 100 percent of total capital.² Moreover, within the aggregate limit, total loans for all commercial, agricultural, multifamily or other non-1-to-4 family residential properties should not exceed 30 percent of total capital. An institution will come under increased supervisory scrutiny as the total of such loans approaches these levels.

In determining the aggregate amount of such loans, institutions should: (a) Include all loans secured by the same property if any one of those loans exceeds the supervisory

²For the state member banks, the term "total capital" means "total risk-based capital" as defined in Appendix A to 12 CFR Part 208. For insured state non-member banks, "total capital" refers to that term described in table I of Appendix A to 12 CFR Part 325. For national banks, the term "total capital" is defined at 12 CFR 3.2(e). For savings associations, the term "total capital" is defined at 12 CFR 567.5(c).

loan-to-value limits; and (b) include the recourse obligation of any such loan sold with recourse. Conversely, a loan should no longer be reported to the directors as part of aggregate totals when reduction in principal or senior liens, or additional contribution of collateral or equity (e.g., improvements to the real property securing the loan), bring the loan-to-value ratio into compliance with supervisory limits.

EXCLUDED TRANSACTIONS

The agencies also recognize that there are a number of lending situations in which other factors significantly outweigh the need to apply the supervisory loan-to-value limits.

These include:

- Loans guaranteed or insured by the U.S. government or its agencies, provided that the amount of the guaranty or insurance is at least equal to the portion of the loan that exceeds the supervisory loan-to-value limit.
- Loans backed by the full faith and credit of a state government, provided that the amount of the assurance is at least equal to the portion of the loan that exceeds the supervisory loan-to-value limit.
- Loans guaranteed or insured by a state, municipal or local government, or an agency thereof, provided that the amount of the guaranty or insurance is at least equal to the portion of the loan that exceeds the supervisory loan-to-value limit, and provided that the lender has determined that the guarantor or insurer has the financial capacity and willingness to perform under the terms of the guaranty or insurance agreement.
- Loans that are to be sold promptly after origination, without recourse, to a financially responsible third party.
- Loans that are renewed, refinanced, or restructured without the advancement of new funds or an increase in the line of credit (except for reasonable closing costs), or loans that are renewed, refinanced, or restructured in connection with a workout situation, either with or without the advancement of new funds, where consistent with safe and sound banking practices and part of a clearly defined and well-documented program to achieve orderly liquidation of the debt, reduce risk of loss, or maximize recovery on the loan.
- Loans that facilitate the sale of real estate acquired by the lender in the ordinary course of collecting a debt previously contracted in good faith.
- Loans for which a lien on or interest in real property is taken as additional collateral through an abundance of caution by the lender (e.g., the institution takes a blanket lien on all or substantially all of the assets of the borrower, and the value of the real property is low relative to the aggregate value of all other collateral).

- Loans, such as working capital loans, where the lender does not rely principally on real estate as security and the extension of credit is not used to acquire, develop, or construct permanent improvements on real property.

- Loans for the purpose of financing permanent improvements to real property, but not secured by the property, if such security interest is not required by prudent underwriting practice.

EXCEPTIONS TO THE GENERAL LENDING POLICY

Some provision should be made for the consideration of loan requests from credit-worthy borrowers whose credit needs do not fit within the institution's general lending policy. An institution may provide for prudently underwritten exceptions to its lending policies, including loan-to-value limits, on a loan-by-loan basis. However, any exceptions from the supervisory loan-to-value limits should conform to the aggregate limits on such loans discussed above.

The board of directors is responsible for establishing standards for the review and approval of exception loans. Each institution should establish an appropriate internal process for the review and approval of loans that do not conform to its own internal policy standards. The approval of any such loan should be supported by a written justification that clearly sets forth all of the relevant credit factors that support the underwriting decision. The justification and approval documents for such loans should be maintained as a part of the permanent loan file. Each institution should monitor compliance with its real estate lending policy and individually report exception loans of a significant size to its board of directors.

SUPERVISORY REVIEW OF REAL ESTATE LENDING POLICIES AND PRACTICES

The real estate lending policies of institutions will be evaluated by examiners during the course of their examinations to determine if the policies are consistent with safe and sound lending practices, these guidelines, and the requirements of the regulation. In evaluating the adequacy of the institution's real estate lending policies and practices, examiners will take into consideration the following factors:

- The nature and scope of the institution's real estate lending activities.
- The size and financial condition of the institution.
- The quality of the institution's management and internal controls.
- The expertise and size of the lending and loan administration staff.
- Market conditions.

Lending policy exception reports will also be reviewed by examiners during the course of their examinations to determine whether

the institutions' exceptions are adequately documented and appropriate in light of all of the relevant credit considerations. An excessive volume of exceptions to an institution's real estate lending policy may signal a weakening of its underwriting practices, or may suggest a need to revise the loan policy.

DEFINITIONS

For the purposes of these Guidelines:

Construction loan means an extension of credit for the purpose of erecting or rehabilitating buildings or other structures, including any infrastructure necessary for development.

Extension of credit or loan means:

(1) The total amount of any loan, line of credit, or other legally binding lending commitment with respect to real property; and

(2) The total amount, based on the amount of consideration paid, of any loan, line of credit, or other legally binding lending commitment acquired by a lender by purchase, assignment, or otherwise.

Improved property loan means an extension of credit secured by one of the following types of real property:

(1) Farmland, ranchland or timberland committed to ongoing management and agricultural production;

(2) 1- to 4-family residential property that is not owner-occupied;

(3) Residential property containing five or more individual dwelling units;

(4) Completed commercial property; or

(5) Other income-producing property that has been completed and is available for occupancy and use, except income-producing owner-occupied 1- to 4-family residential property.

Land development loan means an extension of credit for the purpose of improving unimproved real property prior to the erection of structures. The improvement of unimproved real property may include the laying or placement of sewers, water pipes, utility cables, streets, and other infrastructure necessary for future development.

Loan origination means the time of inception of the obligation to extend credit (i.e., when the last event or prerequisite, controllable by the lender, occurs causing the lender to become legally bound to fund an extension of credit).

Loan-to-value or *loan-to-value ratio* means the percentage or ratio that is derived at the time of loan origination by dividing an extension of credit by the total value of the property(ies) securing or being improved by the extension of credit plus the amount of any readily marketable collateral and other acceptable collateral that secures the extension of credit. The total amount of all senior liens on or interests in such property(ies) should be included in determining the loan-to-value ratio. When mortgage insurance or collateral is used in the calculation of the

loan-to-value ratio, and such credit enhancement is later released or replaced, the loan-to-value ratio should be recalculated.

Other acceptable collateral means any collateral in which the lender has a perfected security interest, that has a quantifiable value, and is accepted by the lender in accordance with safe and sound lending practices. Other acceptable collateral should be appropriately discounted by the lender consistent with the lender's usual practices for making loans secured by such collateral. Other acceptable collateral includes, among other items, unconditional irrevocable standby letters of credit for the benefit of the lender.

Owner-occupied, when used in conjunction with the term *1- to 4-family residential property* means that the owner of the underlying real property occupies at least one unit of the real property as a principal residence of the owner.

Readily marketable collateral means insured deposits, financial instruments, and bullion in which the lender has a perfected interest. Financial instruments and bullion must be salable under ordinary circumstances with reasonable promptness at a fair market value determined by quotations based on actual transactions, on an auction or similarly available daily bid and ask price market. Readily marketable collateral should be appropriately discounted by the lender consistent with the lender's usual practices for making loans secured by such collateral.

Value means an opinion or estimate, set forth in an appraisal or evaluation, whichever may be appropriate, of the market value of real property, prepared in accordance with the agency's appraisal regulations and guidance. For loans to purchase an existing property, the term "value" means the lesser of the actual acquisition cost or the estimate of value.

1- to 4-family residential property means property containing fewer than five individual dwelling units, including manufactured homes permanently affixed to the underlying property (when deemed to be real property under state law).

§ 560.110 Most favored lender usury preemption.

(a) *Definition.* The term "interest" as used in 12 U.S.C. 1463(g) includes any payment compensating a creditor or prospective creditor for an extension of credit, making available of a line of credit, or any default or breach by a borrower of a condition upon which credit was extended. It includes, among other things, the following fees connected with credit extension or availability: numerical periodic rates, late fees, not sufficient funds (NSF) fees,

overlimit fees, annual fees, cash advance fees, and membership fees. It does not ordinarily include appraisal fees, premiums and commissions attributable to insurance guaranteeing repayment of any extension of credit, finders' fees, fees for document preparation or notarization, or fees incurred to obtain credit reports.

(b) *Authority.* A savings association located in a state may charge interest at the maximum rate permitted to any state-chartered or licensed lending institution by the law of that state. If state law permits different interest charges on specified classes of loans, a federal savings association making such loans is subject only to the provisions of state law relating to that class of loans that are material to the determination of the permitted interest. For example, a federal savings association may lawfully charge the highest rate permitted to be charged by a state-licensed small loan company, without being so licensed, but subject to state law limitations on the size of loans made by small loan companies. Except as provided in this paragraph, the applicability of state law to Federal savings associations shall be determined in accordance with § 560.2 of this part. State supervisors determine the degree to which state-chartered savings associations must comply with state laws other than those imposing restrictions on interest, as defined in paragraph (a) of this section.

(c) *Effect on state definitions of interest.* The Federal definition of the term "interest" in paragraph (a) of this section does not change how interest is defined by the individual states (nor how the state definition of interest is used) solely for purposes of state law. For example, if late fees are not "interest" under state law where a savings association is located but state law permits its most favored lender to charge late fees, then a savings association located in that state may charge late fees to its intrastate customers. The savings association may also charge late fees to its interstate customers because the fees are interest under the Federal definition of interest and an allowable charge under state law where the savings association is located. However, the late fees would not

be treated as interest for purposes of evaluating compliance with state usury limitations because state law excludes late fees when calculating the maximum interest that lending institutions may charge under those limitations.

§ 560.120 Letters of credit and other independent undertakings to pay against documents.

(a) *General authority.* To the extent that it has legal authority to do so, a savings association may issue and commit to issue letters of credit within the scope of applicable laws or rules of practice recognized by law.¹ It may also issue other independent undertakings within the scope of such laws or rules of practice recognized by law, that have been approved by OTS (approved undertaking). Under such letters of credit and approved undertakings, the savings association's obligation to honor depends upon the presentation of specified documents and not upon nondocumentary conditions or resolution of questions of fact or law at issue between the account party and the beneficiary. A savings association may also confirm or otherwise undertake to honor or purchase specified documents upon their presentation under another person's independent undertaking within the scope of such laws or rules.

(b) *Safety and soundness considerations—(1) Terms.* As a matter of safe

¹Samples of laws or rules of practice applicable to letters of credit and other independent undertakings include, but are not limited to: the applicable version of Article 5 of the Uniform Commercial Code (UCC) (1962, as amended 1990) or revised Article 5 of the UCC (as amended 1995) (available from West Publishing Co., 1/800/340-9378); the Uniform Customs and Practice for Documentary Credits (International Chamber of Commerce (ICC) Publication No. 500) (available from ICC Publishing, Inc., 212/206-1150); the United Nations Commission on International Trade Law (UNCITRAL) Convention on Independent Guarantees and Standby Letters of Credit (adopted by UNCITRAL 1995) (available from UNCITRAL, 212/963-5353); and the Uniform Rules for Bank-to-Bank Reimbursements Under Documentary Credits (ICC Publication No. 525) (available from ICC Publishing, Inc., 212/206-1150); as any of the foregoing may be amended from time to time.

and sound banking practice, savings associations that issue letters of credit or approved undertakings should not be exposed to undue risk. At a minimum, savings associations should consider the following:

(i) The independent character of the letter of credit or approved undertaking should be apparent from its terms (such as terms that subject it to laws or rules providing for its independent character);

(ii) The letter of credit or approved undertaking should be limited in amount;

(iii) The letter of credit or approved undertaking should:

(A) Be limited in duration; or

(B) Permit the savings association to terminate the letter of credit or approved undertaking, either on a periodic basis (consistent with the savings association's ability to make any necessary credit assessments) or at will upon either notice or payment to the beneficiary; or

(C) Entitle the savings association to cash collateral from the account party on demand (with a right to accelerate the customer's obligations, as appropriate); and

(iv) The savings association either should be fully collateralized or have a post-honor right of reimbursement from its customer or from another issuer of a letter of credit or an independent undertaking. Alternatively, if the savings association's undertaking is to purchase documents of title, securities, or other valuable documents, it should obtain a first priority right to realize on the documents if the savings association is not otherwise to be reimbursed.

(2) *Additional considerations in special circumstances.* Certain letters of credit and approved undertakings require particular protections against credit, operational, and market risk:

(i) In the event that the undertaking is to honor by delivery of an item of value other than money, the savings association should ensure that market fluctuations that affect the value of the item will not cause the savings association to assume undue market risk;

(ii) In the event that an undertaking provides for renewal, the terms for re-

newal should be consistent with the savings association's ability to make any necessary credit assessments prior to renewal; and

(iii) In the event that a savings association issues an undertaking for its own account, the underlying transaction for which it is issued must be within the savings association's authority and comply with any safety and soundness requirements applicable to that transaction.

(3) *Operational expertise.* The savings association should possess operational expertise that is commensurate with the sophistication of its letter of credit or independent undertaking activities.

(4) *Documentation.* The savings association must accurately reflect its letters of credit or approved undertakings in its records, including any acceptance or deferred payment or other absolute obligation arising out of its contingent undertaking.

§ 560.121 Investment in state housing corporations.

(a) Any savings association to the extent it has legal authority to do so, may make investments in, commitments to invest in, loans to, or commitments to lend to any state housing corporation; provided, that such obligations or loans are secured directly, or indirectly through a fiduciary, by a first lien on improved real estate which is insured under the National Housing Act, as amended, and that in the event of default, the holder of such obligations or loans has the right directly, or indirectly through a fiduciary, to subject to the satisfaction of such obligations or loans the real estate described in the first lien, or the insurance proceeds.

(b) Any savings association that is adequately capitalized may, to the extent it has legal authority to do so, invest in obligations (including loans) of, or issued by, any state housing corporation incorporated in the state in which such savings association has its home or a branch office; provided (except with respect to loans), that:

(1) The obligations are rated in one of the four highest grades as shown by the most recently published rating made of such obligations by a nationally recognized rating service; or

(2) The obligations, if not rated, are approved by the Office. The aggregate outstanding direct investment in obligations under paragraph (b) of this section shall not exceed the amount of the savings association's total capital.

(c) Each state housing corporation in which a savings association invests under the authority of paragraph (b) of this section shall agree, before accepting any such investment (including any loan or loan commitment), to make available at any time to the Office such information as the Office may consider to be necessary to ensure that investments are properly made under this section.

§ 560.130 Prohibition on loan procurement fees.

If you are a director, officer, or other natural person having the power to direct the management or policies of a savings association, you must not receive, directly or indirectly, any commission, fee, or other compensation in connection with the procurement of any loan made by the savings association or a subsidiary of the savings association.

[61 FR 60178, Nov. 27, 1996]

§ 560.160 Asset classification.

(a)(1) Each savings association shall evaluate and classify its assets on a regular basis in a manner consistent with, or reconcilable to, the asset classification system used by OTS in its Thrift Activities Handbook (Available at the address listed in § 516.1 of this chapter).

(2) In connection with the examination of a savings association or its affiliates, OTS examiners may identify problem assets and classify them, if appropriate. The association must recognize such examiner classifications in its subsequent reports to OTS.

(b) Based on the evaluation and classification of its assets, each savings association shall establish adequate valuation allowances or charge-offs, as appropriate, consistent with generally accepted accounting principles and the practices of the federal banking agencies.

§ 560.170 Records for lending transactions.

In establishing and maintaining its records pursuant to § 563.170 of this chapter, each savings association and service corporation should establish and maintain loan documentation practices that:

(a) Ensure that the institution can make an informed lending decision and can assess risk on an ongoing basis;

(b) Identify the purpose and all sources of repayment for each loan, and assess the ability of the borrower(s) and any guarantor(s) to repay the indebtedness in a timely manner;

(c) Ensure that any claims against a borrower, guarantor, security holders, and collateral are legally enforceable;

(d) Demonstrate appropriate administration and monitoring of its loans; and

(e) Take into account the size and complexity of its loans.

§ 560.172 Re-evaluation of real estate owned.

A savings association shall appraise each parcel of real estate owned at the earlier of in-substance foreclosure or at the time of the savings association's acquisition of such property, and at such times thereafter as dictated by prudent management policy; such appraisals shall be consistent with the requirements of part 564 of this chapter. The Regional Director or his or her designee may require subsequent appraisals if, in his or her discretion, such subsequent appraisal is necessary under the particular circumstances. The foregoing requirement shall not apply to any parcel of real estate that is sold and reacquired less than 12 months subsequent to the most recent appraisal made pursuant to this part. A dated, signed copy of each report of appraisal made pursuant to any provisions of this part shall be retained in the savings association's records.

Subpart C—Alternative Mortgage Transactions

§ 560.210 Disclosures for variable rate transactions.

A savings association must provide the initial disclosures described at 12

Office of Thrift Supervision, Treasury

§ 561.4

CFR 226.19(b) and the adjustment notices described at 12 CFR 226.20(c) for variable rate transactions, as described in those regulations. The OTS administers and enforces those provisions for savings associations.

§ 561.6 Audit period.

The *audit period* of a savings association means the twelve month period (or other period in the case of a change in audit period) covered by the annual audit conducted to satisfy § 563.170.

Appropriate evidence to demonstrate justification for such reliance should be retained in a savings association's files. Among the types of credit included within this term are consumer loans; educational loans; unsecured loans for real property alteration, repair or improvement, or for the equipping of real property;

loans in the nature of overdraft protection; and credit extended in connection with credit cards.

For the purposes of computing delinquency, a payment of 90 percent or more of the contractual payment will be considered as a full payment. If a savings association can clearly demonstrate that repayment would occur regardless of delinquency status—for example, the loan is well-secured by collateral and is in the process of collection; the loan is supported by a valid guarantee or insurance; or it is a loan where claims have been filed against a solvent estate—then such loan need not be classified as a loss. The following table illustrates the delinquency computation:

6/10	6/10–7/09	90 days or 4 payments	Slow.

**PART 562—REGULATORY
REPORTING STANDARDS**

Sec.

562.1 Regulatory reporting requirements.

562.2 Regulatory reports.

12 CFR Ch. V (1–1–99 Edition)

562.4 Audit of savings associations and savings association holding companies.

AUTHORITY: 12 U.S.C. 1463.

SOURCE: 57 FR 40090, Sept. 2, 1992, unless otherwise noted.

§ 562.1 Regulatory reporting requirements.

(a) *Authority and scope.* This part is issued by the Office of Thrift Supervision (OTS) pursuant to section 4(b) and 4(c) of the Home Owners' Loan Act (HOLA). It applies to all savings associations regulated by the OTS.

(b) *Records and reports—general—(1) Records.* Each savings association and its affiliates shall maintain accurate and complete records of all business transactions. Such records shall support and be readily reconcilable to any regulatory reports submitted to the OTS and financial reports prepared in accordance with GAAP. The records shall be maintained in the United States and be readily accessible for examination and other supervisory purposes within 5 business days upon request by the OTS, at a location acceptable to the OTS.

(2) *Reports.* For purposes of examination by and regulatory reports to the OTS and compliance with this chapter, all savings associations shall use such forms and follow such regulatory reporting requirements as the OTS may require by regulation or otherwise.

§ 562.2 Regulatory reports.

(a) *Definition and scope.* This section applies to all regulatory reports, as defined herein. A regulatory report is any report that the OTS prepares, or is submitted to, or is used by the OTS, to determine compliance with its rules and regulations, and to evaluate the safe and sound condition and operation of savings associations. The Report of Examination and the Thrift Financial Report (TFR) are examples of regulatory reports. Regulatory reports are regulatory documents, not accounting documents.

(b) *Regulatory reporting requirements—(1) General.* The instructions to regulatory reports are referred to as "regulatory reporting requirements." Regulatory reporting requirements include, but are not limited to, the accounting

instructions provided in the TFR, guidance contained in OTS regulations, bulletins, and examination handbooks, and safe and sound practices. Regulatory reporting requirements are not limited to the minimum requirements under generally accepted accounting principles (GAAP) because of the special supervisory, regulatory, and economic policy needs served by such reports. Regulatory reporting by savings associations that purports to comply with GAAP shall incorporate the GAAP that best reflects the underlying economic substance of the transaction at issue. Regulatory reporting requirements shall, at a minimum:

(i) Incorporate GAAP whenever GAAP is the referenced accounting instruction for regulatory reports to the Federal banking agencies;

(ii) Incorporate safe and sound practices contained in OTS regulations, bulletins, examination handbooks and instructions to regulatory reports. Such safety and soundness requirements shall be no less stringent than those applied by the Comptroller of the Currency for national banks; and

(iii) Incorporate additional safety and soundness requirements more stringent than GAAP, as the Director may prescribe.

(2) *Exceptions.* Regulatory reporting requirements that are not consistent with GAAP, if any, are not required to be reflected in audited financial statements, including financial statements contained in securities filings submitted to the OTS pursuant to the Securities and Exchange Act of 1934 or parts 563b, 563d, or 563g of this chapter.

(3) *Compliance.* When the OTS determines that a savings association's regulatory reports did not conform to regulatory reporting requirements in previous reporting periods, the association shall correct its regulatory reports in accordance with the directions of the OTS.

§ 562.4 Audit of savings associations and savings association holding companies.

(a) *General.* The OTS may require, at any time, an independent audit of the financial statements of, or the application of procedures agreed upon by the OTS to a savings association, savings

and loan holding company, or affiliate (as defined by 12 CFR 563.41(b)(1)) by qualified independent public accountants when needed for any safety and soundness reason identified by the Director.

(b) *Audits required for safety and soundness purposes.* The OTS requires an independent audit for safety and soundness purposes:

(1) If a savings association has received a composite rating of 3, 4 or 5, as defined at § 516.3(c) of this chapter; or

(2) If, as of the beginning of its fiscal year, a savings and loan holding company controls savings association subsidiary(ies) with aggregate consolidated assets of \$500 million or more.

(c) *Procedures.* (1) When the OTS requires an independent audit because such an audit is needed for safety and soundness purposes, the Director shall determine whether the audit was conducted and filed in a manner satisfactory to the OTS.

(2) The Director may waive the independent audit requirement described at paragraph (b)(1) of this section, if the Director determines that an audit would not provide further information on safety and soundness issues relevant to the examination rating.

(d) *Qualifications for independent public accountants.* The audit shall be conducted by an independent public accountant who:

(1) Is registered or licensed to practice as a public accountant, and is in good standing, under the laws of the state or other political subdivision of the United States in which the savings association's or holding company's principal office is located;

(2) Agrees in the engagement letter to provide the OTS with access to and copies of any work papers, policies, and procedures relating to the services performed;

(3) Is in compliance with the American Institute of Certified Public Accountants' (AICPA) Code of Professional Conduct and meets the independence requirements and interpretations of the Securities and Exchange Commission and its staff; and

(4) Has received, or is enrolled in, a peer review program that meets guidelines acceptable to the OTS.

(e) *Voluntary audits.* When a savings association, savings and loan holding company, or affiliate (as defined by 12 CFR 563.41(b)(1)) obtains an independent audit voluntarily, it shall be performed only by an independent public accountant who satisfies the requirements of paragraphs (d)(1), (d)(2), and (d)(3) of this section.

[57 FR 14344, Apr. 20, 1992]

§ 563.4 [Reserved]

§ 563.5 Securities: Statement of non-insurance.

Every security issued by a savings association must include in its provisions a clear statement that the security is not insured by the Federal Deposit Insurance Corporation.

Subpart B—Operation and Structure

§ 563.22 Merger, consolidation, purchase or sale of assets, or assumption of liabilities.

(a) No savings association may, without application to and approval by the Office:

(1) Combine with any insured depository institution, if the acquiring or resulting institution is to be a savings association; or

(2) Assume liability to pay any deposit made in, any insured depository institution.

(b)(1) No savings association may, without notifying the Office, as provided in paragraph (h)(1) of this section:

(i) Combine with another insured depository institution where a savings association is not the resulting institution; or

(ii) In the case of a savings association that meets the conditions for expedited treatment under § 516.3(a) of this chapter, convert, directly or indirectly, to a national or state bank.

(2) No savings association that does not meet the conditions for expedited treatment under § 516.3(a) of this chapter may, directly or indirectly, convert to a national or state bank without prior application to and approval of the Office, as provided in paragraph (h)(2)(ii) of this section.

(c) No savings association may make any transfer (excluding transfers subject to paragraphs (a) or (b) of this section) without notice or application to

the Office, as provided in paragraph (h)(2) of this section. For purposes of this paragraph, the term “transfer” means purchases or sales of assets or liabilities in bulk not made in the ordinary course of business including, but not limited to, transfers of assets or savings account liabilities, purchases of assets, and assumptions of deposit accounts or other liabilities, and combinations with a depository institution other than an insured depository institution.

(d)(1) In determining whether to confer approval for a transaction under paragraphs (a), (b)(2), or (c) of this section, the Office shall take into account the following:

(i) The capital level of any resulting savings association;

(ii) The financial and managerial resources of the constituent institutions;

(iii) The future prospects of the constituent institutions;

(iv) The convenience and needs of the communities to be served;

(v) The conformity of the transaction to applicable law, regulation, and supervisory policies;

(vi) Factors relating to the fairness of and disclosure concerning the transaction, including, but not limited to:

(A) *Equitable treatment.* The transaction should be equitable to all concerned—savings account holders, borrowers, creditors and stockholders (if any) of each savings association—giving proper recognition of and protection to their respective legal rights and interests. The transaction will be closely reviewed for fairness where the transaction does not appear to be the result of arms’ length bargaining or, in the case of a stock savings association, where controlling stockholders are receiving different consideration from other stockholders. No finder’s or similar fee should be paid to any officer, director, or controlling person of a savings association which is a party to the transaction.

(B) *Full disclosure.* The filing should make full disclosure of all written or oral agreements or understandings by which any person or company will receive, directly or indirectly, any money, property, service, release of pledges made, or other thing of value,

whether tangible or intangible, in connection with the transaction.

(C) *Compensation to officers.* Compensation, including deferred compensation, to officers, directors and controlling persons of the disappearing savings association by the resulting institution or an affiliate thereof should not be in excess of a reasonable amount, and should be commensurate with their duties and responsibilities. The filing should fully justify the compensation to be paid to such persons. The transaction will be particularly scrutinized where any of such persons is to receive a material increase in compensation above that paid by the disappearing savings association prior to the commencement of negotiations regarding the proposed transaction. An increase in compensation in excess of the greater of 15% or \$10,000 gives rise to presumptions of unreasonableness and sale of control. In the case of such an increase, evidence sufficient to rebut such presumptions should be submitted.

(D) *Advisory boards.* Advisory board members should be elected for a term not exceeding one year. No advisory board fees should be paid to salaried officers or employees of the resulting savings association. The filing should describe and justify the duties and responsibilities and any compensation paid to any advisory board of the resulting savings association that consists of officers, directors or controlling persons of the disappearing institution, particularly if the disappearing institution experienced significant supervisory problems prior to the transaction. No advisory board fees should exceed the director fees paid by the resulting savings association. Advisory board fees that are in excess of 115 percent of the director fees paid by the disappearing savings association prior to commencement of negotiations regarding the transaction give rise to presumptions of unreasonableness and sale of control unless sufficient evidence to rebut such presumptions is submitted. Rebuttal evidence is not required if:

(1) The advisory board fees do not exceed the fee that advisory board members of the resulting institution receive

for each monthly meeting attended or \$150, whichever is greater; or

(2) The advisory board fees do not exceed \$100 per meeting attended for disappearing savings associations with assets greater than \$10,000,000 or \$50 per meeting attended for disappearing savings associations with assets of \$10,000,000 or less, based on a schedule of 12 meetings per year.

(E) The accounting and tax treatment of the transaction; and

(F) Fees paid and professional services rendered in connection with the transaction.

(2) In conferring approval of a transaction under paragraph (a) of this section, the Office also will consider the competitive impact of the transaction, including whether:

(i) The transaction would result in a monopoly, or would be in furtherance of any monopoly or conspiracy to monopolize or to attempt to monopolize the savings association business in any part of the United States; or

(ii) The effect of the transaction on any section of the country may be substantially to lessen competition, or tend to create a monopoly, or in any other manner would be in restraint of trade, unless the Office finds that the anticompetitive effects of the proposed transaction are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the communities to be served.

(3) Applications and notices filed under this section shall be upon forms prescribed by the Office.

(4) Applications filed under section 5(d)(3) of the Federal Deposit Insurance Act (12 U.S.C. 1815(d)(3)) and paragraph (a) of this section shall be processed in accordance with the time frames set forth in §516.2 of this chapter, provided that the period for review may be extended only if the Office determines that the applicant has failed to furnish all requested information or that the information submitted is substantially inaccurate, in which case the review period may be extended for up to 30 days.

(e)(1) Unless the OTS finds that it must act immediately in order to prevent the probable default of one of the

savings associations involved, the applicant must publish a public notice of the application in accordance with the procedures specified in subpart B of part 516 of this chapter. In addition to initial publication, the applicant must publish on a weekly basis during the period allowed for furnishing reports under paragraph (e)(2) of this section.

(2) Unless the Office determines that action must be taken immediately in order to prevent the probable default of one of the savings associations involved, the Office shall request reports from the Attorney General, the Comptroller of the Currency, the Board of Governors of the Federal Reserve System and the Federal Deposit Insurance Corporation on the competitive factors involved in the transaction. The reports shall be furnished within thirty calendar days of the date on which they are requested, or within ten calendar days of such date if the Office advised the Attorney General and the other three banking agencies that an emergency exists requiring expeditious action. The Office shall immediately notify the Attorney General of any approval of a transaction pursuant to this section.

(3) If the Office has found that it must act immediately to prevent the probable default of one of the savings associations involved and the reports on the competitive factors have been dispensed with, the transaction may be consummated immediately upon approval by the Office and any applicable state regulatory authorities. If the Office has advised the Attorney General and the other three banking agencies of the existence of an emergency requiring expeditious action and has requested reports on the competitive factors within ten days, the transaction may not be consummated before the fifth calendar day after the date of approval by the Office. In all other cases, the transaction may not be consummated before the thirtieth calendar day after the date of approval by the Office.

(4) Commenters may submit comments on the application in accordance with the procedures set forth in subpart C of part 516 of this chapter, except that comments may be submitted at any time during the period described

in paragraph (e)(2) of this section. The OTS may arrange informal or formal meetings in accordance with the procedures set forth in subpart D of part 516 of this chapter.

(5) Notice of a proposed account transfer and the option of retaining the account in the transferring savings association shall be furnished to an affected accountholder:

(i) By a savings association transferring account liabilities to an institution the accounts of which are not insured by the Savings Association Insurance Fund, the Bank Insurance Fund, or the National Credit Union Share Insurance Fund; and

(ii) By any mutual savings association transferring account liabilities to a stock form depository institution. The required notice shall allow affected accountholders at least 30 days to consider whether to retain their accounts in the transferring savings association.

(f) *Automatic approvals by the Office.* Applications filed pursuant to paragraph (a) of this section shall be deemed to be approved automatically by the Office 30 calendar days after the Office sends written notice to the applicant that the application is complete, unless:

(1) The acquiring savings association does not meet the criteria for expedited treatment under §516.3(a)(1) of this chapter;

(2) The OTS recommends the imposition of non-standard conditions prior to approving the application;

(3) The OTS suspends the applicable processing time frames under §516.190 of this chapter;

(4) The OTS raises objections to the transaction;

(5) The resulting savings association would be one of the 3 largest depository institutions competing in the relevant geographic area where before the transaction there were 5 or fewer depository institutions, the resulting savings association would have 25 percent or more of the total deposits held by depository institutions in the relevant geographic area, and the share of total deposits would have increased by 5 percent or more;

(6) The resulting savings association would be one of the 2 largest depository

institutions competing in the relevant geographic area where before the transaction there were 6 to 11 depository institutions the resulting savings association would have 30 percent or more of the total deposits held by depositing institutions in the relevant geographic area, and the share of total deposits would have increased by 10 percent or more;

(7) The resulting savings association would be one of the 2 largest depository institutions competing in the relevant geographic area where before the transaction there were 12 or more depository institutions, the resulting savings association would have 35 percent or more of the total deposits held by the depository institutions in the relevant geographic area, and the share of total deposits would have increased by 15 percent or more;

(8) The Herfindahl-Hirschman Index (HHI) in the relevant geographic area was more than 1800 before the transaction, and the increase in the HHI used by the transaction would be 50 or more;

(9) In a transaction involving potential competition, the OTS determines that the acquiring savings association is one of three or fewer potential entrants into the relevant geographic area;

(10) The acquiring savings association has assets of \$1 billion or more and proposes to acquire assets of \$1 billion or more;

(11) The savings association that will be the resulting savings association in the transaction has a composite Community Reinvestment Act rating of less than satisfactory, or is otherwise seriously deficient with respect to the Office's nondiscrimination regulations and the deficiencies have not been resolved to the satisfaction of the OTS;

(12) The transaction involves any supervisory or assistance agreement with the Office, the Resolution Trust Corporation, or the Federal Deposit Insurance Corporation;

(13) The transaction is part of a conversion under part 563b of this chapter;

(14) The transaction raises a significant issue of law or policy; or

(15) The transaction is opposed by any constituent institution or contested by a competing acquiror.

(g) *Definitions.* (1) The terms used in this section shall have the same meaning as set forth in §552.13(b) of this chapter.

(2) *Insured depository institution.* *Insured depository institution* has the same meaning as defined in section 3(c)(2) of the Federal Deposit Insurance Act.

(3) With regard to paragraph (f) of this section, the term *relevant geographic area* is used as a substitute for *relevant geographic market*, which means the area within which the competitive effects of a merger or other combination may be evaluated. The relevant geographic area shall be delineated as a county or similar political subdivision, an area smaller than a county, or an aggregation of counties within which the merging or combining insured depository institutions compete. In addition, the Office may consider commuting patterns, newspaper and other advertising activities, or other factors as the Office deems relevant.

(h) *Special requirements and procedures for transactions under paragraphs (b) and (c) of this section—*(1) *Certain transactions with no surviving savings association.* The Office must be notified of any transaction under paragraph (b)(1) of this section. Such notification must be submitted to the OTS at least 30 days prior to the effective date of the transaction, but not later than the date on which an application relating to the proposed transaction is filed with the primary regulator of the resulting institution; the Office may, upon request or on its own initiative, shorten the 30-day prior notification requirement. Notifications under this paragraph must demonstrate compliance with applicable stockholder or accountholder approval requirements. Where the savings association submitting the notification maintains a liquidation account established pursuant to part 563b of this chapter, the notification must state that the resulting institution will assume such liquidation account.

The notification may be in the form of either a letter describing the material features of the transaction or a copy of a filing made with another Federal or state regulatory agency seeking approval from that agency for the transaction under the Bank Merger Act

or other applicable statute. If the action contemplated by the notification is not completed within one year after the Office's receipt of the notification, a new notification must be submitted to the Office.

(2) *Other transfer transactions*—(i) *Expedited treatment*. A notice in conformity with § 516.3(a)(2) of this chapter may be submitted to the Office for any transaction under paragraph (c) of this section, provided all constituent savings associations meet the conditions for expedited treatment under § 516.3(a) of this chapter. Notices submitted under this paragraph shall be deemed approved automatically by the Office 30 calendar days after receipt, unless the Office advises the applicant in writing prior to the expiration of such period that the proposed transaction may not be consummated without the Office's approval of an application under paragraphs (h)(2)(ii) or (h)(2)(iii) of this section.

(ii) *Standard treatment*. An application in conformity with § 516.3(b)(2) of this chapter and paragraph (d) of this section must be submitted to and approved by the Office by each savings association participating in a transaction under paragraph (b)(2) or (c) of this section, where any constituent savings association does not meet the conditions for expedited treatment under § 516.3(a) of this chapter, except as provided in paragraph (h)(2)(iii) of this section. Applications under this paragraph shall be processed in accordance with the time frames set forth in § 516.2 of this chapter.

(iii) *Standard treatment for transactions under section 5(d)(3) of the Federal Deposit Insurance Act*. An application in conformity with § 516.3(b)(2) of this chapter and paragraph (d) of this section must be submitted to and approved by the Office by each savings association which will survive any transaction under both § 5(d)(3) of the Federal Deposit Insurance Act (12 U.S.C. 1815(d)(3)) and paragraph (c) of this section, where any constituent savings association does not meet the conditions for expedited treatment under § 516.3(a) of this chapter. Applications under this paragraph shall be processed in accordance with the time frames set forth in § 516.2 of this chap-

ter, provided that the period for review may be extended only if the Office determines that the applicant has failed to furnish all requested information or that the information submitted is substantially inaccurate, in which case the review period may be extended for up to 30 days.

§ 563.27 Advertising.

§ 563.33 Directors, officers, and employees.

(a) *Directors*—(1) *Requirements*. The composition of the board of directors of a savings association must be in accordance with the following requirements:

(i) A majority of the directors must not be salaried officers or employees of the savings association or of any subsidiary or (except in the case of a savings association having 80% or more of any class of voting shares owned by a holding company) any holding company affiliate thereof.

(ii) Not more than two of the directors may be members of the same immediate family.

(iii) Not more than one director may be an attorney with a particular law firm.

(2) *Prospective application*. In the case of an association whose board of directors does not conform with any requirement set forth in paragraph (a)(1) of this section as of October 5, 1983, this paragraph (a) shall not prohibit the uninterrupted service, including reelection and re-appointment, of any person serving on the board of directors at that date.

(b) [Reserved]

[54 FR 49552, Nov. 30, 1989, as amended at 58 FR 4313, Jan. 14, 1993]

§ 563.36 Tying restriction exception.

(a) *Safe harbor for combined-balance discounts.* A savings and loan holding company or any savings association or any affiliate of either may vary the consideration for any product or package of products based on a customer's maintaining a combined minimum balance in certain products specified by the company varying the consideration (eligible products), if:

(1) That company (if it is a savings association) or a savings association affiliate of that company (if it is not a savings association) offers deposits, and all such deposits are eligible products; and

(2) Balances in deposits count at least as much as non-deposit products toward the minimum balance.

(b) *Limitations on exception.* This exception shall terminate upon a finding by the OTS that the arrangement is resulting in anti-competitive practices. The eligibility of a savings and loan holding company or savings association or affiliate of either to operate under this exception shall terminate upon a finding by the OTS that its exercise of this authority is resulting in anti-competitive practices.

§ 563.39 Employment contracts.

(a) *General.* A savings association may enter into an employment contract with its officers and other employees only in accordance with the requirements of this section. All employment contracts shall be in writing and shall be approved specifically by an association's board of directors. An association shall not enter into an employment contract with any of its officers or other employees if such contract would constitute an unsafe or unsound practice. The making of such an employment contract would be an unsafe or unsound practice if such contract could lead to material financial loss or damage to the association or could interfere materially with the exercise by the members of its board of directors of their duty or discretion pro-

vided by law, charter, bylaw or regulation as to the employment or termination of employment of an officer or employee of the association. This may occur, depending upon the circumstances of the case, where an employment contract provides for an excessive term.

(b) *Required provisions.* Each employment contract shall provide that:

(1) The association's board of directors may terminate the officer or employee's employment at any time, but any termination by the association's board of directors other than termination for cause, shall not prejudice the officer or employee's right to compensation or other benefits under the contract. The officer or employee shall have no right to receive compensation or other benefits for any period after termination for cause. Termination for cause shall include termination because of the officer or employee's personal dishonesty, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of any law, rule, or regulation (other than traffic violations or similar offenses) or final cease-and-desist order, or material breach of any provision of the contract.

(2) If the officer or employee is suspended and/or temporarily prohibited from participating in the conduct of the association's affairs by a notice served under section 8 (e)(3) or (g)(1) of Federal Deposit Insurance Act (12 U.S.C. 1818 (e)(3) and (g)(1)) the association's obligations under the contract shall be suspended as of the date of service unless stayed by appropriate proceedings. If the charges in the notice are dismissed, the association may in its discretion (i) pay the officer or employee all or part of the compensation withheld while its contract obligations were suspended, and (ii) reinstate (in whole or in part) any of its obligations which were suspended.

(3) If the officer or employee is removed and/or permanently prohibited from participating in the conduct of the association's affairs by an order issued under section 8 (e)(4) or (g)(1) of the Federal Deposit Insurance Act (12

U.S.C. 1818 (e)(4) or (g)(1)), all obligations of the association under the contract shall terminate as of the effective date of the order, but vested rights of the contracting parties shall not be affected.

(4) If the savings association is in default (as defined in section 3(x)(1) of the Federal Deposit Insurance Act), all obligations under the contract shall terminate as of the date of default, but this paragraph (b)(4) shall not affect any vested rights of the contracting parties: *Provided*, that this paragraph (b)(4) need not be included in an employment contract if prior written approval is secured from the Director or his or her designee.

(5) All obligations under the contract shall be terminated, except to the extent determined that continuation of the contract is necessary of the continued operation of the association

(i) By the Director or his or her designee, at the time the Federal Deposit Insurance Corporation or Resolution Trust Corporation enters into an agreement to provide assistance to or on behalf of the association under the authority contained in 13(c) of the Federal Deposit Insurance Act; or

(ii) By the Director or his or her designee, at the time the Director or his or her designee approves a supervisory merger to resolve problems related to operation of the association or when the association is determined by the Director to be in an unsafe or unsound condition.

Any rights of the parties that have already vested, however, shall not be affected by such action.

§ 563.41 Loans and other transactions with affiliates and subsidiaries.

(a) *Restrictions on transactions with affiliates and subsidiaries.* A savings association and its subsidiaries may engage in a covered transaction with an affiliate only if the transaction is permissible under section 23A of the Federal Reserve Act, 12 U.S.C. 371c, and the additional restrictions set forth in this section, as follows:

(1) A savings association and its subsidiaries may engage in a covered transaction with an affiliate only if:

(i) In the case of any affiliate, the aggregate amount of covered trans-

actions of the savings association and its subsidiaries shall not exceed 10 percentum of the capital stock and surplus of the savings association; and

(ii) In the case of all affiliates, the aggregate amount of covered transactions of the savings association and its subsidiaries shall not exceed 20 percentum of the capital stock and surplus of the savings association;

(2) For purposes of paragraph (a)(1) of this section, any transaction by a savings association or its subsidiaries with any person shall be deemed to be a transaction with an affiliate to the extent that proceeds of the transaction are used for the benefit of, or transferred to, that affiliate;

(3) A savings association (or its subsidiary) may not make a loan or other extension of credit to an affiliate, unless the affiliate is engaged solely in activities described in 12 U.S.C. 1467a(c)(2)(F)(i), as defined in § 584.2-2 of this chapter. For the purposes of this paragraph (a)(3), a loan or other extension of credit includes a purchase of assets from an affiliate that is subject to the affiliate's agreement to repurchase the assets. Such a purchase of assets, however, will not be considered a loan or other extension of credit if the savings association (or its subsidiary) has entered into a transaction or series of transactions that meets all of the following requirements:

(i) The savings association (or its subsidiary) purchases United States Treasury securities from the affiliate, the affiliate agrees to repurchase the securities at the end of a stated term, the remaining term of the securities purchased by the savings association (or its subsidiary) exceeds the term of the affiliate's repurchase agreement, and the savings association (or its subsidiary) has possession or control of the securities and the right to dispose of the securities at any time during the term of the agreement and upon default.

(ii) The affiliate purchases United States Treasury securities from the savings association (or its subsidiary) and the savings association (or its subsidiary) agrees to repurchase the securities at the end of a stated term.

(iii) The aggregate amount of the affiliate's outstanding obligations to repurchase securities from the savings association (or its subsidiary) under the repurchase obligation described at paragraph (a)(3)(i) of this section, at all times, is less than the aggregate amount of the savings association's (or its subsidiary's) outstanding obligations to repurchase securities from the affiliate under paragraph (a)(3)(ii) of this section;

(4) A savings association and its subsidiaries may not purchase or invest in the securities of any affiliate other than with respect to shares of a subsidiary which, for purposes of this paragraph (a)(4), shall include a bank and a savings association;

(5) A savings association and its subsidiaries may not purchase a low-quality asset from an affiliate unless the association or such subsidiary, pursuant to an independent credit evaluation, committed itself to purchase the asset prior to the time the asset was acquired by the affiliate; and

(6) Any covered transactions and any transactions exempt under paragraph (d) of this section and section 23A(d) of the Federal Reserve Act, 12 U.S.C. 371c(d), between a savings association or its subsidiaries and an affiliate shall be on terms and conditions that are consistent with safe and sound banking practices.

(v) Any company: (A) That the Office or the Board of Governors of the Federal Reserve System determines by regulation or order to have a relationship with the savings association or any subsidiary or affiliate of the savings association such that covered transactions by the savings association or its subsidiary with that company may be affected by the relationship to the detriment of the savings association or its subsidiary; or

(B) That the Office determines presents a risk to the safety or soundness of the savings association, based on the nature of the activities conducted by the company, amount of transactions with the savings associations or its subsidiaries, financial condition of the company or its parent savings association, or other supervisory factors;

(2) The following shall not be considered to be an affiliate:

(i) Any company, other than a bank or savings association, that is a subsidiary of a savings association, unless a determination is made by the Board of Governors of the Federal Reserve System under section 23A(b)(1)(E) of the Federal Reserve Act, 12 U.S.C. 371c(b)(1)(E), or by the Office under § 563.41(b)(1)(v), not to exclude the subsidiary company from the definition of affiliate and, provided that any company that would be an affiliate under paragraph (b)(1) of this section but for the fact that it is a subsidiary of a savings association, shall nonetheless be deemed to be an affiliate unless the Office determines to exclude such company from the definition of affiliate;

(3)(i) A company or shareholder shall be deemed to have control over another company if:

(A) The company or shareholder, directly or indirectly, or acting through one or more other persons owns, controls, or has power to vote 25 per centum or more of any class of voting securities of the other company;

(B) The company or shareholder would be deemed to control the company under § 574.4(a) of this chapter, or presumed to control the company under § 574.4(b) of this chapter, and in the latter case, control has not been rebutted; and

(ii) Notwithstanding any other provision of this section, no company shall be deemed to own or control another company by virtue of its ownership or control of shares in a fiduciary capacity, except as provided in paragraph (b)(1)(iii) of this section;

(4) The term *subsidiary*, when used in connection with a savings association means a company that is controlled by that savings association within the meaning of part 574 of this chapter;

(8) The term *aggregate amount of covered transactions* means the amount of the covered transactions about to be engaged in added to the current amount of all outstanding covered transactions. For this purpose, the outstanding balance of any credits extended to an affiliate shall be added to the value of any asset acquired from the affiliate (or all affiliates), as reflected on the financial records of the savings association or its subsidiaries, subject to the following conditions:

(i) With respect to a loan or extension of credit made by the savings association or its subsidiaries, any principal amount that has been amortized may be deducted from the *aggregate amount of covered transactions*;

(ii) With respect to a purchase of assets by the savings association or its subsidiaries:

(A) Any amounts of depreciation that have been deducted from the cost of an asset for federal income tax purposes by the purchaser may be deducted from the *aggregate amount of covered transactions*; and

(B) Upon the sale of an asset that was previously purchased in a covered transaction, the *aggregate amount of covered transactions* shall be reduced by an amount equal to the purchase price of the asset at the time of the covered

transaction less depreciation subsequently taken and previously deducted from the *aggregate amount of covered transactions*;

(f) *Supervisory objection.* No application or approval of the issuance of mutual capital certificates pursuant to this section shall be approved if, in the

opinion of the Office, the policies, condition, or operation of the applicant afford a basis for supervisory objection to the application.

(g) *Limitation on offering period.* Following the date of the approval of the application by the Office, the association shall have an offering period of not more than one year in which to complete the sale of the mutual capital certificates issued pursuant to this section. The Office may in its discretion extend such offering period if a written request showing good cause for such extension is filed with it not later than 30 days before the expiration of such offering period or any extension thereof.

(h) *Reports.* Within 30 days after completion of the sale of mutual capital certificates issued pursuant to this section, the association shall transmit to the OTS a written report stating the total dollar amount of securities sold, and the amount of net proceeds received by the association, and within 90 days it shall transmit a written report stating the number of purchasers.

(i) *Requirements as to mutual capital certificates—(1) Form of certificate.* Each mutual capital certificate and any governing agreement evidencing a mutual capital certificate issued by an association pursuant to this section:

(i) Shall bear on its face, in bold-face type, the following legend: "This security is not a savings account or a deposit and it is not insured by the United States or any agency or fund of the United States"; and

(ii) Shall clearly state that the certificate is subject to the requirements of § 563.74(i)(2).

(2) *Legal requirements.* Mutual capital certificates issued pursuant to this section shall:

(i) Be subordinate to all claims against the association having the same priority as savings accounts, savings certificates, debt obligations or any higher priority;

(ii) Not be eligible for use as collateral for any loan made by the issuing association;

(iii) Constitute a claim in liquidation not exceeding the face value plus accrued dividends of the certificates, on the general reserves, surplus and undivided profits of the association remaining after the payment in full of all sav-

ings accounts, savings certificates and debt obligations;

(iv) Be entitled to the payment of dividends, which may be fixed, variable, participating, or cumulative, or any combination thereof, only if, when and as declared by the association's board of directors out of funds legally available for that purpose, provided that no dividend may be declared or paid without the approval of the Office if such payment would cause the association to fail to meet its regulatory capital requirement under § 567.2 of this chapter, and provided further that no dividend may be paid if such payment would constitute a violation of 12 U.S.C. 1828(b);

(v) Not be redeemable, except: (A) Where the dollar weighted average term of each issue of mutual capital certificates to be redeemed is seven years or more and redemption is to be made pursuant to a redemption schedule; (B) in the event of a merger, consolidation or reorganization approved by the Office; or (C) where the funds for redemption are raised by the issuance of mutual capital certificates approved pursuant to this section, or in conjunction with the issuance of capital stock pursuant to part 563b of this chapter: *Provided*, that mandatory redemption shall not be required; that mutual capital certificates shall not be redeemable on the demand or at the option of the holder; and that mutual capital certificates shall not receive, benefit from, be credited with or otherwise be entitled to or due payments in or for redemption if such payments would cause the association to fail to meet its regulatory capital requirement under § 567.2 of this chapter; *And Provided further*, for the purposes of this paragraph (i)(2)(v), the "dollar weighted average term" of an issue of mutual capital certificates shall be the sum of the products calculated for each year that the mutual capital certificates in the issue have been redeemed or are scheduled to be redeemed. Each product shall be calculated by multiplying the number of years of each mutual capital certificate of a given term by a fraction, the numerator of which shall be the total dollar amount of each mutual capital certificate in the issue with the same term and the denominator of

which shall be the total dollar amount of mutual capital certificates in the entire issue;

(vi) Not have preemptive rights;

(vii) Not have voting rights, except that an association may provide for voting rights if:

(A) The savings association fails to pay dividends for a minimum of three consecutive dividend periods, and then the holders of the class or classes of mutual capital certificates granted such voting rights, and voting as a single class, with one vote for each outstanding certificate, may elect by a majority vote a maximum of one-third of the association's board of directors, the directors so elected to serve until the next annual meeting of the association succeeding the payment of all current and past dividends;

(B) Any merger, consolidation, or reorganization (except in a supervisory case) is sought to be authorized, where the issuing association is not the survivor, provided that the regulatory capital of the resulting association available for payment of any class of mutual capital certificate on liquidation is less than the regulatory capital available for such class prior to the merger, consolidation, or reorganization;

(C) Action is sought to be authorized which would create any class of mutual capital certificates having a preference or priority over an outstanding class or classes of mutual capital certificates;

(D) Any action is sought to be authorized which would adversely change the specific terms of any class of mutual capital certificates;

(E) Action is sought to be authorized which would increase the number of a class of mutual capital certificates, or the number of a class of mutual capital certificates ranking prior to or on parity with another class of mutual capital certificates; or

(F) Action is sought which would authorize the issuance of an additional class or classes of mutual capital certificates without the association having met specific financial standards;

(viii) Not constitute an obligation of the association and shall confer no rights which would give rise to any claim of or action for default;

(ix) Not be convertible into any account, security, or interest, except that mutual capital certificates may be surrendered in exchange for preferred stock issued in connection with the conversion of the issuing savings association to the stock form pursuant to part 563b of this chapter, provided that the preferred stock shall have substantially the same voting rights, designations, preferences and relative, participating optional, or other special rights, and qualifications, limitations, and restrictions, as the mutual capital certificates exchanged for the preferred stock.

(x) Provide for charging of losses after the exhaustion of all other items in the regulatory capital account.

(3) No offers or sales are made by tellers or at the teller counter, or by comparable persons at comparable locations;

(7) A legend that the security is not a deposit or account and is not federally insured or guaranteed appears conspicuously on the security and in all offering documents and advertisements for the securities; the legend must state in bold or other prominent type at least as large as other textual type in the document that "This security is not a deposit or account and is not federally insured or guaranteed"; and

(8) The savings association will be in compliance with its current capital requirements upon completion of the conversion stock offering.

(b) Securities sales practices, advertisements, and other sales literature used in connection with offers and sales of securities by savings associations shall be subject to § 563g.10 of this chapter.

§ 563.80 Borrowing limitations.

(a) *General.* Except as the Office otherwise may permit by advice in writing, a savings association may borrow only in accordance with the provisions of this section.

(b) *Amount of borrowing.* A savings association may borrow up to the amount authorized by the laws under which the savings association operates.

(c) *Security.* An association may give security for borrowings subject to any requirements imposed by the Office or the FDIC regarding notice of default on borrowings and any FDIC right of first refusal to purchase collateral.

(d) *Required statement for all securities evidencing outside borrowings.* Each security shall bear on its face, in a prominent place, the following legend:

This security is not a savings account or a deposit and it is not insured by the United States or any agency or fund of the United States.

(e) *Filing requirements for outside borrowings with maturities in excess of one year.* (1) Unless the savings association meets its capital requirement under part 567 of this chapter, it shall, at least ten business days prior to issuance, file with the Regional Director or his or her designee a notice of intent to issue securities evidencing such borrowings. Such notice shall contain a summary of the items of the security, including:

(i) Principal amount of the securities;

(2) The OTS shall have 10 business days after receipt of such filing to object to the issuance of such securities. The OTS shall object if the terms or covenants of the proposed issue place unreasonable burdens on, or control over, the operations of the association. If no objection is taken, the savings association shall have 120 calendar days within which to issue such securities.

(f) *Note accounts.* For purposes of this section, note accounts are not borrowings.

§ 563.81 Issuance of subordinated debt securities and mandatorily redeemable preferred stock.

(a) *General*—(1) *Savings associations receiving standard treatment.* No savings association subject to standard treatment of its applications, as defined at § 516.3(b) of this chapter, shall issue subordinated debt securities or mandatorily redeemable preferred stock includable in regulatory capital pursuant to this section or amend the terms of such securities unless it has obtained the written approval of the OTS. Approval of the issuance under this section, in order to meet the requirements of § 567.5 of this chapter, may be obtained either before or after the securities are issued. No approval shall be granted unless issuance of the securities and the form and manner of filing of the application are in accordance with the provisions of this section.

(2) *Savings associations receiving expedited treatment.* No savings association eligible for expedited treatment, as defined at § 516.3(a) of this chapter, shall issue subordinated debt securities or

mandatorily redeemable preferred stock pursuant to this section for inclusion in regulatory capital or amend the terms of such securities unless it provides notice to the OTS, and such notice contains a statement of the association's intent to include such securities in regulatory capital. Notice should be made 30 days in advance of an issuance of subordinated debt securities or mandatorily redeemable preferred stock under this section, if the association intends to qualify such securities or stock as supplementary capital under § 567.5(b)(2) of this chapter. Notice may be made either before or after such securities are issued, but will only be includable in regulatory capital (to the extent permitted by § 567.5(b) of this chapter) if the issuance of the securities and the filing of the notice are in accordance with the provisions of this section and the savings association certifies, in writing, to the Office that all regulatory requirements have been met. The Office reserves the right to determine after the 30-day notice period has expired that the issuance does not comply with the requirements of this section or those of Part 567 for inclusion in capital.

(b) *Eligibility requirements.* In determining whether an issuance of subordinated debt securities or mandatorily redeemable preferred stock is includable in the regulatory capital of a savings association pursuant to this section, the OTS will consider the following factors:

(1) Whether the issuance of such securities by the savings association is authorized by applicable law and regulation and is not inconsistent with any provision of the savings association's charter or bylaws. Proof of such provision shall be submitted with the notice or application;

(2)(i) Whether, in the opinion of the OTS the overall policies, condition and operation of the savings association do not afford a basis for supervisory objection to the application or notice. The OTS shall establish guidelines that shall identify supervisory bases that may be used to object to the inclusion of specific subordinated debt and preferred stock issuances as regulatory capital. Such guidelines shall constitute illustrative but not exclusive

bases for supervisory objection to subordinated debt and mandatorily redeemable preferred stock applications and notices. Such bases for supervisory objection may include, but are not limited to instances where:

(A) Regulatory capital, without regard to the amount of any subordinated debt and mandatorily redeemable preferred stock to be included in regulatory capital, does not meet the requirements of § 567.2 of this chapter;

(B) Actual and expected losses have not been offset by specific and general valuation allowances to the extent required pursuant to § 563.160 and § 563.172 of this part; and

(C) Actual and anticipated income from operations, after distribution of earnings to the holders of savings accounts, payment of dividends on outstanding equity securities and payment of interest on borrowings but before income taxes, is not demonstrably sufficient for payment of dividends and redemption price, discount and related expenses of the proposed issuance.

(ii) The OTS may modify the guidelines in paragraph (b)(2)(i) of this section from time to time, as appropriate, and any such changes shall be effective for those applications and notices filed after the date of the changes to the guidelines and for those applications and notices submitted to the OTS but not yet deemed "complete."

(3) Whether the issuance of such securities by the savings association in the transaction and any related transactions will result in a transfer of risk from the Savings Association Insurance Fund or the Bank Insurance Fund, as the case may be, to parties other than savings associations. In this connection, the issuance of subordinated debt securities shall not be deemed to result in a sufficient transfer of risk if such securities or any indenture or related agreement pursuant to which they are issued provides for events of default or includes other provisions that could result in a mandatory prepayment of principle by declaration or otherwise, other than events of default arising out of the obligor's failure to make timely payment of interest and principal, its failure to comply with reasonable financial, operating and maintenance covenants of a

type that are customarily included in indentures relating to publicly offered issues of debt securities, and events of default relating to certain events of bankruptcy or insolvency, receivership and similar events.

(c) *Form of application or notice; supporting information.* Applications subject to standard treatment under § 516.3(b) of this chapter, or notices eligible for expedited treatment under § 516.3(a) of this chapter, pursuant to this section, shall be in the form prescribed by the OTS. The form of application and instructions for a savings association subject to standard treatment, and instructions for a notice by a savings association subject to expedited treatment, may be obtained from the OTS. Information and exhibits shall be furnished in support of an application or notice in accordance with the applicable instructions, setting forth all of the terms and provisions relating to the proposed issuance and showing that all of the requirements of this section have been or will be met.

(d) *Requirements as to securities.* Subordinated debt securities and mandatorily redeemable preferred stock issued pursuant to this section shall meet all of the following requirements unless one or more of such requirements, not including paragraphs (d)(1)(i)(A) and (d)(1)(ii) of this section which are not eligible for waiver, are waived by the OTS:

(1) *Form of certificate.* Each certificate evidencing subordinated debt or mandatorily redeemable preferred stock issued by a savings association pursuant to this section shall:

(i) Bear on its face, in bold-face type, the following legends:

(A) "This security is not a savings account or deposit and it is not insured by the United States or any agency or fund of the United States"; and

(B) "Absent prior written approval by the Office, this security is not eligible for purchase by any savings association or a corporate affiliate thereof, except that this security may be purchased by a corporate affiliate of the issuer or by any diversified savings and loan holding company and any non-savings association subsidiary thereof."

(ii) Clearly state that the security—

(A) Is subordinated on liquidation, as to principal, interest, and premium, if any, to all claims (including post-default interest) against the savings association having the same priority as savings account holders or any higher priority;

(B) Is unsecured by the assets of the issuing association, or any of its affiliates; and

(C) Is not eligible as collateral for any loan by the issuing association.

(iii) In connection only with a certificate evidencing subordinated debt, state or refer to a document stating the terms under which the issuing savings association may prepay the obligation, which shall include at least the right to prepay without premium or other penalty during the fifteen months immediately prior to the maturity date;

(iv) State or refer to a document stating that, in connection with a certificate evidencing subordinated debt, no voluntary prepayment of principal shall be made and that no payment of principal shall be accelerated and, in connection with a certificate evidencing mandatorily redeemable preferred stock, no voluntary redemption, other than scheduled redemptions, shall be made without the approval of the OTS if the savings association is failing to meet its regulatory capital requirements under part 567 of this chapter or, if after giving effect to such payment, the association would fail to meet such regulatory capital requirements;

(v) State the limitations upon payment of interest or dividends, as appropriate imposed by 12 U.S.C. 1828(b); and

(vi) In connection only with a certificate evidencing subordinated debt, set forth, in the certificate and the purchase agreement or indenture, precisely the following statement:

Notwithstanding anything to the contrary in this certificate (or in any related document); (A) if the FDIC shall be appointed receiver for the issuer of this certificate (the "issuer") and in its capacity as such shall cause the issuer to merge with or into another financial institution, or in such capacity shall sell or otherwise convey part or all of the assets of the issuer to another financial institution or shall arrange for the assumption of less than all of the liabilities of the issuer by one or more other financial institutions, the FDIC shall have no obligation,

either in its capacity as receiver or in its corporate capacity, to contract for or to otherwise arrange for the assumption of the obligation represented by this certificate in whole or in part by any financial institution or institutions which results from any such merger or which has purchased or otherwise acquired from the FDIC as receiver for the issuer, any of the assets of the issuer, or which, pursuant to any arrangement with the FDIC, has assumed less than all of the liabilities of the issuer. To the extent that obligations represented by this certificate have not been assumed in full by a financial institution with or into which the issuer may have been merged, as described in this paragraph (A), and/or by one or more financial institutions which have succeeded to all or a portion of the assets of the issuer, or which have assumed a portion but not all of the liabilities of the issuer as a result of one or more transactions entered into by the FDIC as receiver for the issuer, then the holder of this certificate shall be entitled to payments on this obligation in accordance with the procedures and priorities set forth in any applicable receivership regulations or in orders of the FDIC relating to such receivership.

(B) In the event that the obligation represented by this certificate is assumed in full by another financial institution, which shall succeed by merger or otherwise to substantially all of the assets and the business of the issuer, or which shall by arrangement with the FDIC assume all or a portion of the liabilities of the issuer, and payment or provision for payment shall have been made in respect of all matured installments of interests upon the certificates together with all matured installments of principal on such certificates which shall have become due otherwise than by acceleration, then any default caused by the appointment of a receiver for the issuer shall be deemed to have been cured, and any declaration consequent upon such default declaring the principal and interest on the certificate to be immediately due and payable shall be deemed to have been rescinded.

(C) This security is not eligible to be purchased or held by any savings association or corporate affiliate thereof except that this security may be purchased or held by a corporate affiliate of the issuer or by a diversified savings and loan holding company and its non-savings association subsidiaries. The issuer of this security may not recognize on its transfer books any transfer made to a savings association or any corporate affiliate thereof (except as provided in the preceding sentence) and will not be obligated to make any payments of principal or interest on this security if the owner of this security is a savings association or any corporate affiliate thereof (except as provided in the preceding sentence).

(2) *Limitation as to term.* No subordinated debt security or mandatorily redeemable preferred stock issued by a savings association pursuant to this section shall have an original period to maturity or required redemption of less than seven years. During the first six years that such a security is outstanding, the total of all required sinking fund payments, other required prepayments, required purchase-fund payments, required reserve allocations and required redemptions with respect to the portion of such six years as have elapsed shall at no time exceed the original principal amount or original redemption price, thereof multiplied by a fraction, the numerator of which is the number of years that have elapsed since the issuance of the security and the denominator of which is the number of years covered by the original period to maturity or required redemption.

(3) *Limitations on sale to certain associations.* (i) No savings association may sell any subordinated debt securities issued pursuant to this section to a Federal Home Loan Bank or, except with prior written approval of the Office in a supervisory case, to the FDIC; and

(ii) Without the prior written approval of the Office, no savings association may sell, either directly or indirectly through an underwriter or otherwise, any subordinated debt securities issued pursuant to this section to a savings association or any corporate affiliate thereof, except that a savings association may sell such securities to its corporate affiliates or to a diversified savings and loan holding company and its non-savings association subsidiaries.

(4) *Indenture.* An issuer must use an indenture, as described herein, for subordinated debt securities offered pursuant to this section. Such an indenture must provide for the appointment of a trustee other than the obligor or an affiliate of the obligor (as defined in 12 CFR 583.2) and provide for the collective enforcement of the rights and remedies of the security holders, if the aggregate amount of debt securities "publicly offered" (sales in a private non-public offering as defined in 12 CFR 563.g.4 are excluded) and sold by a

single obligor in any consecutive twelve month period exceeds \$2,000,000 and/or \$5,000,000 in any consecutive thirty-six month period.

(e) [Reserved]

(f) *Additional requirements.* The Office may impose on the savings association such requirements or conditions with regard to the securities or the offering or issuance thereof as it may deem necessary or desirable for the protection of purchasers, the savings association, the Office, or the Savings Association Insurance Fund or the Bank Insurance Fund, as the case may be.

(g) *Limitation on offering period.* Following the date of approval of an application by a savings association subject to standard treatment by the OTS, or the earlier of the date of non-objection by the OTS of a notice by a savings association eligible for expedited treatment or 30 days after submission of a notice by such a savings association, unless the OTS has rejected such notice or issued a request for additional information on such notice, the association shall have an offering period of not more than one year in which to complete the sale of the subordinated debt securities or mandatorily redeemable preferred stock issued pursuant to this section. The Office may in its discretion extend such offering period if a written request showing good cause for such extension is filed with it not later than 30 days before the expiration of such offering period or any previous extension thereof.

(h) *Reports.* Within 30 days after completion of the sale of the subordinated debt securities or mandatorily redeemable preferred stock issued pursuant to this section, the savings association shall transmit a written report to the OTS stating the number of purchases, the total dollar amount of securities sold, and the amount of net proceeds received by the savings association. The association's report shall clearly state the amount of subordinated debt or mandatorily redeemable preferred stock, net of all expenses, that the association intends to be counted as regulatory capital.

(i)–(j) [Reserved]

(k) *Conditions of approval and acceptance for subordinated debt and mandatorily redeemable preferred stock*

applications and notices. Issuance of subordinated debt and mandatorily redeemable preferred stock applications and notices shall be subject to the following conditions:

(1) Where securities are to be sold pursuant to an offering circular required to be filed with the OTS pursuant to 12 CFR 563g.2, and where such offering circular has not yet been declared effective prior to the date of approval of or nonobjection to the subordinated debt or preferred stock application or notice, the offering circular in the form declared effective shall not disclose any material adverse information concerning the savings association's business, operations, prospects, or financial condition not disclosed in the latest form of offering circular filed as an exhibit to the application or notice;

(2) The savings association shall submit to the OTS no later than 30 days from the completion of the sale of the securities, certification of compliance with all applicable laws and regulations in connection with the offering, issuance, and sale of the securities;

(3) The savings association shall submit to the OTS no later than 30 days from the completion of the sale of the securities, the report(s) required by paragraph (h) of this section and the following additional items:

(i) Three copies of an executed form of the securities issued pursuant to the subject application or notice and a copy of any related agreement or indenture governing the issuance of securities; and

(ii) A certificate from the principal executive officer of the savings association that states that to the best of his or her knowledge, none of the securities issued pursuant to the subject application or notice were sold to any association whose accounts are insured by the Savings Association Insurance Fund, or a corporate affiliate thereof, except as permitted by 12 CFR 563.81;

(4) That as of the date of approval or nonobjection, there have been no material changes with respect to the information disclosed in the application or notice as submitted to the OTS;

(5) The savings association receives prior written approval or nonobjection from the OTS for any post-approval

amendment to the securities or any related indenture if:

(i) The proposed amendment modifies or is inconsistent with any provision of the securities, or the indenture that is required to be included therein by the OTS's regulations as may then be in effect or would result in a transfer of risk to the savings association or the Savings Association Insurance Fund or the Bank Insurance Fund, as appropriate; and

(ii) All or a portion of the proceeds from the issuance and sale of the securities would continue to be included in the regulatory capital of the savings association following adoption of the amendment;

(6) The savings association shall submit to the OTS promptly after execution, one copy of each amendment to the securities or the related indenture, made after approval or nonobjection, and if prior approval of or nonobjection to such amendment was not obtained, shall also state the reason(s) such prior approval or nonobjection was not required; and

(7) Before any offers or sales of the securities are made on the premises of the association or its affiliates, the savings association shall submit to the OTS a set of policies and procedures for such sale of the securities satisfactory to the OTS.

§ 563.84 Transfer and repurchase of government securities.

(a) A savings association shall not issue repurchase agreement obligations in denominations under \$100,000 with a maturity of 90 days or more evidencing an indebtedness arising from a transfer of direct obligations of, or obligations that are fully guaranteed as to principal and interest by, the United States or any agency thereof that the savings association is obligated to repurchase, unless such obligations are issued to financial institutions the accounts or deposits of which are insured by the Federal Deposit Insurance Corporation or to a broker or dealer registered with the Securities and Exchange Commission.

(b) Any repurchase agreement obligation under \$100,000 with a maturity of less than 90 days shall meet the following requirements.

(1) *Legend.* Each repurchase agreement and all advertisements and offering documents relating to repurchase agreements shall state, on their face, in plainly legible form, the following legend:

This obligation is not a savings account or a deposit and is not insured by the Federal Deposit Insurance Corporation.

(2) *Prohibited representations.* A savings association issuing repurchase agreements shall not use in its agreements, advertisements, or offering documents the terms “guaranteed,” “no risk,” “account,” “deposit,” “withdraw” or other terms which imply that the repurchase agreement is insured or guaranteed by the United States government, an agency of the United States government, or any third party; or the term “fund” or other terms which imply that the repurchase agreement is an interest in an investment company.

(3) *Security interest.* The interest of a repurchase agreement purchaser in the security or securities underlying the repurchase agreement shall constitute a perfected security interest under applicable state law.

(4) *Value of collateral.* The market value of the security or securities underlying a repurchase agreement shall be at least equal to the principal amount of the issuing savings association’s repurchase agreement obligation as of a date certain in each succeeding month of the original or renewed term of the repurchase agreement.

(5) *Disclosure.* A savings association issuing repurchase agreements to the public shall provide each prospective repurchase agreement purchaser with an offering document which shall contain full and accurate disclosure of all material information regarding the repurchase agreement and the issuing savings association. Any material change in any of the material representations set forth in the offering document shall be reflected in a revised offering document that shall be provided to purchasers before any renewal or automatic renewal of a repurchase agreement may be effected. A savings

association that has a regulatory capital deficiency under paragraph (b)(7) of this section shall be subject to the requirements of part 563g of this chapter, except that the following financial statements may be substituted for those required to be included in an offering circular required under part 563g of this chapter:

(i) The savings association’s audited statements of condition and operations for its last fiscal year prepared in accordance with the requirements of §563c.1 of this chapter;

(ii) On a comparative basis, the savings association’s latest unaudited statement of condition for the quarter ending within 135 days of any sale, renewal, or automatic renewal of a repurchase agreement, and an unaudited statement of operations for the period then ended, prepared in accordance with the requirements of §563c.1 of this chapter; and

(iii) The savings association’s latest monthly financial report filed with the Office.

(6) *Renewal; notice of applicable interest rates.* The maximum term of a repurchase agreement shall be 89 days. Unless otherwise provided for by the terms of a repurchase agreement, automatic renewals effected within an 89-day period from the date of execution, renewal, or automatic renewal of a repurchase agreement shall not be deemed to constitute renewals or automatic renewals under paragraph (b) of this section. Repurchase agreements may be automatically renewed for any period not exceeding 89 days for each automatic renewal pursuant only to the written agreement between the purchaser and the issuing savings association that the repurchase agreement may be automatically renewed at the option of the issuing savings association in the absence of the oral or written instruction of the purchaser that the repurchase agreement shall not be renewed. Savings associations which provide for the automatic renewal of repurchase agreements shall provide and notify each retail repurchase agreement purchaser of a means to determine the current rates of interest. Repurchase agreements may not be

§ 563.133

automatically renewed by a savings association which has a regulatory capital deficiency under paragraph (b)(7) of this section.

(7) *Eligibility requirements.* A savings association that issues or has outstanding repurchase agreements issued pursuant to paragraph (b) of this section shall calculate its total capital on a monthly basis in accordance with part 567 of this chapter. A savings association that does not have total capital equal to the sum of one percent of all liabilities of the savings association, plus an amount equal to 20 percent of the savings association's assets classified under § 563.160 of this part, shall not issue or renew repurchase agreements under paragraph (b) of this section unless it meets the following additional requirements:

(i) Within 45 days after the determination of a regulatory capital deficiency under paragraph (b)(7) of this section, the savings association shall file with the OTS pursuant to § 516.1 of this chapter and shall continue to file thereafter on a current basis for as long as the regulatory capital deficiency shall exist, the following:

(A) Three copies of an opinion of independent legal counsel that the interest of repurchase agreement purchasers in the security or securities underlying the repurchase agreements constitutes a perfected security interest under applicable state law; and

(B) The offering document required under paragraph (b)(5) of this section.

(ii) Within 45 days after the determination of a regulatory capital deficiency under paragraph (b)(7) of this section, and thereafter on a date certain in each succeeding week of the original or renewed term of the repurchase agreement for as long as the regulatory capital deficiency shall exist, the market value of the savings association's security or securities underlying a repurchase agreement shall be at least equal to 105 percent of the principal amount of the issuing savings association's repurchase agreement obligation, plus accrued interest.

(iii) A savings association which has a regulatory capital deficiency under paragraph (b)(7) of this section shall not renew an outstanding repurchase agreement unless it provides the pur-

chaser with the disclosure document required under paragraph (b)(5) of this section and the purchaser thereafter affirmatively elects to renew the repurchase agreement.

Subpart D [Reserved]

Subpart E—Limits Tied to Capital Levels

§ 563.133 [Reserved]

§ 563.134 Capital distributions.

(a) *Definitions*—(1) *Capital distribution* means:

(i) Any dividend paid or other distribution in cash or in kind (valued and accounted for in accordance with generally accepted accounting principles) made on or with respect to any shares of an association, but not including a dividend consisting of shares of the association;

(ii) Any payment made by an association to repurchase, redeem, retire or otherwise acquire any of its shares;

(iii) Other distributions charged against the capital accounts of an association;

(iv) Any payments to shareholders of an association by an acquiring association to acquire ownership of the association, other than distributions of shares of the acquiring association; and

(v) Other types of transactions determined by the Office to entail the payout of capital by an association.

(2) *Capital* means total capital as defined under § 567.5(c) of this chapter.

(3) *Capital requirement* means an association's capital requirement under part 567 of this chapter.

(4) *Minimum capital requirement* means an association's tangible capital, leverage ratio and risk-based capital requirements as required by § 567.2 of this chapter, as modified to reflect any individual minimum capital requirement applicable to the association.

(5) *Net income* means an association's net income computed in accordance with generally accepted accounting principles.

(6) *Shares* means common and preferred stock; and any options, warrants, or other rights for the acquisition of such stock. This term does not include convertible debt securities prior to their conversion into common or preferred stock or other securities that are not equity securities at the time of a capital distribution. The term "share" does include:

(i) Convertible securities upon their conversion into common or preferred stock; and

(ii) Securities structured for the purpose of evading the restrictions on capital distributions in this section.

(7) *Surplus capital ratio* means the percentage by which an association's capital-to-assets ratio exceeds the ratio of its capital requirement to its assets.

(8) *Tier 1 association* means an association that has capital immediately prior to, and on a *pro forma* basis after giving effect to, a proposed capital distribution that is equal to or greater than the amount of its capital requirement.

(9) *Tier 2 association* means an association that has capital immediately prior to, and on a *pro forma* basis after giving effect to, a proposed capital distribution that is equal to or in excess of its minimum capital requirement, but that is less than the amount of its capital requirement.

(10) *Tier 3 association* means an association that has capital immediately prior to, or on a *pro forma* basis after giving effect to, a proposed capital distribution that is less than the amount of its minimum capital requirement.

(b) *Limits on capital distributions*—(1) *Tier 1 Association.* (i) A tier 1 association is authorized to make capital distributions during a calendar year up to the higher of:

(A) 100 percent of its net income to date during the calendar year plus the amount that would reduce by one-half its surplus capital ratio at the beginning of the calendar year; or

(B) 75 percent of its net income over the most recent four-quarter period.

(ii) A tier 1 association shall not make capital distributions in excess of the foregoing limit except in accordance with the notice and opportunity for objection process provided by paragraph (e) of this section.

(2) *Tier 2 Association.* A tier 2 association is authorized without the need for approval by the Office to make capital distributions in accordance with the following schedule:

(i) If an association's current capital satisfies the risk-based capital standard that would be applicable to it as of January 1, 1993, computed based on its current portfolio, it may make capital distributions up to 75 percent of its net income over the most recent four-quarter period;

(ii) If an association's current capital satisfies the risk-based capital standard that would be applicable to it on January 1, 1991, computed based on its current portfolio, it may make capital distributions up to 50 percent of its net income over the most recent four-quarter period;

(iii) If an association's current capital satisfies its current risk-based capital requirement, the association may make capital distributions up to 25% of net income over the most recent four-quarter period; and

(iv) In computing an association's current permissible amount of capital distributions, an association must deduct the amount of capital distributions that it has previously made during the most recent four-quarter period.

A tier 2 association shall not make capital distributions in excess of these limits except in accordance with the prior written approval process provided in paragraph (e) of this section.

(3) *Tier 3 association.* A tier 3 association is not authorized to make any capital distributions:

(i) Unless it receives prior written approval granted pursuant to paragraph (e) of this section; or

(ii) In the case of an association operating in compliance with an approved capital plan, the capital distribution is consistent with the association's capital plan. A tier 3 association may submit a separate request for authorization to make capital distributions, or may make such request as part of another request or application that is related to the capital distribution. In the case of such a combined filing, however, the request for authorization to make capital distribution must be clearly identified as such.

(4) The Office may prohibit any capital distribution otherwise permitted under this section upon a determination that the making of a capital distribution would constitute an unsafe or unsound practice. Among the circumstances posing such risk would be a capital distribution by a tier 1 or tier 2 association whose capital is decreasing because of substantial losses.

(5) An association meeting the tier 1 capital criteria but that has been notified that it is in need of more than normal supervision shall be treated as a tier 2 or tier 3 association, unless the Office determines that such treatment is not necessary to ensure the association's safe and sound operation. The Regional Director shall have discretion to determine whether to treat the association as a tier 2 or tier 3 association for this purpose, and if treated as a tier 2 association, to establish which subset of tier 2 standards will be applicable to that association.

(6) No association may make a capital distribution prohibited by any statute or regulation, including but not limited to § 563b.3(g) of this chapter, or prohibited by any agreement entered into by the association with the Office (or its predecessor agencies) or the FDIC, unless:

(i) With respect to § 563b.3(g) of this chapter, approval is granted under part 563b of this chapter; or

(ii) With respect to other limitations, prior approval is granted pursuant to paragraph (e) of this section.

(c) *Notice or approval of capital distributions.* An association must provide OTS with 30-day advance written notice of all proposed capital distributions whether or not supervisory approval is required under this section. For capital distributions requiring approval under this section, an association shall provide this prior notification by submission of a written application to make such capital distributions. A separate notice or application is not necessary if a notice or application providing sufficient information to the Regional Director is required under other Office regulations for the making of the proposed capital distribution. In such instance, the standards of this section shall be used as part of the criteria for determining the

appropriateness of and appropriate amount of capital distributions to permit in approving, not disapproving, or conditioning the other application. An association has the burden of stating clearly that the notice or application submitted for other purposes is also serving as its notice or application for purposes of this section. Associations may seek approval or provide notice of prospective capital distributions by submitting schedules of such prospective capital distributions in accordance with supervisory guidance on such procedures.

(d) *Corporate reorganizations.* The tiered limits set forth above in paragraph (b) of this section shall be applicable to any direct or indirect distributions of capital to affiliates, including those in connection with corporate reorganizations.

(e) *Supervisory action.* (1) In determining whether to object to capital distributions in excess of the safe-harbor amount under paragraph (b)(1) of this section, the Office will evaluate whether the exception would be inconsistent with the safe and sound operation of the tier 1 association. In determining whether to approve capital distributions in excess of the safe-harbor amounts under paragraph (b)(2) of this section, the Office will evaluate whether the exception would affirmatively promote the safe and sound operation of the tier 2 association. The Office also may authorize a capital distribution by a tier 3 association under paragraph (b)(3) of this section upon a compelling showing that such a capital distribution would affirmatively promote the safe and sound operation of the tier 3 association. A factor that would be regarded favorably by the Office in deciding upon applications to make capital distributions above the limits set in paragraphs (b)(1), (b)(2) and (b)(3) of this section is whether an association will be making additional equity security issuances that would raise an association's capital level and, that overall with any attendant capital distributions, would have a beneficial effect on the safe and sound operation of the association. Such authorization may be granted separately, or in conjunction with approval of a related submission or application, such as a capital plan or

acquisition of control filing. An application for such supervisory approval under paragraphs (b)(2) and (b)(3) of this section shall set forth all information determined sufficient for supervisory purposes and shall substantiate why the requested capital distribution should be permitted under the applicable criteria for its tier.

(2) The requirements of this section shall supersede the provisions of agreements or conditions to approved applications controlling associations' capital distributions that were less stringent than the restrictions imposed under this rule.

(3) An association subject to restrictions under an agreement or application condition that are more stringent than the restrictions imposed by this rule may submit a written notice to OTS seeking to be subject to this rule. The Office within 30 days of receipt of the notice will evaluate the notice and make a determination of whether the facts initially warranting imposition of the more stringent agreement or condition warrant the continuation of those restrictions or if the provisions of this section should apply to the association.

Subpart F—Financial Management Policies

§ 563.161 Management and financial policies.

(a) For the protection of its account holders and other savings associations each savings association and service corporation thereof shall maintain safe and sound management and shall pursue financial policies that are safe and consistent with economical home financing and the purposes of federal savings associations and are appropriate to their respective types of operations; in implementing this regulation the Office will take into consideration that service corporations may be authorized to engage in activities which involve a higher degree of risk than do activities permitted to savings associations.

(b) Compensation to officers, directors, and employees of each savings as-

sociation and its service corporations shall not be in excess of that which is reasonable and commensurate with their duties and responsibilities. Former officers, directors, and employees of savings association or its service corporation who regularly perform services therefor under consulting contracts are employees thereof for purposes of this paragraph (b).

§ 563.170 Examinations and audits; appraisals; establishment and maintenance of records.

(a) *Examinations and audits.* Each savings association and affiliate thereof shall be examined periodically, and may be examined at any time, by the Office, with appraisals when deemed advisable, in accordance with general policies from time to time established by the Office. The costs, as computed by the Office, of any examinations made by it, including office analysis, overhead, per diem, travel expense, other supervision by the Office, and other indirect costs, shall be paid by the savings associations examined, except that in the case of service corporations of Federal savings associations the cost of examinations, as determined by the Office, shall be paid by the service corporations. Payments shall be made in accordance with a schedule of annual assessments based upon each savings association's total assets and of rates for examiner time in amounts determined by the Office.

(b) *Appraisals.* (1) Unless otherwise ordered by the Office, appraisal of real estate by the Office in connection with any examination or audit of a savings association, affiliate, or service corporation shall be made by an appraiser, or by appraisers, selected by the Office's Regional Director of the Region in which such savings association is located. The cost of such appraisal shall promptly be paid by such savings association, affiliate, or service corporation direct to such appraiser or appraisers upon receipt by the savings association, affiliate, or service corporation of a statement of such cost as approved by such Regional Director. A copy of the report of each appraisal made by the Office pursuant to any of the foregoing provisions of this section

shall be furnished to the savings association, affiliate, or service corporation, as appropriate within a reasonable time, not to exceed 90 days, following the completion of such appraisals and the filing of a report thereof by the appraiser, or appraisers, with such Regional Director.

(2) The Office may obtain at any time, at its expense, such appraisals of any of the assets, including the security therefor, of a savings association, affiliate, or service corporation as the Office deems appropriate.

(c) *Establishment and maintenance of records.* To enable the Office to examine savings associations and affiliates and audit savings associations, affiliates, and service corporations pursuant to the provisions of paragraph (a) of this section, each savings association, affiliate, and service corporation shall establish and maintain such accounting and other records as will provide an accurate and complete record of all business it transacts. This includes, without limitation, establishing and maintaining such other records as are required by statute or any other regulation to which the savings association, affiliate, or service corporation is subject. The documents, files, and other material or property comprising said records shall at all times be available for such examination and audit wherever any of said records, documents, files, material, or property may be.

(d) *Change in location of records.* A savings association shall not transfer the location of any of its general accounting or control records, or the maintenance thereof, from its home office to a branch or service office, or from a branch or service office to its home office or to another branch or service office unless prior to the date of transfer its board of directors has:

- (1) By resolution authorized the transfer or maintenance and;
- (2) Sent a certified copy of the resolution to the Regional Director of the OTS Region in which the principal office of the savings association is located.

(e) *Use of data processing services for maintenance of records.* A savings association which determines to maintain any of its records by means of data

processing services shall so notify the Regional Director of the Region in which the principal office of such savings association is located, in writing, at least 90 days prior to the date on which such maintenance of records will begin. Such notification shall include identification of the records to be maintained by data processing services and a statement as to the location at which such records will be maintained. Any contract, agreement, or arrangement made by a savings association pursuant to which data processing services are to be performed for such savings association shall be in writing and shall expressly provide that the records to be maintained by such services shall at all times be available for examination and audit.

§ 563.171 Frequency of examination.

(a) *General.* The OTS examines savings associations pursuant to authority conferred by 12 U.S.C. 1463 and the requirements of 12 U.S.C. 1820(d). The OTS is required to conduct a full-scope, on-site examination of every savings association at least once during each 12-month period.

(b) *18-month rule for certain small institutions.* The OTS may conduct a full-scope, on-site examination of a savings association at least once during each 18-month period, rather than each 12-month period as provided in paragraph (a) of this section, if the following conditions are satisfied:

- (1) The savings association has total assets of \$250 million or less;
- (2) The savings association is well capitalized as defined in § 565.4 of this chapter;
- (3) At its most recent examination, the OTS found the savings association to be well managed;
- (4) At its most recent examination, the OTS assigned the savings association a composite rating of 1 or 2, as defined in § 516.3(c) of this chapter;

(5) The savings association currently is not subject to a formal enforcement proceeding or order; and

(6) No person acquired control of the savings association during the preceding 12-month period in which a full-scope, on-site examination would have been required but for this section.

(c) *Authority to conduct more frequent examinations.* This section does not limit the authority of the OTS to examine any savings association as frequently as the agency deems necessary.

§ 563.172 Financial derivatives.

(a) *What is a financial derivative?* A financial derivative is a financial contract whose value depends on the value of one or more underlying assets, indices, or reference rates. The most common types of financial derivatives are futures, forward commitments, options, and swaps. A mortgage derivative security, such as a collateralized mortgage obligation or a real estate mortgage investment conduit, is not a financial derivative under this section.

(b) *May I engage in transactions involving financial derivatives?* (1) If you are a Federal savings association, you may engage in a transaction involving a financial derivative if you are authorized to invest in the assets underlying the financial derivative, the transaction is safe and sound, and you otherwise meet the requirements in this section.

(2) If you are a state-chartered savings association, you may engage in a transaction involving a financial derivative if your charter or applicable State law authorizes you to engage in such transactions, the transaction is safe and sound, and you otherwise meet the requirements in this section.

(3) In general, if you engage in a transaction involving a financial derivative, you should do so to reduce your risk exposure.

(c) *What are my board of directors' responsibilities with respect to financial derivatives?* (1) Your board of directors is responsible for effective oversight of financial derivatives activities.

(2) Before you may engage in any transaction involving a financial derivative, your board of directors must establish written policies and procedures governing authorized financial deriva-

tives. Your board of directors should review Thrift Bulletin 13a, "Management of Interest Rate Risk, Investment Securities, and Derivatives Activities," and other applicable agency guidance on establishing a sound risk management program.

(3) Your board of directors must periodically review:

(i) Compliance with the policies and procedures established under paragraph (c)(2) of this section; and

(ii) The adequacy of these policies and procedures to ensure that they continue to be appropriate to the nature and scope of your operations and existing market conditions.

(4) Your board of directors must ensure that management establishes an adequate system of internal controls for transactions involving financial derivatives.

(d) *What are management's responsibilities with respect to financial derivatives?*

(1) Management is responsible for daily oversight and management of financial derivatives activities. Management must implement the policies and procedures established by the board of directors and must establish a system of internal controls. This system of internal controls should, at a minimum, provide for periodic reporting to the board of directors and management, segregation of duties, and internal review procedures.

(2) Management must ensure that financial derivatives activities are conducted in a safe and sound manner and should review Thrift Bulletin 13a, "Management of Interest Rate Risk, Investment Securities, and Derivatives Activities" (available at the address listed at § 516.1 of this chapter), and other applicable agency guidance on implementing a sound risk management program.

(e) *What records must I keep on financial derivative transactions?* You must maintain records adequate to demonstrate compliance with this section and with your board of directors' policies and procedures on financial derivatives.

§ 563.176 Interest-rate-risk-management procedures.

Savings associations shall take the following actions:

(a) The board of directors or a committee thereof shall review the savings association's interest-rate-risk exposure and devise a policy for the savings association's management of that risk.

(b) The board of directors shall formerly adopt a policy for the management of interest-rate risk. The management of the savings association shall establish guidelines and procedures to ensure that the board's policy is successfully implemented.

(c) The management of the savings association shall periodically report to the board of directors regarding implementation of the savings association's policy for interest-rate-risk management and shall make that information available upon request to the Office.

(d) The savings association's board of directors shall review the results of operations at least quarterly and shall make such adjustments as it considers necessary and appropriate to the policy for interest-rate-risk management, including adjustments to the authorized acceptable level of interest-rate risk.

[54 FR 49552, Nov. 30, 1989, as amended at 58 FR 45813, Aug. 31, 1993; 59 FR 53571, Oct. 25, 1994]

§ 563.177 Procedures for monitoring Bank Secrecy Act compliance.

(b) *Compliance procedure.* On or before April 27, 1987, each savings association shall develop and provide for the continued administration of a program reasonably designed to assure and monitor compliance with the recordkeeping and reporting requirements set forth in subchapter II of chapter 53 of title 31, United States Code, and the implementing regulations promulgated thereunder by the Department of

(4) Provide training for appropriate personnel.

Subpart G—Reporting and Bonding

§ 563.180 Suspicious Activity Reports and other reports and statements.

(a) *Periodic reports.* Each savings association and service corporation thereof shall make such periodic or other reports of its affairs in such manner and on such forms as the Office may prescribe. The Office may provide that reports filed by savings associations or service corporations to meet the requirements of other regulations also satisfy requirements imposed under this section.

(b) *False or misleading statements or omissions.* No savings association or director, officer, agent, employee, affiliated person, or other person participating in the conduct of the affairs of such association nor any person filing or seeking approval of any application shall knowingly:

(1) Make any written or oral statement to the Office or to an agent, representative or employee of the Office that is false or misleading with respect to any material fact or omits to state a material fact concerning any matter within the jurisdiction of the Office; or

(2) Make any such statement or omission to a person or organization auditing a savings association or otherwise preparing or reviewing its financial statements concerning the accounts,

assets, management condition, ownership, safety, or soundness, or other affairs of the association.

(c) *Notifications of loss and reports of increase in deductible amount of bond.* A savings association maintaining bond coverage as required by § 563.190 of this part shall promptly notify its bond company and file a proof of loss under the procedures provided by its bond, concerning any covered losses greater than twice the deductible amount. Whenever a deductible amount specified in a bond is increased above the permissible deductible amount specified in the table in § 563.190(b) of this part, the affected savings association or service corporation shall report promptly the facts concerning such increase in writing to the OTS.

(d) *Suspicious Activity Reports—(1) Purpose and scope.* This paragraph (d) ensures that savings associations and service corporations file a Suspicious Activity Report when they detect a known or suspected violation of Federal law or a suspicious transaction related to a money laundering activity or a violation of the Bank Secrecy Act.

(2) *Definitions.* For the purposes of this paragraph (d):

(i) *FinCEN* means the Financial Crimes Enforcement Network of the Department of the Treasury.

(ii) *Institution-affiliated party* means any institution-affiliated party as that term is defined in sections 3(u) and 8(b)(9) of the Federal Deposit Insurance Act (12 U.S.C. 1813(u) and 1818(b)(9)).

(iii) *SAR* means a Suspicious Activity Report on the form prescribed by the OTS.

(3) *SARs required.* A savings association or service corporation shall file a SAR with the appropriate Federal law enforcement agencies and the Department of the Treasury in accordance with the form's instructions, by sending a completed SAR to FinCEN in the following circumstances:

(i) *Insider abuse involving any amount.* Whenever the savings association or service corporation detects any known or suspected Federal criminal violation, or pattern of criminal violations, committed or attempted against the savings association or service corporation or involving a transaction or transactions conducted through the

savings association or service corporation, where the savings association or service corporation believes that it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that it was used to facilitate a criminal transaction, and it has a substantial basis for identifying one of its directors, officers, employees, agents or other institution-affiliated parties as having committed or aided in the commission of a criminal act, regardless of the amount involved in the violation.

(ii) *Violations aggregating \$5,000 or more where a suspect can be identified.* Whenever the savings association or service corporation detects any known or suspected Federal criminal violation, or pattern of criminal violations, committed or attempted against the savings association or service corporation or involving a transaction or transactions conducted through the savings association or service corporation and involving or aggregating \$5,000 or more in funds or other assets, where the savings association or service corporation believes that it was either an actual or potential victim of a criminal violation or series of criminal violations, or that it was used to facilitate a criminal transaction, and it has a substantial basis for identifying a possible suspect or group of suspects. If it is determined prior to filing this report that the identified suspect or group of suspects has used an alias, then information regarding the true identity of the suspect or group of suspects, as well as alias identifiers, such as drivers' license or social security numbers, addresses and telephone numbers, must be reported.

(iii) *Violations aggregating \$25,000 or more regardless of potential suspects.* Whenever the savings association or service corporation detects any known or suspected Federal criminal violation, or pattern of criminal violations, committed or attempted against the savings association or service corporation or involving a transaction or transactions conducted through the savings association or service corporation and involving or aggregating \$25,000 or more in funds or other assets,

where the savings association or service corporation believes that it was either an actual or potential victim of a criminal violation or series of criminal violations, or that it was used to facilitate a criminal transaction, even though there is no substantial basis for identifying a possible suspect or group of suspects.

(iv) *Transactions aggregating \$5,000 or more that involve potential money laundering or violations of the Bank Secrecy Act.* Any transaction (which for purposes of this paragraph (d)(3)(iv) means a deposit, withdrawal, transfer between accounts, exchange of currency, loan, extension of credit, purchase or sale of any stock, bond, certificate of deposit, or other monetary instrument or investment security, or any other payment, transfer, or delivery by, through, or to a financial institution, by whatever means effected) conducted or attempted by, at or through the savings association or service corporation and involving or aggregating \$5,000 or more in funds or other assets, if the savings association or service corporation knows, suspects, or has reason to suspect that:

(A) The transaction involves funds derived from illegal activities or is intended or conducted in order to hide or disguise funds or assets derived from illegal activities (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any law or regulation or to avoid any transaction reporting requirement under Federal law;

(B) The transaction is designed to evade any regulations promulgated under the Bank Secrecy Act; or

(C) The transaction has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the institution knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction.

(4) *Service corporations.* When a service corporation is required to file a SAR under paragraph (d)(3) of this section, either the service corporation or a savings association that wholly or

partially owns the service corporation may file the SAR.

(5) *Time for reporting.* A savings association or service corporation is required to file a SAR no later than 30 calendar days after the date of initial detection of facts that may constitute a basis for filing a SAR. If no suspect was identified on the date of detection of the incident requiring the filing, a savings association or service corporation may delay filing a SAR for an additional 30 calendar days to identify a suspect. In no case shall reporting be delayed more than 60 calendar days after the date of initial detection of a reportable transaction. In situations involving violations requiring immediate attention, such as when a reportable violation is ongoing, the savings association or service corporation shall immediately notify, by telephone, an appropriate law enforcement authority and the OTS in addition to filing a timely SAR.

(6) *Reports to state and local authorities.* A savings association or service corporation is encouraged to file a copy of the SAR with state and local law enforcement agencies where appropriate.

(7) *Exception.* A savings association or service corporation need not file a SAR for a robbery or burglary committed or attempted that is reported to appropriate law enforcement authorities.

(8) *Retention of records.* A savings association or service corporation shall maintain a copy of any SAR filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of the filing of the SAR. Supporting documentation shall be identified and maintained by the savings association or service corporation as such, and shall be deemed to have been filed with the SAR. A savings association or service corporation shall make all supporting documentation available to appropriate law enforcement agencies upon request.

(9) *Notification to board of directors—(i) Generally.* Whenever a savings association (or a service corporation in which the savings association has an ownership interest) files a SAR pursuant to this paragraph (d), the management of the savings association or service corporation shall promptly notify its

board of directors, or a committee of directors or executive officers designated by the board of directors to receive notice.

(ii) *Suspect is a director or executive officer.* If the savings association or service corporation files a SAR pursuant to this paragraph (d) and the suspect is a director or executive officer, the savings association or service corporation may not notify the suspect, pursuant to 31 U.S.C. 5318(g)(2), but shall notify all directors who are not suspects.

(13) *Safe harbor.* The safe harbor provision of 31 U.S.C. 5318(g), which exempts any financial institution that makes a disclosure of any possible violation of law or regulation from liability under any law or regulation of the United States, or any constitution, law or regulation of any state or political subdivision, covers all reports of suspected or known criminal violations and suspicious activities to law enforcement and financial institution supervisory authorities, including supporting documentation, regardless of whether such reports are filed pursuant to this paragraph (d), or are filed on a voluntary basis.

Subpart H—Notice of Change of Director or Senior Executive Officer

SOURCE: 63 FR 51274, Sept. 25, 1998, unless otherwise noted.

§ 563.550 What does this subpart do?

This subpart implements 12 U.S.C. 1831i, which requires certain savings associations and savings and loan holding companies to notify the OTS before appointing or employing directors and senior executive officers.

§ 563.555 What definitions apply to this subpart?

The following definitions apply to this subpart:

Director means an individual who serves on the board of directors of a savings association or savings and loan holding company. This term does not include an advisory director who:

(1) Is not elected by the shareholders;

(2) Is not authorized to vote on any matters before the board of directors or any committee of the board of directors;

(3) Provides only general policy advice to the board of directors or any

committee of the board of directors; and

(4) Has not been identified by the OTS in writing as an individual who performs the functions of a director, or who exercises significant influence over, or participates in, major policy-making decisions of the board of directors.

Senior executive officer means an individual who holds the title or performs the function of one or more of the following positions (without regard to title, salary, or compensation): president, chief executive officer, chief operating officer, chief financial officer, chief lending officer, or chief investment officer. *Senior executive officer* also includes any other person identified by the OTS in writing as an individual who exercises significant influence over, or participates in, major policymaking decisions, whether or not hired as an employee.

Troubled condition means:

(1) A savings association that has a composite rating of 4 or 5, as defined in § 516.3(c) of this chapter;

(2) A savings and loan holding company that has an unsatisfactory rating under the OTS's holding company rating system, or that is informed in writing by the OTS that it has an adverse effect on its subsidiary savings association;

(3) A savings association or savings and loan holding company that is subject to a capital directive, a cease-and-desist order, a consent order, a formal written agreement, or a prompt corrective action directive relating to the safety and soundness or financial viability of the savings association, unless otherwise informed in writing by the OTS; or

(4) A savings association or savings and loan holding company that is informed in writing by the OTS that it is in troubled condition based on information available to the OTS.

§ 563.560 Who must give prior notice?

(a) *Savings association or savings and loan holding company.* Except as provided under § 563.590, you must notify the OTS at least 30 days before adding or replacing any member of your board of directors, employing any person as a senior executive officer, or changing

the responsibilities of any senior executive officer so that the person would assume a different senior executive position if:

(1) You are a savings association and at least one of the following circumstances apply:

(i) You do not comply with all minimum capital requirements under part 567 of this chapter;

(ii) You are in troubled condition; or

(iii) The OTS has notified you, in connection with its review of a capital restoration plan required under section 38 of the Federal Deposit Insurance Act or part 565 of this chapter or otherwise, that a notice is required under this subpart; or

(2) You are a savings and loan holding company and you are in troubled condition.

(b) *Notice by individual.* If you are an individual seeking election to the board of directors of a savings association or savings and loan holding company described in paragraph (a) of this section, and have not been nominated by management, you must either provide the prior notice required under paragraph (a) of this section or follow the process under § 563.590(b).

§ 563.565 What procedures govern the filing of my notice?

The procedures found in § 516.1 of this chapter govern the filing of your notice under § 563.560.

§ 563.570 What information must I include in my notice?

(a) *Content requirements.* Your notice must include:

(1) The information required under 12 U.S.C. 1817(j)(6)(A), and the information prescribed in the Interagency Notice of Change in Director or Senior Executive Officer and the Interagency Biographical and Financial Report which are available from OTS headquarters at the address in part 516 of this chapter; or from any OTS regional office;

(2) Legible fingerprints of the proposed director or senior executive officer. You are not required to file fingerprints if, within three years prior to the date of submission of the notice,

the proposed director or senior executive officer provided legible fingerprints as part of a notice filed with the OTS under 12 U.S.C. 1831i; and

(3) Such other information required by the OTS.

(b) *Modification of content requirements.* The OTS may require or accept other information in place of the content requirements in paragraph (a) of this section.

§ 563.575 What procedures govern OTS review of my notice for completeness?

The OTS will first review your notice to determine whether it is complete.

(a) If your notice is complete, the OTS will notify you in writing of the date that the OTS received the complete notice.

(b) If your notice is not complete, the OTS will notify you in writing what additional information you need to submit, why we need the information, and when you must submit it. You must, within the specified time period, provide additional information or request that the OTS suspend processing of the notice. If you fail to act within the specified time period, the OTS may treat the notice as withdrawn or may review the application based on the information provided.

§ 563.580 What standards and procedures will govern OTS review of the substance of my notice?

The OTS will disapprove a notice if, pursuant to the standard set forth in 12 U.S.C. 1831i(e), the OTS finds that the competence, experience, character, or integrity of the proposed director or senior executive officer indicates that it would not be in the best interests of the depositors of the savings association or of the public to permit the individual to be employed by, or associated with, the savings association or savings and loan holding company. If the OTS disapproves a notice, it will issue a written notice that explains why the OTS disapproved the notice. The OTS will send the notice to the savings association or savings and loan holding company and the individual.

§ 563.585 When may a proposed director or senior executive officer begin service?

(a) A proposed director or senior executive officer may begin service 30 days after the date the OTS receives all required information, unless:

(1) The OTS notifies you that it has disapproved the notice; or

(2) The OTS extends the 30-day period for an additional period not to exceed 60 days. If the OTS extends the 30-day period, it will notify you in writing that the period has been extended, and will state the reason for the extension. The proposed director or senior executive officer may begin service upon expiration of the extended period, unless the OTS notifies you that it has disapproved the notice during the extended period.

(b) Notwithstanding paragraph (a) of this section, a proposed director or senior executive officer may begin service after the OTS notifies you, in writing, of its intention not to disapprove the notice.

§ 563.590 When will the OTS waive the prior notice requirement?

(a) *Waiver request.* (1) An individual may serve as a director or senior executive officer before filing a notice under this subpart if the OTS issues a written finding that:

(i) Delay would threaten the safety or soundness of the savings association;

(ii) Delay would not be in the public interest; or

(iii) Other extraordinary circumstances exist that justify waiver of prior notice.

(2) If the OTS grants a waiver, you must file a notice under this subpart within the time period specified by the OTS.

(b) *Automatic waiver.* An individual may serve as a director before filing a notice under this subpart, if the individual was not nominated by management and the individual submits a notice under this subpart within seven days after election as a director.

(c) *Subsequent OTS action.* The OTS may disapprove a notice within 30 days after the OTS issues a waiver under paragraph (a) of this section or within

Pt. 563b

12 CFR Ch. V (1–1–99 Edition)

30 days after the election of an individual who has filed a notice and is serving pursuant to an automatic waiver under paragraph (b) of this section.

Subpart A—Standard Conversions

§ 563b.3 General principles for conversions.

(a) *Applicability of subpart.* The provisions of this subpart shall govern conversions undertaken pursuant to any other subpart of this part unless clearly inapplicable.

(b) *General requirements.* No application for conversion shall be approved by the Office if:

(1) The plan of conversion adopted by the applicant's board of directors is not in accordance with the provisions of this part;

(2) The conversion would cause the applicant to fail to meet any regulatory capital requirement of § 567.2 of this chapter;

(3) The conversion may result in a taxable reorganization of the applicant under the Internal Revenue Code of 1986, as amended; or

(4) The converted association would not have its accounts insured by the FDIC.

(c) *Required provisions in plan of conversion.* The plan of conversion shall:

(1) Provide that the converting savings association shall issue and sell its capital stock at a total price equal to the estimated *pro forma* market value of such stock in the converted savings association, based on an independent valuation, as provided in § 563b.7.

(2) Provide that each eligible account holder shall receive, without payment, nontransferable subscription rights to purchase capital stock in an amount equal to the greater of the maximum purchase limitation established for the public offering or the direct community offering pursuant to paragraph (c)(6) or (d)(4) of this section, one-tenth of one percent of the total offering of shares, or 15 times the product (rounded down to the next whole number) obtained by multiplying the total number of shares of capital stock to be issued by a fraction of which the numerator is the amount of the qualifying deposit of the eligible account holder and the de-

nominator is the total amount of qualifying deposits of all eligible account holders in the converting savings association.

(i) In the event of an oversubscription to capital stock pursuant to this paragraph (c)(2), shares shall be allocated among subscribing eligible account holders so as to permit each such account holder, to the extent possible, to purchase a number of shares sufficient to make his or her total allocation equal to 100 shares.

(ii) Any shares not allocated in accordance with paragraph (c)(2)(i) of this section shall be allocated among the subscribing eligible account holders on such equitable basis, related to the amounts of their respective qualifying deposits, as may be provided in the plan of conversion.

(3) Nontransferable subscription rights to purchase capital stock received by officers and directors and their associates of the converting savings association based on their increased deposits in the converting association in the one year period preceding the eligibility record date shall be subordinated to all other subscriptions involving the exercise of nontransferable subscription rights to purchase shares pursuant to paragraph (c)(2) of this section.

(4) Provide that, in plans involving an eligibility record date that is more than 15 months prior to the date of the latest amendment to the application for conversion filed prior to the Office's approval, a supplemental eligibility record date be determined whereby each supplemental eligible account holder of the converting association shall receive, without payment, nontransferable subscription rights to purchase capital stock in an amount equal to the greater of the maximum purchase limitation established for the public offering or the direct community offering pursuant to paragraph (c)(6) or (d)(4) of this section, one-tenth of one percent of the total offering of shares, or 15 times the product (rounded down to the next whole number) obtained by multiplying the total number of shares of capital stock to be issued by a fraction of which the numerator is the amount of the qualifying deposit of

the supplemental eligible account holder and the denominator is the total amount of the qualifying deposits of all supplemental eligible account holders in the converting savings association on the supplemental eligibility record date.

(i) Subscription rights received pursuant to this paragraph (c)(4) shall be subordinated to all rights received by eligible account holders to purchase shares pursuant to paragraphs (c)(2) and (c)(3) of this section.

(ii) Any nontransferable subscription rights to purchase shares received by an eligible account holder in accordance with paragraph (c)(2) of this section shall be applied in partial satisfaction of the subscription rights to be distributed pursuant to this paragraph (c)(4) of this section.

(iii) In the event of an oversubscription to capital stock pursuant to this paragraph (c)(4), shares shall be allocated among the subscribing supplemental eligible account holders so as to permit each such supplemental account holder, to the extent possible, to purchase a number of shares sufficient to make his or her total allocation (including the number of shares, if any, allocated in accordance with paragraph (c)(2) of this section) equal to 100 shares.

(iv) Any shares not allocated in accordance with paragraph (c)(4)(iii) of this section shall be allocated among the subscribing supplemental eligible account holders on such equitable basis, related to the amounts of their respective qualifying deposits, as may be provided in the plan of conversion.

(5) Provide that association voting members who are not either eligible account holders or supplemental eligible account holders shall receive, without payment, nontransferable subscription rights to purchase capital stock in an amount equal to the greater of the maximum purchase limitation established for the public offering or the direct community offering pursuant to paragraph (c)(6) or (d)(4) of this section, or one-tenth of one percent of the total offering of shares.

(i) Subscription rights received pursuant to this paragraph (c)(5) shall be subordinated to all rights received by eligible account holders and supple-

mental account holders to purchase shares pursuant to paragraphs (c)(2), (c)(3), and (c)(4) of this section.

(ii) In the event of an oversubscription to capital stock pursuant to this paragraph (c)(5), shares shall be allocated among the subscribing voting members on such equitable basis as may be provided in the plan of conversion.

(6) Provide that any shares of the converting savings association not sold to persons with subscription rights shall be sold either in a public offering through an underwriter or directly by the converting savings association in a direct community offering, subject to the applicant demonstrating to the Office the feasibility of the method of sale and to such conditions as may be provided in the plan of conversion. Such conditions shall include, but not be limited to:

(i) Subject to the adoption in the plan of conversion of the optional provision of paragraph (d)(4) of this section, a condition limiting purchases in the public offering or the direct community offering by any person together with any associate or group of persons acting in concert to not more than five percent (5%) of the total offering of shares, except that any one or more tax-qualified employee benefit plans may purchase in the aggregate not more than ten percent (10%) of the total offering of shares. Shares held by one or more tax-qualified employee stock benefit plans and attributed to a person shall not be aggregated with other shares purchased directly by or otherwise attributable to that person.

(ii) A condition requiring that orders for stock in any public offering or direct community offering shall first be filled up to a maximum of two percent of the conversion stock and thereafter remaining shares shall be allocated on an equal number of shares per order basis until all orders have been filled.

(iii) A condition requiring the stock to be offered and sold in the public offering or the direct community offering to be offered and sold in a manner that will achieve the widest distribution of the stock.

(iv) A condition that any direct community offering by the converting savings association shall give a preference

§ 563b.3

12 CFR Ch. V (1–1–99 Edition)

to natural persons residing in the association's local community.

(7) Subject to the adoption in the plan of conversion of the optional provision of paragraph (d)(4) of this section, provide that the total shares that any person and any associate or group of persons acting in concert may subscribe for or purchase in the conversion shall not exceed five percent (5%) of the total offering of shares, except that any one or more tax-qualified employee benefit plans may purchase in the aggregate not more than ten percent (10%) of the total offering of shares. Shares held by one or more tax-qualified employee stock benefit plans and attributed to a person shall not be aggregated with shares purchased directly by or otherwise attributable to that person.

(8) Provide that the officers and directors of the converting association and their associates may purchase in the conversion, up to thirty-five percent (35%) of the total offering of shares of the converting association provided that the converting association has less than \$50 million in total assets, and up to twenty-five percent (25%) in the total offering of shares if the converting association has more than \$500 million in total assets. If the converting association has between \$50 million and \$500 million, in total assets, the maximum percentage shall be equal to thirty-five percent (35%) minus one percent (1%) multiplied by the quotient of the total assets less \$50 million divided by \$45 million. For example, for a converting association with \$275 million in total assets, the percentage will be thirty percent (30%), calculated as thirty-five percent (35%) minus one percent (1%) multiplied by the quotient of \$275 million less \$50 million, or \$225 million, divided by \$45 million, which equals five, or five percent (5%), which when subtracted leaves a difference of thirty percent (30%). In calculating the number of shares which may be purchased, any shares attributable to the officers and directors and their associates but held by one or more tax-qualified employee stock benefit plans shall not be included. In the case of merger conversions undertaken pursuant to § 563b.10, any shares owned prior to the merger

conversion by officers, directors, and their associates shall not be included in calculating the aggregate amount which may be purchased by such persons.

(9) Provide that an officer or director, or his or her associates, shall not purchase, without the prior written approval of the Office, the capital stock of the converted savings association except from a broker or dealer registered with the Securities and Exchange Commission, for a period of three years following the date of the conversion; except that, this paragraph (c)(9) shall not apply to:

(i) Negotiated transactions involving more than one percent (1%) of the outstanding capital stock of the converted savings association; or

(ii) Purchases of stock made by and held by any one or more tax-qualified or non-tax-qualified employee stock benefit plan which may be attributable to individual officers or directors.

(10) Provide that the sales price of the shares of capital stock to be sold in the conversion shall be a uniform price determined in accordance with § 563b.7 of this part; and specify the underwriting and/or other marketing arrangements to be made to ensure the sale of all shares not sold to persons with subscription rights.

(11) Establish a time period within which the conversion must be completed prior to termination. The time period shall be not more than 24 months from the date the association members approve the plan of conversion and shall not be extended by the converting savings association or the Office.

(12) Provide that each savings account holder of the converting savings association shall receive, without payment, a withdrawable savings account or accounts in the converted savings association equal in withdrawable amount to the withdrawal value of such account holder's savings account or accounts in the converting savings association.

(13) Provide for the establishment and maintenance of a liquidation account for the benefit of eligible account holders and supplemental eligible account holders in the event of a subsequent complete liquidation of the

converted savings association, in accordance with the provisions of paragraph (f) of this section. An association converting to a federally chartered stock savings and loan association or savings bank shall include in its charter the following section:

Liquidation account. Pursuant to the requirements of the Office's regulations (12 CFR Part 563b) the association shall establish and maintain a liquidation account for the benefit of its savings account holders as of _____ ("eligible savers"). In the event of a complete liquidation of the association, it shall comply with such regulations with respect to the amount and the priorities on liquidation of each of the association's eligible savers' inchoate interest in the liquidation account, to the extent it is still in existence: *Provided*, That an eligible saver's inchoate interest in the liquidation account shall not entitle such eligible saver to any voting rights at meetings of the association's stockholders.

(14) Provide for an eligibility record date, which shall be not less than one year prior to the date of adoption of the plan of conversion by the converting savings association's board of directors.

(15) Provide that the holders of the capital stock of the converted savings association shall have exclusive voting rights, unless in the case of a State-chartered converted savings association State law requires savings account holders and/or borrowers of the converted savings association to have voting rights, in which case the charter of the converted savings association shall:

(i) Limit such voting rights to the minimum required by State law, and

(ii) Provide for the management of the converted savings association to solicit proxies from such savings account holders and/or borrowers in the same manner as it solicits proxies from its shareholders.

(16) Provide that the plan of conversion adopted by the applicant's board of directors may be substantively amended by such board of directors as a result of comments from regulatory authorities or otherwise prior to the solicitation of proxies from members to vote on the plan and at any time thereafter with the concurrence of the Office; and that the conversion may be terminated by such board of directors

at any time prior to the meeting of members called to consider the plan of conversion and at any time thereafter with the concurrence of the Office.

(17) Provide that all shares of capital stock purchased by directors and officers on original issue in the conversion either directly from the savings association (by subscription or otherwise) or from an underwriter shall be subject to the restriction that the shares shall not be sold for a period of not less than one year following the date of purchase, except in the event of death of the director or officer.

(18) Provide that, in connection with shares of capital stock subject to restriction on sale for a period of time:

(i) Each certificate for such stock shall bear a legend giving appropriate notice of such restriction;

(ii) Appropriate instructions shall be issued to the transfer agent for the converted savings association's capital stock with respect to applicable restrictions on transfer of any such restricted stock; and

(iii) Any shares issued as a stock dividend, stock split or otherwise with respect to any such restricted stock shall be subject to the same restrictions as may apply to such restricted stock.

(19) Provide that the converting savings association shall:

(i) Promptly following the conversion register the securities issued in connection therewith pursuant to the Securities Exchange Act of 1934 and undertake not to deregister such securities for a period of three years thereafter;

(ii) Use its best efforts to encourage and assist a market maker to establish and maintain a market for the securities issued in connection with the conversion; and

(iii) Use its best efforts to list those shares issued in connection with the conversion on a national or regional securities exchange or on the NASDAQ quotation system.

(20) Provide that the expenses incurred in the conversion shall be reasonable.

(21) Contain no provision which the Office shall determine to be inequitable or detrimental to the applicant, its savings account holders or other savings associations or to be contrary to the public interest.

(22) Provide that the converting savings association shall not loan funds or otherwise extend credit to any person to purchase the capital stock of the association.

(23) Provide that eligible account holders with subscription rights have first priority to purchase conversion stock, tax-qualified employee stock benefit plans have second priority, supplemental eligible account holders have third priority, and other voting members who have subscription rights have fourth priority. If the final conversion stock valuation range exceeds the maximum conversion stock offering range, up to ten percent of the total offering of shares may be sold to the tax-qualified employee stock benefit plans. Furthermore, if the ESOP is not able to purchase conversion stock, the ESOP or any other tax-qualified plan may purchase shares in the open market or utilize authorized but unissued shares only with prior OTS approval; and disclosure must be made in the conversion stock offering materials of the potential open market purchases or use of authorized but unissued shares to fund the ESOP and its effects on the association and its shareholders.

(24) Provide that the association may make scheduled discretionary contributions to a tax-qualified employee stock benefit plan provided such contributions do not cause the association to fail to meet its regulatory capital requirement.

(d) *Optional provisions in plan of conversion.* The plan of conversion may provide any or all of the following:

(1) That the converting savings association may commence the direct community offering or the public offering, or both, concurrently with or at any time during the subscription offering. The subscription offering may be commenced concurrently with or at any time after the mailing to association members pursuant to § 563b.6(c) of this part of the proxy statement authorized for use by the Office. The subscription offering may be closed before the meeting of the association members held to vote on the plan of conversion, provided that the offer and sale of the capital stock shall be conditioned upon the approval of the plan of conversion

by the association members as provided in § 563b.6.

(2) That directors, officers and employees of the converting savings association shall receive without payment nontransferable subscription rights to purchase shares of capital stock that are available after satisfying the subscriptions of eligible account holders, supplemental eligible account holders, voting members, and tax-qualified employee stock benefit plans provided for under paragraphs (c)(2), (c)(4), (c)(5), and (c)(23) of this section, subject to the following conditions:

(i) The total number of shares which may be purchased under this paragraph (d)(2) shall not exceed 25 percent of the total number of shares to be issued in the case of a converting savings association with total assets of less than \$50 million or 15 percent in the case of a converting savings association with total assets of \$500 million or more; in the case of a converting savings association with total assets of \$50 million or more but less than \$500 million, the percentage shall be no more than a correspondingly appropriate number of shares based on total asset size (for example, 20 percent in the case of a converting savings association with total assets of approximately \$275 million); and

(ii) The shares shall be allocated among directors, officers, and employees on an equitable basis such as by giving weight to period of service, compensation and position, subject to a reasonable limitation on the amount of shares which may be purchased by any person associate thereof, or group of affiliated persons or group of persons otherwise acting in concert.

(3) That any account holder receiving rights to purchase stock in the subscription offering, shall also receive, without payment, non-transferable subscription rights to purchase up to one percent of the total offering of shares of capital stock, to the extent that such shares are available after satisfying the subscriptions provided for under paragraphs (c)(2), (c)(4), (c)(5), and (c)(23) of this section, subject to such conditions as may be provided in the plan of conversion. In the event of an oversubscription for such additional

shares, the shares available shall be allocated among the subscribing eligible account holders, supplemental eligible account holders and voting members on such equitable basis, related to the amounts of their respective subscriptions, as may be provided in the plan of conversion. Where possible such subscriptions shall be allocated in such a manner that total purchases by eligible account holders, supplemental eligible account holders, and voting members shall be rounded to the nearest 100 shares.

(4) That purchases in the public offering or in the direct community offering by any person together with any associate or group of persons acting in concert shall be limited to less than ten percent (10%) of the total offering of shares. The percentage amount by which any order for conversion stock exceeds 5% of the total offering of shares shall be aggregated with the percentage amounts by which all other orders for conversion stock exceed 5% of the total offering of shares. The aggregate amount shall not exceed 10% of the total offering of shares, except that this limitation shall not apply to the purchases of the tax-qualified employee stock benefit plans.

(5) That the converting savings association may require association members to return by a reasonable date certain a postage-paid written communication provided by the converting savings association requesting receipt of a subscription offering circular, or a preliminary or final offering circular in an offering pursuant to paragraph (d)(11) of this section, in order to be entitled to receive an offering circular from the converting savings association: *Provided*, That the subscription offering or the offering pursuant to paragraph (d)(11) of this section shall not be closed until the expiration of thirty days after the mailing by the converting savings association to association members of the postage-paid written communication. If the subscription offering or the offering pursuant to paragraph (d)(11) of this section is not commenced within 45 days after the meeting of association members, the converting savings association that has adopted this optional provision shall transmit no more than 30 days

prior to the commencement of the subscription offering or the offering pursuant to paragraph (d)(11) of this section to each association member who had been furnished with proxy soliciting materials, written notice of the commencement of the offering, which notice shall state that the converting savings association is not required to furnish an offering circular to an association member unless the association member returns by a reasonable date certain the postage-paid written communication provided by the converting savings association requesting receipt of an offering circular.

(6) That the converting savings association may require eligible account holders and supplemental eligible account holders who are not voting members pursuant to § 563b.6(d) of this part to return by a reasonable date certain a postage-paid written communication provided by the converting savings association requesting the receipt of a subscription offering circular, or a preliminary or final offering circular in an offering pursuant to paragraph (d)(11) of this section, in order to be entitled to receive an offering circular from the converting savings association: *Provided*, That the subscription offering or the offering pursuant to paragraph (d)(11) of this section shall not be closed until the expiration of thirty days after the mailing by the converting savings association to the non-voting eligible account holders and supplemental eligible account holders of the postage-paid written communication. If the subscription offering or the offering pursuant to paragraph (d)(11) of this section is not commenced within 45 days after the meeting of association members, the converting savings association that has adopted this optional provision shall transmit no more than 30 days prior to the commencement of the subscription offering or the offering pursuant to paragraph (d)(11) of this section to each eligible account holder and supplemental account holder who had been furnished with a notice pursuant to paragraph (d)(11) of this section written notice of the commencement of the offering, which notice shall state that the converting savings association is not required to furnish an offering circular to a non-

voting eligible account holder or supplemental eligible account holder unless the eligible account holder or supplemental eligible account holder returns by a reasonable date certain the postage-paid written communication provided by the converting savings association requesting receipt of an offering circular.

(7) That any insignificant residue of shares of the converting savings association not sold in the subscription offering or in a public offering referred to in paragraph (c)(6) of this section may be sold in such other manner as provided in the plan with the Office's approval.

(8) That the number of shares which any person, or group of persons affiliated with each other or otherwise acting in concert, may subscribe for in the subscription offering may be made subject to a limit of not less than one percent of the total offering of shares.

(9) That any person exercising subscription rights to purchase capital stock shall be required to purchase a minimum of up to 25 shares to the extent such shares are available (but the aggregate price for any minimum share purchase shall not exceed \$500).

(10) That the converted savings association shall issue and sell, in lieu of shares of its capital stock, units of securities consisting of capital stock and long-term warrants or other equity securities, in which event any reference in the provisions of this part to capital stock shall apply to such units of equity securities unless the context otherwise requires.

(11) That, instead of a separate subscription offering, all subscription rights issued in connection with the conversion shall be exercisable by delivery of properly completed and executed order forms to the underwriters or selling group for the public offering or pursuant to any other procedure, subject to the applicant demonstrating to the Office the feasibility of the method of exercising such rights and to such conditions as shall be provided in the plan of conversion. Such conditions shall include, but not be limited to, a condition requiring that orders for stock in the public offering or direct community offering shall first be filled, in the order of priority set forth

in this section, by orders of persons exercising subscription rights.

(12) That the offering of stock to be sold in the subscription offering may give a preference to eligible account holders, supplemental eligible account holders, and other voting members residing in the association's local community.

(13) That the Office may approve such other equitable provisions as are necessary to avert imminent injury to the converting savings association.

(e) *Determination of amount of qualifying deposit; predecessor and successor accounts.* (1) Unless otherwise provided in the plan of conversion, for the purposes of this section, the amount of the qualifying deposit of an eligible account holder or supplemental eligible account holder shall be the total of the deposit balances in the eligible account holder's or supplemental eligible account holder's savings accounts in the converting savings association as of the close of business on the eligibility record date or supplemental eligibility record date. However, the plan of conversion may provide that any savings accounts with total deposit balances of less than \$50 (or any lesser amount) shall not constitute a qualifying deposit.

(2) As used in this section, the term "savings account" includes a predecessor or successor account of a given savings account which is held only in the same right and capacity and on the same terms and conditions as the given savings account. However, the plan of conversion may provide for lesser requirements for consideration as a predecessor or successor account.

(f) *Liquidation account.* (1) Each converted savings association shall, at the time of conversion, establish a liquidation account in an amount equal to the amount of net worth of the converting savings association as of the latest practicable date prior to conversion. For the purposes of this paragraph, the savings association shall use the net worth figure no later than that set

forth in its latest statement of financial condition contained in the final offering circular. The function of the liquidation account is to establish a priority on liquidation and, except as provided in paragraph (g)(2) of this section, the existence of the liquidation account shall not operate to restrict the use or application of any of the net worth accounts of the converted savings association.

(2) The liquidation account shall be maintained by the converted savings association for the benefit of eligible account holders and supplemental eligible account holders who maintain their savings accounts in such association. Each such eligible account holder and supplemental eligible account holder shall, with respect to each savings account held, have a related inchoate interest in a portion of the liquidation account balance ("subaccount").

(3) In the event of a complete liquidation of the converted savings association (and only in such event), each eligible account holder and supplemental eligible account holder shall be entitled to receive a liquidation distribution from the liquidation account, in the amount of the then current adjusted subaccount balances for savings accounts held, before any liquidation distribution may be made with respect to capital at the time of the conversion in exchange for the surrender of mutual capital certificates issued by the association prior to conversion. A merger, consolidation, sale of bulk assets, or similar combination or transaction with another SAIF-insured savings association is not considered a complete liquidation for these purposes, and in such a transaction the liquidation account would be assumed by the surviving association. Preferred stock issued in exchange for mutual capital certificates may receive distributions in liquidation prior to distribution from the liquidation account to the holders of the mutual capital certificates that would have been entitled to priority over the residual rights of depositors had the association not been converted as of the date of liquidation.

(4) The initial subaccount balance for a savings account held by an eligible

account holder and/or supplemental eligible account holder shall be determined by multiplying the opening balance in the liquidation account by a fraction of which the numerator is the amount of qualifying deposits in such savings account on the eligibility record date and/or the supplemental eligibility record date and the denominator is the total amount of qualifying deposits of all eligible account holders and supplemental eligible account holders in the converting savings association on such dates. For savings accounts in existence at both dates, separate subaccounts shall be determined on the basis of the qualifying deposits in such saving accounts on such record dates. Such initial subaccount balances shall not be increased, and it shall be subject to downward adjustment as provided in paragraph (f)(5) of this section.

(5) If the deposit balance in any savings account of an eligible account holder or supplemental eligible account holder at the close of business on any annual closing date subsequent to the respective record dates is less than the lesser of:

(i) The deposit balance in such savings account at the close of business on any other annual closing date subsequent to the eligibility record date or supplemental eligibility record date; or

(ii) The amount of qualifying deposit as of the eligibility record date or the supplemental eligibility record date, the subaccount balance for such savings account shall be adjusted by reducing such subaccount balance in an amount proportionate to the reduction in such deposit balance.

In the event of such a downward adjustment, the subaccount balance shall not be subsequently increased, notwithstanding any increase in the deposit balance of the related savings account. The converted association shall not be required to recompute the liquidation account and subaccount balances provided the converted association maintains records sufficient to make necessary computations in the event of a complete liquidation or such other events as may require a computation of the balance of the liquidation account. The liquidation subaccount of an account holder shall be

maintained for as long as the account holder maintains an account with the same Social Security number.

(g) *Restrictions on repurchase of stock; payment of dividends; and use of stock option and management or employee stock benefit plans.* Each savings association that converts pursuant to this part shall be subject to the following conditions:

(1) No converted savings association shall for a period of three years from the date of the completion of the conversion repurchase any of its capital stock from any person, except that this restriction shall not apply to either:

(i) A repurchase, on a *pro rata* basis pursuant to an offer approved by the Office and made to all shareholders of such association; or

(ii) The repurchase of qualifying shares of a director.

(2) No converted association shall declare or pay a dividend on, or repurchase any of, its capital stock if the effect thereof would cause the regulatory capital of the converted association to be reduced below the amount required for its liquidation account. Any dividend declared or paid on, or repurchase of, a converted association's capital stock also shall be in compliance with § 563.134 of this chapter.

(3)(i) A converted savings association subject to paragraph (g)(1) of this section may repurchase its capital stock provided:

(A) No repurchases occur within one year following conversion;

(B) Repurchases within year two and year three after conversion are part of an open-market stock repurchase program that does not allow for a repurchase of more than 5% of the association's outstanding capital stock during a twelve month period;

(C) The repurchases do not cause the association to become undercapitalized (as defined in 12 CFR 565.4); and

(D) The association provides to the Regional Director, with a copy to the Chief Counsel's Office, Business Transactions Division, no later than ten days prior to the commencement of a repurchase program, written notice containing a full description of the repurchase program to be undertaken, the effect of such repurchases on its regulatory capital position, and a valid

business purpose for the repurchase; and the Regional Director does not disapprove the repurchase program based upon a determination that:

(1) The repurchase program would materially adversely affect the financial condition of the savings association;

(2) The information submitted by the savings association is insufficient upon which to base a conclusion as to whether the association's financial condition would be materially adversely affected; or

(3) The association did not demonstrate a valid business purpose for the stock repurchase.

(ii) During the first three years following conversion, the OTS, in accordance with the standards contained in this paragraph, may permit stock repurchases in excess of the amounts specified in paragraph (g)(3)(i) of this section, where exceptional circumstances are established.

(4) Use of Stock Option and Management or Employee Stock Benefit Plans. No converted savings association shall, for a one year period from the date of the conversion, implement a stock option plan or management or employee stock benefit plan, other than a tax-qualified plan complying with (c)(6) of this section, unless each of the following requirements are met:

(i) Each of the plans was fully disclosed in the proxy soliciting and conversion stock offering materials;

(ii) For stock option plans, the total number of shares of common stock for which options may be granted does not exceed ten percent of the amount of shares issued in the conversion;

(iii) For management or employee stock benefit plans, the aggregate amount of such plans shall not exceed three percent of the amount of shares issued in the conversion;

(iv) The aggregate amount of all shares obtained by a tax-qualified employee stock benefit plan(s) in the conversion, pursuant to (c)(6) of this section, or within one year following the conversion, and all the shares in a management or employee stock benefit plan, pursuant to paragraph (g)(4)(iii) of this section, shall not exceed ten percent of the total amount of shares issued in the conversion;

(v) Associations that have in excess of ten percent tangible capital following the conversion, may be granted, on a case by case basis, approval to establish a management or employee stock benefit plan pursuant to paragraph (g)(4)(iii) of this section in an amount up to four percent of the amount of the shares issued in the conversion, and an aggregate total of up to twelve percent for all plans established pursuant to paragraph (g)(4)(iv) of this section;

(vi) No individual shall receive more than twenty-five percent of the shares of any plan and directors who are not employees of the association shall not receive more than five percent of the stock individually, or thirty percent in the aggregate, of any plan;

(vii) All such plans, prior to establishment and implementation, are approved by the holders of a majority of the total votes eligible to be cast at any duly called meeting of shareholders of the association or its holding company, either annual or special, to be held no earlier than six months after completion of the conversion;

(viii) In the case of a savings association subsidiary of a mutual holding company, all such plans, prior to establishment and implementation, are approved by the holders (other than its parent mutual holding company) of a majority of the total votes eligible to be cast, at any duly called meeting of shareholders, either annual or special, to be held no earlier than six months after completion of the conversion;

(ix) For stock option plans, stock options are granted at no less than the market price at which the stock is trading at the time of grant;

(x) For management or employee stock benefit plans, no conversion stock is used to fund the plans;

(xi) The plans subject to this section must comply with the terms and amounts specified in paragraph (g)(4) of this section;

(xii) The plans subject to this section shall begin vesting no earlier than one year from the date the plans are approved by shareholders, shall not vest at a rate in excess of 20% a year, and shall not provide for accelerated vesting except in the case of disability or death;

(xiii) Disclosure in all proxy and related material distributed to shareholders in connection with the meeting at which the stock option plans and management stock benefit plans will be voted shall state that the plans comply with OTS regulations, that the OTS in no way endorses or approves the plans; and no written or oral representation to the contrary shall be made; and

(xiv) No later than five calendar days from the date of shareholder approval of any stock option or management benefit plans, the institution shall file with the OTS a copy of the approved plans and written certification that the plans approved by the shareholders are the same plans filed with and disclosed in the proxy materials.

(h) *Manipulative and deceptive devices.* In the offer, sale or purchase of securities issued incident to its conversion, no savings association, or any director, officer, attorney agent or employee thereof, shall:

(1) Employ any device, scheme, or artifice to defraud;

(2) Obtain money or property by means of any untrue statement of a material fact or any omission to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; or

(3) Engage in any act, transaction, practice, or course of business which operates or would operate as a fraud or deceit upon a purchaser or seller.

(i) *Acquisition of the securities of converting and converted savings associations—(1) Prohibited transfers.* Prior to the completion of a conversion, no person shall transfer, or enter into any agreement or understanding to transfer, the legal or beneficial ownership of conversion subscription rights, or the underlying securities to the account of another.

(2) *Prohibition of offers and certain acquisitions.* Prior to the completion of a conversion, no person shall make any offer, or any announcement of an offer, for any security of the converting savings association issued in connection with the conversion nor shall any person knowingly acquire securities of the converted savings association issued in

connection with the conversion in excess of the maximum purchase limitations established in the association's approved plan of conversion pursuant to paragraph (c)(7) or (d)(4) of this section.

(3) *Prohibition on offers to acquire and acquisitions of stock for three years following conversion.* (i) For a period of three years following the date of the completion of the conversion, no person shall, directly or indirectly, offer to acquire or acquire the beneficial ownership of more than ten percent of any class of an equity security of a savings association converted in accordance with the provisions of this part 563b, without the prior written approval of the Office. Where any person, directly or indirectly, acquires beneficial ownership of more than ten percent of any class of any equity security of a savings association converted in accordance with part 563b, without the prior written approval of the Office as required by this section, the securities beneficially owned by such person in excess of ten percent shall not be counted as shares entitled to vote and shall not be voted by any person or counted as voting shares in connection with any matter submitted to the stockholders for a vote. For the purposes of this section, a person shall be deemed to have acquired beneficial ownership of more than ten percent (10%) of a class of equity security of a savings association where the person holds any combination of stock or revocable or irrevocable proxies of the association under circumstances that give rise to a conclusive control determination or rebuttable control determination under §§ 574.4(a) and 574.4(b) of this chapter. In obtaining the prior written approval of the OTS under this paragraph (i), the criteria for approval under paragraph (i)(5) of this section should be addressed, if applicable, in the application, notice, or rebuttal required by part 574 of this chapter for the acquisition of stock of a savings association, as set forth in § 574.6(j) of this chapter.

(ii) A conversion shall be deemed completed on the date all of the converting association's conversion stock was sold.

(iii) An acquisition of shares shall be presumed to have been made if the acquiror entered into a binding written agreement for the transfer of shares. An offer shall be deemed made when communicated.

(4) *Exceptions.* (i) Paragraphs (i)(1) and (i)(2) of this section shall not apply to a transfer, agreement, or understanding to transfer, offer, or announcement of an offer or intent to make an offer which:

(A) Pertains only to securities to be purchased pursuant to paragraph (c)(6), (d)(7), or (d)(12); and

(B) Has the prior written approval of the Office.

(ii) Paragraphs (i)(2) and (i)(3) of this section shall not apply to any offer with a view toward public resale made exclusively to the association or to the underwriters or a selling group acting on its behalf.

(iii) Unless made applicable by the Office by prior advice in writing, the restriction contained in paragraph (i)(3) of this section shall not apply to any offer or announcement of an offer which if consummated would result in the acquisition by a person, together with all other acquisitions by the person of the same class of securities during the preceding 12-month period, of not more than one percent of the class of securities.

(iv) The restriction contained in paragraph (i)(3) of this section shall not apply to any offer to acquire or acquisition of beneficial ownership of more than ten percent of the common stock of a savings association by a corporation whose ownership is or will be substantially the same as the ownership of the savings association, provided that the offer or acquisition is made more than one year following the date of completion of the conversion.

(v) Paragraphs (i)(1), (i)(2) and (i)(3) of this section shall not apply to the acquisition of securities of an association or holding company thereof by any one or more tax-qualified employee stock benefit plans of such association or holding company, provided that, the plan or plans do not have beneficial ownership in the aggregate of more than twenty-five percent (25%) of any class of equity security of the converted association or holding company.

(vi) No application under paragraph (i)(3)(i) of this section generally shall be required for any proposed acquisition that requires prior approval of, or clearance by, the OTS under 12 CFR part 574 *provided* that the application required to be filed pursuant to part 574 of this chapter addresses in specific detail how the proposed transaction will comply with the criteria for approval under paragraph (i)(5) of this section, and the proposed acquisition is not opposed by the recently converted association subject to paragraph (i)(3)(i) of this section. Where, pursuant to this paragraph (i)(4)(vi), no separate application under paragraph (i)(3)(i) of this section is required, the prohibition on offers to acquire equity securities contained in paragraph (i)(3)(i) of this section shall not apply.

(5) *Criteria for approval.* The Office may deny an application involving an offer or acquisition of any security or proxies to vote securities of a converted association submitted under paragraph (i)(3) of this section if it finds that the proposed acquisition:

- (i) Would frustrate the purposes of the provisions of this part 563b;
- (ii) Would be manipulative or deceptive;
- (iii) Would subvert the fairness of the conversion;
- (iv) Would be likely to result in injury to the association;
- (v) Would not be consistent with economical home financing;
- (vi) Would otherwise be violative of law or regulation; or
- (vii) Would not contribute to the prudent deployment of the association's conversion proceeds.

(6) *Optional charter provisions.* The plan of conversion may provide for the charter of the converted savings association to include, for a specified period of not more than five years following the date of the completion of the conversion, any or all of the provisions of § 552.4(b)(8) of this chapter: *Provided*, that if the savings association is converting to a state-chartered stock association, it shall include in its application an opinion of counsel independent of the association that such charter provisions are permissible under the law of the applicable state. At any annual or special meeting of its share-

holders, a converted state-chartered savings association may adopt any charter provision regarding the acquisition by any person or persons of its equity securities that would be permitted to be adopted by a savings association chartered by the state in which the converted savings association is chartered, and a converted federally-chartered savings association may adopt any such charter provision permitted under § 552.4 of this chapter.

(7) *Definitions.* (i) The term *person* includes an individual, a group acting in concert, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization or similar company, a syndicate or any other group formed for the purpose of acquiring, holding or disposing of securities of a savings association.

(ii) The term *offer* includes every offer to buy or acquire, solicitation of an offer to sell, tender offer for, or request or invitation for tenders of, a security or interest in a security, for value: *Provided*, That for the purpose of this § 563b.3(i), the term "offer" shall not include:

(A) Inquiries directed solely to the management of a savings association and not intended to be communicated to stockholders, designed to elicit an indication of management's receptivity to the basic structure of a potential acquisition with respect to the amount of securities, manner of acquisition and formula for determining price, or

(B) Nonbinding expressions of understanding or letters of intent with the management of a savings association regarding the basic structure of a potential acquisition with respect to the amount of securities, manner of acquisition, and formula for determining price.

(iii) The term *acquire* includes every type of acquisition, whether effected by purchase, exchange, operation of law or otherwise.

(iv) The term *security* includes non-transferable subscription rights issued pursuant to a plan of conversion as well as a *security* as defined in 15 U.S.C. 78c(2)(10).

(j) *Priority of regulations.* The provisions of this part shall supersede all inconsistent charter and bylaw provisions of federally-chartered savings associations converting to the stock form.

§ 563b.4 Notice of filing; public statements; confidentiality.

(a) Information prior to approval of plan of conversion. (1) A savings association which is considering converting pursuant to this part and its directors, officers and employees shall keep such consideration in the strictest confidence and shall only discuss the potential conversion as would be consistent with the need to prepare information for filing an application for conversion. Should this confidence be breached the Office may require remedial measures including:

(i) A public statement by the association that its board of directors is currently considering converting pursuant to this part;

(ii) Providing for an eligibility record date which shall be as of such a date prior to the adoption of the plan by the converting savings association's board of directors as to assure the equitability of the conversion;

(iii) Limitation of the subscription rights of any person violating or aiding the violation of this section to an amount deemed appropriate by the Office; and

(iv) Any other actions the Office may deem appropriate and necessary to assure the fairness and equitability of the conversion.

(2) If it should become essential as a result of rumors prior to the adoption of a plan of conversion by the applicant's board of directors, a public statement limited to that purpose may be made by the applicant.

(3) Promptly after the adoption of a plan of conversion by not less than two-thirds of its board of directors, the savings association shall:

(i) Notify its members of such action by publishing a statement in a news-

paper having general circulation in each community in which an office of the savings association is located and/or by mailing a letter to each of its members; and

(ii) Have copies of the adopted plan of conversion available for inspection by its members at each office of the savings association. The savings association may also issue a press release with respect to such action. Copies of the proposed statement, letter and press release are not required to be filed with the Office, but may be submitted for comment to the Chief Counsel's Office, Corporate and Securities Division. Copies of the definitive statement, letter and press release shall be filed with the Office as part of the application for conversion.

(4) The statement, letter and press release, unless otherwise authorized by the Office shall contain only (but need not contain all of) the following:

(ii) A statement that the proposed plan of conversion must be approved by at least a majority of the votes eligible to be cast either in person or by proxy by association members at a meeting at which the plan will be submitted for their approval;

(iii) A statement that existing proxies held with respect to voting rights in the savings association will not be voted regarding the conversion, and that new proxies will be solicited for voting on the proposed plan of conversion;

(iv) A statement that a proxy statement setting forth more detailed information with respect to the proposed plan of conversion will be sent to association members prior to the meeting of members;

(v) A statement that the proposed plan of conversion is subject to approval by the Office and by the appropriate State regulatory authority or authorities (naming such an authority or authorities) before such plan can become effective and that members of the applicant will have an opportunity to

file written comments including objections and materials supporting such objections to the Office;

(vi) A statement that the proposed plan of conversion is contingent upon obtaining favorable tax rulings from the Internal Revenue Service or an appropriate tax opinion;

(vii) A statement that there is no assurance that the approval of the Office or the approval of any appropriate State authority or authorities will be obtained, and also no assurance that the favorable tax rulings or tax opinion will be received;

(viii) The proposed record date for determining the eligible account holders entitled to receive nontransferable subscription rights to purchase capital stock of the applicant;

(ix) A brief statement describing the circumstances that would require supplemental eligible account holders to receive nontransferable subscription rights to purchase capital stock of the applicant;

(x) A brief statement as to the extent to which voting members will participate in the conversion;

(xi) A brief description of the proposed plan of conversion;

(xii) The par value (if any) and approximate number of shares of capital stock to be issued and sold under the proposed plan of conversion;

(xiii) A brief statement as to the extent to which directors, officers and employees will participate in the conversion;

(xiv) A statement that savings account holders will continue to hold accounts in the converted savings association identical as to dollar amount, rate of return and general terms, and that their accounts will continue to be insured by the FDIC;

(xv) A statement that the savings association will continue to be a member of the Federal Home Loan Bank System;

(xvi) A statement that borrowers' loans will be unaffected by conversion, and that the amount, rate, maturity, security and other conditions will remain contractually fixed as they existed prior to conversion;

(xvii) A statement that the normal business of the savings association in accepting savings and making loans

will continue without interruption; that the converted savings association will continue after conversion to conduct its present services to savings account holders and borrowers under current policies to be carried on in existing offices and by the present management and staff;

(xviii) A statement that the proposed plan of conversion may be substantively amended by the board of directors as a result of comments from the regulatory authorities or otherwise prior to the meeting, and that the proposed plan may also be terminated by the board of directors; and

(5) Such statement, letter and press release shall not in any manner solicit proxies, include financial statements or describe the benefits of conversion or the value of the capital stock of the savings association upon conversion. In replying to inquiries, the savings association should limit its answers to the matters listed in paragraph (a)(3) of this section.

(b) *Notice of filing.* (1)(i) Immediately upon filing an application for conversion with the Office, the applicant shall publish a notice of the filing. If an application for conversion is not properly executed or is materially deficient or substantially incomplete, the Office may require a new application to be filed, publication of a new notice and an additional 20-day comment period. The applicant shall prominently post the notice in each of its offices and publish the notice in at least one newspaper printed in the English language and having a substantial general circulation in each community in which an office of the applicant is located, as follows:

Notice is hereby given that, pursuant to part 563b of the Rules and Regulations Applicable to All Savings Associations,

_____ (fill in name of applicant) has filed an application with the Office of Thrift Supervision ("Office") for approval to convert to the _____ (State-chartered or Federally-chartered) stock form of organization. Copies of the application have been delivered to the Chief Counsel, Corporate and Securities Division, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552, and to the Regional Director at _____ (Address, including zip code, of Regional Director).

(ii) Written comments, including objections to the plan of conversion and materials supporting the objections, from any member of the applicant or aggrieved person will be considered by the Office if filed within twenty calendar days after the date of this notice. The OTS may, in its discretion, and upon written request, extend the twenty day comment period for an additional twenty calendar days. Failure to provide the written comments in twenty calendar days may preclude the pursuit of any administrative or judicial remedies. Two copies of the comments should be sent to the Chief Counsel, Business Transactions Division, one copy to the Corporate Activities Division and one copy to the Regional Director. The proposed plan of conversion and any comments will be available for inspection by any member of the applicant at the Chief Counsel's Office and at the Regional Director's Office. A copy of the plan of conversion may also be inspected at the home office and each branch office of the applicant.

(2) If a significant number of the applicant's members speak a language other than English and a newspaper in that language is published in the area served by the applicant, an appropriate translation of the notice shall also be published in that newspaper.

(3) Promptly after publication of the notice or notices prescribed in paragraphs (b)(1) and (b)(2), the applicant shall file four copies of each notice with the Office accompanied by an affidavit of publication from each publisher.

(c) Should the applicant desire to submit any information it deems to be of a confidential nature regarding the answer to any item or any part of any exhibit included in any application under this part, such information pertaining to such item or exhibit shall be

separately bound and labeled "confidential," and a statement shall be submitted therewith briefly setting forth the grounds on which such information should be treated as confidential. Only general reference thereto need be made in that portion of the application which the applicant deems not to be confidential. Applications under this part shall be made available for inspection by the public, except for portions which are bound and labeled "confidential" and which the Office determines to withhold from public availability under 5 U.S.C. 552 and part 505 of this chapter. Preliminary soliciting materials will be made available upon filing, unless such materials are not otherwise available to the public and are bound and labeled "confidential." The applicant will be advised of any decision by the Office to make public information designated "confidential" by the applicant. Even though sections of the application are considered "confidential," as far as public inspection thereof is concerned, to the extent it deems necessary, the Office may comment on such confidential submissions in any public statement in connection with its decision on the application without prior notice to the applicant.

§ 563b.5 Solicitation of proxies; proxy statement.

(a) *Solicitations to which rules apply.* This section applies to every solicitation of a proxy from an association member of a savings association for the meeting at which a conversion plan will be voted upon, except the following:

(1) Any solicitation made otherwise than on behalf of the management of the savings association where the total number of persons solicited is not more than 50;

(2) Any solicitation through the medium of a newspaper advertisement which informs association members, following approval of the plan of conversion, of a source from which they may obtain copies of a proxy statement, form of proxy, or any other soliciting material and does no more than:

- (i) Name the savings association;
- (ii) State the reason for the advertisement;
- (iii) Identify the proposal or proposals to be acted upon by association members; and
- (iv) Urge the member to vote at the meeting.

(b) *Use of proxy soliciting material to be authorized.* No proxy soliciting material required to be filed with the Office prior to use shall be furnished to association members or otherwise released for distribution until the use of such material has been authorized in writing by the Office. Proxy material authorized for use by the Office shall be mailed to the association members within ten days of such authorization unless extended by the Office in writing.

(c) *Information to be furnished association members.* No solicitation subject to this section shall be made unless each person solicited is concurrently furnished, or has previously been furnished, a written proxy statement the use of which has been authorized by the Office.

(d) *Requirements as to proxy.* (1) The form of proxy:

- (i) Shall indicate in bold face type whether the proxy is solicited on behalf of the management;
- (ii) Shall provide specifically designated blank spaces for dating and signing the proxy;
- (iii) Shall identify clearly and impartially each matter or group of related matters intended to be acted upon;
- (iv) Shall be clearly labeled "Revocable Proxy" in bold face type (at least as large as 18 point);
- (v) Shall describe any charter or State law requirement restricting or conditioning voting by proxy;
- (vi) Shall contain an acknowledgment by the person giving the proxy that he has received a proxy statement prior to signing the form of proxy;

(ix) Shall indicate in bold face type how the proxy shall be voted on each such matter to which no choice is so specified.

(2) No proxy subject to this section shall confer authority to vote at any meeting other than the meeting (or any adjournment thereof) to vote on conversion. A proxy may be deemed to confer authority to vote with respect to matters incident to the conduct of such meeting. If the plan of conversion is considered at an annual meeting, existing proxies may be voted with respect to matters not related to the plan of conversion.

(3) The proxy statement or form of proxy shall provide that the votes represented by the proxy will be voted; that, where the person solicited specifies by means of a ballot provided pursuant to paragraph (d)(1)(viii) of this section a choice with respect to any matter to be acted upon, the votes will be voted in accordance with the specifications so made; and that if no choice is so specified, the votes will be cast as indicated in bold face type on the form of proxy.

(4) Each voting member must be furnished a form of proxy conforming with paragraph (d) of this section. No applicant shall use previously-executed proxies.

(e) *Material required to be filed.* (1) Applicants shall file ten preliminary copies of such proxy materials as are required by the form for applying for approval to convert under this part.

(2) Ten preliminary copies of any additional soliciting material subject to this section including soliciting material in the form of press releases, and radio or television scripts, to be used or furnished to association members subsequent to furnishing the proxy statement, shall be filed with the Office at least five business days prior to the date on which the Office is requested to authorize the use of such material. Speeches may, but need not be, filed with the Office prior to use.

(3) Twenty-five copies of the proxy statement and ten copies of the form of proxy and all other soliciting material, in the form in which such material is furnished to association members, shall be filed with or mailed for filing to the Office not later than the date

such material is first sent or given to association members. All materials filed pursuant to this paragraph (e)(3) shall be accompanied by a statement of the date on which copies of such materials are to be released to association members.

(4) If the solicitation is to be made in whole or in part by personal solicitation, ten preliminary copies of all written instructions or other material which discusses or reviews, or comments upon the merits of, any matter to be acted upon and which is to be furnished to the individuals making the actual solicitation for their use directly or indirectly in connection with the solicitation shall be filed with the Office at least five business days prior to the date on which the Office is requested to authorize the use of such material.

(5) All preliminary copies of material filed pursuant to paragraphs (e)(1), (e)(2) and (e)(4) of this section shall be clearly marked on the cover page "Preliminary Copy". Such preliminary copies shall be public unless otherwise deemed confidential pursuant to § 563b.4(c) of this part.

(6) Unless requested by the Office, copies of replies to inquiries from members of the savings association and copies of communications which do no more than request that forms of proxy theretofore solicited be signed and returned need not be filed pursuant to paragraph (e) of this section.

(7) Where any proxy statement, form of proxy or other material filed pursuant to paragraph (e) of this section is amended or revised, four of the required copies of such amended or revised material filed with the Office shall be marked to indicate clearly and precisely the changes effected therein subsequent to the last prior filing.

(f) *Mailing communications for associations members.* If the management of the applicant has adopted a plan of conversion, the applicant shall perform such of the following acts as may be duly requested in writing with respect to a matter to be considered at the meeting to vote on the plan of conversion by any association member who will defray the reasonable expenses to be incurred by the applicant in the performance of the act or acts requested.

(1) The applicant shall mail or otherwise furnish to such association member the following information as promptly as practicable after the receipt of such request:

(i) A statement of the approximate number of association members who have been or are to be solicited on behalf of the management, or any group of such holders which the association member shall designate; and

(ii) An estimate of the cost of mailing a specified proxy statement, form of proxy or other communication to such association member.

(2) Copies of any proxy statement, form of proxy or other communication furnished by the association member and as approved by the Office shall be mailed by the applicant to such of the association members specified in paragraph (f)(1)(i) of this section as the association member shall designate.

(3) Any such material which is furnished by the association member shall be mailed with reasonable promptness by the applicant after receipt of the material to be mailed, envelopes or other containers therefor and postage or payment for postage.

(4) Neither the management nor the applicant shall be responsible for such proxy statement, form of proxy or other communication.

(g) *False or misleading statements.* (1) No solicitation of a proxy by the applicant, its management, or any other person for the meeting to vote on conversion shall be made by means of any proxy statement, form of proxy, notice of meeting or other communication, written or oral, containing any statement which, at the time and in the light of the circumstances under which it is made, is false or misleading with respect to any material fact, or which omits to state any material fact necessary in order to make the statements therein not false or misleading or necessary to correct any statement in any earlier communication with respect to the solicitation of a proxy for such meeting which has become false or misleading.

(2) The fact that a proxy statement, form of proxy or other soliciting material has been filed with or examined by the Office and authorized for use shall not be deemed a finding by the Office

that such material is accurate or complete or not false or misleading, or that the Office has passed upon the merits of or approved any proposal contained therein. No representation contrary to the foregoing shall be made by any person.

(3) If a solicitation by management violates any provision of this section, the Office may require remedial measures including:

(i) Correction of any such violation by means of a retraction and new solicitation;

(ii) Rescheduling of the meeting for a vote on the conversion; and

(iii) Any other actions the Office may deem appropriate in the circumstances in order to ensure a fair vote.

(h) *Prohibition of certain solicitations.* No person soliciting a proxy from an association member for the meeting to vote on conversion shall solicit:

(1) Any undated or post-dated proxy;

(2) Any proxy which provides that it shall be deemed to be dated as of any date subsequent to the date on which it is signed by the association members;

(3) Any proxy which is not revocable at will by the association member giving it; or

(4) Any proxy which is part of any other document or instrument (such as an account card).

§ 563b.6 Vote by members.

(a) *Vote at special meeting.* Following approval by the Office of an application for conversion, the plan of conversion shall be submitted to a special meeting of members, unless in the case of a State-chartered converting savings association State law requires that the plan be considered at an annual meeting of members.

(b) *Determining members eligible to vote.* The record date for determining those members eligible to vote at the meeting called to consider a plan of conversion shall not be more than 60 nor less than 10 days prior to the date of such meeting, without prior approval of the Office, unless State law requires a different voting record date.

(c)(1) *Notice to members.* Notice of the meeting to consider a plan of conversion shall be given by means of the

proxy statement authorized for use by the Office. The notice shall be given not more than 45 nor fewer than 20 days prior to the date of the meeting to each association member, unless State law requires a different notice period. Such notice shall also be sent to each beneficial holder of an account held in a fiduciary capacity:

(i) In the case of a Federal association, where the account is an Individual Retirement Account and the name of the beneficial holder is disclosed on the association's records; and

(ii) In the case of a State-chartered association, where the beneficial holder possesses voting rights.

(2) *Summary proxy statement.* The proxy statement required by paragraph (c)(1) of this section may be in summary form, *Provided:*

(i) A statement is made in bold-face type on the notice to members required under paragraph (c)(1) of this section that a more detailed description of the proposed transaction may be obtained by returning an attached postage-paid postcard or other written communication requesting a supplemental information statement which, together with the summary proxy statement, complies with the requirements of Form PS;

(ii) The last date on which the summary proxy statement is mailed to members will be deemed the date on which notice is given for purposes of paragraph (c)(1) of this section. Without prior approval by the Office, the special meeting of members shall not be held fewer than 20 days after the last date on which the supplemental information statement is mailed to requesting members;

(iii) The supplemental information statement required to be furnished to members pursuant to paragraph (c)(2)(i) of this section may be combined with Form OC, if the subscription offering is commenced concurrently with or during the proxy solicitation period pursuant to § 563b.3(d)(1) of this subpart A; and

(iv) The summary proxy statement shall be prepared in accordance with the following requirements:

(A) All of the requirements of Form PS shall be met, with the exception of the following:

(1) Item 6. Management Remuneration.

(2) Item 7. Business of the Applicant. Paragraphs (c) through (m), and (o).

(3) Item 14. Financial Statements.

(4) Item 15. Consents of Experts and Reports. Paragraph (b).

(B) The disclosure requirements of items 8(j), 9 and 13 of Form PS may be prepared in summary form.

(C) The disclosure requirements of item 5 may be met through disclosure of the names, ages, and present occupations of all directors and executive officers.

(D) The plan of conversion shall not be required to be attached to the summary proxy statement under item 16.

(E) The statement contained in § 563b.8(u) of this part shall be included.

(d) *Notice to eligible account holders and supplemental account holders who are not voting members.* The converting savings association may give notice of the proposed conversion and the meeting of the association members by letter or other written communication authorized for use by the Office to eligible account holders and supplemental account holders who are not voting members. The contents of the notice shall be subject to §§ 563b.4(a)(4) and (a)(5), and 563b.5(g) of this part; the use of the notice shall be subject to § 563b.5(b) of this part; and filing of the notice with the Office shall be subject to § 563b.5(e)(1), (e)(3), (e)(5), and (e)(7) of this part.

(e) *Required vote.* The plan shall be approved by a vote of at least a majority of the total outstanding votes of the association members, unless State law requires a higher percentage for a State-chartered converting savings association, in which case the higher percentage shall be used. Voting may be in person or by proxy.

§ 563b.7 Pricing and sale of securities.

(a) *General.* (1) No offer to sell securities of an applicant pursuant to a plan of conversion may be made prior to approval by the Office of the application for conversion and until the proxy statement has been authorized for use by the Office.

(2) No offering circular may be transmitted to any person in connection with an offer or sale of a security that

is the subject of a plan of conversion which has been filed with the Office unless the offering circular meets the requirements of this part or part 563g.

(3) No sale of securities may be made except by means of a final offering circular which has been declared effective by the Office.

(4) The provisions of § 563b.7(a) shall not apply to preliminary negotiations or agreements between an applicant and any underwriter or among underwriters who are to be in priority of contract with the applicant.

(b) *Distribution of offering materials.* Any preliminary offering circular which has been filed with the Office may be distributed in connection with the offering at the same time as or after the proxy statement is mailed to association members pursuant to § 563b.6(c) of this part. No final offering circular shall be distributed until it has been declared effective by the Office. The declaration of effectiveness of the final offering circular by the Office shall not extend beyond the maximum time period specified for the completion of the sale of all the capital stock in paragraph (i) of this section, or beyond such period of time as the Office shall establish upon a subsequent declaration of effectiveness in the event of the granting of an extension of time under paragraph (k) of this section.

(c) *Estimated price information.* If the offering is to commence prior to the meeting of the association members held to vote on the plan of conversion, the proxy statement authorized for use by the Office shall set forth the estimated price range. Any preliminary offering circular shall set forth the estimated price range. The maximum of such price range should normally be no more than 15 percent above the average of the minimum and maximum of such price range and the minimum should normally be no more than 15 percent below such average. The maximum price used in the price range should normally be no more than \$50 per share and the minimum no less than \$5 per share.

(d) *Prohibited representations.* The Office will review the price information

required under this section in determining whether to give approval to applications for conversion when the offering is to commence prior to the meeting of association members, and will review the information in determining whether to declare a final offering circular effective. No representations may be made in any manner that such price information has been approved by the Office or that the shares of capital stock sold pursuant to the plan of conversion have been approved or disapproved by the Office or that the Office has passed upon the accuracy or adequacy of any offering circular covering such shares.

(e) *Underwriting expenses.* Underwriting commissions shall not exceed an amount or percentage per share accepted as reasonable by the Office or its delegate. No underwriting commission shall be allowed or paid with respect to shares of capital stock sold in the subscription offering unless the plan of conversion contains the optional provision permitted by § 563b.3(d)(11) of this part; however, an underwriter may be reimbursed for accountable expenses in connection with the subscription offering where the public offering is limited such that reasonable underwriting commissions thereon would not be sufficient to cover total accountable expenses and, in the case in which no public offering occurs, an underwriter may be paid a consulting fee reasonable under the circumstances as the Office shall accept. The term "underwriting commissions" includes underwriting discounts.

(f) *Pricing materials.* (1) In considering the pricing information required under paragraph (c) of this section, the Office will apply the following guidelines:

(i) The materials shall be prepared by persons independent of the applicant, experienced and expert in the area of corporate appraisal, and acceptable to the Office;

(ii) The materials shall contain a full appraisal, including a complete and detailed description of the elements that make up an appraisal report, justification for the methodology employed and sufficient support for the conclusions reached therein;

(iii) To the extent that the appraisal is based on a capitalization of the *pro*

forma income of the converted savings association, the materials must indicate the basis for determination of the income to be derived from the proceeds of the sale of stock and demonstrate the appropriateness of the earnings-multiple used, including assumptions made as to future earnings growth. To the extent that the appraisal is based on comparison of the capital stock of the applicant with outstanding capital stock of existing stock associations, such existing stock associations must be reasonably comparable to the converting savings association in terms of such factors as size, market area, competitive conditions, profit history, and expected future earnings;

(iv) In those instances where the initial appraisal report is deemed to be materially deficient and/or substantially incomplete, the OTS may deem the entire conversion application materially deficient and/or substantially incomplete, and in accordance with the OTS applications processing rules, 12 CFR part 516, decline to further process the application.

(2) In addition to the information required in paragraph (f)(1) of this section, the applicant shall submit information demonstrating to the satisfaction of the Office the independence and expertise of any person preparing materials under this paragraph. No appraiser shall serve as an underwriter or selling agent under the same plan of conversion. No affiliate of an appraiser may act as an underwriter or selling agent unless procedures are followed and representations made to ensure that an appraiser is separate from the underwriter or selling agent affiliate and the underwriter or selling agent affiliate does not make recommendations or in any way impact the appraisal. No appraiser shall receive any other fee except for the fee for services rendered in connection with such appraisal.

(3) In addition to the information required in paragraphs (f)(1) and (f)(2) of this section, the applicant shall file with the Office such additional information with respect to the pricing of the capital stock of the association as the Office may request.

(g) *Order forms for purchase of capital stock.* (1) Promptly after the Office has declared effective the offering circular

for the subscription offering, the applicant shall distribute order forms for the purchase of shares of capital stock in the offering to all eligible account holders, supplemental eligible account holders, voting members and other persons who may subscribe for shares of capital stock under the plan of conversion. If the converting savings association shall have adopted in its plan of conversion the optional provisions set forth in § 563b.3 (d)(5), (d)(6), or (d)(11) of this part, the applicant shall deliver order forms to the eligible account holders, supplemental eligible account holders, and voting members who requested receipt of the offering circular.

(2) Each order form shall be accompanied or preceded by the final offering circular for the subscription offering or the public offering, as the case may be, and a set of detailed instructions explaining how to properly complete such order forms.

(3) The maximum subscription price stated on each order form shall be the amount to be paid when the order form is returned. The maximum subscription price and the actual subscription price shall be within the subscription price range stated in the Office's approval and the offering circular. If either the maximum subscription price or the actual subscription price is not within the subscription price range, the applicant must obtain an amendment to the Office's approval. If appropriate, the Office will condition its approval by requiring a resolicitation of proxies and/or order forms. If the actual public offering price is less than the maximum subscription price stated on the order form, the actual subscription price shall be correspondingly reduced and the difference shall be refunded to those who have paid the maximum subscription price, unless the subscribers affirmatively elect to have the difference applied to the purchase of additional shares of capital stock.

(4) Each order form shall be prepared so as to indicate to the person receiving it, in as simple, clear and intelligible a manner as possible, the actions which are required or available to him or her with respect to the form and the capital stock offered for purchase thereby. Specifically, each order form shall:

(i) Indicate the maximum number of shares that may be purchased pursuant to the subscription rights;

(ii) Indicate the period of time within which the subscription rights must be exercised, which period of time shall be no less than 20 days and no more than 45 days following the date of the mailing of the subscription offering order form;

(iii) State the maximum subscription price per share of capital stock;

(iv) Indicate any requirements as to the minimum number of shares of capital stock which may be purchased;

(v) Provide a specifically designated blank space or spaces for indicating the number of shares of capital stock which the eligible account holder or other person wishes to purchase;

(vi) Indicate the manner of required payment and, if such payment may be made by withdrawal from a certificate of deposit, indicate that such withdrawal may be made without penalty. If payment is to be made by withdrawal from a savings account or certificate of deposit, a box to check should be provided;

(vii) Provide specifically designated blank spaces for dating and signing the order form;

(viii) Contain an acknowledgment by the account holder or other person signing the order form that he or she has received a final offering circular prior to so signing; and

(ix) Indicate the consequences of failing to properly complete and return the order form, including a statement that the subscription rights are non-transferable and will become void at the end of the subscription period. The order form may, and the set of instructions shall, indicate the place or places to which the order forms are to be returned and when the order forms shall be deemed to be received, such as by date and time of actual receipt at the address indicated or by date and time of postmark.

(5) The order form may provide that it may not be modified without the applicant's consent after its receipt as set forth in the order form. If payment is to be made by withdrawal from a savings account or certificate of deposit, the applicant may, but need not, cause

such withdrawal to be made upon receipt of the order form. If such withdrawal is made at any time prior to the closing date of the public offering, the applicant shall pay interest to the account holder on the account withdrawn as if such amount had remained in the account from which it was withdrawn until such closing date.

(h) *Withdrawal from certificate accounts.* Notwithstanding any regulatory provision regarding penalties for early withdrawal from certificate accounts, the applicant may allow payment for capital stock pursuant to the exercise of subscription rights by withdrawal from a certificate account without the assessment of such penalties. In the case of early withdrawal of only a portion of such account, the certificate evidencing such account shall be cancelled if the applicable minimum balance requirement ceases to be met. The remaining balance will earn interest at the passbook rate.

(i) *Period for completion of sale.* The sale of all shares of capital stock of the converting savings association to be made under the plan of conversion, including any sale in a public offering or direct community marketing, shall be completed as promptly as possible and within 45 calendar days after the last day of the subscription period, unless extended by the Office.

(j) *Interest on subscriptions and direct community offering purchase orders.* The converting savings association shall pay interest at not less than the passbook rate on all amounts paid in cash or by check or money order to the association to purchase shares of capital stock in the subscription offering or direct community offering from the date payment is received by the association until the conversion is completed or terminated.

(k) *Extensions of time to complete public offering or direct community offering; post-effective amendments to subscription offering circular.* (1) The Office may grant one or more extensions of the time required to complete the sale of all shares of capital stock under paragraph (i) of this section, provided that no single extension of time shall exceed 90 days.

(2) Immediately upon the granting of an extension of time pursuant to para-

graph (k)(1) of this section, the converting savings association shall distribute to each subscriber in the offering and, if applicable, each person who has ordered capital stock in the direct community offering, a post-effective amendment to the offering circular filed under an amendment to the application for conversion and declared effective by the Office pursuant to paragraph (k)(4) of this section which shall notify each subscriber and each ordering person of the granting of the extension of time, and of the right of each subscriber and each ordering person to increase, decrease or rescind this subscription:

(i) At any time prior to 20 days before the end of the extension period; or (ii) at any time prior to the date of the commencement of the public offering or the direct community offering: *Provided*, That if the public offering or the direct community offering is not completed within 20 days after its commencement, all instructions from subscribers and ordering persons to increase, decrease, or rescind their subscriptions or orders received during the 20-day offering period shall be honored by the converting savings association.

(3) For the purpose of paragraph (k) of this section, the public offering shall be deemed to commence upon the filing with the Office of the preliminary offering circular for the public offering, and the direct community offering shall be deemed to commence upon the declaration of effectiveness by the Office of the final offering circular.

(4) After the expiration of subscription rights, the converting savings association shall file with and have declared effective by the Office a post-effective amendment to the offering circular delivered to subscribers upon the occurrence of any event, circumstance, or change of circumstance which would be material to the investment decision of a subscriber or, if applicable, a person who has ordered capital stock in the direct community offering.

(5) Any post-effective amendment to an offering circular distributed to subscribers in the offering shall be distributed by the converting savings association immediately after the declaration of effectiveness to each subscriber, and,

§ 563b.8

12 CFR Ch. V (1–1–99 Edition)

if applicable, each person who has ordered stock in the direct community offering, and the converting savings association shall grant to each subscriber and ordering person the right to increase, decrease, or rescind his or her subscription or order for a period which shall be no less than the greater of ten days from the date of the mailing of the post-effective amendment or the period remaining in an extension of time granted by the Office pursuant and subject to the provisions of paragraph (k)(2) of this section.

[54 FR 49596, Nov. 30, 1989, as amended at 59 FR 22734, May 3, 1994; 59 FR 61262, Nov. 30, 1994]

§ 563b.8 Procedural requirements.

(a) Filing an application for conversion. An applicant that desires to convert in accordance with this part shall file ten copies of an application for approval in the form prescribed by the Office.

(b) *Return of improperly executed or materially incomplete filings.* (1) Any application for approval that is improperly executed shall not be accepted for filing and shall be returned to the applicant.

(2) Subject to the provisions of paragraph (b)(3) of this section, any application for approval that does not contain copies of:

- (i) A plan of conversion;
- (ii) A preliminary proxy statement with signed financial statements; and
- (iii) A preliminary form of proxy, shall not be accepted for filing and shall be returned to the applicant.

Any application for approval containing a materially incomplete plan of conversion, proxy statement, or form of proxy may be returned by the Office to the applicant.

(3) Any application for approval which contains, at a minimum, a materially complete plan of conversion shall be accepted for filing if the application for approval is accompanied by the written request of the applicant that the application not be reviewed by the Office until the applicant requests and the Office consents to the filing of the additional materials set forth in paragraph (b)(2) of this section.

(c) *Additional filing requirements.* An applicant whose plan of conversion has

been approved by the Office shall fulfill the following requirements.

(1) The applicant shall file with the Office promptly after the meeting of association members called to consider the plan of conversion a certified copy of each resolution adopted at such meeting relating to the plan of conversion, together with the following information:

- (i) The total number of votes eligible to be cast;
- (ii) The total number of votes represented in person or by proxy at the meeting;
- (iii) The total number of votes cast in favor of and against each such matter; and
- (iv) The percentage of votes necessary to approve each such matter.

The compilation of the votes cast at the meeting may be prepared for the savings association by an independent public accountant or by an independent transfer agent.

(2) The applicant shall file with the Office promptly after the meeting of association members called to consider the plan of conversion an opinion of counsel to the effect that:

- (i) The meeting of members was duly held in accordance with all requirements of applicable State and Federal law and regulation;
- (ii) All requirements of State law applicable to the conversion have been complied with; and

(3) Each offering circular for the offering shall be prepared in compliance with this part and Form OC. The applicant shall file with the Office ten copies of each preliminary offering circular and twenty-five copies of each final offering circular.

(d) *Termination or amendment of charter.* (1) Upon approval of a plan of conversion by the members of a State-chartered savings association or a Federal savings association which is converting to a State-chartered stock savings association, the charter of such savings association shall terminate effective upon the issuance to it of a

stock charter under the laws of the State in which the home office of the applicant is located. If such converting savings association is a Federal savings association, its Federal charter shall promptly be surrendered to the Office for cancellation. A savings association converting to a State-chartered stock savings association shall promptly file with the Office a copy of the stock charter issued to it.

(2) A mutual association converting to a Federal stock association shall apply to amend its charter and bylaws to read in a form consistent with part 552 of this chapter. The effective date of such amendment shall be stated in the Office's order approving the conversion.

(3) The corporate existence of a mutual association converting to a federally-chartered stock association shall not terminate, but the converted association shall be deemed to be a continuation of the association so converted. In the case of a Federal or a State-chartered mutual savings association converting to a State-chartered stock savings association, unless State law otherwise prescribes, the corporate existence of the converting savings association shall similarly not terminate and the converted savings association shall be deemed to be a continuation of the savings association so converted.

(e) *Number of copies; place of filing; binding; signatures.* (1) Whenever a requirement is made under this part for the filing of four copies of any document with the Office, one copy shall be filed with the Regional Director or his or her designee and the remaining copies with the Chief Counsel, Business Transactions Division, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552. Whenever a requirement is made under this part for the filing of ten or more copies of any document with the Office, three copies shall be filed with the Regional Director or his or her designee and the remaining copies with the Chief Counsel, Business Transactions Division. Whenever a requirement is made under this part that a document to be filed be manually signed, one manually signed copy shall be filed with the Regional Director or his or her designee and another with the Chief Counsel, Business

Transactions Division. Other copies shall be conformed. Each of the copies filed under this part shall be bound, in one or more parts, without stiff covers. The binding shall be made on the side or stitching margin in such manner as to leave the reading matter legible.

(2) At least two copies of every application and every amendment thereto filed shall be manually signed by:

- (i) A duly authorized representative of the applicant on its behalf;
 - (ii) Its principal executive officer;
 - (iii) Its principal financial officer;
 - (iv) Its principal accounting officer;
- and
- (v) At least two-thirds of its directors.

(3) If any name is signed to an application or any amendment thereto pursuant to a power of attorney, four copies of such power of attorney, including two manually signed, shall be filed with the application.

(4)(i) Except as provided in paragraph (e)(4)(ii) of this section, the filing of any application or amendment thereto under this part shall constitute a representation of the applicant by its duly authorized representative, the applicant's principal executive officer, the applicant's principal financial officer, and the applicant's principal accounting officer, and each member of the applicant's board of directors (whether or not such director has signed the application or any amendment thereto) severally that:

(A) He or she has read such application or amendment;

(B) In the opinion of each such person, he or she has made such examination and investigation as is necessary to enable him or her to express an informed opinion that such application or amendment complies to the best of his or her knowledge and belief with the applicable requirements of this part and forms prescribed hereunder; and

(C) Each such person holds such informed opinion.

(ii) The representations specified in paragraph (e)(4)(i) of this section shall not be deemed to have been made by any director of the applicant who did not sign the application or any amendment thereto, if, and only to the extent that, such director files with the Office

within 10 business days after the filing of such application or amendment a statement describing those portions of such filing as to which he or she does not so represent.

(f) *Requirements as to paper and printing.* (1) Applications shall be filed on good quality, unglazed, white paper approximately 8½ by 13 or 8½ by 11 inches in size, insofar as practicable. However, tables, charts, maps and financial statements may be on larger paper if folded to such sizes, and the plan of conversion, proxy statement and offering circular may be on smaller paper if the applicant so desires.

(2) Applications and, insofar as practicable, all papers and documents filed as a part thereof, shall be printed, lithographed, mimeographed or typewritten. However, applications for any portion thereof may be prepared by any similar process which, in the opinion of the Office, produces copies suitable for a permanent record. Irrespective of the process used, all copies of any such material shall be clear, easily readable and suitable for repeated photocopying. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies.

(g) *Method of preparation.* Every application shall furnish information in item-and-answer form in response to the items of the appropriate form, and shall include the captions of the form, but omit the text of all items and instructions. Every proxy statement and offering circular shall present information as provided in paragraph (n) of this section in response to the items of the appropriate form in lieu of furnishing the information in item-and-answer form, and shall omit the captions and text of all items and instruction. Every application shall include a cross reference sheet showing the location in the proxy statement and offering circular of the response to the items of the appropriate form. If any such item is inapplicable, or the answer thereto is in the negative and is omitted, a statement to that effect shall be made in the cross reference sheet.

(h) *Interpretation of requirements.* (1) Unless the context indicates otherwise, the forms require information only as to the applicant.

(2) Whenever words relate to the future, they have reference solely to present intention.

(3) Any words indicating the holder of a position or office include persons, by whatever titles designated, whose duties are those ordinarily performed by holders of such positions or offices.

(i) *Additional information.* In addition to the information expressly required to be included in any application under this part, there shall be added such further material information, if any, as may be necessary to make the required statements, in the light of the circumstances under which they made, not misleading.

(j) *Information unknown or not reasonably available.* Information required need be given only insofar as it is known or reasonably available to the applicant. If any required information is unknown and not reasonably available to the applicant, either because the obtaining thereof would involve unreasonable effort or expense, or because it rests peculiarly within the knowledge of another person not affiliated with the applicant, the information may be omitted, subject to the following conditions:

(1) The applicant shall give such information on the subject as it possesses or can acquire without unreasonable effort or expense, together with the sources thereof.

(2) The applicant shall include a statement either showing that unreasonable effort or expense would be involved or indicating the absence of any affiliation with the person within whose knowledge the information rests and stating the result of a request made to such person for the information.

(k) *Incorporation of certain information by reference.* (1) Where an item in an application calls for information not required to be included in the proxy statement or offering circular, matter contained in any part of the application, including exhibits, may be incorporated by reference in answer, or partial answer, to such item. No information may be incorporated by reference in a proxy statement or offering circular, unless the document containing such information is attached thereto or is summarized or outlined as provided

in paragraph (l) of this section. However, an offering circular may incorporate by reference the information contained in a proxy statement previously delivered, without need of summary or outline.

(2) Material incorporated by reference shall be clearly identified in the reference. An express statement that the specified matter is incorporated by reference shall be made at the particular place in the application where the information is required. Matter shall not be incorporated by reference in any case where such incorporation would render the statement incomplete, unclear or confusing.

(l) *Summaries or outlines of documents.* Where a summary or outline of the provisions of any document is required, only a brief statement shall be made, in succinct and condensed form, as to the most important provisions of the document. In addition to such statement, the summary or outline may incorporate by reference particular items, sections or paragraphs of any exhibit and may be qualified in its entirety by such reference.

(m) *Legibility of materials.* The body of all printed plans of conversion, proxy statements, and offering circulars, including all notes to financial statements and other tabular data included therein, shall be in roman type at least as large and as legible as 10-point modern type. However, to the extent necessary for convenient presentation, financial statements and other tabular data, including tabular data in notes, may be in roman type at least as large and as legible as 8-point modern type. All such type shall be leaded at least 2 points.

(n) *Presentation of information.* (1) The information required in a proxy statement or offering circular need not follow the order of the items or other requirements in the appropriate form. Such information shall not, however, be set forth in such fashion as to obscure any of the required information or any information necessary to keep the required information from being incomplete or misleading. Where an item requires information to be given in tabular form it shall be given in substantially the tabular form specified in the item.

(2) All information contained in a plan of conversion, proxy statement or offering circular shall be set forth under appropriate captions or headings reasonably indicative of the principal subject matter set forth thereunder. Except as to financial statements and other tabular data, all information set forth in any form under this part shall be divided into reasonably short paragraphs or sections.

(3) Every proxy statement and offering circular shall include in the forepart thereof a reasonably detailed table of contents showing the subject matter of its various sections or subdivisions and the page number on which each such section or subdivision begins.

(4) All information required to be included in a proxy statement or offering circular shall be clearly understandable without the necessity of referring to the particular form or to the regulations under this part. Except as to financial statements and information required in tabular form, the information set forth in a proxy statement or offering circular may be expressed in condensed or summarized form.

(5) Financial statements are to be set forth in comparative form, and shall include the notes thereto and the accountants' certificate or certificates. Section 563c.1 of this chapter governs the certification, form and content of such financial statements, including the basis of consolidation.

(o) *Application of amendments to regulations and forms.* (1) The form and contents of any filing made under the provisions of this part need conform only to the applicable regulations and forms then in effect, and contain the information, including financial statements specified therein, required at the time the filing is made, notwithstanding subsequent amendments to such regulations, except as otherwise provided in any such amendment or in paragraph (o)(2) of this section.

(2) Whenever the Office prohibits by order or otherwise the use of any filing under this part, the form and contents of any filing used thereafter shall conform to the requirements of such order and the applicable regulations and forms in effect at the time such prohibition ceases to be effective.

(p) *Consents of experts.* (1) If any accountant, attorney, investment banker, appraiser, or other persons whose professions give authority to a statement made in any application under this part are named as having prepared, reviewed, passed upon, or certified any part thereof, or any report or valuation for use in connection therewith, the written consent of such person shall be filed with the application. If any portion of a report of an expert is quoted or summarized as such in any filing under this part, the written consent of the expert shall expressly state that the expert consents to such quotation or summarization.

(2) All written consents filed pursuant to paragraph (p) of this section shall be dated and signed manually. A list of such consents shall be filed with the application. Where the consent of the expert is contained in his or her report, a reference shall be made in the list to the report containing such consent.

(q) *Consents of persons about to become directors.* If any person who has not signed an application is named in the proxy statement or offering circular as about to become a director, the written consent of such person shall be filed with the appropriate form.

(r) *Date of filing.* The date on which any documents are actually received by the Office in the manner prescribed in this part shall be the date of filing thereof.

(s) *Amendments.* All amendments to any application under this part shall be filed under cover of an appropriate facing sheet, shall be numbered consecutively in the order in which filed, and shall conform to all pertinent regulations applicable to the type of application which they amend.

(t) *Pre-filing conferences with applicants.* (1) The staff of the Office, including the Regional Director or his or her designee, will be available for conferences with prospective applicants or their representatives in advance of filing an application to convert. These conferences may be held for the purpose of discussing generally the problems confronting an applicant in effecting conversion or to resolve specific problems of an unusual nature.

(2) Pre-filing review of an application may be refused by the staff of the Office if such review would delay the examination and processing of material which has already been filed or would favor certain applicants at the expense of others. In any conference under paragraph (t) of this section, the staff of the Office will not undertake to prepare material for filing but will limit themselves to indicating the kind of information required, leaving the actual drafting to the applicant and its representatives.

(u) *Review of the Office's action.* Any person aggrieved by a final action of the Office which approves, with or without conditions, or disapproves a plan of conversion pursuant to this part may obtain review of such action by filing in the court of appeals of the United States for the circuit in which the principal office or residence of such person is located, or in the U.S. Court of Appeals for the District of Columbia Circuit, a written petition praying that the final action of the Office be modified, terminated or set aside. Such petition must be filed within 30 days after publication of notice of such final action in the FEDERAL REGISTER, or 30 days after the mailing by the applicant of the notice to members as provided for in § 563b.6(c) of this part, whichever is later. The further procedure for review is as follows: A copy of the petition is forthwith transmitted to the Office by the clerk of the court and thereupon the Office files in the court the record in the proceeding, as provided in section 2112 of title 28 of the U.S. Code. Upon the filing of the petition, the court has jurisdiction, which upon the filing of the record is exclusive, to affirm, modify, terminate, or set aside in whole or in part, the final action of the Office. Review of such proceedings is had as provided in chapter 7 of title 5 of the U.S. Code. The judgment and decree of the court is final, except that they are subject to review by the Supreme Court upon *certiorari* as provided in section 1254 of title 28 of the U.S. Code.

(v) *Post-conversion reports.* The applicant shall file such post-conversion reports concerning its conversion as the Office may require.

§ 563b.9 Conversion of a savings association in connection with the formation of a holding company.

A savings association may convert to the stock form pursuant to this subpart A as part of a transaction in which a holding company is organized to acquire upon issuance all the capital stock of the converted savings association. In such a transaction eligible account holders, supplemental eligible account holders, and voting members of the converting savings association shall receive, without payment, non-transferable rights under § 563b.3(c)(2), (c)(4), and (c)(5) of this part to purchase capital stock of the newly-formed holding company in lieu of capital stock of the converting association. Unless clearly inapplicable, all of the requirements of this subpart A shall apply to a conversion under this section.

§ 563b.10 Conversion of a savings association through merger with an existing holding company or stock savings association.

A savings association that qualifies for a voluntary supervisory conversion under subpart C of this part may convert to stock form by merging with an existing holding company or interim Federal or state chartered stock association in a transaction in which stock of the existing holding company or resulting association is issued.

[59 FR 22735, May 3, 1994]

§ 563b.11 Convenience and needs considerations.

In reviewing an application under this subpart, the Office will examine the extent to which the conversion will affect the convenience and needs of the communities to be served by the converted savings association. The Office will review the applicant's record under part 563e of this chapter. In addition, the Office will scrutinize the business plan of the applicant. Each applicant must demonstrate that the pro-

posed deployment of proceeds contained in its business plan will help meet the credit and lending needs of the communities served by the applicant. Also, the Office will consider other relevant factors relating to the association's performance in meeting the convenience and needs of the community. Based on an assessment of the applicant's record under part 563e of this chapter, the applicant's business plan and other relevant factors, the Office may approve the application, deny the application, or approve the application on the condition that the applicant improve certain aspects of its CRA performance record or address particular credit or lending needs of the communities that it serves.

Subpart B [Reserved]

Subpart C—Voluntary Supervisory Stock Conversions

§ 563b.20 Scope of subpart.

(a) Except as the Office may otherwise determine, the provisions of this subpart shall govern the voluntary supervisory conversion from the mutual to stock form of savings associations as authorized, ordered or concurred in by the Office or the FDIC pursuant to sections 5(i) (1) and (2), 5(o)(2)(C), and 5(p) of the Home Owners' Loan Act, 12 U.S.C. 1464(i) (1), (2), (o)(2)(C), and (p).

(b) All of the provisions of Subpart A of this part shall apply to a supervisory conversion undertaken pursuant to this subpart unless clearly inapplicable.

§ 563b.21 Voluntary supervisory conversions.

(a) A voluntary supervisory conversion of a savings association pursuant to this subpart may involve the sale of a converting association's shares directly to an acquiror(s), which may be a person, company, depository institution, or depository institution holding company. The conversion may result in the converting association being merged into or consolidated with an existing or newly created depository institution, but only as authorized by and in accordance with any limitations

or restrictions imposed by applicable laws and regulations.

(b) A majority of the directors of the converting association must adopt a plan of voluntary supervisory conversion that complies with the provisions of this subpart. The members of the association have no rights of approval or participation in the voluntary supervisory conversion, or to the continuance of any legal or beneficial ownership interests in the converted association, unless otherwise provided by the OTS. The members shall have interests in a liquidation account, if one is established, pursuant to § 563b.28 of this subpart.

[57 FR 49380, Nov. 2, 1992]

§ 563b.22 Purpose of subpart.

The purpose of this subpart is to give guidance to savings associations and potential acquirors of the stock of converting savings associations regarding the qualification of savings associations for a supervisory conversion under this subpart, and guidance as to the extent to which the Office will permit, by means of a supervisory conversion, deviations from the substantive and procedural requirements adopted by the Office for standard conversions under subpart A of this part.

§ 563b.23 Authorization of supervisory conversions.

(a) The OTS may authorize or order a voluntary supervisory conversion if a savings association files an application containing the information and documents specified in § 563b.27 of this subpart, in accordance with the procedures specified in § 563b.29 of this subpart, and meets the qualification standards specified in § 563b.24 of this subpart. If the OTS authorizes or orders a supervisory stock conversion, the conditions specified in § 563b.30 of this subpart must be fulfilled and the resulting institution and the purchaser(s) of its conversion stock must comply with the requirements of § 563b.31 of this subpart.

(b) In connection with approval of an association's conversion, the OTS may impose conditions and restrictions on the converting or resulting institution, the acquiror, and controlling parties, directors and officers of either, to pre-

vent unsafe or unsound practices, to protect the deposit insurance funds and the public interest, and to prevent potential injury or detriment to the converting or resulting association. The OTS generally will exercise this authority consistent with applicable supervisory policies.

(c) The OTS may deny an association's conversion if the Office determines that the converting or resulting association, the acquiror, or controlling parties or directors and officers of either, have engaged in unsafe or unsound practices in connection with the transaction, or that the transaction is detrimental to or would cause potential injury to the converting or resulting association, the Federal deposit insurance funds or is contrary to the public interest.

(d) For three years following the date of completion of a voluntary supervisory conversion, neither any controlling shareholder nor the resulting institution may acquire shares from minority shareholders without the prior approval of the OTS.

[57 FR 49381, Nov. 2, 1992]

§ 563b.24 Qualification for supervisory conversion of SAIF-insured associations.

(a) The OTS in its discretion may authorize the supervisory conversion of a SAIF-insured savings association upon finding that the association:

(1) Is significantly undercapitalized; and

(2) Would be a viable entity as determined under § 563b.26 of this subpart, following the conversion.

(b) The OTS in its discretion also may authorize the supervisory conversion of a SAIF-insured savings association upon finding that the association:

(1) Is undercapitalized;

(2) Demonstrates by clear evidence that a standard conversion that would raise sufficient capital to enable the association to be adequately capitalized is not feasible; and

(3) Would be a viable entity as determined under § 563b.26 of this subpart, following the conversion.

(c) Notwithstanding any other provision of law, the OTS also may authorize, (or in the case of a Federal savings association require), the conversion of

a savings association into a Federal savings association pursuant to section 5(p) of the Home Owners' Loan Act, 12 U.S.C. 1464(p).

[57 FR 49381, Nov. 2, 1992]

§ 563b.25 Qualification for supervisory conversion of BIF-insured savings associations.

(a) The Office may, in its discretion, concur with the determination of the FDIC that a BIF-insured mutual savings bank qualifies for a voluntary supervisory conversion if the FDIC certifies to the Office in accordance with section 5(o)(2)(C) of the Home Owners' Loan Act, 12 U.S.C. 1464(o)(2)(C), that severe financial conditions exist that threaten the stability of the savings bank and that the voluntary supervisory conversion is likely to improve the financial condition of the savings bank; or

(b) The Office may, in its discretion, authorize a BIF-insured savings association to undergo a voluntary supervisory conversion to Federal stock form if the following conditions have been met:

(1) The association's liabilities exceed its assets, as calculated under generally accepted accounting principles, assuming the association is a going concern; and

(2)(i) A sufficient amount of permanent capital stock is issued in connection with the voluntary supervisory conversion to allow the association to meet its capital requirement as established by the FDIC immediately upon completion of the conversion; or

(ii) The FDIC has indicated that, based upon the association's proposed post-conversion operating plan, the association would achieve a capital level acceptable to the FDIC within a period satisfactory to the FDIC.

§ 563b.26 Viability of converted savings association.

(a) An application of a SAIF-insured savings association to convert pursuant to this subpart may be approved by the Office in its discretion if it finds that the SAIF-insured savings association will be a "viable entity" following the conversion.

(b) A converting SAIF-insured association is a "viable entity" if:

(1) As part of the plan of conversion:

(i) The capital being infused into the association through its conversion is sufficient to cause the converted or resulting association to be adequately capitalized; provided that the OTS, in its discretion, may require higher capitalization as it deems appropriate for safety and soundness reasons; and

(ii) The converting association, its proposed conversion, and any acquiror(s) comply with applicable supervisory policies; and

(2) The transaction taken as a whole is in the best interest of, and does not present potential for injury or detriment to, the converting association, the federal deposit insurance funds, or the public interest.

[54 FR 49596, Nov. 30, 1989, as amended at 57 FR 49381, Nov. 2, 1992]

A savings association may apply for OTS approval of a voluntary supervisory conversion pursuant to this subpart by filing the following information and documents in accordance with the procedures specified in § 563b.29 of this subpart:

(a) A plan of conversion adopted by a majority of the directors of the association, which shall contain at a minimum the name and address of the savings association; the names, addresses, dates and places of birth, and social security numbers of the proposed purchasers of conversion stock and their relationship to the savings association; the title, per-unit par value, number, and per-unit and aggregate offering price of shares of conversion stock to be authorized and issued; the number and percentage of shares of conversion stock to be purchased by each investor; the aggregate number and percentage of shares of conversion stock to be purchased by directors, officers and their affiliates and associates (as defined in § 563b.2(a) of this part); a description of the liquidation account, if required under § 563b.28 of this subpart or if otherwise established; and certified copies of all resolutions of the board of directors relating to the Plan.

(b) A copy of any agreements between the savings association and the proposed conversion stock purchasers.

(c) An opinion of qualified, independent counsel or an independent, certified public accountant regarding the tax consequences to the savings association arising from the conversion, or an Internal Revenue Service ruling that the transaction qualifies as a tax-free reorganization.

(d) A business plan, which shall contain a description of the proposed operating policies of the savings association or the resulting savings association following the conversion, including a statement as to how the conversion proceeds will be used, and a projection of the savings association's results of operations for the three-year period following completion of the conversion. The projections should show the continuing ability of the converted association to meet applicable capital requirements. The savings association shall specify the assumptions on which its projections are based.

(e) A Holding Company Act application, Control Act notice, or rebuttal submission for each proposed conversion stock acquiror as may be required under part 574 of this chapter, if applicable, and any required prior-conduct certification pursuant to RB 20¹ for each such acquiror.

(f) The proposed charter and bylaws of the converted savings association.

(g) The proposed stock certificate form.

(h) A description of all existing and proposed employment contracts, if applicable.

(i) All filings required under the securities offering rules of 12 CFR parts 563b and 563g.

(j) A subordinated debt application, if applicable.

(k) Applications for permission to organize a stock association and for approval of a merger, if applicable, and a copy of the applications for Federal Home Loan Bank membership, and FDIC insurance of accounts, if applicable.

(l) Information to support the value of any non-cash assets to be contributed to the savings association in connection with the voluntary supervisory conversion, if applicable. Appraisals

submitted in this connection must be acceptable to the OTS.

(m) A description of the estimated expenses of the voluntary supervisory conversion to the savings association.

(n) The association's most recent audited financial statements and Thrift Financial Report with an appropriate explanation to support the determination that the association's current capital levels qualify it to undertake a supervisory conversion.

(o) *Pro forma* financial statements prepared in accordance with the regulations and policies of the OTS to reflect the effects of the transaction. These *pro forma* financial statements should be supplemented to identify the converting or resulting association's tangible, core, and risk-based capital levels and show the appropriate adjustments necessary to compute such capital levels.

(p) An opinion of independent counsel that the voluntary supervisory conversion of a state-chartered savings association to state stock form is authorized under applicable state law, if applicable.

(q) A specific description of any of the features of the savings association's application that do not conform to the requirements of this subpart.

(r) A specific description of and detailed justification for any waivers or supervisory forbearances that are requested as part of the voluntary supervisory conversion.

(s) A statement of all other applications required pursuant to federal or state banking laws for all transactions related to the association's conversion, copies of all decisions, orders, opinions, and other similar dispositive documents issued by such regulatory authorities relating to such applications, and, if requested by the OTS, copies of such applications and related documents.

§ 563b.29 Procedural requirements.

(a) *Filing of voluntary supervisory conversion application.* A savings association seeking to convert pursuant to this subpart shall file with the OTS the information and documents specified in § 563b.27 of this subpart.

(b) *Incomplete application.* An application for supervisory stock conversion that does not contain all of the applicable information and documents specified in § 563b.27 of this part shall constitute an incomplete application, and the Regional Director shall continue to seek other appropriate supervisory resolutions of the association's financial condition pending the filing of a complete application.

(c) [Reserved]

(d) *Termination or amendment of charter.* (1) Upon approval by the Office of a plan of supervisory stock conversion of a state-chartered savings association or a federally-chartered savings association which is converting to a state-chartered stock savings association, the mutual charter of such savings association shall terminate upon the issuance to it of a stock charter under the laws of the state in which its home office is located. If such converting savings association is a federally-chartered savings association, its federal charter shall be surrendered promptly to the Office for cancellation. A savings association converting to a state-chartered stock savings association shall promptly file with the Office a copy of the stock charter issued to it.

(3) The corporate existence of a mutual savings association converting to a federally-chartered stock savings association shall not terminate, but the converted association shall be deemed to be a continuation of the association

so converted. In the case of a federal or state-chartered mutual savings association converting to a state-chartered stock savings association, unless state law otherwise prescribes, the corporate existence of the converting mutual savings association shall similarly not terminate and the converted savings association shall be deemed to be a continuation of the savings association so converted.

Expenses incurred by a savings association in connection with its voluntary supervisory conversion application shall be reasonable and, with respect to a SAIF-insured savings association, shall not be in an amount such that the payment of such expenses would render the proceeds to the association from the sale of its conversion stock insufficient to satisfy the viability requirement of § 563b.26 of this subpart.

An applicant for voluntary supervisory conversion must justify any employment contract incidental to the conversion, and otherwise demonstrate that the making of such an employment contract by a savings association would not be an unsafe or unsound practice or represent a sale of control. The Office shall determine the permissibility of such contract based upon, at a minimum, the applicant's justification for the contract, the term, salary, and severance provisions of the contract, the identity and background of the officer or employee who is subject to the employment contract, and the amount of the conversion stock to be purchased by such officer or employee or his or her affiliates or associates. Any employment contract incident to a voluntary supervisory conversion with a term in excess of one year granted to existing management of a savings association generally will be disfavored.

However, information need not be included for any portion of the period during which such person did not hold any such position or relationship provided a statement to that effect is made.

2. The proxy statement shall include such information which the Chief Counsel or the Deputy Chief Counsel for Securities and Corporate Structure by interpretative release or

otherwise has deemed necessary to comply with items of this Form PS.

Item 1. Notice of Meeting

(c) As to each matter which will be submitted to a vote of association members, state the vote required for its approval.

Item 5. Directors and Executive Officers

(a) Furnish the information regarding directors and executive officers and certain relationships and related transactions required to be disclosed in a registration or proxy statement filed with the Office under the Securities Exchange Act of 1934, 15 U.S.C. 78a *et seq.* In particular, see items 401 and 404 of Regulation S-K, 17 CFR 229.401 and 404, and item 6 of Regulation 14A, 17 CFR 240.14a-101. Unless the context otherwise requires, the words "registrant" and "issuer" in those regulations shall refer to the applicant and the word "Commission" shall refer to the Office.

(b) State whether control of the applicant has been exercised through the use of proxies and the nature of such control.

Item 6. Management Remuneration

Furnish the information regarding management remuneration required to be disclosed in a registration or proxy statement filed with the Office under the Securities Exchange Act of 1934, 15 U.S.C. 78a *et seq.* In particular, see item 402 of Regulation S-K, 17 CFR 229.402, and item 7 of Regulation 14A, 17 CFR 240.14a-101. Unless the context otherwise requires, the words "registrant" and "Commission" in those regulations shall refer to the applicant and to the Office, respectively.

Item 7. Business of the Applicant

(a) *Narrative description of business.* (1) Discuss briefly the organizational history of the applicant, including the year of organization, the identity of the chartering authority, and any material charter conversions.

(2) Describe the business conducted and intended to be conducted by the applicant and its subsidiaries. This should include a description of the general development of the business of the applicant and any predecessor(s) during the past five years, or such shorter period as the applicant may have been engaged in business. Information shall be disclosed for earlier periods if material to an understanding of the general development of the business. Any material changes in the mode of conducting the business should be discussed.

(3) Consideration should be given to inclusion of a description of the applicant's historical practices, including the average remaining term to maturity of its portfolio of mortgage loans, and present intention regarding the making of loans, whether real estate or other, the nature of security received, the terms of loans, whether carrying fixed or variable interest rates, and the retention of loans or their resale in secondary mortgage markets. Historical description might require a general identification of the magnitude of various activities.

(4) Also explain any significant impact to the association as a result of any material acquisitions.

(b) *Selected financial data.* Furnish in comparative columnar form a summary of selected financial data for the applicant for:

(1) Each of the last five fiscal years of the applicant (or for the life of the applicant and its predecessors, if less); and

(2) Any additional fiscal years necessary to keep the summary from being misleading.

Instructions. 1. The purpose of the summary of selected financial data shall be to supply in convenient and readable format selected data which highlight significant trends in the applicant's financial condition and results of operations.

2. Subject to appropriate variation to conform to the nature of the applicant's business, the following items, as a minimum, shall be included in the summary: Total interest income; total interest expense; income (loss) from continuing operations; net income; total loans; total investments; total assets; total savings; total borrowings; total regulatory capital; and total number of customer service facilities indicating the number which provide full service. Applicants may include additional items which they believe would enhance understanding and highlight trends in their financial condition and results of operations. Briefly describe, or cross reference to a discussion of, factors such as accounting changes, business combinations, or dispositions of business operations that materially affect the comparability of the information reflected in selected financial data. Discussion of, or reference to, any material uncertainties should also be included where those matters might cause the data reflected not to be indicative of the applicant's future financial condition or results of operations.

3. Those applicants which elect to provide five-year summary information in accordance with the Financial Accounting Standards Board's Statement of Financial Accounting Standards No. 89 ("SFAS 89") "Financial Reporting and Changing Prices," may combine such information with the selected financial data appearing pursuant to this item.

4. All references to the applicant in the summary and in these instructions shall

mean the applicant and its consolidated subsidiaries.

5. If interim-period financial statements are included, or are required to be included by item 14, applicants should update the selected financial data for the interim period to reflect any material change in the trends indicated; where such updating information is necessary, applicants shall provide the information on a comparative basis unless not necessary to an understanding of the updating information.

(c) *Management's discussion and analysis of financial condition and results of operations.* (1) Discuss applicant's financial condition, changes in financial condition, and results of operations. The discussion shall provide information as specified in paragraphs (i), (ii), and (iii) of this paragraph with respect to liquidity, capital resources, and results of operations and also should provide all other information which the applicant believes to be necessary to an understanding of its financial condition, changes in financial condition, and results of operations. Significant business combinations should be discussed. Discussion of liquidity and capital resources may be combined whenever the two topics are interrelated. Where in the applicant's judgment a discussion of subdivisions of the applicant's business would be appropriate to an understanding of the business, the discussion should focus on each relevant, reportable segment or other subdivision of the business and on the applicant as a whole.

(i) *Liquidity.* Identify any known trends or any known demands, commitments, events, or uncertainties which will result in or which are reasonably likely to result in the applicant's liquidity increasing or decreasing in any material way. If a material deficiency is identified, indicate the course of action which the applicant has taken or proposes to take to remedy the deficiency. Identify and separately describe internal and external sources of liquidity, and briefly discuss any material unused sources of liquid assets. Comment on maturity imbalances between assets and liabilities and planned activities in the secondary mortgage market.

(ii) *Committed resources.* (A) Describe the applicant's material commitments for loan fundings or other expenditures as of the end of the latest fiscal period and indicate the general purpose of the commitments and the anticipated source of funds needed to fulfill the commitments.

(B) Describe any known material trends, favorable or unfavorable, in the applicant's committed resources. Indicate any expected material changes in the mix and the relative cost of the resources. This discussion should consider changes between savings, equity, debt, and any off-balance-sheet financing arrangements.

(iii) *Results of operations.* (A) Describe any unusual or infrequent events or transactions

or any significant economic changes that materially affected the amount or reported income from continuing operations and, in each case, indicate the extent to which income was affected. In addition, describe any other significant components of revenues or expenses which, in the applicant's judgment, should be described in order to understand the applicant's results of operations.

(B) Describe any known trends or uncertainties which have had, or which the applicant reasonably expects will have, a materially favorable or unfavorable impact on net sales or revenues or income from continuing operations. If the applicant knows of events which will cause a material change in the relationship between costs and revenues (such as known future increases in costs of money or interest rates) the change in the relationship should be disclosed.

(C) To the extent that the financial statements disclose material increases in interest expense, provide a narrative discussion of the extent to which the increases are attributable to increases in rates or to increases in volume.

(D) For the three most recent fiscal years of the applicant, or for those fiscal years in which the applicant has been engaged in business, whichever period is shorter, discuss the impact of inflation and changing prices on the applicant's revenues and on income from continuing operations.

(E) For the most recent financial statement presented, discuss any unusual risk characteristics in the assets of the applicant. This would include real estate development, significant amounts of commercial real estate as loan collateral, and any other significant risk factors inherent in the applicant's lending or investment portfolios, including significant increases in amounts of non-accrual, past due, restructured, and potential problem loans (*see* Securities and Exchange Commission's Securities Act Industry Guide 3, section III C).

Instructions. 1. The applicant's discussion and analysis shall be of the financial statements and of other statistical data which the applicant believes will enhance a reader's understanding of its financial condition, changes in financial condition, and results of operations. Generally, the discussion should cover the three-year period covered by the financial statements and should utilize year-to-year comparisons or other formats which in the applicant's judgment enhance a reader's understanding. However, where trend information is relevant, reference to the five-year selected financial data appearing in item 7(b) above may be necessary.

2. The purpose of the discussion and analysis should be to provide to investors and other users information relevant to an assessment of the financial condition and results of operations of the applicant as determined by evaluating the amounts and cer-

tainty of cash flows from operations and from outside sources. The information provided in this item 7(c) need only include that which is available to the applicant without undue effort or expense and which does not clearly appear in the applicant's financial statements.

3. The discussion and analysis should specifically focus on material events and uncertainties known to management which would cause reported financial information not to be necessarily indicative of future operating results or of future financial condition. This would include description and amounts of (a) matters which would have an impact on future operations and have not had an impact in the past, and (b) matters which have had an impact on reported operations and are not expected to have an impact upon future operations.

4. Where the consolidated financial statements reveal material changes from year to year in one or more line items, the causes for the changes should be described to the extent necessary to an understanding of the applicant's business as a whole; provided, however, if the causes for a change in one line item also relate to other line items, no repetition is required and a line-by-line analysis of the financial statements as a whole is not required or generally appropriate. Applicants need not recite the amounts of changes from year to year which are readily computable from the financial statements. The discussion should not merely repeat numerical data contained in the consolidated financial statements.

5. The term "liquidity" as used in paragraph (c)(1)(i) of this item 7 refers to the ability of an enterprise to generate adequate amounts of cash to meet the enterprise's needs for cash. Except where it is otherwise clear from the discussion, the applicant should indicate those balance sheet conditions or income or cash flow items which the applicant believes may be indicators of its liquidity condition. Liquidity generally should be discussed on both a long-term and short-term basis. The issue of liquidity should be discussed in the context of the applicant's own business or businesses. Liquidity does not necessarily mean "liquid assets" as defined in the liquidity regulations of the Office.

6. Applicants are encouraged, but not required, to supply forward-looking information. This is to be distinguished from presently known data which will have an impact upon future operating results, such as known future increases in rates or other costs. This latter data is required to be disclosed. Any forward-looking information supplied is hereby expressly covered by the safe-harbor rule for projections, § 563d.3b-6, under the circumstances specified in that rule.

7. Applicants which elect to provide narrative explanations of supplementary information disclosed in accordance with SFAS 89 may combine the explanations with their discussion and analysis required pursuant to this provision or they may supply the information separately. If the information is combined, it shall be located in reasonable proximity to the discussion and analysis. If the information is not combined, the discussion of the impact of inflation otherwise required by this item may be omitted if there is an appropriate cross reference to the explanations provided pursuant to SFAS 89.

8. Applicants which elect not to provide explanations of supplementary information disclosed in accordance with SFAS 89 may discuss the effects of inflation and changes in prices in whatever manner appears appropriate under the circumstances. Although voluntary compliance with SFAS 89 is encouraged, all that is required is a brief textual presentation of management's views. No specific numerical financial data need be presented.

9. All references to the applicant in the discussion and in these instructions shall mean the applicant and its consolidated subsidiaries.

(2) If interim-period financial statements are included or are required to be included by item 14, a management's discussion and analysis of the financial condition and results of operations shall be provided to enable the reader to assess material changes in financial condition and results of operations between the periods specified in subdivisions (i) and (ii) of this paragraph (2). The discussion and analysis shall include a discussion of material changes in those items specifically listed in paragraph (c)(1) of this item 7, except that the impact of inflation and changing prices on operations for interim periods need not be addressed.

(i) *Material changes in financial condition.* Discuss any material changes in financial condition from the end of the preceding fiscal year to the date of the most recent interim balance sheet provided. If the interim financial statements include an interim balance sheet as of the corresponding interim date of the preceding fiscal year, any material change in financial condition from that date to the date of the most recent interim balance sheet provided shall also be discussed. If discussions of changes from both the end and the corresponding interim date of the preceding fiscal year are required, the discussions may be combined at the discretion of the applicant.

(ii) *Material changes in results of operations.* Discuss any material changes in the applicant's results of operations with respect to the most recent fiscal year-to-date period for which an income statement is provided and the corresponding year-to-date period of the preceding fiscal year. If the applicant is re-

quired to or has elected to provide an income statement for the most recent fiscal year quarter, the discussion also shall cover material changes with respect to that fiscal quarter and the corresponding fiscal quarter in the preceding fiscal year. In addition, if the applicant has elected to provide an income statement for the 12-month period ended as of the date of the most recent interim balance sheet provided, the discussion shall also cover material changes with respect to that 12-month period and the 12-month period ended as of the corresponding interim balance sheet date of the preceding fiscal year.

Instructions. 1. If interim financial statements are presented together with financial statements for full fiscal years, the discussion of the interim financial information shall be prepared pursuant to paragraph (c)(2) and the discussion of the full fiscal year information shall be prepared pursuant to paragraph (c)(1) of this item 7. Such discussions may be combined.

2. The discussion and analysis required by this paragraph (c)(2) is required to focus only on material changes. Where the interim financial statements reveal material change from period to period in one or more significant line items, the causes for the changes should be described if they have not already been disclosed; however, if the causes for a change in one line item also relate to other line items, no repetition is required. Applicants need not recite the amounts of changes from period to period which are readily computable from the financial statements. This discussion should not merely repeat numerical data contained in the financial statements. The information provided should include that which is available to the applicant without undue effort or expense and which does not clearly appear in the applicant's interim financial statements.

3. The applicant's discussion of material changes in results of operations should identify any significant elements of the applicant's income or loss from continuing operations which do not arise from or are not necessarily representative of the applicant's ongoing business.

4. Applicants are encouraged but are not required to discuss forward-looking information. Any forward-looking information supplied is expressly covered by the safe-harbor rule for projections, § 563d.3b-6, under the circumstances specified in that rule.

(d) *Lending activities.* (1) Briefly describe the applicable Federal and State restrictions on the lending activities of the applicant, including applicable laws affecting mortgage loan interest rates. Also briefly describe the applicant's general policy concerning loan-to-value ratios; customary methods of obtaining loan originations, such as the use of loan consultants; approval of properties as

security for loans; the use of a loan committee, if any; and policies as to requiring title, fire, and casualty insurance on security properties. Indicate the applicant's general future intentions with respect to activities in secondary mortgage markets, including transactions with the Federal Home Loan Mortgage Corporation or mortgage bankers. If significant, indicate loan service fee income as a percentage of net interest income for the years required by item 14(b).

(2) As to the lending area of the applicant, describe briefly (i) the lending area restrictions, if any, applicable to the applicant, (ii) the areas in which the applicant normally lends, and (iii) any material loan concentration areas of the applicant. The descriptions may include maps illustrating one or more of these areas. Furnish an estimate of the housing vacancy rates in areas where the applicant's loan concentrations are located, if practicable.

(3) Describe briefly the general long-term nature of investment in mortgage loans and the consequent effect upon the earnings spread of savings associations. State the normal maturity of loans made by the applicant on the security of single-family dwellings and furnish an estimate as to the average length of time the loans are outstanding.

(4) For each of the periods required by item 14(b), set forth in tabular form, excluding fees which are not considered adjustments of yield, the following:

(i) Average yield during the period on: (A) Loan portfolio, (B) investment portfolio, (C) other interest-earning assets, and (D) all interest earning assets. Average yield should be computed on no greater than a monthly basis.

(ii) Average rate paid during the period on: (A) Deposits, (B) borrowings and Federal Home Loan Bank advances, (C) other interest-bearing liabilities, (D) all interest-bearing liabilities ((A), (B), and (C)). Average rate paid should be computed on no greater than a monthly basis.

(iii) Weighted-average yield at end of the latest required period, for the items in items (i) and (ii) of paragraph (4).

(iv) The net yield on average interest-earning assets (net interest earnings divided by average interest-earning assets, with net interest earnings equaling the difference between the dollar amount of interest earned and paid). Average interest-earning assets should be determined on an interval no more frequent than monthly.

(v) For each of the periods required by item 14(b), set forth in tabular form: (A) The dollar amount of change in interest income and (B) the dollar amount of change in interest expense. The changes should be segregated for each major category of interest-earning asset and interest-bearing liability (as stated in items (i) and (ii) of paragraph (4)) into amounts attributable to (1) changes

in volume (change in volume multiplied by old rate), (2) changes in rates (change in rate multiplied by old volume), and (3) changes in rate-volume (change in rate multiplied by the change in volume). The rate/volume variances should be allocated on a consistent basis between rate and volume variance and the basis of allocation disclosed in a note to the table.

(5) For each of the periods required by item 14(b), present the following:

(i) Return on assets (net income divided by average total assets).

(ii) Return on equity (net income divided by average equity).

(iii) Equity-to-assets ratio (average equity divided by average total assets).

Instructions. Applicants should supply any additional ratios which they deem necessary to explain their operations.

(6) As of the end of the latest fiscal year reported on, present separately the amounts of loans in each category required by balance sheet item 7(b), § 563c.102, which are due: (i) In each of the three years following the balance sheet, (ii) after three through five years, (iii) after five through ten years, (iv) after ten through fifteen years, and (v) after fifteen years.

In addition, present separately the total amount of all such loans due after one year which have predetermined interest rates and floating or adjustable interest rates.

Instructions. 1. Scheduled principal repayments should be reported in the maturity category in which the payment is due.

2. Demand loans, loans having no stated schedule of repayments and no stated maturity, and overdrafts should be reported as due in one year or less.

3. Determinations of maturities should be based upon contract terms. However, such terms may vary due to the applicant's "roll-over policy," in which case the maturity should be revised as appropriate and the roll-over policy should be briefly discussed.

(7) Describe briefly the risk elements within the loan and investment portfolios including the applicant's customary procedures regarding delinquent loans. As of the end of each of the periods covered by the statements of operation required by item 14(b)(1) and as of the date of the latest statement of financial condition required by item 14(a), set forth in tabular form the amounts and categories of nonaccrual, past due, restructured, and potential problem loans (see Securities and Exchange Commission's Securities Act Industry Guide 3, section III C) and the ratio of such loans to total assets. Where the amount of real estate that has been in substance foreclosed, acquired by foreclosure, or by deed in lieu thereof is significant, include a brief description of the major properties and a statement as to the applicant's probable losses, if any, upon disposition of such properties.

(e) *Savings activities.* (1) State whether the maximum rate of interest which the applicant may pay is established by regulatory authorities. State that, in the event of liquidation of the applicant after conversion, savings account holders will be entitled to full payment of their accounts prior to payment to shareholders. Also indicate the percentage of total savings accounts which are from out-of-state sources, if such total is significant.

(2) Set forth in tabular form the amounts of time deposit accounts by categories of interest rates as of the dates of each balance sheet filed. Each interest-rate category should not be more than 200 basis points. As of the date of the latest balance sheet, set forth, in tabular form for each interest-rate category, the amounts of savings maturing during each of the three years following the balance sheet date and the total maturing thereafter.

(3) Disclose the weighted-average rate and general terms (as well as formal provisions for the extension of the maturity) of each category of short-term borrowings required by Balance Sheet Caption 14, § 563c.102, along with the maximum amount of borrowings in each category outstanding at any month-end during each period for which an end-of-period balance sheet is required. In addition, disclose the approximate average short-term borrowings outstanding during the period and the approximate weighted-average interest rate (and a brief description of the means used to compute such average) for such aggregate short-term borrowings. The disclosure required by this paragraph (3) need not be furnished as regards borrowings in each particular category when the aggregate amount of such borrowings at the balance sheet date does not exceed one percent of assets at that date. Notwithstanding this reporting threshold, if the weighted average of such borrowings outstanding during the year exceeds one percent of assets at year-end and significantly exceeds the amount of such borrowings at year-end, the disclosure called for by this paragraph (3) should be furnished. This information is not required to be given for any category of short-term borrowings for which the average balance outstanding during the period was less than 30 percent of stockholders equity at the end of the period.

(f) *Federal regulation.* Describe briefly, to the extent not otherwise covered by other items, Federal regulation of the applicant and the conduct of its operations. In particular, describe briefly the insurance of accounts and the general regulatory authority of the Federal Deposit Insurance Corporation, the general regulatory authority of the Office, and Federal regulatory capital requirements, the results of failure to meet those requirements, and the applicant's regulatory capital position in relation to those requirements. Also describe the assessment

authority and requirements of the Federal Deposit Insurance Corporation, the Office, the Financing Corporation, and the Resolution Funding Corporation. In addition, describe briefly applicable liquidity requirements under section 4A of the Home Owners' Loan Act, as amended, the regulations thereunder, and State law. State the applicant's position with respect to those requirements.

(g) *Federal Home Loan Bank System.* Describe briefly the Federal Home Loan Bank System and state that the applicant is a member. Such description shall include

(1) Limitations on borrowings,

(2) Recent loan policies of the applicant's Federal Home Loan Bank and current interest rates, and

(3) Federal Home Loan Bank stock purchase requirements and the applicant's position with respect to those requirements.

(h) *State savings association law.* If the applicant is converting to a State-chartered stock association, describe briefly applicable provisions of State law which have a material effect on the business of the applicant.

(i) *Federal and State taxation.* Describe briefly the Federal income tax laws applicable to the applicant including:

(1) Permissible bad debt reserves;

(2) The applicant's position with respect to the maximum bad debt reserve limitations as of the date of the latest statement of financial condition required under item 14(a);

In the case of the offering circular for any public offering, such information shall be given in substantially the tabular form set forth below. In any other case, the information may be given in narrative form. If the information is not known at the time of the subscription offering, so state and estimate.

	Price to public	Underwriting discounts and commissions	Proceeds to applicant
Per share	\$ _____	\$ _____	\$ _____
Total	\$ _____	\$ _____	\$ _____

(b) An offering circular for a public offering or direct community marketing, where the plan of conversion does not contain the optional provision permitted by § 563b.3(d)(11), may omit the description relating to the exercise of subscription rights required by item 5.

(c) If any shares are to be offered through underwriters, the offering circular for the public offering shall state the names of the principal underwriters and the respective amounts underwritten by each. Each offering circular shall state briefly the nature of the underwriter's obligation to take the unsubscribed shares.

Such information may be omitted from the offering circular for any subscription offering, unless the plan of conversion contains the optional provision permitted by § 563b.3(d)(11).

(e) If any shares are to be offered through underwriters, the offering circular for the public offering shall identify any principal underwriter that intends to confirm sales to any accounts over which it exercises discretionary authority and include an estimate of

2. Only commissions paid by the applicant in cash are to be included in the table. Any other consideration to the underwriters shall be set forth following the table with a reference thereto in the second column of the table. Any finder's fees or similar payments shall be appropriately disclosed.

3. All that is required as to the nature of the underwriters' obligation is whether the underwriters are or will be committed to take and to pay for all of the shares if any are taken, or whether it is merely an agency or "best efforts" arrangement under which the underwriters are required to take and pay for only such shares as they may sell to the public. Conditions precedent to the underwriters' taking the shares, including customary "market outs," need not be described. If a "best efforts" arrangement is used, describe any standby commitments for shares not sold.

(f) If any shares are to be sold by the converting savings association through a direct community marketing, indicate the timing of the offering, the geographical area where the offering will be made, the method to be employed to market the shares, including the frequency and nature of communications or contracts with potential purchasers, any preferences that will be given any such geographical area or class of potential purchasers, and the limitations on purchases by potential purchasers.

Subpart A—Form and Content of Financial Statements

§ 563c.1 Form and content of financial statements.

(a) This subpart A states the requirements as to form and content of financial statements included by a savings association in the following documents. However, the Office's regulations governing the applicable documents specify the actual financial statements that are to be included in that document.

(1) Any proxy statement or offering circular required to be used in connection with a conversion under part 563b of this chapter.

(2) Any offering circular or nonpublic offering materials required to be used in connection with an offer or sale of securities under part 563g of this chapter.

(3) Any filing under the Securities Exchange Act of 1934, 15 U.S.C. 78a *et seq.*, made pursuant to the requirements of part 563d of this chapter.

(b) Except as otherwise provided by the Office by rule, regulation, or order made specifically applicable to financial statements governed by this section, financial statements shall:

(1) Be prepared and presented in accordance with generally accepted accounting principles;

(2) Comply with subpart C of this part;

(3) Consistent with the provisions of this subpart, comply with articles 1, 2, 3, 4, 10, and 11 of Regulation S-X adopted by the Securities and Exchange Commission (17 CFR 210.1–210.4, 210.10, and 210.11).

(4) Be audited, when required, by an independent auditor in accordance with the standards imposed by the American Institute of Certified Public Accountants.

(c) The term “financial statements” includes all notes to the statements and related schedules.

§ 563c.2 Definitions.

(See also 17 CFR 210.1–02.)

(a) *Registrant*. The term “registrant” means an applicant, a savings association, or any other person required to prepare financial statements in accordance with this subpart.

(b) *Significant subsidiary*. The term “significant subsidiary” means a subsidiary, including its subsidiaries, which meets any of the following conditions:

(1) The association's and its other subsidiaries' investments in and advances to the subsidiary exceed 10 percent of the total assets of the association and its subsidiaries consolidated as of the end of the most recently completed fiscal year (for purposes of determining whether financial statements of a business acquired or to be acquired in a business combination accounted for as a pooling of interests are required pursuant to 17 CFR 210.3–05, this condition is also met when the number of common shares exchanged by the association exceeds 10 percent of its total common shares outstanding at the date the combination is initiated); or

(2) The association's and its other subsidiaries' proportionate share of the total assets (after intercompany eliminations) of the subsidiary exceeds 10 percent of the total assets of the association and its subsidiaries consolidated as of the end of the most recently completed fiscal year; or

(3) The association's and its other subsidiaries' equity in the income from continuing operations before income taxes, extraordinary items, and cumulative effect of a change in accounting principle of the subsidiary exceeds 10 percent of such income of the association and its subsidiaries consolidated for the most recently completed fiscal year.

Computational note: For purposes of making the prescribed income test the following guidance should be applied:

1. When a loss has been incurred by either the parent or its consolidated subsidiaries or the tested subsidiary, but not both, the equity in the income or loss of the tested subsidiary should be excluded from the income of the association and its subsidiaries consolidated for purposes of the computation.

2. If income of the association and its subsidiaries consolidated for the most recent fiscal year is at least 10 percent lower than the average of the income for the last five

fiscal years, such average income should be substituted for purposes of the computation. Any loss years should be omitted for purposes of computing average income.

§ 563c.3 Qualification of public accountant.

(See also 17 CFR 210.2-01.)

The term “qualified public accountant” means a certified public accountant or licensed public accountant certified or licensed by a regulatory authority of a State or other political subdivision of the United States who is in good standing as such under the laws of the jurisdiction where the home office of the registrant to be audited is located. Any person or firm who is suspended from practice before the Securities and Exchange Commission or other governmental agency is not a “qualified public accountant” for purposes of this section.

The investment in and indebtedness of and to association subsidiaries shall be stated separately in the condensed balance sheet from amounts for other subsidiaries; and the amount of cash dividends paid to the parent association for each of the last three years by association subsidiaries shall be stated separately in the condensed income statement from amounts for other subsidiaries.

(b) For purposes of the above test, restricted net assets of consolidated subsidiaries shall mean that amount of the association's proportionate share of net assets of consolidated subsidiaries (after intercompany eliminations) which as of the end of the most recent year may not be transferred to the parent company by subsidiaries in the form of loans, advances, or cash dividends without the consent of a third

party (*i.e.*, lender, regulatory agency, foreign government, etc.).

(c) Where restrictions on the amount of funds which may be loaned or advanced differ from the amount restricted as to transfer in the form of cash dividends, the amount least restrictive to the subsidiary shall be used. Redeemable preferred stocks (See item I (22) in § 563c.102) and minority interest (See item I (21) in § 563c.102) shall be deducted in computing net assets for purposes of this test.

I. BALANCE SHEET

Balance sheets shall comply with the following provisions:

Assets

1. *Cash and amounts due from depository institutions.* (a) The amounts in this caption should include noninterest-bearing deposits with depository institutions.

(b) State in a note the amount and terms of any deposits in depository institutions held as compensating balances against long-

or short-term borrowing arrangements. This disclosure should include the provisions of any restrictions as to withdrawal or usage. Restrictions may include legally restricted deposits held as compensating balances against short-term borrowing arrangements, contracts entered into with others, or company statements of intention with regard to particular deposits; however, time deposits and short-term certificates of deposits are not generally included in legally restricted deposits. In cases where compensating balance arrangements exist but are not agreements which legally restrict the use of cash amounts shown on the balance sheet, describe in the notes to the financial statements these arrangements and the amount involved, if determinable, for the most recent audited balance sheet required and for any subsequent unaudited balance sheet required. Compensating balances that are maintained under an agreement to ensure future credit availability shall be disclosed in the notes to the financial statements along with the amount and terms of the agreement.

(c) Checks outstanding in excess of an applicant's book balance in a demand deposit account shall be shown as a liability.

2. *Interest-bearing deposits in other banks.*

3. *Federal funds sold and securities purchased under resale agreements or similar arrangements.* These amounts should be presented, i.e., gross and not netted against Federal funds purchased and securities sold under agreement to repurchase, as reported in caption 15.

4. *Trading account assets.* Include securities considered to be held for trading purposes.

5. *Other short-term investments.*

6. *Investment securities.* (a) Include securities considered to be held for investment purposes. Disclose the aggregate book value of investment securities as the line item on the balance sheet; and also show on the face of the balance sheet the aggregate market value at the balance sheet date. The aggregate amounts should include securities pledged, loaned, or sold under repurchase agreements and similar arrangements. Borrowed securities and securities purchased under resale agreements or similar arrangements should be excluded.

(b) Disclose in a note the carrying value and market value of securities of (i) the U.S. Treasury and other U.S. Government agencies and corporations; (ii) states of the U.S. and political subdivisions thereof; and (iii) other securities.

If an allowance for real estate losses subsequent to acquisition is maintained, the amount shall be disclosed, deducted from the other real estate owned, and a statement of changes in the allowance showing balances at beginning and end of period should be included. Provision charged to income and losses charged to the allowance account shall be furnished for each period for which an income statement is filed.

Subpart A—General

SOURCE: 60 FR 22212, May 4, 1995, unless otherwise noted.

§ 563e.11 Authority, purposes, and scope.

(a) *Authority and OMB control number*—(1) *Authority*. This part is issued under the Community Reinvestment Act of 1977 (CRA), as amended (12 U.S.C. 2901 *et seq.*); section 5, as amended, and sections 3, 4, and 10, as added, of the Home Owners' Loan Act of 1933 (12 U.S.C. 1462a, 1463, 1464, and 1467a); and sections 4, 6, and 18(c), as amended of the Federal Deposit Insurance Act (12 U.S.C. 1814, 1816, 1828(c)).

(2) *OMB control number*. The information collection requirements contained in this part were approved by the Office of Management and Budget under the provisions of 44 U.S.C. 3501 *et seq.* and have been assigned OMB control number 1550-0012.

(b) *Purposes*. In enacting the CRA, the Congress required each appropriate Federal financial supervisory agency to assess an institution's record of helping to meet the credit needs of the local communities in which the institution is chartered, consistent with the

safe and sound operation of the institution, and to take this record into account in the agency's evaluation of an application for a deposit facility by the institution. This part is intended to carry out the purposes of the CRA by:

(1) Establishing the framework and criteria by which the OTS assesses a savings association's record of helping to meet the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of the savings association; and

(2) Providing that the OTS takes that record into account in considering certain applications.

(c) *Scope*—(1) *General*. This part applies to all savings associations except as provided in paragraph (c)(2) of this section.

(2) *Certain special purpose savings associations*. This part does not apply to special purpose savings associations that do not perform commercial or retail banking services by granting credit to the public in the ordinary course of business, other than as incident to their specialized operations. These associations include banker's banks, as defined in 12 U.S.C. 24 (Seventh), and associations that engage only in one or more of the following activities: providing cash management controlled disbursement services or serving as correspondent associations, trust companies, or clearing agents.

Subpart B—Standards for Assessing Performance

SOURCE: 60 FR 22213, May 4, 1995, unless otherwise noted.

§ 563e.21 Performance tests, standards, and ratings, in general.

(a) *Performance tests and standards*. The OTS assesses the CRA performance of a savings association in an examination as follows:

(1) *Lending, investment, and service tests*. The OTS applies the lending, investment, and service tests, as provided in §§ 563e.22 through 563e.24, in evaluating the performance of a savings association, except as provided in paragraphs (a)(2), (a)(3), and (a)(4) of this section.

(2) *Community development test for wholesale or limited purpose savings associations*. The OTS applies the community development test for a wholesale or limited purpose savings association, as provided in § 563e.25, except as provided in paragraph (a)(4) of this section.

(3) *Small savings association performance standards*. The OTS applies the small savings association performance standards as provided in § 563e.26 in evaluating the performance of a small savings association or a savings association that was a small savings association during the prior calendar year, unless the savings association elects to

be assessed as provided in paragraphs (a)(1), (a)(2), or (a)(4) of this section. The savings association may elect to be assessed as provided in paragraph (a)(1) of this section only if it collects and reports the data required for other savings associations under § 563e.42.

(4) *Strategic plan.* The OTS evaluates the performance of a savings association under a strategic plan if the savings association submits, and the OTS approves, a strategic plan as provided in § 563e.27.

(b) *Performance context.* The OTS applies the tests and standards in paragraph (a) of this section and also considers whether to approve a proposed strategic plan in the context of:

(1) Demographic data on median income levels, distribution of household income, nature of housing stock, housing costs, and other relevant data pertaining to a savings association's assessment area(s);

(2) Any information about lending, investment, and service opportunities in the savings association's assessment area(s) maintained by the savings association or obtained from community organizations, state, local, and tribal governments, economic development agencies, or other sources;

(3) The savings association's product offerings and business strategy as determined from data provided by the savings association;

(4) Institutional capacity and constraints, including the size and financial condition of the savings association, the economic climate (national, regional, and local), safety and soundness limitations, and any other factors that significantly affect the savings association's ability to provide lending, investments, or services in its assessment area(s);

(5) The savings association's past performance and the performance of similarly situated lenders;

(6) The savings association's public file, as described in § 563e.43, and any written comments about the savings association's CRA performance submitted to the savings association or the OTS; and

(7) Any other information deemed relevant by the OTS.

(c) *Assigned ratings.* The OTS assigns to a savings association one of the fol-

lowing four ratings pursuant to § 563e.28 and Appendix A of this part: "outstanding"; "satisfactory"; "needs to improve"; or "substantial noncompliance," as provided in 12 U.S.C. 2906(b)(2). The rating assigned by the OTS reflects the savings association's record of helping to meet the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of the savings association.

(d) *Safe and sound operations.* This part and the CRA do not require a savings association to make loans or investments or to provide services that are inconsistent with safe and sound operations. To the contrary, the OTS anticipates savings associations can meet the standards of this part with safe and sound loans, investments, and services on which the savings associations expect to make a profit. Savings associations are permitted and encouraged to develop and apply flexible underwriting standards for loans that benefit low- or moderate-income geographies or individuals, only if consistent with safe and sound operations.

§ 563e.22 Lending test.

(a) *Scope of test.* (1) The lending test evaluates a savings association's record of helping to meet the credit needs of its assessment area(s) through its lending activities by considering a savings association's home mortgage, small business, small farm, and community development lending. If consumer lending constitutes a substantial majority of a savings association's business, the OTS will evaluate the savings association's consumer lending in one or more of the following categories: motor vehicle, credit card, home equity, other secured, and other unsecured loans. In addition, at a savings association's option, the OTS will evaluate one or more categories of consumer lending, if the savings association has collected and maintained, as required in § 563e.42(c)(1), the data for each category that the savings association elects to have the OTS evaluate.

(2) The OTS considers originations and purchases of loans. The OTS will also consider any other loan data the

savings association may choose to provide, including data on loans outstanding, commitments and letters of credit.

(3) A savings association may ask the OTS to consider loans originated or purchased by consortia in which the savings association participates or by third parties in which the savings association has invested only if the loans meet the definition of community development loans and only in accordance with paragraph (d) of this section. The OTS will not consider these loans under any criterion of the lending test except the community development lending criterion.

(b) *Performance criteria.* The OTS evaluates a savings association's lending performance pursuant to the following criteria:

(1) *Lending activity.* The number and amount of the savings association's home mortgage, small business, small farm, and consumer loans, if applicable, in the savings association's assessment area(s);

(2) *Geographic distribution.* The geographic distribution of the savings association's home mortgage, small business, small farm, and consumer loans, if applicable, based on the loan location, including:

(i) The proportion of the savings association's lending in the savings association's assessment area(s);

(ii) The dispersion of lending in the savings association's assessment area(s); and

(iii) The number and amount of loans in low-, moderate-, middle-, and upper-income geographies in the savings association's assessment area(s);

(3) *Borrower characteristics.* The distribution, particularly in the savings association's assessment area(s), of the savings association's home mortgage, small business, small farm, and consumer loans, if applicable, based on borrower characteristics, including the number and amount of:

(i) Home mortgage loans to low-, moderate-, middle-, and upper-income individuals;

(ii) Small business and small farm loans to businesses and farms with gross annual revenues of \$1 million or less;

(iii) Small business and small farm loans by loan amount at origination; and

(iv) Consumer loans, if applicable, to low-, moderate-, middle-, and upper-income individuals;

(4) *Community development lending.* The savings association's community development lending, including the number and amount of community development loans, and their complexity and innovativeness; and

(5) *Innovative or flexible lending practices.* The savings association's use of innovative or flexible lending practices in a safe and sound manner to address the credit needs of low- or moderate-income individuals or geographies.

(c) *Affiliate lending.* (1) At a savings association's option, the OTS will consider loans by an affiliate of the savings association, if the savings association provides data on the affiliate's loans pursuant to § 563e.42.

(2) The OTS considers affiliate lending subject to the following constraints:

(i) No affiliate may claim a loan origination or loan purchase if another institution claims the same loan origination or purchase; and

(ii) If a savings association elects to have the OTS consider loans within a particular lending category made by one or more of the savings association's affiliates in a particular assessment area, the savings association shall elect to have the OTS consider, in accordance with paragraph (c)(1) of this section, all the loans within that lending category in that particular assessment area made by all of the savings association's affiliates.

(3) The OTS does not consider affiliate lending in assessing a savings association's performance under paragraph (b)(2)(i) of this section.

(d) *Lending by a consortium or a third party.* Community development loans originated or purchased by a consortium in which the savings association participates or by a third party in which the savings association has invested:

(1) Will be considered, at the savings association's option, if the savings association reports the data pertaining to these loans under § 563e.42(b)(2); and

(2) May be allocated among participants or investors, as they choose, for purposes of the lending test, except that no participant or investor:

(i) May claim a loan origination or loan purchase if another participant or investor claims the same loan origination or purchase; or

(ii) May claim loans accounting for more than its percentage share (based on the level of its participation or investment) of the total loans originated by the consortium or third party.

(e) *Lending performance rating.* The OTS rates a savings association's lending performance as provided in Appendix A of this part.

§ 563e.23 Investment test.

(a) *Scope of test.* The investment test evaluates a savings association's record of helping to meet the credit needs of its assessment area(s) through qualified investments that benefit its assessment area(s) or a broader statewide or regional area that includes the savings association's assessment area(s).

(b) *Exclusion.* Activities considered under the lending or service tests may not be considered under the investment test.

(c) *Affiliate investment.* At a savings association's option, the OTS will consider, in its assessment of a savings association's investment performance, a qualified investment made by an affiliate of the savings association, if the qualified investment is not claimed by any other institution.

(d) *Disposition of branch premises.* Donating, selling on favorable terms, or making available on a rent-free basis a branch of the savings association that is located in a predominantly minority neighborhood to a minority depository institution or women's depository institution (as these terms are defined in 12 U.S.C. 2907(b)) will be considered as a qualified investment.

(e) *Performance criteria.* The OTS evaluates the investment performance of a savings association pursuant to the following criteria:

(1) The dollar amount of qualified investments;

(2) The innovativeness or complexity of qualified investments;

(3) The responsiveness of qualified investments to credit and community development needs; and

(4) The degree to which the qualified investments are not routinely provided by private investors.

(f) *Investment performance rating.* The OTS rates a savings association's investment performance as provided in Appendix A of this part.

§ 563e.24 Service test.

(a) *Scope of test.* The service test evaluates a savings association's record of helping to meet the credit needs of its assessment area(s) by analyzing both the availability and effectiveness of a savings association's systems for delivering retail banking services and the extent and innovativeness of its community development services.

(b) *Area(s) benefitted.* Community development services must benefit a savings association's assessment area(s) or a broader statewide or regional area that includes the savings association's assessment area(s).

(c) *Affiliate service.* At a savings association's option, the OTS will consider, in its assessment of a savings association's service performance, a community development service provided by an affiliate of the savings association, if the community development service is not claimed by any other institution.

(d) *Performance criteria—retail banking services.* The OTS evaluates the availability and effectiveness of a savings association's systems for delivering retail banking services, pursuant to the following criteria:

(1) The current distribution of the savings association's branches among low-, moderate-, middle-, and upper-income geographies;

(2) In the context of its current distribution of the savings association's branches, the savings association's record of opening and closing branches, particularly branches located in low- or moderate-income geographies or primarily serving low- or moderate-income individuals;

(3) The availability and effectiveness of alternative systems for delivering retail banking services (e.g., ATMs, ATMs not owned or operated by or exclusively for the savings association,

banking by telephone or computer, loan production offices, and bank-at-work or bank-by-mail programs) in low- and moderate-income geographies and to low- and moderate-income individuals; and

(4) The range of services provided in low-, moderate-, middle-, and upper-income geographies and the degree to which the services are tailored to meet the needs of those geographies.

(e) *Performance criteria—community development services.* The OTS evaluates community development services pursuant to the following criteria:

(1) The extent to which the savings association provides community development services; and

(2) The innovativeness and responsiveness of community development services.

(f) *Service performance rating.* The OTS rates a savings association's service performance as provided in Appendix A of this part.

§ 563e.25 Community development test for wholesale or limited purpose savings associations.

(a) *Scope of test.* The OTS assesses a wholesale or limited purpose savings association's record of helping to meet the credit needs of its assessment area(s) under the community development test through its community development lending, qualified investments, or community development services.

(b) *Designation as a wholesale or limited purpose savings association.* In order to receive a designation as a wholesale or limited purpose savings association, a savings association shall file a request, in writing, with the OTS, at least three months prior to the proposed effective date of the designation. If the OTS approves the designation, it remains in effect until the savings association requests revocation of the designation or until one year after the OTS notifies the savings association that the OTS has revoked the designation on its own initiative.

(c) *Performance criteria.* The OTS evaluates the community development performance of a wholesale or limited purpose savings association pursuant to the following criteria:

(1) The number and amount of community development loans (including originations and purchases of loans and other community development loan data provided by the savings association, such as data on loans outstanding, commitments, and letters of credit), qualified investments, or community development services;

(2) The use of innovative or complex qualified investments, community development loans, or community development services and the extent to which the investments are not routinely provided by private investors; and

(3) The savings association's responsiveness to credit and community development needs.

(d) *Indirect activities.* At a savings association's option, the OTS will consider in its community development performance assessment:

(1) Qualified investments or community development services provided by an affiliate of the savings association, if the investments or services are not claimed by any other institution; and

(2) Community development lending by affiliates, consortia and third parties, subject to the requirements and limitations in § 563e.22 (c) and (d).

(e) *Benefit to assessment area(s).*—(1) *Benefit inside assessment area(s).* The OTS considers all qualified investments, community development loans, and community development services that benefit areas within the savings association's assessment area(s) or a broader statewide or regional area that includes the savings association's assessment area(s).

(2) *Benefit outside assessment area(s).* The OTS considers the qualified investments, community development loans, and community development services that benefit areas outside the savings association's assessment area(s), if the savings association has adequately addressed the needs of its assessment area(s).

(f) *Community development performance rating.* The OTS rates a savings association's community development performance as provided in Appendix A of this part.

§ 563e.26 Small savings association performance standards.

(a) *Performance criteria.* The OTS evaluates the record of a small savings association, or a savings association that was a small savings association during the prior calendar year, of helping to meet the credit needs of its assessment area(s) pursuant to the following criteria:

(1) The savings association's loan-to-deposit ratio, adjusted for seasonal variation and, as appropriate, other lending-related activities, such as loan originations for sale to the secondary markets, community development loans, or qualified investments;

(2) The percentage of loans and, as appropriate, other lending-related activities located in the savings association's assessment area(s);

(3) The savings association's record of lending to and, as appropriate, engaging in other lending-related activities for borrowers of different income levels and businesses and farms of different sizes;

(4) The geographic distribution of the savings association's loans; and

(5) The savings association's record of taking action, if warranted, in response to written complaints about its performance in helping to meet credit needs in its assessment area(s).

(b) *Small savings association performance rating.* The OTS rates the performance of a savings association evaluated under this section as provided in Appendix A of this part.

§ 563e.27 Strategic plan.

(a) *Alternative election.* The OTS will assess a savings association's record of helping to meet the credit needs of its assessment area(s) under a strategic plan if:

(1) The savings association has submitted the plan to the OTS as provided for in this section;

(2) The OTS has approved the plan;

(3) The plan is in effect; and

(4) The savings association has been operating under an approved plan for at least one year.

(b) *Data reporting.* The OTS's approval of a plan does not affect the savings association's obligation, if any, to report data as required by § 563e.42.

(c) *Plans in general.* (1) *Term.* A plan may have a term of no more than five years, and any multi-year plan must include annual interim measurable goals under which the OTS will evaluate the savings association's performance.

(2) *Multiple assessment areas.* A savings association with more than one assessment area may prepare a single plan for all of its assessment areas or one or more plans for one or more of its assessment areas.

(3) *Treatment of affiliates.* Affiliated institutions may prepare a joint plan if the plan provides measurable goals for each institution. Activities may be allocated among institutions at the institutions' option, provided that the same activities are not considered for more than one institution.

(d) *Public participation in plan development.* Before submitting a plan to the OTS for approval, a savings association shall:

(1) Informally seek suggestions from members of the public in its assessment area(s) covered by the plan while developing the plan;

(2) Once the savings association has developed a plan, formally solicit public comment on the plan for at least 30 days by publishing notice in at least one newspaper of general circulation in each assessment area covered by the plan; and

(3) During the period of formal public comment, make copies of the plan available for review by the public at no cost at all offices of the savings association in any assessment area covered by the plan and provide copies of the plan upon request for a reasonable fee to cover copying and mailing, if applicable.

(e) *Submission of plan.* The savings association shall submit its plan to the OTS at least three months prior to the proposed effective date of the plan. The savings association shall also submit with its plan a description of its informal efforts to seek suggestions from members of the public, any written public comment received, and, if the plan was revised in light of the comment received, the initial plan as released for public comment.

(f) *Plan content—*(1) *Measurable goals.* (i) A savings association shall specify

in its plan measurable goals for helping to meet the credit needs of each assessment area covered by the plan, particularly the needs of low- and moderate-income geographies and low- and moderate-income individuals, through lending, investment, and services, as appropriate.

(ii) A savings association shall address in its plan all three performance categories and, unless the savings association has been designated as a wholesale or limited purpose savings association, shall emphasize lending and lending-related activities. Nevertheless, a different emphasis, including a focus on one or more performance categories, may be appropriate if responsive to the characteristics and credit needs of its assessment area(s), considering public comment and the savings association's capacity and constraints, product offerings, and business strategy.

(2) *Confidential information.* A savings association may submit additional information to the OTS on a confidential basis, but the goals stated in the plan must be sufficiently specific to enable the public and the OTS to judge the merits of the plan.

(3) *Satisfactory and outstanding goals.* A savings association shall specify in its plan measurable goals that constitute "satisfactory" performance. A plan may specify measurable goals that constitute "outstanding" performance. If a savings association submits, and the OTS approves, both "satisfactory" and "outstanding" performance goals, the OTS will consider the savings association eligible for an "outstanding" performance rating.

(4) *Election if satisfactory goals not substantially met.* A savings association may elect in its plan that, if the savings association fails to meet substantially its plan goals for a satisfactory rating, the OTS will evaluate the savings association's performance under the lending, investment, and service tests, the community development test, or the small savings association performance standards, as appropriate.

(g) *Plan approval—(1) Timing.* The OTS will act upon a plan within 60 calendar days after the OTS receives the complete plan and other material required under paragraph (d) of this section. If the OTS fails to act within this

time period, the plan shall be deemed approved unless the OTS extends the review period for good cause.

(2) *Public participation.* In evaluating the plan's goals, the OTS considers the public's involvement in formulating the plan, written public comment on the plan, and any response by the savings association to public comment on the plan.

(3) *Criteria for evaluating plan.* The OTS evaluates a plan's measurable goals using the following criteria, as appropriate:

(i) The extent and breadth of lending or lending-related activities, including, as appropriate, the distribution of loans among different geographies, businesses and farms of different sizes, and individuals of different income levels, the extent of community development lending, and the use of innovative or flexible lending practices to address credit needs;

(ii) The amount and innovativeness, complexity, and responsiveness of the savings association's qualified investments; and

(iii) The availability and effectiveness of the savings association's systems for delivering retail banking services and the extent and innovativeness of the savings association's community development services.

(h) *Plan amendment.* During the term of a plan, a savings association may request the OTS to approve an amendment to the plan on grounds that there has been a material change in circumstances. The savings association shall develop an amendment to a previously approved plan in accordance with the public participation requirements of paragraph (d) of this section.

(i) *Plan assessment.* The OTS approves the goals and assesses performance under a plan as provided for in Appendix A of this part.

§ 563e.28 Assigned ratings.

(a) *Ratings in general.* Subject to paragraphs (b) and (c) of this section, the OTS assigns to a savings association a rating of "outstanding," "satisfactory," "needs to improve," or "substantial noncompliance" based on the savings association's performance

under the lending, investment and service tests, the community development test, the small savings association performance standards, or an approved strategic plan, as applicable.

(b) *Lending, investment, and service tests.* The OTS assigns a rating for a savings association assessed under the lending, investment, and service tests in accordance with the following principles:

(1) A savings association that receives an “outstanding” rating on the lending test receives an assigned rating of at least “satisfactory”;

(2) A savings association that receives an “outstanding” rating on both the service test and the investment test and a rating of at least “high satisfactory” on the lending test receives an assigned rating of “outstanding”; and

(3) No savings association may receive an assigned rating of “satisfactory” or higher unless it receives a rating of at least “low satisfactory” on the lending test.

(c) *Effect of evidence of discriminatory or other illegal credit practices.* Evidence of discriminatory or other illegal credit practices adversely affects the OTS’s evaluation of a savings association’s performance. In determining the effect on the savings association’s assigned rating, the OTS considers the nature and extent of the evidence, the policies and procedures that the savings association has in place to prevent discriminatory or other illegal credit practices, any corrective action that the savings association has taken or has committed to take, particularly voluntary corrective action resulting from self-assessment, and other relevant information.

§ 563e.29 Effect of CRA performance on applications.

(a) *CRA performance.* Among other factors, the OTS takes into account the record of performance under the CRA of each applicant savings association, and for applications under section 10(e) of the Home Owners’ Loan Act (12 U.S.C. 1467a(e)), of each proposed subsidiary savings association, in considering an application for:

(1) The establishment of a domestic branch or other facility that would be authorized to take deposits;

(2) The relocation of the main office or a branch;

(3) The merger or consolidation with or the acquisition of the assets or assumption of the liabilities of an insured depository institution requiring OTS approval under the Bank Merger Act (12 U.S.C. 1828(c));

(4) A Federal thrift charter; and

(5) Acquisitions subject to section 10(e) of the Home Owners’ Loan Act (12 U.S.C. 1467a(e)).

(b) *Charter application.* An applicant for a Federal thrift charter shall submit with its application a description of how it will meet its CRA objectives. The OTS takes the description into account in considering the application and may deny or condition approval on that basis.

(c) *Interested parties.* The OTS takes into account any views expressed by interested parties that are submitted in accordance with the applicable comment procedures in considering CRA performance in an application listed in paragraphs (a) and (b) of this section.

(d) *Denial or conditional approval of application.* A savings association’s record of performance may be the basis for denying or conditioning approval of an application listed in paragraph (a) of this section.

(e) *Insured depository institution.* For purposes of this section, the term “insured depository institution” has the meaning given to that term in 12 U.S.C. 1813.

Subpart C—Records, Reporting, and Disclosure Requirements

SOURCE: 60 FR 22217, May 4, 1995, unless otherwise noted.

§ 563e.41 Assessment area delineation.

(a) *In general.* A savings association shall delineate one or more assessment areas within which the OTS evaluates the savings association’s record of helping to meet the credit needs of its community. The OTS does not evaluate the savings association’s delineation of its assessment area(s) as a separate

performance criterion, but the OTS reviews the delineation for compliance with the requirements of this section.

(b) *Geographic area(s) for wholesale or limited purpose savings associations.* The assessment area(s) for a wholesale or limited purpose savings association must consist generally of one or more MSAs (using the MSA boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns, in which the savings association has its main office, branches, and deposit-taking ATMs.

(c) *Geographic area(s) for other savings associations.* The assessment area(s) for a savings association other than a wholesale or limited purpose savings association must:

(1) Consist generally of one or more MSAs (using the MSA boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns; and

(2) Include the geographies in which the savings association has its main office, its branches, and its deposit-taking ATMs, as well as the surrounding geographies in which the savings association has originated or purchased a substantial portion of its loans (including home mortgage loans, small business and small farm loans, and any other loans the savings association chooses, such as those consumer loans on which the savings association elects to have its performance assessed).

(d) *Adjustments to geographic area(s).* A savings association may adjust the boundaries of its assessment area(s) to include only the portion of a political subdivision that it reasonably can be expected to serve. An adjustment is particularly appropriate in the case of an assessment area that otherwise would be extremely large, of unusual configuration, or divided by significant geographic barriers.

(e) *Limitations on the delineation of an assessment area.* Each savings association's assessment area(s):

(1) Must consist only of whole geographies;

(2) May not reflect illegal discrimination;

(3) May not arbitrarily exclude low- or moderate-income geographies, taking into account the savings association's size and financial condition; and

(4) May not extend substantially beyond a CMSA boundary or beyond a state boundary unless the assessment area is located in a multistate MSA. If a savings association serves a geographic area that extends substantially beyond a state boundary, the savings association shall delineate separate assessment areas for the areas in each state. If a savings association serves a geographic area that extends substantially beyond a CMSA boundary, the savings association shall delineate separate assessment areas for the areas inside and outside the CMSA.

(f) *Savings associations serving military personnel.* Notwithstanding the requirements of this section, a savings association whose business predominantly consists of serving the needs of military personnel or their dependents who are not located within a defined geographic area may delineate its entire deposit customer base as its assessment area.

(g) *Use of assessment area(s).* The OTS uses the assessment area(s) delineated by a savings association in its evaluation of the savings association's CRA performance unless the OTS determines that the assessment area(s) do not comply with the requirements of this section.

§ 563e.42 Data collection, reporting, and disclosure.

(a) *Loan information required to be collected and maintained.* A savings association, except a small savings association, shall collect, and maintain in machine readable form (as prescribed by the OTS) until the completion of its next CRA examination, the following data for each small business or small farm loan originated or purchased by the savings association:

(1) A unique number or alpha-numeric symbol that can be used to identify the relevant loan file;

(2) The loan amount at origination;

(3) The loan location; and

(4) An indicator whether the loan was to a business or farm with gross annual revenues of \$1 million or less.

(b) *Loan information required to be reported.* A savings association, except a small savings association or a savings association that was a small savings association during the prior calendar year, shall report annually by March 1 to the OTS in machine readable form (as prescribed by the OTS) the following data for the prior calendar year:

(1) *Small business and small farm loan data.* For each geography in which the savings association originated or purchased a small business or small farm loan, the aggregate number and amount of loans:

(i) With an amount at origination of \$100,000 or less;

(ii) With amount at origination of more than \$100,000 but less than or equal to \$250,000;

(iii) With an amount at origination of more than \$250,000; and

(iv) To businesses and farms with gross annual revenues of \$1 million or less (using the revenues that the savings association considered in making its credit decision);

(2) *Community development loan data.* The aggregate number and aggregate amount of community development loans originated or purchased; and

(3) *Home mortgage loans.* If the savings association is subject to reporting under part 203 of this title, the location of each home mortgage loan application, origination, or purchase outside the MSAs in which the savings association has a home or branch office (or outside any MSA) in accordance with the requirements of part 203 of this title.

(c) *Optional data collection and maintenance—(1) Consumer loans.* A savings association may collect and maintain in machine readable form (as prescribed by the OTS) data for consumer loans originated or purchased by the savings association for consideration under the lending test. A savings association may maintain data for one or more of the following categories of consumer loans: motor vehicle, credit card, home equity, other secured, and other unsecured. If the savings association maintains data for loans in a certain category, it shall maintain data for all loans originated or purchased within that category. The savings association shall maintain data separately

for each category, including for each loan:

(i) A unique number or alpha-numeric symbol that can be used to identify the relevant loan file;

(ii) The loan amount at origination or purchase;

(iii) The loan location; and

(iv) The gross annual income of the borrower that the savings association considered in making its credit decision.

(2) *Other loan data.* At its option, a savings association may provide other information concerning its lending performance, including additional loan distribution data.

(d) *Data on affiliate lending.* A savings association that elects to have the OTS consider loans by an affiliate, for purposes of the lending or community development test or an approved strategic plan, shall collect, maintain, and report for those loans the data that the savings association would have collected, maintained, and reported pursuant to paragraphs (a), (b), and (c) of this section had the loans been originated or purchased by the savings association. For home mortgage loans, the savings association shall also be prepared to identify the home mortgage loans reported under part 203 of this title by the affiliate.

(e) *Data on lending by a consortium or a third-party.* A savings association that elects to have the OTS consider community development loans by a consortium or third party, for purposes of the lending or community development tests or an approved strategic plan, shall report for those loans the data that the savings association would have reported under paragraph (b)(2) of this section had the loans been originated or purchased by the savings association.

(f) *Small savings associations electing evaluation under the lending, investment, and service tests.* A savings association that qualifies for evaluation under the small savings association performance standards but elects evaluation under the lending, investment, and service tests shall collect, maintain, and report the data required for other savings associations pursuant to paragraphs (a) and (b) of this section.

(g) *Assessment area data.* A savings association, except a small savings association or a savings association that was a small savings association during the prior calendar year, shall collect and report to the OTS by March 1 of each year a list for each assessment area showing the geographies within the area.

(h) *CRA Disclosure Statement.* The OTS prepares annually for each savings association that reports data pursuant to this section a CRA Disclosure Statement that contains, on a state-by-state basis:

(1) For each county (and for each assessment area smaller than a county) with a population of 500,000 persons or fewer in which the savings association reported a small business or small farm loan:

(i) The number and amount of small business and small farm loans reported as originated or purchased located in low-, moderate-, middle-, and upper-income geographies;

(ii) A list grouping each geography according to whether the geography is low-, moderate-, middle-, or upper-income;

(iii) A list showing each geography in which the savings association reported a small business or small farm loan; and

(iv) The number and amount of small business and small farm loans to businesses and farms with gross annual revenues of \$1 million or less;

(2) For each county (and for each assessment area smaller than a county) with a population in excess of 500,000 persons in which the savings association reported a small business or small farm loan:

(i) The number and amount of small business and small farm loans reported as originated or purchased located in geographies with median income relative to the area median income of less than 10 percent, 10 or more but less than 20 percent, 20 or more but less than 30 percent, 30 or more but less than 40 percent, 40 or more but less than 50 percent, 50 or more but less than 60 percent, 60 or more but less than 70 percent, 70 or more but less than 80 percent, 80 or more but less than 90 percent, 90 or more but less than 100 percent, 100 or more but less

than 110 percent, 110 or more but less than 120 percent, and 120 percent or more;

(ii) A list grouping each geography in the county or assessment area according to whether the median income in the geography relative to the area median income is less than 10 percent, 10 or more but less than 20 percent, 20 or more but less than 30 percent, 30 or more but less than 40 percent, 40 or more but less than 50 percent, 50 or more but less than 60 percent, 60 or more but less than 70 percent, 70 or more but less than 80 percent, 80 or more but less than 90 percent, 90 or more but less than 100 percent, 100 or more but less than 110 percent, 110 or more but less than 120 percent, and 120 percent or more;

(iii) A list showing each geography in which the savings association reported a small business or small farm loan; and

(iv) The number and amount of small business and small farm loans to businesses and farms with gross annual revenues of \$1 million or less;

(4) The number and amount of community development loans reported as originated or purchased.

(i) *Aggregate disclosure statements.* The OTS, in conjunction with the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, and the Office of the Comptroller of the Currency, prepares annually, for each MSA (including an MSA that crosses a state boundary) and the non-MSA portion of each state, an aggregate disclosure statement of small business and small farm lending by all institutions subject to reporting under this part or parts 25, 228, or 345 of this title. These disclosure statements indicate, for each geography, the number and amount of all small business and small farm loans originated or purchased by reporting institutions, except that the OTS may adjust the form of the disclosure if necessary, because

of special circumstances, to protect the privacy of a borrower or the competitive position of an institution.

(j) *Central data depositories.* The OTS makes the aggregate disclosure statements, described in paragraph (i) of this section, and the individual savings association CRA Disclosure Statements, described in paragraph (h) of this section, available to the public at central data depositories. The OTS publishes a list of the depositories at which the statements are available.

§ 563e.43 Content and availability of public file.

(a) *Information available to the public.* A savings association shall maintain a public file that includes the following information:

(1) All written comments received from the public for the current year and each of the prior two calendar years that specifically relate to the savings association's performance in helping to meet community credit needs, and any response to the comments by the savings association, if neither the comments nor the responses contain statements that reflect adversely on the good name or reputation of any persons other than the savings association or publication of which would violate specific provisions of law;

(2) A copy of the public section of the savings association's most recent CRA Performance Evaluation prepared by the OTS. The savings association shall place this copy in the public file within 30 business days after its receipt from the OTS;

(3) A list of the savings association's branches, their street addresses, and geographies;

At its option, a savings association may include information regard-

ing the availability of alternative systems for delivering retail banking services (e.g., ATMs, ATMs not owned or operated by or exclusively for the savings association, banking by telephone or computer, loan production offices, and bank-at-work or bank-by-mail programs);

(6) A map of each assessment area showing the boundaries of the area and identifying the geographies contained within the area, either on the map or in a separate list; and

(7) Any other information the savings association chooses.

(b) *Additional information available to the public—*(1) *Savings associations other than small savings associations.* A savings association, except a small savings association or a savings association that was a small savings association during the prior calendar year, shall include in its public file the following information pertaining to the savings association and its affiliates, if applicable, for each of the prior two calendar years:

(i) If the savings association has elected to have one or more categories of its consumer loans considered under the lending test, for each of these categories, the number and amount of loans:

(A) To low-, moderate-, middle-, and upper-income individuals;

The savings association may charge a reasonable fee not to exceed the cost of copying and mailing (if applicable).

(e) *Updating.* Except as otherwise provided in this section, a savings association shall ensure that the information required by this section is current as of April 1 of each year.

§ 563e.44 Public notice by savings associations.

A savings association shall provide in the public lobby of its main office and each of its branches the appropriate public notice set forth in Appendix B of this part. Only a branch of a savings association having more than one assessment area shall include the bracketed material in the notice for branch offices. Only a savings association that is an affiliate of a holding company shall include the last two sentences of the notices.

§ 563e.45 Publication of planned examination schedule.

The OTS publishes at least 30 days in advance of the beginning of each calendar quarter a list of savings associations scheduled for CRA examinations in that quarter.

APPENDIX A TO PART 563e—RATINGS

(a) *Ratings in general.* (1) In assigning a rating, the OTS evaluates a savings association's performance under the applicable performance criteria in this part, in accordance with § 563e.21 and § 563e.28, which provides for adjustments on the basis of evidence of discriminatory or other illegal credit practices.

(2) A savings association's performance need not fit each aspect of a particular rating profile in order to receive that rating, and exceptionally strong performance with respect to some aspects may compensate for weak performance in others. The savings association's overall performance, however, must be consistent with safe and sound banking practices and generally with the appropriate rating profile as follows.

(b) *Savings associations evaluated under the lending, investment, and service tests.* (1) *Lending performance rating.* The OTS assigns each

savings association's lending performance one of the five following ratings.

(i) *Outstanding*. The OTS rates a savings association's lending performance "outstanding" if, in general, it demonstrates:

(A) Excellent responsiveness to credit needs in its assessment area(s), taking into account the number and amount of home mortgage, small business, small farm, and consumer loans, if applicable, in its assessment area(s);

(B) A substantial majority of its loans are made in its assessment area(s);

(C) An excellent geographic distribution of loans in its assessment area(s);

(D) An excellent distribution, particularly in its assessment area(s), of loans among individuals of different income levels and businesses (including farms) of different sizes, given the product lines offered by the savings association;

(E) An excellent record of serving the credit needs of highly economically disadvantaged areas in its assessment area(s), low-income individuals, or businesses (including farms) with gross annual revenues of \$1 million or less, consistent with safe and sound operations;

(2) *Eligibility for an outstanding rating.* A savings association that meets each of the standards for a "satisfactory" rating under this paragraph and exceeds some or all of those standards may warrant consideration for an overall rating of "outstanding." In assessing whether a savings association's performance is "outstanding," the OTS considers the extent to which the savings association exceeds each of the performance standards for a "satisfactory" rating and its performance in making qualified investments and its performance in providing branches and other services and delivery systems that

enhance credit availability in its assessment area(s).

(3) *Needs to improve or substantial noncompliance ratings.* A savings association also may receive a rating of "needs to improve" or "substantial noncompliance" depending on the degree to which its performance has failed to meet the standards for a "satisfactory" rating.

(e) *Strategic plan assessment and rating.* (1) *Satisfactory goals.* The OTS approves as "satisfactory" measurable goals that adequately help to meet the credit needs of the savings association's assessment area(s).

(2) *Outstanding goals.* If the plan identifies a separate group of measurable goals that substantially exceed the levels approved as "satisfactory," the OTS will approve those goals as "outstanding."

(3) *Rating.* The OTS assesses the performance of a savings association operating under an approved plan to determine if the savings association has met its plan goals:

(i) If the savings association substantially achieves its plan goals for a satisfactory rating, the OTS will rate the savings association's performance under the plan as "satisfactory."

(ii) If the savings association exceeds its plan goals for a satisfactory rating and substantially achieves its plan goals for an outstanding rating, the OTS will rate the savings association's performance under the plan as "outstanding."

(iii) If the savings association fails to meet substantially its plan goals for a satisfactory rating, the OTS will rate the savings association as either "needs to improve" or "substantial noncompliance," depending on the extent to which it falls short of its plan goals, unless the savings association elected in its plan to be rated otherwise, as provided in §25.27(f)(4).

563f.4 Interlocking relationships permitted by statute.

563f.5 Regulatory Standards exemption.

563f.6 Management Consignment exemption.

563f.7 Change in circumstances.

563f.8 Enforcement.

563f.9 Interlocking relationships permitted pursuant to Federal Deposit Insurance Act.

AUTHORITY: 12 U.S.C. 3201–3208.

SOURCE: 61 FR 40308, Aug. 2, 1996, unless otherwise noted.

§ 563f.1 Authority, purpose, and scope.

(a) *Authority.* This part is issued under the provisions of the Depository Institution Management Interlocks Act (Interlocks Act) (12 U.S.C. 3201 *et seq.*), as amended.

(b) *Purpose.* The purpose of the Interlocks Act and this part is to foster competition by generally prohibiting a management official from serving two nonaffiliated depository organizations

in situations where the management interlock likely would have an anti-competitive effect.

(c) *Scope*. This part applies to management officials of savings associations, savings and loan holding companies, and affiliates of either.

§ 563f.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Affiliate*. (1) The term *affiliate* has the meaning given in section 202 of the Interlocks Act (12 U.S.C. 3201). For purposes of that section 202, shares held by an individual include shares held by members of his or her immediate family. "Immediate family" means spouse, mother, father, child, grandchild, sister, brother, or any of their spouses, whether or not any of their shares are held in trust.

(2) For purposes of section 202(3)(B) of the Interlocks Act (12 U.S.C. 3201(3)(B)), an affiliate relationship involving a savings association or savings and loan holding company based on common ownership does not exist if the OTS determines, after giving the affected persons the opportunity to respond, that the asserted affiliation was established in order to avoid the prohibitions of the Interlocks Act and does not represent a true commonality of interest between the depository organizations. In making this determination, the OTS considers, among other things, whether a person, including members of his or her immediate family, whose shares are necessary to constitute the group owns a nominal percentage of the shares of one of the organizations and the percentage is substantially disproportionate to that person's ownership of shares in the other organization.

(b) *Anticompetitive effect* means a monopoly or substantial lessening of competition.

(c) *Area median income* means:

(1) The median family income for the metropolitan statistical area (MSA), if a depository organization is located in an MSA; or

(2) The statewide nonmetropolitan median family income, if a depository organization is located outside an MSA.

(d) *Community* means a city, town, or village, and contiguous or adjacent cities, towns, or villages.

(e) *Contiguous or adjacent cities, towns, or villages* means cities, towns, or villages whose borders touch each other or whose borders are within 10 road miles of each other at their closest points. The property line of an office located in an unincorporated city, town, or village is the boundary line of that city, town, or village for the purpose of this definition.

(f) *Critical* means important to restoring or maintaining a depository organization's safe and sound operations.

(g) *Depository holding company* means a bank holding company or a savings and loan holding company (as more fully defined in section 202 of the Interlocks Act (12 U.S.C. 3201)) having its principal office located in the United States.

(h) *Depository institution* means a commercial bank (including a private bank), a savings bank, a trust company, a savings and loan association, a building and loan association, a home-stead association, a cooperative bank, an industrial bank, or a credit union, chartered under the laws of the United States and having a principal office located in the United States. Additionally, a United States office, including a branch or agency, of a foreign commercial bank is a depository institution.

(i) *Depository institution affiliate* means a depository institution that is an affiliate of a depository organization.

(j) *Depository organization* means a depository institution or a depository holding company.

(k) *Low- and moderate-income areas* means census tracts (or, if an area is not in a census tract, block numbering areas delineated by the United States Bureau of the Census) where the median family income is less than 100 percent of the area median income.

(l) *Management official*. (1) The term *management official* means:

(i) A director;

(ii) An advisory or honorary director of a depository institution with total assets of \$100 million or more;

(iii) A senior executive officer as that term is defined in § 563.555 of this chapter;

(iv) A branch manager;
 (v) A trustee of a depository organization under the control of trustees; and

(vi) Any person who has a representative or nominee serving in any of the capacities in this paragraph (1)(1).

(2) The term *management official* does not include:

(i) A person whose management functions relate exclusively to the business of retail merchandising or manufacturing;

(ii) A person whose management functions relate principally to the business outside the United States of a foreign commercial bank; or

(iii) A person described in the provisos of section 202(4) of the Interlocks Act (12 U.S.C. 3201(4)) (referring to an officer of a State-chartered savings bank, cooperative bank, or trust company that neither makes real estate mortgage loans nor accepts savings).

(m) *Office* means a principal or branch office of a depository institution located in the United States. *Office* does not include a representative office of a foreign commercial bank, an electronic terminal, or a loan production office.

(n) *Person* means a natural person, corporation, or other business entity.

(o) *Relevant metropolitan statistical area (RMSA)* means an MSA, a primary MSA, or a consolidated MSA that is not comprised of designated Primary MSAs to the extent that these terms are defined and applied by the Office of Management and Budget.

(p) *Representative or nominee* means a natural person who serves as a management official and has an obligation to act on behalf of another person with respect to management responsibilities. The OTS will find that a person has an obligation to act on behalf of another person only if the first person has an agreement, express or implied, to act on behalf of the second person with respect to management responsibilities. The OTS will determine, after giving the affected persons an opportunity to respond, whether a person is a *representative or nominee*.

(q) *Savings association* means:

(1) Any Federal savings association (as defined in section 3(b)(2) of the Fed-

eral Deposit Insurance Act (12 U.S.C. 1813(b)(2));

(2) Any state savings association (as defined in section 3(b)(3) of the Federal Deposit Insurance Act (12 U.S.C. 1813(b)(3)) the deposits of which are insured by the Federal Deposit Insurance Corporation; and

(3) Any corporation (other than a bank as defined in section 3(a)(1) of the Federal Deposit Insurance Act (12 U.S.C. 1813(a)(1)) the deposits of which are insured by the Federal Deposit Insurance Corporation, that the Board of Directors of the Federal Deposit Insurance Corporation and the Director of the Office of Thrift Supervision jointly determine to be operating in substantially the same manner as a savings association.

(r) *Total assets*. (1) The term *total assets* means assets measured on a consolidated basis and reported in the most recent fiscal year-end Consolidated Report of Condition and Income.

(2) The term *total assets* does not include:

(i) Assets of a diversified savings and loan holding company as defined by section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) other than the assets of its depository institution affiliate;

(ii) Assets of a bank holding company that is exempt from the prohibitions of section 4 of the Bank Holding Company Act of 1956 pursuant to an order issued under section 4(d) of that Act (12 U.S.C. 1843(d)) other than the assets of its depository institution affiliate; or

(iii) Assets of offices of a foreign commercial bank other than the assets of its United States branch or agency.

(s) *United States* means the United States of America, any State or territory of the United States of America, the District of Columbia, Puerto Rico, Guam, American Samoa, and the Virgin Islands.

[61 FR 40308, Aug. 2, 1996, as amended at 63 FR 51275, Sept. 25, 1998]

§ 563f.3 Prohibitions.

(a) *Community*. A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository

organizations in question (or a depository institution affiliate thereof) have offices in the same community.

(b) *RMSA*. A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same RMSA and each depository organization has total assets of \$20 million or more.

(c) *Major assets*. A management official of a depository organization with total assets exceeding \$1 billion (or any affiliate thereof) may not serve at the same time as a management official of an unaffiliated depository organization with total assets exceeding \$500 million (or any affiliate thereof), regardless of the location of the two depository organizations.

§ 563f.4 Interlocking relationships permitted by statute.

The prohibitions of § 563f.3 do not apply in the case of any one or more of the following organizations or to a subsidiary thereof:

(a) A depository organization that has been placed formally in liquidation, or which is in the hands of a receiver, conservator, or other official exercising a similar function;

(b) A corporation operating under section 25 or section 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 12 U.S.C. 611 *et seq.*, respectively) (Edge Corporations and Agreement Corporations);

(c) A credit union being served by a management official of another credit union;

(d) A depository organization that does not do business within the United States except as an incident to its activities outside the United States;

(e) A State-chartered savings and loan guaranty corporation;

(f) A Federal Home Loan Bank or any other bank organized solely to serve depository institutions (a bankers' bank) or solely for the purpose of providing securities clearing services and services related thereto for depository institutions and securities companies;

(h)(1) A diversified savings and loan holding company (as defined in section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) with respect to the service of a director of such company who also is a director of an unaffiliated depository organization if:

(i) Both the diversified savings and loan holding company and the unaffiliated depository organization notify their appropriate Federal depository institutions regulatory agency at least 60 days before the dual service is proposed to begin; and

(ii) The appropriate regulatory agency does not disapprove the dual service before the end of the 60-day period.

(2) The OTS may disapprove a notice of proposed service if it finds that:

(i) The service cannot be structured or limited so as to preclude an anti-competitive effect in financial services in any part of the United States;

(ii) The service would lead to substantial conflicts of interest or unsafe or unsound practices; or

(iii) The notificant failed to furnish all the information required by the OTS.

(3) The OTS may require that any interlock permitted under this paragraph (h) be terminated if a change in circumstances occurs with respect to one of the interlocked depository organizations that would have provided a basis for disapproval of the interlock during the notice period; and

(i) Any savings association or any savings and loan holding company (as defined in section 10(a)(1)(D) of the Home Owners' Loan Act) which has issued stock in connection with a qualified stock issuance pursuant to section 10(q) of such Act, except that this paragraph (i) shall apply only with regard to service by a single management official of such savings association or holding company, or any subsidiary of such savings association or holding company, by a single management official of the savings and loan

holding company which purchased the stock issued in connection with such qualified stock issuance, and shall apply only when the OTS has determined that such service is consistent with the purposes of the Interlocks Act and the Home Owners' Loan Act.

§ 563f.5 Regulatory Standards exemption.

(a) *Criteria.* The OTS may permit an interlock that otherwise would be prohibited by the Interlocks Act and § 563f.3 if:

(1) The board of directors of the depository organization (or the organizers of a depository organization being formed) that seeks the exemption provides a resolution to the OTS certifying that the organization, after the exercise of reasonable efforts, is unable to locate any other candidate from the community or RMSA, as appropriate, who:

(i) Possesses the level of expertise required by the depository organization and who is not prohibited from service by the Interlocks Act; and

(ii) Is willing to serve as a management official; and

(2) The OTS, after reviewing an application submitted by the depository organization seeking the exemption, determines that:

(i) The management official is critical to the safe and sound operations of the affected depository organization; and

(ii) Service by the management official will not produce an anticompetitive effect with respect to the depository organization.

(b) *Presumptions.* The OTS applies the following presumptions when reviewing any application for a Regulatory Standards exemption:

(1) An interlock will not have an anticompetitive effect if it involves depository organizations that, if merged, would not cause the post-merger Herfindahl-Hirschman Index (HHI) to exceed 1800 and would not cause the HHI to increase by more than 200 points. This presumption shall not apply to depository organizations subject to the Major Assets prohibition of § 563f.3(c).

(2) A proposed management official is critical to the safe and sound operations of a depository institution if:

(i) That official is permitted by OTS to serve as a director or senior executive officer of that institution pursuant to § 563.585 of this chapter; and

(ii) The institution had operated for less than two years, was not in compliance with minimum capital requirements, or otherwise was in "troubled condition" as defined in § 563.555 of this chapter at the time the service under § 563.585 of this chapter was permitted.

(c) *Duration of interlock.* An interlock permitted under this section may continue until the OTS notifies the affected depository organizations otherwise. The OTS may require termination of any interlock permitted under this section if the OTS concludes, after giving the affected persons the opportunity to respond, that the determinations under paragraph (a)(2) of this section no longer may be made. A management official may continue serving the depository organization involved in the interlock for a period of 15 months following the date of the order to terminate the interlock, unless the order terminating the interlock provides otherwise.

[61 FR 40308, Aug. 2, 1996, as amended at 63 FR 51275, Sept. 25, 1998]

§ 563f.6 Management Consignment exemption.

(a) *Criteria.* The OTS may permit an interlock that otherwise would be prohibited by the Interlocks Act and § 563f.3 if the OTS, after reviewing an application submitted by the depository organization seeking an exemption, determines that the interlock would:

(1) Improve the provision of credit to low- and moderate-income areas;

(2) Increase the competitive position of a minority- or women-owned depository organization;

(3) Strengthen the management of a depository institution that has been chartered for less than three years at the time an application is filed under this part; or

(4) Strengthen the management of a depository institution that is in an unsafe or unsound condition as determined by the OTS on a case-by-case basis.

(b) *Presumptions.* The OTS applies the following presumptions when reviewing any application for a Management Consignment exemption:

(1) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(3) of this section if that official is permitted by the OTS to serve as a director or senior executive officer of that institution pursuant to §563.585 of this chapter and the institution had operated for less than two years at the time the service under §563.585 of this chapter was permitted; and

(2) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(4) of this section if that official is permitted by the OTS to serve as a director or senior executive officer of that institution pursuant to §563.585 of this chapter and the institution was not in compliance with minimum capital requirements or otherwise was in “troubled condition” as defined under §563.555 of this chapter at the time service under §563.585 of this chapter was permitted.

(c) *Duration of interlock.* An interlock granted under this section may continue for a period of two years from the date of approval. The OTS may extend this period for one additional two-year period if the depository organization applies for an extension at least 30 days before the current exemption expires and satisfies one of the criteria specified in paragraph (a) of this section. The provisions set forth in paragraph (b) of this section also apply to applications for extensions.

[61 FR 40308, Aug. 2, 1996, as amended at 63 FR 51275, Sept. 25, 1998]

§ 563f.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service or apply for an exemption to the Interlocks Act if a change in circumstances causes the service to become prohibited under that Act. A change in circumstances may include, but is not

limited to, an increase in asset size of an organization, a change in the delinquency of the RMSA or community, the establishment of an office, an acquisition, a merger, a consolidation, or any reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the depository organization involved in the interlock for 15 months following the date of the change in circumstances. The OTS may shorten this period under appropriate circumstances.

§ 563f.8 Enforcement.

Except as provided in this section, the OTS administers and enforces the Interlocks Act with respect to savings associations, savings and loan holding companies, and affiliates of either, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part. If an affiliate of a savings association or savings and loan holding company is subject to the primary regulation of another Federal depository organization supervisory agency, then the OTS does not administer and enforce the Interlocks Act with respect to that affiliate.

§ 563f.9 Interlocking relationships permitted pursuant to Federal Deposit Insurance Act.

A management official or prospective management official of a depository organization may enter into an otherwise prohibited interlocking relationship with another depository organization for a period of up to 10 years if such relationship is approved by the Federal Deposit Insurance Corporation pursuant to section 13(k)(1)(A)(v) of the Federal Deposit Insurance Act, as amended (12 U.S.C. 1823(k)(1)(A)(v)).

However if the last date on which a document can be accepted falls on a Saturday, Sunday, or holiday, such document may be filed on the next business day.

(7) *Issuer* means a savings association which issues or proposes to issue any security.

(8) *Offer, Sale or sell*. For purposes of this part, the term *offer, offer to sell, or offer for sale* shall include every attempt or offer to dispose of, or solicitation of an offer to buy, a security or interest in a security, for value. However, these terms shall not include preliminary negotiations or agreements between an issuer and any underwriter or among underwriters who are or are to be in privity of contract with the issuer. *Sale and sell* includes every contract to sell or otherwise dispose of a security or interest in a security for value. Every offer or sale of a warrant or right to purchase or subscribe to another security of the same or another issuer, as well as every sale or offer of a security which gives the holder a present or future right or privilege to convert the security into another security of the same or another issuer, includes an offer and sale of the other security only at the time of the offer or sale of the warrant or right or convertible security; but neither the exercise of the right to purchase or subscribe or to convert nor the issuance of securities pursuant thereto is an offer or sale.

(9) *Person* means the same as in § 563b.2(a)(27) of this chapter, and includes a savings association.

(10) *Purchase and buy* mean the same as in § 563b.2(a)(29) of this chapter.

(14) *Underwriter* means any person who has purchased from an issuer with a view to, or offers or sells for an issuer in connection with, the distribution of any security, or participates or has a participation in the direct or indirect underwriting of any such undertaking; but such term shall not include a person whose interest is limited to a commission from an underwriter or dealer not in excess of the usual and customary distributors' or sellers' commission and such term shall also not include any person who has continually held the securities being transferred for a period of two (2) consecutive years provided that the securities sold in any one (1) transaction shall be less than ten percent (10%) of the issued and outstanding securities of the same class. The following shall apply for the purpose of determining the period securities have been held:

(i) *Stock dividends, splits and recapitalizations*. Securities acquired from the issuer as a dividend or pursuant to a stock split, reverse split or recapitalization shall be deemed to have been

acquired at the same time as the securities on which the dividend or, if more than one, the initial dividend was paid, the securities involved in the split or reverse split, or the securities surrendered in connection with the recapitalization.

(ii) *Conversions*. If the securities sold were acquired from the issuer for consideration consisting solely of other securities of the same issuer surrendered for conversion, the securities so acquired shall be deemed to have been acquired at the same time as the securities surrendered for conversion.

(iii) *Contingent issuance of securities*. Securities acquired as a contingent payment of the purchase price of an equity interest in a business, or the assets of a business, sold to the issuer or an affiliate of the issuer shall be deemed to have been acquired at the time of such sale if the issuer was then committed to issue the securities subject only to conditions other than the payment of further consideration for such securities. An agreement entered into in connection with any such purchase to remain in the employment of, or not to compete with, the issuer or affiliate or the rendering of services pursuant to such agreement shall not be deemed to be the payment of further consideration for such securities.

(iv) *Pledged securities*. Securities which are *bona fide* pledged by any person other than the issuer when sold by the pledgee, or by a purchaser, after a default in the obligation secured by the pledge, shall be deemed to have been acquired when they were acquired by the pledgor, except that if the securities were pledged without recourse they shall be deemed to have been acquired by the pledgee at the time of the pledge or by the purchaser at the time of purchase.

(c) When used in the rules, regulations, or forms of the Commission referred to in this part, the term *Commission* shall be deemed to refer to the Office, the term *registrant* shall be deemed to refer to an issuer defined in this part, and the term *registration statement* or *prospectus* shall be deemed to refer to an offering circular filed under this part, unless the context otherwise requires.

[54 FR 49641, Nov. 30, 1989, as amended at 62 FR 54765, Oct. 22, 1997]

§ 563g.2 Offering circular requirement.

(a) *General.* No savings association shall offer or sell, directly or indirectly, any security issued by it unless:

(1) The offer or sale is accompanied or preceded by an offering circular which includes the information required by this part and which has been filed and declared effective pursuant to this part; or

(2) An exemption is available under this part.

(b) *Communications not deemed an offer.* The following communications shall not be deemed an offer under this section:

(1) Prior to filing an offering circular, any notice of a proposed offering which satisfies the requirements of Commission Rule 135 (17 CFR 230.135) under the Securities Act;

(2) Subsequent to filing an offering circular, any notice circular, advertisement, letter, or other communication published or transmitted to any person which satisfies the requirements of Commission Rule 134 (17 CFR 230.134) under the Securities Act; and

(3) Oral offers of securities covered by an offering circular made after filing the offering circular with the Office.

(c) *Preliminary offering circular.* Notwithstanding paragraph (a) of this section, a preliminary offering circular may be used for an offer of any security prior to the effective date of the offering circular if:

(1) The preliminary offering circular has been filed pursuant to this part;

(2) The preliminary offering circular includes the information required by this part, except for the omission of information relating to offering price, discounts or commissions, amount of proceeds, conversion rates, call prices, or other matters dependent on the offering price; and

(3) The offering circular declared effective by the Office is furnished to the purchaser prior to, or simultaneously with, the sale of any such security.

§ 563g.3 Exemptions.

The offering circular requirement of § 563g.2 of this part shall not apply to an issuer's offer or sale of securities:

(a) Complying with the requirements for retail repurchase agreements of § 563.84 of this chapter, except where the issuer has a regulatory capital deficiency under that section.

(b) Exempt from registration under either section 3(a) or section 4 of the Securities Act, but only by reason of an exemption other than section 3(a)(5) (for regulated savings associations), and section 3(a)(11) (for intrastate offerings) of the Securities Act;

(c) In a conversion from the mutual to the stock form of organization pursuant to part 563b of this chapter, except for a supervisory conversion undertaken pursuant to subpart C of part 563b of this chapter;

(d) In a non-public offering which satisfies the requirements of § 563g.4 of this part;

(e) That are debt securities issued in denominations of \$100,000 or more, which are fully collateralized by cash,

any security issued, or guaranteed as to principal and interest, by the United States, the Federal Home Loan Mortgage Corporation, Federal National Mortgage Association, Government National Mortgage Association or by interests in mortgage notes secured by real property;

(f) Distributed exclusively abroad to foreign nationals: *Provided*, That (1) the offering is made subject to safeguards reasonably designed to preclude distribution or redistribution of the securities within, or to nationals of, the United States, and (2) such safeguards include, without limitation, measures that would be sufficient to ensure that registration of the securities would not be required if the securities were not exempt under the Securities Act; or

(g) To its officers, directors or employees pursuant to an employee benefit plan or a dividend or interest reinvestment plan, and provided that any such plan has been approved by the majority of shareholders present in person or by proxy at an annual or special meeting of the shareholders of the savings association.

§ 563g.4 Non-public offering.

Offers and sales of securities by an issuer that satisfy the conditions of paragraph (a) or (b) of this section and the requirements of paragraphs (c) and (d) of this section shall be deemed to be transactions not involving any public offering within the meaning of section 4(2) of the Securities Act and §§ 563g.3(b) and 563g.3(d) of this part. However, an issuer shall not be deemed to be not in compliance with the provisions of this section solely by reason of making an untimely filing of the notice required to be filed by paragraph (c) of this section so long as the notice is actually filed and all other conditions and requirements of this section are satisfied.

(a) *Regulation D*. The offer and sale of all securities in the transaction satisfies the Commission's Regulation D (17 CFR 230.501-230.506), except for the notice requirements of Commission Rule 503 (17 CFR 230.503) and the limitations on resale in Commission Rule 502(d) (17 CFR 230.502(d)).

(b) *Sales to 35 persons*. The offer and sale of all securities in the transaction

satisfies each of the following conditions:

(1) Sales of the security are not made to more than 35 persons during the offering period, as determined under the integration provisions of Commission Rule 502(a) (17 CFR 230.502(a)). The number of purchasers referred to above is exclusive of any accredited investor, officer, director or affiliate of the issuer. For purposes of paragraph (b) of this section, a husband and wife (together with any custodian or trustee acting for the account of their minor children) are counted as one person and a partnership, corporation or other organization which was not specifically formed for the purpose of purchasing the security offered in reliance upon this exemption, is counted as one person.

(2) All purchasers either have a pre-existing personal or business relationship with the issuer or any of its officers, directors or controlling persons, or by reason of their business or financial experience or the business or financial experience of their professional advisors who are unaffiliated with and who are not compensated by the issuer or any affiliate or selling agent of the issuer, directly or indirectly, could reasonably be assumed to have the capacity to protect their own interests in connection with the transaction.

(3) Each purchaser represents that the purchaser is purchasing for the purchaser's own account (or a trust account if the purchaser is a trustee) and not with a view to or for sale in connection with any distribution of the security.

(4) The offer and sale of the security is not accomplished by the publication of any advertisement.

(c) *Filing of notice of sales*. Within 30 days after the first sale of the securities, every six months after the first sale of the securities and not later than 30 days after the last sale of securities in an offering pursuant to this section, the issuer, shall file with the Office a report describing the results of the sale of securities as required by § 563g.12(b) of this part.

(d) *Limitation on resale*. The issuer shall exercise reasonable care to assure that the purchasers of the securities

§ 563g.5

12 CFR Ch. V (1–1–99 Edition)

are not underwriters within the meaning of § 563g.1(a)(14) of this part, which reasonable care shall include, but not be limited to, the following:

(1) Reasonable inquiry to determine if the purchaser is acquiring the securities for the purchaser or for other persons;

(2) Written disclosure to each purchaser prior to the sale that the securities are not offered by an offering circular filed with, and declared effective by, the Office pursuant to § 563g.2 of this part, but instead are being sold in reliance upon the exemption from the offering circular requirement provided for by this section; and

(3) Placement of a legend on the certificate, or other document evidencing the securities, indicating that the securities have not been offered by an offering circular filed with, and declared effective by, the Office and that due care should be taken to ensure that the seller of the securities is not an underwriter within the meaning of § 563g.1(a)(14) of this part.

§ 563g.5 Filing and signature requirements.

(a) *Procedures.* An offering circular, amendment, notice, report, or other document required by this part shall, unless otherwise indicated, be filed in accordance with the requirements of § 563b.8(e)(1), (e)(3) and (e)(4), (f) through (q), and (s), of this chapter.

(b) *Number of copies.* (1) Unless otherwise required, any filing under this part shall include nine copies of the document to be filed with the OTS, as follows:

(i) Seven copies, which shall include one manually signed copy with exhibits, three conformed copies with exhibits, and three conformed copies without exhibits, to the Dissemination Branch, Records Management and Information Policy; and

(ii) Two copies, which shall include one manually signed copy with exhibits and one conformed copy, without exhibits, to the Regional Director.

(2) Within five days after the effective date of an offering circular or the commencement of a public offering after the effective date, whichever occurs later, nine copies of the offering circular used shall be filed with the

OTS, as follows: seven copies to the Dissemination Branch, Records Management and Information Policy, and two copies to the Regional Director.

(3) After the effective date of an offering circular, an offering circular which varies from the form previously filed shall not be used, unless it includes only non-material supplemental or additional information and until 10 copies have been filed with the Office in the manner required.

(c) *Signature.* (1) Any offering circular, amendment, or consent filed with the Office pursuant to this part shall include an attached manually signed signature page which authorizes the filing and has been signed by:

(i) The issuer, by its duly authorized representative;

(ii) The issuer's principal executive officer;

(iii) The issuer's principal financial officer;

(iv) The issuer's principal accounting officer; and

(v) At least a majority of the issuer's directors.

(2) Any other document filed pursuant to this part shall be signed by a person authorized to do so.

(3) At least *one copy* of every document filed pursuant to this part shall be manually signed, and every copy of a document filed shall:

(i) Have the name of each person who signs typed or printed beneath the signature;

(ii) State the capacity or capacities in which the signature is provided;

(iii) Provide the name of each director of the issuer, if a majority of directors is required to sign the document; and

(iv) With regard to any copies not manually signed, bear typed or printed signatures.

(b) If any amendment is filed prior to the effective date, the offering circular shall be deemed to have been filed when such amendment was filed.

(c) The period until automatic effectiveness under this section shall be stated at the bottom of the facing page of the Form OC or any amendment.

(d) The effectiveness will be delayed if a duly authorized amendment, telegram confirmed in writing, or letter states that the effective date is delayed until a further amendment is filed specifically stating that the offering circular will become effective in accordance with this section.

(e) An amendment filed after the effective date of the offering circular shall become effective on such date as the Office may determine.

(f) If it appears to the Office at any time that the offering circular includes any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading, then the Office may pursue any remedy it is authorized to pursue under section 5(d) of the Home Owners' Loan Act of 1933, as amended (12 U.S.C. 1464(d)) or section 8 of the Federal Deposit Insurance Act, as amended (12 U.S.C. 1818), including, but not limited to, institution of cease-and-desist proceedings.

§ 563g.7 Form, content, and accounting.

(a) *Form and content.* Any offering circular or amendment filed pursuant to this part shall:

(1) Be filed under cover of Form OC, which is under part 563b of this chapter;

(2) Comply with the requirements of Items 3 and 4 of Form OC and the requirements of all items of the form for registration (17 CFR part 239) that the issuer would be eligible to use were it required to register the securities under the Securities Act;

(3) Comply with all item requirements of the Form S-1 (17 CFR part 239) for registration under the Securities Act, if the association issuing the securities is not in compliance with the Office's regulatory capital requirements during the time the offering is made;

(4) Where a form specifies that the information required by an item in the Commission's Regulation S-K (17 CFR part 229) should be furnished, include such information and all of the information required by Item 7 of Form PS, which is under part 563b of this chapter;

(5) Include after the facing page of the Form OC a cross-reference sheet listing each item requirement of the form for registration under the Securities Act and indicate for each item the applicable heading or subheading in the offering circular under which the required information is disclosed;

(6) Include in part II of the Form OC the applicable undertakings required by the form for registration under the Securities Act;

(7) If the issuer has not previously been required to file reports pursuant to section 13(a) of the Exchange Act or § 563g.18 of this part, include in part II of Form OC the following undertaking: "The issuer hereby undertakes, in connection with any distribution of the offering circular, to have a preliminary or effective offering circular including the information required by this part distributed to all persons expected to be mailed confirmations of sale not less than 48 hours prior to the time such confirmations are expected to be mailed;"

(8) In offerings involving the issuance of options, warrants, subscription rights or conversion rights within the meaning of § 563g.1(a)(8) of this part, include in part II of Form OC an undertaking to provide a copy of the issuer's most recent audited financial statements to persons exercising such options, warrants or rights promptly upon receiving written notification of the exercise thereof;

(b) *Accounting requirements.* To be declared effective an offering circular or amendment shall satisfy the accounting requirements in subpart A of part 563c of this chapter.

§ 563g.8 Use of the offering circular.

(a) An offering circular or amendment declared effective by the Office shall not be used more than nine months after the effective date, unless the information contained therein is as of a date not more than 16 months prior to such use.

(b) An offering circular filed under § 563g.5(b)(3) of this part shall not extend the period for which an effective offering circular or amendment may be used under paragraph (c) of this section.

(c) If any event arises, or change in fact occurs, after the effective date and such event or change in fact, individually or in the aggregate, results in the offering circular containing any untrue statement of material fact, or omitting to state a material fact necessary in order to make statements made in the offering circular not misleading under the circumstances, then no offering circular, which has been declared effective under this part, shall be used until an amendment reflecting such event or change in fact has been filed with, and declared effective by, the Office.

§ 563g.9 Escrow requirement.

(a) Any funds received in an offering which is offered and sold on a best efforts all-or-none condition or with a minimum-maximum amount to be sold shall be held in an escrow or similar separate account until such time as all of the securities are sold with respect to a best efforts all-or-none offering or the stated minimum amount of securities are sold in a minimum-maximum offering.

(b) If the amount of securities required to be sold under escrow conditions in paragraph (a) of this section are not sold within the time period for the offering as disclosed in the offering

(2) Make any untrue statement of a material fact or omit to state a material fact necessary in order to make statements made, in light of the circumstances under which they were made, not misleading, or

(3) Engage in any act, practice, or course of business which operates as a fraud or deceit upon any person, in connection with the purchase or sale of any security of a savings association.

(b) When an offering circular or amendment has been on file with the Office for a period of nine months and has not become effective, the Office may, in its discretion, determine whether the filing has been abandoned, after notifying the issuer that the filing is out of date and must either be amended to comply with the applicable

Section 2 of the Depository Institutions Disaster Relief Act of 1992 (DIDRA), signed by the President on October 23, 1992, authorizes the agencies to make exceptions to statutory and regulatory requirements relating to appraisals for certain transactions.

Exceptions for Florida and Louisiana counties affected by Hurricane Andrew expire Au-

gust 23, 1995, and August 25, 1995, respectively. Exceptions for Hawaii counties affected by Hurricane Iniki expire September 11, 1995. Exceptions for Los Angeles County expire May 1, 1995.

ORDER

In accordance with section 2 of DIDRA, relief is hereby granted from the provisions of title XI of FIRREA and the agencies' appraisal regulations promulgated thereunder¹ for any real estate-related financial transaction that requires an appraisal under those provisions; provided that the transaction involves real property located in an area designated eligible for Federal assistance by the Federal Emergency Management Agency as a result of Hurricanes Andrew² or Iniki³ or of the Los Angeles civil unrest in May 1992;⁴

Provided

The real property involved was directly affected by the major disaster; or

The real property involved was not directly affected by the major disaster but the institution's records explain how the transaction would facilitate recovery from the disaster;

And further provided

There is a binding commitment to fund a transaction that is made within three years after the date the major disaster was declared by the President; and

The regulated institution retains in its files, for examiner review, appropriate documentation supporting the property's valuation.

(c) *Appraisal Subcommittee* means the Appraisal Subcommittee of the Federal Financial Institution Examination Council.

(g) *Market value* means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

(1) Buyer and seller are typically motivated;

(2) Both parties are well informed or well advised, and acting in what they consider their own best interests;

(3) A reasonable time is allowed for exposure in the open market;

(4) Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and

(j) *State certified appraiser* means any individual who has satisfied the requirements for certification in a State or territory whose criteria for certification as a real estate appraiser currently meet the minimum criteria for certification issued by the Appraiser Qualifications Board of the Appraisal Foundation. No individual shall be a State certified appraiser unless such individual has achieved a passing grade upon a suitable examination administered by a State or territory that is consistent with and equivalent to the Uniform State Certification Examination issued or endorsed by the Appraiser Qualifications Board of the National Foundation. In addition, the Appraisal Subcommittee must not have issued a finding that the policies, practices, or procedures of the State or territory are inconsistent with title XI of FIRREA. The OTS may, from time to time, impose additional qualification criteria for certified appraisers performing appraisals in connection with federally related transactions within its jurisdiction.

(k) *State licensed appraiser* means any individual who has satisfied the requirements for licensing in a State or territory where the licensing procedures comply with title XI of FIRREA and where the Appraisal Subcommittee has not issued a finding that the policies, practices, or procedures of the State or territory are inconsistent with title XI. [55 FR 34547, Aug. 23, 1990, as amended at 57 FR 12705, Apr. 13, 1992; 59 FR 29502, June 7, 1994]

§ 564.3 Appraisals required; transactions requiring a State certified or licensed appraiser.

(a) *Appraisals required.* An appraisal performed by a State certified or licensed appraiser is required for all real estate-related financial transactions except those in which:

(1) The transaction value is \$250,000 or less;

(2) A lien on real estate has been taken as collateral in an abundance of caution;

(3) The transaction is not secured by real estate;

(4) A lien on real estate has been taken for purposes other than the real estate's value;

(5) The transaction is a business loan that:

(i) Has a transaction value of \$1 million or less; and

(ii) Is not dependent on the sale of, or rental income derived from, real estate as the primary source of repayment;

(6) A lease of real estate is entered into, unless the lease is the economic equivalent of a purchase or sale of the leased real estate;

(7) The transaction involves an existing extension of credit at the lending institution, provided that:

(i) There has been no obvious and material change in market conditions or physical aspects of the property that threatens the adequacy of the institution's real estate collateral protection after the transaction, even with the advancement of new monies; or

(ii) There is no advancement of new monies, other than funds necessary to cover reasonable closing costs;

(8) The transaction involves the purchase, sale, investment in, exchange of, or extension of credit secured by, a

loan or interest in a loan, pooled loans, or interests in real property, including mortgaged-backed securities, and each loan or interest in a loan, pooled loan, or real property interest met OTS regulatory requirements for appraisals at the time of origination;

(9) The transaction is wholly or partially insured or guaranteed by a United States government agency or United States government sponsored agency;

(10) The transaction either:

(i) Qualifies for sale to a United States government agency or United States government sponsored agency; or

(ii) Involves a residential real estate transaction in which the appraisal conforms to the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation appraisal standards applicable to that category of real estate;

(11) The regulated institution is acting in a fiduciary capacity and is not required to obtain an appraisal under other law; or

(12) The OTS determines that the services of an appraiser are not necessary in order to protect Federal financial and public policy interests in real estate-related financial transactions or to protect the safety and soundness of the institution.

(b) *Evaluations required.* For a transaction that does not require the services of a State certified or licensed appraiser under paragraph (a)(1), (a)(5) or (a)(7) of this section, the institution shall obtain an appropriate evaluation of real property collateral that is consistent with safe and sound banking practices.

(c) *Appraisals to address safety and soundness concerns.* The OTS reserves the right to require an appraisal under this part whenever the agency believes it is necessary to address safety and soundness concerns.

(d) *Transactions requiring a State certified appraiser—(1) All transactions of \$1,000,000 or more.* All federally related transactions having a transaction value of \$1,000,000 or more shall require an appraisal prepared by a State certified appraiser.

(2) *Nonresidential and residential (other than 1-to-4 family) transactions of*

\$250,000 or more. All federally related transactions having a transaction value of \$250,000 or more, other than those involving appraisals of 1-to-4 family residential properties, shall require an appraisal prepared by a State certified appraiser.

(3) *Complex residential transactions of \$250,000 or more.* All complex 1-to-4 family residential property appraisals rendered in connection with federally related transactions shall require a State certified appraiser if the transaction value is \$250,000 or more. A regulated institution may presume that appraisals of 1-to-4 family residential properties are not complex, unless the institution has readily available information that a given appraisal will be complex. The regulated institution shall be responsible for making the final determination of whether the appraisal is complex. If during the course of the appraisal a licensed appraiser identifies factors that would result in the property, form of ownership, or market conditions being considered atypical, then either:

(i) The regulated institution may ask the licensed appraiser to complete the appraisal and have a certified appraiser approve and co-sign the appraisal; or

(ii) The institution may engage a certified appraiser to complete the appraisal.

(e) *Transactions requiring either a State certified or licensed appraiser.* All appraisals for federally related transactions not requiring the services of a State certified appraiser shall be prepared by either a State certified appraiser or a State licensed appraiser.

(f) *Effective date.* Savings associations are required to use State certified or licensed appraisers as set forth in this part no later than December 31, 1992.

[55 FR 34548, Aug. 23, 1990, as amended at 57 FR 12705, Apr. 13, 1992; 59 FR 29502, June 7, 1994]

§ 564.4 Minimum appraisal standards.

For federally related transactions, all appraisals shall, at a minimum:

(a) Conform to generally accepted appraisal standards as evidenced by the Uniform Standards of Professional Appraisal Practice (USPAP) promulgated by the Appraisal Standards Board of

the Appraisal Foundation, 1029 Vermont Ave., NW., Washington, DC 20005, unless principles of safe and sound banking require compliance with stricter standards;

(b) Be written and contain sufficient information and analysis to support the institution's decision to engage in the transaction;

(c) Analyze and report appropriate deductions and discounts for proposed construction or renovation, partially leased buildings, non-market lease terms, and tract developments with unsold units;

(d) Be based upon the definition of market value as set forth in this part; and

(e) Be performed by State licensed or certified appraisers in accordance with requirements set forth in this part.

[59 FR 29503, June 7, 1994]

§ 564.5 Appraiser independence.

(a) *Staff appraisers.* If an appraisal is prepared by a staff appraiser, that appraiser must be independent of the lending, investment, and collection functions and not involved, except as an appraiser, in the federally related transaction, and have no direct or indirect interest, financial or otherwise, in the property. If the only qualified persons available to perform an appraisal are involved in the lending, investment, or collection functions of the regulated institution, the regulated institution shall take appropriate steps to ensure that the appraisers exercise independent judgment and that the appraisal is adequate. Such steps include, but are not limited to, prohibiting an individual from performing an appraisal in connection with federally related transactions in which the appraiser is otherwise involved and prohibiting directors and officers from participating in any vote or approval involving assets on which they performed an appraisal.

(b) *Fee appraisers.* (1) If an appraisal is prepared by a fee appraiser, the appraiser shall be engaged directly by the regulated institution or its agent, and have no direct or indirect interest, financial or otherwise, in the property or the transaction.

(2) A regulated institution also may accept an appraisal that was prepared

by an appraiser engaged directly by another financial services institution, if:

(i) The appraiser has no direct or indirect interest, financial or otherwise, in the property or the transaction; and

(ii) The regulated institution determines that the appraisal conforms to the requirements of this part and is otherwise acceptable.

[55 FR 34549, Aug. 23, 1990, as amended at 59 FR 29503, June 7, 1994]

§ 564.6 Professional association membership; competency.

(a) *Membership in appraisal organizations.* A State certified appraiser or a State licensed appraiser may not be excluded from consideration for an assignment for a federally related transaction solely by virtue of membership or lack of membership in any particular appraisal organization.

(b) *Competency.* All staff and fee appraisers performing appraisals in connection with federally related transactions must be State certified or licensed, as appropriate. However, a State certified or licensed appraiser may not be considered competent solely by virtue of being certified or licensed. Any determination of competency shall be based upon the individual's experience and educational background as they relate to the particular appraisal assignment for which he or she is being considered.

[55 FR 34549, Aug. 23, 1990]

§ 564.7 Enforcement.

Institutions and institution-affiliated parties, including staff appraisers and fee appraisers, who violate this part may be subject to removal and/or prohibition orders, cease and desist orders, and the imposition of civil money penalties pursuant to the Federal Deposit Insurance Act, 12 U.S.C. 1811 *et seq.*, as amended, or other applicable law.

[55 FR 34549, Aug. 23, 1990]

§ 564.8 Appraisal policies and practices of savings associations and subsidiaries.

(a) *Introduction.* The soundness of a savings association's mortgage loans and real estate investments, and those of its service corporation(s), depends to a great extent upon the adequacy of

the loan underwriting used to support these transactions. An appraisal standard is one of several critical components of a sound underwriting policy because appraisal reports contain estimates of the value of collateral held or assets owned. This section sets forth the responsibilities of management to develop, implement, and maintain appraisal standards in determining compliance with the appraisal requirements of §§563.170 and 563.172 of this part.

(b) *Definition.* For purposes of this section, management means: the directors and officers of a savings association, or service corporation of such savings association, as those terms are defined in §§561.18 and 561.35 of this chapter respectively.

(c) *Responsibilities of management.* An appraisal is a critical component of the loan underwriting or real estate investment decision. Therefore, management shall develop, implement, and maintain appraisal policies to ensure that appraisals reflect professional competence and to facilitate the reporting of estimates of market value upon which savings associations may rely to make lending decisions. To achieve these results:

(1) Management shall develop written appraisal policies, subject to formal adoption by the savings association's board of directors, that it shall implement in consultation with other appropriate personnel. These policies shall ensure that adequate appraisals are obtained and proper appraisal procedures are followed consistent with the requirements of this part 564.

(2) Management shall develop and adopt guidelines and institute procedures pertaining to the hiring of appraisers to perform appraisal services for the savings association consistent with the requirements of this part 564. These guidelines shall set forth specific factors to be considered by management including, but not limited to, an appraiser's State certification or licensing, professional education, and type of experience. An appraiser's membership in professional appraisal organizations may be considered consistent with the requirements of §564.6

(3) Management shall review on an annual basis the performance of all ap-

proved appraisers used within the preceding 12-month period for compliance with (i) the savings association's appraisal policies and procedures; and (ii) the reasonableness of the value estimates reported.

(d) *Exemptions.* The requirements of §564.4(b) through (d) shall not apply with respect to appraisals on nonresidential properties prepared on form reports approved by the Office and completed in accordance with the applicable instructional booklet.

SOURCE: 57 FR 44903, Sept. 29, 1992, unless otherwise noted.

§565.1 Authority, purpose, scope, other supervisory authority, and disclosure of capital categories.

(a) *Authority.* This part is issued by the OTS pursuant to section 38 (section 38) of the Federal Deposit Insurance Act (FDI Act) as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institutions that are not adequately capitalized. The principal purpose of this part

is to define, for savings associations, the capital measures and capital levels that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This part also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant to section 38.

(c) *Scope.* This part implements the provisions of section 38 of the FDI Act as they apply to savings associations. Certain of these provisions also apply to officers, directors and employees of savings associations. Other provisions apply to any company that controls a savings association and to the affiliates of a savings association.

(d) *Other supervisory authority.* Neither section 38 nor this part in any way limits the authority of the OTS under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this part may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the OTS, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of a savings association under this part within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the OTS or otherwise required by law, no savings association may state in any advertisement or promotional material its capital category under this subpart or that the OTS or any other federal banking agency has assigned the savings association to a particular category.

§ 565.2 Definitions.

For purposes of this part, except as modified in this section or unless the context otherwise requires, the terms used in this part have the same meanings as set forth in sections 38 and 3 of the FDI Act.

(a)(1) *Control* has the same meaning assigned to it in section 2 of the Bank Holding Company Act (12 U.S.C. 1841), and the term “controlled” shall be construed consistently with the term “control.”

(2) *Exclusion for fiduciary ownership.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares in a fiduciary capacity. Shares shall not be deemed to have been acquired in a fiduciary capacity if the acquiring insured depository institution or company has sole discretionary authority to exercise voting rights with respect thereto.

(3) *Exclusion for debts previously contracted.* No insured depository institution or company controls another insured depository institution or company by virtue of its ownership or control of shares acquired in securing or collecting a debt previously contracted in good faith, until two years after the date of acquisition. The two-year period may be extended at the discretion of the appropriate federal banking agency for up to three one-year periods.

(b) *Controlling person* means any person having control of an insured depository institution and any company controlled by that person.

(c) *Leverage ratio* means the ratio of Tier 1 capital to adjusted total assets, as calculated in accordance with part 567 of this chapter.

(d) *Management fee* means any payment of money or provision of any other thing of value to a company or individual for the provision of management services or advice to the savings association or related overhead expenses, including payments related to supervisory, executive, managerial or policymaking functions, other than compensation to an individual in the individual’s capacity as an officer or employee of the savings association.

(e) *Risk-weighted assets* means total risk-weighted assets, as calculated in accordance with part 567 of this chapter.

(f) *Tangible equity* means the amount of a savings association’s core capital as computed in part 567 of this chapter

plus the amount of its outstanding cumulative perpetual preferred stock (including related surplus), minus intangible assets as defined in § 567.1 of this chapter and nonmortgage servicing assets that have not been previously deducted in calculating core capital.

(g) *Tier 1 capital* means the amount of core capital as defined in part 567 of this chapter.

(h) *Tier 1 risk-based capital ratio* means the ratio of Tier 1 capital to risk-weighted assets, as calculated in accordance with part 567 of this chapter.

(i) *Total assets*, for purposes of § 565.4(b)(5), means adjusted total assets as calculated in accordance with part 567 of this chapter, minus intangible assets as provided in the definition of tangible equity.

(j) *Total risk-based capital ratio* means the ratio of total capital to risk-weighted assets, as calculated in accordance with part 567 of this chapter.

§ 565.3 Notice of capital category.

(a) *Effective date of determination of capital category.* A savings association shall be deemed to be within a given capital category for purposes of section 38 of the FDI Act and this part as of the date the savings association is notified of, or is deemed to have notice of, its capital category, pursuant to paragraph (b) of this section.

(b) *Notice of capital category.* A savings association shall be deemed to have been notified of its capital levels and its capital category as of the most recent date:

(1) A Thrift Financial Report (TFR) is required to be filed with the OTS;

(2) A final report of examination is delivered to the savings association; or

(3) Written notice is provided by the OTS to the savings association of its capital category for purposes of section 38 of the FDI Act and this part or that the savings association's capital category has changed as provided in paragraph (c) of this section or § 565.4(c).

(c) *Adjustments to reported capital levels and category—(1) Notice of adjustment by savings association.* A savings association shall provide the OTS with

written notice that an adjustment to the savings association's capital category may have occurred no later than 15 calendar days following the date that any material event has occurred that would cause the savings association to be placed in a lower capital category from the category assigned to the savings association for purposes of section 38 and this part on the basis of the savings association's most recent TFR or report of examination.

(2) *Determination by the OTS to change capital category.* After receiving notice pursuant to paragraph (c)(1) of this section, the OTS shall determine whether to change the capital category of the savings association and shall notify the savings association of the OTS's determination.

§ 565.4 Capital measures and capital category definitions.

(a) *Capital measures.* For purposes of section 38 and this part, the relevant capital measures shall be:

(1) The total risk-based capital ratio;

(2) The Tier 1 risk-based capital ratio; and

(3) The leverage ratio.

(b) *Capital categories.* For purposes of section 38 and this part, a savings association shall be deemed to be:

(1) *Well capitalized* if the savings association:

(i) Has a total risk-based capital ratio of 10.0 percent or greater; and

(ii) Has a Tier 1 risk-based capital ratio of 6.0 percent or greater; and

(iii) Has a leverage ratio of 5.0 percent or greater; and

(iv) Is not subject to any written agreement, order, capital directive, or prompt corrective action directive issued by the OTS pursuant to section 8 of the FDI Act, the International Lending Supervision Act of 1983 (5 U.S.C. 3907), the Home Owners' Loan Act (12 U.S.C. 1464(t)(6)(A)(ii)), or section 38 of the FDI Act, or any regulation thereunder, to meet and maintain a specific capital level for any capital measure.

(2) *Adequately capitalized* if the savings association:

(i) Has a total risk-based capital ratio of 8.0 percent or greater; and

(ii) Has a Tier 1 risk-based capital ratio of 4.0 percent or greater; and

- (iii) Has:
 - (A) A leverage ratio of 4.0 percent or greater; or
 - (B) A leverage ratio of 3.0 percent or greater if the savings association is assigned a composite rating of 1, as defined in §516.3(c) of this chapter; and
- (iv) Does not meet the definition of a *well capitalized* savings association.
- (3) *Undercapitalized* if the savings association:
 - (i) Has a total risk-based capital ratio that is less than 8.0 percent; or
 - (ii) Has a Tier 1 risk-based capital ratio that is less than 4.0 percent; or
 - (iii) (A) Except as provided in paragraph (b)(3)(iii) (B) of this section, has a leverage ratio that is less than 4.0 percent; or
 - (B) Has a leverage ratio that is less than 3.0 percent if the savings association is assigned a composite rating of 1, as defined in §516.3(c) of this chapter.
- (4) *Significantly undercapitalized* if the savings association has:
 - (i) A total risk-based capital ratio that is less than 6.0 percent; or
 - (ii) A Tier 1 risk-based capital ratio that is less than 3.0 percent; or

- (5) *Critically undercapitalized* if the savings association has a ratio of tangible equity to total assets that is equal to or less than 2.0 percent.
- (c) *Reclassification based on supervisory criteria other than capital.* The OTS may reclassify a well capitalized savings association as adequately capitalized and may require an adequately capitalized or undercapitalized savings association to comply with certain mandatory or discretionary supervisory actions as if the savings association were in the next lower capital category (except that the OTS may not reclassify a significantly undercapitalized savings association as critically undercapitalized) (each of these actions are hereinafter referred to generally as "reclassifications") in the following circumstances:
 - (1) *Unsafe or unsound condition.* The OTS has determined, after notice and opportunity for hearing pursuant to §565.8(a) of this part, that the savings association is in an unsafe or unsound condition; or

(2) *Unsafe or unsound practice.* The OTS has determined, after notice and an opportunity for hearing pursuant to §565.8(a) of this part, that the savings association received a less-than-satisfactory rating for any rating category (other than in a rating category specifically addressing capital adequacy) under the Uniform Financial Institutions Rating System,¹ or an equivalent rating under a comparable rating system adopted by the OTS; and has not corrected the conditions that served as the basis for the less than satisfactory rating. Ratings under this paragraph (c)(2) refer to the most recent ratings (as determined either on-site or off-site by the most recent examination) of which the savings association has been notified in writing.

§ 565.5 Capital restoration plans.

(a) *Schedule for filing plan—*(1) *In general.* A savings association shall file a written capital restoration plan with the appropriate Regional Office within 45 days of the date that the savings association receives notice or is deemed to have notice that the savings association is undercapitalized, significantly undercapitalized, or critically undercapitalized, unless the OTS notifies the savings association in writing that the plan is to be filed within a different period. An adequately capitalized savings association that has been required pursuant to §565.4(c) to comply with supervisory actions as if the savings association were undercapitalized is not required to submit a capital restoration plan solely by virtue of the reclassification.

(2) *Additional capital restoration plans.* Notwithstanding paragraph (a)(1) of this section, a savings association that has already submitted and is operating under a capital restoration plan approved under section 38 and this part is not required to submit an additional capital restoration plan based on a revised calculation of its capital measures or a reclassification of the institution under §565.4(c) unless the OTS notifies the savings association that it

¹Copies are available at the address specified in §516.1 of this chapter.

must submit a new or revised capital plan. A savings association that is notified that it must submit a new or revised capital restoration plan shall file the plan in writing with the appropriate Regional Office within 45 days of receiving such notice, unless the OTS notifies the savings association in writing that the plan is to be filed within a different period.

(b) *Contents of plan.* All financial data submitted in connection with a capital restoration plan shall be prepared in accordance with the instructions provided on the TFR, unless the OTS instructs otherwise. The capital restoration plan shall include all of the information required to be filed under section 38(e)(2) of the FDI Act. A savings association that is required to submit a capital restoration plan as the result of a reclassification of the savings association pursuant to § 565.4(c) of this part shall include a description of the steps the savings association will take to correct the unsafe or unsound condition or practice. No plan shall be accepted unless it includes any performance guarantee described in section 38(e)(2)(C) of the FDI Act by each company that controls the savings association.

(c) *Review of capital restoration plans.* Within 60 days after receiving a capital restoration plan under this part, the OTS shall provide written notice to the savings association of whether the plan has been approved. The OTS may extend the time within which notice regarding approval of a plan shall be provided.

(d) *Disapproval of capital plan.* If a capital restoration plan is not approved by the OTS, the savings association shall submit a revised capital restoration plan, when directed to do so, within the time specified by the OTS. Upon receiving notice that its capital restoration plan has not been approved, any undercapitalized savings association (as defined in § 565.4(b)(3) of this part) shall be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized institutions. These provisions shall be applicable until such time as a new or revised capital restoration plan submitted by the savings association has been approved by the OTS.

(e) *Failure to submit a capital restoration plan.* A savings association that is undercapitalized (as defined in § 565.4(b)(3) of this part) and that fails to submit a written capital restoration plan within the period provided in this section shall, upon the expiration of that period, be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized institutions.

(f) *Failure to implement a capital restoration plan.* Any undercapitalized savings association that fails in any material respect to implement a capital restoration plan shall be subject to all of the provisions of section 38 and this part applicable to significantly undercapitalized institutions.

(g) *Amendment of capital plan.* A savings association that has filed an approved capital restoration plan may, after prior written notice to and approval by the OTS, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the savings association shall implement the capital restoration plan as approved prior to the proposed amendment.

(h) *Notice to FDIC.* Within 45 days of the effective date of OTS approval of a capital restoration plan, or any amendment to a capital restoration plan, the OTS shall provide a copy of the plan or amendment to the FDIC.

(i) *Performance guarantee by companies that control a savings association—(1) Limitation on liability—(i) Amount limitation.* The aggregate liability under the guarantee provided under section 38 and this part for all companies that control a specific savings association that is required to submit a capital restoration plan under this part shall be limited to the lesser of:

(A) An amount equal to 5.0 percent of the savings association's total assets at the time the savings association was notified or deemed to have notice that the savings association was undercapitalized; or

(B) The amount necessary to restore the relevant capital measures of the savings association to the levels required for the savings association to be classified as adequately capitalized, as those capital measures and levels are

defined at the time that the savings association initially fails to comply with a capital restoration plan under this part.

(ii) *Limit on duration.* The guarantee and limit of liability under section 38 and this part shall expire after the OTS notifies the savings association that it has remained adequately capitalized for each of four consecutive calendar quarters. The expiration or fulfillment by a company of a guarantee of a capital restoration plan shall not limit the liability of the company under any guarantee required or provided in connection with any capital restoration plan filed by the same savings association after expiration of the first guarantee.

(iii) *Collection on guarantee.* Each company that controls a given savings association shall be jointly and severally liable for the guarantee for such savings association as required under section 38 and this part, and the OTS may require and collect payment of the full amount of that guarantee from any or all of the companies issuing the guarantee.

(2) *Failure to provide guarantee.* In the event that a savings association that is controlled by any company submits a capital restoration plan that does not contain the guarantee required under section 38(e)(2) of the FDI Act, the savings association shall, upon submission of the plan, be subject to the provisions of section 38 and this part that are applicable to savings associations that have not submitted an acceptable capital restoration plan.

(3) *Failure to perform guarantee.* Failure by any company that controls a savings association to perform fully its guarantee of any capital plan shall constitute a material failure to implement the plan for purposes of section 38(f) of the FDI Act. Upon such failure, the savings association shall be subject to the provisions of section 38 and this part that are applicable to savings associations that have failed in a material respect to implement a capital restoration plan.

§ 565.6 Mandatory and discretionary supervisory actions under section 38.

(a) *Mandatory supervisory actions—(1) Provisions applicable to all savings associations.* All savings associations are subject to the restrictions contained in section 38(d) of the FDI Act on payment of capital distributions and management fees.

(2) *Provisions applicable to undercapitalized, significantly undercapitalized, and critically undercapitalized savings associations.* Immediately upon receiving notice or being deemed to have notice, as provided in § 565.3 or § 565.5 of this part, that the savings association is undercapitalized, significantly undercapitalized, or critically undercapitalized, the savings association shall become subject to the provisions of section 38 of the FDI Act:

(i) Restricting payment of capital distributions and management fees (section 38(d));

(ii) Requiring that the OTS monitor the condition of the savings association (section 38(e)(1));

(iii) Requiring submission of a capital restoration plan within the schedule established in this part (section 38(e)(2));

(iv) Restricting the growth of the savings association's assets (section 38(e)(3)); and

(v) Requiring prior approval of certain expansion proposals (section 38(e)(4)).

(3) *Additional provisions applicable to significantly undercapitalized, and critically undercapitalized savings associations.* In addition to the provisions of section 38 of the FDI Act described in paragraph (a)(2) of this section, immediately upon receiving notice or being deemed to have notice, as provided in § 565.3 or § 565.5 of this part, that the savings association is significantly undercapitalized, or critically undercapitalized, or that the savings association is subject to the provisions applicable to institutions that are significantly undercapitalized because the savings association failed to submit or implement in any material respect an acceptable capital restoration plan, the

savings association shall become subject to the provisions of section 38 of the FDI Act that restrict compensation paid to senior executive officers of the institution (section 38(f)(4)).

(4) *Additional provisions applicable to critically undercapitalized savings associations.* In addition to the provisions of section 38 of the FDI Act described in paragraphs (a)(2) and (a)(3) of this section, immediately upon receiving notice or being deemed to have notice, as provided in § 565.3 of this part, that the savings association is critically undercapitalized, the savings association shall become subject to the provisions of section 38 of the FDI Act:

(i) Restricting the activities of the savings association (section 38(h)(1)); and

(ii) Restricting payments on subordinated debt of the savings association (section 38(h)(2)).

(b) *Discretionary supervisory actions.* In taking any action under section 38 that is within the OTS's discretion to take in connection with: A savings association that is deemed to be undercapitalized, significantly undercapitalized, or critically undercapitalized; or has been reclassified as undercapitalized, or significantly undercapitalized; an officer or director of such savings association; or a company that controls such savings association, the OTS shall follow the procedures for issuing directives under §§ 565.7 and 565.9 of this part unless otherwise provided in section 38 or this part.

§ 565.7 Directives to take prompt corrective action.

(a) *Notice of intent to issue a directive—*

(1) *In general.* The OTS shall provide an undercapitalized, significantly undercapitalized, or critically undercapitalized savings association or, where appropriate, any company that controls the savings association, prior written notice of the OTS's intention to issue a directive requiring such savings association or company to take actions or to follow proscriptions described in section 38 that are within the OTS's discretion to require or impose under section 38 of the FDI Act, including sections 38(e)(5), (f)(2), (f)(3), or (f)(5). The savings association shall have such time to respond to a proposed directive

as provided by the OTS under paragraph (c) of this section.

(2) *Immediate issuance of final directive.* If the OTS finds it necessary in order to carry out the purposes of section 38 of the FDI Act, the OTS may, without providing the notice prescribed in paragraph (a)(1) of this section, issue a directive requiring a savings association or any company that controls a savings association immediately to take actions or to follow proscriptions described in section 38 that are within the OTS's discretion to require or impose under section 38 of the FDI Act, including section 38(e)(5), (f)(2), (f)(3), or (f)(5). A savings association or company that is subject to such an immediately effective directive may submit a written appeal of the directive to the OTS. Such an appeal must be received by the OTS within 14 calendar days of the issuance of the directive, unless the OTS permits a longer period. The OTS shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the directive shall remain in effect unless the OTS, in its sole discretion, stays the effectiveness of the directive.

(b) *Contents of notice.* A notice of intention to issue a directive shall include:

(1) A statement of the savings association's capital measures and capital levels;

(2) A description of the restrictions, prohibitions or affirmative actions that the OTS proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of such affirmative actions; and

(4) The date by which the savings association or company subject to the directive may file with the OTS a written response to the notice.

(c) *Response to notice—(1) Time for response.* A savings association or company may file a written response to a notice of intent to issue a directive within the time period set by the OTS. The date shall be at least 14 calendar days from the date of the notice unless

the OTS determines that a shorter period is appropriate in light of the financial condition of the savings association or other relevant circumstances.

(2) *Content of response.* The response should include:

(i) An explanation why the action proposed by the OTS is not an appropriate exercise of discretion under section 38;

(ii) Any recommended modification of the proposed directive; and

(iii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the savings association or company regarding the proposed directive.

(d) *OTS consideration of response.* After considering the response, the OTS may:

(1) Issue the directive as proposed or in modified form;

(2) Determine not to issue the directive and so notify the savings association or company; or

(3) Seek additional information or clarification of the response from the savings association or company, or any other relevant source.

(e) *Failure to file response.* Failure by a savings association or company to file with the OTS, within the specified time period, a written response to a proposed directive shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the directive.

(f) *Request for modification or rescission of directive.* Any savings association or company that is subject to a directive under this part may, upon a change in circumstances, request in writing that the OTS reconsider the terms of the directive, and may propose that the directive be rescinded or modified. Unless otherwise ordered by the OTS, the directive shall continue in place while such request is pending before the OTS.

§ 565.8 Procedures for reclassifying a savings association based on criteria other than capital.

(a) *Reclassification based on unsafe or unsound condition or practice—(1) Issuance of notice of proposed reclassification—(i) Grounds for reclassification.* (A) Pursuant to § 565.4(c) of this part, the OTS may reclassify a well capital-

ized savings association as adequately capitalized or subject an adequately capitalized or undercapitalized institution to the supervisory actions applicable to the next lower capital category if:

(1) The OTS determines that the savings association is in unsafe or unsound condition; or

(2) The OTS deems the savings association to be engaged in an unsafe or unsound practice and not to have corrected the deficiency.

(B) Any action pursuant to this paragraph (a)(1)(i) shall hereinafter be referred to as “reclassification.”

(ii) *Prior notice to institution.* Prior to taking action pursuant to § 565.4(c)(1), the OTS shall issue and serve on the savings association a written notice of the OTS’s intention to reclassify the savings association.

(2) *Contents of notice.* A notice of intention to reclassify a savings association based on unsafe or unsound condition shall include:

(i) A statement of the savings association’s capital measures and capital levels and the category to which the savings association would be reclassified;

(ii) The reasons for reclassification of the savings association;

(iii) The date by which the savings association subject to the notice of reclassification may file with the OTS a written appeal of the proposed reclassification and a request for a hearing, which shall be at least 14 calendar days from the date of service of the notice unless the OTS determines that a shorter period is appropriate in light of the financial condition of the savings association or other relevant circumstances.

(3) *Response to notice of proposed reclassification.* A savings association may file a written response to a notice of proposed reclassification within the time period set by the OTS. The response should include:

(i) An explanation of why the savings association is not in unsafe or unsound condition or otherwise should not be reclassified; and

(ii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the savings association

or company regarding the reclassification.

(4) *Failure to file response.* Failure by a savings association to file, within the specified time period, a written response with the OTS to a notice of proposed reclassification shall constitute a waiver of the opportunity to respond and shall constitute consent to the reclassification.

(5) *Request for hearing and presentation of oral testimony or witnesses.* The response may include a request for an informal hearing before the OTS or its designee under this section. If the savings association desires to present oral testimony or witnesses at the hearing, the savings association shall include a request to do so with the request for an informal hearing. A request to present oral testimony or witnesses shall specify the names of the witnesses and the general nature of their expected testimony. Failure to request a hearing shall constitute a waiver of any right to a hearing, and failure to request the opportunity to present oral testimony or witnesses shall constitute a waiver of any right to present oral testimony or witnesses.

(6) *Order for informal hearing.* Upon receipt of a timely written request that includes a request for a hearing, the OTS shall issue an order directing an informal hearing to commence no later than 30 days after receipt of the request, unless the OTS allows further time at the request of the savings association. The hearing shall be held in Washington, DC or at such other place as may be designated by the OTS, before a presiding officer(s) designated by the OTS to conduct the hearing.

(7) *Hearing procedures.* (i) The savings association shall have the right to introduce relevant written materials and to present oral argument at the hearing. The savings association may introduce oral testimony and present witnesses only if expressly authorized by the OTS or the presiding officer(s). Neither the provisions of the Administrative Procedure Act (5 U.S.C. 554–557) governing adjudications required by statute to be determined on the record nor part 509 of this chapter apply to an informal hearing under this section unless the OTS orders that such procedures shall apply.

(ii) The informal hearing shall be recorded and a transcript furnished to the savings association upon request and payment of the cost thereof. Witnesses need not be sworn, unless specifically requested by a party or the presiding officer(s). The presiding officer(s) may ask questions of any witness.

(iii) The presiding officer(s) may order that the hearing be continued for a reasonable period (normally five business days) following completion of oral testimony or argument to allow additional written submissions to the hearing record.

(8) *Recommendation of presiding officers.* Within 20 calendar days following the date the hearing and the record on the proceeding are closed, the presiding officer(s) shall make a recommendation to the OTS on the reclassification.

(9) *Time for decision.* Not later than 60 calendar days after the date the record is closed or the date of the response in a case where no hearing was requested, the OTS will decide whether to reclassify the savings association and notify the savings association of the OTS's decision.

(b) *Request for rescission of reclassification.* Any savings association that has been reclassified under this section, may, upon a change in circumstances, request in writing that the OTS reconsider the reclassification, and may propose that the reclassification be rescinded and that any directives issued in connection with the reclassification be modified, rescinded, or removed. Unless otherwise ordered by the OTS, the savings association shall remain subject to the reclassification and to any directives issued in connection with that reclassification while such request is pending before the OTS.

§ 565.9 Order to dismiss a director or senior executive officer.

(a) *Service of notice.* When the OTS issues and serves a directive on a savings association pursuant to section 565.7 requiring the savings association to dismiss any director or senior executive officer under section 38(f)(2)(F)(ii) of the FDI Act, the OTS shall also serve a copy of the directive, or the relevant portions of the directive where

appropriate, upon the person to be dismissed.

(b) *Response to directive*—(1) *Request for reinstatement.* A director or senior executive officer who has been served with a directive under paragraph (a) of this section (Respondent) may file a written request for reinstatement. The request for reinstatement shall be filed within 10 calendar days of the receipt of the directive by the Respondent, unless further time is allowed by the OTS at the request of the Respondent.

(2) *Contents of request; informal hearing.* The request for reinstatement should include reasons why the Respondent should be reinstated, and may include a request for an informal hearing before the OTS or its designee under this section. If the Respondent desires to present oral testimony or witnesses at the hearing, the Respondent shall include a request to do so with the request for an informal hearing. The request to present oral testimony or witnesses shall specify the names of the witnesses and the general nature of their expected testimony. Failure to request a hearing shall constitute a waiver of any right to a hearing and failure to request the opportunity to present oral testimony or witnesses shall constitute a waiver of any right or opportunity to present oral testimony or witnesses.

(3) *Effective date.* Unless otherwise ordered by the OTS, the dismissal shall remain in effect while a request for reinstatement is pending.

(c) *Order for informal hearing.* Upon receipt of a timely written request from a Respondent for an informal hearing on the portion of a directive requiring a savings association to dismiss from office any director or senior executive officer, the OTS shall issue an order directing an informal hearing to commence no later than 30 days after receipt of the request, unless the Respondent requests a later date. The hearing shall be held in Washington, DC, or at such other place as may be designated by the OTS, before a presiding officer(s) designated by the OTS to conduct the hearing.

(d) *Hearing procedures.* (1) A Respondent may appear at the hearing personally or through counsel. A Respondent shall have the right to introduce rel-

evant written materials and to present oral argument. A Respondent may introduce oral testimony and present witnesses only if expressly authorized by the OTS or the presiding officer(s). Neither the provisions of the Administrative Procedure Act governing adjudications required by statute to be determined on the record nor part 509 of this chapter apply to an informal hearing under this section unless the OTS orders that such procedures shall apply.

(2) The informal hearing shall be recorded and a transcript furnished to the Respondent upon request and payment of the cost thereof. Witnesses need not be sworn, unless specifically requested by a party or the presiding officer(s). The presiding officer(s) may ask questions of any witness.

(3) The presiding officer(s) may order that the hearing be continued for a reasonable period (normally five business days) following completion of oral testimony or argument to allow additional written submissions to the hearing record.

(e) *Standard for review.* A Respondent shall bear the burden of demonstrating that his or her continued employment by or service with the savings association would materially strengthen the savings association's ability:

(1) To become adequately capitalized, to the extent that the directive was issued as a result of the savings association's capital level or failure to submit or implement a capital restoration plan; and

(2) To correct the unsafe or unsound condition or unsafe or unsound practice, to the extent that the directive was issued as a result of classification of the savings association based on supervisory criteria other than capital, pursuant to section 38(g) of the FDI Act.

(f) *Recommendation of presiding officers.* Within 20 calendar days following the date the hearing and the record on the proceeding are closed, the presiding officer(s) shall make a recommendation to the OTS concerning the Respondent's request for reinstatement with the savings association.

(g) *Time for decision.* Not later than 60 calendar days after the date the record is closed or the date of the response in

§ 565.10

a case where no hearing has been requested, the OTS shall grant or deny the request for reinstatement and notify the Respondent of the OTS's decision. If the OTS denies the request for reinstatement, the OTS shall set forth in the notification the reasons for the OTS's action.

[57 FR 44903, Sept. 29, 1992, as amended at 60 FR 66719, Dec. 26, 1995]

§ 565.10 Enforcement of directives.

(a) *Judicial remedies.* Whenever a savings association or company that controls a savings association fails to comply with a directive issued under section 38, the OTS may seek enforcement of the directive in the appropriate United States district court pursuant to section 8(i)(1) of the FDI Act.

(b) *Administrative remedies—(1) Failure to comply with directive.* Pursuant to section 8(i)(2)(A) of the FDI Act, the OTS may assess a civil money penalty against any savings association or company that controls a savings association that violates or otherwise fails to comply with any final directive issued under section 38 and against any institution-affiliated party who participates in such violation or non-compliance.

(2) *Failure to implement capital restoration plan.* The failure of a savings association to implement a capital restoration plan required under section 38, or this part, or the failure of a company having control of a savings association to fulfill a guarantee of a capital restoration plan made pursuant to section 38(e)(2) of the FDI Act shall subject the savings association or company to the assessment of civil money penalties pursuant to section 8(i)(2)(A) of the FDI Act.

(c) *Other enforcement action.* In addition to the actions described in paragraphs (a) and (b) of this section, the OTS may seek enforcement of the provisions of section 38 or this part through any other judicial or administrative proceeding authorized by law.

that has the power to accept demand deposits. In the United States, this definition encompasses all federally insured offices of commercial banks, mutual and stock savings banks, savings or building and loan associations (stock and mutual), cooperative banks, credit unions, and international banking facilities of domestic depository institutions. Bank holding companies and savings and loan holding companies are excluded from this definition. Claims on branches and agencies of foreign banks located in the United States are to be categorized on the basis of the parent bank's country of incorporation.

Direct credit substitutes. The term *direct credit substitutes* means any irrevocable obligation or portion thereof in which a savings association has essentially the same credit risk as if it had made a direct loan to the obligor or account party. These assets include, but are not limited to, goodwill, core deposit premiums, purchased credit card relationships, and favorable leaseholds. Servicing assets are not intangible assets, and interest-only strips receivable and other nonsecurity financial instruments are not intangible assets under this definition.

Interest-rate contracts. The term *interest-rate contracts* includes single currency interest-rate swaps; basis swaps; forward rate agreements; interest-rate options purchased; forward forward deposits accepted; and any other instrument that, in the opinion of the Office, may give rise to similar risks, including when-issued securities.

(i) The commitment is not subject to extension or renewal and will actually expire on its stated expiration date; or

(ii) If the commitment is subject to extension or renewal beyond its stated expiration date, the stated expiration date will be deemed the original maturity only if the extension or renewal must be based upon terms and conditions independently negotiated in good faith with the customer at the time of the extension or renewal and upon a new, *bona fide* credit analysis utilizing current information on financial condition and trends.

Perpetual preferred stock. The term *perpetual preferred stock* means preferred stock without a fixed maturity date that cannot be redeemed at the option of the holder, and that has no other provisions that will require future redemption of the issue. For purposes of these instruments, preferred stock that can be redeemed at the option of the holder is deemed to have an "original maturity" of the earliest possible date on which it may be so redeemed. Cumulative perpetual preferred stock is preferred stock where

the dividends accumulate from one period to the next. Noncumulative perpetual preferred stock is preferred stock where the unpaid dividends are not carried over to subsequent dividend periods.

Nonqualifying mortgage loans that are subsequently paid down to a loan-to-value ratio of less than 80 percent (calculated using value at origination) may become qualifying loans if they meet all other requirements for qualifying mortgages. Loans to individual borrowers for the construction of their own homes may be included as qualifying mortgage loans.

Qualifying multifamily mortgage loan. (1) The term *qualifying multifamily mortgage loan* means a loan secured by a first lien on multifamily residential

(vii) If the interest rate on the loan changes over the term of the loan:

(A) The current loan balance amount does not exceed 75 percent of the value of the property securing the loan; and

(B) For the property's most recent fiscal year, the ratio of annual net operating income generated by the property (before payment of any debt service on the loan) to annual debt service on the loan is not less than 115 percent, or in the case of cooperative or other not-for-profit housing projects, the property generates sufficient cash flows to provide comparable protection to the institution.

(2) The term *qualifying multifamily mortgage loan* also includes a multifamily mortgage loan that on March 18, 1994 was a first mortgage loan on an existing property consisting of 5-36 dwelling units with an initial loan-to-value ratio of not more than 80% where an

average annual occupancy rate of 80% or more of total units had existed for at least one year, and continues to meet these criteria.

(3) For purposes of paragraphs (1) (vi) and (vii) of this definition, the term *value of the property* means, at origination of a loan to purchase a multifamily property: the lower of the purchase price or the amount of the initial appraisal, or if appropriate, the initial evaluation. In cases not involving the purchase of a multifamily loan, the *value of the property* is determined by the most current appraisal, or if appropriate, the most current evaluation.

(4) In cases where a borrower refinances a loan on an existing property, as an alternative to paragraphs (1) (iii), (vi), and (vii) of this definition:

(i) All principal and interest payments on the loan being refinanced have been made on a timely basis in accordance with the terms of that loan for the preceding year; and

(ii) The residence being constructed must be a 1–4 family residence pre-sold to a home purchaser;

(iii) The lending thrift, prior to the making of the qualifying residential construction loan, must obtain sufficient documentation from a permanent lender (which may be the construction lender) demonstrating that:

(A) The home buyer intends to purchase the residence; and

(B) Has the ability to obtain a permanent qualifying mortgage loan sufficient to purchase the residence;

(iv) The home purchaser must have made a substantial earnest money deposit;

(v) The construction loan must not exceed 80 percent of the sales price of the residence;

(vi) The construction loan must be secured by a first lien on the lot, residence under construction, and other improvements;

(vii) The lending thrift must retain sufficient undisbursed loan funds throughout the construction period to ensure project completion;

(viii) The builder must incur a significant percentage of direct costs (*i.e.*, the actual costs of land, labor, and material) before any drawdown on the loan;

(ix) If at any time during the life of the construction loan any of the criteria of this rule are no longer satisfied, the association must immediately recategorize the loan at a 100 percent risk-weight and must accurately report the loan in the association's next quarterly Thrift Financial Report;

(x) The home purchaser must intend that the home will be owner-occupied;

(xi) The home purchaser(s) must be an individual(s), not a partnership, joint venture, trust corporation, or any other entity (including an entity acting as a sole proprietorship) that is purchasing the home(s) for speculative purposes; and

(xii) The loan must be performing and not more than 90 days past due.

(2) The documentation for each loan and home sale must be sufficient to demonstrate compliance with the criteria in paragraph (1) of this definition. The OTS retains the discretion to determine that any loans not meeting sound lending principles must be placed in a higher risk-weight category. The OTS also reserves the discretion to modify these criteria on a case-by-case basis provided that any such modifications are not inconsistent with the safety and soundness objectives of this definition.

Qualifying supervisory goodwill. The term *qualifying supervisory goodwill* means, for eligible savings associations:

(1) Any unamortized goodwill (FSLIC Capital Contributions, as reported in the September 30, 1989 Thrift Financial Report) that existed on April 12, 1989

resulting from prior regulatory accounting practices less any amortization that would have occurred subsequent to April 12, 1989 through the current reporting period where the amortization is calculated on a straight line basis over the shorter of 20 years, or the remaining period for amortization in effect on April 12, 1989 for regulatory accounting practices; plus

(2) The lesser of:

(i) Supervisory goodwill as defined in this section that is included in goodwill that is reflected in the current reporting period under generally accepted accounting principles ("GAAP"); or

(ii)(A) Supervisory goodwill as defined in this section that is included in goodwill that is reflected in the current reporting period under GAAP;

(B) Plus any amortization of the goodwill in paragraph (2)(ii)(A) of this definition that occurred subsequent to April 12, 1989 for GAAP reporting purposes;

(C) Minus the amortization of the goodwill in paragraph (2)(ii)(A) of this definition through the current reporting period that results when the goodwill is amortized subsequent to April 12, 1989 on a straightline basis over the shorter of—

(1) 20 years; or

(2) The remaining period for amortization in effect on April 12, 1989 under regulatory accounting practices.

Reciprocal holdings of depository institution instruments. The term *reciprocal holdings of depository institution instruments* means cross-holdings or other formal or informal arrangements in which two or more depository institutions swap, exchange, or otherwise agree to hold each other's capital instruments. This definition does not include holdings of capital instruments issued by other depository institutions that were taken in satisfaction of debts previously contracted, provided that the reporting savings association has not held such instruments for more than five years or a longer period approved by the Office.

Recourse. The term *recourse* means the acceptance, assumption, or retention of some or all of the risk of loss generally associated with ownership of an asset. It is not necessarily a function of ownership or prior ownership of

an asset, nor does it arise only as an incident of an asset sale.

Replacement cost. The term *replacement cost* means, with respect to interest rate and exchange-rate contracts, the loss that would be incurred in the event of a counterparty default, as measured by the net cost of replacing the contract at the current market value. If default would result in a theoretical profit, the replacement value is considered to be zero. This mark-to-market process must incorporate changes in both interest rates and counterparty credit quality.

Residential properties. The term *residential properties* means houses, condominiums, cooperative units, and manufactured homes. This definition does not include boats or motor homes, even if used as a primary residence, or timeshare properties.

Residual characteristics. The term *residual characteristics* means interests similar to a multi-class pay-through obligation representing the excess cash flow generated from mortgage collateral over the amount required for the issue's debt service and ongoing administrative expenses or interests presenting similar degrees of interest-rate/prepayment risk and principal loss risks.

Risk-weighted assets. The term *risk-weighted assets* means the sum total of risk-weighted on-balance sheet assets and the total of risk-weighted off-balance sheet credit equivalent amounts. These assets are calculated in accordance with § 567.6 of this part.

State. The term *State* means any one of the several states of the United States of America, the District of Columbia, Puerto Rico, and the territories and possessions of the United States.

Subsidiary. The term *subsidiary* means any corporation, partnership, business trust, joint venture, association or similar organization in which a savings association directly or indirectly holds an ownership interest and the assets of which are consolidated with those of the savings association for purposes of reporting under Generally Accepted

Accounting Principles (GAAP). Generally, these are majority-owned subsidiaries.¹ This definition does not include ownership interests that were taken in satisfaction of debts previously contracted, provided that the reporting association has not held the interest for more than five years or a longer period approved by the OTS.

Supervisory goodwill. The term *supervisory goodwill* means goodwill² resulting from the acquisition, merger, consolidation, purchase of assets, or other business combination (if such transaction occurred on or before April 12, 1989) of

(1) A savings association where the fair market value of assets was less than the fair market value of liabilities at the acquisition date; or

(2) A problem institution.

Total assets. The term *total assets* means total assets as would be required to be reported for consolidated entities on period-end reports filed with the Office in accordance with generally accepted accounting principles.

Unconditionally cancelable. The term *unconditionally cancelable* means, with respect to a commitment-type lending arrangement, that the savings association may, at any time, with or without cause, refuse to advance funds or extend credit under the facility. In the case of home equity lines of credit, the savings association is deemed able to unconditionally cancel the commitment if it can, at its option, prohibit additional extensions of credit, reduce the line, and terminate the commitment to the full extent permitted by relevant Federal law.

United States Government or its agencies. The term *United States Government or its agencies* means an instrumentality of the U.S. Government whose debt

obligations are fully and explicitly guaranteed as to the timely payment of principal and interest by the full faith and credit of the United States Government.

United States Government-sponsored agency or corporation. The term *United States Government-sponsored agency or corporation* means an agency or corporation originally established or chartered to serve public purposes specified by the United States Congress but whose obligations are not explicitly guaranteed by the full faith and credit of the United States Government.

§ 567.2 Minimum regulatory capital requirement.

(a) To meet its regulatory capital requirement a savings association must satisfy each of the following capital standards:

(1) *Risk-based capital requirement.* (i) A savings association's minimum risk-based capital requirement shall be an amount equal to 8% of its risk-weighted assets as measured pursuant to § 567.6(a) of this part.

(ii) A savings association may not use supplementary capital to satisfy this requirement in an amount greater than 100% of its core capital as defined in § 567.5 of this part.

(2) *Leverage ratio requirement.* (i) A savings association's minimum leverage ratio requirement shall be the amount set forth in § 567.8 of this part.

(ii) A savings association must satisfy this requirement with core capital as defined in § 567.5 of this part in an amount not less than 3% of its adjusted total assets.

(3) *Tangible capital requirement.* (i) A savings association's minimum tangible capital requirement shall be the amount set forth in § 567.9 of this part.

(ii) A savings association must satisfy this requirement with tangible capital as defined in § 567.9 of this part in an amount not less than 1.5% of its adjusted total assets.

(b) [Reserved]

¹The OTS reserves the right to review a savings association's investment in a subsidiary on a case-by-case basis. If the OTS determines that such investment is more appropriately treated as an equity security or an ownership interest in a subsidiary, it will make such determination regardless of the percentage of ownership held by the savings association.

²Goodwill that has been written off of an association's balance sheet for its GAAP financial statements or Thrift Financial Report cannot be counted as supervisory goodwill.

(c) Savings associations are expected to maintain compliance with all of these standards at all times.

[54 FR 49649, Nov. 30, 1989, as amended at 57 FR 33440, July 29, 1992; 58 FR 45813, Aug. 31, 1993; 62 FR 66263, Dec. 18, 1997]

§ 567.3 Individual minimum capital requirements.

(a) *Purpose and scope.* The rules and procedures specified in this section apply to the establishment of an individual minimum capital requirement for a savings association that varies from the requirement that would otherwise apply to the savings association under § 567.2 of this part. Pursuant to 12 U.S.C. 1464(s), the OTS may establish such individual minimum capital requirements for savings associations as it deems necessary or appropriate on a case-by-case basis in light of the particular circumstances of each savings association.

(2) Upon adoption and satisfactory implementation of such guidelines under the oversight of the Office, the Office may delegate, in all or in part, exclusively to the District Directors the authority to set individual minimum capital requirements in conformance with the guidelines without the requirement for case-by-case concurrence by the Deputy Director for Regional Operations and the Office subsequently may terminate such delegation. Under such delegation, a District Director's decision would constitute final agency action. After such delegation, the Deputy Director for Washington Operations under the Office's oversight would retain control over the guidelines for District Director action and would oversee implementation of and compliance with the guidelines. The Deputy Director for Regional Operations would continue to be notified of individual minimum capital requirements set by the District Directors.

(b) *Appropriate considerations for establishing individual minimum capital requirements.* Minimum capital levels higher than those required under § 567.2 may be appropriate for individual savings associations. Increased individual minimum capital requirements may be established upon a determination that the savings association's capital is or may become inadequate in view of its

circumstances. For example, higher capital levels may be appropriate for:

(1) A savings association receiving special supervisory attention;

(2) A savings association that has or is expected to have losses resulting in capital inadequacy;

(3) A savings association that has a high degree of exposure to interest rate risk, prepayment risk, credit risk, concentration of credit risk, certain risks arising from nontraditional activities, or similar risks; or a high proportion of off-balance sheet risk, especially standby letters of credit;

(4) A savings association that has poor liquidity or cash flow;

(5) A savings association growing, either internally or through acquisitions, at such a rate that supervisory problems are presented that are not dealt with adequately by other Office regulations or other guidance;

(6) A savings association that may be adversely affected by the activities or condition of its holding company, affiliate(s), subsidiaries, or other persons or savings associations with which it has significant business relationships, including concentrations of credit;

(7) A savings association with a portfolio reflecting weak credit quality or a significant likelihood of financial loss, or that has loans in nonperforming status or on which borrowers fail to comply with repayment terms;

(8) A savings association that has inadequate underwriting policies, standards, or procedures for its loans and investments; or

(9) A savings association that has a record of operational losses that exceeds the average of other, similarly situated savings associations; has management deficiencies, including failure to adequately monitor and control financial and operating risks, particularly the risks presented by concentrations of credit and nontraditional activities; or has a poor record of supervisory compliance.

(c) *Standards for determination of appropriate individual minimum capital requirements.* The appropriate minimum capital level for an individual savings association cannot be determined solely through the application of a rigid

mathematical formula or wholly objective criteria. The decision is necessarily based, in part, on subjective judgment grounded in agency expertise. The factors to be considered in the determination will vary in each case and may include, for example:

(1) The conditions or circumstances leading to the determination that a higher minimum capital requirement is appropriate or necessary for the savings association;

(2) The exigency of those circumstances or potential problems;

(3) The overall condition, management strength, and future prospects of the savings association and, if applicable, its holding company, subsidiaries, and affiliates;

(4) The savings association's liquidity, capital and other indicators of financial stability, particularly as compared with those of similarly situated savings associations; and

(5) The policies and practices of the savings association's directors, officers, and senior management as well as the internal control and internal audit systems for implementation of such adopted policies and practices.

(d) *Procedures*—(1) *Notification*. When the OTS determines that a minimum capital requirement different from that set forth in § 567.2 of this part is necessary or appropriate for a particular savings association, it shall notify the savings association in writing of its proposed individual minimum capital requirement; the schedule for compliance with the new requirement; and the specific causes for determining that the higher individual minimum capital requirement is necessary or appropriate for the savings association. The OTS shall forward the notifying letter to the appropriate state supervisor if a state-chartered savings association would be subject to an individual minimum capital requirement.

(2) *Response*. (i) The response shall include any information that the savings association wants the OTS to consider in deciding whether to establish or to amend an individual minimum capital requirement for the savings association, what the individual capital requirement should be, and, if applicable, what compliance schedule is appropriate for achieving the required cap-

ital level. The responses of the savings association and appropriate state supervisor must be in writing and must be delivered to the OTS within 30 days after the date on which the notification was received. Such response should be filed in accordance with § 516.1(c) of this chapter. The OTS may extend the time period for good cause. The time period for response by the insured savings association may be shortened for good cause:

(A) When, in the opinion of the OTS, the condition of the savings association so requires, and the OTS informs the savings association of the shortened response period in the notice;

(B) With the consent of the savings association; or

(C) When the savings association already has advised the OTS that it cannot or will not achieve its applicable minimum capital requirement.

(ii) Failure to respond within 30 days, or such other time period as may be specified by the OTS, may constitute a waiver of any objections to the proposed individual minimum capital requirement or to the schedule for complying with it, unless the OTS has provided an extension of the response period for good cause.

(3) *Decision*. After expiration of the response period, the OTS shall decide whether or not he believes the proposed individual minimum capital requirement should be established for the savings association, or whether that proposed requirement should be adopted in modified form, based on a review of the savings association's response and other relevant information. The OTS's decision shall address comments received within the response period from the savings association and the appropriate state supervisor (if a state-chartered savings association is involved) and shall state the level of capital required, the schedule for compliance with this requirement, and any specific remedial action the savings association could take to eliminate the need for continued applicability of the individual minimum capital requirement. The

OTS shall provide the savings association and the appropriate state supervisor (if a state-chartered savings association is involved) with a written decision on the individual minimum capital requirement, addressing the substantive comments made by the savings association and setting forth the decision and the basis for that decision. Upon receipt of this decision by the savings association, the individual minimum capital requirement becomes effective and binding upon the savings association. This decision represents final agency action.

(4) *Failure to comply.* Failure to satisfy an individual minimum capital requirement, or to meet any required incremental additions to capital under a schedule for compliance with such an individual minimum capital requirement, shall constitute a legal basis for issuing a capital directive pursuant to § 567.4 of this part.

(5) *Change in circumstances.* If, after a decision is made under paragraph (d)(3) of this section, there is a change in the circumstances affecting the savings association's capital adequacy or its ability to reach its required minimum capital level by the specified date, OTS may amend the individual minimum capital requirement or the savings association's schedule for such compliance. The OTS may decline to consider a savings association's request for such changes that are not based on a significant change in circumstances or that are repetitive or frivolous. Pending the OTS's reexamination of the original decision, that original decision and any compliance schedule established thereunder shall continue in full force and effect.

§ 567.4 Capital directives.

(a) *Issuance of a Capital Directive—(1) Purpose.* In addition to any other action authorized by law, the Office may issue a capital directive to a savings association that does not have an amount of capital satisfying its minimum capital requirement. Issuance of such a capital directive may be based on a savings association's noncompli-

ance with a capital requirement established under § 567.2, § 567.3, by a written agreement under 12 U.S.C. 1464(s), or as a condition for approval of an application. A capital directive may order a savings association to:

(i) Achieve its minimum capital requirement by a specified date;

(ii) Adhere to the compliance schedule for achieving its individual minimum capital requirement;

(iii) Submit and adhere to a capital plan acceptable to the Office describing the means and a time schedule by which the savings association shall reach its required capital level;

(iv) Take other action, including but not limited to, reducing the savings association's assets or its rate of liability growth, or imposing restrictions on the savings association's payment of dividends, in order to cause the savings association to reach its required capital level;

(v) Take any action authorized under § 567.10(e); or

(vi) Take a combination of any of these actions.

A capital directive issued under this section, including a plan submitted pursuant to a capital directive, is enforceable under 12 U.S.C. 1818 in the same manner and to the same extent as an effective and outstanding cease and desist order which has become final under 12 U.S.C. 1818.

(2) *Notice of intent to issue capital directive.* The OTS will determine whether to initiate the process of issuing a capital directive. The OTS will notify a savings association in writing by registered mail of its intention to issue a capital directive. If a state-chartered savings association is involved, the OTS will also notify and solicit comment from the appropriate state supervisor. The notice will state:

(i) The reasons for issuance of the capital directive and

(ii) The proposed contents of the capital directive.

(3) *Response to notice of intent.* (i) A savings association may respond to the notice of intent by submitting its own compliance plan, or may propose an alternative plan. The response should also include any information that the savings association wishes the OTS to consider in deciding whether to issue a

capital directive. The appropriate state supervisor may also submit a response. These responses must be in writing and be delivered within 30 days after the receipt of the notices. Such responses shall be submitted in accordance with § 516.1(c) of this chapter. In its discretion, the Office may extend the time period for the response for good cause. The Office may, for good cause, shorten the 30-day time period for response by the insured savings association:

(A) When, in the opinion of the Office, the condition of the savings association so requires, and the Office informs the savings association of the shortened response period in the notice;

(B) With the consent of the savings association; or

(C) When the savings association already has advised the Office that it cannot or will not achieve its applicable minimum capital requirement.

(ii) Failure to respond within 30 days of receipt, or such other time period as may be specified by the Office, may constitute a waiver of any objections to the capital directive unless the Office grants an extension of the time period for good cause.

(4) *Decision.* After the closing date of the savings association's response period, or upon receipt of the savings association's response, if earlier, the Office shall consider the savings association's response and may seek additional information or clarification of the response. Thereafter, the Office will determine whether or not to issue a capital directive and, if one is to be issued, whether it should be as originally proposed or in modified form.

(5) *Service and effectiveness.* (i) Upon issuance, a capital directive will be served upon the savings association. It will include or be accompanied by a statement of reasons for its issuance and shall address the responses received during the response period.

(ii) A capital directive shall become effective upon the expiration of 30 days after service upon the savings association, unless the Office determines that a shorter effective period is necessary either on account of the public interest or in order to achieve the capital directive's purpose. If the savings association has consented to issuance of the

capital directive, it may become effective immediately. A capital directive shall remain in effect and enforceable unless, and then only to the extent that, it is stayed, modified, or terminated by the Office.

(6) *Change in circumstances.* Upon a change in circumstances, a savings association may submit a request to the OTS to reconsider the terms of the capital directive or consider changes in the savings association's capital plan issued under a directive for the savings association to achieve its minimum capital requirement. If the OTS believes such a change is warranted, the OTS may modify the savings association's capital requirement or may refuse to make such modification if it determines that there are not significant changes in circumstances. Pending a decision on reconsideration, the capital directive and capital plan shall continue in full force and effect.

(b) *Relation to other administrative actions.* The Office—

(1) May consider a savings association's progress in adhering to any capital plan required under this section whenever such savings association or any affiliate of such savings association (including any company which controls such savings association) seeks approval for any proposal that would have the effect of diverting earnings, diminishing capital, or otherwise impeding such savings association's progress in meeting its minimum capital requirement; and

(2) May disapprove any proposal referred to in paragraph (b)(1) of this section if the Office determines that the proposal would adversely affect the ability of the savings association on a current or pro forma basis to satisfy its capital requirement.

[54 FR 49649, Nov. 30, 1989, as amended at 55 FR 13517, Apr. 11, 1990; 57 FR 14335, Apr. 20, 1992; 57 FR 33440, July 29, 1992; 60 FR 66719, Dec. 26, 1995]

§ 567.5 Components of capital.

(a) *Core Capital.* (1) The following elements,³ less the amount of any deductions pursuant to paragraph (a)(2) of

³Stock issues where the dividend is reset periodically based on current market conditions and the savings associations's current

this section, comprise a savings association's core capital:

(i) Common stockholders' equity (including retained earnings);

(ii) Noncumulative perpetual preferred stock and related surplus;⁴

(iii) Minority interests in the equity accounts of subsidiaries that are fully consolidated;

(iv) Nonwithdrawable accounts and pledged deposits of mutual savings associations (excluding any treasury shares held by the savings association) meeting the criteria of regulations and memoranda of the Office to the extent that such accounts or deposits have no fixed maturity date, cannot be withdrawn at the option of the accountholder, and do not earn interest that carries over to subsequent periods;

(v) The remaining goodwill (FSLIC Capital Contributions) resulting from prior regulatory accounting practices as provided in paragraph (1) of the definition for *qualifying supervisory goodwill* in § 567.1 of this part.

(2) *Deductions from core capital.* (i) Intangible assets, as defined in § 567.1 of this part, are deducted from assets and capital in computing core capital, except as otherwise provided by § 567.12 of this part.

(ii) Servicing assets that are not includable in core capital pursuant to § 567.12 of this part are deducted from assets and capital in computing core capital.

(iii) [Reserved]

(iv) Investments, both equity and debt, in subsidiaries that are not includable subsidiaries (including those subsidiaries where the savings association has a minority ownership interest) are deducted from assets and, thus core

credit rating, including but not limited to, auction rate, money market or remarketable preferred stock, are assigned to supplementary capital, regardless of cumulative or noncumulative characteristics.

⁴Stock issued by subsidiaries that may not be counted by the parent savings association on the Thrift Financial Report, likewise shall not be considered in calculating capital. For example, preferred stock issued by a savings association or a subsidiary that is, in effect, collateralized by assets of the savings association or one of its subsidiaries shall not be included in capital. Similarly, common stock with mandatorily redeemable provisions is not includable in core capital.

capital except as provided in paragraphs (a)(2)(v) and (a)(2)(vi) of this section.

(v) If a savings association has any investments (both debt and equity) in one or more subsidiaries engaged as of April 12, 1989 and continuing to be engaged in any activity that would not fall within the scope of activities in which includable subsidiaries may engage, it must deduct such investments from assets and, thus, core capital in accordance with this paragraph (a)(2)(v). The savings association must first deduct from assets and, thus, core capital the amount by which any investments in such subsidiary(ies) exceed the amount of such investments held by the savings association as of April 12, 1989. Next the savings association must deduct from assets and, thus, core capital the lesser of:

(A) The savings association's investments in and extensions of credit to the subsidiary as of April 12, 1989; or

(B) The savings association's investments in and extensions of credit to the subsidiary on the date as of which the savings association's capital is being determined.

(vi) If a savings association holds a subsidiary (either directly or through a subsidiary) that is itself a domestic depository institution, the Office may, in its sole discretion upon determining that the amount of core capital that would be required would be higher if the assets and liabilities of such subsidiary were consolidated with those of the parent savings association than the amount that would be required if the parent savings association's investment were deducted pursuant to paragraphs (a)(2)(iv) and (a)(2)(v) of this section, consolidate the assets and liabilities of that subsidiary with those of the parent savings association in calculating the capital adequacy of the parent savings association, regardless of whether the subsidiary would otherwise be an includable subsidiary as defined in § 567.1 of this part.

(b) *Supplementary Capital.* Supplementary capital counts towards a savings association's total capital up to a maximum of 100% of the savings association's core capital. The following elements comprise a savings association's supplementary capital:

(1) *Permanent Capital Instruments.* (i) Cumulative perpetual preferred stock and other perpetual preferred stock⁵ issued pursuant to regulations and memoranda of the Office;

(ii) Mutual capital certificates issued pursuant to regulations and memoranda of the Office;

(iii) Nonwithdrawable accounts and pledged deposits (excluding any treasury shares held by the savings association) meeting the criteria of 12 CFR 561.42 to the extent that such instruments are not included in core capital under paragraph (a) of this section;

(iv) Net worth certificates either issued pursuant to regulations and memoranda of the Office, or that the FDIC is committed to purchase;

(v) Income capital certificates;

(vi) Perpetual subordinated debt issued pursuant to regulations and memoranda of the Office; and

(vii) Mandatory convertible subordinated debt (capital notes) issued pursuant to regulations and memoranda of the Office.

(2) *Maturing Capital Instruments.* (i) Subordinated debt issued pursuant to regulations and memoranda of the Office;

(ii) Intermediate-term preferred stock issued pursuant to regulations and memoranda of the Office and any related surplus;

(iii) Mandatory convertible subordinated debt (commitment notes) issued pursuant to regulations and memoranda of the Office; and

(iv) Mandatorily redeemable preferred stock that was issued before July 23, 1985 or issued pursuant to regulations and memoranda of the Office and approved in writing by the FSLIC for inclusion as regulatory capital before or after issuance.

(3) *Transition rules for maturing capital instruments*—(i) *Maturing capital instruments issued on or before November 7, 1989.* All maturing capital instruments

issued on or before November 7, 1989, are includable in supplementary capital to the extent such instruments were includable in capital pursuant to the regulations of the OTS in effect as of that date, including any applicable amortization schedules. With the prior approval of the OTS, a savings association may include maturing capital instruments issued on or before November 7, 1989, in supplementary capital in accordance with the treatment set forth in paragraph (b)(3)(ii) of this section.

Years to maturity of outstanding subordinated debt	Percent included in supplementary capital
Greater than or equal to 7	100
Less than 7 but greater than or equal to 6	86
Less than 6 but greater than or equal to 5	71
Less than 5 but greater than or equal to 4	57
Less than 4 but greater than or equal to 3	43
Less than 3 but greater than or equal to 2	29
Less than 2 but greater than or equal to 1	14
Less than 1	0

(ii) *Maturing capital instruments issued after November 7, 1989.* A savings association issuing maturing capital instruments after November 7, 1989, may choose, subject to paragraph (b)(3)(ii)(C) of this section, to include such instruments pursuant to either paragraph (b)(3)(ii)(A) or (b)(3)(ii)(B) of this section.

(A) At the beginning of each of the last five years of the life of the maturing capital instrument, the amount that is eligible to be included as supplementary capital is reduced by 20% of the original amount of that instrument (net of redemptions).⁶

(B) Only the aggregate amount of maturing capital instruments that mature in any one year during the seven years immediately prior to an instrument's maturity that does not exceed 20% of an institution's capital will qualify as supplementary capital.

(C) Once a savings association selects either paragraph (b)(3)(ii)(A) or

⁵ Preferred stock issued by subsidiaries that may not be counted by the parent savings association on the Thrift Financial Report likewise may not be considered in calculating capital. Preferred stock issued by a savings association or a subsidiary that is, in effect, collateralized by assets of the savings association or one of its subsidiaries may not be included in capital.

⁶ Capital instruments may be redeemed prior to maturity and without the prior approval of the Office, as long as the instruments are redeemed with the proceeds of, or replaced by, a like amount of a similar or higher quality capital instrument. However, the Office must be notified in writing at least 30 days in advance of such redemption.

(b)(3)(ii)(B) of this section for the issuance of a maturing capital instrument, it must continue to elect that option for all subsequent issuances of maturing capital instruments for as long as there is a balance outstanding of such post-November 7, 1989 issuances. Only when such issuances have all been repaid and the savings association has no balance of such issuances outstanding may the savings association elect the other option.

(4) *General valuation loan and lease loss allowances.* General valuation loan and lease loss allowances established pursuant to regulations and memoranda of the Office up to a maximum of 1.25 percent of risk-weighted assets.⁷

(5) *Unrealized gains on equity securities.* Up to 45 percent of unrealized gains on available-for-sale equity securities with readily determinable fair values may be included in supplementary capital. Unrealized gains are unrealized holding gains, net of unrealized holding losses, before income taxes, calculated as the amount, if any, by which fair value exceeds historical cost. The OTS may disallow such inclusion in the calculation of supplementary capital if the Office determines that the equity securities are not prudently valued.

(c) *Total capital.* (1) A savings association's total capital equals the sum of its core capital and supplementary capital (to the extent that such supplementary capital does not exceed 100% of its core capital).

(2) The following assets, in addition to assets required to be deducted else-

where in calculating core capital, are deducted from assets for purposes of determining total capital:

(i) Reciprocal holdings of depository institution capital instruments;

(ii) All equity investments; and

(iii) That portion of land loans and nonresidential construction loans in excess of 80 percent loan-to-value ratio.

(3) For the purposes of any risk-based capital requirement under this part, a savings association's total capital equals the amount calculated pursuant to paragraphs (c)(1) and (c)(2) of this section, minus the amount of its IRR component as calculated pursuant to § 567.7 of this part.

§ 567.6 Risk-based capital credit risk-weight categories.

(a) *Risk-weighted Assets.* Risk-weighted assets equal assets plus consolidated off-balance sheet items where each asset or item is multiplied by the appropriate risk weight as set forth in this section. Before an off-balance sheet item can be assigned a risk weight, it must be converted to an on-balance sheet credit equivalent amount in accordance with this section. The risk weight assigned to a particular asset or on-balance sheet credit equivalent amount determines the percentage of that asset/credit equivalent amount that is included in the calculation of risk-weighted assets for purposes of this rule. Assets not included for purposes of calculating capital pursuant to § 567.5 of this part are not included in calculating risk-weighted assets.

(1) *On-balance sheet assets.* The risk categories/weights for on-balance sheet assets are:

(i) *Zero percent Risk Weight (Category 1).* (A) Cash, including domestic and foreign currency owned and held in all offices of a savings association or in transit. Any foreign currency held by a savings association must be converted into U.S. dollar equivalents;

(B) Securities issued by and other direct claims on the U.S. Government or

⁷The amount of the general valuation loan and lease loss allowances that may be included in capital is based on a percentage of risk-weighted assets. The gross sum of risk-weighted assets used in this calculation includes all risk-weighted assets, with the exception of the assets required to be deducted under § 567.6 in establishing risk-weighted assets—"excess GVA" defined as assets required to be deducted from capital under § 567.5(a)(2). A savings association may deduct excess GVA from the gross sum of risk-weighted assets (*i.e.*, risk-weighted assets including general valuation allowances) in computing the denominator of the risk-based capital standard. Thus, a savings association will exclude the same amount of excess GVA from both the numerator and the denominator of the risk-based capital ratio.

its agencies (to the extent such securities or claims are unconditionally backed by the full faith and credit of the United States Government) or the central government of an OECD country;

(C) Notes and obligations issued by either the Federal Savings and Loan Insurance Corporation or the Federal Deposit Insurance Corporation and backed by the full faith and credit of the United States Government;

(D) Deposit reserves at, claims on, and balances due from Federal Reserve Banks;

(E) The book value of paid-in Federal Reserve Bank stock;

(F) That portion of assets that is fully covered against capital loss and/or yield maintenance agreements by the Federal Savings and Loan Insurance Corporation or any successor agency.

(G) That portion of assets directly and unconditionally guaranteed by the United States Government or its agencies, or the central government of an OECD country.

(ii) *20 percent Risk Weight (Category 2).*

(A) Cash items in the process of collection;

(B) That portion of assets collateralized by the current market value of securities issued or guaranteed by the United States government or its agencies, or the central government of an OECD country;

(C) That portion of assets conditionally guaranteed by the United States Government or its agencies, or the central government of an OECD country;

(D) Securities (not including equity securities) issued by and other claims on the U.S. Government or its agencies which are not backed by the full faith and credit of the United States Government;

(E) Securities (not including equity securities) issued by, or other direct claims on, United States Government-sponsored agencies;

(F) That portion of assets guaranteed by United States Government-sponsored agencies;

(G) That portion of assets collateralized by the current market value of securities issued or guaranteed

by United States Government-sponsored agencies;

(H) High quality mortgage-related securities, except for collateralized mortgage obligation residual classes;

(I) Claims representing general obligations of any public-sector entity in an OECD country, and that portion of any claims guaranteed by any such public-sector entity;

(J) Bonds issued by the Financing Corporation or the Resolution Funding Corporation;

(K) Balances due from and all claims on domestic depository institutions. This includes demand deposits and other transaction accounts, savings deposits and time certificates of deposit, federal funds sold, loans to other depository institutions, including overdrafts and term federal funds, holdings of the savings association's own discounted acceptances for which the account party is a depository institution, holdings of bankers acceptances of other institutions and securities issued by depository institutions, except those that qualify as capital;

(L) The book value of paid-in Federal Home Loan Bank stock;

(M) Deposit reserves at, claims on and balances due from the Federal Home Loan Banks;

(N) Assets collateralized by cash held in a segregated deposit account by the reporting savings association;

(O) Claims on, or guaranteed by, official multilateral lending institutions or regional development institutions in which the United States Government is a shareholder or contributing member;⁸

(P) That portion of assets collateralized by the current market value of securities issued by official multilateral lending institutions or regional development institutions in which the United States Government is a shareholder or contributing member.

(Q) All claims on depository institutions incorporated in an OECD country, and all assets backed by the full

⁸These institutions include, but are not limited to, the International Bank for Reconstruction and Development (World Bank), the Inter-American Development Bank, the Asian Development Bank, the African Development Bank, the European Investments Bank, the International Monetary Fund and the Bank for International Settlements.

faith and credit of depository institutions incorporated in an OECD country. This includes the credit equivalent amount of participations in commitments and standby letters of credit sold to other depository institutions incorporated in an OECD country, but only if the originating bank remains liable to the customer or beneficiary for the full amount of the commitment or standby letter of credit. Also included in this category are the credit equivalent amounts of risk participations in bankers' acceptances conveyed to other depository institutions incorporated in an OECD country. However, bank-issued securities that qualify as capital of the issuing bank are not included in this risk category;

(R) Claims on, or guaranteed by depository institutions other than the central bank, incorporated in a non-OECD country, with a residual maturity of one year or less;

(S) That portion of local currency claims conditionally guaranteed by central governments of non-OECD countries, to the extent the savings association has local currency liabilities in that country.

(iii) *50 percent Risk Weight (Category 3)*. (A) Revenue bonds issued by any public-sector entity in an OECD country for which the underlying obligor is a public-sector entity, but which are repayable solely from the revenues generated from the project financed through the issuance of the obligations;

(B) Qualifying mortgage loans and qualifying multifamily mortgage loans;

(C) Non-high-quality mortgage-related securities secured by or representing an interest in qualifying mortgage loans and qualifying multifamily mortgage loans, except for collateralized mortgage obligation residual classes. If the security is backed by qualifying multifamily mortgage loans, the institution must receive timely payments of principal and interest in accordance with the terms of the security. Payments will generally be considered timely if they are not 30 days or more past due.

(D) Qualifying residential construction loans as defined in § 567.1 of this part.

(iv) *100 percent Risk Weight (Category 4)*. All assets not specified above or deducted from calculations of capital pursuant to § 567.5 of this part, including, but not limited to:

(A) Consumer loans;
(B) Commercial loans;
(C) Home equity loans;
(D) Non-qualifying mortgage loans;
(E) Non-qualifying multifamily mortgage loans;

(F) Residential construction loans;
(G) Land loans, except that portion of such loans that are in excess of 80% loan-to-value ratio;

(H) Nonresidential construction loans, except that portion of such loans that are in excess of 80% loan-to-value ratio;

(I) Obligations issued by any state or any political subdivision thereof for the benefit of a private party or enterprise where that party or enterprise, rather than the issuing state or political subdivision, is responsible for the timely payment of principal and interest on the obligations, *e.g.*, industrial development bonds;

(J) Private-issue debt securities except for those qualifying under paragraph (a)(1)(ii) of this section;

(K) Investments in fixed assets and premises;

(L) Certain nonsecurity financial instruments including servicing assets and intangible assets includable in core capital under § 567.12 of this part;

(M) Interest-only strips receivable;

(N) Collateralized mortgage obligation residual classes of mortgage-related securities, regardless of issue or guarantor;

(O) [Reserved]

(P) That portion of equity investments not deducted pursuant to § 567.5 of this part;

(Q) The prorated assets of subsidiaries (except for the assets of includable, fully consolidated subsidiaries) to the extent such assets are included in adjusted total assets;

(R) All repossessed assets or assets that are more than 90 days past due; and

(S) Equity investments that the Office determines have the same risk characteristics as foreclosed real estate by the savings association;

(T) Equity investments permissible for a national bank.

(v) [Reserved]

(vi) *Indirect ownership interests in pools of assets.* (A) Except as provided in paragraph (a)(1)(vi)(C) of this section, assets representing an indirect holding of a pool of assets, *e.g.*, mutual funds, are assigned to risk-weight categories under this section based upon the risk weight that would be assigned to the assets in the portfolio of the pool.

(B) Where the portfolio of the investment company consists of assets that would fall into different risk-weight categories, or contains some assets that would be deducted in calculations of total capital, the entire ownership interest of the savings association will be assigned to the category of the asset with the highest risk weight in the portfolio or excluded from assets and thus deducted from calculations of total capital, as appropriate.

(C)(1) On a case-by-case basis, the Office may allow the savings association to assign the portfolio proportionately to the various risk categories based on the proportion in which the risk categories are represented by the composition of assets in the portfolio. Before the Office will consider a request to proportionately risk-weight such a portfolio, the savings association must have and maintain current information for the reporting period that details the composition of the portfolio of assets.

(2) The minimum risk weight that may be assigned to an ownership interest described in this paragraph (a)(1)(vi) is 20%.

(2) *Off-balance sheet activities.* Risk weights for off-balance sheet items are determined by a two-step process. First, the face amount of the off-balance sheet item must be multiplied by the appropriate credit conversion factor listed in this section. This calculation translates the face amount of an off-balance sheet exposure into an on-balance sheet credit-equivalent amount. Second, the credit-equivalent amount must be assigned to the appropriate risk weight category depending on the obligor (*i.e.*, the 20 percent risk weight category if the obligor is a domestic depository institution or the 100 percent risk category if the obligor is a

private party) and any underlying collateral, *provided* that, the maximum risk weight assigned to the credit-equivalent amount of an interest-rate or exchange-rate contract is 50 percent. Guarantees and other direct credit substitutes by savings associations of the obligations of their service corporations and subsidiaries that qualify as equity investments are assigned a credit-equivalent amount of the entire value of the direct credit substitute. The following are the credit conversion factors and the off-balance sheet items to which they apply:

(i) *100 percent credit conversion factor (Group A).* (A) Direct credit substitutes, including financial guarantee-type standby letters of credit that support financial claims on the account party. The face amount of a direct credit substitute is netted against the amount of any participations sold in that item (except as otherwise provided below). The amount retained by the savings association is converted to an on-balance sheet equivalent and assigned to the proper risk-weight category using the criteria regarding obligors, guarantors and collateral listed herein. Participations are treated as follows:

(1) If the originating savings association remains liable to the beneficiary for the full amount of the standby letter of credit, in the event the participant fails to perform under its participation agreement, the amount of participations sold are converted to an on-balance sheet credit equivalent using a credit conversion factor of 100%, with that amount then being assigned to the risk-weight category appropriate for the purchaser of the participation.

(2) If participations are such that each participant is responsible only for its pro-rata share of the risk, and there is no recourse to the originating institution, the full amount of the participations sold is excluded from the originating institution's risk-weighted assets;

(B) Risk participations purchased in bankers, acceptances and participations purchased in direct credit substitutes;

(C) Assets sold under an agreement to repurchase and the value of assets sold with recourse, to the extent these assets are not included in the savings

association's total assets, except where the amount of recourse liability retained by a savings association is less than the capital requirement for credit-risk exposure, in which case capital must be maintained equal to the amount of credit-risk exposure retained. This category includes loan strips sold without direct recourse where the maturity of the participation is shorter than the maturity of the underlying loan and the ownership of the subordinated portion of a loan participation or package of loans. This category includes loans serviced by associations where the association is subject to losses on the loans, commonly referred to as "recourse servicing". This category also includes transfers of small business loans or leases of personal property with recourse. Such transfers, however, may be subject to the alternative capital computation set forth in paragraph (a)(3) of this section. (Where associations hold a mortgage-related security or a participation certificate (PC) in a mortgage loan swap with recourse, or a subordinated portion as an on-balance sheet asset, the security, PC, or subordinated portion should not be risk-weighted for purposes of the risk-based capital requirement except where the amount of capital otherwise required against the recourse liability under this paragraph would be less than the amount of capital that would otherwise be required against the security, PC, or subordinated portion. The savings association must hold in capital the greater amount of capital that would be required to be held against either the liability or the security, PC, or subordinated portion.);

(D) Forward agreements and other contingent obligations with a certain draw down, *e.g.*, legally binding agreements to purchase assets at a specified future date. On the date an institution enters into a forward agreement or similar obligation, it should convert the principal amount of the assets to be purchased at 100 percent as of that date and then assign this amount to the risk-weight category appropriate to the obligor or guarantor of the item, or the nature of the collateral;

(E) Indemnification of customers whose securities the savings associa-

tion has lent as agent. If the customer is not indemnified against loss by the savings association, the transaction is excluded from the risk-based capital calculation. When a savings association lends its own securities, the transaction is treated as a loan. When a savings association lends its own securities or is acting as agent, agrees to indemnify a customer, the transaction is assigned to the risk weight appropriate to the obligor or collateral that is delivered to the lending or indemnifying institution or to an independent custodian acting on their behalf.

(ii) *50 percent credit conversion factor (Group B)*. (A) Transaction-related contingencies, including, among other things, performance bonds and performance-based standby letters of credit related to a particular transaction. To the extent permitted by law or regulation, performance-based standby letters of credit include such things as arrangements backing subcontractors' and suppliers' performance, labor and materials contracts, and construction bids;

(B) Unused portions of commitments, including home equity lines of credit, with an original maturity exceeding one year except those listed in paragraph (a)(2)(iv) of this section; and

(C) Revolving underwriting facilities, note issuance facilities, and similar arrangements pursuant to which the savings association's customer can issue short-term debt obligations in its own name, but for which the savings association has a legally binding commitment to either:

(1) Purchase the obligations the customer is unable to sell by a stated date; or

(2) Advance funds to its customer, if the obligations cannot be sold.

(iii) *20 percent credit conversion factor (Group C)*. Trade-related contingencies, *i.e.*, short-term, self-liquidating instruments used to finance the movement of goods and collateralized by the underlying shipment. A commercial letter of credit is an example of such an instrument.

(iv) *Zero percent credit conversion factor (Group D)*. (A) unused commitments with an original maturity of one year or less;

(B) Unused commitments with an original maturity greater than one year, if they are unconditionally cancelable at any time at the option of the savings association and the savings association has the contractual right to make, and in fact does make, either:

(1) A separate credit decision based upon the borrower's current financial condition before each drawing under the lending facility; or

(2) An annual (or more frequent) credit review based upon the borrower's current financial condition to determine whether or not the lending facility should be continued; and

(C) The unused portion of retail credit card lines or other related plans that are unconditionally cancelable by the savings association in accordance with applicable law.

(v) *Off-balance sheet contracts; interest-rate and foreign exchange rate contracts (Group E)—(A) Calculation of credit equivalent amounts.* The credit equivalent amount of an off-balance sheet interest rate or foreign exchange rate contract that is not subject to a qualifying bilateral netting contract in accordance with paragraph (a)(2)(v)(B) of this section is equal to the sum of the current credit exposure, *i.e.*, the replacement cost of the contract, and the potential future credit exposure of the off-balance sheet rate contract. The calculation of credit equivalent amounts is measured in U.S. dollars, regardless of the currency or currencies specified in the off-balance sheet rate contract.

(1) *Current credit exposure.* The current credit exposure of an off-balance sheet rate contract is determined by the mark-to-market value of the contract. If the mark-to-market value is positive, then the current credit exposure equals that mark-to-market value. If the mark-to-market value is zero or negative, then the current exposure is zero. In determining its current credit exposure for multiple off-balance sheet rate contracts executed with a single counterparty, a savings association may net positive and negative mark-to-market values of off-balance sheet rate contracts if subject to a bilateral netting contract as provided in paragraph (a)(2)(v)(B) of this section.

(2) *Potential future credit exposure.* The potential future credit exposure of an off-balance sheet rate contract, including a contract with a negative mark-to-market value, is estimated by multiplying the notional principal⁹ by a credit conversion factor. Savings associations, subject to examiner review, should use the effective rather than the apparent or stated notional amount in this calculation. The conversion factors are:¹⁰

Remaining maturity	Interest rate contracts (percents)	Foreign exchange rate contracts (percents)
One year or less	0.0	1.0
Over one year	0.5	5.0

(B) *Off-balance sheet rate contracts subject to bilateral netting contracts.* In determining its current credit exposure for multiple off-balance sheet rate contracts executed with a single counterparty, a savings association may net off-balance sheet rate contracts subject to a bilateral netting contract by offsetting positive and negative mark-to-market values, provided that:

(1) The bilateral netting contract is in writing;

(2) The bilateral netting contract creates a single legal obligation for all individual off-balance sheet rate contracts covered by the bilateral netting contract. In effect, the bilateral netting contract provides that the savings association has a single claim or obligation either to receive or pay only the net amount of the sum of the positive and negative mark-to-market values on the individual off-balance sheet rate contracts covered by the bilateral netting contract. The single legal obligation for the net amount is operative in

⁹For purposes of calculating potential future credit exposure for foreign exchange contracts and other similar contracts, in which notional principal is equivalent to cash flows, total notional principal is defined as the net receipts to each party falling due on each value date in each currency.

¹⁰No potential future credit exposure is calculated for single currency interest rate swaps in which payments are made based upon two floating rate indices, so-called floating/floating or basis swaps; the credit equivalent amount is measured solely on the basis of the current credit exposure.

the event that a counterparty, or a counterparty to whom the bilateral netting contract has been validly assigned, fails to perform due to any of the following events: default, insolvency, bankruptcy, or other similar circumstances;

(3) The savings association obtains a written and reasoned legal opinion(s) representing, with a high degree of certainty, that in the event of a legal challenge, including one resulting from default, insolvency, bankruptcy or similar circumstances, the relevant court and administrative authorities would find the savings association's exposure to be the net amount under:

(i) The law of the jurisdiction in which the counterparty is chartered or the equivalent location in the case of noncorporate entities, and if a branch of the counterparty is involved, then also under the law of the jurisdiction in which the branch is located;

(ii) The law that governs the individual off-balance sheet rate contracts covered by the bilateral netting contract; and

(iii) The law that governs the bilateral netting contract;

(4) The savings association establishes and maintains procedures to monitor possible changes in relevant law and to ensure that the bilateral netting contract continues to satisfy the requirements of this section; and

(5) The savings association maintains in its files documentation adequate to support the netting of an off-balance sheet rate contract.¹¹

(C) *Walkaway clause.* A bilateral netting contract that contains a walkaway clause is not eligible for netting for purposes of calculating the

current credit exposure amount. The term "walkaway clause" means a provision in a bilateral netting contract that permits a nondefaulting counterparty to make a lower payment than it would make otherwise under the bilateral netting contract, or no payment at all, to a defaulter or the estate of a defaulter, even if the defaulter or the estate of the defaulter is a net creditor under the bilateral netting contract.

(D) *Risk weighting.* Once the savings association determines the credit equivalent amount for an off-balance sheet rate contract, that amount is assigned to the risk-weight category appropriate to the counterparty, or, if relevant, to the nature of any collateral or guarantee. Collateral held against a netting contract is not recognized for capital purposes unless it is legally available for all contracts included in the netting contract. However, the maximum risk weight for the credit equivalent amount of such off-balance sheet rate contracts is 50 percent.

(E) *Exceptions.* The following off-balance sheet rate contracts are not subject to the above calculation, and therefore, are not part of the denominator of a savings association's risk-based capital ratio:

(1) A foreign exchange rate contract with an original maturity of 14 calendar days or less; and

(2) Any interest rate or foreign exchange rate contract that is traded on an exchange requiring the daily payment of any variations in the market value of the contract.

(3) *Alternative capital computation for small business obligations—*(i) *Definitions.* For the purposes of this paragraph (a)(3):

(A) *Qualified savings association* means a savings association that:

(1) Is well capitalized as defined in 12 CFR 565.4 without applying the capital treatment described in paragraph (a)(3)(ii) of this section; or

(2) Is adequately capitalized as defined in 12 CFR 565.4 without applying the capital treatment described in paragraph (a)(3)(ii) of this section and has received written permission from the OTS to apply that capital calculation.

¹¹By netting individual off-balance sheet rate contracts for the purpose of calculating its credit equivalent amount, a savings association represents that documentation adequate to support the netting of an off-balance sheet rate contract is in the savings association's files and available for inspection by the OTS. Upon determination by the OTS that a savings association's files are inadequate or that a bilateral netting contract may not be legally enforceable under any one of the bodies of law described in paragraphs (a)(2)(v)(B)(3) (i) through (iii) of this section, the underlying individual off-balance sheet rate contracts may not be netted for the purposes of this section.

(B) *Small business* means a business that meets the criteria for a small business concern established by the Small Business Administration in 12 CFR 121 pursuant to 15 U.S.C. 632.

(ii) *Capital requirement.* With respect to a transfer of a small business loan or lease of personal property with recourse that is a sale under generally accepted accounting principles, a qualified savings association may elect to include only the amount of its retained recourse in its risk-weighted assets for the purposes of paragraph (a)(2)(i)(C) of this section. To qualify for this election, the savings association must establish and maintain a reserve under generally accepted accounting principles sufficient to meet the reasonable estimated liability of the savings association under the recourse arrangement.

(iii) *Aggregate amount of recourse.* The total outstanding amount of recourse retained by a qualified savings association with respect to transfers of small business loans and leases of personal property and included in the risk-weighted assets of the savings association as described in paragraph (a)(3)(ii) of this section, may not exceed 15 percent of the association's total capital computed under § 567.5(c)(4).

(iv) *Savings association that ceases to be a qualified savings association or that exceeds aggregate limits.* If a savings association ceases to be a qualified savings association or exceeds the aggregate limit described in paragraph (a)(3)(iii) of this section, the savings association may continue to apply the capital treatment described in paragraph (a)(3)(ii) of this section to transfers of small business loans and leases of personal property that occurred when the association was a qualified savings association and did not exceed the limit.

(v) *Prompt corrective action not affected.* (A) A savings association shall compute its capital without regard to this paragraph (a)(3) of this section for purposes of prompt corrective action (12 U.S.C. 1831o), unless the savings association is adequately or well capitalized without applying the capital treatment described in this paragraph (a)(3) and would be well capitalized after applying that capital treatment.

(B) A savings association shall compute its capital without regard to this paragraph (a)(3) for the purposes of applying 12 U.S.C. 1831o(g), regardless of the association's capital level.

§ 567.7 Interest-rate risk component.

(a) Except as provided in paragraph (c) of this section, a savings association's interest rate risk (IRR) is measured by the decline in the Net Portfolio Value (NPV) that would result from a 200 basis point increase or decrease in market interest rates (whichever results in the lower NPV) divided by the estimated economic value of assets, as calculated in accordance with the OTS Model and guidance issued by the OTS, which will be provided to savings associations and to others in accordance with paragraph (f) of this section. A savings association whose measured IRR exposure exceeds .02 (*i.e.*, 2%) must deduct an IRR component in calculating its total capital for purposes of determining whether it meets its risk-based capital requirement under § 567.2 of this part. The IRR component is an amount equal to one-half of the difference between its measured interest rate risk and .02, multiplied by the estimated economic value of its total assets. Except as provided in paragraph (d) of this section, the IRR component deduction becomes effective beginning on the last day of the third quarter following the reporting date of the Schedule CMR on which the IRR component was based. For the purpose of this section, the reporting date is the last business day of each quarter.

(b) Unless they are exempt from this reporting requirement, all saving associations must file information pertaining to their interest rate risk exposure on a form or schedule designated by the Director. Savings associations with less than \$300 million in assets and risk-based capital ratios in excess of 12 percent are exempt from filing the

Schedule CMR but will be required to provide selected information in the manner determined by the OTS. The Director of the OTS or his designee may, within his discretion, require any otherwise exempt savings association to file the Schedule CMR on a quarterly basis.

(c) A savings association's interest rate risk exposure is measured by the decline in the NPV that would result from a 200 basis point increase or decrease in market interest rates, except when the 3-month Treasury bond equivalent yield falls below 400 basis points. In that case, the decrease will be equal to one-half of that Treasury rate.

(d) If a savings association, demonstrates to the OTS that it has reduced its IRR, in dollar amount, by the end of the quarter following the reporting date of the Schedule CMR on which the savings association's IRR component was based, the IRR component shall be lowered to that amount.

(e) Exception. Notwithstanding paragraph (a) of this section, upon the request by a savings association, the Director of the OTS, or his designee, may waive or defer, but not lower except as a result of an appeal, a savings association's IRR component. For example, the Director may determine that a waiver or deferral is warranted if the savings association has taken meaningful steps to reduce or control its interest rate risk exposure.

(f) Manuals describing the OTS Model and guidance issued by the OTS will be provided to savings associations and will be available, upon request, to others at the address set forth in § 516.1(a) of this chapter.

§ 567.8 Leverage ratio.

Savings associations shall have and maintain core capital, as defined at 12 CFR 567.5(a), in an amount equal to at least 3.0% of adjusted total assets.

§ 567.9 Tangible capital requirement.

(a) Savings associations shall have and maintain tangible capital in an amount equal to at least 1.5% of adjusted total assets.

(b) The following elements, less the amount of any deductions pursuant to paragraph (c) of this section, comprise a savings association's tangible capital:

(1) Common stockholders' equity (including retained earnings);

(2) Noncumulative perpetual preferred stock and related earnings;

(3) Nonwithdrawable accounts and pledged deposits that would qualify as core capital under § 567.5 of this part; and

(4) Minority interests in the equity accounts of fully consolidated subsidiaries.

(c) *Deductions from tangible capital.* In calculating tangible capital, a savings association must deduct from assets, and, thus, from capital:

(1) Intangible assets, as defined in § 567.1 of this part, and servicing assets not includable in tangible capital pursuant to § 567.12 of this part.

(2) Investments, both equity and debt, in subsidiaries that are not includable subsidiaries (including those subsidiaries where the savings association has a minority ownership interest), except as provided in paragraphs (c)(3) and (c)(4) of this section.

(3) If a savings association has any investments (both debt and equity) in one or more subsidiary(ies) engaged as of April 12, 1989 and continuing to be engaged in any activity that would not fall within the scope of activities in which includable subsidiaries may engage, it must deduct such investments from assets and, thus, tangible capital in accordance with this paragraph (c)(3). The savings association must first deduct from assets and, thus, capital the amount by which any investments in such a subsidiary(ies) exceed the amount of such investments held by the savings association as of April 12, 1989. Next, the savings association must deduct from assets and, thus, tangible capital the lesser of:

(i) The savings association's investments in and extensions of credit to the subsidiary as of April 12, 1989; or

(ii) The savings association's investments in and extensions of credit to the subsidiary on the date as of which the savings association's capital is being determined.

(4) If a savings association holds a subsidiary (either directly or through a subsidiary) that is itself a domestic depository institution the Office may, in its sole discretion upon determining that the amount of tangible capital that would be required would be higher if the assets and liabilities of such subsidiary were consolidated with those of the parent savings association than the amount that would be required if the parent savings association's investment were deducted pursuant to paragraphs (c)(2) and (c)(3) of this section, consolidate the assets and liabilities of that subsidiary with those of the parent savings association in calculating the capital adequacy of the parent savings association, regardless of whether the subsidiary would otherwise be an includable subsidiary as defined in § 567.1 of this part.

§ 567.10 Consequences of failure to meet capital requirements.

(a) *Capital plans.* (1) [Reserved]

(2) The Director shall require any savings association not in compliance with capital standards to submit a capital plan that:

- (i) Addresses the savings association's need for increased capital;
- (ii) Describes the manner in which the savings association will increase capital so as to achieve compliance with capital standards;
- (iii) Specifies types and levels of activities in which the savings association will engage;
- (iv) Requires any increase in assets to be accompanied by increase in tangible capital not less in percentage amount than the leverage limit then applicable;
- (v) Requires any increase in assets to be accompanied by an increase in capital not less in percentage amount than required under the risk-based capital standard then applicable; and
- (vi) Is acceptable to the Director.

(3) To be acceptable to the Director under this section, a plan must, in addition to satisfying all of the requirements set forth in paragraphs (a)(2)(i) through (a)(2)(v) of this section, con-

tain a certification that while the plan is under review by the Office, the savings association will not, without the prior written approval of the Regional Director:

- (i) Grow beyond net interest credited;
 - (ii) Make any capital distributions;
- or
- (iii) Act inconsistently with any other limitations on activities established by statute, regulation or by the Office in supervisory guidance for savings associations not meeting capital standards.

(4) If the plan submitted to the Director under paragraph (a)(2) of this section is not approved by the Office, the savings association shall immediately and without any further action, be subject to the following restrictions:

- (i) It may not increase its assets beyond the amount held on the day it receives written notice of the Director's disapproval of the plan; and
- (ii) It must comply with any other restrictions or limitations set forth in the written notice of the Director's disapproval of the plan.

(b) On or after January 1, 1991, the Director shall:

(1) Prohibit any asset growth by any savings association not in compliance with capital standards, *except* as provided in paragraph (d) of this section; and

(2) Require any savings association not in compliance with capital standards to comply with a capital directive issued by the Director which may include the restrictions contained in paragraph (e) of this section and any other restrictions the Director determines appropriate.

(c) A savings association that wishes to obtain an exemption from the sanctions provided in paragraph (b)(2) of this section must file a request for exemption with the Regional Director. Such request must include a capital plan that satisfies the requirements of paragraph (a)(2) of this section.

(d) The Director may permit any savings association that is subject to paragraph (b) of this section to increase its assets in an amount not exceeding the amount of net interest credited to the savings association's deposit liabilities, if:

(1) The savings association obtains the Director's prior approval;

(2) Any increase in assets is accompanied by an increase in tangible capital in an amount not less than 3% of the increase in assets;

(3) Any increase in assets is accompanied by an increase in capital not less in percentage amount than required under the risk-based capital standards then applicable;

(4) Any increase in assets is invested in low-risk assets; and

(5) The savings association's ratio of core capital to total assets is not less than the ratio existing on January 1, 1991.

(e) If a savings association fails to meet any of the regulatory capital requirements set forth in § 567.2 of this part, the Director may, through enforcement proceedings or otherwise, require such savings association to take one or more of the following corrective actions:

(1) Increase the amount of its regulatory capital to a specified level or levels;

(2) Convene a meeting or meetings with the Office's supervision staff for the purpose of accomplishing the objectives of this section;

(3) Reduce the rate of earnings that may be paid on savings accounts;

(4) Limit the receipt of deposits to those made to existing accounts;

(5) Cease or limit the issuance of new accounts of any or all classes or categories, except in exchange for existing accounts;

(6) Cease or limit lending or the making of a particular type or category of loan;

(7) Cease or limit the purchase of loans or the making of specified other investments;

(8) Limit operational expenditures to specified levels;

(9) Increase liquid assets and maintain such increased liquidity at specified levels; or

(10) Take such other action or actions as the Director may deem necessary or appropriate for the safety and soundness of the savings association, or depositors or investors in the savings association.

(f) The Director shall treat as an unsafe and unsound practice any material

failure by a savings association to comply with any plan, regulation, written agreement undertaken under this section or order or directive issued to comply with the requirements of this part.

[54 FR 49649, Nov. 30, 1989, as amended at 57 FR 33441, July 29, 1992; 60 FR 66720, Dec. 26, 1995]

§ 567.11 Reservation of authority.

(a) *Transactions for purposes of evasion.* The Director or the Regional Director for the region in which a savings association is located may disregard any transaction entered into primarily for the purpose of reducing the minimum required amount of regulatory capital or otherwise evading the requirements of this part.

(b) *Average versus period-end figures.* The Office reserves the right to require a savings association to compute its capital ratios on the basis of average, rather than period-end, assets when the Office determines appropriate to carry out the purposes of this part.

(c) *Reservation of authority.* Notwithstanding the definitions of core and supplementary capital in § 567.5 of this part, OTS may find that a particular type of purchased intangible asset or capital instrument constitutes or may constitute core or supplementary capital, and may permit one or more savings associations to include all or a portion of such intangible asset or funds obtained through such capital instrument as core or supplementary capital, permanently or on a temporary basis, for the purposes of compliance with this part or for any other purposes. Similarly, the Office may find that a particular asset or core or supplementary capital component has characteristics or terms that diminish its contribution to a savings association's ability to absorb losses, and the Office may require the discounting or deduction of such asset or component from the computation of core, supplementary, or total capital.

[54 FR 49649, Nov. 30, 1989, as amended at 57 FR 33441, July 29, 1992]

§ 567.12 Intangible assets and servicing assets.

(a) *Scope.* This section prescribes the maximum amount of intangible assets

and servicing assets that savings associations may include in calculating tangible and core capital.

(b) *Computation of core and tangible capital.* (1) Purchased credit card relationships may be included (that is, not deducted) in computing core capital in accordance with the restrictions in this section, but must be deducted in computing tangible capital.

(2) In accordance with the restrictions in this section, mortgage servicing assets may be included in computing core and tangible capital and non-mortgage servicing assets may be included in core capital.

(3) Intangible assets, as defined in § 567.1 of this part, other than purchased credit card relationships described in paragraph (b)(1) of this section and core deposit intangibles described in paragraph (g)(3) of this section, are deducted in computing tangible and core capital.

(c) *Market valuations.* The OTS reserves the authority to require any savings association to perform an independent market valuation of assets subject to this section on a case-by-case basis or through the issuance of policy guidance. An independent market valuation, if required, shall be conducted in accordance with any policy guidance issued by the OTS. A required valuation shall include adjustments for any significant changes in original valuation assumptions, including changes in prepayment estimates or attrition rates. The valuation shall determine the current fair value of assets subject to this section. This independent market valuation may be conducted by an independent valuation expert evaluating the reasonableness of the internal calculations and assumptions used by the association in conducting its internal analysis. The association shall calculate an estimated fair value for assets subject to this section at least quarterly regardless of whether an independent valuation expert is required to perform an independent market valuation.

(d) *Value limitation.* For purposes of calculating core capital under this part (but not for financial statement purposes), purchased credit card relationships and servicing assets must be valued at the lesser of:

(1) 90 percent of their fair value determined in accordance with paragraph (c) of this section; or

(2) 100 percent of their remaining unamortized book value determined in accordance with the instructions for the Thrift Financial Report.

(e) *Core capital limitation*—(1) *Aggregate limit.* The maximum aggregate amount of servicing assets and purchased credit card relationships that may be included in core capital shall be limited to the lesser of:

(i) 100 percent of the amount of core capital computed before the deduction of any disallowed servicing assets and disallowed purchased credit card relationships; or

(ii) The amount of servicing assets and purchased credit card relationships determined in accordance with paragraph (d) of this section.

(2) *Reduction by deferred tax liability.* Associations may elect to deduct disallowed servicing assets on a basis that is net of any associated deferred tax liability.

(3) *Sublimit for purchased credit card relationships and non mortgage-related servicing assets.* In addition to the aggregate limitation in paragraph (e)(1) of this section, a sublimit shall apply to purchased credit card relationships and non mortgage-related servicing assets. The maximum allowable amount of these two types of assets combined shall be limited to the lesser of:

(i) 25 percent of the amount of core capital computed before the deduction of any disallowed servicing assets and purchased credit card relationships; or

(ii) The amount of purchased credit card relationships and non mortgage-related servicing assets determined in accordance with paragraph (d) of this section.

(f) *Tangible capital limitation.* The maximum amount of mortgage servicing assets that may be included in tangible capital shall be the same amount includable in core capital in accordance with the limitations set by paragraph (e) of this section. All nonmortgage servicing assets are deducted in computing tangible capital.

(g) *Grandfathering.* (1) Notwithstanding the core capital and tangible capital limitations set forth in paragraphs

(e) and (f) of this section, any otherwise disallowed purchased mortgage servicing rights that were acquired on or before February 9, 1990, and any otherwise disallowed purchased mortgage servicing rights for which a contract to purchase the servicing rights had been executed on or before February 9, 1990, may be grandfathered and recognized for regulatory capital purposes under this part to the extent permitted by the OTS. Grandfathered purchased mortgage servicing rights must be treated in accordance with generally accepted accounting principles and the requirements of paragraphs (c) and (d) of this section. Grandfathered purchased mortgage servicing rights will count toward the core capital and tangible capital limitations described in paragraphs (e) and (f) of this section.

(2)(i) On a case-by-case basis, the OTS may extend grandfathered treatment prospectively to all or part of the purchased mortgage servicing rights acquired by an association to replace its grandfathered purchased mortgage servicing rights if OTS determines that:

(A) The association is reducing, at an acceptable rate, its level of purchased mortgage servicing rights to the levels permitted by this section; and

(B) The granting of such grandfathered treatment is consistent with the safe and sound operation of the association.

(ii) The OTS may terminate or limit such grandfathered treatment at any time if it determines that either of the conditions in paragraph (g)(2)(i) of this section is not being satisfied.

(3) Core deposit intangibles resulting from transactions consummated or under firm contract on the effective date of this rule may be grandfathered and recognized for capital purposes under this part, to the extent permitted by OTS, provided that such core deposit intangibles are valued in accordance with generally accepted accounting principles, supported by credible assumptions, and have their amortization adjusted at least annually to reflect decay rates (past and projected) in the acquired customer base.

(h) *Exemption for certain subsidiaries.*—
(1) *Exemption standard.* An association holding purchased mortgage servicing

rights in separately capitalized, non-includable subsidiaries may submit an application for approval by the OTS for an exemption from the deductions and limitations set forth in this section. The deductions and limitations will apply to such purchased mortgage servicing rights, however, if the OTS determines that:

(i) The thrift and subsidiary are not conducting activities on an arm's length basis; or

(ii) The exemption is not consistent with the association's safe and sound operation.

(2) *Applicable requirements.* If the OTS determines to grant or to permit the continuation of an exemption under paragraph (h)(1) of this section, the association receiving the exemption must ensure the following:

(i) The association's investments in, and extensions of credit to, the subsidiary are deducted from capital when calculating capital under this part;

(ii) Extensions of credit and other transactions with the subsidiary are conducted in compliance with the rules for covered transactions with affiliates set forth in sections 23A and 23B of the Federal Reserve Act, as applied to thrifts; and

(iii) Any contracts entered into by the subsidiary include a written disclosure indicating that the subsidiary is not a bank or savings association; the subsidiary is an organization separate and apart from any bank or savings association; and the obligations of the subsidiary are not backed or guaranteed by any bank or savings association and are not insured by the FDIC.

§ 567.13 Obligations of acquirors of savings associations to maintain capital.

(a) *Definitions.* As used in this section, the following definitions apply, unless the context otherwise requires:

(1) *Acquiror* means a person or company that controls a savings association.

(2) *Control* means control as determined under § 574.4(a) or (b) of this chapter.

(3) *Capital* means the measure of capital used in the applicable capital maintenance obligation.

(4) *Capital maintenance obligation* means an obligation to maintain the capital of a savings association imposed by means of a resolution issued or condition imposed by the Federal Savings and Loan Insurance Corporation ("FSLIC"), the Federal Home Loan Bank Board ("Board"), the Office, or any of their delegates, a stipulation to the FSLIC, the Board, the Office, or any of their delegates, or an agreement between the acquiror and the FSLIC, the Board, the Office, or any of their delegates.

(5) *Deficiency* means the amount by which the level at which the acquiror is required to maintain the association's capital pursuant to a capital maintenance obligation exceeds the savings association's capital.

(6) *Divestiture* or *divest* means any action or conduct that would result in the acquiror no longer being in control of the savings association.

(7) *Savings association* means a Federal savings and loan association or a Federal savings bank chartered under section 5 of the Home Owners' Loan Act, a building and loan, savings and loan or homestead association or a cooperative bank (other than a cooperative bank described in 12 U.S.C. 1813(a)(2)) the deposits of which are insured by the Federal Deposit Insurance Corporation, and any corporation (other than a bank) the deposits of which are insured by the Federal Deposit Insurance Corporation that the Office and the Federal Deposit Insurance Corporation jointly determine to be operating in substantially the same manner as a savings association, and shall include any savings bank or cooperative bank which is deemed by the Office to be a savings association under 12 U.S.C. 1467a(1).

(8) *Savings and loan holding company* means a savings and loan holding company as defined in §574.2(q) of this chapter.

(b) *Notice*. Prior to divestiture of a savings association, an acquiror that is subject to a capital maintenance obligation shall provide written notice of such divestiture to the Office on Form DV, including the certifications re-

quired therein. If the acquiror is unable to provide such certifications, the acquiror may submit alternative certifications addressing the subjects of each certification, in a form acceptable to the Office.

(c) *Determination of deficiency*. Upon receipt of the notice required under paragraph (b) of this section, the Office will conduct a full or limited scope examination of the savings association, as deemed appropriate, to ascertain whether a deficiency exists as of the date of the examination. If such examination is not completed within 90 days of the notice required under paragraph (b) of this section, or the Office has not communicated the results of the examination to the acquiror within such period, the deficiency, if any, shall be calculated based on the savings association's most recent Thrift Financial Report, filed prior to the notice of divestiture, *provided, however*, that if the failure to complete an examination within 90 days is caused by any failure of the association or the acquiror to cooperate, the 90 day period may be extended by the Director of the Office for additional periods, including such time as may be needed to base a deficiency on the results of a completed examination. Notwithstanding any other provision of this section, if the Office determines that fraud or misrepresentation occurred during the course of an examination conducted to determine the association's capital, compliance with the procedures set forth in this section shall not be deemed to have extinguished an acquiror's capital maintenance obligation and the Office will seek appropriate enforcement remedies.

(d) *Divestiture*. (1) In the event that the examination conducted under paragraph (c) of this section indicates that no deficiency exists, the acquiror may divest control of the savings association to which the capital maintenance obligation relates upon receiving written notice of the results of the examination. Where the examination was not completed or the results not communicated to the acquiror in a timely manner, and the savings association's most recent Thrift Financial Report filed before the filing of the notice of

divestiture indicates no deficiency existed at that time, the acquiror may divest control of the savings association to which the capital maintenance obligation relates 91 days after the receipt of the notice by the Office, or such longer period as established under paragraph (c) of this section.

(2) In the event that a deficiency exists, the acquiror may not divest control of the savings association to which the capital maintenance obligation relates unless:

(i) The acquiror provides the office with an agreement to infuse into the savings association the amount necessary to remedy the deficiency and make arrangements, satisfactory to the Office, to assure payment of the deficiency; or

(ii) The deficiency is satisfied.

(3) An acquiror may divest control of a savings association to which a capital maintenance obligation relates prior to the completion of the examination conducted under paragraph (c) of this section if the acquiror provides the Office with an agreement to infuse into the savings association the amount necessary to remedy the deficiency and makes arrangements, satisfactory to the Office, to assure payment of any deficiency.

(e) *Effect of regulation on terms of capital maintenance obligations.* This regulation does not supercede any liability imposed by a capital maintenance obligation.

(f) *Exceptions.* The Director of the Office may, upon application or upon his or her own initiative, grant or deny exemptions from this section.

SOURCE: 54 FR 49665, Nov. 30, 1989, unless otherwise noted.

§ 569.1 Definitions.

As used in this part:

(a) *Security holder.* The term *security holder* means any person having the right to vote in the affairs of a savings association by virtue of:

(1) Ownership of any security of the association or

(2) Any indebtedness to the association.

For purposes of this part, the term *security holder* shall include any account holder having the right to vote in the affairs of a mutual savings association.

(b) *Person.* The term *person* includes, in addition to natural persons, corporations, partnerships, pension funds, profit-sharing funds, trusts, and any other group of associated persons of whatever nature.

(c) *Proxy.* The term *proxy* includes every form of authorization by which a person is, or may be deemed to be, designated to act for the security holder in the exercise of his or her voting rights in the affairs of a savings association. Such an authorization may take the form of failure to dissent or object.

(d) *Solicit; solicitation.* The terms *solicit* and *solicitation* refer to:

(1) Any request for a proxy whether or not accompanied by or included in a form of proxy;

(2) Any request to execute, not execute, or revoke a proxy; or

(3) The furnishing of a form of proxy or other communication to security holders under circumstances reasonably calculated to result in the procurement, withholding, or revocation of a proxy.

The terms do not apply, however, to the furnishing of a form of proxy to a security holder upon the request of such security holder or to the performance by any person of ministerial acts on behalf of a person soliciting a proxy.

§ 569.2 Form of proxies.

Every form of proxy shall conform to the following requirements:

(a) The proxy shall be revocable at will by the person giving it. The power

to revoke may not be conditioned on any event or occurrence or be otherwise limited; except that, in the case of a proxy relating to capital stock if such proxy is coupled with an interest, states such fact on its face, and is valid under the laws of the State in which it is to be exercised, such proxy may be made irrevocable to the extent permitted by such State law.

(b) The proxy may not be part of any other document or instrument (such as an account card).

(c) The proxy shall be clearly labeled "Revocable Proxy" in boldface type (at least as large as 18 point).

§ 569.3 Holders of proxies.

No proxy of a mutual savings association with a term greater than eleven months or solicited at the expense of the association may designate as holder anyone other than the board of directors [trustees] as a whole, or a committee appointed by a majority of such board.

(c)(1) Contains any statement that is false or misleading with respect to any material fact, or

(2) Omits to state any material fact:

(i) Necessary in order to make the statements therein not false or misleading or

(ii) Necessary to correct any statement in any earlier communication with respect to the solicitation of a proxy for the same meeting or subject matter that has subsequently become false or misleading.

PART 570—SUBMISSION AND REVIEW OF SAFETY AND SOUNDNESS COMPLIANCE PLANS AND ISSUANCE OF ORDERS TO CORRECT SAFETY AND SOUNDNESS DEFICIENCIES

Sec.

570.1 Authority, purpose, scope and preservation of existing authority.

570.2 Determination and notification of failure to meet safety and soundness standards and request for compliance plan.

570.3 Filing of safety and soundness compliance plan.

570.4 Issuance of orders to correct deficiencies and to take or refrain from taking other actions.

570.5 Enforcement of orders.

APPENDIX A TO PART 570—INTERAGENCY GUIDELINES ESTABLISHING STANDARDS FOR SAFETY AND SOUNDNESS

APPENDIX B TO PART 570—INTERAGENCY GUIDELINES ESTABLISHING YEAR 2000 STANDARDS FOR SAFETY AND SOUNDNESS

AUTHORITY: 12 U.S.C. 1831p-1.

SOURCE: 60 FR 35686, July 10, 1995, unless otherwise noted.

§ 570.1 Authority, purpose, scope and preservation of existing authority.

(a) *Authority.* This part and the Guidelines in Appendices A and B to this part are issued by the OTS under section 39 (section 39) of the Federal Deposit Insurance Act (FDI Act) (12 U.S.C. 1831p-1) as added by section 132 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA) (Pub. L. 102-242, 105 Stat. 2236 (1991)), and as amended by section 956 of the Housing and Community Development Act of 1992 (Pub. L. 102-550, 106 Stat. 3895 (1992)), and as amended by section 318 of the Community Development Banking Act of 1994 (Pub. L. 103-325, 108 Stat. 2160 (1994)).

(b) *Purpose.* Section 39 of the FDI Act requires the OTS to establish safety and soundness standards. Pursuant to section 39, a savings association may be required to submit a compliance plan if it is not in compliance with a safety and soundness standard established by guideline under section 39 (a)

or (b). An enforceable order under section 8 of the FDI Act may be issued if, after being notified that it is in violation of a safety and soundness standard prescribed under section 39, the savings association fails to submit an acceptable compliance plan or fails in any material respect to implement an accepted plan. This part establishes procedures for submission and review of safety and soundness compliance plans and for issuance and review of orders pursuant to section 39. Interagency Guidelines Establishing Standards for Safety and Soundness pursuant to section 39 of the FDI Act are set forth in Appendix A to this part. The Interagency Guidelines Establishing Year 2000 Standards for Safety and Soundness are set forth in Appendix B to this part.

(c) *Scope.* This part and the Interagency Guidelines at Appendices A and B to this part implement the provisions of section 39 of the FDI Act as they apply to savings associations.

(d) *Preservation of existing authority.* Neither section 39 of the FDI Act nor this part in any way limits the authority of the OTS under any other provision of law to take supervisory actions to address unsafe or unsound practices, violations of law, unsafe or unsound conditions, or other practices. Action under section 39 and this part may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the OTS.

§ 570.2 Determination and notification of failure to meet safety and soundness standards and request for compliance plan.

(a) *Determination.* The OTS may, based upon an examination, inspection, or any other information that becomes available to the OTS, determine that a savings association has failed to satisfy the safety and soundness standards contained in the Interagency Guidelines Establishing Standards for Safety and Soundness as set forth in appendix A to this part or the Interagency Guidelines Establishing Year 2000 Standards for Safety and Soundness as set forth in appendix B to this part.

(b) *Request for compliance plan.* If the OTS determines that a savings association has failed to meet a safety and soundness standard pursuant to paragraph (a) of this section, the OTS may request by letter or through a report of examination, the submission of a compliance plan. The savings association shall be deemed to have notice of the request three days after mailing or delivery of the letter or report of examination by the OTS.

[60 FR 35686, July 10, 1995, as amended at 63 FR 55489, Oct. 15, 1998]

§ 570.3 Filing of safety and soundness compliance plan.

(a) *Schedule for filing compliance plan—(1) In general.* A savings association shall file a written safety and soundness compliance plan with the OTS within 30 days of receiving a request for a compliance plan pursuant to § 570.2(b), unless the OTS notifies the savings association in writing that the plan is to be filed within a different period.

(2) *Other plans.* If a savings association is obligated to file, or is currently operating under, a capital restoration plan submitted pursuant to section 38 of the FDI Act (12 U.S.C. 1831o), a cease-and-desist order entered into pursuant to section 8 of the FDI Act, a formal or informal agreement, or a response to a report of examination, it may, with the permission of the OTS, submit a compliance plan under this section as part of that plan, order, agreement, or response, subject to the deadline provided in paragraph (a)(1) of this section.

(b) *Contents of plan.* The compliance plan shall include a description of the steps the savings association will take to correct the deficiency and the time within which those steps will be taken.

(c) *Review of safety and soundness compliance plans.* Within 30 days after receiving a safety and soundness compliance plan under this subpart, the OTS shall provide written notice to the savings association of whether the plan has been approved or seek additional information from the savings association regarding the plan. The OTS may extend the time within which notice regarding approval of a plan will be provided.

(d) *Failure to submit or implement a compliance plan.* If a savings association fails to submit an acceptable plan within the time specified by the OTS or fails in any material respect to implement a compliance plan, then the OTS shall, by order, require the savings association to correct the deficiency and may take further actions provided in section 39(e)(2)(B) of the FDI Act. Pursuant to section 39(e)(3), the OTS may be required to take certain actions if the savings association commenced operations or experienced a change in control within the previous 24-month period, or the savings association experienced extraordinary growth during the previous 18-month period.

(e) *Amendment of compliance plan.* A savings association that has filed an approved compliance plan may, after prior written notice to and approval by the OTS, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the savings association shall implement the compliance plan as previously approved.

§ 570.4 Issuance of orders to correct deficiencies and to take or refrain from taking other actions.

(a) *Notice of intent to issue order—(1) In general.* The OTS shall provide a savings association prior written notice of the OTS's intention to issue an order requiring the savings association to correct a safety and soundness deficiency or to take or refrain from taking other actions pursuant to section 39 of the FDI Act. The savings association shall have such time to respond to a proposed order as provided by the OTS under paragraph (c) of this section.

(2) *Immediate issuance of final order.* If the OTS finds it necessary in order to carry out the purposes of section 39 of the FDI Act, the OTS may, without providing the notice prescribed in paragraph (a)(1) of this section, issue an order requiring a savings association immediately to take actions to correct a safety and soundness deficiency or to take or refrain from taking other actions pursuant to section 39. A savings association that is subject to such an immediately effective order may submit a written appeal of the order to the

OTS. Such an appeal must be received by the OTS within 14 calendar days of the issuance of the order, unless the OTS permits a longer period. The OTS shall consider any such appeal, if filed in a timely manner, within 60 days of receiving the appeal. During such period of review, the order shall remain in effect unless the OTS, in its sole discretion, stays the effectiveness of the order.

(b) *Contents of notice.* A notice of intent to issue an order shall include:

(1) A statement of the safety and soundness deficiency or deficiencies that have been identified at the savings association;

(2) A description of any restrictions, prohibitions, or affirmative actions that the OTS proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of any required action; and

(4) The date by which the savings association subject to the order may file with the OTS a written response to the notice.

(c) *Response to notice—(1) Time for response.* A savings association may file a written response to a notice of intent to issue an order within the time period set by the OTS. Such a response must be received by the OTS within 14 calendar days from the date of the notice unless the OTS determines that a different period is appropriate in light of the safety and soundness of the savings association or other relevant circumstances.

(2) *Contents of response.* The response should include:

(i) An explanation why the action proposed by the OTS is not an appropriate exercise of discretion under section 39 of the FDI Act;

(ii) Any recommended modification of the proposed order; and

(iii) Any other relevant information, mitigating circumstances, documentation, or other evidence in support of the position of the savings association regarding the proposed order.

(d) *OTS consideration of response.* After considering the response, the OTS may:

(1) Issue the order as proposed or in modified form;

(2) Determine not to issue the order and so notify the savings association; or

(3) Seek additional information or clarification of the response from the savings association, or any other relevant source.

(e) *Failure to file response.* Failure by a savings association to file with the OTS, within the specified time period, a written response to a proposed order shall constitute a waiver of the opportunity to respond and shall constitute consent to the issuance of the order.

(f) *Request for modification or rescission of order.* Any savings association that is subject to an order under this subpart may, upon a change in circumstances, request in writing that the OTS reconsider the terms of the order, and may propose that the order be rescinded or modified. Unless otherwise ordered by the OTS, the order shall continue in place while such request is pending before the OTS.

§ 570.5 Enforcement of orders.

(a) *Judicial remedies.* Whenever a savings association fails to comply with an order issued under section 39 of the FDI Act, the OTS may seek enforcement of the order in the appropriate United States district court pursuant to section 8(i)(1) of the FDI Act.

(b) *Administrative remedies.* Pursuant to section 8(i)(2)(A) of the FDI Act, the OTS may assess a civil money penalty against any savings association that violates or otherwise fails to comply with any final order issued under section 39 and against any savings association-affiliated party who participates in such violation or noncompliance.

(c) *Other enforcement action.* In addition to the actions described in paragraphs (a) and (b) of this section, the OTS may seek enforcement of the provisions of section 39 of the FDI Act or this part through any other judicial or administrative proceeding authorized by law.

- A. Excessive compensation.

I. Introduction

i. Section 39 of the Federal Deposit Insurance Act¹ (FDI Act) requires each Federal banking agency (collectively, the agencies) to establish certain safety and soundness standards by regulation or by guideline for all insured depository institutions. Under section 39, the agencies must establish three types of standards: (1) Operational and managerial standards; (2) compensation standards; and (3) such standards relating to asset quality, earnings, and stock valuation as they determine to be appropriate.

ii. Section 39(a) requires the agencies to establish operational and managerial standards relating to: (1) Internal controls, information systems and internal audit systems, in accordance with section 36 of the FDI Act (12 U.S.C. 1831m); (2) loan documentation; (3) credit underwriting; (4) interest rate exposure; (5) asset growth; and (6) compensation, fees, and benefits, in accordance with subsection (c) of section 39. Section 39(b) requires the agencies to establish standards relating to asset quality, earnings, and stock valuation that the agencies determine to be appropriate.

iii. Section 39(c) requires the agencies to establish standards prohibiting as an unsafe and unsound practice any compensatory arrangement that would provide any executive officer, employee, director, or principal shareholder of the institution with excessive compensation, fees or benefits and any compensatory arrangement that could lead to

¹Section 39 of the Federal Deposit Insurance Act (12 U.S.C. 1831p–1) was added by section 132 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA), Pub. L. 102–242, 105 Stat. 2236 (1991), and amended by section 956 of the Housing and Community Development Act of 1992, Pub. L. 102–550, 106 Stat. 3895 (1992) and section 318 of the Riegle Community Development and Regulatory Improvement Act of 1994, Pub. L. 103–325, 108 Stat. 2160 (1994).

material financial loss to an institution. Section 39(c) also requires that the agencies establish standards that specify when compensation is excessive.

iv. If an agency determines that an institution fails to meet any standard established by guideline under subsection (a) or (b) of section 39, the agency may require the institution to submit to the agency an acceptable plan to achieve compliance with the standard. In the event that an institution fails to submit an acceptable plan within the time allowed by the agency or fails in any material respect to implement an accepted plan, the agency must, by order, require the institution to correct the deficiency. The agency may, and in some cases must, take other supervisory actions until the deficiency has been corrected.

v. The agencies have adopted amendments to their rules and regulations to establish deadlines for submission and review of compliance plans.²

vi. The following Guidelines set out the safety and soundness standards that the agencies use to identify and address problems at insured depository institutions before capital becomes impaired. The agencies believe that the standards adopted in these Guidelines serve this end without dictating how institutions must be managed and operated. These standards are designed to identify potential safety and soundness concerns and ensure that action is taken to address those concerns before they pose a risk to the deposit insurance funds.

A. Preservation of Existing Authority

Neither section 39 nor these Guidelines in any way limits the authority of the agencies to address unsafe or unsound practices, violations of law, unsafe or unsound conditions, or other practices. Action under section 39 and these Guidelines may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the agencies. Nothing in these Guidelines limits the authority of the FDIC pursuant to section 38(i)(2)(F) of the FDI Act (12 U.S.C. 1831(o)) and Part 325 of Title 12 of the Code of Federal Regulations.

B. Definitions

1. *In general.* For purposes of these Guidelines, except as modified in the Guidelines or unless the context otherwise requires, the

terms used have the same meanings as set forth in sections 3 and 39 of the FDI Act (12 U.S.C. 1813 and 1831p-1).

2. *Board of directors*, in the case of a state-licensed insured branch of a foreign bank and in the case of a federal branch of a foreign bank, means the managing official in charge of the insured foreign branch.

3. *Compensation* means all direct and indirect payments or benefits, both cash and non-cash, granted to or for the benefit of any executive officer, employee, director, or principal shareholder, including but not limited to payments or benefits derived from an employment contract, compensation or benefit agreement, fee arrangement, perquisite, stock option plan, postemployment benefit, or other compensatory arrangement.

4. *Director* shall have the meaning described in 12 CFR 215.2(c).³

5. *Executive officer* shall have the meaning described in 12 CFR 215.2(d).⁴

6. *Principal shareholder* shall have the meaning described in 12 CFR 215.2(l).⁵

II. Operational and Managerial Standards

A. *Internal controls and information systems.* An institution should have internal controls and information systems that are appropriate to the size of the institution and the nature, scope and risk of its activities and that provide for:

1. An organizational structure that establishes clear lines of authority and responsibility for monitoring adherence to established policies;

2. Effective risk assessment;

3. Timely and accurate financial, operational and regulatory reports;

4. Adequate procedures to safeguard and manage assets; and

5. Compliance with applicable laws and regulations.

B. *Internal audit system.* An institution should have an internal audit system that is appropriate to the size of the institution and the nature and scope of its activities and that provides for:

1. Adequate monitoring of the system of internal controls through an internal audit function. For an institution whose size, complexity or scope of operations does not warrant a full scale internal audit function, a system of independent reviews of key internal controls may be used;

³In applying these definitions for savings associations, pursuant to 12 U.S.C. 1464, savings associations shall use the terms "savings association" and "insured savings association" in place of the terms "member bank" and "insured bank".

⁴See footnote 3 in section I.B.4. of this appendix.

⁵See footnote 3 in section I.B.4. of this appendix.

²For the Office of the Comptroller of the Currency, these regulations appear at 12 CFR Part 30; for the Board of Governors of the Federal Reserve System, these regulations appear at 12 CFR Part 263; for the Federal Deposit Insurance Corporation, these regulations appear at 12 CFR Part 308, subpart R, and for the Office of Thrift Supervision, these regulations appear at 12 CFR Part 570.

2. Independence and objectivity;
3. Qualified persons;
4. Adequate testing and review of information systems;
5. Adequate documentation of tests and findings and any corrective actions;
6. Verification and review of management actions to address material weaknesses; and
7. Review by the institution's audit committee or board of directors of the effectiveness of the internal audit systems.

C. *Loan documentation.* An institution should establish and maintain loan documentation practices that:

1. Enable the institution to make an informed lending decision and to assess risk, as necessary, on an ongoing basis;
2. Identify the purpose of a loan and the source of repayment, and assess the ability of the borrower to repay the indebtedness in a timely manner;
3. Ensure that any claim against a borrower is legally enforceable;
4. Demonstrate appropriate administration and monitoring of a loan; and
5. Take account of the size and complexity of a loan.

D. *Credit underwriting.* An institution should establish and maintain prudent credit underwriting practices that:

1. Are commensurate with the types of loans the institution will make and consider the terms and conditions under which they will be made;
2. Consider the nature of the markets in which loans will be made;
3. Provide for consideration, prior to credit commitment, of the borrower's overall financial condition and resources, the financial responsibility of any guarantor, the nature and value of any underlying collateral, and the borrower's character and willingness to repay as agreed;
4. Establish a system of independent, ongoing credit review and appropriate communication to management and to the board of directors;
5. Take adequate account of concentration of credit risk; and
6. Are appropriate to the size of the institution and the nature and scope of its activities.

E. *Interest rate exposure.* An institution should:

1. Manage interest rate risk in a manner that is appropriate to the size of the institution and the complexity of its assets and liabilities; and
2. Provide for periodic reporting to management and the board of directors regarding interest rate risk with adequate information for management and the board of directors to assess the level of risk.

F. *Asset growth.* An institution's asset growth should be prudent and consider:

1. The source, volatility and use of the funds that support asset growth;

2. Any increase in credit risk or interest rate risk as a result of growth; and

3. The effect of growth on the institution's capital.

G. *Asset quality.* An insured depository institution should establish and maintain a system that is commensurate with the institution's size and the nature and scope of its operations to identify problem assets and prevent deterioration in those assets. The institution should:

1. Conduct periodic asset quality reviews to identify problem assets;
2. Estimate the inherent losses in those assets and establish reserves that are sufficient to absorb estimated losses;
3. Compare problem asset totals to capital;
4. Take appropriate corrective action to resolve problem assets;
5. Consider the size and potential risks of material asset concentrations; and
6. Provide periodic asset reports with adequate information for management and the board of directors to assess the level of asset risk.

H. *Earnings.* An insured depository institution should establish and maintain a system that is commensurate with the institution's size and the nature and scope of its operations to evaluate and monitor earnings and ensure that earnings are sufficient to maintain adequate capital and reserves. The institution should:

1. Compare recent earnings trends relative to equity, assets, or other commonly used benchmarks to the institution's historical results and those of its peers;
2. Evaluate the adequacy of earnings given the size, complexity, and risk profile of the institution's assets and operations;
3. Assess the source, volatility, and sustainability of earnings, including the effect of nonrecurring or extraordinary income or expense;
4. Take steps to ensure that earnings are sufficient to maintain adequate capital and reserves after considering the institution's asset quality and growth rate; and
5. Provide periodic earnings reports with adequate information for management and the board of directors to assess earnings performance.

I. *Compensation, fees and benefits.* An institution should maintain safeguards to prevent the payment of compensation, fees, and benefits that are excessive or that could lead to material financial loss to the institution.

III. Prohibition on Compensation That Constitutes an Unsafe and Unsound Practice

A. Excessive Compensation

Excessive compensation is prohibited as an unsafe and unsound practice. Compensation shall be considered excessive when amounts paid are unreasonable or disproportionate to

the services performed by an executive officer, employee, director, or principal shareholder, considering the following:

1. The combined value of all cash and non-cash benefits provided to the individual;
2. The compensation history of the individual and other individuals with comparable expertise at the institution;
3. The financial condition of the institution;
4. Comparable compensation practices at comparable institutions, based upon such factors as asset size, geographic location, and the complexity of the loan portfolio or other assets;
5. For postemployment benefits, the projected total cost and benefit to the institution;
6. Any connection between the individual and any fraudulent act or omission, breach of trust or fiduciary duty, or insider abuse with regard to the institution; and
7. Any other factors the agencies determine to be relevant.

B. Compensation Leading to Material Financial Loss

Compensation that could lead to material financial loss to an institution is prohibited as an unsafe and unsound practice.

I. INTRODUCTION

The Interagency Guidelines Establishing Year 2000 Standards for Safety and Soundness (Guidelines) set forth safety and soundness standards pursuant to section 39 of the Federal Deposit Insurance Act (section 39) (12 U.S.C. 1831p-1) that are applicable to an

insured depository institution's efforts to achieve Year 2000 readiness. The Guidelines, which also interpret the general standards in the Interagency Guidelines Establishing Standards for Safety and Soundness adopted in 1995, apply to all insured depository institutions.

A. Preservation of Existing Authority

Neither section 39 nor the Guidelines in any way limits the authority of the Federal banking agencies to address unsafe or unsound practices, violations of law, unsafe or unsound conditions, or other practices. The Federal banking agencies, in their sole discretion, may take appropriate actions so that insured depository institutions will be able to successfully continue business operations after January 1, 2000, including on a case-by-case basis requiring actions by dates that are later than the key dates set forth in the Guidelines. Action under section 39 and the Guidelines may be taken independently of, in conjunction with, or in addition to any other action, including enforcement action, available to the Federal banking agencies.

B. Definitions

1. *In general.* For purposes of the Guidelines the following definitions apply:

a. *Business resumption contingency plan* means a plan that describes how mission-critical systems of the insured depository institution will continue to operate in the event there are system failures in processing, calculating, comparing, or sequencing date or time data from, into, or between the 20th and 21st centuries; or the years 1999 and 2000; or with regard to leap year calculations.

b. *External system* means a system the renovation of which is not controlled by the insured depository institution, including systems provided by service providers and any interfaces with external third party suppliers and other material third parties.

c. *External third party supplier* means a service provider or software vendor that supplies services or products to insured depository institutions.

d. *Internal system* means a system the renovation of which is controlled by the insured depository institution, including software, operating systems, mainframe computers, personal computers, readers/sorters, and proof machines. Internal system also may include a system controlled by the insured depository institution with embedded integrated circuits (e.g., heating and cooling systems, vaults, communications, security systems, and elevators).

e. *Mission-critical system* means an application or system that is vital to the successful continuance of a core business activity. An application or system may be mission-critical if it interfaces with a designated mission-

critical system. Software products also may be mission-critical.

f. *Other material third party* means a third party, other than an external third party supplier, to whom an insured depository institution transmits data or from whom an insured depository institution receives data, including business partners (e.g., credit bureaus), other insured depository institutions, payment system providers, clearinghouses, customers, and utilities.

g. *Remediation contingency plan* means a plan that describes how the insured depository institution will mitigate the risks associated with the failure to successfully complete renovation, testing, or implementation of its mission-critical systems.

h. *Renovation* means code enhancements, hardware and software upgrades, system replacements, and other associated changes that ensure that the insured depository institution's mission-critical systems and applications are Year 2000 ready.

i. *Year 2000 ready or readiness* with respect to a system or application means the system or application accurately processes, calculates, compares, or sequences date or time data from, into, or between the 20th and 21st centuries; or the years 1999 and 2000; or with regard to leap year calculations.

II. YEAR 2000 STANDARDS FOR SAFETY AND SOUNDNESS

A. *Review of Mission-Critical Systems For Year 2000 Readiness.* Each insured depository institution shall in writing:

1. Identify all internal and external mission-critical systems that are not Year 2000 ready;
2. Establish priorities for accomplishing work and allocating resources to renovating internal mission-critical systems;
3. Identify the resource requirements and individuals assigned to the Year 2000 project on internal mission-critical systems;
4. Establish reasonable deadlines for commencing and completing the renovation of such internal mission-critical systems;
5. Develop and adopt a project plan that addresses the insured depository institution's Year 2000 renovation, testing, contingency planning, and management oversight process; and
6. Develop a due diligence process to monitor and evaluate the efforts of external third party suppliers to achieve Year 2000 readiness.

B. *Renovation of Internal Mission-Critical Systems.* Each insured depository institution shall commence renovation of all internal mission-critical systems that are not Year 2000 ready in sufficient time that testing of the renovation can be substantially completed by December 31, 1998.

C. *Renovation of External Mission-Critical Systems.* Each insured depository institution shall:

1. Determine the ability of external third party suppliers to renovate external mission-critical systems that are not Year 2000 ready and to complete the renovation in sufficient time to substantially complete testing by March 31, 1999;

2. Maintain written documentation of all its communications with external third party suppliers regarding their ability to renovate timely and effectively external mission-critical systems that are not Year 2000 ready; and

3. Develop in writing an ongoing due diligence process to monitor and evaluate the efforts of external third party suppliers to achieve Year 2000 readiness, including:

- a. monitoring the efforts of external third party suppliers to achieve Year 2000 readiness on at least a quarterly basis and documenting communications with these suppliers; and

- b. reviewing the insured depository institution's contractual arrangements with external third party suppliers to determine the parties' rights and obligations to achieve Year 2000 readiness.

D. *Testing of Mission-Critical Systems.* Each insured depository institution shall:

1. Develop and implement an effective written testing plan for both internal and external systems. Such a plan shall include the testing environment, testing methodology, testing schedules, budget projections, participants to be involved in testing, and the critical dates to be tested to achieve Year 2000 readiness;

2. Verify the adequacy of the testing process and validate the results of the tests with the assistance of the project manager responsible for Year 2000 readiness, the owner of the system tested, and an objective independent party (such as an auditor, a consultant, or a qualified individual from within or outside of the insured depository institution who is independent of the process under review);

3. Substantially complete testing of internal mission-critical systems by December 31, 1998;

4. Commence testing of external mission-critical systems by January 1, 1999;

5. Substantially complete testing of external mission-critical systems by March 31, 1999;

6. Commence testing with other material third parties by March 31, 1999; and

7. Complete testing of all mission-critical systems by June 30, 1999.

E. *Business Resumption Contingency Planning.* Each insured depository institution shall develop and implement an effective written business resumption contingency plan that, at a minimum:

1. Defines scenarios for mission-critical systems failing to achieve Year 2000 readiness;

2. Evaluates options and selects a reasonable contingency strategy for those systems;

3. Provides for the periodic testing of the business resumption contingency plan; and

4. Provides for independent testing of the business resumption contingency plan by an objective independent party, such as an auditor, consultant, or qualified individual from another area of the insured depository institution who was not involved in the formulation of the business resumption contingency plan.

F. Remediation Contingency Planning. Each insured depository institution that has failed to successfully complete renovation, testing, and implementation of a mission-critical system, or is in the process of remediation and is not on schedule with the key dates in section II.D, shall develop and implement an effective written remediation contingency plan that, at a minimum:

1. Outlines the alternatives available if remediation efforts are not successful, including the availability of alternative external third party suppliers, and selects a reasonable contingency strategy; and

2. Establishes trigger dates for activating the remediation contingency plan, taking into account the time necessary to convert to alternative external third party suppliers or to complete any other selected strategy.

G. Customer Risk. Each insured depository institution shall develop and implement a written due diligence process that:

1. Identifies customers, including fund providers, fund takers, and capital market/asset management counterparties, that represent material risk exposure to the institution;

2. Evaluates their Year 2000 preparedness;

3. Assesses their existing and potential Year 2000 risk to the institution; and

4. Implements appropriate risk controls, including controls for underwriting risk, to manage and mitigate their Year 2000 risk to the institution.

H. Involvement of the Board of Directors and Management.

1. During all stages of the renovation, testing, and contingency planning process, the board of directors and management of each insured depository institution shall:

a. be actively involved in managing efforts to plan, allocate resources, and monitor progress towards attaining Year 2000 readiness;

b. oversee the efforts of the insured depository institution to achieve Year 2000 readiness and allocate sufficient resources to resolve problems relating to the institution's Year 2000 readiness; and

c. evaluate the Year 2000 risk associated with any strategic business initiatives contemplated by the insured depository institution, including mergers and acquisitions, major systems development, corporate alliances, and system interdependencies.

2. In addition, the board of directors, at a minimum, shall require from management, and management shall provide to the board of directors, written status reports, at least quarterly and as otherwise appropriate to keep the directorate fully informed, of the insured depository institution's efforts in achieving Year 2000 readiness. Such written status reports shall, at a minimum, include:

a. The overall progress of the insured depository institution's efforts in achieving Year 2000 readiness;

b. The insured depository institution's interim progress in renovating, validating, and contingency planning measured against the insured depository institution's Year 2000 project plan as adopted under section II.A.5. of appendix B;

c. The status of efforts by key external third party suppliers and other material third parties in achieving Year 2000 readiness;

d. The results of the testing process;

e. The status of contingency planning efforts; and

f. The status of the ongoing assessment of customer risk.

(c) *Scope.* This part, except for §§ 572.6 and 572.8, applies to loans secured by buildings or mobile homes located or to be located in areas determined by the Director of the Federal Emergency Management Agency to have special flood hazards. Sections 572.6 and 572.8 of this part apply to loans secured by buildings or mobile homes, regardless of location.

§ 572.2 Definitions.

(a) *Act* means the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4001–4129).

(b) *Savings association* means, for purposes of this part, a savings association as that term is defined in 12 U.S.C. 1813(b)(1) and any subsidiaries or service corporations thereof.

(c) *Building* means a walled and roofed structure, other than a gas or liquid storage tank, that is principally above ground and affixed to a permanent site, and a walled and roofed structure while in the course of construction, alteration, or repair.

(d) *Community* means a State or a political subdivision of a State that has zoning and building code jurisdiction over a particular area having special flood hazards.

(e) *Designated loan* means a loan secured by a building or mobile home that is located or to be located in a special flood hazard area in which flood insurance is available under the Act.

(f) *Director of FEMA* means the Director of the Federal Emergency Management Agency.

(g) *Mobile home* means a structure, transportable in one or more sections, that is built on a permanent chassis and designed for use with or without a permanent foundation when attached to the required utilities. The term *mobile home* does not include a recreational vehicle. For purposes of this part, the term *mobile home* means a mobile home on a permanent foundation. The term *mobile home* includes a manufactured home as that term is used in the NFIP.

(h) *NFIP* means the National Flood Insurance Program authorized under the Act.

(i) *Residential improved real estate* means real estate upon which a home or other residential building is located or to be located.

(j) *Servicer* means the person responsible for:

(1) Receiving any scheduled, periodic payments from a borrower under the terms of a loan, including amounts for taxes, insurance premiums, and other charges with respect to the property securing the loan; and

(2) Making payments of principal and interest and any other payments from the amounts received from the borrower as may be required under the terms of the loan.

(l) *Table funding* means a settlement at which a loan is funded by a contemporaneous advance of loan funds and an assignment of the loan to the person advancing the funds.

§ 572.3 Requirement to purchase flood insurance where available.

(a) *In general.* A savings association shall not make, increase, extend, or renew any designated loan unless the building or mobile home and any personal property securing the loan is covered by flood insurance for the term of the loan. The amount of insurance must be at least equal to the lesser of the outstanding principal balance of the designated loan or the maximum limit of coverage available for the particular type of property under the Act. Flood insurance coverage under the Act is limited to the overall value of the property securing the designated loan minus the value of the land on which the property is located.

(b) *Table funded loans.* A savings association that acquires a loan from a mortgage broker or other entity through table funding shall be considered to be making a loan for the purposes of this part.

§ 572.4 Exemptions.

The flood insurance requirement prescribed by § 572.3 does not apply with respect to:

(a) Any State-owned property covered under a policy of self-insurance satisfactory to the Director of FEMA, who publishes and periodically revises the list of States falling within this exemption; or

(b) Property securing any loan with an original principal balance of \$5,000 or less and a repayment term of one year or less.

§ 572.5 Escrow requirement.

If a savings association requires the escrow of taxes, insurance premiums, fees, or any other charges for a loan secured by *residential* improved real estate or a mobile home that is made, increased, extended, or renewed on or after October 1, 1996, the savings association shall also require the escrow of all premiums and fees for any flood insurance required under § 572.3. The savings association, or a servicer acting on behalf of the savings association, shall deposit the flood insurance premiums on behalf of the borrower in an escrow account. This escrow account will be subject to escrow requirements adopted pursuant to section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609) (RESPA), which generally limits the amount that may be maintained in escrow accounts for certain types of loans and requires escrow account statements for those accounts, only if the loan is otherwise subject to RESPA. Following receipt of a notice from the Director of FEMA or other provider of flood insurance that premiums are due, the savings association, or a servicer acting on behalf of the savings association, shall pay the amount owed to the insurance provider from the escrow account by the date when such premiums are due.

§ 572.6 Required use of standard flood hazard determination form.

(a) *Use of form.* A savings association shall use the standard flood hazard determination form developed by the Director of FEMA (as set forth in Appendix A of 44 CFR part 65) when determining whether the building or mobile home offered as collateral security for

a loan is or will be located in a special flood hazard area in which flood insurance is available under the Act. The standard flood hazard determination form may be used in a printed, computerized, or electronic manner.

(b) *Retention of form.* A savings association shall retain a copy of the completed standard flood hazard determination form, in either hard copy or electronic form, for the period of time the savings association owns the loan.

§ 572.7 Forced placement of flood insurance.

If a savings association, or a servicer acting on behalf of the savings association, determines at any time during the term of a designated loan that the building or mobile home and any personal property securing the designated loan is not covered by flood insurance or is covered by flood insurance in an amount less than the amount required under § 572.3, then the savings association or its servicer shall notify the borrower that the borrower should obtain flood insurance, at the borrower's expense, in an amount at least equal to the amount required under § 572.3, for the remaining term of the loan. If the borrower fails to obtain flood insurance within 45 days after notification, then the savings association or its servicer shall purchase insurance on the borrower's behalf. The savings association or its servicer may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

§ 572.8 Determination fees.

(a) *General.* Notwithstanding any Federal or State law other than the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001-4129), any savings association, or a servicer acting on behalf of the savings association, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is not limited to, a fee for life-of-loan monitoring.

(b) *Borrower fee.* The determination fee authorized by paragraph (a) of this section may be charged to the borrower if the determination:

(1) Is made in connection with a making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(2) Reflects the Director of FEMA's revision or updating of floodplain areas or flood-risk zones;

(3) Reflects the Director of FEMA's publication of a notice or compendium that:

(i) Affects the area in which the building or mobile home securing the loan is located; or

(ii) By determination of the Director of FEMA, may reasonably require a determination whether the building or mobile home securing the loan is located in a special flood hazard area; or

(4) Results in the purchase of flood insurance coverage by the lender or its servicer on behalf of the borrower under § 572.7.

(c) *Purchaser or transferee fee.* The determination fee authorized by paragraph (a) of this section may be charged to the purchaser or transferee of a loan in the case of the sale or transfer of the loan.

§ 572.9 Notice of special flood hazards and availability of Federal disaster relief assistance.

(a) *Notice requirement.* When a savings association makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, the savings association shall mail or deliver a written notice to the borrower and to the servicer in all cases whether or not flood insurance is available under the Act for the collateral securing the loan.

(b) *Contents of notice.* The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is available under the NFIP and may also be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or mobile home caused by flooding in a Federally-declared disaster.

(c) *Timing of notice.* The savings association shall provide the notice required by paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction, and to the servicer as promptly as practicable after the savings association provides notice to the borrower and in any event no later than the savings association provides other similar notices to the servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) *Record of receipt.* The savings association shall retain a record of the receipt of the notices by the borrower and the servicer for the period of time the savings association owns the loan.

(e) *Alternate method of notice.* Instead of providing the notice to the borrower required by paragraph (a) of this section, a savings association may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The savings association shall retain a record of the written assurance from the seller or lessor for the period of time the savings association owns the loan.

(f) *Use of prescribed form of notice.* A savings association will be considered to be in compliance with the requirement for notice to the borrower of this section by providing written notice to the borrower containing the language presented in appendix A to this part within a reasonable time before the completion of the transaction. The notice presented in appendix A to this part satisfies the borrower notice requirements of the Act.

§ 572.10 Notice of servicer's identity.

(a) *Notice requirement.* When a savings association makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the savings association

shall notify the Director of FEMA (or the Director's designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the savings association's notice of the servicer's identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee.

(b) *Transfer of servicing rights.* The savings association shall notify the Director of FEMA (or the Director's designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty to provide notice under this paragraph (b) shall transfer to the transferee servicer.

APPENDIX A TO PART 572—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's *Flood Insurance Rate Map* or the *Flood Hazard Boundary Map* for the following community: _____. This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

_____ The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or

renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.

- At a minimum, flood insurance purchased must cover *the lesser of*:

- (1) the outstanding principal balance of the loan; or

- (2) the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.

_____ Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

(vi) Acquisition of additional stock after approval under § 574.7 of this part, or any predecessor provision, has been received: *Provided*, That such acquisition is consistent with any conditions imposed in connection with such approval and with the representations made by the acquiror in its application;

(ii) Control of a savings association acquired through liquidation of a loan contracted in good faith where the loan was not made in the ordinary course of business of the lender;

(iii) Control of a savings association acquired through a percentage increase in ownership following a stock split or redemption that was not *pro rata*;

(iv) Control determined pursuant to § 574.4 (a) or (b) as a result of actions by third parties that are not within the control of the acquiror;

(v) Control of a savings association acquired through testate or intestate succession: *Provided*, That the acquiror transmits written notification of the acquisition to the Office within 60 days of the acquisition and provides such additional information as the Office may specifically request.

(2) The exemptions provided by paragraphs (d)(1)(i) through (d)(1)(iv) of this section are subject to the following conditions:

(i) The acquiror shall file an application, notice or rebuttal, as appropriate, with the Office within 90 days of acquisition of control;

(ii) The acquiror shall not take any action to direct the management or policies of the savings association or which are designed to effect a change in the business plan of the savings association other than voting on matters that may be presented to stockholders by management of the savings association until the Office has acted favorably upon the acquiror's application or notice, and the Office may require that the acquiror take such steps as the Office deems necessary to insure that control is not exercised; and

(iii) If the Office disapproves the acquiror's application or notice, the acquiror shall divest such portion of the stock held by the acquiror so as to cause the acquiror not to be determined to be in control of the savings association under § 574.4 of this part, within one year or such shorter period

of time and in the manner that the Office may order.

(e) *Prohibited acquisitions.* No acquisition shall be approved by the Office pursuant to § 574.3(a) which would result in the formation by any company, through one or more subsidiaries or through one or more transactions, of a multiple savings and loan holding company controlling savings associations in more than one state where the acquisition causes a savings association to become an affiliate of another savings association with which it was not previously affiliated unless:

(1) Such company, or a savings association subsidiary of such company, is authorized to acquire control of a savings association subsidiary, or to operate a home or branch office, in the additional state or states pursuant to section 13(k) of the Federal Deposit Insurance Act, 12 U.S.C. 1823(k) (or section 408(m) of the National Housing Act as in effect immediately prior to enactment of the Financial Institutions Reform, Recovery and Enforcement Act of 1989);

(2) Such company controls a savings association subsidiary which operated a home or branch office in the additional state or states as of March 5, 1987; or

(3) The statute laws of the state in which the savings association, control of which is to be acquired, is located are such that a savings association chartered by such state could be acquired by a savings association chartered by the state where the acquiring savings association or savings and loan holding company is located (or by a holding company that controls such a state chartered savings association), and such statute laws specifically authorize such an acquisition by language to that effect and not merely by implication.

§ 574.4 Control.

(a) *Conclusive control.* (1) An acquiror shall be deemed to have acquired control of a savings association, other than a savings and loan holding company, if the acquiror directly or indirectly, through one or more subsidi-

aries or transactions or acting in concert with one or more persons or companies:

(i) Acquires more than 25 percent of any class of voting stock of the savings association;

(iv) Controls in any manner the election of a majority of the directors of the savings association.

(2) An acquiror shall be deemed to have acquired control of a company, including a savings and loan holding company, if the acquiror directly or indirectly, or through one or more subsidiaries or transactions or acting in concert with one or more persons or companies:

(i) Acquires more than 25 percent of any class of voting stock of the company;

(ii) Acquires irrevocable proxies representing more than 25 percent of any class of voting stock of the company;

(iii) Acquires any combination of voting stock and irrevocable proxies representing more than 25 percent of any class of voting stock of a savings association;

(v) Is a general partner of a company;

(vi) Has contributed more than 25 percent of the capital of the company; or

(vii) Is a trustee of a trust.

(3) A company shall be deemed to control a savings association if the Office finds, after notice and opportunity for hearing, that the company has the power directly or indirectly, to exercise a controlling influence over the management or policies of the savings association.

(4) A person shall be deemed to control a savings association if the Office determines that such person has the power to direct the management or policies of the savings association.

(b) *Rebuttable control determinations.*

(1) Except as provided in § 574.8, an acquiror shall be determined, subject to rebuttal, to have acquired control of a savings association, if the acquiror directly or indirectly, or through one or more subsidiaries or transactions or acting in concert with one or more persons or companies:

(i) Acquires more than 10 percent of any class of voting stock of the savings association and is subject to any control factor, as defined in paragraph (c) of this section;

(ii) Acquires more than 25 percent of any class of stock of the savings association and is subject to any control factor, as defined in paragraph (c) of this section.

(2) An acquiror shall be determined, subject to rebuttal, to have acquired control of a savings association, if the acquiror directly or indirectly, or through one or more subsidiaries or transactions or acting in concert with one or more persons or companies, holds any combination of voting stock and revocable and/or irrevocable proxies, representing more than 25 percent of any class of voting stock of a savings association, excluding such proxies held in connection with a solicitation by, or in opposition to, a solicitation on behalf of management of the savings association, but including a solicitation in connection with an election of directors, and such proxies would enable the acquiror to:

(i) Elect one-third or more of the savings association's board of directors, including nominees or representatives of the acquiror currently serving on such board;

(ii) Cause the savings association's stockholders to approve the acquisition or corporate reorganization of the savings association; or

(iii) Exert a continuing influence on a material aspect of the business operations of the savings association.

(c) *Control factors.* For purposes of paragraph (b)(1) of this section, the following constitute control factors. References to the acquiror include actions taken directly or indirectly, or through one or more subsidiaries or transactions or acting in concert with one or more persons or companies:

(1) The acquiror would be one of the two largest holders of any class of voting stock of the savings association.

(2) The acquiror would hold more than 25 percent of the total stockholders' equity of the savings association.

(3) The acquiror would hold more than 35 percent of the combined debt securities and stockholders' equity of the savings association.

(4) The acquiror is party to any agreement:

(i) Pursuant to which the acquiror possesses a material economic stake in the savings association resulting from a profit-sharing arrangement, use of common names, facilities or personnel, or the provision of essential services to the savings association; or

(ii) That enables the acquiror to influence a material aspect of the management or policies of the savings association, other than agreements to which the savings association is a party where the restrictions are customary under the circumstances and in the case of an acquisition agreement, which apply only during the period when the acquiror is seeking the Office's approval to acquire the savings association, the agreement prohibits transactions between the acquiror and the savings association and their respective affiliates without approval by the Regional Director during the pendency of the application process, and the agreement contains no material forfeiture provisions applicable to the savings association in the event the acquisition is not approved or not approved by a specified date.

(5) The acquiror would have the ability, other than through the holding of revocable proxies, to direct the votes of more than 25 percent of a class of the savings association's voting stock or to vote more than 25 percent of a class of the savings association's voting stock in the future upon the occurrence of a future event.

(6) The acquiror would have the power to direct the disposition of more than 25 percent of a class of the savings association's voting stock in a manner other than a widely dispersed or public offering.

(7) The acquiror and/or the acquiror's representatives or nominees would constitute more than one member of the

savings association's board of directors.

(8) The acquiror or a nominee or management official of the acquiror would serve as the chairman of the board of directors, chairman of the executive committee, chief executive officer, chief operating officer, chief financial officer or in any position with similar policymaking authority in the savings association.

(d) *Rebuttable presumptions of concerted action.* An acquiror will be presumed to be acting in concert with the following persons and companies:

(1) A company will be presumed to be acting in concert with a controlling shareholder, partner, trustee or management official of such company with respect to the acquisition of stock of a savings association, if

(i) Both the company and the person own stock in the savings association,

(ii) The company provides credit to the person to purchase the savings association's stock, or

(iii) The company pledges its assets or otherwise is instrumental in obtaining financing for the person to acquire stock of the savings association;

(2) A person will be presumed to be acting in concert with members of the person's immediate family;

(3) Persons will be presumed to be acting in concert with each other where

(i) Both own stock in a savings association and both are also management officials, controlling shareholders, partners, or trustees of another company, or

(ii) One person provides credit to another person or is instrumental in obtaining financing for another person to purchase stock of the savings association;

(4) A company controlling or controlled by another company and companies under common control will be presumed to be acting in concert;

(5) Persons or companies will be presumed to be acting in concert where they constitute a group under the beneficial ownership reporting rules under section 13 or the proxy rules under section 14 of the Securities Exchange Act of 1934, promulgated by the Securities and Exchange Commission.

(6) A person or company will be presumed to be acting in concert with any trust for which such person or company serves as trustee, except that a tax-qualified employee stock benefit plan as defined in § 563b.2(a)(39) shall not be presumed to be acting in concert with its trustee or person acting in a similar fiduciary capacity solely for the purposes of determining whether to combine the holdings of a plan and its trustee or fiduciary.

(7) Persons or companies will be presumed to be acting in concert with each other and with any other person or company with which they also are presumed to act in concert.

(e) *Procedures for rebuttal*—(1) *Rebuttal of control determination.* An acquiror attempting to rebut a determination of control that would arise under paragraph (b) of this section shall file a submission with the Office setting forth the facts and circumstances which support the acquiror's contention that no control relationship would exist if the acquiror acquires stock or obtains a control factor with respect to a savings association. The rebuttal must be filed and accepted in accordance with this section before the acquiror acquires such stock or control factor.

(i) An acquiror seeking to rebut the determination of control arising under paragraph (b)(1) of this section shall submit to the Office an executed agreement materially conforming to the agreement set forth at § 574.100 of this part. Unless agreed to by the Office in writing, no other agreement or filing shall be deemed to rebut the determination of control arising under paragraph (b)(1) of this section. If accepted by the Office, the acquiror shall furnish a copy of the executed agreement to the association to which the rebuttal pertains.

(ii) An acquiror seeking to rebut the determination of control with respect to holding of proxies arising under paragraph (b)(2) of this section shall be subject to the requirements of paragraph (e)(1) of this section, except that in the case of a rebuttal of the presumption of control arising under paragraph (b)(2) of this section, the Office

may require the acquiror to furnish information in response to a specific request for information and depending upon the particular facts and circumstances, to provide an executed rebuttal agreement materially conforming to the agreement set forth at § 574.100 of this part, with any modifications deemed necessary by the Office.

(2) *Presumptions of concerted action.* An acquiror attempting to rebut the presumption of concerted action arising under paragraph (d) of this section shall file a submission with the Office setting forth facts and circumstances which clearly and convincingly demonstrate the acquiror's contention that no action in concert exists. Such a statement must be accompanied by an affidavit, in form and content satisfactory to the Office, executed by each person or company presumed to be acting in concert, stating that such person or company does not and shall not, without having made necessary filings and obtained approval or clearance thereof under the Holding Company Act or the Control Act, as applicable, have any agreements or understandings, written or tacit, with respect to the exercise of control, directly or indirectly, over the management or policies of the savings association, including agreements relating to voting, acquisition or disposition of the savings association's stock. The affidavit shall also recite that the signatory is aware that the filing of a false affidavit may subject the person or company to criminal sanctions, would constitute a violation of the Office's regulations at 12 CFR 563.180(b), and would be considered a "presumptive disqualifier" under 12 CFR 574.7(g)(1)(v).

(3) *Determination.* A rebuttal filed pursuant to paragraph (e) of this section shall not be deemed sufficient unless it includes all the information, agreements, and affidavits required by the Office and this part, as well as any additional relevant information as the Office may require by written request to the acquiror. Within 20 calendar days after proper filing of a rebuttal submission, the Office will provide written notification of its determination to accept or reject the submission; request additional information in connection with the submission; or return

the submission to the acquiror as materially deficient. Within 15 calendar days after proper filing of any additional information furnished in response to a specific request by the Office, the Office shall notify the acquiror in writing as to whether the rebuttal is thereby deemed to be sufficient. If the Office fails to notify an acquiror within such time, the rebuttal shall be deemed to be accepted. The Office may reject any rebuttal which is inconsistent with facts and circumstances known to it or where the rebuttal does not clearly and convincingly refute the rebuttable determination of control or presumption of action in concert, and may determine to reject a submission solely on such bases.

(f) *Safe harbor.* Notwithstanding any other provision of this section, where an acquiror has no intention to participate in or to seek to exercise control over a savings association's management or policies, the acquiror may seek to qualify for a safe harbor with respect to its ownership of stock of a savings association.

(1) In order to qualify for the safe harbor, an acquiror must submit a certification to the OTS that shall be signed by the acquiror or an authorized representative thereof and shall read as follows:

The undersigned makes this submission pursuant to § 574.4(f) of the regulations of the Office of Thrift Supervision ("Office") with respect to [name of savings association] and hereby certifies to the Office the following:

The undersigned is not in control of [name of savings association] under § 574.4(a);

The undersigned is not subject to any control factor as enumerated in § 574.4(c) with respect to the [name of savings association];

The undersigned will not solicit proxies relating to the voting stock of [name of savings association];

Before any change in status occurs that would bring the undersigned within the scope of § 574.4 (a) or (b), the undersigned will file and obtain approval of a rebuttal, notice or application, as appropriate.

The undersigned has not acquired stock of [name of savings association] for the purpose or effect of changing or influencing the control of [name of savings association] or in connection with or as a participant in any transaction having such purpose or effect.

(2) An acquiror claiming safe-harbor status may vote freely and dissent with

respect to its own stock. Certifications provided for in this paragraph shall be submitted to the Office in accordance with § 516.1(c) of this chapter.

[54 FR 49690, Nov. 30, 1989, as amended at 57 FR 14349, Apr. 20, 1992; 60 FR 66720, Dec. 26, 1995]

§ 574.5 Certifications of ownership.

(a) *Acquisition of stock.* (1) Upon the acquisition of beneficial ownership that exceeds, in the aggregate, 10 percent of any class of stock of a savings association or additional stock above 10 percent of the stock of a savings association occurring after December 26, 1985, an acquiror shall file with the OTS a certification as described in this section.

(2) The certification filed pursuant to this section shall be signed by the acquiror or an authorized representative thereof and shall read as follows:

The undersigned is the beneficial owner of 10 percent or more of a class of stock of [name of savings association or holding company]. The undersigned is not in control of such association or company, as defined in 12 CFR 574.4(a), and is not subject to a rebuttable determination of control under § 574.4(b), and will take no action that would result in a determination of control or a rebuttable determination of control without first filing and obtaining approval of an application under the Savings and Loan Holding Company Act, 12 U.S.C. 1467a, or notice under the Change in Bank Control Act, 12 U.S.C. 1817(j), or filing and obtaining acceptance by the Office of Thrift Supervision of a rebuttal of the rebuttable determination of control.

(3) Notwithstanding anything contained in this paragraph (a), an acquiror is not required to file a certification if (i) the Office has approved the acquisition of the savings association or (ii) the acquiror has filed a materially complete application or notice pursuant to § 574.3 of this part.

(b) *Privacy.* All certifications filed under this § 574.5 shall be for the information of the Office in connection with its examination functions and shall be provided confidential treatment by the Office.

§ 574.6 Procedural requirements.

(a) *Form of application or notice.* An application, notice, or informational filing required by § 574.3 of this part shall be filed on the Application/Information Filing H-(e) _____ form. (As specified in the form's instructions, the blank line following the H-(e) should be filled in by applicants with the appropriate "1", "1-S", "2", "3", or "4" depending on the type of application.) The specific application requirements for each type of filing are indicated on the form. An acquiror may request confidential treatment of portions of an application or notice only by complying with the requirements of paragraph (f) of this section. In the case of an application involving a merger (including a merger with an interim association) the Application/Information Filing H-(e) _____ form shall be used in lieu of an application that otherwise would be required for such merger under §§ 546.2, 552.13, and 563.22 of this chapter.

(1) *H-(e)1.* This application type shall be filed under § 574.3(a) of this part by a company, other than a savings and loan holding company, for approval to acquire direct or indirect control of one savings association.

(2) *H-(e)1-S.* This application type shall be filed under § 574.3(a) of this part by a savings association for approval to reorganize into a holding company structure, provided that the proposed transaction satisfies each of the conditions for automatic approval specified in § 574.7 (a)(2) and (a)(3) of this part.

(3) *H-(e)2.* (i) This application type shall be filed under § 574.3(a) of this part:

(A) By a savings and loan holding company for approval to acquire and hold separately one or more savings associations;

(B) By any other company for approval to acquire and hold separately more than one savings association;

(C) By a savings and loan holding company for approval of an acquisition of shares issued by a savings association in a qualified stock issuance pursuant to § 574.8 of this part; or

(D) By any director, officer, or any individual who owns, controls, or holds with power to vote (or holds proxies representing) more than 25 percent of

the voting shares of a savings and loan holding company for approval of an acquisition of one or more savings associations.

(ii) The OTS may determine as a general matter or on a case-by-case basis not to require application information not relevant to transactions described in paragraphs (a)(3)(i) (C) and (D) of this section.

(4) *H-(e)3*. This application shall be used for all applications filed under § 574.3(a) of this part:

(i) By a savings and loan holding company for approval of acquisitions by a merger, consolidation, or purchase of assets of a savings association or uninsured institution or a savings and loan holding company; or

(ii) By any company for approval of acquisitions by a merger, consolidation, or purchase of assets of two or more savings associations.

(5) *H-(e)4*. This information filing shall be used to claim that a reorganization is exempt from prior written approval of the OTS under § 574.3(c)(1)(ii) of this part.

(6) *Notice Form 1393, parts A and B*. This form shall be used for all notices filed under § 574.3(b) of this part regarding the acquisition of control of a savings association by any person or persons not constituting a company except as provided in paragraph (a)(3) of this section.

(b) *Filing requirements—(1) Applications, notices, and rebuttals*. (i) Complete copies including exhibits and all other pertinent documents of applications, notices, and rebuttal submissions shall be filed with the Region in which the savings association or associations involved in the transaction have their home office or offices. Unsigned copies shall be conformed. Each copy shall include a summary of the proposed transaction.

(ii) Any person or company may amend an application, notice or rebuttal submission, or file additional information, upon request of the OTS or, in the case of the party filing an application, notice, or rebuttal, upon such party's own initiative.

(2) *H-(e)4 Information filing*. Any information filing required to be made to claim that a reorganization is exempt from prior written approval of the OTS

under § 574.3(c)(1)(ii) of this part shall be clearly labeled “H-(e)4 Information Filing”.

(c) *Sufficiency and waiver*. (1) Except as provided in § 574.6(c)(5), an application or notice filed pursuant to § 574.3 (a) or (b) shall not be deemed sufficient unless it includes all of the information required by the form prescribed by the Office and this part, including a complete description of the acquiror's proposed plan for acquisition of control whether pursuant to one or more transactions, and any additional relevant information as the Office may require by written request to the applicant. Unless an application or notice specifically indicates otherwise, the application or notice shall be considered to pertain to acquisition of 100 percent of a savings association's voting stock. Where an application or notice pertains to a lesser amount of stock, the Office may condition its approval or non-disapproval to apply only to such amount, in which case additional acquisitions may be made only by amendment to the acquiror's application or notice and the Office's approval or non-disapproval thereof. Failure by an applicant to respond completely to a written request by the Office for additional information within 30 calendar days of the date of such request may be deemed to constitute withdrawal of the application, notice, or rebuttal filing or may be treated as grounds for denial of an application, issuance of a notice of disapproval of a notice, or rejection of a rebuttal.

(2) The period for the Office's review of any proposed acquisition will commence upon receipt by the Office of a notice or application deemed sufficient under paragraph (c)(1) of this section. The Office shall notify an acquiror in writing within 30 calendar days after proper filing of an application or notice as to whether an application or notice—

(i) Is sufficient;

(ii) Is insufficient, and what additional information is requested in order to render the application or notice sufficient; or

(iii) Is materially deficient and will not be processed: *Provided*, That if the public comment period specified in

paragraph (e) of this section is extended, the 30 day period shall be extended for the same number of days the public comment period is extended. The Office also shall notify an acquiror in writing within 15 calendar days after proper filing of any additional information furnished in response to a specific request by the Office as to whether the application or notice is thereby deemed to be sufficient. If the Office fails to so notify an acquiror within such times, the application or notice shall be deemed to be sufficient as of the expiration of the applicable period.

(3) After additional information has been requested and supplied, the Office may request additional information only with respect to matters derived from or prompted by information already furnished, or information of a material nature that was not reasonably available from the acquiror, was concealed, or pertains to developments subsequent to the time of the Office's initial request for additional information. With regard to information of a material nature that was not reasonably available from the acquiror or was concealed at the time an application or notice was deemed to be sufficient or which pertains to developments subsequent to the time an application or notice was deemed to be sufficient, the Office, at its option, may request such additional information as it considers necessary, or may deem the application or notice not to be sufficient until such additional information is furnished and cause the review period to commence again in its entirety upon receipt of such additional information.

(i) The 60-day period for the Office's review of an application or notice deemed to be sufficient also may be extended by the Office for up to an additional 30 days.

(ii) The period for the Office's review of a notice may be further extended not to exceed two additional times for not more than 45 days each time if—

(A) The Office determines that any acquiring party has not furnished all the information required under this part;

(B) In the Office's judgment, any material information submitted is substantially inaccurate;

(C) The Office has been unable to complete an investigation of each acquiror because of any delay caused by, or the inadequate cooperation of, such acquiror; or

(D) The Office determines that additional time is needed to investigate and determine that no acquiring party has a record of failing to comply with the requirements of subchapter II of chapter 53 of title 31 of the United States Code.

(4) With respect to an H-(e)4 information filing, the Chief Counsel or his or her designee shall have 30 days after receipt of a filing deemed sufficient to disapprove the assertion that the company qualifies for the exemption provided in § 574.3(c)(1)(ii). After the expiration of such 30-day period without response from the Chief Counsel, the filing shall be deemed to be approved.

(5) The Office may waive any requirements of this paragraph (c) determined to be unnecessary by the Office, upon its own initiative, upon the written request of an acquiring person, or in a supervisory case.

(d) *Publication.* (1) An acquiror shall publish a notification as provided in this section no earlier than three calendar days before and no later than three calendar days after filing an application under § 574.3(a) or 574.8 or notice under § 574.3(b) and shall mail a copy of the notification to the association whose stock is sought to be acquired. Publication shall be made in the business section of a newspaper printed in the English language in:

(i) The community in which the home office of the savings association is located; and

(ii) If applicable, the community in which the home office of the largest subsidiary savings association of the acquiror is located.

If it is determined that the primary language of a significant number of adult residents of either community is a language other than English, the acquiror may be required to publish the notification simultaneously in the appropriate language(s).

(2) Notice published pursuant to paragraph (d) of this section shall be published in a manner that is conspicuous to the average reader and shall be

made in substantially the following form:

Comments shall be filed in the manner and in the locations provided in paragraph (b) of this section for the application or notice to which the comments pertain.

(f) *Disclosure.* (1) Any application, notice, other filings, public comment, or portion thereof, made pursuant to this part for which confidential treatment is not requested in accordance with this paragraph (f), shall be immediately available to the public and not subject to the procedures set forth herein. Public disclosure shall be made of other portions of an application, notice, other filing or public comment in accordance with paragraph (f)(2) of this section, the provisions of the Freedom of Information Act (5 U.S.C. 552a) and parts 503 and 505 of this chapter. Applicants and other submitters should provide confidential and non-confidential versions of their filings, as described in § 574.6(f) (2) and (3) in order to facilitate this process.

(2) Any person who submits any information or causes or permits any information to be submitted to the Office pursuant to this part may request that the Office afford confidential treatment under the Freedom of Information Act to such information for reasons of personal privacy or business confidentiality, which shall include such information that would be deemed to result in the commencement of a tender offer under § 240.14d-2 of title 17

of the Code of Federal Regulations, or for any other reason permitted by Federal law. Such request for confidentiality must be made and justified in accordance with paragraph (f)(5) of this section at the time of filing, and must, to the extent practicable, identify with specificity the information for which confidential treatment may be available and not merely indicate portions of documents or entire documents in which such information is contained. Failure to specifically identify information for which confidential treatment is requested, failure to specifically justify the bases upon which confidentiality is claimed in accordance with paragraph (f)(5) of this section, or overbroad and indiscriminate claims for confidential treatment, may be bases for denial of the request. In addition, the filing party should take all steps reasonably necessary to ensure, as nearly as practicable, that at the time the information is first received by the Office (i) it is supplied segregated from information for which confidential treatment is not being requested, (ii) it is appropriately marked as confidential, and (iii) it is accompanied by a written request for confidential treatment which identifies with specificity the information as to which confidential treatment is requested. Any such request must be substantiated in accordance with paragraph (f)(5) of this section.

(3) All documents which contain information for which a request for confidential treatment is made or the appropriate segregable portions thereof shall be marked by the person submitting the records with a prominent stamp, typed legend, or other suitable form of notice on each page or segregable portion of each page, stating "Confidential Treatment Requested by [name]." If such marking is impracticable under the circumstances, a cover sheet prominently marked "Confidential Treatment Requested by [name]" should be securely attached to each group of records submitted for which confidential treatment is requested. Each of the records transmitted in this manner should be individually marked with an identifying number and code so that they are separately identifiable.

(4) A determination as to the validity of any request for confidential treatment may be made when a request for disclosure of the information under the Freedom of Information Act is received, or at any time prior thereto. Five business days notice will be provided to the filing party if the Office receives a request for the information under the Freedom of Information Act and determines to disclose material for which confidential treatment has been requested.

(5) Substantiation of a request for confidential treatment shall consist of a statement setting forth, to the extent appropriate or necessary for the determination of the request for confidential treatment, the following information regarding the request:

(i) The reasons, concisely stated and referring to specific exemptive provisions of the Freedom of Information Act, why the information should be withheld from access under the Freedom of Information Act;

(ii) The applicability of any specific statutory or regulatory provisions which govern or may govern the treatment of the information;

(iii) The existence and applicability of any prior determination by the Office, other Federal agencies, or a court, concerning confidential treatment of the information;

(iv) The adverse consequences to a business enterprise, financial or otherwise, that would result from disclosure of confidential commercial or financial information, including any adverse effect on the business' competitive position;

(v) The measures taken by the business to protect the confidentiality of the commercial or financial information in question and of similar information, prior to, and after, its submission to the Office;

(vi) The ease or difficulty of a competitor's obtaining or compiling the commercial or financial information;

(vii) Whether commercial or financial information was voluntarily submitted to the Office, and, if so, whether and how disclosure of the information would tend to impede the availability of similar information to the Office;

(viii) The extent, if any, to which portions of the substantiation of the

request for confidential treatment should be afforded confidential treatment;

(ix) The amount of time after the consummation of the proposed acquisition for which the information should remain confidential and a justification thereof;

(x) Such additional facts and such legal and other authorities as the requesting person may consider appropriate.

(6) Any person requesting access to an application, notice, other filing, or public comment made pursuant to this part for purposes of commenting on a pending submission may prominently label such request: "Request for Disclosure of Filing(s) Made Under part 574/ Priority Treatment Requested."

(g) *Supervisory cases.* The provisions of paragraphs (d), (e) and (f) of this section may be waived by the Office in connection with a transaction approved by the Office for supervisory reasons.

(h) *Notification of State supervisor.* Upon receiving a notice relating to an acquisition of control of a state-chartered savings association, the Office shall forward a copy of the notice to the appropriate state savings and loan association supervisory agency, and shall allow 30 days within which the views and recommendations of such state supervisory agency may be submitted. The Office shall give due consideration to the views and recommendations of such state agency in determining whether to disapprove any proposed acquisition. Notwithstanding the provisions of this paragraph (h), if the Office determines that it must act immediately upon any notice of a proposed acquisition in order to prevent the default of the association involved in the proposed acquisition, the Office may dispense with the requirement of this paragraph (h) or, if a copy of the notice is forwarded to the state supervisory agency, the Office may request that the views and recommendations of such state supervisory agency be submitted immediately in any form or by any means acceptable to the Office.

(i) *Additional procedures for acquisitions involving mergers.* Acquisitions of control involving mergers (including mergers with an interim association)

shall also be subject to the procedures set forth in § 563.22 of this chapter to the extent applicable, except as provided in paragraph (a) of this section.

(j) *Additional procedures for acquisitions of recently converted savings associations.* Applications, notices and rebuttals involving acquisitions of the stock of a recently converted savings association under § 563b.3(i)(3) of this chapter shall also address the criteria for approval set forth at § 563b.3(i)(5) of this chapter.

§ 574.7 Determination by the OTS.

(a) *Acquisition by a company.* (1) The Office shall approve an application by any company other than a savings and loan holding company to acquire control of one savings association unless it determines that the criteria set forth in paragraph (c) of this section are not met. Acquisitions involving mergers with an interim association shall also be subject to §§ 546.2, 552.13, and 563.22 of this chapter.

(2) Subject to compliance with the requirements of §§ 546.2, 552.13 and 563.22, as applicable, an application filed pursuant to § 574.6(a)(2) by a savings association solely for the purpose of obtaining approval for the creation of a savings and loan holding company by such savings association, and related applications for permission to organize an interim federal association, and for merger with such interim association, shall be deemed to be approved 45 calendar days after such applications are properly filed in accordance with the procedures set forth herein, unless, prior to such date:

(i) The Office has requested additional information of the applicant in writing;

(ii) Notified the applicant that the application is materially deficient and will not be processed; or

(iii) Denied the application prior to that time; provided that to be eligible for approval under this paragraph (a)(2):

(A) The holding company shall not be capitalized initially in an amount exceeding the amount the savings association is permitted to pay in dividends to its holding company as of the date of the reorganization pursuant to applicable regulations or, in the absence thereof, pursuant to the then current policy guidelines issued by the OTS;

(B) The creation of the savings and loan holding company by the association is the sole transaction contained in the application, and there are no other transactions requiring Office approval incident to the creation of the holding company (other than the creation of an interim association that will disappear upon consummation of the reorganization and the merger of the savings association with such interim association to effect the reorganization), and the holding company is not also seeking any regulatory waivers, regulatory forbearances, or resolution of legal or supervisory issues;

(C) The board of directors and executive officers of the holding company are composed of persons who, at the time of acquisition, are executive officers and directors of the association;

(D) The acquisition raises no significant issues of law or policy under then current Office policy;

(E) Prior to consummation of the reorganization transaction, the holding company shall enter into any dividend limitation, regulatory capital maintenance, or prenuptial agreement required by Office regulations, or in the absence thereof, required pursuant to policy guidelines issued by the OTS;

(F) The holding company shall furnish the following information in accordance with the specified time frames:

(1) On the business day prior to the date of consummation of the acquisition, the chief financial officers of the holding company and the savings association shall certify to the OTS in writing that no material adverse events or material adverse changes have occurred with respect to the financial condition or operations of the holding company or the savings association since the date of the financial statements submitted with the application;

(2) No later than thirty days from the date of consummation of the acquisition, the holding company shall file with the OTS a certification by legal counsel stating the effective date of the acquisition, the exact number of shares of stock of the savings association acquired by the holding company, and that the acquisition has been consummated in accordance with the provisions of all applicable laws and regulations and the application;

(3) No later than thirty days from the date of consummation of the acquisition, the holding company shall file with the OTS an opinion from its independent auditors certifying that the transaction was consummated in accordance with generally accepted accounting principles; and

(4) No later than thirty days from the date of consummation of the acquisition, the holding company shall file with the OTS a certification stating that the holding company will not cause the savings association to deviate materially from the business plan submitted in connection with the application, unless prior written approval from the OTS is obtained;

(G) In the event an interim association is utilized to facilitate the reorganization transaction, the resulting association shall, no later than 30 days from the date of consummation of the reorganization transaction, furnish a certification by legal counsel stating:

(1) The effective date of the merger involving the interim association and that the merger has been consummated in accordance with the Agreement and Plan of Reorganization or similar document pursuant to which the transaction was accomplished;

(2) The interim association has not opened for business;

(3) The merger was consummated within 120 calendar days of the date of approval; and

(4) After completion of the organization of the interim association, the board of directors of the interim association ratified the Agreement and Plan of Reorganization or similar document; and

(H) The proposed acquisition shall be consummated within 120 days after the application is automatically approved under this § 574.7(a)(2).

(3) To the extent that an association reorganizing into holding company form is subject to provisions relating to its mutual to stock conversion imposed by 12 CFR 563b.3(c)(9), (c)(17), (c)(18), (c)(19), (g)(1) or (i), such provisions shall be applicable to any holding company approved automatically pursuant to paragraph (a)(2) of this section.

(b) *Acquisition by a savings and loan holding company.* The Office shall not approve an acquisition by a savings and loan holding company to acquire control of a savings association, by any other company to acquire control of more than one savings association, by any director or officer of a savings and loan holding company, or any individual who owns, controls, or holds with power to vote (or holds proxies representing) more than 25 percent of the voting stock of a savings and loan holding company to acquire control of a savings association, or by a savings and loan holding company to acquire a qualified stock issuance by a savings association pursuant to § 574.8 of this part, except in accordance with paragraph (c) of this section. Before approving any such acquisition, except a transaction under section 13(k) of the Federal Deposit Insurance Act, the Office shall request from the Attorney General and consider any report rendered within 30 days of such request on the competitive factors involved. Acquisitions involving mergers (including mergers with an interim association) shall also be subject to §§ 546.2, 552.13, and 563.22 of this chapter.

(c) *Application criteria.* (1) The OTS may deny an application by a company or certain persons, described in paragraph (b) of this section, affiliated with a savings and loan holding company, to acquire control of a savings association, or by a savings and loan holding company to acquire a qualified stock issuance pursuant to § 574.8 of this part:

(i) If the OTS finds that the financial and managerial resources and future prospects of the acquiror and association involved would be detrimental to the association or the insurance risk of the SAIF or BIF; or

(ii) If the acquiror fails or refuses to furnish information requested by the OTS.

(2) Consideration of the managerial resources of a company or savings association shall include consideration of the competence, experience, and integrity of the officers, directors, and controlling shareholders of the company or association. In connection with the applications filed pursuant to §§ 574.6(a)(3) and 574.8 of this part, the OTS will also consider the convenience and needs of the community to be served. Moreover, the OTS shall not approve any proposed acquisition:

(i) Which would result in a monopoly, or which would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the savings and loan business in any part of the United States;

(ii) The effect of which on any section of the country may be substantially to lessen competition, or tend to create a monopoly, or which in any other manner would be in restraint of trade, unless the OTS finds that the anticompetitive effects of the proposed acquisition are clearly outweighed in the public interest by the probable effect of the acquisition in meeting the convenience and needs of the community to be served;

(iii) If the company fails to provide adequate assurances to the OTS that the company will make available to the OTS such information on the operations or activities of the company, and any affiliate of the company, as the OTS determines to be appropriate to determine and enforce compliance with the Home Owners' Loan Act; or

(iv) In the case of an application by a foreign bank, if the foreign bank is not subject to comprehensive supervision or regulation on a consolidated basis by the appropriate authorities in the home country of the foreign bank. For purposes of this paragraph (c)(2)(iv), "comprehensive supervision or regulation on a consolidated basis by the appropriate authorities" shall be determined using the standards set forth at 12 CFR 211.24(c)(1)(ii).

(d) *Notice criteria.* In making its determination whether to disapprove a notice, the Office may disapprove any proposed acquisition, if the Office determines that:

(1) The proposed acquisition of control would result in a monopoly or

would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the banking business in any part of the United States;

(2) The effect of the proposed acquisition of control in any section of the country may be substantially to lessen competition or to tend to create a monopoly or the proposed acquisition of control would in any other manner be in restraint of trade, and the anti-competitive effects of the proposed acquisition of control are not clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served;

(3) The financial condition of the acquiring person is such as might jeopardize the financial stability of the association or prejudice the interests of the depositors of the association;

(4) The competence, experience, or integrity of the acquiring person or any of the proposed management personnel indicates that it would not be in the interests of the depositors of the association, the Office, or the public to permit such person to control the association;

(5) The acquiring person fails or refuses to furnish information requested by the Office; or

(6) The Office determines that the proposed acquisition would have an adverse effect on the SAIF or the BIF.

(e) *Failure to disapprove a notice.* If, upon expiration of the 60-day review period of any notice deemed to be sufficient filed pursuant to § 574.6(c), or extension thereof, the Office has failed to disapprove such notice, the proposed acquisition may take place: *Provided*, That it is consummated within one year and in accordance with the terms and representations in the notice and that there is no material change in circumstances prior to the acquisition.

(f) [Reserved]

(g) *Presumptive disqualifiers*—(1) *Integrity factors.* The following factors shall give rise to a rebuttable presumption that an acquiror may fail to satisfy the managerial resources and future prospects tests of paragraph (c) of this section or the integrity test of paragraph (d)(4) of this section:

(i) During the 10-year period immediately preceding filing of the application or notice, criminal, civil or administrative judgments, consents or orders, and any indictments, formal investigations, examinations, or civil or administrative proceedings (excluding routine or customary audits, inspections and investigations) that terminated in any agreements, undertakings, consents or orders, issued against, entered into by, or involving the acquiror or affiliates of the acquiror by any federal or state court, any department, agency, or commission of the U.S. Government, any state or municipality, any Federal Home Loan Bank, any self-regulatory trade or professional organization, or any foreign government or governmental entity, which involve:

(A) Fraud, moral turpitude, dishonesty, breach of trust or fiduciary duties, organized crime or racketeering;

(B) Violation of securities or commodities laws or regulations;

(C) Violation of depository institution laws or regulations;

(D) Violation of housing authority laws or regulations; or

(E) Violation of the rules, regulations, codes of conduct or ethics of a self-regulatory trade or professional organization;

(ii) Denial, or withdrawal after receipt of formal or informal notice of an intent to deny, by the acquiror or affiliates of the acquiror, of

(A) Any application relating to the organization of a financial institution,

(B) An application to acquire any financial institution or holding company thereof under the Holding Company Act or the Bank Holding Company Act or otherwise,

(C) A notice relating to a change in control of any of the foregoing under the Control Act or the Repealed Control Act; or

(D) An application or notice under a state holding company or change in control statute;

(iii) The acquiror or affiliates of the acquiror were placed in receivership or conservatorship during the preceding 10 years, or any management official of the acquiror was a management official or director (other than an official or director serving at the request of

the Office, the Federal Deposit Insurance Corporation, the Resolution Trust Corporation, or the former Federal Savings and Loan Insurance Corporation) or controlling shareholder of a company or savings association that was placed into receivership, conservatorship, or a management consignment program, or was liquidated during his or her tenure or control or within two years thereafter;

(iv) Felony conviction of the acquiror, an affiliate of the acquiror or a management official of the acquiror or an affiliate of the acquiror;

(v) Knowingly making any written or oral statement to the Office or any predecessor agency (or its delegate) in connection with an application, notice or other filing under this part that is false or misleading with respect to a material fact or omits to state a material fact with respect to information furnished or requested in connection with such an application, notice or other filing;

(vi) Acquisition and retention at the time of submission of an application or notice, of stock in the savings association by the acquiror in violation of § 574.3 or its predecessor sections.

(2) *Financial factors.* The following shall give rise to a rebuttable presumption that an acquiror may fail to satisfy the financial-resources and future-prospects tests of paragraph (c) of this section, or the financial condition test of paragraph (d)(3) of this section:

(i) Liability for amounts of debt which, in the opinion of the Office, create excessive risks of default and pressure on the savings association to be acquired; or

(ii) Failure to furnish a business plan or furnishing a business plan projecting activities which are inconsistent with economical home financing.

§ 574.8 Qualified stock issuances by undercapitalized savings associations or holding companies.

(a) *Acquisitions by savings and loan holding companies.* No savings and loan holding company shall be deemed to control a savings association solely by

reason of the purchase by such savings and loan holding company of shares issued by such savings association, or issued by any savings and loan holding company (other than a bank holding company) which controls such savings association, in connection with a qualified stock issuance if prior approval of such acquisition is granted by the Office under this § 574.8, unless the acquiring savings and loan holding company, directly or indirectly, or acting in concert with 1 or more other persons, or through 1 or more subsidiaries, owns, controls, or holds with power to vote, or holds proxies representing, more than 15 percent of the voting shares of such savings association or holding company.

(b) *Qualification.* For purposes of this section, any issuance of shares of stock shall be treated as a qualified stock issuance if the following conditions are met:

(1) The shares of stock are issued by—

(i) An undercapitalized savings association, which for purposes of this paragraph (b)(1)(i) shall mean any savings association—

(A) The assets of which exceed the liabilities of such association; and

(B) Which does not comply with one or more of the capital standards in effect under section 5(t) of the Home Owners' Loan Act; or

(ii) A savings and loan holding company which is not a bank holding company but which controls an undercapitalized savings association if, at the time of issuance, the savings and loan holding company is legally obligated to contribute the net proceeds from the issuance of such stock to the capital of an undercapitalized savings association subsidiary of such holding company.

(2) All shares of stock issued consist of previously unissued stock or treasury shares.

(3) All shares of stock issued are purchased by a savings and loan holding company that is registered, as of the date of purchase, with the Office in accordance with the provisions of section 10(b) of the Home Owners' Loan Act and the Office's regulations promulgated thereunder.

(4) Subject to paragraph (c) of this section, the Office approves the purchase of the shares of stock by the acquiring savings and loan holding company.

(5) The entire consideration for the stock issued is paid in cash by the acquiring savings and loan holding company.

(6) At the time of the stock issuance, each savings association subsidiary of the acquiring savings and loan holding company (other than an association acquired in a transaction pursuant to section 13(c) or 13(k) of the Federal Deposit Insurance Act, or section 408(m) of the National Housing Act, as in effect immediately prior to enactment of the Financial Institutions Reform, Recovery and Enforcement Act of 1989) has capital (after deducting any subordinated debt, intangible assets, and deferred, unamortized gains or losses) of not less than 6½ percent of the total assets of such savings association.

(7) Immediately after the stock issuance, the acquiring savings and loan holding company holds not more than 15 percent of the outstanding voting stock of the issuing undercapitalized savings association or savings and loan holding company.

(8) Not more than one of the directors of the issuing association or company is an officer, director, employee, or other representative of the acquiring company or any of its affiliates.

(9) Transactions between the savings association or savings and loan holding company that issues the shares pursuant to this section and the acquiring company and any of its affiliates shall be subject to the provisions of section 11 of the Home Owners' Loan Act and the Office's regulations promulgated thereunder.

(c) *Approval of acquisitions*—(1) *Criteria*. The Office, in deciding whether to approve or deny an application filed on the basis that it is a qualified stock issuance, shall apply the application criteria set forth in § 574.7(c) of this part, including the presumptive disqualifiers set forth in § 574.7(g) of this part.

(2) *Additional capital commitments not required*. The Office shall not disapprove any application for the purchase of stock in connection with a

qualified stock issuance on the grounds that the acquiring savings and loan holding company has failed to undertake to make subsequent additional capital contributions to maintain the capital of the undercapitalized savings association at or above the minimum level required by the Office or any other Federal agency having jurisdiction.

(3) *Other conditions*. The Office shall impose such conditions on any approval of an application for the purchase of stock in connection with a qualified stock issuance as the Office determines to be appropriate, including—

(i) A requirement that any savings association subsidiary of the acquiring savings and loan holding company limit dividends paid to such holding company for such period of time as the Office may require; and

(ii) Such other conditions as the Office deems necessary or appropriate to prevent evasions of this section, including, but not limited to, requiring a rebuttal of control agreement in a form substantially similar to that appearing at § 574.100.

(4) *Application deemed approved if not disapproved within 90 days*. An application for approval of a purchase of stock in connection with a qualified stock issuance shall be deemed to have been approved by the Office if such application has not been disapproved by the Office before the end of the 90-day period beginning on the date such application has been deemed sufficient under this part.

(d) *No limitation on class of stock issued*. The shares of stock issued in connection with a qualified stock issuance may be shares of any class.

(e) *Application form*. A savings and loan holding company making application to acquire a qualified stock issuance pursuant to this § 574.8, shall use Form H-(e)2, as provided in § 574.6(a)(3).

B. [] is not a party to any agreement with [].

C. [] shall not assist, aid or abet any of []’s affiliates or associates that are not parties to this Agreement to act, or act in concert with any person or company, in a manner which is inconsistent with the terms hereof or which constitutes an attempt to evade the requirements of this Agreement.

D. Any amendment to this Agreement shall only be proposed in connection with an amended rebuttal filed by [] with the Office for its determination;

E. Prior to acquisition of any shares of "Voting Stock" of [] as defined in the Regulations in excess of the Additional Shares, any required filing will be made by [] under the Control Act or the Holding Company Act and either approval of the acquisition under the Holding Company Act shall be obtained from the Office or any Notice filed under the Control Act shall be cleared in accordance with the Regulations;

F. G. Where any amended rebuttal filed by [] is denied or disapproved, [] shall take no action which is inconsistent with the terms of this Agreement, except after either (1) reducing the amount of shares of Voting Stock of [] owned or controlled by [] to an amount under 10 percent of a class of Voting Stock, or immediately ceasing any other actions that give rise to a conclusive or rebuttable determination of control under the Regulations; or (2) filing a Notice under the Control Act, or an Application under the Holding Company Act, as appropriate, and either obtaining approval of the Application or clearance of the Notice, in accordance with the Regulations;

H. Where any Application or Notice filed by [] is disapproved, [] shall take no action which is inconsistent with the terms of this Agreement, except after reducing the amount of shares of Voting Stock of [] owned or controlled by [] to an amount under 10 percent of any class of Voting Stock, or immediately ceasing any other actions that give rise to a conclusive or rebuttable determination of control under the Regulations;

sive or rebuttable determination of control under the Regulations;

J. By entering into this Agreement and by offering it for reliance in reaching a decision on the request to rebut the presumption of control under the Regulations, as long as 10 percent or more of any class of Voting Stock of [] is owned or controlled, directly or indirectly, by [], and [] possesses any Control Factor as defined in the Regulations, [] will submit to the jurisdiction of the Regulations, including (1) the filing of an amended rebuttal or Application or Notice for any proposed action which is prohibited by this Agreement, and (2) the provisions relating to a penalty for any person who willfully violates or with reckless disregard for the safety or soundness of a savings association participates in a violation of the [Holding Company Act or Control Act] and the Regulations thereunder, and any regulation or order issued by the Office.

K. Any violation of this Agreement shall be deemed to be a violation of the [Holding Company Act or Control Act] and the Regulations, and shall be subject to such remedies and procedures as are provided in the [Holding Company Act or Control Act] and the Regulations for a violation thereunder and in addition shall be subject to any such additional remedies and procedures as are provided under any other applicable statutes or regulations for a violation, willful or otherwise, of any agreement entered into with the Office.

III. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which counterparts collectively shall constitute one instrument representing the Agreement among the parties thereto. § 575.3 Mutual holding company reorganizations.

A mutual savings association may reorganize to become a mutual holding company, or join in a mutual holding company reorganization as an acquirer

association, only upon satisfaction of the following conditions:

(a) A Reorganization Plan is approved by a majority of the board of directors of the reorganizing association and any acquiree association;

(b) A Reorganization Notice is filed with the OTS and either:

(1) The OTS has given written notice of its intent not to disapprove the proposed reorganization; or

(2) Sixty days have passed since the OTS received the Reorganization Notice and deemed it sufficient under § 516.2(c) of this chapter, and the OTS has not:

(i) Given written notice that the proposed reorganization is disapproved; or

(ii) Extended for an additional 30 days the period during which disapproval may be issued;

(c) The Reorganization Plan is submitted to the members of the reorganizing association and any acquiree association pursuant to a proxy statement cleared in advance by the OTS and such Reorganization Plan is approved by a majority of the total votes of the members of each association eligible to be cast at a meeting held at the call of each association's directors in accordance with the procedures prescribed by each association's charter and bylaws; and

(d) All necessary regulatory approvals have been obtained and all conditions specified in § 575.9(c)(5) of this part or otherwise imposed by the OTS in connection with the issuance of a notice of intent not to disapprove under § 575.3(b)(1) of this part or by the OTS in connection with the granting of the approvals specified in this paragraph have been satisfied.

§ 575.4 Grounds for disapproval of reorganizations.

(a) *Basic standards.* The OTS may disapprove a proposed mutual holding company reorganization pursuant to § 575.3(b) of this part if:

(1) Disapproval is necessary to prevent unsafe or unsound practices;

(2) The financial or managerial resources of the reorganizing association or any acquiree association warrant disapproval;

(3) The proposed capitalization of the mutual holding company fails to meet

the requirements of paragraph (b) of this section;

(4) A stock issuance is proposed in connection with the reorganization pursuant to § 575.7 of this part that fails to meet the standards established by that section;

(5) The reorganizing association or any acquiree association fails to furnish the information required to be included in the Reorganization Notice or any other information requested by the OTS in connection with the proposed reorganization; or

(6) The proposed reorganization would violate any provision of law, including (without limitation) § 575.3 (a) and (c) of this part (regarding board of directors and membership approval) or § 575.5(a) of this part (regarding continuity of membership rights).

(b) *Capitalization.* (1) The OTS shall disapprove a proposal by a reorganizing association or any acquiree association to capitalize a mutual holding company in an amount in excess of a nominal amount if immediately following the reorganization, the resulting association or the acquiree association would fail to be “adequately capitalized” as defined under 12 CFR part 565.

(2) Proposals by reorganizing associations and acquiree associations to capitalize mutual holding companies shall also comply with any applicable statutes, and with regulations or written policies of the OTS governing capital distributions by savings associations in effect at the time of the reorganization. (Issuance by the OTS of a notice of intent not to disapprove a mutual holding company reorganization pursuant to § 575.3(b) of this part, or failure by the OTS to disapprove such a reorganization within the time prescribed in § 575.3(b) of this part, shall also be deemed to constitute OTS approval under any regulation or written policy of the OTS governing capital distributions by savings associations, if such approval is required, of the capitalization proposal set forth in the Reorganization Notice, subject to any conditions imposed by § 575.4(d)(2) of this part.)

(c) *Presumptive disqualifiers*—(1) *Managerial resources.* The factors specified in § 574.7 (g)(1)(i)–(g)(1)(vi) of this chapter shall give rise to a rebuttable presump-

tion that the managerial resources test of paragraph (a)(2) of this section is not met. For this purpose, each place the term *acquiror* appears in § 574.7 (g)(1)(i)–(g)(1)(vi) of this chapter, it shall be read to mean the reorganizing association or any acquiree association, and the reference in § 574.7(g)(1)(v) of this chapter to filings under this part shall be deemed to include filings under either part 574 of this chapter or this part.

(2) *Safety and soundness and financial resources.* Failure by a reorganizing association and any acquiree association to submit a business plan in connection with a Reorganization Notice, or submission of a business plan that projects activities that are inconsistent with economical home financing or that fails to demonstrate that the capital of the mutual holding company will be deployed in a safe and sound manner, shall give rise to a rebuttable presumption that the safety and soundness and financial resources tests of paragraphs (a)(1) and (a)(2) of this section are not met.

(d) *Failure of the OTS to act on a Reorganization Notice within the prescribed time period.* A proposed reorganization that obtains regulatory clearance from the OTS due to the operation of § 575.3(b)(2) of this part may take place in the manner proposed, subject to the following conditions:

(1) The reorganization shall be consummated within one year of the date of the expiration of the OTS's review period under § 575.3(b)(2) of this part;

(2) The mutual holding company shall not be capitalized in an amount in excess of what is permissible under § 575.4(b) of this part;

(3) No request for regulatory waivers or forbearances shall be deemed granted;

(4) The following information shall be submitted within the specified time frames:

(i) On the business day prior to the date of the reorganization, the chief financial officers of the reorganizing association and any acquiree association shall certify to the OTS in writing that no material adverse events or material

adverse changes have occurred with respect to the financial condition or operations of their respective associations since the date of the financial statements submitted with the Reorganization Notice;

(ii) No later than thirty days after the reorganization, the mutual holding company shall file with the OTS a certification by legal counsel stating the effective date of the reorganization, the exact number of shares of stock of the resulting association and any acquiree association acquired by the mutual holding company and by any other persons, and that the reorganization has been consummated in accordance with § 575.3 of this part and all other applicable laws and regulations and the Reorganization Notice;

(iii) No later than thirty days after the reorganization, the mutual holding company shall file with the OTS an opinion from its independent auditors certifying that the reorganization was consummated in accordance with generally accepted accounting principles; and

(iv) No later than thirty days after the reorganization, the mutual holding company shall file with the OTS a certification stating that the mutual holding company will not deviate materially, or cause its savings association subsidiaries to deviate materially, from the business plan submitted in connection with the Reorganization Notice, unless prior written approval from the Regional Director is obtained.

§ 575.5 Membership rights.

(a) *Depositors and borrowers of resulting associations, acquiree associations, and associations in mutual form when acquired.* The charter of a mutual holding company must:

(1) Confer upon existing and future depositors of the resulting association the same membership rights in the mutual holding company as were conferred upon depositors by the charter of the reorganizing association as in effect immediately prior to the reorganization;

(2) Confer upon existing and future depositors of any acquiree association or any association that is in the mutual form when acquired by the mutual holding company the same membership

rights in the mutual holding company as were conferred upon depositors by the charter of the acquired association immediately prior to acquisition, *provided that* if the acquired association is merged into another association from which the mutual holding company draws members, the depositors of the acquired association shall receive the same membership rights as the depositors of the association into which the acquired association is merged;

(3) Confer upon the borrowers of the resulting association who are borrowers at the time of reorganization the same membership rights in the mutual holding company as were conferred upon them by the charter of the reorganizing association immediately prior to reorganization, but shall not confer any membership rights in connection with any borrowings made after the reorganization; and

(4) Confer upon the borrowers of any acquiree association or any association that is in the mutual form when acquired by the mutual holding company who are borrowers at the time of the acquisition the same membership rights in the mutual holding company as were conferred upon them by the charter of the acquired association immediately prior to acquisition, but shall not confer any membership rights in connection with any borrowings made after the acquisition, *provided that* if the acquired association is merged into another association from which the mutual holding company draws members, the borrowers of the acquired association shall instead receive the same grandfathered membership rights as the borrowers of the association into which the acquired association is merged received at the time that association became a subsidiary of the mutual holding company.

(b) *Depositors and borrowers of associations in the stock form when acquired.* A mutual holding company that acquires a savings association in the stock form, other than a resulting association or an acquiree association, shall not confer any membership rights upon the depositors and borrowers of such association, unless such association is merged into an association from which the mutual holding company draws members, in which case the depositors

of the stock association shall receive the same membership rights as other depositors of the association into which the stock association is merged.

§ 575.6 Contents of Reorganization Plans.

Each Reorganization Plan shall contain a complete description of all significant terms of the proposed reorganization, shall attach and incorporate any Stock Issuance Plan proposed in connection with the Reorganization Plan, and shall:

(a) Provide for amendment of the charter and bylaws of the reorganizing association to read in the form of the charter and bylaws of a mutual holding company, and attach and incorporate such charter and bylaws;

(b) Provide for the organization of the resulting association, which shall be an interim federal or state savings association subsidiary of the reorganizing association, and attach and incorporate the proposed charter and bylaws of such association;

(c) If the reorganizing association proposes to form a subsidiary holding company, provide for the organization of a subsidiary holding company and attach and incorporate the proposed charter and bylaws of such subsidiary holding company.

(d) Provide for amendment of the charter and bylaws of any acquiree association to read in the form of the charter and bylaws of a state or federal savings association in the stock form (as modified by § 575.9(b) of this part), and attach and incorporate such charter and bylaws;

(e) Provide that, upon consummation of the reorganization, substantially all of the assets and liabilities (including all savings accounts, demand accounts, tax and loan accounts, United States Treasury General Accounts, or United States Treasury Time Deposit Open Accounts, as defined in part 561 of this chapter) of the reorganizing association shall be transferred to the resulting association, which shall thereupon become an operating savings association subsidiary of the mutual holding company;

(f) Provide that all assets, rights, obligations, and liabilities of whatever nature of the reorganizing association

that are not expressly retained by the mutual holding company shall be deemed transferred to the resulting association;

(g) Provide that each depositor in the reorganizing association or any acquiree association immediately prior to the reorganization shall upon consummation of the reorganization receive, without payment, an identical account in the resulting association or the acquiree association, as the case may be (Appropriate modifications should be made to this provision if savings associations are being merged as a part of the reorganization);

(h) Provide that the Reorganization Plan as adopted by the boards of directors of the reorganizing association and any acquiree association may be substantively amended by those boards of directors as a result of comments from regulatory authorities or otherwise prior to the solicitation of proxies from the members of the reorganizing association and any acquiree association to vote on the Reorganization Plan and at any time thereafter with the concurrence of the OTS; and that the reorganization may be terminated by the board of directors of the reorganizing association or any acquiree association at any time prior to the meeting of the members of the association called to consider the Reorganization Plan and at any time thereafter with the concurrence of the OTS;

(i) Provide that the Reorganization Plan shall be terminated if not completed within a specified period of time (The time period shall not be more than 24 months from the date upon which the members of the reorganizing association or the date upon which the members of any acquiree association, whichever is earlier, approve the Reorganization Plan and may not be extended by the reorganizing or acquiree association); and

(j) Provide that the expenses incurred in connection with the reorganization shall be reasonable.

§ 575.7 Issuances of stock by savings association subsidiaries of mutual holding companies.

(a) *Approval requirements.* No savings association subsidiary of a mutual holding company (including any resulting association or acquiree association) may issue stock to persons other than its mutual holding company parent in connection with a mutual holding company reorganization, or at any time subsequent to the association's acquisition by the mutual holding company, unless the association obtains advance approval of each such issuance from the OTS. Issuance by the OTS of a notice of intent not to disapprove a mutual holding company reorganization pursuant to § 575.3(b) of this part, or failure by the OTS to disapprove such a reorganization within the time prescribed in § 575.3(b) of this part, shall be deemed to constitute approval of any stock issuance specifically applied for pursuant to this section in connection with the reorganization, unless otherwise specified by the OTS. The OTS shall approve any proposed issuance that meets each of the criteria set forth below in paragraphs (a)(1)–(a)(7) of this section.

(1) The proposed issuance is to be made pursuant to a Stock Issuance Plan that contains all the provisions required by § 575.8 of this part.

(2) The Stock Issuance Plan is consistent with the terms of the association's charter (or any proposed amendments thereto), including terms governing the type and amount of stock that may be issued.

(3) The Stock Issuance Plan would provide the association, its mutual holding company parent, and any other savings association subsidiaries of the mutual holding company with fully sufficient capital and would not be inequitable or detrimental to the association or its mutual holding company parent or to members of the mutual holding company parent.

(4) The proposed price or price range of the stock to be issued is reasonable. (The OTS shall review the reasonableness of the proposed price or price range in accordance with paragraph (b) of this section.)

(5) The aggregate amount of outstanding common stock of the associa-

tion owned or controlled by persons other than the association's mutual holding company parent at the close of the proposed issuance shall be less than 50% of the association's total outstanding common stock, unless the association was a stock association when acquired by the mutual holding company and is not a resulting association or an acquiree association, in which case the foregoing restriction shall not apply. Any amount of preferred stock may be issued by any savings association subsidiary of a mutual holding company to persons other than the association's mutual holding company, consistent with any other applicable laws and regulations.

(6) The association furnishes the information required by the OTS in connection with the proposed issuance.

(7) The proposed stock issuance would fail to meet the convenience and needs standard of § 563b.11 of this chapter.

(8) The proposed issuance complies with all other applicable laws and regulations.

(b) *Pricing and sale of securities.* (1) All of the provisions of § 563b.7 of this chapter shall apply to a stock issuance applied for pursuant to this section, unless otherwise provided for in this part or clearly inapplicable, as determined by the OTS. For purposes of this paragraph (b)(1), the term *conversion* as it appears in the provisions of § 563b.7 of this chapter shall be deemed to refer to *the stock issuance*, and the term *converted* or *converting savings association* shall be deemed to refer to the savings association undertaking the stock issuance.

(2) Unless otherwise determined by the OTS, the limitations on the minimum and maximum amounts of the estimated price range required by § 563b.7(c) of this chapter shall not apply.

(3) To the extent the pricing materials submitted pursuant to paragraph (b)(1) of this section include any discount due to the minority status of the stock to be offered, the materials must indicate the amount of the discount and how that amount was determined.

(c) *Related approvals.* Approval by the OTS of any stock issuance pursuant to

this section shall also be deemed to constitute:

(1) Approval under § 563.1 of this chapter of the form of stock certificate proposed to be utilized in connection with the stock issuance, provided such form was included in the application materials filed pursuant to this section; and

(2) Preliminary approval under § 552.4 of this chapter and approval under § 563.1 of this chapter of any charter or bylaw amendment required to authorize issuance of the stock, provided such amendment was proposed in the application materials filed pursuant to this section.

(d) *Offering restrictions.* (1) No representations may be made in any manner in connection with the offer or sale of any stock issued pursuant to this section that the price, price range or any other pricing information related to such stock issuance has been approved by the OTS or that the stock has been approved or disapproved by the OTS or that the OTS has endorsed the accuracy or adequacy of any securities offering documents disseminated in connection with such stock.

(2) The sale of minority stock of the reorganized stock savings association to be made under the minority stock issuance plan, including any sale in a public offering or direct community marketing, shall be completed as promptly as possible and within 45 calendar days after the last day of the subscription period, unless extended by the OTS.

(3) In the offer, sale, or purchase of stock issued pursuant to this section, no person shall:

(i) Employ any device, scheme, or artifice to defraud;

(ii) Make any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; or

(iii) Engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon a purchaser or seller.

(4) Prior to the completion of a stock issuance pursuant to this section, no person shall transfer, or enter into any agreement or understanding to transfer, the legal or beneficial ownership of

the stock to be issued to any other person.

(5) Prior to the completion of a stock issuance pursuant to this section, no person shall make any offer, or any announcement of any offer, to purchase any stock to be issued, or knowingly acquire any stock in the issuance, in excess of the maximum purchase limitations established in the Stock Issuance Plan.

(6) All stock issuances pursuant to this section must:

(i) Comply with 12 CFR part 563g and, to the extent applicable, 12 CFR 563b.102; and

(ii) Provide that the offering be structured in a manner similar to a standard conversion under 12 CFR part 563b, including the stock purchase priorities accorded members of the issuing association's mutual holding company, unless the association would qualify for a supervisory conversion if it were to undertake a conversion under 12 CFR part 563b; or demonstrates to the satisfaction of the OTS that a non-conforming issuance would be more beneficial to the association compared to a conforming offering, considering, in the aggregate, the effect of each on the association's financial and managerial resources and future prospects, the effect of the issuance upon the association, the insurance risk to the relevant Federal deposit insurance fund, and the convenience and needs of the community to be served.

(e) *Procedural and substantive requirements.* The procedural and substantive requirements of §§ 563b.3 through 563b.8 of this chapter shall apply to all mutual holding company stock issuances under this section, unless clearly inapplicable.

§ 575.8 Contents of Stock Issuance Plans.

(a) *Mandatory provisions.* Each of the provisions mandatory for all stock issuance plans under this paragraph shall be deemed regulatory requirements. Each Stock Issuance Plan shall contain a complete description of all significant terms of the proposed stock issuance (including the information

specified in §563b.27(a) of this chapter to the extent known), shall attach and incorporate the proposed form of stock certificate, the proposed stock order form, and any agreements or other documents defining the rights of the stockholders, and shall:

(1) Provide that the stock shall be sold at a total price equal to the estimated *pro forma* market value of such stock, based upon an independent valuation, as provided in §575.7(b) of this part;

(2) Provide that the aggregate amount of outstanding common stock of the association owned or controlled by persons other than the association's mutual holding company parent at the close of the proposed issuance shall be less than fifty percent of the association's total outstanding common stock (This provision may be omitted if the proposed issuance will be conducted by an association that was in the stock form when acquired by its mutual holding company parent, provided the association is not a resulting association or an acquiror association);

(3) Provide that the aggregate amount of common stock acquired in the proposed issuance, plus all prior issuances of the association, by any non-tax-qualified employee stock benefit plan of the association or any insider of the association and his or her associates, exclusive of any stock acquired by said plan or insider and his or her associates in the secondary market, shall not exceed ten percent of the outstanding shares of common stock of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance. In calculating the number of shares held by any insider or associate under this provision or the provision in paragraph (a)(4) of this section, shares held by any tax-qualified or non-tax-qualified employee stock benefit plan of the association that are attributable to such person shall not be counted;

(4) Provide that the aggregate amount of stock, whether common or preferred, acquired in the proposed issuance, plus all prior issuances of the association, by any non-tax-qualified employee stock benefit plan of the association or any insider of the associa-

tion and his or her associates, exclusive of any stock acquired by said plan or insider and his or her associates in the secondary market, shall not exceed ten percent of the stockholders' equity of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance;

(5) Provide that the aggregate amount of common stock acquired in the proposed issuance, plus all prior issuances of the association, by any one or more tax-qualified employee stock benefit plans of the association, exclusive of any stock acquired by such plans in the secondary market, shall not exceed ten percent of the outstanding shares of common stock of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance;

(6) Provide that the aggregate amount of stock, whether common or preferred, acquired in the proposed issuance, plus all prior issuances of the association, by any one or more tax-qualified employee stock benefit plans of the association, exclusive of any stock acquired by such plans in the secondary market, shall not exceed ten percent of the stockholders' equity of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance;

(7) Provide that the aggregate amount of common stock acquired in the proposed issuance, plus all prior issuances of the association, by all non-tax-qualified employee stock benefit plans of the association, insiders of the association, and associates of insiders of the association, exclusive of any stock acquired by said plans, insiders, and associates in the secondary market, shall not exceed thirty-five percent of the outstanding shares of common stock of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance if the association has less than \$50 million in total assets prior to the issuance or twenty-five percent of such outstanding shares if the association has more than \$500 million in total assets prior to the issuance. If the association has

between \$50 million and \$500 million in total assets prior to the issuance, the maximum percentage shall be equal to thirty-five percent minus one percent multiplied by the quotient of total assets less \$50 million divided by \$45 million. (See example calculation set forth in § 563b.3(c)(8) of this chapter.) In calculating the number of shares held by insiders and their associates under this provision or the provision in paragraph (a)(8) of this section, shares held by any tax-qualified or non-tax qualified employee stock benefit plan of the association that are attributable to such persons shall not be counted;

(8) Provide that the aggregate amount of stock, whether common or preferred, acquired in the proposed issuance, plus all prior issuances of the association, by all non-tax-qualified employee stock benefit plans of the association, insiders of the association, and associates of insiders of the association, exclusive of any stock acquired by said plans, insiders, and associates in the secondary market, shall not exceed thirty-five percent of the stockholders' equity of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance if the association has less than \$50 million in total assets prior to the issuance or twenty-five percent of such stockholders' equity if the association has more than \$500 million in total assets prior to the issuance. If the association has between \$50 million and \$500 million in total assets prior to the proposed issuance, the maximum percentage shall be equal to thirty-five percent minus one percent multiplied by the quotient of total assets less \$50 million divided by \$45 million. (See example calculation set forth in § 563b.3(c)(8) of this chapter.);

(9) Provide that the issuance shall be conducted in compliance with 12 CFR part 563g and, to the extent applicable, 12 CFR 563b.102;

(10) Provide that the sales price of the shares of stock to be sold in the issuance shall be a uniform price determined in accordance with § 575.7 of this part;

(11) Provide that, if at the close of the stock issuance the association has more than thirty-five shareholders of

any class of stock, the association shall promptly register that class of stock pursuant to the Securities Exchange Act of 1934, as amended (15 U.S.C. 78a–78jj), and undertake not to deregister such stock for a period of three years thereafter;

(12) Provide that, if at the close of the stock issuance the association has more than one hundred shareholders of any class of stock, the association shall use its best efforts to:

(i) Encourage and assist a market maker to establish and maintain a market for that class of stock; and

(ii) List that class of stock on a national or regional securities exchange or on the NASDAQ quotation system;

(13) Provide that, for a period of three years following the proposed issuance, no insider of the association or his or her associates shall purchase, without the prior written approval of the OTS, any stock of the association except from a broker dealer registered with the Securities and Exchange Commission, except that the foregoing restriction shall not apply to:

(i) Negotiated transactions involving more than one percent of the outstanding stock in the class of stock; or

(ii) Purchases of stock made by and held by any tax-qualified or non-tax-qualified employee stock benefit plan of the association even if such stock is attributable to insiders of the association or their associates;

(16) Provide that the association will not offer or sell any of the stock proposed to be issued to any person whose purchase would be financed by funds loaned, directly or indirectly, to the person by the association;

(17) Provide that, if necessary, the association's charter will be amended to authorize issuance of the stock and attach and incorporate by reference the text of any such amendment;

(18) Provide that the expenses incurred in connection with the issuance shall be reasonable;

(19) Provide that the Stock Issuance Plan, if proposed as part of a Reorganization Plan, may be amended or terminated in the same manner as the Reorganization Plan. Otherwise, the Stock Issuance Plan shall provide that it may be substantively amended by the board of directors of the issuing association as a result of comments from regulatory authorities or otherwise prior to approval of the Plan by the OTS, and at any time thereafter with the concurrence of the OTS; and that the Stock Issuance Plan may be terminated by the board of directors at any time prior to approval of the Plan by the OTS, and at any time thereafter with the concurrence of the OTS;

(20) Provide that, unless an extension is granted by the OTS, the Stock Issuance Plan shall be terminated if not completed within 90 days of:

(i) The date of such approval; or

(ii) For stock issuances subject to the offering circular requirements of part 563g of this chapter, the date on which the offering circular was declared effective by the OTS; and

§ 575.9 Charters and bylaws for mutual holding companies and their savings association subsidiaries.

(a) *Charters and bylaws for mutual holding companies—*(1) *Charters.* The charter of a mutual holding company shall be in the form set forth in this paragraph (a)(1) and may include any of the additional provisions permitted pursuant to paragraph (a)(2) of this section.

CHARTER

Section 1: Corporate title. The name of the mutual holding company is ____ (the "Mutual Company").

Section 2: Duration. The duration of the Mutual Company is perpetual.

Section 3: Purpose and powers. The purpose of the Mutual Company is to pursue any or all of the lawful objectives of a federal mutual savings and loan holding company chartered under section 10(o) of the Home Owners' Loan Act, 12 U.S.C. 1467a(o), and to exercise all of the express, implied, and incidental powers conferred thereby and all acts amendatory thereof and supplemental thereto, subject to the Constitution and the laws

of the United States as they are now in effect, or as they may hereafter be amended, and subject to all lawful and applicable rules, regulations, and orders of the Office of Thrift Supervision ("OTS").

Section 4: Capital. The Mutual Company shall have no capital stock.

Section 5: Members. [The content of this section 5 shall be identical to the content of the parallel section in the charter of the reorganizing association, with the following exceptions: (A) Any provisions conferring membership rights upon borrowers of the reorganizing association shall be eliminated and replaced with provisions grandfathering those rights in accordance with 12 CFR 575.5; and (B) appropriate changes shall be made to indicate that membership rights in the mutual holding company derive from deposit accounts in and, to the extent of any grandfather provisions, borrowings from the resulting association. Set forth below is an example of how section 5 should appear in the charter of a mutual holding company formed by a reorganizing association whose charter conforms to the model charter prescribed for federal mutual savings associations for calendar year 1989. Additional changes to this section 5 may be required whenever a mutual holding company reorganization involves an acquiree association, or a mutual holding company makes a post-reorganization acquisition of a mutual savings association, so as to preserve the membership rights of the members of the acquired association consistent with 12 CFR 575.5.]

All holders of the savings, demand, or other _____ authorized accounts of _____ [insert the name of the resulting association] (the "Association") are members of the Mutual Company. With respect to all questions requiring action by the members of the Mutual Company, each holder of an account in the Association shall be permitted to cast one vote for each \$100, or fraction thereof, of the withdrawal value of the member's account. In addition, borrowers from the Association as of _____ [insert the date of the reorganization or any earlier date as of which new borrowings ceased to result in membership rights] shall be entitled to one vote for the period of time during which such borrowings are in existence. [The foregoing sentence should be included only if the charter of the reorganizing association confers voting rights on any borrowers.] No member, however, shall cast more than one thousand votes. All accounts shall be non-assessable.

Section 6. Directors. The Mutual Company shall be under the direction of a board of directors. The authorized number of directors shall not be fewer than five nor more than fifteen, as fixed in the Mutual Company's by-laws, except that the number of directors may be decreased to a number less than five or increased to a number greater than fifteen

with the prior approval of the Director of the Office or his or her delegate.

Section 7: Capital, surplus, and distribution of earnings. [The content of this section 7 shall be identical to the content of the parallel section in the charter of the reorganizing association, except for changes made to indicate that distribution rights in the mutual holding company derive from deposit accounts in the resulting association, any changes required to provide that the Director of the OTS shall be the approving authority in instances where the charter requires regulatory approval of distributions, and any other changes necessary to accommodate the mutual holding company format. Set forth below is an example of how section 7 should appear in the charter of a mutual holding company formed by a reorganizing association whose charter conforms to the model charter prescribed for federal mutual savings associations for calendar year 1989. Additional changes to this section 7 may be required whenever a mutual holding company reorganization involves an acquiree association, or a mutual holding company makes a post-reorganization acquisition of a mutual savings association, so as to preserve the membership rights of the members of the acquired association consistent with 12 CFR 575.5.]

The Mutual Company shall distribute net earnings to account holders of the Association on such basis and in accordance with such terms and conditions as may from time to time be authorized by the Director of the OTS, provided that the Mutual Company may establish minimum account balance requirements for account holders to be eligible for distributions of earnings.

All holders of accounts of the Association shall be entitled to equal distribution of the assets of the Mutual Company, *pro rata* to the value of their accounts in the Association, in the event of voluntary or involuntary liquidation, dissolution, or winding up of the Mutual Company.

Section 8. Amendment. Adoption of any preapproved charter amendment shall be effective after such preapproved amendment has been approved by the members at a legal meeting. Any other amendment, addition, change, or repeal of this charter must be approved by the Office prior to approval by the members at a legal meeting and shall be effective upon filing with the Office in accordance with regulatory procedures.

(2) *Charter amendments.* The rules and regulations set forth in §544.2 of this chapter regarding charter amendments and reissuances of charters (including delegations and filing instructions) shall be applicable to mutual holding companies to the same extent as if mutual holding companies were Federal mutual savings associations, except that, with respect to the pre-approved charter amendments set forth in §544.2 of this chapter, §§544.2(b)(1) and (b)(3) of this chapter shall not apply to mutual holding companies, and mutual holding companies changing their corporate title pursuant to §544.2(b)(2) of this chapter shall be required to comply with §575.9(a)(3) of this part as well as §543.1(b) of this chapter.

(3) *Corporate title.* The corporate title of each mutual holding company shall include the term “mutual” or the abbreviation “M.H.C.”

(4) *Bylaws.* The rules and regulations set forth in §544.5 of this chapter regarding bylaws (including their content, any amendments thereto, delegations, and filing instructions) shall be applicable to mutual holding companies to the same extent as if mutual holding companies were federal mutual savings associations. The model bylaws for Federal mutual savings associations set forth in the OTS Applications Processing Handbook shall also serve as the model bylaws for mutual holding companies, except that the term “association” each time it appears therein shall be replaced with the term “Mutual Company”; section 11(e) (extending leniency to borrowing members) and section 11(f) (rejection of applications for accounts or membership) shall be removed and the remaining paragraphs of section 12 redesignated accordingly.

(5) *Availability of charter and bylaws.* A mutual holding company shall make available to its members at all times in the offices of each subsidiary savings association from which the mutual holding company draws members a true copy of its charter and bylaws, including any amendments, and shall deliver such a copy to any member upon

request. Mutual holding companies shall also be subject to the provisions of §544.8 of this chapter.

(b) *Charters and bylaws of subsidiary savings associations of mutual holding companies.* Except as specified otherwise by the OTS in any notice of intent not to disapprove a mutual holding company reorganization or in any regulation or order, each subsidiary savings association of a mutual holding company shall be subject to the same rules and regulations regarding charters and bylaws as are applicable to stock savings associations that are chartered by the OTS, 12 CFR part 552, or by the appropriate state chartering authority, as the case may be, *provided* that the charter of each resulting association, each acquiree association, and each mutual savings association that is acquired by a mutual holding company shall contain the provision set forth below:

In any situation in which the priority of the accounts of the association is in controversy, all such accounts shall, to the extent of their withdrawable value, be debts of the association having at least as high a priority as the claims of general creditors of the association not having priority (other than any priority arising or resulting from consensual subordination) over other general creditors of the association.

(c) *Approval of charters and bylaws of mutual holding companies and their savings association subsidiaries in connection with Reorganization Plans—*(1) Issuance by the OTS of a notice of intent not to disapprove a reorganization pursuant to §575.3(b) of this part, or failure by the OTS to disapprove such a reorganization within the time prescribed in §575.3(b) of this part, shall be deemed to constitute:

(i) Approval pursuant to §575.3(d) of this part and this section for the reorganizing association to amend its charter and bylaws in their entirety to read in the form of the mutual holding company charter and bylaws proposed in the Reorganization Notice (as modified by any conditions imposed by the OTS in its notice of intent not to disapprove or paragraph (c)(2) of this section and subject to paragraph (c)(5) of this section);

(ii) If the Reorganization Plan provides that the resulting association is

to be federally chartered, approval pursuant to 12 U.S.C. 1464 (a) and (e) and §§ 552.2–1 and 552.2–2 of this chapter of the organization of the resulting association and the proposed charter and bylaws of such association (as modified by any conditions imposed by the OTS in its notice of intent not to disapprove or by paragraph (c)(2) of this section and subject to paragraph (c)(5) of this section); and

(iii) If the Reorganization Plan provides that the acquiree association is to be federally chartered, approval pursuant to § 552.4 of this chapter of the amendment of the existing charter of the acquiree association in its entirety to read in the form of the proposed charter and bylaws of such association (as modified by any conditions imposed by the OTS in its notice of intent not to disapprove or paragraph (c)(2) of this section and subject to paragraph (c)(5) of this section).

(2) In the event the charter and bylaws of a mutual holding company and of any federally-chartered resulting association or acquiree association are approved pursuant to paragraph (c)(1) of this section due to failure of the OTS to disapprove a Reorganization Notice within the time prescribed in § 575.3(b) of this part, such approval shall be subject to the condition that such charter(s) and bylaws shall conform in every particular to the model charter(s) and bylaws for mutual holding companies and/or federal stock savings associations, as the case may be, as set forth in the OTS's regulations.

(3) Promptly after approval of the amendment of the charter of a reorganizing association to read in the form of a mutual holding company charter pursuant to paragraph (c)(1) of this section, the OTS shall issue an executed copy of such charter to the reorganizing association. Such charter shall not become effective until consummation of the Reorganization Plan, at which point in time it shall replace and nullify the charter of the reorganizing association. The charter of the reorganizing association shall be surrendered to the OTS within five days after consummation of the Reorganization Plan. If the Reorganization Plan is terminated for any reason, the charter of the mutual holding company

shall become immediately null and void and shall be returned to the OTS within five days.

(4) Promptly after approval of any federal charter for a resulting association pursuant to paragraph (c)(1) of this section or approval of the amendment of any federal charter of an acquiree association pursuant to paragraph (c)(1) of this section, the OTS shall issue an executed copy of such charter(s) to the reorganizing association and/or the acquiree association, as the case may be.

(i) Prior to consummation of the Reorganization Plan, the resulting association (whether chartered under federal or state law) shall constitute an interim savings association subsidiary of the reorganizing association and shall not accept any deposits or engage in any other business activities except for those activities necessary to consummate the Reorganization Plan. If the Reorganization Plan is terminated for any reason, the charter of the resulting association shall immediately become null and void and, if the resulting association is federally chartered, the charter shall be returned to the OTS within five days.

(ii) Any amended charter issued to an acquiree association (whether by the OTS or the appropriate state authority) shall not become effective until consummation of the Reorganization Plan, at which point in time it shall replace and nullify the prior charter of the acquiree association. The prior charter of any federally-chartered acquiree association shall be surrendered to the OTS within five days after consummation of the Reorganization Plan. If the Reorganization Plan is terminated for any reason, the amended charter of the acquiree association shall become immediately null and void and, if the acquiree association is federally chartered, the amended charter shall be returned to the OTS within five days.

(5) Approval of the amendment of the charter and bylaws of the reorganizing association to read in the form of the charter and bylaws of a mutual holding company and of any acquiree association to read in the form of a stock association and approval of the organization of any resulting association and of

its charter and bylaws pursuant to paragraph (c)(1) of this section shall be subject to any conditions subsequent that the OTS may impose in connection therewith or with its notice of intent not to disapprove the reorganization.

(a) *Acquisitions*—(1) *Stock savings associations*. A mutual holding company may acquire control of a savings association that is in the stock form, provided the necessary approvals are obtained from the OTS, including (without limitation) approval pursuant to part 574 of this chapter and, if the acquisition involves a merger or transfer of assets or liabilities, approval pursuant to §§ 552.13, 563.22, and part 546 of this chapter, as appropriate.

(2) *Mutual savings associations*. A mutual holding company may acquire a savings association in the mutual form by merger of such association into any subsidiary savings association of such holding company from which the parent mutual holding company draws members or into an interim savings association subsidiary of the mutual holding company, provided:

(i) The proposed acquisition is approved by a majority of the board of directors of the mutual association;

(ii) The proposed acquisition is submitted to the mutual association's members pursuant to a proxy statement authorized for use by the OTS and such acquisition is approved by a majority of the total votes of the association's members eligible to be cast at a meeting held at the call of the association's directors in accordance with the procedures prescribed by the association's charter and bylaws;

(iii) The necessary approvals are obtained from the OTS, including (without limitation) approval pursuant to part 574 of this chapter and §§ 552.13, 563.22, and part 546 of this chapter, as appropriate, and any approvals required to form an interim association,

to amend the charter and bylaws of the association being acquired, and/or to amend the charter and bylaws of the mutual holding company consistent with 575.6(a) of this part; and

(iv) The approval of the members of the mutual holding company is obtained, if the OTS advises the mutual holding company in writing that such approval will be required.

(3) *Mutual holding companies*. A mutual holding company that is not a subsidiary holding company may acquire control of another mutual holding company, including a subsidiary holding company, by merging with or into such company, provided the necessary approvals are obtained from the OTS, including (without limitation) approval pursuant to part 574 of this chapter. The approval of the members of the mutual holding companies shall also be obtained if the OTS advises the mutual holding companies in writing that such approval will be required.

(4) *Stock holding companies*. A mutual holding company may acquire control of a savings and loan holding company in the stock form that is not a subsidiary holding company, provided the necessary approvals are obtained from the OTS, including (without limitation) approval pursuant to part 574 of this chapter. The acquired holding company may be held as a subsidiary of the mutual holding company or merged into the mutual holding company.

(5) *Non-controlling acquisitions of savings association stock*. A mutual holding company may acquire non-controlling amounts of the stock of savings associations and savings and loan holding companies subject to the restrictions imposed by 12 U.S.C. 1467a(e) and (q) and §§ 574.8 and 584.4 of this chapter.

(6) *Other corporations*. A mutual holding company may acquire control of, and make non-controlling investments in the stock of, any corporation other than a savings association or savings and loan holding company only if:

(i) (A) Such corporation is engaged exclusively in activities that are permissible for mutual holding companies pursuant to § 575.11(a) of this part; or

(B) It is lawful for the stock of such corporation to be purchased by a federal savings association under part 559

of this chapter or by a state savings association under the law of any state where any subsidiary savings association of the mutual holding company has its home office; and

(ii) Such corporation is not controlled, directly or indirectly, by a savings association subsidiary of the mutual holding company.

(b) *Dispositions*—(1) A mutual holding company shall provide written notice to the OTS at least 30 days prior to the effective date of any direct or indirect transfer of any of the stock that it holds in a subsidiary holding company, a resulting association, an acquiree association, or any subsidiary savings association that was in the mutual form when acquired by the mutual holding company, including stock transferred in connection with a pledge pursuant to § 575.11(b) or any transfer of all or a substantial portion of the assets or liabilities of any such subsidiary holding company or association. Any such disposition shall comply with the requirements of this part or with part 563b of this chapter, as appropriate, and with any other applicable statute or regulation including, without limitation, parts 546, 563 and 574 of this chapter.

(2) A mutual holding company may, subject to applicable laws and regulations, transfer any or all of the stock or cause or permit the transfer of any or all of the assets and liabilities of:

(ii) Any subsidiary savings and loan holding company acquired pursuant to paragraph (a)(4) of this section; or

(iii) Any corporation other than a savings association or savings and loan holding company.

(3) A mutual holding company may, subject to applicable laws and regulations, transfer any stock acquired pursuant to paragraph (a)(5) of this section.

(4) No transfer authorized by this section may be made to any insider of the mutual holding company, any associate of an insider of the mutual holding company, or any tax-qualified or non-tax-qualified employee stock benefit plan of the mutual holding company

unless the mutual holding company provides notice to the OTS at least 30 days prior to the effective date of the proposed transfer. This notice shall be in addition to any other application or notice required under applicable laws or regulations, including, without limitation, this part and parts 563, 563b, 574 of this chapter.

[58 FR 44114, Aug. 19, 1993, as amended at 60 FR 66720, Dec. 26, 1995; 63 FR 11365, Mar. 9, 1998]

§ 575.11 Operating restrictions.

(a) *Activities restrictions*. A mutual holding company may engage in any business activity specified in 12 U.S.C. 1467a (c)(2)(A) or (c)(2)(C)–(c)(2)(G). In addition, the business activities of subsidiaries of mutual holding companies may include the activities specified in § 575.10(a)(6) of this part. A mutual holding company or its subsidiaries may engage in the foregoing activities only upon compliance with the procedures specified in §§ 584.2–1(c) or 584.2–2(b) of this chapter.

(b) *Pledging stock*—(1) No mutual holding company may pledge the stock of its resulting association, an acquiree association, or any subsidiary savings association that was in the mutual form when acquired by the mutual holding company (or its parent mutual holding company), unless the proceeds of the loan secured by the pledge are infused into the association whose stock is pledged. No mutual holding company may pledge the stock of its subsidiary holding company unless the proceeds of the loan secured by the pledge are infused into any savings association subsidiary of the subsidiary holding company that is a resulting association, an acquiree association, or a subsidiary savings association that was in the mutual form when acquired by the subsidiary holding company (or its parent mutual holding company). In the event the subsidiary holding company has more than one savings association subsidiary, the loan proceeds shall, unless otherwise approved by the OTS, be infused in equal amounts to each savings association subsidiary. Any amount of the stock of such association or subsidiary holding company may be pledged for these purposes.

Nothing in this paragraph (b)(1) shall be deemed to prohibit:

(i) The payment of dividends from a subsidiary savings association to its mutual holding company parent to the extent otherwise permissible; or

(ii) The payment of dividends from a subsidiary holding company to its mutual holding company parent to the extent otherwise permissible; or

(iii) A mutual holding company from pledging the stock of more than one savings association subsidiary provided that the stock pledged of each such subsidiary association is proportionate to the proceeds of the loan infused into each subsidiary association.

(2) Within 10 days after its pledge of stock pursuant to paragraph (b)(1) of this section, a mutual holding company shall provide written notice to the OTS regarding the terms of the transaction (including the amount of principal and interest, repayment terms, maturity date, the nature and amount of collateral, and the terms governing seizure of the collateral) and shall include in such notice a certification that the proceeds of the loan have been transferred to the subsidiary savings association whose stock (or the stock of its parent subsidiary holding company) has been pledged.

(3) Any mutual holding company that fails to make any payment on a loan secured by the pledge of stock pursuant to paragraph (b)(1) of this section on or before the date on which such payment is due shall, on the first day after such payment is due, provide written notice of nonpayment to the Regional Director.

(c) *Restrictions on stock repurchases.* No subsidiary savings association of a mutual holding company that has any stockholders other than the association's mutual holding company and no subsidiary holding company that has any stockholders other than its parent mutual holding company shall repurchase any share of stock within three years of its date of issuance (which may include the time period the shares issued by the savings association were outstanding if the subsidiary holding company was formed after the initial issuance by the savings association), unless the repurchase:

(1) Is part of a general repurchase made on a pro rata basis pursuant to an offer approved by the OTS and made to all stockholders of the association or subsidiary holding company (except that the parent mutual holding company may be excluded from the repurchase with the OTS' approval);

(2) Is limited to the repurchase of qualifying shares of a director; or

(3) Is purchased in the open market by a tax-qualified or non-tax-qualified employee stock benefit plan of the savings association (but not of a subsidiary holding company) in an amount reasonable and appropriate to fund such plan.

(d) *Restrictions on waiver of dividends.* No mutual holding company may waive its right to receive any dividend declared by a subsidiary unless either:

(1) No insider of the mutual holding company, associate of an insider, or tax-qualified or non-tax-qualified employee stock benefit plan of the mutual holding company holds any share of stock in the class of stock to which the waiver would apply; or

(2) The mutual holding company provides the OTS with written notice of its intent to waive its right to receive dividends 30 days prior to the proposed date of payment of the dividend, and the OTS does not object. The OTS shall not object to a notice of intent to waive dividends if:

(i) The waiver would not be detrimental to the safe and sound operation of the savings association; and

(ii) The board of directors of the mutual holding company expressly determines that waiver of the dividend by the mutual holding company is consistent with the directors' fiduciary duties to the mutual members of such company. A dividend waiver notice shall include a copy of the resolution of the board of directors of the mutual holding company, in form and substance satisfactory to the OTS, together with any supporting materials relied upon by the board, concluding that the proposed dividend waiver is consistent with the board's fiduciary duties to the mutual members of the mutual holding company.

(e) *Restrictions on issuance of stock to insiders.* A subsidiary of a mutual holding company that is not a savings association or subsidiary holding company may issue stock to any insider, associate of an insider or tax-qualified or non-tax-qualified employee stock benefit plan of the mutual holding company or any subsidiary of the mutual holding company, provided that such persons or plans provide written notice to the OTS at least 30 days prior to the stock issuance. Subsidiary savings associations and subsidiary holding companies may issue stock to such persons only in accordance with § 575.7.

(f) *Restrictions on indemnification.* The provisions of § 545.121 of this chapter shall apply to mutual holding companies in the same manner as if they were federal savings associations.

(g) *Restrictions on employment contracts.* The provisions of § 563.39 of this chapter and any policies of the OTS thereunder shall apply to mutual holding companies in the same manner as if they were savings associations.

(h) *Applicability of rules governing savings and loan holding companies.* Except as expressly provided in this part, mutual holding companies shall be subject to the provisions of 12 U.S.C. 1467a and 3201 *et seq.* and parts 563e, 574, 583, and 584 of this chapter.

[58 FR 44114, Aug. 19, 1993, as amended at 60 FR 66720, Dec. 26, 1995; 63 FR 11365, Mar. 9, 1998]

§ 575.12 Conversion or liquidation of mutual holding companies.

(a) *Conversion*—(1) *Generally.* A mutual holding company may convert to the stock form in accordance with the rules and regulations set forth in part 563b of this chapter.

(2) Exchange of savings association stock. Any stock issued pursuant to § 575.7 by a subsidiary savings association or subsidiary holding company of a mutual holding company to persons other than the parent mutual holding company may be exchanged for the stock issued by the parent mutual holding company in connection with the conversion of the parent mutual holding company to stock form. The parent mutual holding company and the subsidiary holding company or savings association must demonstrate to

the satisfaction of the OTS that the basis for the exchange is fair and reasonable.

(b) *Involuntary liquidation*—(1) The OTS may file a petition with the federal bankruptcy courts requesting the liquidation of a mutual holding company pursuant to 12 U.S.C. 1467a(o)(9) and title 11, United States Code, upon the occurrence of any of the following events:

(i) The default of the resulting association, any acquiree association, or any subsidiary savings association of the mutual holding company that was in the mutual form when acquired by the mutual holding company;

(ii) The default of the parent mutual holding company or its subsidiary holding company; or

(iii) Foreclosure on any pledge by the mutual holding company of subsidiary savings association stock or subsidiary holding company stock pursuant to § 575.11(b).

(2) Except as provided in paragraph (b)(3) of this section, the net proceeds of any liquidation of any mutual holding company shall be transferred to the members of the mutual holding company or the stock holders of the subsidiary holding company in accordance with the charter of the mutual holding company or subsidiary holding company.

(3) If the FDIC incurs a loss as a result of the default of any savings association subsidiary of a mutual holding company and that mutual holding company is liquidated pursuant to paragraph (b)(1) of this section, the FDIC shall succeed to the membership interests of the depositors of such savings association in the mutual holding company, to the extent of the FDIC's loss.

(c) *Voluntary liquidation.* The provisions of § 546.4 of this chapter shall apply to mutual holding companies in the same manner as if they were federal savings associations.

shall apply to all solicitations of proxies by any person in connection with any membership vote required under this part. All proxy materials utilized in connection with such solicitations shall be authorized for use by the OTS and shall be in the form and contain the information specified in § 563b.5(d) of this chapter and Form PS, 12 CFR 563b.101, to the extent such information is relevant to the action that members are being asked to approve, with such additions, deletions, and other modifications as are necessary or appropriate under the disclosure standard set forth in § 563b.5(g) of this chapter. Proxies and proxy statements shall be filed in accordance with § 563b.5(e) of this chapter and shall be addressed to the Corporate and Securities Division, Chief Counsel's Office, Office of Thrift Supervision, at the address set forth in § 516.1(a) of this chapter. For purposes of this paragraph (a)(1), the term *conversion* as it appears in the provisions of part 563b of this chapter cited above in this paragraph (a)(1) shall be deemed to refer to *the reorganization or the stock issuance*, as appropriate.

(2) *Additional proxy disclosure requirements.* In addition to all disclosure required by Form PS, all proxies requesting accountholder approval of a mutual holding company reorganization shall address in detail:

(i) The reasons for the reorganization, including the relative advantages and disadvantages of undertaking the transaction proposed instead of a standard conversion;

(ii) Whether management believes the reorganization is in the best interests of the association and its accountholders and the basis of that belief;

(iii) The fiduciary duties owed to accountholders by the association's officers and directors and why the reorganization is in accord with those duties and is otherwise equitable to the accountholders and the association;

(iv) Any compensation agreements that will be entered into by management in connection with the reorganization; and

(v) Whether the mutual holding company intends to waive dividends, the implications to accountholders, and the reasons such waivers are consistent

with the fiduciary duties of the directors of the mutual holding company.

(3) *Nonconforming minority stock issuances.* Savings associations proposing non-conforming minority stock issuances pursuant to § 575.7(d)(6)(ii)(2) of this part must include in the proxy materials to accountholders seeking approval of a proposed reorganization an additional disclosure statement that serves as a cover sheet that clearly addresses:

(i) The consequences to accountholders of voting to approve a reorganization in which their subscription rights are prioritized differently and potentially eliminated; and

(ii) Any intent by the mutual holding company to waive dividends, and the implications to accountholders.

(4) *Use of "running" proxies.* A mutual savings association or mutual holding company may make use of any proxy conferring general authority to vote on any and all matters at any meeting of members, provided that the member granting such proxy has been furnished a proxy statement regarding the matters and the member does not grant a later-dated proxy to vote at the meeting at which the matter will be considered or attend such meeting and vote in person, and further provided that "running" proxies or similar proxies may not be used to vote for a mutual holding company reorganization, mutual-to-stock conversion undertaken either by a mutual savings association or a mutual holding company or any other material transaction. Subject to the limitations set forth in this paragraph, any proxy conferring on the board of directors or officers of a mutual savings association general authority to cast a member's votes on any and all matters presented to the members shall be deemed to cover the member's votes as a member of the mutual holding company and such authority shall be conferred on the board of directors or officers of a mutual holding company.

§ 575.14 Subsidiary holding companies.

(a) *Subsidiary holding companies.* A mutual holding company may establish a subsidiary holding company as a direct subsidiary to hold 100% of the stock of its savings association subsidiary. The formation and operation of the subsidiary holding company may not be utilized as a means to evade or frustrate the purposes of this part 575 or part 563b of this chapter. The subsidiary holding company may be established either at the time of the initial mutual holding company reorganization or at a subsequent date, subject to the approval of the OTS.

(b) *Stock issuances.* For purposes of §§ 575.7 and 575.8, the subsidiary holding company shall be treated as a savings association issuing stock and shall be subject to the requirements of those sections. In the case of a stock issuance by a subsidiary holding company, the aggregate amount of outstanding common stock of the association owned or controlled by persons other than the subsidiary holding company's mutual holding company parent at the close of the proposed issuance shall be less than 50% of the subsidiary holding company's total outstanding common stock.

(c) *Charters and bylaws for subsidiary holding companies—(1) Charters.* The charter of a subsidiary holding company shall be in the form set forth in this paragraph (c)(1) and may include any of the additional provisions permitted pursuant to paragraph (c)(2) of this section. The form of the charter is as follows:

FEDERAL MHC SUBSIDIARY HOLDING COMPANY
CHARTER

Section 1. Corporate title. The full corporate title of the MHC subsidiary holding company is XXX.

Section 2. Domicile. The domicile of the MHC subsidiary holding company shall be in the city of _____, in the State of _____.

Section 3. Duration. The duration of the MHC subsidiary holding company is perpetual.

Section 4. Purpose and powers. The purpose of the MHC subsidiary holding company is to pursue any or all of the lawful objectives of a federal mutual holding company chartered under section 10(o) of the Home Owners' Loan Act, 12 U.S.C. 1467a(o), and to exercise all of the express, implied, and incidental powers conferred thereby and by all acts amendatory thereof and supplemental thereto, subject to the Constitution and laws of the United States as they are now in effect, or as they may hereafter be amended, and subject to all lawful and applicable rules, regulations, and orders of the Office of Thrift Supervision ("Office").

Section 5. Capital stock. The total number of shares of all classes of the capital stock that the MHC subsidiary holding company has the authority to issue is _____, all of which shall be common stock of par [or if no par is specified then shares shall have a stated] value of _____ per share. The shares may be issued from time to time as authorized by the board of directors without the approval of its shareholders, except as

otherwise provided in this section 5 or to the extent that such approval is required by governing law, rule, or regulation. The consideration for the issuance of the shares shall be paid in full before their issuance and shall not be less than the par [or stated] value. Neither promissory notes nor future services shall constitute payment or part payment for the issuance of shares of the MHC subsidiary holding company. The consideration for the shares shall be cash, tangible or intangible property (to the extent direct investment in such property would be permitted to the MHC subsidiary holding company), labor, or services actually performed for the MHC subsidiary holding company, or any combination of the foregoing. In the absence of actual fraud in the transaction, the value of such property, labor, or services, as determined by the board of directors of the MHC subsidiary holding company, shall be conclusive. Upon payment of such consideration, such shares shall be deemed to be fully paid and nonassessable. In the case of a stock dividend, that part of the retained earnings of the MHC subsidiary holding company that is transferred to common stock or paid-in capital accounts upon the issuance of shares as a stock dividend shall be deemed to be the consideration for their issuance.

Except for shares issued in the initial organization of the MHC subsidiary holding company, no shares of capital stock (including shares issuable upon conversion, exchange, or exercise of other securities) shall be issued, directly or indirectly, to officers, directors, or controlling persons (except for shares issued to the parent mutual holding company) of the MHC subsidiary holding company other than as part of a general public offering or as qualifying shares to a director, unless the issuance or the plan under which they would be issued has been approved by a majority of the total votes eligible to be cast at a legal meeting.

The holders of the common stock shall exclusively possess all voting power. Each holder of shares of common stock shall be entitled to one vote for each share held by such holder, except as to the cumulation of votes for the election of directors, unless the charter provides that there shall be no such cumulative voting. Subject to any provision for a liquidation account, in the event of any liquidation, dissolution, or winding up of the MHC subsidiary holding company, the holders of the common stock shall be entitled, after payment or provision for payment of all debts and liabilities of the MHC subsidiary holding company, to receive the remaining assets of the MHC subsidiary holding company available for distribution, in cash or in kind. Each share of common stock shall have the same relative rights as and be identical in all respects with all the other shares of common stock.

Office of Thrift Supervision, Treasury

§ 583.1

Section 6. Preemptive rights. Holders of the capital stock of the MHC subsidiary holding company shall not be entitled to preemptive rights with respect to any shares of the MHC subsidiary holding company which may be issued.

Section 7. Directors. The MHC subsidiary holding company shall be under the direction of a board of directors. The authorized number of directors, as stated in the MHC subsidiary holding company's bylaws, shall not be fewer than five nor more than fifteen except when a greater or lesser number is approved by the Director of the Office, or his or her delegate.

Section 8. Amendment of charter. Except as provided in Section 5, no amendment, addition, alteration, change or repeal of this charter shall be made, unless such is proposed by the board of directors of the MHC subsidiary holding company, approved by the shareholders by a majority of the votes eligible to be cast at a legal meeting, unless a higher vote is otherwise required, and approved or preapproved by the Office.

(3) *Bylaws.* The rules and regulations set forth in §552.5 of this chapter regarding bylaws (including their content, any amendments thereto, delegations, and filing instructions) shall be applicable to subsidiary holding companies to the same extent as if subsidiary holding companies were federal

(5) Any savings association subsidiary of the holding company does not permit any overdraft (including an intra-day overdraft) or incur any such overdraft in its account at a Federal Reserve bank, on behalf of an affiliate, unless such overdraft results from an inadvertent computer or accounting error that is beyond the control of both the savings association subsidiary and the affiliate.

(c) *Termination by the Office of grandfathered activities.* Notwithstanding the provisions of paragraph (b) of this section, the Office may, after opportunity for hearing, terminate any activity engaged in under paragraph (b) of this section upon determination that such action is necessary:

(3) Except as may be otherwise provided in a resolution by or on behalf of the Office in a particular case, a service or activity commenced pursuant to this section shall not be altered in any material respect from that described in the notice filed under paragraph (c)(1) of this section, unless before making such alteration notice of intent to do so is filed in compliance with the appropriate procedures of said paragraph (c)(1) of this section.

(d) *Service corporation subsidiaries of savings associations.* The Office hereby approves without application the furnishing or performing of such services or engaging in such activities as permitted by the Office pursuant to 12 CFR 545.74, as in effect on March 5, 1987, if such service or activity is conducted by a service corporation subsidiary of a subsidiary savings association of a savings and loan holding company and if such service corporation has legal power to do so.

(a) *General.* For purposes of § 584.2(b)(6)(i) of this part, the services and activities permissible for bank holding companies pursuant to 12 CFR 225.24 or 225.28 are permissible for savings and loan holding companies, or subsidiaries thereof that are neither savings associations nor service corporation subsidiaries of subsidiary savings associations: *Provided*, That no such savings and loan holding company or subsidiary thereof shall commence, either *de novo* or by an acquisition (in whole or in part) of a going concern, any activity described in this paragraph (a) without the prior approval of the Office pursuant to paragraph (b) of this section. Where an activity is within the scope of both § 584.2-1 of this part

and this section, the procedures of § 584.2-1 of this part shall govern.

(b) *Procedures for applications.* Applications to commence any activity prescribed under paragraph (a) of this section shall be filed with the OTS. The OTS shall act upon such application pursuant to the guidelines set forth in § 516.2 of this chapter.

(c) *Factors considered in acting on applications.* In evaluating an application filed under paragraph (b) of this section, the OTS shall consider whether the performance by the applicant of the activity can reasonably be expected to produce benefits to the public (such as greater convenience, increased competition, or gains in efficiency) that outweigh possible adverse effects (such as undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound financial practices). This consideration includes an evaluation of the financial and managerial resources of the applicant, including its subsidiaries, and of any company to be acquired, and the effect of the proposed transaction on those resources.

(A) A copy of the state law to be considered;

(B) Copies of any relevant judicial, regulatory, or administrative interpretations of the state law; and

(C) An opinion or memorandum from the state Attorney General or other appropriate state official having primary enforcement responsibilities for the subject state law provision, indicating how the state law to be considered offers greater protection to consumers than the Office's regulation.

(c) *Refund of precomputed finance charge.* In the event the entire indebtedness is prepaid, the unearned portion of the precomputed finance charge shall be refunded to the debtor. This refund shall be in an amount not less than the amount which would be refunded if the unearned precomputed finance charge were calculated in accordance with the actuarial method, except that the debtor shall not be entitled to a refund which, is less than one dollar. The unearned portion of the precomputed finance charge is, at the option of the creditor, either:

(1) That portion of the precomputed finance charge which is allocable to all unexpired payment periods as originally scheduled, or if deferred, as deferred. A payment period shall be deemed unexpired if prepayment is made within 15 days after the payment period's scheduled due date. The unearned precomputed finance charge is the total of that which would have been earned for each such period had the loan not been precomputed, by applying to unpaid balances of principal, according to the actuarial method, an annual percentage rate based on those charges which are considered precomputed finance charges in this section, assuming that all payments were made as originally scheduled, or as deferred, if deferred. The creditor, at its option, may round this annual percentage rate to the nearest one-quarter of one percent; or

(2) The total precomputed finance charge less the earned precomputed finance charge. The earned precomputed finance charge shall be determined by applying an annual percentage rate based on the total precomputed finance

charge (as that term is defined in this section), under the actuarial method, to the unpaid balances for the actual time those balances were unpaid up to the date of prepayment. If a late charge or deferral fee has been collected, it shall be treated as a payment.

(d) *Prepayment penalties.* A debtor may prepay in full or in part the unpaid balance of the loan at any time without penalty. The right to prepay shall be disclosed in the loan contract in type larger than that used for the body of the document.

(e) *Balloon payments*—(1) *Federal savings associations.* Federal savings association creditors may enter into agreements with debtors which provide for non-amortized and partially-amortized loans on residential manufactured homes, and such loans shall be governed by the provisions of this section and § 560.220 of this chapter.

(2) *Other creditors.* All other creditors may enter into agreements with debtors which provide for non-amortized and partially-amortized loans on residential manufactured homes to the extent authorized by applicable Federal or state law or regulation.

(f) *Late charges.* (1) No late charge may be assessed, imposed, or collected unless provided for by written contract between the creditor and debtor.

(2) To the extent that applicable state law does not provide for a longer period of time, no late charge may be collected on an installment which is paid in full on or before the 15th day after its scheduled or deferred due date even though an earlier maturing installment or a late charge on an earlier installment may not have been paid in full. For purposes of assessing late charges, payments received are deemed to be applied first to current installments.

(3) A late charge may be imposed only once on an installment; however, no such charge may be collected for a late installment which has been deferred.

(4) To the extent that applicable state law does not provide for a lower charge or longer grace period, a late charge on any installment not paid in full on or before the 15th day after its scheduled or deferred due date may not

exceed the lesser of \$5.00 or five percent of the unpaid amount of the installment.

(5) If, at any time after imposition of a late charge, the lender provides the borrower with written notice regarding amounts claimed to be due but unpaid, the notice shall separately state the total of all late charges claimed.

(6) Interest after the final scheduled maturity date may not exceed the maximum rate otherwise allowable under State law for such contracts, and if such interest is charged, no separate late charge may be made on the final scheduled installment.

(g) *Deferral fees.* (1) With respect to mobile home credit transactions containing precomputed finance charges, agreements providing for deferral of all or part of one or more installments shall be in writing, signed by the parties, and

(i) Provide, to the extent that applicable state law does not provide for a lower charge, for a charge not exceeding one percent of each installment or part thereof for each month from the date when such installment was due to the date when it is agreed to become payable and proportionately for a part of each month, counting each day as 1/30th of a month;

(ii) Incorporate by reference the transaction to which the deferral applied;

(iii) Disclose each installment or part thereof in the amount to be deferred, the date or dates originally payable, and the date or dates agreed to become payable; and

(iv) Set forth the fact of the deferral charge, the dollar amount of the charge for each installment to be deferred, and the total dollar amount to be paid by the debtor for the privilege of deferring payment.

(2) No term of a writing executed by the debtor shall constitute authority for a creditor unilaterally to grant a deferral with respect to which a charge is to be imposed or collected.

(3) The deferral period is that period of time in which no payment is required or made by reason of the deferral.

(4) Payments received with respect to deferred installments shall be deemed

to be applied first to deferred installments.

(5) A charge may not be collected for the deferral of an installment or any part thereof if, with respect to that installment, a refinancing or consolidation agreement is concluded by the parties, or a late charge has been imposed or collected, unless such late charge is refunded to the borrower or credited to the deferral charge.

(h) *Notice before repossession, foreclosure, or acceleration.* (1) Except in the case of abandonment or other extreme circumstances, no action to repossess or foreclose, or to accelerate payment of the entire outstanding balance of the obligation, may be taken against the debtor until 30 days after the creditor sends the debtor a notice of default in the form set forth in paragraph (h)(2) of this section. Such notice shall be sent by registered or certified mail with return receipt requested. In the case of default on payments, the sum stated in the notice may only include payments in default and applicable late or deferral charges. If the debtor cures the default within 30 days of the postmark of the notice and subsequently defaults a second time, the creditor shall again give notice as described in this paragraph (h)(1). The debtor is not entitled to notice of default more than twice in any one-year period.

(2) The notice in the following form shall state the nature of the default, the action the debtor must take to cure the default, the creditor's intended actions upon failure of the debtor to cure the default, and the debtor's right to redeem under state law.

To:

Date: , 19

§ 590.100 Status of Interpretations issued under Public Law 96-161.

The Office continues to adhere to the views expressed in the formal Interpretations issued under the authority of section 105(c) of Pub. L. 96-161, 93 Stat. 1233 (1979). These interpretations, which relate to the temporary preemption of state interest ceilings contained in Pub. L. 96-161, may be found at 45 FR 2840 (Jan. 15, 1980); 45 FR 6165 (Jan. 25, 1980); 45 FR 8000 (Feb. 6, 1980); 45 FR 15921 (Mar. 12, 1980).

§ 590.101 State criminal usury statutes.

(a) Section 501 provides that "the provisions of the constitution or laws of any state expressly limiting the rate or amount of interest, discount points, finance charges, or other charges shall not apply to any" federally-related loan secured by a first lien on residential real property, a residential manufactured home, or all the stock allocated to a dwelling unit in a residential housing cooperative. 12 U.S.C. 1735f-7 note (Supp. IV 1980). The question has arisen as to whether the federal statute preempts a state law which deems it a criminal offense to charge interest at a rate in excess of that specified in the state law.

(b) In the Office's view, section 501 preempts all state laws which expressly limit the rate or amount of interest

chargeable on a federally-related residential first mortgage. It does not matter whether the statute in question imposes criminal or civil sanctions; section 501, by its terms, preempts “any” state law which imposes a ceiling on interest rates. The wording of the federal statute clearly expresses an intent to displace all direct state law restraints on interest. Any state law that conflicts with this Congressional purpose must yield.

AUTHORITY: Sec. 5, 48 Stat. 132, as amended (12 U.S.C. 1464); sec. 341, 96 Stat. 1505, as amended (12 U.S.C. 1701j-3).

SOURCE: 54 FR 49718, Nov. 30, 1989, unless otherwise noted.

§ 591.1 Authority, purpose, and scope.

(a) *Authority.* This part contains regulations issued under section 5 of the Home Owners’ Loan Act of 1933, as amended, and under section 341 of the Garn-St Germain Depository Institutions Act of 1982, Pub. L. 97-320, 96 Stat. 1469, 1505-1507.

(b) *Purpose and scope.* The purpose of this permanent preemption of state prohibitions on the exercise of due-on-sale clauses by all lenders, whether federally- or state-chartered, is to reaffirm the authority of Federal savings associations to enforce due-on-sale clauses, and to confer on other lenders generally comparable authority with respect to the exercise of such clauses. This part applies to all real property loans, and all lenders making such loans, as those terms are defined in § 591.2 of this part.

§ 591.2 Definitions.

For the purposes of this part, the following definitions apply:

(a) *Assumed* includes transfers of real property subject to a real property loan by assumptions, installment land sales contracts, wraparound loans, contracts for deed, transfers subject to the mortgage or similar lien, and other like transfers. “Completed credit application” has the same meaning as completed application for credit as provided in § 202.2(f) of this title.

(b) *Due-on-sale clause* means a contract provision which authorizes the lender, at its option, to declare immediately due and payable sums secured by the lender’s security instrument upon a sale of transfer of all or any part of the real property securing the loan without the lender’s prior written consent. For purposes of this definition, a *sale or transfer* means the conveyance of real property of any right, title or interest therein, whether legal or equitable, whether voluntary or involuntary, by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three years, lease-option contract or any other method of conveyance of real property interests.

(c) *Federal savings association* has the same meaning as provided in § 541.11 of this chapter.

(d) *Federal credit union* means a credit union chartered under the Federal Credit Union Act.

(e) *Home* has the same meaning as provided in § 541.14 of this chapter.

(f) *Savings association* has the same meaning as provided in § 561.43 of this chapter.

(g) *Lender* means a person or government agency making a real property loan, including without limitation, individuals, Federal savings associations, state-chartered savings associations, national banks, state-chartered banks and state-chartered mutual savings banks, Federal credit unions, state-chartered credit unions, mortgage banks, insurance companies and finance companies which make real property loans, manufactured-home retailers who extend credit, agencies of the Federal government, any lender approved by the Secretary of Housing and Urban Development for participation in any mortgage insurance program under the National Housing Act, and

any assignee or transferee, in whole or part, of any such persons or agencies.

(h) *Loan secured by a lien on real property* means a loan on the security of any instrument (whether a mortgage, deed or trust, or land contract) which makes the interest in real property (whether in fee, or in a leasehold or subleasehold) specific security for the payment of the obligation secured by the instrument.

(i) *Loan secured by a lien on stock in a residential cooperative housing corporation* means a loan on the security of:

(1) A security interest in stock or a membership certificate issued to a tenant stockholder or resident member by a cooperative housing organization; and

(2) An assignment of the borrower's interest in the proprietary lease or occupancy agreement issued by such organization.

(j) *Loan secured by a lien on a residential manufactured home, whether real or personal property*, means a loan made pursuant to an agreement by which the party extending the credit acquires a security interest in the residential manufactured home.

(k) *Loan originated by a Federal savings association or other lender* means any loan for which the lender makes the first advance of credit thereunder, *Provided*, That such lender then held a beneficial interest in the loan, whether as to the whole loan or a portion thereof, and whether or not the loan is later held by or transferred to another lender.

(l) *Real property loan* means any loan, mortgage, advance or credit sale secured by a lien on real property, the stock or membership certificate allocated to a dwelling unit in a cooperative housing corporation, or a residential manufactured home, whether real or personal property.

(m) *Residential manufactured home* has the same meaning as provided in § 590.2(g) of this chapter.

(n) *Reverse mortgage* means an instrument providing periodic payments to homeowners based on accumulated equity, whether the payments are made directly by the lender, through purchase of an annuity through an insurance company or in any other manner. The loan may be due either upon a spe-

cific date or when a specified event occurs, such as the sale of the property or death of the borrower.

(o) *State* means the several states, Puerto Rico, the District of Columbia, Guam, the Trust Territory of the Pacific Islands, the Northern Mariana Islands, the Virgin Islands, and American Samoa.

(p)(1) A *window-period loan* means a real property loan, not originated by a Federal savings association, which was made or assumed during a window-period created by state law and subject to that law, which loan was recorded, at the time of origination or assumption, before October 15, 1982, or within 60 days thereafter (December 14, 1982).

(2) The window-period begins on: (i) The date a state adopted a law (by means of a constitutional provision or statute) prohibiting the unrestricted exercise of due-on-sale clauses upon outright transfers of property securing loans subject to the state law creating the window-period, or the effective date of a constitutional or statutory provision so adopted, whichever is later; or

(ii) The date on which the highest court of the state rendered a decision prohibiting such unrestricted exercise (or if the highest court has not so decided, the date on which the next highest appellate court rendered a decision resulting in a final judgment which applies statewide), and ends on the earlier of the date such state law prohibition terminated under state law or October 15, 1982.

(3) Categories of state law which create window-periods by prohibiting the unrestricted exercise of due-on-sale clauses upon outright transfers of property securing loans subject to such state law restrictions include laws or judicial decisions which permit the lender to exercise its option under a due-on-sale clause only where:

(i) The lender's security interest or the likelihood of repayment is impaired; or

(ii) The lender is required to accept an assumption of the existing loan without an interest-rate change or with an interest-rate change below the market interest rate currently being offered by the lender on similar loans

§ 591.3

secured by similar property at the time of the transfer.

§ 591.3 Loans originated by Federal savings associations.

(a) With regard to any real property loan originated or to be originated by a Federal savings association, as a matter of contract between it and the borrower, a Federal savings association continues to have the power to include a due-on-sale clause in its loan instrument.

(b) Except as otherwise provided in § 591.5 of this part with respect to any such loan made on the security of a home occupied or to be occupied by the borrower, exercise by any lender of a due-on-sale clause in a loan originated by a Federal savings association shall be exclusively governed by the terms of the loan contract, and all rights and remedies of the lender and borrower shall at all times be fixed and governed by that contract.

§ 591.4 Loans originated by lenders other than Federal savings associations.

(a) With regard to any real property loan originated by a lender other than a Federal savings association, as a matter of contract between it and the borrower, the lender has the power to include a due on sale clause in its loan instrument.

(b) Except as otherwise provided in paragraph (c) of this section and § 591.5 of this part, the exercise of due-on-sale clauses in loans originated by lenders other than Federal savings associations shall be governed exclusively by the terms of the loan contract, and all rights and remedies of the lender and the borrower shall be fixed and governed by that contract.

(c)(1) In the case of a window-period loan, the provisions of paragraph (b) of this section shall apply only in the case of a sale or transfer of the property subject to the real property loan and only if such sale or transfer occurs on or after October 15, 1985: *Provided*, That:

(i) With respect to real property loans originated in a state by lenders other than national banks, Federal savings associations, and Federal credit unions, a state may otherwise regu-

12 CFR Ch. V (1–1–99 Edition)

late such contracts by state law enacted prior to October 16, 1985, in which case paragraph (b) of this section shall apply only if such state law so provides; and

(ii) With respect to real property loans originated by national banks and Federal credit unions, the Comptroller of the Currency or the National Credit Union Administration Board, respectively, may otherwise regulate such contracts by regulations promulgated prior to October 16, 1985, in which case paragraph (b) of this section shall apply only if such regulation so provides.

(2) A lender may not exercise its options pursuant to a due-on-sale clause contained in a window-period loan in the case of a sale or transfer of property securing such loan where the sale or transfer occurred prior to October 15, 1982.

(d)(1) Prior to the sale or transfer of property securing a window-period loan subject to the provisions of paragraph (c) of this section.

(i) Any lender in the business of making real property loans may require any successor or transferee of the borrower to supply credit information customarily required by the lender in connection with credit applications, to complete its customary credit application, and to meet customary credit standards applied by such lender, at the date of sale or transfer, to the lender's similar loans secured by similar property.

(ii) Any lender not in the business of making loans may require any successor or transferee of the borrower to meet credit standards customarily applied by other similarly situated lenders or sellers in the geographic market within which the transaction occurs, for similar loans secured by similar property, prior to the lender's consent to the transfer.

(2) The lender may exercise a due-on-sale clause in a window-period loan if:

(i) The successor or transferee of the borrower fails to meet the lender's credit standards as set forth in paragraphs (b)(1)(i) and (b)(1)(ii) of this section; or

(ii) Upon transfer of the security property and not later than fifteen

days after written request by the lender, the successor or transferee of the borrower fails to provide information requested by the lender pursuant to paragraph (d)(1)(i) or (d)(1)(ii) of this section, to determine whether such successor or transferee of the borrower meets the lender's customary credit standards.

(3) The lender shall, within thirty days of receipt of a completed credit application and any other related information provided by the successor or transferee of the borrower, determine whether such successor or transferee meets the customary credit standards of the lender and provide written notice to the successor or transferee of its decision, and the reasons in the event of a disapproval. Failure of the lender to provide such notice shall preclude the lender from exercise of its due-on-sale clause upon the sale or transfer of the property securing the loan.

(4) The lender's right to exercise a due-on-sale clause pursuant to this paragraph (d)(4) is in addition to any other rights afforded the lender by state law regulating window-period loans with regard to the exercise of due-on-sale clauses and loan assumptions.

§ 591.5 Limitation on exercise of due-on-sale clauses.

(a) *General.* Except as provided in § 591.4 (c) and (d)(4) of this part, due-on-sale practices of Federal savings associations and other lenders shall be governed exclusively by the Office's regulations, in preemption of and without regard to any limitations imposed by state law on either their inclusion or exercise including, without limitation, state law prohibitions against restraints on alienation, prohibitions against penalties and forfeitures, equitable restrictions and state law dealing with equitable transfers.

(b) *Specific limitations.* With respect to any loan on the security of a home occupied or to be occupied by the borrower,

(1) A lender shall not (except with regard to a reverse mortgage) exercise its option pursuant to a due-on-sale clause upon:

(i) The creation of a lien or other encumbrance subordinate to the lender's security instrument which does not relate to a transfer of rights of occupancy in the property: *Provided*, That such lien or encumbrance is not created pursuant to a contract for deed;

(ii) The creation of a purchase-money security interest for household appliances;

(iii) A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;

(iv) The granting of a leasehold interest which has a term of three years or less and which does not contain an option to purchase (that is, either a lease of more than three years or a lease with an option to purchase will allow the exercise of a due-on-sale clause);

(v) A transfer, in which the transferee is a person who occupies or will occupy the property, which is:

(A) A transfer to a relative resulting from the death of the borrower;

(B) A transfer where the spouse or child(ren) becomes an owner of the property; or

(C) A transfer resulting from a decree of dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement by which the spouse becomes an owner of the property; or

(vi) A transfer into an inter vivos trust in which the borrower is and remains the beneficiary and occupant of the property, unless, as a condition precedent to such transfer, the borrower refuses to provide the lender with reasonable means acceptable to the lender by which the lender will be assured of timely notice of any subsequent transfer of the beneficial interest or change in occupancy.

(2) A lender shall not impose a prepayment penalty or equivalent fee when the lender or party acting on behalf of the lender

(i) Declares by written notice that the loan is due pursuant to a due-on-sale clause or

(ii) Commences a judicial or non-judicial foreclosure proceeding to enforce a due-on-sale clause or to seek payment in full as a result of invoking such clause.

(3) A lender shall not impose a prepayment penalty or equivalent fee

when the lender or party acting on behalf of the lender fails to approve within 30 days the completed credit application of a qualified transferee of the security property to assume the loan in accordance with the terms of the loan, and thereafter the borrower transfers the security property to such transferee and prepays the loan in full within 120 days after receipt by the lender of the completed credit application. For purposes of this paragraph (b)(3), a *qualified transferee* is a person who qualifies for the loan under the lender's applicable underwriting standards and who occupies or will occupy the security property.

(4) A lender waives its option to exercise a due-on-sale clause as to a specific transfer if, before the transfer, the lender and the existing borrower's prospective successor in interest agree in writing that the successor in interest will be obligated under the terms of the loan and that interest on sums secured by the lender's security interest will be payable at a rate the lender shall request. Upon such agreement and resultant waiver, a lender shall release the existing borrower from all obligations under the loan instruments, and the lender is deemed to have made a new loan to the existing borrower's successor in interest. The waiver and release

apply to all loans secured by homes occupied by borrowers made by a Federal savings association after July 31, 1976, and to all loans secured by homes occupied by borrowers made by other lenders after the effective date of this regulation.

(5) Nothing in paragraph (b)(1) of this section shall be construed to restrict a lender's right to enforce a due-on-sale clause upon the subsequent occurrence of any event which disqualifies a transfer for a previously-applicable exception under that paragraph (b)(1).

(c) *Policy considerations.* Paragraph (b) of this section does not prohibit a lender from requiring, as a condition to an assumption, continued maintenance of mortgage insurance by the existing borrower's successor in interest, whether by endorsement of the existing policy or by entrance into a new contract of insurance.
